Dear Stockholder:

You are cordially invited to attend the annual meeting of stockholders of Hanmi Financial Corporation to be held at the Wilshire Grand Hotel, located at 930 Wilshire Boulevard, Los Angeles, California on Wednesday, July 28, 2010, at 10:30 a.m. The formal meeting notice and our proxy statement for the meeting are attached.

We are writing to seek your approval of several important proposals at this year's annual meeting. In addition to the election of seven (7) directors and ratification of our independent registered public accounting firm, we are asking you to approve an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock from 200 million shares to 500 million shares, and the issuance of up to 200 million shares of common stock to Woori Finance Holdings Co. Ltd. ("Woori").

On May 25, 2010, we entered into a securities purchase agreement with Woori pursuant to which Woori has agreed to purchase \$210 million (175 million shares) of our common stock at a purchase price of \$1.20 per share. Woori has the option to purchase an additional \$30 million (25 million shares) of our common stock at \$1.20 per share for an aggregate investment not to exceed \$240 million (200 million shares). We have also commenced a registered rights and best efforts offering for our stockholders and the public to raise up to an additional \$120 million from the sale of common stock at a purchase price of \$1.20 per share. These transactions are intended to permit us to significantly increase Hanmi Bank's capital position.

As previously disclosed and described in the attached proxy statement, on November 2, 2009, the Board of Directors of Hanmi Bank consented to the issuance of a Final Order from the California Department of Financial Institutions (the "Order") and entered into a Written Agreement with the Federal Reserve Bank of San Francisco (the "Written Agreement"). Under the Order, Hanmi Bank is required to increase its capital and maintain certain regulatory capital ratios prior to certain dates specified in the Order. Hanmi Bank is required to increase its contributed equity capital by July 31, 2010 by not less than an additional \$100 million. Hanmi Bank is also required to maintain specified ratios of tangible stockholder's equity to total tangible assets. Pursuant to the Written Agreement, we are also required to increase and maintain sufficient capital at Hanmi Financial Corporation and at Hanmi Bank satisfactory to the Federal Reserve Bank.

If we fail to obtain the approval of the amendment to our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock from 200 million shares to 500 million shares, or approval of the issuance of up to 200 million shares of our common stock to Woori, we will not be able to consummate the transactions with Woori and it is unlikely that we will be able to satisfy the Order or continue as a going concern.

Our Board of Directors recommends that you vote "FOR" each of the proposals described in the proxy statement.

We encourage you to carefully review the proxy statement and accompanying appendices, which provide information regarding the matters to be voted on at the annual meeting.

Whether or not you plan to attend the annual meeting, it is important that your shares be represented at the annual meeting. You may vote your common shares via a toll-free telephone number or on the Internet or you may complete, date, sign and return the enclosed proxy card in the enclosed postage-paid envelope. If you attend the meeting and prefer to vote in person, you may do so.

Sincerely,

/s/ Joseph K. Rho

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 28, 2010**

The accompanying proxy is solicited by the Board of Directors of Hanmi Financial Corporation for use at our annual meeting of stockholders to be held on July 28, 2010 or at any adjournment or postponement thereof.

At the annual meeting, our stockholders of record as of the close of business on June 14, 2010 will be asked to consider and vote upon several proposals, including proposals (i) to elect seven (7) nominees to our Board of Directors, (ii) to amend our Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock from 200 million shares to 500 million shares, (iii) to approve the issuance of up to 200 million shares of common stock to Woori Finance Holdings Co. Ltd., (iv) to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2010 and (v) to adjourn the annual meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the annual meeting to adopt each of the foregoing proposals.

We have entered into a Securities Purchase Agreement dated May 25, 2010 with Woori pursuant to which Woori has agreed to purchase \$210 million (175 million shares) of our common stock at a purchase price of \$1.20 per share. Woori has the option to purchase an additional \$30 million (25 million shares) of our common stock at \$1.20 per share for an aggregate investment not to exceed \$240 million (200 million shares). We have also commenced a registered rights and best efforts offering for our stockholders and the public to raise up to an additional \$120 million from the sale of common stock at a purchase price of \$1.20 per share.

After careful consideration and receipt of the recommendation of a special committee of our Board of Directors made up of a majority of independent directors, our Board of Directors has unanimously approved the transactions contemplated by the securities purchase agreement with Woori. Our Board of Directors and the special committee believe that the terms of the securities purchase agreement are fair to, and in the best interest of, our company and our stockholders.

The approval of the amendment to our Amended and Restated Certificate of Incorporation and of the issuance of our common stock to Woori are intended to permit us consummate the transactions with Woori and engage in the registered stock offerings to significantly increase Hanmi Bank's capital ratios and to satisfy the requirements of an order and written agreement with state and federal bank regulators. If we fail to obtain approval of those proposals, we will not be able to consummate the transactions with Woori and it is unlikely that we will be able to satisfy our regulatory requirements or continue as a going concern.

Our Board of Directors recommends that you vote "FOR" each of the proposals above.

This proxy statement, the enclosed proxy card, and other enclosures are first being mailed to stockholders on or about June 18, 2010.

Stockholders are urged to carefully review this proxy statement, including the accompanying appendices, which discusses each of the proposals in more detail.

The date of this proxy statement is June 18, 2010.

INFORMATION ABOUT THE ANNUAL MEETING

Our Board of Directors is soliciting your proxy for use at the 2010 annual meeting of stockholders to be held at the Wilshire Grand Hotel, located at 930 Wilshire Boulevard, Los Angeles, California, on Wednesday July 28, 2010, at 10:30 a.m., and at any adjournments or postponements thereof.

Questions and Answers about these Proxy Materials and the Annual Meeting:

Question: *Why am I receiving these materials?*

You are receiving these materials because we are soliciting your vote at our annual meeting of stockholders. In addition, to the election of directors and ratification of our independent registered public accounting firm, we are asking you to approve two additional proposals that will permit us to significantly increase Hanmi Bank's capital ratios and satisfy the requirements of the Order and Written Agreement with our state and federal bank regulators.

In order to obtain the requisite stockholder approvals of these matters, and to vote on the matters we would otherwise be submitting to our stockholders at an annual meeting, we are calling the annual meeting of our stockholders for July 28, 2010. Our Board of Directors is providing these proxy materials to you in connection with the annual meeting. As a stockholder of record of our common stock, you are invited to attend the annual meeting, and are entitled to and requested to vote on the proposals described in this document.

Question: *Who is entitled to vote and how many votes do I have?*

All stockholders who were stockholders of record of our common stock at the close of business on June 14, 2010, and only those stockholders, will be entitled to vote at the annual meeting. You have one vote for each share of our common stock you owned at the close of business on the record date.

Question: *How many shares are eligible to be voted?*

As of June 14, 2010, 51,198,390 shares of our common stock were outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each matter to be voted on at the annual meeting.

Question: *What may I vote on at the annual meeting?*

You may vote on the following matters:

- A proposal to elect seven (7) nominees to our Board of Directors (Proposal 1);
- A proposal to approve an amendment to our Certificate of Incorporation to increase the number of authorized shares of our common stock to 500,000,000 (and, correspondingly, to increase the total number of authorized shares of all classes of stock from 210,000,000 to 510,000,000) (Proposal 2);
- A proposal to approve for purposes of Nasdaq Listing Rule 5635 the issuance of up to 200,000,000 shares of our common stock to Woori (Proposal 3);
- A proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm (Proposal 4);
- A proposal to adjourn the annual meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the annual meeting to adopt Proposals 1 through 4 (Proposal 5); and
- Such other matters as may properly come before the annual meeting or any adjournment or postponement thereof.

In this document, we refer to Proposals 2 and 3 collectively as the "Capital Raising Stockholder Proposals." Both Proposal 2 and Proposal 3 must be approved by our stockholders for the transactions with Woori to be completed.

Question: *How does Our Board of Directors recommend that I vote on the proposals?*

Our Board unanimously recommends that you vote “FOR” (i) the proposal to elect our seven (7) nominees to our Board of Directors, (ii) the proposal to approve an amendment to our Certificate of Incorporation to increase the number of authorized shares of common stock to 500,000,000 shares, (iii) the proposal to approve for purposes of Rule 5635 of the Nasdaq Listing Rules the issuance of shares of up to 200,000,000 shares of common stock to Woori Finance Holding Co., Ltd., (iv) the proposal to ratify KPMG LLP as our independent registered public accounting firm for the year ended December 31, 2010 and (v) the proposal to adjourn the annual meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the annual meeting to adopt the foregoing proposals.

Question: *What is the required quorum at the annual meeting?*

The required quorum for the transaction of business at the annual meeting is a majority of the shares of our common stock entitled to vote at the annual meeting. Shares voted on a matter are treated as being present for purposes of establishing a quorum.

Question: *Why is Hanmi Financial seeking stockholder approval for the amendment to its Certificate of Incorporation to increase the number of authorized shares of our common stock to 500,000,000?*

Our Certificate of Incorporation currently authorizes the issuance of 200,000,000 shares of our common stock. As of June 14, 2010, the record date, 51,198,390 shares of our common stock were issued and outstanding. As a condition to closing the securities purchase agreement with Woori, and in order to issue the shares of common stock necessary to complete the stock offerings in the aggregate, the number of shares of our common stock authorized for issuance must be increased.

Under the securities purchase agreement, we have agreed to issue to Woori a minimum of 175,000,000 shares of common stock and a maximum of 200,000,000 shares of common stock. In addition, we may sell up to 100,000,000 shares of common stock in the registered rights and best efforts offering. We could issue up to 300,000,000 shares of our common stock in the aggregate in the stock offerings. The proposed authorized number of 500,000,000 is greater than the sum of our outstanding shares and shares currently reserved for issuance and the number of shares of our common stock that would be required to complete the stock offerings as currently contemplated. The additional shares authorized for issuance will provide us with the flexibility to issue additional shares from time to time, without stockholder approval, as our Board may determine, for future financings and capital raise transactions, acquisitions, strategic business relationships, stock-based incentives to employees, directors and consultants and for other purposes.

As of the date of this document, our Board has no agreement, arrangement or intention to issue any of the shares for which approval is sought, other than (i) the issuance and sale of shares pursuant to the stock offerings, (ii) warrants we may issue as compensation to our advisors in connection with the stock offerings and (iii) awards issuable upon the exercise of outstanding options, restricted stock grants and other outstanding and future awards under our current equity incentive plans.

Our Board does not intend to solicit further stockholder approval prior to the issuance of any additional shares of common stock, except as may be required by applicable law, rules of the Nasdaq or other applicable stock exchange requirements.

Question: *Why is Hanmi Financial seeking stockholder approval for the issuance of our common stock?*

Because our common stock is listed on the Nasdaq Global Select Market, we are subject to Nasdaq rules and regulations. Nasdaq Listing Rule 5635 requires stockholder approval prior to:

(i) the issuance of common stock, or securities convertible into or exercisable for common stock, equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book value or market value of the stock or (ii) when the issuance of securities would result in a change in control.

The proposed issuance of common stock to Woori falls under both of these rules because the common stock to be issued to Woori will exceed 20% of both the voting power and number of shares of our common stock outstanding before the issuance, and the negotiated price per share of common stock will be below the greater of book value or market value of our common stock. In addition, Woori will own a majority of our common stock if the transactions contemplated by the securities purchase agreement with Woori are completed (taking into account the stock offerings) which will result in a change in control for Nasdaq purposes.

Question: *Must the stockholders approve both the Capital Raising Stockholder Proposals (Proposal 2 and Proposal 3) for the transaction with Woori to proceed?*

Yes. Approval of both of the Capital Raising Stockholder Proposals is a condition to closing on our securities purchase agreement with Woori.

Question: *Why are you proposing a transaction with Woori?*

We have been exploring a wide variety of strategic alternatives to enhance our capital position and improve our capital ratios and satisfy the regulatory orders to which we are subject. After careful consideration and receipt of the recommendation of a special committee of our Board of Directors made up of a majority of our independent directors, our Board has unanimously approved the transactions contemplated by the securities purchase agreement with Woori. Our Board of Directors and the special committee believe that the terms of the securities purchase agreement are fair to, and in the best interest of, our company and our stockholders. See “*Background to Proposals 2 and 3*”.

Question: *What happens if the Capital Raising Stockholder Proposals are approved?*

If the Capital Raising Stockholder Proposals are approved by our stockholders, we will have satisfied one of the conditions necessary to consummate the transactions contemplated by the securities purchase agreement with Woori. However, receiving approval of the Capital Raising Stockholder Proposals does not mean we will complete the transactions contemplated by the securities purchase agreement with Woori. There are many other conditions to closing the securities purchase agreement with Woori, including obtaining necessary regulatory approvals. See “*Description of the Securities Purchase Agreement with Woori and the Stock Offerings*”.

If the Capital Raising Stockholder Proposals are approved and the transactions contemplated by the securities purchase agreement with Woori are completed, (i) Woori will become the majority owner of our outstanding shares of common stock, (ii) Woori will have the right to designate five (5) of our seven (7) directors at closing and (iii) there will be immediate and substantial dilution to the existing holders of common stock.

Question: *What happens if either of the Capital Raising Stockholder Proposals are not approved?*

If the Capital Raising Stockholder Proposals are not approved by our stockholders, we will not be able to complete the transactions contemplated by the securities purchase agreement with Woori, we will not be able to satisfy the regulatory orders to which we are subject and we may not be able to continue as a going concern. Although we currently have enough authorized shares to complete the registered rights and best efforts offering as presently structured (exclusive of the sale of shares to Woori), we cannot provide any assurance regarding how many, if any, shares will be subscribed for in those offerings. In addition, even if those offerings are fully subscribed for, we believe that we will also need to complete the contemplated transaction with Woori to provide us with sufficient capital resources for us to satisfy our regulators and continue as a going concern.

Question: *What vote is required to approve each the proposal at the annual meeting?*

Directors are elected by a plurality of votes cast. The seven (7) nominees receiving the most votes will be elected as our directors.

Approval of the proposal to amend our Certificate of Incorporation to increase the number of authorized shares of common stock to 500,000,000 (and, correspondingly, to increase the total number of authorized shares of all classes of stock from 210,000,000 to 510,000,000) requires the approval of a majority of our outstanding shares of common stock.

Approval of the proposal to authorize the issuance of shares of up to 200,000,000 shares of common stock to Woori requires the approval of a majority of shares represented and voting (which shares voting affirmatively also constitute at least a majority of the required quorum).

Approval of the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm requires the approval of a majority of shares represented and voting (which shares voting affirmatively also constitute at least a majority of the required quorum).

Approval of the proposal to adjourn the annual meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority of shares represented and voting, whether or not a quorum exists.

Question:

What is the effect of broker-nonvotes and abstentions.

Abstentions and broker non-votes will be counted for purposes of determining a quorum. Unlike previous years, your broker, however, will not be entitled to vote on the election of Directors without your instruction. In addition, brokers will not be entitled to vote on the proposal to issue shares to Woori or to adjourn the meeting to solicit additional votes. Broker non-votes will have no effect on those proposals.

Your broker will be authorized to vote your shares on the proposal to increase the authorized shares of common stock and the ratification of our independent registered public accounting firm even if it does not receive instructions from you, and accordingly, broker non-votes will have no effect on those proposals. Abstentions will have no effect on the election of directors, but will have the effect of a vote AGAINST the proposal to increase the authorized shares of common stock, the proposal to approve the issuance of common stock to Woori, the ratification of our independent registered public accounting firm and the proposal to adjourn or postpone the annual meeting to solicit additional proxies.

Question:

How can I vote my shares?

If you hold your common stock in your own name and not through a broker or another nominee, you may vote your shares of common stock as follows, subject to compliance with the applicable cutoff times and deadlines described below in the “— Vote by Telephone,” “— Vote by Internet” and “—Vote by Mail” paragraphs:

- by using the toll-free telephone number (1 (800) 652-8683), which is also listed on the proxy card;
- by using the Internet website www.investorvote.com/HAFC, which is also listed on the proxy card;
- by signing, dating and mailing the proxy card in the enclosed postage-paid envelope, or
- by attending the annual meeting and voting in person.

Whichever of these methods you select to transmit your instructions, the proxy holders will vote your common stock in accordance with your instructions. If you give a proxy without specific voting instructions, your proxy will be voted by the proxy holders in favor of our Board’s nominees and “FOR” Proposals 2 through 5.

If any matters other than the proposals contained in this Proxy Statement are properly brought up at the annual meeting, then the proxy holders will have the authority to vote your shares on those matters as directed by our Board, or, if no direction is given, in accordance with their discretion and judgment. Our Board of Directors currently does not know of any matters to be raised at the annual meeting other than the proposals contained in this Proxy Statement.

Vote by Telephone. If you hold your common stock in your own name and not through your broker or another nominee, you can vote your shares of common stock by telephone by dialing the toll-free telephone number printed on your proxy card. Telephone voting is available 24 hours a day until 11:59 p.m., California time, on July 27, 2010. Easy-to-follow voice prompts allow you to vote your shares of common stock and confirm that your instructions have been properly recorded. If you vote by telephone, you do not need to return your proxy card.

Vote by Internet. If you hold your common stock in your own name and not through your broker or another nominee, you can choose to vote via the Internet. The website for Internet voting is printed on your proxy card. Internet voting is available 24 hours a day until 11:59 p.m., California time, on July 27, 2010. As with telephone voting, you will be given the opportunity to confirm that your instructions have been properly recorded. If you vote via the Internet, you do not need to return your proxy card.

Vote by Mail. You can vote by mail by signing, dating and returning the enclosed proxy card in the enclosed postage-paid envelope. Proxy cards sent by mail must be received by July 27, 2010.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

Question: *Can I change or revoke my vote after I return my proxy card?*

You may revoke a proxy at any time before the vote is taken at the annual meeting by filing with our Corporate Secretary a properly executed proxy of a later date by mail, telephone or Internet, or by attending the annual meeting and voting in person. Any such filing should be made to the attention of Judith Kim, Corporate Secretary, Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010. Attendance at the annual meeting will not by itself constitute revocation of a proxy.

Question: *How do I vote in person?*

If you plan to attend the meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote the shares at the annual meeting.

Question: *Who should I call if I have questions or need assistance voting my shares?*

Please call our proxy solicitor: D.F. King & Co. at (800) 829-6551. Banks and brokers should call (212) 269-5550.

Question: *How will proxies be solicited?*

In addition to soliciting Proxies by mail, our officers, directors, and employees, without receiving any additional compensation, may solicit Proxies by telephone, fax, in person, or by other means. Arrangements also will be made with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation materials to the beneficial owners of our common stock held of record by such persons, and we will reimburse such brokerage firms, custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith. We will pay all reasonable expenses related to the solicitation of Proxies.

We have engaged D.F. King & Co. to assist with the solicitation of Proxies. D.F. King & Co. will be paid a retainer fee of \$7,500 plus additional costs for solicitation services they provide. We estimate that we will spend approximately \$11,500 in the aggregate for these services being provided by D.F. King & Co.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

Board of Directors and Nominees

Our Certificate of Incorporation and Bylaws provide for a Board of Directors consisting of no less than five (5) and no more than eleven (11) directors, the exact number within this range to be determined by our Board of Directors, with the current number fixed at seven (7). Subject to their earlier resignation or retirement, and except as described below, directors elected at the 2010 annual meeting will serve until the 2011 annual meeting of stockholders and until their successors are elected and qualified.

Our Board of Directors has nominated I Joon Ahn, John A. Hall, Paul Seon-Hong Kim, Joon Hyung Lee, Joseph K. Rho, William Stolte and Jay S. Yoo for election to our Board of Directors. The nominees receiving the most votes will be elected. The nominees have indicated their willingness to serve. Each proxy will be voted for the election of such nominees unless instructions are given on the proxy to withhold authority to vote for them. In the event a nominee is unable to serve, your proxy will be voted for an alternative nominee as determined by our Board of Directors.

None of the directors, nominees for directors, or executive officers was selected pursuant to any arrangement or understanding, other than with the directors and executive officers of Hanmi Financial acting within their capacity as such. There are no family relationships among our directors or executive officers. As of the date hereof, no directorships are held (or have been held within the last five years) by any director with a company that has a class of securities registered pursuant to Section 12 of the Exchange Act or subject to the requirements of Section 15(d) of the Exchange Act, or any company registered as an investment company under the Investment Company Act of 1940.

The following tables set forth information with respect to our nominees for director and our executive officers. In addition, as further described under Proposal 3, if the transactions with Woori are consummated, Woori will have the ability to nominate five (5) of our seven (7) directors at the closing of that transaction and up to five (5) of our then serving directors designated by us may resign.

In addition to each director’s professional experience and specific qualifications outlined in the table below, we believe each member of our Board of Directors has other key attributes that are important to an effective Board: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of origin, background, experience, and thought; and the commitment to devote significant time and energy to service on our Board and its Committees. All our director nominees have previously been elected by our stockholders except for Messrs. Hall, Kim, Stolte and Yoo. Mr. Hall was identified to us by an attorney and former general counsel of the California Department of Financial Institutions. Mr. Kim was identified to us by one of our existing directors. Mr. Stolte was identified to us

by a federal bank regulator. Mr. Yoo was identified to us by an executive search firm specializing in chief executive, board of directors and senior level management assignments, and he joined our Board of Directors upon becoming our CEO.

The following tables set forth information with respect to our directors and executive officers as of the record date as well as information concerning the reasons for selecting our director nominees to our Board:

Name and Position	Age		Principal Occupation for Past Five Years and 10 Year Legal Proceedings
I Joon Ahn, <i>Director</i>	70	<i>Principal Occupation:</i>	Retired; President, Ace's Fashion Company, a garment manufacturing company (1973 to 2001); Founder of Hanmi Bank and Hanmi Financial; former Chairman of our Boards, Hanmi Financial and Hanmi Bank; former member of the Korean American Chamber of Commerce and the Southern California International Trade Federation. Our Board selected Mr. Ahn as a nominee because our Board believes that Mr. Ahn plays a critical role in connecting Hanmi Bank to the Korean-American community. Mr. Ahn has founded and served on a number of important Korean-American organizations inclusive of the Korean-American Garment Association, the Southern California Korean Federation, the Korean-American Chamber of Commerce and the Southern California International Trade Federation. Additionally, Mr. Ahn is a founding member of Hanmi Bank.

Our Board selected Mr. Hall as a nominee because our Board believes that Mr. Hall's experience as a bank regulatory examiner, both in credit and operations, is valuable to Hanmi Bank. In his role with the OCC, he served as an examiner in charge of various larger banking institutions and most recently served in the credit position for the Wells Fargo Large Bank Team. Our Board believes that Mr. Hall's experience as a bank regulatory examiner has provided him with financial expertise that is valuable in his role as Audit Committee Chairman and assisting Hanmi Bank in complying with applicable regulations.
Paul Seon-Hong Kim, <i>Director</i>	65	<i>Director Since:</i> <i>Principal Occupation:</i>	February 2009 Retired; Chief Executive Officer, Uniti Financial Corporation and Uniti Bank (2007 to 2008); President and Chief Executive Officer, Center Financial Corporation and Center Bank (1998 to 2007); served in various capacities, including Chief Marketing Officer, Chief Credit Officer, and Chief Financial Officer, Hanmi Financial and Hanmi Bank (1986 to 1998). Our Board selected Mr. Lee as a nominee because our Board believes that Mr. Lee's knowledge and connections to the real estate development and investment markets are important for Hanmi Bank and make him a valuable asset to Hanmi Bank, particularly in the area of asset/liability management. In addition to his property management experience, Mr. Lee has a general contractor's license, a real estate broker's license as well as international trading experience. Mr. Lee's longevity with Hanmi Bank also assists Hanmi Bank in setting its strategic direction.

Rho Insurance Agency. In selecting Mr. Rho as a nominee for election and appointment as Chairman of Boards of Directors of Hanmi Financial and Hanmi Bank, our Board considered, in particular the importance of the Chairman's role to ensure the effective functioning of our Board of Directors. Mr. Rho, who has been a director since 1984, had been instrumental this past year in the transition that has taken place in Board composition with the addition of the new professional directors. Our Board believes that Mr. Rho is an effective coordinator of multiple Hanmi Bank constituencies, including shareholders, customers, officers, employees, community and regulators. In appointing Mr. Rho as Chairman, our Board considered that Mr. Rho is the largest individual shareholder and as such, can speak to building long-term shareholder value and provides valuable insight into the concerns of shareholders and investors.

Persons Chosen to Become Directors in Connection with the Issuance of Common Stock to Woori

If the securities purchase agreement with Woori closes pursuant to its terms, Woori will be able to nominate five (5) of our seven (7) directors, one of whom shall be the Chief Executive Officer/President of Hanmi Financial. In conjunction therewith, up to five (5) of our then serving directors designated by us may resign to accommodate Woori's contractual rights. The directors identified by Woori shall serve until our next annual meeting of stockholders and until their successors are elected and qualified. So long as Woori holds more than 50% of our outstanding common stock on a fully-diluted basis, it shall have the right to nominate two-thirds of our Board members (rounded to the nearest whole number). We have agreed to recommend to our stockholders the election of the Woori nominees. Woori must provide us with the identity of the nominees no less than 20 days prior to the

closing date of the securities purchase agreement. In addition, the appointment of the Woori nominees is subject to non-disapproval requirements of the Order and the notice requirements of the Written Agreement.

For additional information about the issuance of common stock to Woori and the appointment of the Woori nominees to our Board, see “*Description of the Securities Purchase Agreement with Woori Finance and the Stock Offerings*”. In the event the closing of the securities purchase agreement with Woori does not occur, the Woori nominees will not be appointed to our Board of Directors. While we anticipate that the transaction with Woori will occur sometime after the annual meeting, we cannot provide any assurance that such transaction will be consummated.

BACKGROUND TO PROPOSALS 2 AND 3

Historical Background

Since the fall of 2008, our Board of Directors and management have explored a wide range of alternative strategies to maintain our capital ratios at levels sufficient to support our operations and risk profile and above those required to be considered “well-capitalized” for regulatory purposes. In light of our credit quality and loan loss challenges, liquidity pressures and reported operating losses resulting from the deterioration in our loan portfolio, disruptions in the credit and real estate markets and the weakened economy, including in particular the regional economic conditions in California, our capital ratios have deteriorated significantly.

Memorandum of Understanding

On October 8, 2008, Hanmi Bank entered into an informal supervisory agreement (a memorandum of understanding) with the Federal Reserve Bank of San Francisco (FRB) and the California Department of Financial Institutions (DFI) to address certain issues raised in Hanmi Bank’s then most recent regulatory examination. Under the terms of the memorandum of understanding, Hanmi Bank was required to address: (i) Board and senior management maintenance and succession planning; (ii) Board oversight and education; (iii) Board assessment and enhancement; (iv) loan policies and procedures; (v) allowance for loan losses policies and procedures; (vi) liquidity and funds management policies; (vii) strategic planning; and (viii) capital maintenance. In addition, the memorandum of understanding included a requirement that Hanmi Bank maintain a minimum Tier 1 leverage ratio and tangible stockholder’s equity to total tangible assets ratio of not less than 8.0 percent. To date, none of its requirements have been deemed to be satisfied by the California Department of Financial Institutions.

KBW, Leading and IWL

We engaged Keefe, Bruyette & Woods, Inc. on September 29, 2008 to act as our financial adviser to explore various alternatives to enhance our capital position. Upon their engagement, and with KBW’s assistance, our Board and management discussed alternative strategies, including private and public capital raises and general corporate finance issues. Our Board instructed management and KBW to comprehensively review and explore these potential strategies. Thereafter, our Board regularly met with management and KBW to receive updates and to discuss strategies. We decided to adopt a capital raise strategy which contemplated the filing of a universal shelf registration statement with the Securities and Exchange Commission and the subsequent offering of equity and/or debt securities to the public. Shortly prior to the filing of our shelf registration statement, the United States Department of the Treasury announced the terms of the TARP Capital Purchase Program (the “CPP”) under the Emergency Economic Stabilization Act of 2008.

Our Board of Directors determined it to be in the best interests of our stockholders to seek additional capital through participation in the CPP. During the early part of 2009, when it became apparent that we would not receive the requisite approvals for participation in the CPP in a timely fashion, we withdrew our application for participation in the CPP and re-engaged KBW to assist us. Upon the advice of KBW, and based on public market conditions, we began to explore the possibility of engaging in a private placement of equity securities anchored by a lead investor. In the late spring of 2009, and after contacting multiple potential lead investors, KBW identified IWL Partners LLC, a Korean private equity fund (“IWL”), as a potential lead investor for our private placement.

On May 28, 2009, we entered into a non-binding term sheet with Leading Investment & Securities Co., Ltd., a Korean securities broker-dealer and IWL, an affiliate of Leading, which outlined the proposed terms of a purchase by Leading and IWL of newly issued shares of our common stock. Pursuant to the terms set forth in the Term Sheet, Leading would acquire, in two separate installments, an aggregate of 14.9% of our outstanding common stock through the purchase of newly issued common stock. The term sheet also contemplated a larger equity capital infusion from IWL through the purchase of common stock in an amount equal to the difference between \$100 million less the aggregate amount invested by Leading. The term sheet provided for an exclusivity period with IWL and Leading which expired on July 31, 2009.

On June 12, 2009, we entered into a securities purchase agreement with Leading, providing for the sale of 8,040,882 unregistered shares of our common stock to Leading at a purchase price of \$1.37 per share, in two separate installments, with the first installment to provide Leading with ownership of 9.9% of our outstanding common stock and the second installment to provide Leading with aggregate ownership of 14.9% of our outstanding common stock. KBW acted as our placement agent in connection with this transaction.

On July 3, 2009, we entered into a first amendment to the securities purchase agreement with Leading to, among other things, extend the termination date in the securities purchase agreement to September 30, 2009 and to specify the terms for funding an escrow account relating to the initial acquisition of our common stock by Leading.

On August 5, 2009, we amended the term sheet with Leading and IWL to extend the exclusivity period from July 31, 2009 to September 30, 2009.

Pursuant to the terms of the Leading securities purchase agreement, on September 4, 2009 Leading completed the first installment purchase of our common stock under its securities purchase agreement by acquiring 5,070,423 shares of our common stock at a purchase price of \$1.37 per share.

On September 14, 2009, we entered into a non-binding amended and restated term sheet with Leading and IWL which provided for exclusivity for Leading and IWL through September 30, 2009 and which outlined the terms and conditions of the proposed investments by Leading and IWL in newly issued shares of our common stock, including the previously consummated purchase of 5,070,423 shares of our common stock at a purchase price of \$1.37 per share. The amended and restated term sheet also contemplated a larger equity capital infusion from IWL, its affiliates or one or more co-investors introduced by IWL through the purchase of common stock in an amount equal to the difference between \$100 million less the aggregate amount invested by Leading.

On September 28, 2009, we entered into a second amendment to the securities purchase agreement with Leading to, among other things, extend the termination date in the securities purchase agreement to November 30, 2009 and to provide for the terms of the funding of the purchase price for the second installment of the Leading investment. On September 28, 2009, we, Leading and IWL also entered into a first amendment to the Amended and Restated Term Sheet to extend the exclusive dealing undertaking in the term sheet from September 30, 2009 to November 30, 2009.

Without further regulatory progress with Leading and IWL on the second installment of the Leading investment and the larger capital infusion, the exclusive dealing undertaking in the Amended and Restated Term Sheet expired on November 30, 2009 and the termination date in the securities purchase agreement was reached. We and KBW agreed to mutually terminate our relationship on January 28, 2010 following a determination that no further progress was being made in identifying additional sources of capital.

Regulatory Order and Written Agreement

After further negative financial results and additional regulatory examinations by the Federal Reserve Bank and the California Department of Financial Institutions, on November 2, 2009, the members of the Board of Directors of Hanmi Bank consented to the issuance of the Order. On the same date, we and Hanmi Bank entered into the Written Agreement with the Federal Reserve Bank of San Francisco. The Order and the Written Agreement contain substantially similar provisions.

The Order and the Written Agreement require the Board of Directors of Hanmi Bank to prepare and submit written plans to the DFI and the FRB that address the following items: (i) strengthening Board oversight of the

management and operation of Hanmi Bank; (ii) strengthening credit risk management practices; (iii) improving credit administration policies and procedures; (iv) improving Hanmi Bank's position with respect to problem assets; (v) maintaining adequate reserves for loan and lease losses; (vi) improving the capital position of Hanmi Bank and, with respect to the Written Agreement, of Hanmi Financial; (vii) improving Hanmi Bank's earnings through a strategic plan and a budget for 2010; (viii) improving Hanmi Bank's liquidity position and funds management practices; and (ix) contingency funding. In addition, the Order and the Written Agreement place restrictions on Hanmi Bank's lending to borrowers who have adversely classified loans with Hanmi Bank and requires Hanmi Bank to charge off or collect certain problem loans. The Order and the Written Agreement also require Hanmi Bank to review and revise its allowance for loan and lease losses consistent with relevant supervisory guidance. Hanmi Bank is also prohibited from paying dividends, incurring, increasing or guaranteeing any debt, or making certain changes to its business without prior approval from the DF1, and Hanmi Bank and Hanmi Financial must obtain approval from the FRB prior to declaring and paying dividends. The Order and Written Agreement also require that Hanmi Financial and Hanmi Bank notify, and obtain the non-disapproval of the applicable regulator prior to, adding any individual as a Board member or senior executive officer.

Under the Order, Hanmi Bank is also required to increase its capital and maintain certain capital ratios prior to certain dates specified in the Order. By July 31, 2010, Hanmi Bank is required to increase its contributed equity capital by not less than an additional \$100 million. Hanmi Bank is required to maintain a ratio of tangible shareholder's equity to total tangible assets as follows:

<u>Date</u>	<u>Ratio of Tangible Shareholder's Equity to Total Tangible Assets</u>
By July 31, 2010	Not Less Than 9.0 Percent
From December 31, 2010 and Until the Order is Terminated	Not Less Than 9.5 Percent

Such requirements are in addition to a fully funded allowance for loan and lease losses. As of March 31, 2010, Hanmi Bank had a tangible stockholders' equity to total tangible assets ratio of 5.89 percent. Pursuant to the Written Agreement, Hanmi Financial is also required to increase and maintain sufficient capital at Hanmi Financial and Hanmi Bank which is satisfactory to the FRB.

Based on its capital ratios at March 31, 2010, Hanmi Bank is deemed to be "undercapitalized" for regulatory purposes as of March 31, 2010. See "*Consequences if Either of the Capital Raising Stockholder Proposals are Not Approved.*"

During the year ended December 31, 2009, we recorded a \$196.4 million provision for credit losses and gross charge-offs of \$125.4 million in loans, offset by recoveries of \$2.8 million. For the year ended December 31, 2009, we recognized net losses of \$122.3 million. For the quarter ended March 31, 2010, we recorded a \$58.0 million provision for credit losses and gross charge-offs of \$30.1 million in loans, offset by recoveries of \$3.7 million. For the quarter ended March 31, 2010, we recognized net losses of \$49.5 million. We have been adversely affected by the general slowdown in the economy and, in particular, in areas of Southern California where a majority of our loan customers are based.

Woori and GWI

In January, 2010, our Chairman traveled to Korea to visit with various potential investors, including Woori which had been identified by IWL as potentially interested in a transaction with us. The purpose of the visit was to explore the possibility of a Korean financial services company with an existing presence in the United States making a potential investment in us. During our Chairman's visit, he met with representatives of Woori and discussed preliminarily Woori's potential desire to make an investment. During the visit, our Chairman also met with other potential investors.

On January 15, 2010, we engaged Cappello Capital Corp. ("Cappello") to act as our financial advisor in exploring a range of capital raising strategies, including private and public stock investments, the disposition of Hanmi Financial or Hanmi Bank and combinations of equity investments involving one or more "lead investors" and multiple smaller investors. See "*Securities Purchase Agreement — Fees and Expenses*" below for a discussion of fees to be paid to Cappello. In January 2010, we engaged Manatt, Phelps & Phillips, LLP to act as our legal advisor in connection with our strategic alternatives and capital raising strategies.

On January 18, 2010, we engaged IWL to render financial advisory services in connection with the offer and sale of our stock in Korea. At the time we executed the engagement letter with IWL, IWL and its affiliate, Leading, we were informed that they were subject to certain passivity commitments to the Board of Governors of the Federal Reserve System. The effectiveness of the engagement letter with IWL was expressly conditioned upon IWL's release from the passivity commitments or acknowledgement in writing from the Board of Governors of the Federal Reserve System that performance of IWL's obligations under the engagement letter would not violate the passivity commitments. We have been advised by IWL that its release from the passivity commitments is conditioned upon the sale by Leading of its holdings of our common stock. We have been further advised by IWL that Leading has entered into an irrevocable 10b5-1 trading plan to sell all of its shares of our common stock it owns. However, we did not receive any written confirmation of IWL's release from its passivity commitments or the required acknowledgment from the Board of Governors of the Federal Reserve System prior to the expiration of our engagement agreement with IWL on May 31, 2010. Accordingly, based upon the advice of counsel, we believe that our engagement letter with IWL was not effective and we have no obligations owing to it. See "*Securities Purchase Agreement — Fees and Expenses*".

Over the course of the nearly two months immediately following Cappello's engagement, Cappello conducted a "market check" in conjunction with our Board of Directors by contacting over 60 potential strategic and financial partners to explore their interest in a strategic transaction with us based on our publicly available information, including private equity funds and other financial investors that make investments in financial institutions that, like Hanmi Bank, have a primary market focus on the Korean-American community, and in other community banks and national and international financial institutions. Cappello also responded to a number of inquiries expressing potential interest in an investment from parties that contacted Cappello after learning that Cappello had been engaged to serve as our financial adviser. Following the engagement of Cappello, 13 parties entered into nondisclosure agreements with us to obtain additional due diligence information. Concurrent with its efforts to identify a potential "lead investor" interested in acquiring a controlling interest in our company, Cappello actively engaged in discussions with investors who would consider making an investment with a "lead investor."

On January 28, 2010, GWI Enterprise Ltd. presented a letter to Mr. Joseph K. Rho, our Chairman, informing Mr. Rho of GWI's interest in exploring an acquisition of equity interests in us. In the letter of interest, GWI proposed making an unspecified investment that would result in GWI holding a majority interest in our outstanding equity. The letter stated, among other things, that any formal proposal with respect to a proposed transaction would be subject to satisfactory completion of due diligence and the valuation of GWI's proposed investment would be based on our book value adjusted for mark-to-market valuation based on a third-party review of Hanmi Bank's loan portfolio. The letter also requested an opportunity to discuss the proposed transaction with us and our advisors.

As a result of the consideration of an equity investment which would result in the control of a majority of our outstanding stock by one investor, and after extensive review of our Board of Directors fiduciary duties in considering proposals for our recapitalization with our legal advisors, on February 3, 2010 our Board of Directors formed a Special Committee comprised of Directors Hall, Rho and Stolte. The Special Committee was appointed to: (a) review and assess, and assist our Board of Directors in reviewing and assessing potential capital raising alternatives, including without limitation, those involving a sale of majority ownership, in the context of our strategic alternatives and regulatory mandate to increase Hanmi Bank's capital by July 31, 2010; (b) consult with, monitor and assist our legal, financial and other professional advisors in the negotiation of one or more potential transactions; and (c) develop recommendations to our Board with respect to the potential transactions.

We executed a Confidentiality Agreement with GWI on February 5, 2010. During this same time period, Cappello prepared, and on February 10, 2010 the Special Committee approved, a protocol letter to be mailed to parties that expressed interest in acquiring a controlling interest in us. The protocol letter was intended to solicit interest and at the same time provide a structure and timeline for the "market check" process in light of the July 31, 2010 deadline to increase Hanmi Bank's contributed equity capital by not less than an additional \$100 million. Following execution of the Confidentiality Agreement, GWI and its advisors engaged in an extensive due diligence process in connection with the proposed transaction, including in-person meetings on February 18, 2010 and February 19, 2010 with us, Hanmi Bank and our respective legal and financial advisors.

Following the in-person meetings, our advisors along with advisors for GWI engaged in on-going discussions regarding the submission of an indicative offer by GWI with respect to the proposed transaction. In addition, during the latter part of February and early March the Special Committee, in consultation with its financial and legal advisers, considered a preliminary term sheet provided by GWI. The Special Committee engaged in several discussions regarding the preliminary term sheet. On March 4, 2010, we provided GWI with certain proposed modifications to the preliminary term sheet. On two occasions, and at the request of GWI, the Special Committee extended the deadline for the submission of indicative offers set forth in the protocol letter to allow interested parties additional time to conduct deeper due diligence, including review of a report prepared by an independent third-party based on its examination of Hanmi Bank's loan portfolio. Nevertheless, following completion of GWI's due diligence and preliminary discussions between the parties, on March 15, 2010, GWI sent a letter to Mr. Joseph K. Rho withdrawing its interest in the proposed transaction.

Concurrent with our discussions with GWI, we engaged in discussions with Woori Finance Holdings Co. Woori is Korea's first and largest financial holding company, and its operations include the second-largest commercial bank in Korea, in terms of total assets (including loans). Its subsidiaries collectively engage in a broad range of businesses, including commercial banking, credit cards, capital markets activities, international banking, asset management and bancassurance. As of December 31, 2009, Woori had total consolidated assets of approximately US\$244 billion, consolidated total deposits of approximately US\$153 billion and consolidated stockholders' equity of approximately US\$13.6 billion.

On January 15, 2010, Woori provided us with a preliminary proposal letter, which reflected the starting point for discussions between the parties. Shortly thereafter, on January 22, 2010, Woori presented us with an initial draft of a term sheet to acquire a majority interest in us. Over the course of the following two weeks we, Woori and our respective advisors participated in on-going conversations regarding Woori's proposed term sheet, focusing on the structure and size of the potential transaction and Woori's desire to enter into an exclusive negotiation period.

Throughout the course of the discussions, we advised Woori that entering into an exclusivity arrangement with them at this early stage in the process was inconsistent with our fiduciary duties to our stockholders. We indicated that we could not enter into an exclusive arrangement at this stage in the process, but rather we needed the ability to explore a wide range of strategic alternatives and capital raising possibilities. In addition, despite our repeated recommendations, Woori had not yet undertaken a comprehensive due diligence investigation of our company. On February 3, 2010, a letter was delivered on our behalf to Woori's legal counsel indicating that because of several restrictions that would be imposed on us by the term sheet, we could not enter into the term sheet. The letter went on to indicate that, while we were interested in continuing a dialogue with Woori and encouraged Woori to conduct due diligence, we had to preserve our ability to entertain and explore all potential strategic alternatives available. On February 8, 2010, we received a letter from Woori acknowledging receipt of our February 3rd letter and indicating that further negotiations between the parties would be suspended while we conducted our "market check."

Over the course of the following weeks, the parties had intermittent communications. We repeatedly encouraged Woori to engage in its due diligence efforts so Woori would not fall behind in the process, particularly in light of the July 31st deadline imposed by the Order. On or about February 12, 2010, Manatt and Woori's legal counsel, Kim & Chang, reconvened their conversations. Although Woori would not formally re-engage in term sheet negotiations or perform due diligence while we conducted our "market check," it was agreed that maintaining open lines of communication and discussing potential issues in the term sheet would be beneficial.

During the week of February 15th, several representatives of Woori met with the Special Committee in Los Angeles to review, among other things, the general parameters for the size and structure of a potential transaction and regulatory considerations. In addition, representatives of Woori conducted some due diligence during this period. During the meetings we reiterated our desire that Woori commence significant due diligence, despite the fact that we were still engaged with our market check. In response, Woori requested that we enter into an agreement to reimburse Woori for its expenses incurred in connection with certain due diligence activities. The expense reimbursement agreement was approved by the Special Committee and entered into on February 24, 2010. The Special Committee held four meetings during February 2010.

Following the in-person meetings in Los Angeles and the return of Woori's representatives to Korea, on March 5, 2010 we received a revised term sheet from Woori. On March 8, 2010 the Special Committee met to

discuss the revised term sheet received from Woori. Based on the Special Committee's discussions, on March 9, 2010 we sent a revised draft of the term sheet to Woori. The following day we received a further revised term sheet from Woori and held a Special Committee meeting to discuss the term sheet's provisions. Following a careful review of the term sheet and a detailed discussion of its terms, the Special Committee concluded that the term sheet represented the best offer reasonably available to us and our stockholders, approved entering into the term sheet with Woori and recommended it be submitted to our Board of Directors for its approval. Our Board of Directors approved the term sheet and it was executed and entered into by both parties on March 10, 2010. The Special Committee held five meetings during March 2010 to continue to review, among other things, the status of the Woori proposal.

We and Woori agreed at the outset that the structure of the investment should emphasize common equity, reflecting the increased market and regulatory focus on common equity and the requirements set forth in the Order and Written Agreement. During April 2010, discussions continued with a view to refining the terms of an investment and addressing structuring issues. The week of April 5th the Special Committee and a representative of Cappello made a trip to Korea. During the trip the Special Committee conducted due diligence, attended several meetings and initiated discussions regarding the preparation of a definitive stock purchase agreement.

On April 16, 2010, Woori delivered an initial draft of the securities purchase agreement to us. Over the course of the following two weeks the Special Committee met on two occasions to discuss the securities purchase agreement and during that same period of time we and Woori engaged in preliminary discussions regarding the draft securities purchase agreement. We collectively agreed that, as a result of the proposed size of the contemplated placement and the mutual intent that the investment be in the form of Tier 1 common equity securities, the approval of our stockholders would be required.

On April 23, 2010, our Board of Directors engaged McGladrey Capital Markets LLC ("McGladrey") to render a fairness opinion to our Board of Directors on the financial terms of the Woori investment. On April 28, 2010, the Special Committee engaged Cappello to provide an opinion to the Board of Directors as to the fairness to our stockholders, from a financial point of view, of the consideration to be received pursuant to the proposed sale of a majority interest in us and potential private placement. The Special Committee held three meetings during April 2010 to discuss the proposed Woori investment.

The week of May 3rd, Chairman Rho, as representative of the Special Committee, our Chief Financial Officer, a representative of Cappello and two representatives of Manatt made a trip to Korea. During the meetings held in Korea that week, we and Woori, with our collective financial and legal advisors, reached definitive agreement on the structuring of a transaction, pricing and terms. These terms included the principal investment of \$210 million of our common stock by Woori at a per share purchase price of \$1.20, with an option to purchase up to \$30 million of additional common stock at the same price per share. During this time, our representatives in Korea engaged in a number of telephonic discussions regarding the potential terms and structure of an investment with the other members of the Special Committee, the market check that had been completed, the lack of viable alternatives facing us and the need to raise capital by the deadlines set by our regulators.

During the meetings in Korea, working in close consultation with our Special Committee, the parties determined that the optimal structure for a transaction with Woori would include an opportunity for our existing stockholders and other public investors to participate in a public offering at the same purchase price per share as Woori would pay for the securities it could acquire pursuant to the securities purchase agreement with us. Accordingly, the decision was made that following the execution of a securities purchase agreement with Woori, that we would engage in a registered rights and best efforts offering of up to \$120 million of our common stock. The registered rights and best efforts offering would be made at \$1.20 per share.

During the negotiations with Woori, we remained in regular contact with and provided status reports regarding the discussions with Woori to representatives of the FRB, Federal Deposit Insurance Corporation and the DFI, our and Hanmi Bank's primary regulators.

On May 12, 2010, the Special Committee and the Board of Directors held separate meetings. Both the Special Committee and the Board of Directors held lengthy discussions of the terms and conditions of the securities purchase agreement with legal and financial advisors. Following the discussion of the securities purchase

agreement, and at the request of our Board of Directors, McGladrey then reviewed its methodologies and financial analyses with respect to the proposed transaction with Woori and provided its preliminary findings to the effect that as of such date and based upon and subject to various assumptions, limitations and qualifications, the proposed purchase price to be paid by Woori was fair, from a financial point of view, to our stockholders. At the request of the Special Committee, Cappello then reviewed its methodologies and financial analyses with respect to the proposed sale of a majority interest in Hanmi Financial to Woori and the subsequent registered rights and best efforts offering, collectively referred to as the "Transaction", and, while noting that at the direction of the Special Committee it had not yet completed its fairness analysis, provided its preliminary findings to the effect that as of May 12, 2010, based upon its preliminary analyses, and subject to various assumptions, limitations and qualifications, the price per share of our common stock to be received by Hanmi Financial in the Transaction was fair, from a financial point of view, to the holders of our common stock, other than Woori and any other purchasers of our common stock in the Transaction (the "Investors"). McGladrey was excused from the meeting during Cappello's presentation.

Following another week of negotiations between the parties, with the securities purchase agreement in substantially final form, the Special Committee and our Board of Directors held separate meetings on May 19, 2010. Manatt identified the changes to the securities purchase agreement since the prior meetings on May 12, 2010. After the update on the securities purchase agreement, McGladrey summarized its methodologies and financial analyses with respect to the proposed transaction with Woori and then each rendered their opinion that as of such date and based upon and subject to various assumptions, limitations and qualifications, the proposed purchase price to be paid by Woori was fair, from a financial point of view, to our stockholders. At the request of the Special Committee, Cappello then described to the Board of Directors the updates that had been made to its financial analyses since its prior presentation and then delivered its oral opinion to the Special Committee, subsequently confirmed in writing as of the same date, that, as of May 19, 2010, and subject to the assumptions, qualifications and limitations set forth in its opinion, the price per share of our common stock to be received by Hanmi Financial in the Transaction was fair, from a financial point of view, to the holders of our common stock, other than the Investors. Following the delivery of Cappello's and McGladrey's fairness opinions and careful consideration of all facts and circumstances deemed relevant to it, the Special Committee determined that the terms of the securities purchase agreement with Woori are fair to, and in the best interests of our stockholders and unanimously recommended approval of entry into and performance of the transactions contemplated by the securities purchase agreement to our Board of Directors. Following the delivery of Cappello's and McGladrey's fairness opinions, and careful consideration of additional facts and circumstances, including the recommendation of the Special Committee, our Board of Directors determined that the terms of the securities purchase agreement with Woori are fair to, and in the best interest of our stockholders and unanimously approved the securities purchase agreement with Woori and entry into the same by us, delegating authority to Chairman Rho to execute the securities purchase agreement with such changes as he deemed appropriate in consultation with the Special Committee and its financial and legal advisers. At the May 19th meeting, our Board of Directors also authorized a registered rights and best efforts offering for up to \$120 million of our common stock at \$1.20 purchase price per share. The Special Committee met again on May 21, 24 and 25, 2010 to discuss certain matters related to finalizing the securities purchase agreement and to approve the final form of the agreement.

Definitive Agreement

On May 25, 2010, we entered into a definitive securities purchase agreement with Woori by which we will issue \$210 million of our common stock to Woori at a price per share of \$1.20. Pursuant to the agreement, we also granted Woori an option to purchase an additional \$30 million of common stock at the same price per share. The closing of the transactions is subject to satisfaction of certain closing conditions, including required regulatory and stockholder approvals.

Between the time of signing the definitive securities purchase agreement with Woori and the closing, we intend to use commercially reasonable efforts to consummate the sale of up to an additional \$120 million of common stock through a registered rights and best efforts offering. We cannot provide any assurance that we will be successful in consummating the transaction with Woori or successful in completing the registered rights or best efforts offering.

Recommendation of Our Board of Directors; Reasons for the Capital Raising Stockholder Proposals

- Our Board, upon the recommendation of our Special Committee, has unanimously (i) determined that the securities purchase agreement with Woori and the transactions contemplated thereby are advisable and in the best interest of our stockholders, (ii) approved the securities purchase agreement and the stock offerings, and (iii) recommended that our stockholders vote in favor of the Capital Raising Stockholder Proposals; and
- In reaching its determination, our Board and Special Committee consulted with our management, as well as our legal and financial advisors, and reviewed (i) historical information concerning our business, financial performance and condition, operations and competitive position; (ii) our financial condition, results of operations, businesses and strategic objectives; (iii) current financial market conditions and historical market prices with respect to our common stock; (iv) the challenges our business faces; (v) the regulatory orders pending against us and the consequences if we fail to comply with those regulatory orders; (vi) the terms of the securities purchase agreement, including the parties' representations, warranties and covenants, and the conditions to their respective obligations; (vi) the prospects for any alternative transactions or strategies and (viii) financial analysis prepared by Cappello and McGladrey.

In the course of its deliberations, our Board considered the following material factors:

Factors Relating to the Specific Terms of our Securities Purchase Agreement with Woori:

- The effect of consummation of the transactions on our, financial condition, capital position and the terms of our regulatory orders;
- The opportunity for our existing stockholders to purchase shares in a rights offering on the same financial terms as Woori;
- Our assessment of the ability of Woori to consummate the transactions contemplated by the securities purchase agreement and obtain the appropriate regulatory approvals;
- The securities purchase agreement, subject to the limitations in the agreement, allows our Board to engage in discussions or negotiations with third parties in certain circumstances and, upon the payment to Woori of a termination fee of \$10.5 million, to terminate the agreement to accept a superior offer;
- The securities purchase agreement prohibits Woori from engaging in a cash-out merger transaction for a period of three (3) years from the closing date unless the cash-out merger is (i) approved by our stockholders (including a majority of our stock other than Woori) and a majority of disinterested directors or (ii) completed at a time when Woori owns at least 90% of our outstanding voting stock;
- The increase in our authorized shares of common stock must be approved by a vote of a majority of our outstanding shares of common stock and the issuance of shares to Woori pursuant to the terms of our securities purchase agreement must be approved by a majority of votes represented and voting at a duly constituted stockholder meeting at which a quorum is present in person or by proxy; and
- Our Board considered the methodologies and financial analyses reviewed and discussed with our Board by representatives of McGladrey and Cappello on May 12 and May 19, 2010, as well as the oral opinion of McGladrey rendered to our Board on May 19, 2010 (which opinion was subsequently confirmed in writing by delivery of written opinions dated the same date) to the effect that as of such date and based upon and subject to various assumptions, limitations and qualifications, the \$1.20 in cash per share to be paid by Woori to acquire a controlling interest in us was fair, from a financial point of view, to our stockholders, and the oral opinion of Cappello delivered to our Special Committee on May 19, 2010, subsequently confirmed in writing as of the same date, that, as of such date, and subject to the assumptions, qualifications and limitations set forth in its opinion, the price per share of our common stock to be received by us in the Transaction was fair, from a financial point of view, to the holders of our common stock, other than the Investors.

Potential Negative Factors Relating to the Securities Purchase Agreement with Woori:

In the course of its deliberations, our Board also considered a variety of risks and other potentially negative factors, including the following:

- The transaction with Woori must be approved by certain governmental agencies, including the FRB, the DFI and the Korean Financial Services Commission, which could delay or prevent the closing;
- The issuance of shares to Woori will result in substantial dilution to our existing stockholders and the shareholders equity per share of our common stock will be substantially diluted, and our trading price could be adversely affected;
- The securities purchase agreement with Woori contains restrictive covenants, including covenants which limit the ownership of purchasers of our stock in the best efforts offering to 4.9% and with Woori's consent 9.9% of our voting stock, which in turn could limit our ability to raise capital from other sources in the amounts we may otherwise seek;
- The securities purchase agreement precludes us from actively soliciting alternative proposals to the Woori transaction, and, accordingly, if the transactions contemplated by the securities purchase agreement are not consummated, we may not have sufficient time to raise capital from alternative sources to satisfy the terms of the regulatory orders we are subject to;
- We are obligated to pay to Woori a termination fee of \$10.5 million if the securities purchase agreement is terminated under certain circumstances. Although our Board felt that these payment terms were reasonable when viewed in context with all other aspects of the securities purchase agreement, it is possible that these provisions could discourage a competing proposal to acquire us or make a controlling investment in us or reduce the price in an alternative transaction;
- As a controlling stockholder, Woori will have control over our Board and other corporate strategic decisions and will be able to: (i) elect all of the members of our Board of Directors (although they have agreed to elect at least two independent directors); (ii) adopt amendments to our charter documents; or (iii) control the vote on any merger, sale of assets or other fundamental corporate transaction of us or Hanmi Bank, or the issuance of additional equity securities or incurrence of debt, in each case without the approval of our other stockholders;
- Certain of our directors and executive officers may have conflicts of interest in connection with the securities purchase agreement with Woori, as they may receive certain benefits that are different from, and in addition to, those of our other stockholders. See "*Interests of Certain Persons in the Capital Raising Stockholder Proposals*;" and
- We are exposed to significant risks and may incur significant costs if the securities purchase agreement does not close, including failing to satisfy the regulatory orders we are subject to, the diversion of management and employee attention during the period after the signing of the securities purchase agreement, potential employee attrition and the potential effect on our business and customer relations. In that regard, under the securities purchase agreement, we must conduct our business in the ordinary course and we are subject to a variety of other restrictions on the conduct of our business prior to completion of the sale of shares to Woori or termination of the securities purchase agreement, which may delay or prevent us from undertaking business opportunities that may arise or to exploring other capital raising alternatives to satisfy our capital requirements.

The above discussion is not intended to be exhaustive, but we believe it addresses the material information and factors considered by our Board in its consideration of the Woori investment, including factors that support the investment as well as those that may weigh against it. In view of the number and variety of factors and the amount of information considered, our Board did not find it practicable to make specific assessments of, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination. In addition, our Board did not undertake to make any specific determination as to whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to its ultimate determination, and individual members of our Board may have given different weights to different factors. We cannot provide any assurance that the transactions contemplated by

the Securities Purchase Agreement with Woori will close or that we will be able to raise any capital from our registered rights and best efforts offering.

Opinions of Our Financial Advisors

On May 19, 2010, McGladrey rendered its oral opinion to us (which was subsequently confirmed in writing by delivery of its written opinion dated the same date) to the effect that, as of May 19, 2010, the \$1.20 cash per share that Woori would pay to us to acquire a controlling interest in us was fair, from a financial point of view, to our stockholders, and Cappello delivered its oral opinion to the Special Committee, subsequently confirmed in writing as of the same date, that, as of May 19, 2010, and subject to the assumptions, qualifications and limitations set forth in its opinion, the price per share of our common stock to be received by us in the Transaction was fair, from a financial point of view, to the holders of our common stock, other than the Investors. The summary of the opinions of McGladrey and Cappello are each qualified in their entirety by reference to the full text of the written opinions which are included as *Annex B* and *Annex C*, respectively, to this proxy statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review and other matters considered by McGladrey and Cappello in preparing their respective opinions.

McGladrey Opinion

On April 23, 2010 our Board of Hanmi Financial engaged McGladrey to render financial advisory services in connection with the proposed sale of a majority ownership interest in Hanmi Financial. Specifically and pursuant to that engagement, McGladrey agreed to prepare and deliver an opinion to the Company's Board as to the fairness, from a financial point of view, to the stockholders of Hanmi Financial of the price paid per share of Hanmi Financial common stock in the proposed offering to Woori. Our Board selected McGladrey because McGladrey is a globally recognized provider of investment banking services to owners, stockholders, boards of directors and senior managers of mid-sized private and public companies. As part of its investment banking business, McGladrey is continually engaged in the valuation of companies in connection with mergers, acquisitions and placements of equity and debt securities. McGladrey has acted exclusively for our Board of Hanmi Financial in rendering its fairness opinion and received a fee for its services. No portion of such fee was contingent upon the successful completion of the offering to Woori.

As part of its engagement, representatives of McGladrey attended the meeting of the Hanmi Financial Board held on May 19, 2010 at which the Hanmi Financial Board evaluated the terms of the offering to Woori. At this meeting, McGladrey rendered an opinion that, as of such date, the price paid per share of Hanmi Financial common stock in the offering to Woori was fair, from a financial point of view, to Hanmi Financial's stockholders.

The full text of McGladrey's written opinion is attached as *Annex C* to this document and is incorporated herein by reference. Hanmi Financial stockholders are urged to read the opinion in its entirety for a description of procedures followed, matters considered, assumptions made, and qualifications and limitations of the review undertaken by McGladrey. The summary description of the opinion set forth herein is qualified in its entirety by reference to the full text of the opinion.

McGladrey's opinion is based upon conditions as they exist and can be evaluated as of the date of the opinion. The opinion is directed to the Hanmi Financial Board and addresses only the fairness, from a financial point of view, to the stockholders of the Company of the price paid per share of Hanmi Financial common stock in the offering to Woori. It does not address the underlying business decision to proceed with the offering to Woori and does not constitute a recommendation to any Hanmi Financial shareholder as to how the shareholder should vote at the Hanmi Financial stockholder's meeting on the offering to Woori or any related matter.

In rendering its opinion, McGladrey reviewed, among other things (i) the draft securities purchase agreement; (ii) Annual Report to stockholders and Form 10-K for the year ended December 31, 2009; (iii) Quarterly Reports on Form 10-Q filed over the last twelve months; (iv) Reports on Form 8-K filed over the last twelve months; (v) other financial information concerning the business, operations and financial condition of Hanmi Financial provided by Hanmi Financial. McGladrey also had discussions with Hanmi Financial management regarding current business operations, regulatory relations, financial condition, and future prospects. In addition, McGladrey (i) reviewed the market prices, valuation multiples and certain operating benchmarks of publicly traded companies that McGladrey

deemed to be relevant and compared them with Hanmi Financial; (ii) compared the price paid per share of Hanmi Financial common stock in the offering to Woori with the financial terms of certain other transactions that McGladrey deemed to be relevant; and (iii) performed other analyses and considered other factors that it considered appropriate including our Board's consent to a Final Order from the California Department of Financial Institutions and the Written Agreement with the Federal Reserve Bank of California.

In conducting its review and arriving at its opinion, McGladrey relied upon and assumed the accuracy of all the financial and other information provided to or otherwise made available to McGladrey or that was discussed with, or reviewed by McGladrey, or that was publicly available. McGladrey did not attempt or assume any responsibility to verify such information independently and relied upon the management of Hanmi Financial as to the reasonableness and achievability of the financial and operating projections and underlying assumptions. McGladrey also assumed, without independent verification, that the allowances for loan losses are adequate to cover those losses. McGladrey did not make or obtain any evaluations of Hanmi Financial's assets or examine any individual credit files.

The following is a summary of the material analyses presented by McGladrey to the Hanmi Financial Board on May 19, 2010 in connection with its fairness opinion. The summary is not a complete description of the analyses underlying the McGladrey opinion or the presentation made by McGladrey to the Hanmi Financial Board but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant of financial analysis and the application of those methodologies to the particular situation. In arriving at its opinion, McGladrey made qualitative judgments as to the significance and relevance of each analysis and factor as well as consideration of the impact of not proceeding with the offering to Woori given Hanmi Financial's regulatory and going-concern situation.

Summary of Offering to Woori

Hanmi Financial will sell in the stock offerings up to 300,000,000 shares of common stock at \$1.20 per share. As part of the offering to Woori, Woori will purchase through a private placement exempt from the registration requirements of the U.S. Securities Act of 1933, as amended, a minimum of 175,000,000 shares of Hanmi Financial common stock at \$1.20 per share pursuant to the securities purchase agreement.

Summary of Valuation Methodologies

McGladrey utilized a generally and widely accepted standard set of valuation methodologies in supporting its fairness opinion including Peer Group Analysis, Precedent Transactions Analysis, and Discounted Cash Flow Analysis. Peer Group Analysis applies relevant public market valuation multiples to Hanmi Financial's current financial and operating results to determine an overall valuation range. Precedent Transactions Analysis determines the value range of Hanmi Financial by examining public merger and acquisition transactions as well as private placements, specifically PIPE (private investment in public equity) transactions. Discounted Cash Flow Analysis estimates the present value range based on future cash flow or income streams.

Based on the results of the valuation methodologies summarized below, general economic, market and financial conditions and consideration of Hanmi Financial's current regulatory and going-concern situation, McGladrey determined a valuation range of \$0.90 to \$1.83 per share of Hanmi Financial common stock, providing support for its fairness opinion.

Peer Group Analysis

McGladrey identified seven publicly-held U.S. based regional banks comparable to Hanmi Financial based on the following criteria: (i) asset size (range of \$1 billion to \$20 billion), (ii) primarily serving the Southern California

region, (iii) similar regional loan exposure, and (iv) similar ethnic composition of deposit base. Companies included in Hanmi Financial's peer group were:

Cathay General Bancorp
 Center Financial Corporation
 East West Bancorp, Inc.
 First California Financial Group, Inc.
 Nara Bancorp Inc.
 Preferred Bank
 Wilshire Bancorp Inc.

Using the most current publicly-reported financial information for the peer group, McGladrey analyzed the following key valuation metrics: Price/Tangible Book Value per Share, Price/Pre-Tax, Pre-Provision Earnings per Share, Price/Total Assets, and Price/Core Deposits. McGladrey also did an analysis and compared Hanmi Financial's operating performance and financial strength to the peer group based on the following benchmarks: Tangible Equity/Tangible Assets, Net Charge-Offs (NCO)/Loans, Net Interest Margin, and Efficiency Ratio. The following table summarizes the results of McGladrey's benchmarking analysis:

	Tangible Equity/Tangible Assets	NCO/ Loans	Net Interest Margin	Efficiency Ratio
Peer Group Mean	9.46%	3.31%	3.37%	56.53%
Hanmi	3.25%	4.48%	3.69%	76.37%

Due to the low benchmarking comparisons of Hanmi Financial to the peer group, in particular Tangible Equity/Tangible Assets (a key measure of regulatory capital adequacy and compliance), McGladrey did not utilize the high end of the valuation range from its peer group analysis, rather determined a valuation range per share of Hanmi Financial common stock based on the low and mean valuation metrics for the peer group as summarized below:

Valuation Metric	Low Peer Group Multiple or %/ Derived Hanmi Share Price		Mean Peer Group Multiple or %/ Derived Hanmi Share Price	
	Price/Tangible Book Value per Share	0.37X/\$	0.71	0.92X/\$
Price/Pre-Tax, Pre Provision Earnings per Share	2.94X/\$	1.29	6.12X/\$	2.69
Price/Total Assets	2.45%/\$	1.44	8.75%/\$	5.16
Price/Core Deposits	3.83%/\$	1.15	18.37%/\$	5.53

While McGladrey considered all four valuation metrics and the resulting derived price per share of Hanmi Financial common stock summarized above, it placed greater consideration on Price/Tangible Book value per Share based on its broad acceptance and importance with both relevant regulatory agencies as well as investors.

Precedent Transactions Analysis

McGladrey identified precedent merger and acquisition ("M&A") transactions that have taken place among financial institutions, particularly for regional commercial banks based in the United States with total assets under \$15 billion. PIPE (private investment in public equity) offerings were also considered in McGladrey's precedent transaction analysis.

[Table of Contents](#)

For M&A transactions, McGladrey determined that the two most appropriate valuation metrics to apply to Hanmi Financial were purchase price to tangible book value per share and purchase price to book value per share. In reviewing relevant acquisitions, only those transactions announced since September 2008 were analyzed. McGladrey examined the following relevant M&A transactions:

<u>Announced</u>	<u>Target</u>	<u>Buyer</u>
5/13/10	First Resource Bank	Continental Bank
5/10/10	Atlantic Bancgroup Inc.	Jacksonville Bancorp, Inc.
5/07/10	First Franklin Corp.	Lenox Wealth Management, Inc.
4/19/10	Union National Financial Corporation	Donegal Financial Services Corporation
1/07/10	OAK Financial Corp.	Chemical Financial Corp.
12/27/09	First Chester County Corp.	Tower Bancorp Inc.
11/03/09	First Keystone Financial Inc.	Bryn Mawr Bank Corp.
10/25/09	First Litchfield Financial Corp.	Union Savings Bank
9/17/09	Gibraltar Private Bank & Trust Company	Management
7/26/09	Harleysville National Corp.	First Niagara Financial Group Inc.
6/29/09	Pamrapo Bancorp Inc.	BCB Bancorp Inc.
6/16/09	Beverly National Corporation	Danvers Bancorp Inc.
12/18/08	Provident Bankshares Corp.	M&T Bank Corp.
12/05/08	Old Forge Bank	Pensco Financial Services Corporation
11/08/08	Benjamin Franklin Bancorp Inc.	Independent Bank Corp.
9/23/08	Gateway Financial Holdings, Inc.	Hampton Roads Bankshares Inc.

For PIPE offerings, McGladrey determined that the most appropriate valuation metric to apply to Hanmi Financial is the price per share discount in comparable transactions. In reviewing PIPE transactions, U.S. Treasury investments under the Troubled Asset Relief Program (TARP) were excluded. In addition, due to recent market volatility and dislocations experienced within the financial sector, McGladrey determined it was relevant to include PIPE offerings announced since the beginning of 2009. Based on these criteria, 31 relevant PIPE offerings were identified.

Based on its precedent transactions summary analysis, McGladrey determined the valuation range per share of Hanmi Financial common stock to be between \$0.66 and \$2.10 as summarized below:

M&A Transactions:

<u>Valuation Metric</u>	<u>Low Multiple/Derived Hanmi Share Price</u>	<u>Mean Multiple/Derived Hanmi Share Price</u>
Tangible Book Value per Share	0.34X/\$0.65	1.09X/\$2.08
Book Value per Share	0.34X/\$0.67	0.97X/\$1.91
Average Derived Hanmi Share Price	\$0.66	\$2.00

PIPE Offerings:

<u>Valuation Metric</u>	<u>High Discount %/Derived Share Price (a)</u>	<u>Mean Discount %/Derived Share Price (a)</u>
Share Price Discount 1-day before Announcement	27.88%/\$ 1.67	8.96%/\$ 2.10

(a) Based on closing share price of Hanmi common stock on May 18, 2010

Discounted Cash Flow Analysis

McGladrey relied on a five-year forecast prepared and approved by senior Hanmi Financial management to perform a discounted cash flow (DCF) analysis and determine a valuation price range for Hanmi Financial common stock. Although this analysis is sometimes done by reviewing after tax cash flows (the equivalent of pre-tax, pre-provision earnings for banks), McGladrey's discounted cash flow analysis takes into account loan loss provisions, even though this has no immediate cash impact. However, McGladrey believes that the equity markets and regulators have become increasingly concerned over underperforming loans and that their impact, although not immediate, eventually impacts the future cash flows. Therefore, McGladrey utilized after-tax net income as the future projected income streams for its DCF analysis.

The discount rate used to arrive at present value is a function of the uncertainty or riskiness of Hanmi Financial management's projected net income compared to market risk, with investors requiring higher rates of return for riskier assets and lower rates of return for less riskier assets. Given that Hanmi Financial management periodically stress tests its loan base and has been working to identify and provision for the assets at risk on the Hanmi Financial's balance sheet, McGladrey determined that a discount rate range of 10% — 15% was appropriate. As current Price/Earnings (P/E) multiples are significantly depressed due to the current economy and challenges facing regional banks, McGladrey considered historical P/E multiples and applied a terminal exit multiple range of 8.0X to 12.0X to projected 2014 net income.

Based on the assumptions summarized above, McGladrey's DCF analysis resulted in a valuation range of between \$0.90 and \$1.77 per share of Hanmi Financial common stock.

Cappello Opinion

Pursuant to an engagement letter with the Special Committee dated April 26, 2010, and at the request of the Special Committee, on May 19, 2010, Cappello delivered its oral opinion to the Special Committee, subsequently confirmed in writing as of the same date, that, as of that date and subject to the assumptions, qualifications and limitations set forth in its opinion, the price per share of Hanmi Financial's common stock to be received by Hanmi Financial in the Transaction was fair, from a financial point of view, to the holders of Hanmi Financial's common stock, other than the Investors. The full text of Cappello's written opinion dated May 19, 2010 is attached to this document as *Annex B*.

This summary of Cappello's opinion is qualified in its entirety by reference to the full text of the opinion. We urge you to read Cappello's opinion carefully in its entirety for a description of the procedures followed, assumptions made, matters considered and limitations on the review undertaken by Cappello. Cappello's opinion was addressed to and provided for the benefit and use of the Special Committee in connection with its consideration of the Transaction. Cappello's opinion addresses only the fairness, from a financial point of view, as of the date thereof, to the holders of Hanmi Financial's common stock, other than the Investors, of the price per share of Hanmi Financial's common stock to be received by Hanmi Financial in the Transaction. Cappello's opinion does not constitute a recommendation to the Special Committee, Hanmi Financial's Board of Directors, Hanmi Financial's stockholders or any other person as to how to vote or act on any matter. Cappello's opinion and the analyses performed by Cappello in connection with its opinion and reviewed by the Special Committee were only two of many factors considered by the Special Committee in connection with their evaluation of the Transaction. See "*Reasons for the Capital Raising Stockholder Proposals; Recommendation of Hanmi Financial's Board of Directors.*"

In the course of performing its review and analyses for rendering its opinion, Cappello undertook the review and inquiries it deemed necessary and appropriate under the circumstances, including:

- i. reviewing a draft of the securities purchase agreement with Woori dated May 19, 2010;
- ii. reviewing Hanmi Financial's Annual Reports to Stockholders and Annual Reports on Form 10-K for the fiscal years ended December 31, 2007, 2008 and 2009, Hanmi Financial's quarterly report on Form 10-Q for the period ended March 31, 2010, Hanmi Financial's Current Reports on Form 8-K filed since December 31, 2009, and certain other publicly available business and financial information relating to Hanmi Financial;

- iii. reviewing certain operating and financial information relating to Hanmi Financial's business and prospects furnished by Hanmi Financial's management, including financial estimates and projections furnished by Hanmi Financial's management (the "Management Projections");
- iv. meeting with Hanmi Financial's management to discuss Hanmi Financial's business, operations, historical and projected financial results and future prospects;
- v. reviewing the historical prices, trading multiples and trading volume of the shares of Hanmi Financial's common stock;
- vi. reviewing publicly available financial data, stock market performance data and trading multiples of companies which Cappello deemed similar to Hanmi Financial in relevant aspects;
- vii. reviewing, to the extent publicly available, the financial terms of certain private investments in public securities and other transactions which have recently been effected or announced which Cappello deemed similar to the proposed Transaction in relevant aspects;
- viii. performing discounted cash flow analyses based on the Management Projections;
- ix. reviewing estimates of and adjustments to the book value of Hanmi Financial's assets furnished by Hanmi Financial's management (the "Book Value Estimates");
- x. reviewing the pro forma financial results, financial condition and capitalization of Hanmi Financial, giving effect to the Transaction;
- xi. participating in discussions and negotiations regarding the Transaction with Hanmi Financial, Woori and other interested parties; and
- xii. considering such other information, financial studies, analyses and investigations and financial, economic and market criteria which Cappello deemed appropriate.

In conducting its review and rendering its opinion, Cappello, with the Special Committee's consent, assumed and relied, without independent investigation or verification, on the accuracy and completeness of all the foregoing information and all other information provided to, discussed with or reviewed by Cappello. With respect to the Management Projections and Book Value Estimates, Hanmi Financial's management advised Cappello, and Cappello assumed, with the Special Committee's consent, that such projections and estimates were reasonably prepared on bases reflecting the best currently available estimates and judgments of Hanmi Financial's senior management as to Hanmi Financial's expected future performance and the book value of Hanmi Financial's assets. Cappello has, with the Special Committee's consent, not assumed any responsibility for the independent verification of any such information and Cappello further, with the Special Committee's consent, relied upon the assurance of Hanmi Financial's senior management that they are unaware of any facts that would make the information, financial estimates and projections incomplete or misleading. Without limiting the foregoing, Cappello expressed no opinion as to the Management Projections or Book Value Estimates or the assumptions on which they were prepared.

In rendering its opinion, Cappello assumed, with the Special Committee's consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Transaction, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on the contemplated benefits of the Transaction and that the Transaction would be consummated in accordance with the terms of the draft of the stock purchase agreement with Woori that Cappello reviewed, without waiver, modification or amendment of any material term, condition or agreement thereof. Cappello also assumed for the purposes of its opinion that the Transaction would be consummated as of the date of its opinion.

Cappello was not requested to make, and did not make, any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Hanmi Financial, and Cappello did not receive any such evaluations or appraisals, other than certain reports provided by Hanmi Financial's management with respect to book value of certain of Hanmi Financial's assets. Without limiting the foregoing, Cappello did not review any of Hanmi Financial's loan files or Hanmi Financial's allowances for loan losses. In addition, Cappello did not evaluate or

obtain any evaluations of, and its opinion does not address, the solvency, fair value or viability of Hanmi Financial or any other person under any state or federal laws relating to bankruptcy, insolvency or similar matters.

Hanmi Financial's management informed Cappello that Hanmi Financial's wholly-owned banking subsidiary, Hanmi Bank, has consented to a Final Order from the California Department of Financial Institutions, and that Hanmi Financial and Hanmi Bank have entered into a Written Agreement with the Federal Reserve Bank of San Francisco, which require, among other things, that Hanmi Bank increase its capital and maintain certain regulatory capital ratios prior to certain specified dates, including an increase of contributed equity capital by not less than an additional \$100 million by July 31, 2010. Cappello has assumed, with the Special Committee's consent, that failure to meet these requirements would lead to regulatory actions that could have a material adverse impact on the value of Hanmi Financial's common stock and could lead to a regulatory liquidation or takeover that would render Hanmi Financial's common stock worthless.

Cappello's opinion addresses only the fairness, from a financial point of view, as of the date of its opinion, to the holders of Hanmi Financial's common stock, other than the Investors, of the price per share to be received by Hanmi Financial in the Transaction, and does not address any other aspect or implication of the Transaction or any other agreement, arrangement or understanding entered into in connection with the Transaction or otherwise. Cappello's opinion does not address any legal, tax, accounting or regulatory matters related to the securities purchase agreement with Woori or the Transaction or otherwise to Hanmi Financial, as to which it has assumed that Hanmi Financial, the Special Committee and Hanmi Financial's Board of Directors have received such advice from relevant advisors as each has deemed appropriate, and Cappello expressed no opinion as to the federal, state or local tax consequences of the Transaction. Cappello's opinion is necessarily based upon the financial, economic, market and other conditions as they existed and could be evaluated, and the information made available to it, as of the date of its opinion. Cappello expressly disclaimed any obligation to update or otherwise revise its opinion in the event of, or to advise any person of, any change in any fact or matter affecting its opinion of which it may become aware after the date of its opinion. Cappello's opinion did not address Hanmi Financial's underlying business decision to proceed with or effect the Transaction or the relative merits of the stock offerings compared as compared to any alternative transactions or business strategies that might be available to us. Further, in rendering its opinion, Cappello expressed no opinion as to the fairness of the amount or nature of the compensation to any of Hanmi Financial's officers, directors or employees, or any class of such persons. In addition, Cappello expressed no opinion as to the trading price or range of prices of Hanmi Financial's common stock at any time, including upon the announcement or consummation of the Transaction.

Summary of Principal Financial Analyses

The following is a summary of the principal financial analyses performed by Cappello to arrive at its opinion. Some of the summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data set forth in the tables without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses. In connection with the rendering of its opinion to the Special Committee, Cappello reviewed with the Special Committee the following analyses and other information material to its opinion. Unless otherwise noted, all analyses were performed based on market information available as of May 19, 2010, the trading day on which Cappello finalized its analysis.

Indicative Standalone Valuation Summary

Cappello analyzed the standalone valuation implied for Hanmi Financial using selected public companies, precedent transactions, adjusted book value and discounted cash flow analyses. A summary of these analyses and the resulting implied equity value and equity value per share for Hanmi on a standalone basis are shown below.

Valuation Methods	Metric	Selected Metric Range		Equity Value Range		Equity Value per Share Range	
		Low	High	Low	High	Low	High
Selected Public Companies	Price to Book Value	0.45x	0.55x	\$ 45	\$ 56	\$0.89	\$1.09
Precedent Transactions	Price to Book Value	0.20x	0.50x	\$ 20	\$ 51	\$0.39	\$0.99
Precedent Transactions	1-Day Discount to Unaffected Price	(25)%	(15)%	\$ 46	\$ 52	\$0.90	\$1.02
Adjusted Book Value	Book Value Per Share	\$0.00	\$0.94	\$ 0	\$ 48	\$0.00	\$0.94
Discounted Cash Flow	Equity Value Per Share	\$0.23	\$0.37	\$ 12	\$ 19	\$0.23	\$0.37

Selected Public Companies Analysis. Although Cappello believed that no companies were directly comparable to Hanmi Financial, it nonetheless prepared a selected company analysis of Hanmi Financial's implied price to book value trading multiple relative to a group of publicly-traded companies that Cappello believed to be of similar size and faced with similar levels of capital to Hanmi Financial. In selecting these publicly-traded companies, Cappello included publicly listed banks with \$1.0 billion to \$5.0 billion in total assets and a holding company Tier 1 Capital Ratio of 3.0% to 8.0% (other than Preferred Bank, listed below, which had a Tier 1 Capital Ratio of 8.03%). These criteria generated the following list of banks:

- Macatawa Bank Corp.
- First Business Financial Services
- Bank of Granite
- Mercantile Bancorp
- Preferred Bank
- Cascade Bancorp
- FNB United Corp.
- Integra Bank Corp.

As part of its selected public companies analysis, Cappello calculated each selected company's current trading price to book value multiple, and selected an implied price to book value multiple range of 0.45x to 0.55x. Cappello then calculated the implied valuation range for Hanmi Financial on a standalone basis by applying the selected range of price to book value multiples for the selected public companies to the book value for Hanmi Financial as at March 31, 2010 of \$101 million, producing an implied equity value range of \$45-\$56 million, or \$0.89-\$1.09 per share of Hanmi Financial's common stock.

Selected Precedent Transactions Analysis. Cappello conducted a selected precedent transactions analysis by examining private investment in public equity ("PIPE") transactions by public banking companies announced after 2008 that were either pending or closed, involved a change of control, and had a transaction size between \$50 million and \$2 billion. The precedent transactions included PIPEs involving the following twelve companies:

- Allegiance Bank of North America
- Berkshire Bancorp Inc.
- California Oaks State Bank
- Cascade Bancorp

- Doral Financial Corp.
- Flagstar Bancorp Inc.
- Heritage Oaks Bancorp
- Pacific Capital Bancorp
- Patriot National Bancorp Inc.
- Saehan Bancorp
- Sterling Financial Corp.
- West Coast Bancorp

As part of its selected precedent transactions analysis, Cappello calculated each company's price to book value multiple at the time of announcement of the respective precedent transaction and the premium or discount of the offer price to the trading price the day before the precedent transaction was announced. Based on these metrics, Cappello selected a price to book value multiple range of 0.20x to 0.50x and a 1-day discount range of (25)% to (15)%. Cappello then calculated implied valuation ranges of Hanmi Financial on a standalone basis by applying the selected range of price to book value multiples for the selected precedent transactions to the book value for Hanmi as at March 31, 2010 of \$101 million, producing an implied equity value range of \$20-51 million, or \$0.39-\$0.99 per share of Hanmi Financial's common stock, and by applying the selected 1-day discount range for the selected precedent transactions to the closing price for Hanmi Financial's common stock of \$1.20 on January 15, 2010, the trading day immediately prior to the first of several press reports containing speculation regarding a potential transaction with Woori (such price is referred to as the "Unaffected Price"), producing an implied equity value range of \$46-52 million, or \$0.90-\$1.02 per share of Hanmi Financial's common stock.

Cappello believed that none of the transactions reviewed in the selected precedent transactions analysis were directly comparable to the Transaction and that none of the companies involved in the precedent transactions were directly comparable to Hanmi Financial.

Adjusted Book Value. Cappello reviewed the Book Value Estimates furnished by Hanmi Financial's management to Cappello. Cappello observed that the Book Value Estimates describe Hanmi Financial's adjusted book value as \$0 to \$48.1 million as of May 19, 2010. In performing its analyses, Cappello took into account that Hanmi Financial's adjusted book value per share range pursuant to Hanmi Financial's management's Book Value Estimates was \$0.00 to \$0.94.

Discounted Cash Flow Analysis. Cappello calculated a range of implied Hanmi Financial equity values per share on a standalone basis utilizing a 20-year discounted cash flow analysis. In preparing these analyses, Cappello relied upon the Management Projections, including Hanmi Financial's management's assumptions with respect to return on assets and targeted tangible common equity and other assumptions provided by management. Utilizing the Management Projections and these assumptions, Cappello calculated Hanmi Financial's annual after-tax free cash flows available for distribution to stockholders for calendar years 2010 to 2030, based upon a range of target tangible common equity ratios of 7.0% to 9.0%. Cappello estimated a terminal value calculated for calendar year 2031 and beyond utilizing a terminal price to earnings multiple of 10.0x. Cappello then discounted the free cash flow streams and the estimated terminal value to a present value using a cost of equity discount rate range of 22.5% to 27.5%. Based on the Management Projections and these assumptions, the discounted cash flow analysis yielded an implied equity valuation range of \$12-\$19 million, or \$0.23-\$0.37 per share of Hanmi Financial's common stock, as of June 30, 2010.

Pro Forma Transaction Valuation Indications

Cappello analyzed the valuation implied for Hanmi Financial's common stock after giving pro forma effect to the shares of Hanmi Financial's common stock to be issued pursuant to the Transaction, using selected public companies, post-transaction control PIPE trading multiple, precedent transactions and discounted cash flow analyses. Cappello conducted each of these analyses, except the discounted cash flow analysis, using a pro forma book value for Hanmi Financial as of March 31, 2010, calculated using Hanmi Financial's management's estimates

for two different scenarios for implementation of the Transaction: (i) a scenario involving total sales of Hanmi Financial's common stock in the Transaction of \$330 million, resulting in pro forma shares outstanding of 326.2 million (the "Woori Plus Other Investors" scenario), and (ii) a scenario involving total sales of Hanmi Financial's common stock in the Transaction of \$210 million, resulting in pro forma shares outstanding of 226.2 million (the "Woori Only" scenario). A summary of these analyses under each of the Woori Plus Other Investors and the Woori Only scenarios, and the resulting implied equity value and equity value per share for Hanmi Financial on a pro forma basis, are shown below.

Woori Plus Other Investors

Valuation Method	Metric	Selected Metric Range		Equity Value Range		Equity Value per Share Range

Post-Transaction Control PIPE Trading Multiples	Price to Book Value	0.99x	1.22x	\$431	\$531	\$1.32	\$1.63
Precedent Transactions — M&A	Price to Book Value	0.90x	1.10x	\$392	\$479	\$1.20	\$1.47
Discounted Cash Flow	Equity Value Per Share	\$1.35	\$1.55	\$440	\$506	\$1.35	\$1.55

Valuation Methods	Metric	Selected Metric Range		Equity Value Range		Equity Value per Share Range	
		Low	High	Low	High	Low	High
Selected Public Companies	Price to Book Value	1.00x	1.40x	\$315	\$441	\$1.39	\$1.95
Post-Transaction Control PIPE Trading Multiples	Price to Book Value	0.99x	1.22x	\$312	\$385	\$1.38	\$1.70
Precedent Transactions — M&A	Price to Book Value	0.90x	1.10x	\$284	\$347	\$1.25	\$1.53

Selected Public Companies Analysis. Although Cappello believed that no companies were directly comparable to Hanmi Financial on a pro forma basis, it nonetheless prepared a selected public companies analysis of Hanmi Financial's implied price to book value trading multiple relative to a group of Korean American and Chinese American banks that Cappello believed to be of similar size and with similar operations to us. These criteria generated the following list of banks:

- Nara Bancorp Inc.
- Wilshire Bancorp Inc.
- Center Financial Corporation
- Saehan Bancorp
- Pacific City Financial Corp.
- East West Bancorp, Inc.
- Cathay General Bancorp
- Preferred Bank

As part of its selected public companies analysis, Cappello calculated each selected company's current trading price to book value multiple, and selected an implied price to book value multiple range of 1.00x to 1.40x. Cappello then calculated the implied pro forma valuation ranges of Hanmi Financial by applying the selected range of price to

book value multiples for the selected public companies to the pro forma book value for Hanmi Financial as of March 31, 2010. Cappello conducted its analysis assuming each of the Woori Plus Other Investors and Woori Only scenarios, with March 31, 2010 pro forma book values of \$435 million and \$315 million, respectively, resulting in implied pro forma equity values between \$1.33-\$1.87 per share of Hanmi Financial's common stock for the Woori Plus Other Investors scenario, and \$1.39-\$1.95 per share of Hanmi Financial's common stock for the Woori Only scenario.

Post-Transaction Control PIPE Trading Multiples. Cappello selected the West Coast Bancorp PIPE for a post-transaction control PIPE trading multiple analysis based on West Coast Bancorp's having had total assets and a holding company Tier 1 Capital Ratio similar to Hanmi Financial's and having also faced regulatory requirements to increase its capital and maintain certain capital ratios. Cappello observed that West Coast Bancorp's stock price closed at 0.99x book value as of May 19, 2010 and traded in a range of 0.99x to 1.22x book value from April 26, 2010 (the date West Coast Bancorp disclosed its post-transaction book value in an earnings release) until May 19, 2010. Cappello then calculated pro forma valuation ranges for Hanmi Financial by applying price to book value multiples between 0.99-1.22x to the pro forma book value for Hanmi Financial as of March 31, 2010. Cappello conducted its analysis assuming each of the Woori Plus Other Investors and Woori Only scenarios, with March 31, 2010 pro forma book values of \$435 million and \$315 million, respectively, resulting in implied pro forma equity values between \$1.32-\$1.63 per share of Hanmi Financial's common stock for the Woori Plus Other Investors scenario and \$1.38-\$1.70 per share of Hanmi Financial's common stock for the Woori Only scenario.

Precedent Transactions — M&A. Cappello reviewed selected precedent mergers & acquisitions (M&A) transactions that were announced and closed between January 1, 2007 and May 19, 2010 involving control acquisitions of banks by strategic buyers and total target assets of \$500 million to \$10 billion. These criteria generated 37 M&A transactions in total.

As part of its precedent transactions analysis, Cappello calculated each bank's price to book value multiple at the time of announcement of the respective precedent transaction. Based on these metrics, Cappello selected a pro forma price to book value multiple range of 0.90x to 1.10x. Cappello then calculated implied pro forma valuation ranges of Hanmi Financial by applying the selected range of price to book value multiples to the pro forma book value for Hanmi Financial as of March 31, 2010. Cappello conducted its analysis assuming each of the Woori Plus Other Investors and Woori Only scenarios, with March 31, 2010 pro forma book values of \$435 million and \$315 million, respectively, resulting in implied pro forma equity values between \$1.20-\$1.47 per share of Hanmi Financial's common stock for the Woori Plus Other Investors scenario and \$1.25-\$1.53 per share of Hanmi Financial's common stock for the Woori Only scenario.

Cappello believed that none of the transactions reviewed in the precedent transactions analysis were directly comparable to the Transaction and that none of the companies involved in the precedent transactions were directly comparable to Hanmi Financial.

Discounted Cash Flow Analysis. Cappello conducted a five-year discounted cash flow analysis of Hanmi Financial on a pro forma basis. In preparing these analyses, Cappello relied upon the Management Projections, which include long-term pro forma projections assuming total sales of Hanmi Financial's common stock in the Transaction to Woori and other Investors of \$330 million. Utilizing the Management Projections in conjunction with Hanmi Financial's management's indicative pro forma range of target tangible common equity ratios of 7.0% to 9.0%, Cappello calculated Hanmi Financial's annual after-tax free cash flows available for distribution to stockholders for calendar years 2010 to 2014. Cappello estimated a terminal value calculated for calendar year 2015 and beyond utilizing a terminal price to earnings multiple of 10.0x. Cappello then discounted the free cash flow streams and the estimated terminal value to a present value using a cost of equity discount rate range of 16.0% to 20.0%. This discounted cash flow analysis yielded an implied pro forma valuation range for Hanmi Financial's common stock of \$1.35-\$1.55 per share as of June 30, 2010.

Overview of Analyses and Other Considerations

The preceding discussion is a summary of the material financial analyses furnished by Cappello to the Special Committee, but does not purport to be a complete description of the analyses performed by Cappello or of its presentation to the Special Committee. In reaching its opinion, Cappello did not assign any particular weight to any

one analysis or the results yielded by that analysis, but rather exercised its professional judgment as to the significance and relevance of each analysis or result. Cappello believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the analyses and, accordingly, also made qualitative judgments concerning differences between the characteristics of Hanmi Financial and the data selected for use in its analyses, as further discussed below. No single company used in the above analyses as a comparison is identical to Hanmi Financial, and no single transaction used in the above analyses is identical to the Transaction, and accordingly an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, businesses or transactions analyzed. The analyses were prepared solely for purposes of Cappello providing an opinion as to the fairness, from a financial point of view, as of the date of its opinion, to the holders of Hanmi Financial's common stock, other than the Investors, of the price per share to be received by Hanmi Financial in the Transaction, and do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold, which are inherently subject to uncertainty.

The preparation of a fairness opinion is a complex process that involves the application of subjective business judgment in determining the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Several analytical methodologies were used by Cappello, and no one method of analysis should be regarded as critical to the overall conclusion reached. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques. The overall conclusions of Cappello were based on all the analyses and factors presented herein taken as a whole and also on the application of Cappello's own experience and judgment. Such conclusions may involve significant elements of subjective judgment and qualitative analysis. Cappello therefore believes that its analyses must be considered as a whole and that selecting portions of the analyses and of the factors considered, without considering all factors and analyses, could create an incomplete or misleading view of the processes underlying its opinion.

In connection with its analyses, Cappello made, and was provided by Hanmi Financial's management with, numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond Hanmi Financial's control or the control of Cappello or Hanmi Financial's other advisors. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of Hanmi Financial or Hanmi Financial's advisors, none of Hanmi Financial, Cappello or any other person assumes responsibility if future results or actual values are materially different from these forecasts or assumptions.

Cappello is an investment banking advisory firm engaged in, among other things, the valuation of businesses and their securities in connection with mergers and acquisitions, private placements and related financings. The Special Committee selected Cappello to render its opinion based on Cappello's familiarity with the market in which we compete, Cappello's reputation, and the depth of the experience and expertise of the Cappello team responsible for the engagement.

Cappello has acted as financial advisor and placement agent to Hanmi Financial in connection with the Transaction and will receive a fee for its services, a significant portion of which is contingent upon the purchases of shares pursuant to the Transaction. Cappello has also received a fee for rendering its opinion, without regard to the conclusion reached in such opinion or whether the proposed stock offering is consummated. We have also agreed to indemnify Cappello against certain liabilities and other items arising out of its engagement, both in its capacity as financial advisor and in connection with the rendering of its opinion. The terms of Cappello's engagement letter were negotiated at arms-length between Hanmi Financial and Cappello, and the Special Committee and Hanmi Financial's Board of Directors were aware of this fee arrangement at the time they reviewed and approved the securities purchase agreement with Woori and the Transaction. From time to time, Cappello and its affiliates may in the future provide investment banking and other financial services to Hanmi Financial, Woori or the other Investors, for which they would expect to receive compensation. Cappello is a registered broker-dealer with the U.S. Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority.

Cappello's opinion was approved by the Cappello Capital Corp. Fairness Opinion Committee.

If the transactions contemplated by the securities purchase agreement with Woori are consummated, we will have incurred a “change in control” under the terms of our 2007 equity incentive plan. Accordingly, all of our outstanding options under our 2007 equity incentive plans will accelerate and the conditions on our restricted stock issued under our 2007 equity incentive plan will lapse. The table below sets forth the intrinsic values that our directors and executive officers would derive from the equity awards which accelerate upon consummation of the securities purchase agreement with Woori assuming the transactions with Woori closed on May 25, 2010. For restricted stock awards, the intrinsic value is based upon the closing price of our common stock on May 25, 2010 (\$2.03), and for stock options, the value is based on such \$2.03 minus the exercise price of the applicable stock option. You should note that the amounts indicated below are estimates based on multiple assumptions that may or may not actually occur. As a result, the actual amounts, if any, to be received by an executive officer or director may differ from the amounts set forth below.

In addition, our severance and retention plan provides that each of our executive officers, other than Mr. Yoo, will be entitled to a retention lump sum payment equal to 3 months of their current base salary on November 1, 2010 or the termination of their employment, whichever occurs first. In the case of any termination of our executive officers within 12 months of closing of the transactions contemplated by the securities purchase agreement, each of our executive officers, other than Mr. Yoo, will receive a severance lump sum payment equal to 3 months of their current base salary and 3 months of medical insurance. Mr. Yoo is entitled to severance payments pursuant to the terms of his employment agreement. Assuming that the transactions contemplated by the securities purchase agreement closed on May 25, 2010 and the executive officers were terminated within 12 months of the closing of the transaction, the executive officers would have received the approximate amounts set forth in the table below. You should note that the amounts indicated below are estimates based on assumptions that may or may not actually occur. As a result, the actual amounts, if any, to be received by an executive officer may differ from the amounts set forth below. In addition, any amounts to be paid to our executives as a result of consummation of the transactions with Woori are subject to applicable approval of our federal and state regulators.

Name	Severance and Retention Pay	Health and/or Life Insurance Premiums	Equity Acceleration(1)	Accrued Vacation	Total
Jay Yoo	\$ 165,000	\$ 7,658	\$ 24,000	\$34,687	\$231,345

(1) Based on the intrinsic values of equity awards that accelerate upon consummation of the securities purchase agreement with Woori assuming the transactions with Woori closed on May 25, 2010. For restricted stock awards, the intrinsic value is based upon the closing price of our common stock on May 25, 2010 (\$2.03), and for stock options, the value is based on such \$2.03 minus the exercise price of the applicable stock option.

As set forth in his biographical description, Mr. Jay Yoo was previously President and Chief Executive Officer of Woori America Bank, a subsidiary of Woori Bank, from (2001 to 2007). He also previously served as Chairman of the Board of Woori America Bank.

DESCRIPTION OF THE SECURITIES PURCHASE AGREEMENT WITH WOORI AND THE STOCK OFFERINGS

As described above, Woori has entered into a securities purchase agreement with us to purchase a minimum of \$210 million (175 million shares) of common stock and a maximum of \$240 million (200 million shares) of common stock. In addition, prior to the closing of the securities purchase agreement with Woori, we have commenced a registered rights and best efforts offering comprised of a \$60 million rights offering for our stockholders and a \$60 million best efforts offering (plus any additional shares of common stock that are not subscribed for in the rights offering) to the public to raise up to \$120 million, for aggregate gross proceeds, with the Woori investment, of up to \$360 million.

The following is a summary of the material terms of the securities purchase agreement with Woori and the registered rights and best efforts offering. A copy of the securities purchase agreement with Woori is attached to this document as *Annex A* and is incorporated by reference into this document. Stockholders are urged to read the securities purchase agreement attached as *Annex A* in its entirety. While we believe this summary covers the material terms and provisions of the securities purchase agreement with Woori, it may not contain all of the information that is important to you and is qualified in its entirety by reference to *Annex A*. We cannot provide any

assurance that the transactions with Woori will be completed or that we will be able to sell any of our shares of common stock pursuant to the registered rights and best efforts offering. For a discussion of the fees and warrants being issued to our financial advisors in connection with the securities purchase agreement, see “Fees and Expenses” below.

Securities Purchase Agreement

Purchase of Stock

The securities purchase agreement with Woori provides that upon satisfaction of all conditions to closing, Woori shall purchase \$210 million (175 million shares) of our common stock at a per share purchase price of \$1.20. Woori also has the option to purchase up to an additional \$30 million (25 million shares) of our common stock for an aggregate investment not to exceed \$240 million (200 million shares). The maximum dollar amount of shares of common stock to be issued in the stock offerings will not exceed \$360 million (300,000,000 shares of our common stock) and of that amount, the maximum amount that may be raised in the registered rights and best efforts offering may not exceed \$120 million (100 million shares) in the aggregate. If Woori acquires 175 million shares of our common stock (and does not exercise its option) and we are able to sell the maximum of 100 million shares of our common stock in the registered rights and best efforts offering, Woori will own approximately 54% of our outstanding common stock following consummation of the transactions contemplated by the securities purchase agreement. If Woori acquires 200 million shares of our common stock (by exercising its option) and we are not able to sell any shares of our common stock in the registered rights and best efforts offering, Woori will own approximately 80% of our outstanding common stock following consummation of the transactions contemplated by the securities purchase agreement. Depending on how many shares of our common stock Woori purchases and how many shares of our common stock are sold in the registered rights and best efforts offering, if the transactions contemplated by the securities purchase agreement with Woori are completed, Woori will own anywhere between approximately 54% and 80% of our outstanding common stock.

Representations and Warranties

In the securities purchase agreement, we make customary representations and warranties to Woori relating to, among other things, our corporate authority, business, capitalization, financial condition and changes to our financial condition, governmental filings, internal controls, employee benefit plans, taxes, environmental liabilities, assets and liabilities generally, and the common stock to be issued. The representations and warranties survive for a period of twelve months following the closing date; provided that certain representations and warranties relating to tax, employee benefit plans and environmental liability survive until 60 days after the expiration of the applicable statute of limitations and certain representations and warranties relating to our organization, subsidiaries and capitalization survive forever. Woori has also made various representations and warranties relating to, among other things, its corporate authority, business, investment intent and sufficiency of funds now and at the closing.

Stockholders are not third-party beneficiaries under the securities purchase agreement and should not construe the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of our company, any of the investors or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the securities purchase agreement, which subsequent information may or may not be fully reflected in the our public disclosures. The provisions of the securities purchase agreement, including the representations and warranties, should not be read alone, but instead should only be read together with the information provided elsewhere in this document and in the documents incorporated by reference into this document, including the periodic and current reports and statements that we file with the Securities and Exchange Commission, or the “SEC.” For more information regarding these documents incorporated by reference, see “Where You Can Find More Information” below.

We have agreed with Woori that we may conduct the registered rights and best efforts offering, provided that we will not issue more than \$120 million of common stock in the registered rights and best efforts offering. We have also agreed to use our commercially reasonable efforts to continue the employment of our and our subsidiaries' executive officers after the closing. Subject to appropriate regulatory approvals, we may adopt a retention plan for officers and directors providing payments (including severance obligations provided in the employment agreement with our President and Chief Executive Officer) of up to \$2,035,000 in connection with their severance or continued service to us or Hanmi Bank through the closing date.

We and Woori have agreed to file all necessary regulatory applications to consummate the transactions contemplated by the securities purchase agreement. Woori has agreed, no later than 30 calendar days after the securities purchase agreement, to seek all governmental and regulatory consents and approvals required for consummation of the transactions contemplated by the securities purchase agreement, including, but not limited to, applications and notices required by the FRB, the DFI, and the Korean Financial Services Commission.

In addition, we have agreed to call a meeting of our stockholders as soon as practicable to vote on the proposals to (1) approve the amendment to our Certificate of Incorporation to increase the number of authorized shares of our common stock to 500 million shares and (2) approve the issuance of up to 200 million shares of common stock to Woori for purposes of Nasdaq Listing Rule 5635. In the event that both of the foregoing approvals are not obtained at the annual meeting, we have agreed to include a proposal to approve (and our Board will unanimously recommend approval of) such issuance at a subsequent meeting of our stockholders within 90 days of the annual meeting.

Woori has agreed that, for a period of three (3) years from the closing, neither it nor any of its affiliates will, directly or indirectly, effect a cash-out merger or similar transaction involving Hanmi Financial unless (a)(i) no less than a majority of the directors who are unaffiliated with Woori and who were members of our Board of Directors prior to our entering into the agreement with Woori approve the terms of the cash-out merger or similar transaction, and (ii) the cash-out merger or similar transaction receives the affirmative vote in favor by 66²/₃% of the stockholders entitled to vote thereon, and separately by a majority of the stockholders entitled to vote thereon excluding the vote of Woori or (b) Woori owns at least 90% of our outstanding voting shares.

The securities purchase agreement with Woori permits us to offer and sell up to 4.9% of our shares of common stock (on a fully-diluted basis and taking into account the registered rights and best efforts offering) to any single investor or group of investors acting together (other than Woori) in the best efforts portion of the registered rights and best efforts offering. To the extent we desire to offer and sell more than 4.9% of the shares of common stock (on a fully-diluted basis and taking into account the registered rights and best efforts offering) to any single investor or group of investors acting together (other than Woori), we shall provide notice to Woori. Notwithstanding the foregoing, we are not permitted to offer and sell more than 9.9% of the shares of our common stock (on a fully-diluted basis and taking into account the registered rights and best efforts offering) to any other single investor or group of investors acting together without the prior written consent of Woori.

Indemnification

We have agreed to indemnify and hold harmless Woori and its directors, officers, stockholders, members, employees and agents (and any persons who controls Woori and the directors, officers, stockholders, members, employees and agents of such control persons) (collectively, the "Woori Indemnitees") from any losses, damages, liabilities, contingencies, claims, costs and expenses, as a result of any breach of any representation, warranty, covenant or agreement we make in the securities purchase agreement. We are not required to indemnify Woori with respect to any claim for indemnification until the aggregate amount of all losses exceed \$1,000,000, in which case we will be responsible for the full amount of such losses. The cumulative indemnification obligation to the Woori Indemnitees shall not exceed \$210 million. The indemnity provided for in the agreement is the sole and exclusive monetary remedy of the Woori Indemnitees after the closing for any inaccuracy of any of the representations and warranties contained in the securities purchase agreement or any other breach of any covenant or agreement contained in the securities purchase agreement, except in the case of fraud. Any claim for indemnification must be brought on or prior to the first anniversary of the closing of the securities purchase agreement, subject to certain exceptions for representations and warranties relating to (i) our organization, subsidiaries and capitalization which

claims may be brought at any time and (ii) our benefit plans, taxes and environmental liability, which claims may be brought at any time prior to 60th day after the expiration of the applicable statute of limitations.

No Solicitation

We have agreed that, neither we nor any of our subsidiaries will, nor will we or any of our subsidiaries authorize or permit any of our respective directors, officers, employees, consultants, agents and other authorized representatives acting in such capacity, to directly or indirectly:

- solicit, initiate or encourage the submission of any acquisition proposal (as defined below) or enter into any agreement or understanding with respect to an acquisition proposal; or
- participate in any discussions or negotiations with, or disclose any information, for the purpose of facilitating the making of, or take any other action to facilitate any inquiries or the making of, any proposal that constitutes or may reasonable be expected to lead to any acquisition proposal.

We also agreed to, and agreed to cause our representatives to, cease any and all existing discussions or negotiations, if any, with any third party conducted prior to the date of the securities purchase agreement with respect to any acquisition proposal and to advise Woori of any other acquisition proposal we receive.

“Acquisition proposal” means any written offer, proposal, or indication of interest from any third party relating to any transaction or series of related transactions involving any (i) acquisition or purchase by any person or entity, directly or indirectly, of 10% or more of our common stock, or any tender offer (including a self-tender) or exchange offer that, if consummated, would result in any person or entity beneficially owning 10% or more of any of our common stock, (ii) any direct or indirect merger, acquisition, amalgamation, consolidation, share exchange, business combination, joint venture or other similar transaction involving us or any of our subsidiaries, which results in our stockholders before such transaction owning less than 51% of the issued and outstanding voting or equity securities of us after the consummation of such transaction, (iii) any sale, lease, exchange, transfer, license (other than licenses in the ordinary course of business), acquisition or disposition of all or substantially all of our assets and any of its subsidiaries, taken as a whole (measured by the lesser of book or fair market value thereof), (iv) any liquidation, dissolution, recapitalization, extraordinary dividend or other significant corporate reorganization us or any of our subsidiaries or (v) any issuance by us, other than the sale of shares to Woori which involves the purchase and sale by any person, directly or indirectly, of 10% or more of our common stock.

Notwithstanding the restrictions described above, we may (i) comply with applicable securities laws and regulations, including regulations relating to tender or exchange offers and (ii) prior to the approval of the Capital Raising Stockholder Proposals, engage in negotiations or discussions with any third party who, without any solicitation, initiation or encouragement of us or our representatives, seeks to initiate discussion or negotiations and may furnish such third party information concerning us and our business if such third party has first made an acquisition proposal that is superior to Woori’s proposal and our Board has determined in good faith after consultation with its financial advisors and legal counsel that failure to take such action would be inconsistent with its fiduciary duties under applicable law.

Conditions to Closing

The securities purchase agreement with Woori is subject to certain conditions to closing, including, but not limited to:

- the truth and correctness at the closing of all representations and warranties made in the securities purchase agreement except where the failure of a representation or warranty to be true and correct would not reasonably be expected to have a material adverse effect;
- the performance of all covenants and agreements set forth in the securities purchase agreement in all material respects;
- we shall not have experienced an effect that has had or would reasonably expected to result in a material adverse effect on us;

- resignations of certain of our directors to accommodate Woori's ability to designate five (5) of our seven (7) directors at the closing;
- the obtaining of all required regulatory and stockholder approvals and required third party consents; and
- the delivery of all required certificates, opinions and other closing documents.

Board Recommendation

Subject to the provisions described below, our Board agreed to unanimously recommend that our stockholders vote in favor of the Capital Raising Stockholder Proposals. The securities purchase agreement with Woori provides that neither our Board nor any committee thereof will:

- fail to make, withdraw, amend or modify, or publicly propose to withhold, withdraw, amend or modify, in a manner adverse to Woori, our Board recommendation in favor of the Capital Raising Stockholder Proposals;
- approve, endorse, adopt or recommend, or publicly propose to approve, endorse, adopt or recommend, any acquisition proposal;
- make any public statement inconsistent with our Board recommendation; or
- resolve or agree to take any of the foregoing actions.

We refer to each of the foregoing actions as an "adverse recommendation change."

Notwithstanding these restrictions, our Board may effect an adverse recommendation change at any time if, following the receipt of and on account of an acquisition proposal that is superior to the proposal contemplated by the securities purchase agreement with Woori:

- our Board determines in good faith, after consultation with its outside legal counsel, that the failure to make an adverse recommendation change would be inconsistent with its fiduciary duties under applicable law.

The securities purchase agreement permits our Board to comply with Rule 14d-9 and Rule 14e-2(a) under the Securities Exchange Act of 1934, as amended (relating to tender offers and exchange offers) with regard to an alternative proposal although such disclosure (other than a "stop, look and listen" communication pursuant to Rule 14d-9(f)) will constitute an adverse recommendation change unless our Board expressly publicly reaffirms our Board recommendation in such communication or within two business days after requested to do so by Woori.

Board Representation

If the securities purchase with Woori closes pursuant to its terms, Woori is entitled to nominate five (5) of our seven (7) directors, one of whom shall be the Chief Executive Officer/President of Hanmi Financial. In conjunction therewith, up to five (5) of our directors designated by us may resign to accommodate Woori's contractual rights. The directors identified by Woori shall serve until our next annual meeting of stockholders and until their successors are elected and qualified. So long as Woori holds more than 50% of our outstanding common stock on a fully-diluted basis, it shall have the right to nominate two-thirds of our Board (rounded to the nearest whole number). We have agreed to recommend to our stockholders the election of the Woori nominees. Woori must provide us with the identity of the nominees no less than 20 days prior to the date any such nominee takes office. In addition, the appointment of the Woori nominees is subject to non-disapproval requirements of the Order and the notice requirements of the Written Agreement.

Transfer Restrictions

The common stock issuable to Woori pursuant to those securities, has not been registered under the Securities Act, or under the securities laws of any state or other jurisdiction, and unless so registered may not be offered or sold in the United States or to U.S. persons except pursuant to applicable regulation or an exemption from the registration requirements of the Securities Act and applicable state securities laws.

Registration Rights

As a condition to closing, we will enter into a registration rights agreement with Woori providing for the resale registration of the shares they will receive pursuant to the securities purchase agreement.

Termination; Termination Fee

The securities purchase agreement with Woori may be terminated prior to the closing date:

- by mutual agreement;
- by either Woori, on the one hand, or us, on the other hand, if the conditions precedent to such party's obligations have not been met or waived by July 31, 2010; provided, however, that we may extend such termination date for up to 60 days if we fail to obtain approval of the Capital Raising Stockholders Proposals by such date and both parties believe in good faith that such approval will be secured by September 30, 2010; or if Woori fails to obtain its regulatory approvals by July 31, 2010 and it notifies us that it believes in good faith that it can secure the regulatory approvals by September 30, 2010 (such date, as may be extended, the "Outside Date");
- by Woori or us, (i) upon being advised in writing by a governmental entity (or, in our case, by Woori), that any of the regulatory approvals will not be granted or obtained on or prior to the Outside Date; (ii) upon receipt of written notice that any regulatory approval has been denied; or (iii) if Woori has been requested to withdraw any regulatory application required for the transactions contemplated by the securities purchase agreement to be consummated;
- by Woori, if our Board shall have (i) made an adverse recommendation change which has not subsequently been withdrawn; (ii) failed to make our Board recommendation in favor of the Capital Raising Stockholder Proposals, withdrawn such recommendation or modified or changed such recommendation in a manner such that it would constitute an adverse recommendation change; or (iii) failed to call, give notice of, convene and hold a stockholders meeting to vote on the Capital Raising Stockholder Proposals;
- by Woori, if we breach our nonsolicitation obligations;
- by us, in order to enter into an acquisition proposal;
- by us or Woori if the Capital Raising Stockholder Proposals have not been approved by the Outside Date; or
- by us or Woori in the event a governmental entity prohibits or makes illegal the consummation of the transactions contemplated by the securities purchase agreement.

If (i) Woori terminates the securities purchase agreement because we breach our nonsolicitation obligations and we enter into an agreement with respect to an acquisition proposal within 12 months of such termination; (ii) we terminate the securities purchase agreement to enter into an alternative proposal or (iii) Woori terminates the securities purchase agreement because the our Board makes an adverse recommendation change, fails to make, or modifies or changes our Board recommendation, or fails to call, notice or hold the stockholders meeting to approve the Capital Raising Stockholder Proposals and within 12 months after such termination we enter into an agreement with respect to an acquisition proposal, then, in any such case, we are required to pay to Woori \$10,500,000 as a termination fee ("Termination Fee").

If the securities purchase agreement is terminated, neither party will have any liability or further obligation (except with respect to the Termination Fee); provided, however, any termination of the securities purchase agreement will not relieve any party from liability for any breach by it of the securities purchase agreement prior to the date of termination.

Fees and Expenses

We and Woori will each bear our own expenses in connection with the securities purchase agreement. We have agreed to pay Cappello a cash fee equal to 1 percent (1%) of the aggregate purchase price paid by Woori and five-year warrants to purchase up to 1 percent (1%) of the aggregate number of shares issued to Woori at an exercise

price of \$1.20 per share. In addition, we have paid a cash fee of \$350,000 to Cappello in connection with the rendering of its fairness opinion to our Board. We have paid a cash fee of \$150,000 to McGladrey in connection with the rendering of its fairness opinion to our Board. We have also agreed to indemnify Cappello and McGladrey in connection with the services they have provided to us. Cappello and McGladrey and their respective affiliates may provide services to us in the future for which they will be compensated. Cappello will also receive fees from us in connection with services it provides in the registered rights and best efforts offering discussed immediately below.

On January 18, 2010, we engaged IWL to render financial advisory services in connection with the offer and sale of our stock in Korea. As set forth above, based upon the advice of counsel, we believe that our engagement letter with IWL was not effective and we have no obligations owing under it. If the agreement with IWL were effective, we would have paid IWL a cash fee equal to 3.1% of the aggregate purchase price paid by Woori upon the closing of the transaction and agreed to reimburse IWL up to \$250,000 in expenses. The engagement letter with IWL also required a \$750,000 non-refundable retainer which has not been paid and which would have been credited against any amounts owing to IWL if the transaction with Woori closed while the advisory services agreement was effective.

Registered Rights and Best Efforts Offering

In connection with the transactions contemplated by the securities purchase agreement with Woori, our Board authorized us to pursue an offering of up to \$120 million (100,000,000 shares) of our common stock. The offering is structured as a \$120 million registered rights and best efforts offering comprised of a \$60 million rights offering to our existing stockholders as of June 7, 2010 together with a \$60 million registered best efforts offering (plus any additional shares of common stock that are not subscribed for in the rights offering) to the public. We will not raise more than \$120 million from the registered rights and best efforts offering in the aggregate. The price per share for our common stock issued in the registered rights and best efforts offering is \$1.20 per share. We are conducting the registered rights and best efforts offering (1) to raise equity capital and (2) to provide our existing stockholders with the opportunity to purchase our common stock at the same price per common share being offered to Woori pursuant to the terms of its securities purchase agreement.

We are distributing to holders of our common stock as of 5:00 p.m., New York time on June 7, 2010, which is the record date for the rights offering, at no charge, non-transferable subscription rights to purchase shares of our common stock at the subscription price of \$1.20 per share. Stockholders as of the record date will receive one (1) subscription right for each share of common stock they owned at the close of business on the record date. The subscription rights will be issued on or about June 11, 2010 and shall be exercisable until 5:00 p.m. New York city time on July 12, 2010, unless we extend the rights offering.

If a stockholder exercises all of the subscription rights distributed to them, they will also have the opportunity to purchase additional shares in the rights offering which are not purchased by other stockholders pursuant to an over-subscription privilege. To the extent any shares of common stock remain available after the rights offering, we will offer those shares to the public in a best efforts offering.

Although our existing stockholders who received subscription rights in the registered rights and best efforts offering (stockholders as of June 7, 2010) will have the ability to purchase at least their pro rata percentage of \$60 million being offered in the rights offering component, they will not have any right to maintain their proportional ownership of our common stock in connection with the shares being offered to Woori or the additional \$60 million of common stock being offered in the registered rights and best efforts offering.

In connection with the registered rights and best efforts offering, we have agreed to pay Cappello a cash fee equal to 2.75 percent (2.75%) of the aggregate gross proceeds we raise in such offerings together with five-year warrants to purchase up to 2 percent (2%) of the aggregate number of shares issued in the registered rights and best efforts offering at an exercise price of \$1.20 per share.

This proxy statement shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of the securities in any jurisdiction or state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction or state. The registered rights and best efforts offerings described above will be conducted under an

existing effective shelf registration statement declared effective by the SEC on November 30, 2009. Rights and best efforts offering materials, including a prospectus supplement and related prospectus and other items necessary to exercise the rights and information about the best efforts offering, will be mailed to stockholders following the time when a prospectus supplement relating to the offerings is filed with the Securities Exchange Commission. The rights and the underlying shares being offered in the rights offering, as well as the shares being offered in the best efforts offering, may not be offered nor may offers to buy be accepted prior to the time the prospectus supplement relating to the offerings is filed with the SEC. The prospectus supplement and related prospectus will contain important information about the offerings and investors are urged to read them carefully when available. When available, copies of the prospectus supplement and related prospectus may be obtained by contacting our head of investor relations, David J. Yang, 213-637-4798.

USE OF PROCEEDS

Depending on our ability to consummate the transactions contemplated by the securities purchase agreement with Woori, whether or not Woori exercises its option to purchase an additional \$30 million of common stock and how much stock we are able to sell in the registered rights and best efforts offering, we anticipate that we will raise gross proceeds from the stock offerings of between \$210 million and \$360 million and estimated net proceeds of between \$205 million and \$350 million. We intend to contribute a substantial portion of the net proceeds of the stock offerings to Hanmi Bank as additional capital. We will retain the remaining net proceeds at the Hanmi Financial corporate level to satisfy the cash needs of Hanmi Financial and for general corporate purposes, subject to any regulatory requirements.

PRO FORMA FINANCIAL INFORMATION

The following unaudited pro forma condensed consolidated financial information for the fiscal year ended December 31, 2009 and the quarter ended March 31, 2010, shows various adjustments and effects of the consummation of the transactions contemplated by the securities purchase agreement with Woori and the sale of common stock in the stock offerings as if completed on January 1, 2009 and January 1, 2010, respectively. We have included the following unaudited pro forma condensed consolidated financial data solely for the purpose of providing stockholders with information that may be useful for purposes of considering and evaluating the proposals set forth in this proxy statement. The actual effect on our financial statements from the stock offerings may change materially depending upon the actual amounts raised in the aggregate in such stock offerings. Accordingly, the pro forma financial information presented below may differ materially from actual results. We cannot provide any assurance that the transaction with Woori will close at all, or, in the case of the registered rights and best efforts offering, that we will be able to raise any proceeds from the sale of our common stock. If we close the transaction with Woori, the gross amount raised in the aggregate from the stock offerings may be as low as \$210 million. If we close the transaction with Woori, Woori exercises its option to purchase an additional \$30 million of our common stock and we sell the maximum amount available in the registered rights and best efforts offering, the gross amount raised in the aggregate from the stock offerings would be \$360 million. The actual gross amount raised from the stock offerings in the aggregate may also be anywhere between \$210 million and \$360 million if the transaction with Woori closes.

The unaudited pro forma condensed consolidated financial information below reflects the separate adjustments that would occur with respect to the amounts of common stock which may be sold to Woori (\$210 million and an additional \$30 million) and the maximum amount which may be raised in the registered rights and best efforts offering (\$120 million). In addition, for the periods presented, we show the pro forma effects of the stock offerings from the sale of four separate aggregate gross amounts of our common stock: \$210 million; \$240 million; \$330 million and \$360 million and the application of net proceeds. We can provide no assurance as to the aggregate amount we actually will raise in the stock offerings, if any, our actual net proceeds from the stock offerings, or how much we will contribute to Hanmi Bank. The pro forma weighted average diluted shares impact of warrants, which are to be issued to our advisors in connection with the stock offerings, have been excluded from the pro forma weighted average diluted shares calculation due to the anti-dilutive impact of the warrants in the calculation.

The following data should be read in conjunction with "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the consolidated financial statements and the notes thereto from our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and Quarterly Report on Form 10-Q for the quarter ended March 31, 2010 incorporated by reference into this Proxy Statement.

In addition, the following data should be read with the understanding that the March 15, 2010 audit report of KPMG LLP, our independent registered public accounting firm, on the financial statements included within the Hanmi Financial Annual Report on Form 10-K states that the ability of Hanmi Financial to comply with the Written Agreement raises substantial doubt about our ability to continue as a going concern. Furthermore, the March 15, 2010 KPMG report expresses an adverse opinion on the effectiveness of our internal control over financial reporting. Important assumptions to the unaudited pro forma condensed consolidated combined financial information are set forth in the footnotes following each table.

Consequences if the Capital Raising Stockholder Proposals Are Approved

If both the Capital Raising Stockholder Proposals are approved by our stockholders, we will have satisfied one of the conditions necessary to consummate the transactions contemplated by the securities purchase agreement with Woori. However, receiving approval of the Capital Raising Stockholder Proposals does not mean we will be able to complete the transactions contemplated by the securities purchase agreement with Woori. There are many other conditions to completing the transactions contemplated by the securities purchase agreement with Woori, including obtaining necessary regulatory approvals. See "Description of the Securities Purchase Agreement with Woori and the Stock Offerings". If the Capital Raising Stockholder Proposals are approved and the transactions contemplated by the securities purchase agreement with Woori are completed, (i) Woori will become the majority owner of our outstanding shares of common stock (ii) Woori will have the right to designate five (5) of our seven (7) directors and (iii) there will be immediate and substantial dilution to the existing holders of common stock. Woori will be issued a minimum of 175,000,000 and a maximum of 200,000,000 shares of our common stock pursuant to the terms of the securities purchase agreement.

In addition, if we are successful in raising the maximum amount of stock we are offering in the registered rights and best efforts offering, we will issue a maximum aggregate of 300,000,000 shares of our common stock in the stock offerings. Although our existing stockholders who received subscription rights in the rights offering (stockholders as of June 7, 2010) will have the ability to purchase at least their pro rata percentage of stock being offered in the rights offering, they will not have any right to maintain their proportional ownership of our common stock in connection with the shares being sold to Woori or the shares being issued as part of the best efforts

offering. If we consummate the transactions with Woori, we will issue to Woori a minimum of 175,000,000 shares and a maximum of 200,000,000 shares of our common stock (in addition to the 51,198,390 shares of common stock currently outstanding as of the record date). None of our stockholders will have the ability to maintain their proportional ownership of our common stock in connection with the shares being offered to Woori. Accordingly, we expect there to be a significant dilutive effect on both the earnings per share of our common stock and the book value per share of our common stock. In addition, our existing stockholders will incur substantial dilution to their voting interests and will own a smaller percentage of our outstanding capital stock following completion of the stock offerings.

If the transactions with Woori are consummated, Woori will be our majority stockholder and we will have raised a substantial amount of capital which we can use to contribute to Hanmi Bank. As a result, and subject to compliance with applicable law, the terms of the securities purchase agreement and our charter documents, Woori will have voting control of us, and will be able to (i) practically elect all of the members of our Board of Directors; (ii) adopt amendments to our charter documents; (iii) control the vote on any merger, sale of assets or other fundamental corporate transaction of Hanmi Financial or Hanmi Bank or the issuance of additional equity securities or incurrence of debt, in each case without the approval of our other stockholders. It will also be impossible for a third party, other than Woori, to obtain control of Hanmi Financial through purchases of Hanmi Financial common stock not beneficially owned or controlled by Woori, which could have a negative impact on our stock price. See the discussion regarding Proposals 2 and 3 below.

Consequences If Either of the Capital Raising Stockholder Proposals Is Not Approved

A failure to approve either of the Capital Raising Stockholder Proposals at the annual meeting would have potentially material adverse consequences for us and our stockholders as we would not have satisfied certain conditions to closing the securities purchase agreement with Woori and would not be able to raise capital through the sale of our common stock to Woori on the terms we have agreed. If we are unable to raise a sufficient amount of capital to satisfy the Order and Written Agreement we are currently subject to and future regulatory action we may become subject to in the future, further regulatory action could be taken against Hanmi Bank and Hanmi Financial and we may not be able to continue as a going concern. Failure to comply with the terms of the Order and Written Agreement within the applicable time frames provided could result in additional orders or penalties from the FRB, the FDIC and the DFI, which could include further restrictions on our business, assessment of civil money penalties on us and Hanmi Bank, as well as our respective directors, officers and other affiliated parties, termination of deposit insurance, removal of one or more officers and/or directors, and the liquidation or other closure of Hanmi Bank.

The capital ratios of Hanmi Financial and Hanmi Bank were as follows as of March 31, 2010:

Prompt Corrective Action Regulations

Federal law requires each federal banking agency to take prompt corrective action when a bank falls below one or more prescribed minimum capital ratios. The federal banking agencies have, by regulation, defined the following five capital categories:

- *“Well Capitalized”* — Total risk-based capital ratio of 10.0 percent, Tier 1 risk-based capital ratio of 6.0 percent, and leverage capital ratio of 5.0 percent, and not subject to any order or written directive by any regulatory authority to meet and maintain a specific capital level for any capital measure;
- *“Adequately Capitalized”* — Total risk-based capital ratio of 8.0 percent, Tier 1 risk-based capital ratio of 4.0 percent, and leverage capital ratio of 4.0 percent (or 3.0 percent if the institution receives the highest rating from its primary regulator);
- *“Undercapitalized”* — Total risk-based capital ratio of less than 8.0 percent, Tier 1 risk-based capital ratio of less than 4.0 percent, or leverage capital ratio of less than 4.0 percent (or 3.0 percent if the institution receives the highest rating from its primary regulator);
- *“Significantly Undercapitalized”* — Total risk-based capital ratio of less than 6.0 percent, Tier 1 risk-based capital ratio of less than 3.0 percent, or leverage capital ratio of less than 3.0 percent; and
- *“Critically Undercapitalized”* — Tangible equity to total assets of less than 2.0 percent.

A bank may be treated as though it were in the next lower capital category if, after notice and the opportunity for a hearing, the appropriate federal agency finds an unsafe or unsound condition or practice so warrants, but no bank may be treated as “critically undercapitalized” unless its actual capital ratio warrants such treatment.

As of March 31, 2010, Hanmi Bank’s total risk-based capital ratio was below the minimum regulatory requirement and placed Hanmi Bank within the definition of “undercapitalized” under the regulatory framework for prompt corrective action. If a state member bank, like Hanmi Bank, is classified as undercapitalized, the bank is required to submit a capital restoration plan to the Federal Reserve which must be guaranteed by its parent holding company up to certain limits. Pursuant to the Federal Deposit Insurance Corporation Improvement Act (FDICIA), an undercapitalized bank is prohibited from increasing its assets, engaging in a new line of business, acquiring any interest in any company or insured depository institution, or opening or acquiring a new branch office, except under certain circumstances, including the acceptance by the Federal Reserve of a capital restoration plan for the bank.

If a bank is classified as significantly undercapitalized, or an undercapitalized bank fails to submit and implement an acceptable capital restoration plan, the Federal Reserve would be required to take one or more prompt corrective actions. These actions would include, among other things, requiring sales of new securities to bolster capital; improvements in management; limits on interest rates paid; prohibitions on transactions with affiliates; termination of certain risky activities and restrictions on compensation paid to executive officers. These actions may also be taken by the Federal Reserve at any time at its discretion on an undercapitalized bank if it determines those restrictions are necessary. If a bank is classified as critically undercapitalized, in addition to the foregoing restrictions, FDICIA and Federal Reserve implementing regulation prohibits payment on any subordinated debt and requires the bank to be placed into conservatorship or receivership within 90 days, unless the Federal Reserve determines that other action would better achieve the purposes of FDICIA regarding prompt corrective action with respect to undercapitalized banks.

Although we currently have enough authorized shares to complete the registered rights and best efforts offering as presently structured (exclusive of the sale of shares to Woori), we cannot provide any assurance regarding how many, if any, shares will be subscribed for in those offerings. In addition, even if the registered rights and best efforts offering is fully subscribed for, we believe that we will also need to complete the contemplated transaction with Woori to provide us with sufficient capital resources for us to satisfy our regulators, support our operations and continue as a going concern. See the discussions regarding Proposal 2 and 3 below.

PROPOSAL NO. 2 — INCREASE AUTHORIZED SHARES OF COMMON STOCK

Our Board has adopted a resolution recommending that our stockholders approve an amendment to our Certificate of Incorporation to increase the number of authorized shares of common stock from 200 million shares to 500 million shares (and, correspondingly, to increase the total number of authorized shares of all classes of stock from 210 million shares to 510 million shares).

If the stockholders approve the amendment, the first paragraph of Article IV of our Certificate of Incorporation will be amended to increase the number of authorized shares of all classes of stock and of common stock as described above. The increase will become effective on the filing of the amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware. The text of the relevant section of the Certificate of Incorporation as proposed to be amended is set forth below.

The Corporation is authorized to issue two classes of stock, designated, respectively, Common Stock and Preferred Stock. The aggregate number of shares of all classes of capital stock which the Corporation shall have authority to issue is five hundred ten million (510,000,000) shares, of which five hundred million (500,000,000) shares shall be Common Stock, with par value of \$.001 per share, and ten million (10,000,000) of which shall be Preferred Stock, with par value of \$.001 per share, issuable in one or more series.

The primary purpose of Proposal 2 is to satisfy our obligations under the securities purchase agreement with Woori in connection with the sale and issuance of common stock and complete the stock offerings. Under the securities purchase agreement, we have agreed to issue to Woori a minimum of 175,000,000 shares of common stock and a maximum of 200,000,000 shares of common stock. In addition, we may sell up to 100,000,000 shares of common stock in the registered rights and best efforts offering. In the aggregate, we could issue up to a maximum of 300,000,000 shares of our common stock in the stock offerings.

As of June 14, 2010, the record date, 51,198,390 shares of our common stock were issued and outstanding. An additional 1,121,115 shares of common stock were reserved for issuance upon exercise of outstanding stock options and 1,661,018 shares remain available for future awards under our stock incentive plans.

We currently do not have a sufficient number of authorized shares of common stock to consummate the transactions contemplated by the securities purchase agreement with Woori and the stock offerings in the aggregate; therefore approval of Proposal 2 is required to complete the sale of common stock in the stock offerings.

The proposed authorized number of 500,000,000 of common stock is greater than the sum of our outstanding shares and shares currently reserved for issuance and the number of shares of our common stock that would be required to consummate the stock offerings. The additional shares authorized for issuance will provide us with the flexibility to issue, without stockholder approval, additional shares from time to time as our Board may determine for future financings and capital raises, acquisitions, strategic business relationships, stock-based incentives to employees, directors and consultants and for other purposes. We cannot provide assurances that any such future transactions (i) will be consummated on favorable terms or at all, (ii) will enhance stockholder value or (iii) will not adversely affect our business or the trading price of its common stock. Any such transactions may require us to incur non-recurring or other charges and may pose significant integration challenges or management and business disruptions, any of which could materially and adversely affect our business and financial results.

While we have not proposed the increase in the authorized number of shares with the intention of using the additional shares for anti-takeover purposes, except with respect to the transaction contemplated with Woori, we could theoretically use the additional shares to make more difficult or to discourage an attempt to acquire subsequent control of us because the issuance of such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of us. For example, without further stockholder approval, our Board of Directors could sell shares of common stock in a private transaction to purchasers who would oppose a takeover or favor the current Board of Directors. Although this proposal to increase the authorized number of shares of common stock has been prompted by the considerations described above and not by the threat of any known or threatened hostile takeover attempt or any effort to accumulate our common stock or to obtain control of us of which we are aware aside from Woori, stockholders should be aware that approval of this proposal could facilitate future

efforts by to oppose changes in control and perpetuate our management, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices.

As of the date of this document, other than the issuance and sale of shares pursuant to the stock offerings, warrants we may issue as compensation to our advisors in connection with the stock offerings, awards issuable upon the exercise of outstanding options, restricted stock grants and other outstanding and future awards under our current equity incentive plans, our Board has no agreement, arrangement or intention to issue any of the shares for which approval is sought. Current stockholders have no preemptive or similar rights, which means that current stockholders do not have a prior right to purchase any newly issued common stock in order to maintain their proportionate ownership thereof.

Our authorized capital stock includes 10,000,000 shares of preferred stock, par value \$0.001 per share. As of the record date, no shares of our preferred stock have been issued or are outstanding. Our Certificate of Incorporation authorizes our Board to, without stockholder approval, adopt resolutions providing for the issuance of preferred stock in such classes or series, with such voting powers, conversion features, designations, preferences, rights, qualifications, limitations and restrictions of each class or series of preferred stock as may be determined by our Board of Directors, any of which may be senior to our common stock. If we offer shares of preferred stock in the future, we will fix the designations, voting powers, preferences and rights of the preferred stock of each series, as well as the qualifications, limitations or restrictions thereof, in the certificate of designation relating to that series.

Other than with respect to Proposals 2 and 3, our Board does not intend to solicit further stockholder approval prior to the issuance of any additional shares of common stock, except as may be required by applicable law, rules of the Nasdaq or other applicable stock exchange requirements.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION.

PROPOSAL NO. 3

APPROVE THE ISSUANCE OF SHARES OF COMMON STOCK TO WOORI

Our Board adopted a resolution recommending that the stockholders approve the issuance of shares of our common stock in connection with the transactions contemplated by the securities purchase agreement with Woori, including the issuance up to 200 million shares of our common stock to Woori whereby Woori would own a majority of our outstanding common stock, for purposes of Rule 5635 of the Nasdaq Listing Rules. If Woori acquires 175 million shares of our common stock (and does not exercise its option) and we are able to sell the maximum of 100 million shares of our common stock in the registered rights and best efforts offering, Woori will own approximately 54% of our outstanding common stock following consummation of the transactions contemplated by the securities purchase agreement. If Woori acquires 200 million shares of our common stock (by exercising its option) and we are not able to sell any shares of our common stock in the registered rights and best efforts offering, Woori will own approximately 80% of our outstanding common stock following consummation of the transactions contemplated by the securities purchase agreement. Depending on how many shares of our common stock Woori purchases and how many shares of our common stock are sold in the registered rights and best efforts offering, if the transactions contemplated by the securities purchase agreement with Woori are completed Woori will own anywhere between approximately 54% and 80% of our outstanding common stock.

Because our common stock is listed on the Nasdaq Global Select Market, we are subject to the Nasdaq's rules and regulations. Nasdaq Listing Rule 5635(b) and (d), requires stockholder approval prior to (i) the issuance of common stock, or securities convertible into or exercisable for common stock, equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book value or market value of the stock and (ii) when the issuance of securities would result in a change in control.

Our proposed issuance of common stock to Woori falls under this rule because (i) the common stock issuable to Woori will exceed 20% of the voting power and number of shares of common stock outstanding before the securities purchase agreement with Woori is consummated and qualifies as a discounted issuance as the price per share of common stock since the purchase price of \$1.20 per share is below both the book value and market value of our

common stock and (ii) Woori will own a majority of our common stock following the transactions contemplated by the securities purchase agreement. **We can provide no assurance that we will be able to complete the transaction with Woori as we have currently contemplated or at all.**

If we consummate the transactions with Woori, we will issue to them a minimum of 175,000,000 shares and a maximum of 200,000,000 shares of our common stock (in addition to the 51,198,390 shares of common stock currently outstanding as of the record date). None of our stockholders will have the ability to maintain their proportional ownership of our common stock in connection with the shares being sold to Woori. As a result, we expect there to be a significant dilutive effect on both the earnings per share of our common stock and the book value per share of our common stock. In addition, our existing stockholders will incur substantial dilution to their voting interests and will own a smaller percentage of our outstanding capital stock following completion of the stock offerings.

If the transactions with Woori are consummated, Woori will control us as it will own in excess of 50% of our outstanding common stock. As a result, and subject to compliance with applicable law and our charter documents, Woori will have voting control of us, and will be able to (i) elect all of the members of our Board of Directors; (ii) adopt amendments to our charter documents; (iii) subject to the limitations set forth in the securities purchase agreement regarding a cash-out merger, control the vote on any merger, sale of assets or other fundamental corporate transaction of Hanmi Financial or Hanmi Bank or the issuance of additional equity securities or incurrence of debt, in each case without the approval of our other stockholders. It will also be impossible for a third party, other than Woori, to obtain control of us through purchases of our common stock not beneficially owned or controlled by Woori, which could have a negative impact on our stock price.

Woori would also then have the ability to sell large amounts of shares of our common stock by causing us to file a registration statement that would allow it to sell shares more easily. In addition, Woori could sell shares of our common stock without registration under certain circumstances, such as in a private transaction. Although we can make no prediction as to the effect, if any, that such sales would have on the market price of our common stock, sales of substantial amounts of our common stock, or the perception that such sales could occur, could adversely affect the market price of our common stock. If Woori were to sell or transfer shares of our common stock as a block, another person or entity could become our controlling stockholder, subject to any required regulatory approvals.

Our common stock is currently listed on the Nasdaq. The Nasdaq generally requires a majority of directors to be independent and requires independent director oversight over the nominating and executive compensation functions. However, under the rules applicable to the Nasdaq, if another company owns more than 50% of the voting power of a listed company, that company is considered a "controlled company" and exempt from rules relating to independence of our Board of directors and the compensation and nominating committees. If the transaction with Woori is completed, we will be a controlled company because Woori will beneficially own more than 50% of our outstanding common stock. Accordingly, we would be exempt from certain corporate governance requirements and our stockholders may not have all the protections that these corporate governance rules are intended to provide.

Woori is also subject to regulatory oversight, review and supervisory action (which can include fines or penalties) by Korean banking authorities and U.S. regulatory authorities as a result of its indirect controlling interest in Woori America Bank headquartered in New York. Our business operations and expansion plans could be negatively affected by regulatory concerns or supervisory action in the U.S. and in Korea against Woori and its affiliates. The views of Woori regarding possible new businesses, strategies, acquisitions, divestitures or other initiatives, including compliance and risk management processes, may differ from ours. Additionally, Woori America Bank has branches in California and competes with Hanmi Bank for customers. Woori may take actions with respect to Woori America Bank's business in California or elsewhere that could be disadvantageous to Hanmi Bank and to stockholders of Hanmi Financial other than Woori. If the transactions with Woori are consummated, this may delay or hinder us from pursuing individual initiatives or cause us to incur additional costs and subject us to additional oversight. Also, to the extent any directors or officers or employees serve us and Woori at the same time that could create or appear to create potential conflicts of interest.

A failure to approve Proposal 3 at the annual meeting would have potentially adverse consequences for us and our stockholders described elsewhere in this document, including under "*Consequences If Either of the Capital Raising Stockholder Proposals Is Not Approved.*"

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE PROPOSED ISSUANCE OF SHARES OF COMMON STOCK TO WOORI.**PROPOSAL NO. 4 — RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

We are asking stockholders to ratify the appointment by our Audit Committee of KPMG LLP (“KPMG”) as our independent registered public accounting firm for the fiscal year ending December 31, 2010. KPMG served as our independent registered public accounting firm for the fiscal year ended December 31, 2009 and has served as our independent registered public accounting firm since 2001. KPMG has advised us that KPMG has no direct or indirect financial interest in us. Representatives of KPMG are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions. If this proposal is not approved at the annual meeting, our Audit Committee will reconsider this appointment. Under applicable SEC regulations, the selection of the independent auditors is solely the responsibility of the Audit Committee.

The following table sets forth information regarding the aggregate fees billed for professional services rendered by KPMG for the fiscal years ended December 31, 2009 and 2008:

	<u>2009</u>	<u>2008</u>
Audit Fees(1)	\$ 600,000	\$ 575,000
Audit-Related Fees(2)	19,326	28,996
Tax Fees(3)	54,000	65,000
All Other Fees	—	—
	<u>\$ 673,326</u>	<u>\$ 668,996</u>

(1) Includes fees billed for the integrated audit of our annual financial statements and internal control over financial reporting, for the reviews of the financial statements included in our *Quarterly Reports on Form 10-Q*, and for compliance with the *Federal Deposit Insurance Corporation Improvement Act*.

(2) Includes fees billed for professional services rendered in connection with reviews of registration statements.

(3) Includes fees billed for professional services rendered in connection with tax compliance, tax advice, and tax planning.

There were no other fees billed by KPMG for advice or services rendered to us other than as described above.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established “Pre-Approval Policies and Procedures” for independent auditor services. Any proposed services not pre-approved or exceeding pre-approved cost levels require specific pre-approval by the Audit Committee. The Audit Committee may not delegate to management its responsibilities to pre-approve services performed by the independent auditors.

The Audit Committee may delegate pre-approval authority to one or more of its members. In 2008 and 2009, the Audit Committee Chairman was permitted to approve fees up to \$25,000 with the requirement that any pre-approval decisions be reported to the Audit Committee at its next scheduled meeting. The only non-audit service provided by the independent auditors was the preparation of our income tax return, which was 8.0 percent and 9.7 percent of the aggregate fees billed by KPMG for the fiscal years ended December 31, 2009 and 2008, respectively. The Audit Committee pre-approved this work and the related fees.

Ratification

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of KPMG as the Company’s independent registered public accounting firm. However, we are submitting the selection of KPMG to the stockholders for ratification to obtain our stockholders views. If the stockholders fail to ratify the selection of KPMG, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is

ratified, the Audit Committee of our Board of directors in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee of our Board of directors determines that such a change would be in our best interests and the best interests of our stockholders.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE
“FOR” RATIFICATION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**PROPOSAL NO. 5 — APPROVE THE ADJOURNMENT OF THE ANNUAL MEETING,
IF NECESSARY OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES**

If there are insufficient votes at the time of the annual meeting to adopt Proposals 1 through 4 or if a quorum is not present, our Board seeks to, if necessary or appropriate, adjourn the annual meeting to solicit additional proxies. If it is necessary to adjourn the annual meeting, no notice of the adjourned meeting is required to be given to stockholders, other than an announcement at the annual meeting of the time and place to which the annual meeting is adjourned, so long as the meeting is adjourned for 45 days or less and no new record date is fixed for the adjourned meeting. At the adjourned meeting we may transact any business which might have been transacted at the original meeting. Approval of the proposal to adjourn the annual meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority of the stock represented at the annual meeting in person or by proxy, whether or not a quorum exists.

A failure to approve Proposal 5 would have potentially adverse consequences for us and our stockholders if, as a consequence, Proposal 2 or 3 is not approved. Please refer to “*Consequences If Either of the Capital Raising Stockholder Proposals Is Not Approved*” above.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE
“FOR” THE ADJOURNMENT OF THE ANNUAL MEETING, IF NECESSARY OR APPROPRIATE,
TO SOLICIT ADDITIONAL PROXIES.**

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. These principles are essential to running our business efficiently and to maintaining our integrity in the marketplace. We have adopted formal Corporate Governance Guidelines to explain our corporate governance principles to investors. We have adopted a Code of Business Conduct and Ethics for Employees and Officers as well as for Directors. These Corporate Governance Guidelines, as well as our Code of Business Conduct and Ethics and other governance matters of interest to investors, are available through our website at www.hanmi.com by clicking on Investor Relations and then Corporate Governance.

Director Independence

Our Board of Directors has determined that all of its Directors are independent under the applicable listing standards of The Nasdaq Stock Market, Inc., except for Jay S. Yoo, who also serves as the President and Chief Executive Officer of Hanmi Financial.

Our Board of Directors and Its Committees

During the fiscal year ended December 31, 2009, our Board of Directors held thirty-four (34) meetings. No Director attended fewer than eighty-seven (87%) of the aggregate number of meetings of our Board of Directors and the committees on which he served. Our policy is to encourage all Directors to attend all annual meetings of stockholders. Our 2009 annual meeting of stockholders was attended by all Directors.

Our Board of Directors has a process for stockholders to send communications directly to our Board of Directors. Our stockholders and interested parties may send communications to our Board of Directors by writing to our Board of Directors at Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010, Attention: Board of Directors. All such communications will be relayed directly to our Board of Directors. Any interested party wishing to communicate directly with our independent Directors regarding any

matter may send such communication in writing to our independent Directors at Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010, Attention: Chairman of our Board. Any interested party wishing to communicate directly with the Audit Committee regarding any matter, including any accounting, internal accounting controls, or auditing matter, may submit such communication in writing to Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010, Attention: Chairman of the Audit Committee.

Any of the submissions may be anonymous and/or confidential. Confidentiality is a priority, and all reports will be treated confidentially to the fullest extent possible. Stockholders may communicate to our Board of Directors on an anonymous basis. Submissions of complaints or concerns will not be traced and submissions may be made anonymously. For submissions that are not anonymous, the sender may be contacted in order to confirm information or to obtain additional information.

Our Board of Directors had three standing committees: the Audit Committee; the Nominating and Corporate Governance and Compensation Committee; and the Planning Committee. Each committee is governed by a charter, all of which are available through our website at www.hanmi.com by clicking on Investor Relations and then Corporate Governance.

Audit Committee

The Audit Committee appoints an independent registered public accounting firm to conduct the annual audit of our books and records. The Audit Committee also reviews with such accounting firm the scope and results of the annual audit, the performance by such accounting firm of professional services in addition to those related to the annual audit, and the adequacy of our internal controls. The current members of our Audit Committee are John A. Hall, Paul Seon-Hong Kim, Joon Hyung Lee, Joseph K. Rho and William Stolte, with Mr. Hall serving as its Chairman. Each member is an outside (or non-employee) Director and meets the independence requirements of the Securities and Exchange Commission ("SEC") and Nasdaq. Mr. Hall, Mr. Kim, and Mr. Stolte are each "audit committee financial experts" within the meaning of the current rules of the SEC. The Audit Committee held eleven (11) meetings during the fiscal year ended December 31, 2009. See "*Report of the Audit Committee of our Board of Directors.*"

REPORT OF THE AUDIT COMMITTEE OF OUR BOARD OF DIRECTORS

Our Board of Directors maintains an Audit Committee composed of a minimum of three (3) outside Directors. Our Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies Rule 4350(d)(2)(A) of Nasdaq, which governs audit committee composition, because all Audit Committee members are "independent directors."

The primary responsibility of the Audit Committee is to assist our Board of Directors in fulfilling its responsibility to oversee management's conduct of our financial reporting process, including: overseeing the integrity of the financial reports and other financial information provided to governmental or regulatory bodies (such as the SEC), the public, and other users thereof; our systems of internal accounting and financial controls; and the annual independent audit of our financial statements.

Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for auditing the financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the 2009 audited financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed in accordance with Statement of Auditing Standards No. 61. This included a discussion of the auditors' judgments as to the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, the disclosures in the financial statements, and any other matters that are required to be discussed with the Audit Committee under Public Company Accounting Oversight Board standards. In addition, the Audit Committee received from the independent auditors written disclosures and the letter required

by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communication with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent auditors the independent auditors' independence.

In addition, in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations, management assessed the effectiveness of our internal control over financial reporting as of December 31, 2009. Management based this assessment on criteria for effective internal control over financial reporting described in *Internal Control-Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Management's assessment included an evaluation of the design of our internal control over financial reporting and testing of the operational effectiveness of its internal control over financial reporting. At the conclusion of management's assessment, the Audit Committee reviewed a report submitted by management on the effectiveness of our internal control over financial reporting.

The Audit Committee discussed with our independent auditors the overall scope and plans for their audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their audits and their evaluations of our internal controls and the overall quality of our financial reporting. The Audit Committee also discussed the independence of the independent auditors and concluded that their services provided to Hanmi Financial, including their tax and non-audit related work, were compatible with maintaining their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors, and our Board of Directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 for filing with the SEC.

Respectfully submitted by the Audit
Committee of the Board of Directors,

John A. Hall (Chairman)
Paul Seon-Hong Kim
Joon Hyung Lee
Joseph K. Rho
William Stolte

Planning Committee

The Planning Committee recommends planning policy, new lines of business, capital and financial plans, and dividend plans to our Board of Directors, and monitors our planning activities and our performance against our plans and budget. The current members of our Planning Committee are William Stolte, I Joon Ahn, Paul Seon-Hong Kim, Joseph K. Rho, and Jay S. Yoo, with Mr. Ahn serving as its Chairman. During 2009, the members of the Planning Committee were I Joon Ahn, Joon Hyung Lee, Joseph K. Rho, William Stolte, and Jay S. Yoo, with Mr. Stolte serving as its Chairman. Each member is an outside Director, except for Mr. Yoo, and meets the independence requirements of the SEC and Nasdaq. The Planning Committee held eighteen (18) meetings during the fiscal year ended December 31, 2009.

Nominating and Corporate Governance and Compensation Committee

The Nominating and Corporate Governance and Compensation Committee ("NCGC Committee") assists our Board of Directors by: identifying individuals qualified to become Directors; recommends to our Board of Directors the Director nominees for our Board of Directors and Board committees for the next annual meeting; develops, recommends, and implements a set of corporate governance principles applicable to Hanmi Financial; and monitors the process to determine the effectiveness of our Board of Directors and its committees.

The NCGC Committee believes that our Board of Directors as a whole should encompass a range of talent, skill, diversity, and expertise enabling it to provide sound guidance with respect to our operations and interests. In

addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of our Board of Directors and the evolving needs of our business.

The NCGC Committee seeks directors with strong reputations and experience in areas relevant to the strategy and operations of our business, particularly industries and growth segments that we serve, such as the banking and financial services industry, as well as key geographic markets where we operate. Each of the of our current Directors holds or has held senior executive positions in large, complex organizations and has operating experience that meets this objective. In these positions, they have also gained experience in core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management, and leadership development.

The NCGC also believes that each of the current Directors has other key attributes that are important to an effective board: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity or origin, background, experience, and thought; and the commitment to devote significant time and energy to service on our Board of Directors.

The NCGC annually reviews the individual skills and characteristics of the Directors, as well as the composition of our Board as a whole. This assessment includes a consideration of independence, diversity, age, skills, expertise, time availability, and industry background in the context of the needs of our Board of Directors and Hanmi Financial. Although we have no policy regarding diversity, the NCGC Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (industry, professional, public service) of Directors and prospective nominees to our Board of Directors.

Recommendations by any stockholder for Director nominees must be submitted in writing to the Chairman of the NCGC Committee at our principal executive offices, no later than the last business day of January of the year that our next annual meeting will be held, to be considered at such annual meeting. Stockholders shall include in such recommendation:

- The name, age, and address of each proposed Director nominee;
- The principal occupation of each proposed nominee;
- The number of shares of our voting stock owned by each proposed nominee;
- The name and address of the nominating stockholder;
- The number of shares of our voting stock owned by the nominating stockholder; and
- A letter from the proposed nominee indicating that such proposed nominee wishes to be considered as a nominee for our Board of Directors and will serve as a Director if elected.

In addition, each recommendation must set forth, in detail, the reasons why the nominating stockholder believes the proposed nominee meets the following general qualifications, which are the same qualifications used by the NCGC Committee in evaluating nominees:

- Nominees must possess high personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our stockholders;
- Nominees must have an inquisitive and objective perspective, practical wisdom, and mature judgment;
- Nominees must possess a broad range of skills, expertise, industry knowledge, and contacts useful to our business;
- Nominees must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on our Board of Directors for an extended period of time;
- Pursuant to the Corporate Governance Guidelines, nominees, once elected, should not serve on our Boards of directors of more than two other public companies and, unless granted an exception by our Board of Directors, nominees cannot serve simultaneously as a Director of Hanmi Financial and as a director or officer of any other depository organization other than a subsidiary bank of Hanmi Financial; and

- Pursuant to the Corporate Governance Guidelines, nominees are encouraged to own shares of common stock of Hanmi Financial at a level that demonstrates a meaningful commitment to Hanmi Bank and Hanmi Financial, and to better align the nominee's interests with the stockholders of Hanmi Financial.

In identifying and evaluating Director candidates, the NCGC Committee will solicit and receive recommendations, and review qualifications of potential Director candidates. The NCGC Committee also may use search firms to identify Director candidates. To enable the NCGC Committee to effectively evaluate Director candidates, the NCGC Committee also may conduct appropriate inquiries into the backgrounds and qualifications of Director candidates, including reference checks. As stated above, the NCGC Committee will consider Director candidates recommended by stockholders utilizing the same criteria as candidates identified by the NCGC Committee.

Additionally, the NCGC Committee is responsible for determining the compensation of all of our executive officers, including our Chief Executive Officer, as well as administering our compensation plans. The NCGC Committee has the authority to delegate such decisions to subcommittees of the NCGC Committee. The NCGC Committee also is authorized to retain outside consultants to assist it in determining executive officer compensation.

The members of the NCGC Committee are Joon Hyung Lee, I Joon Ahn, John Hall, Paul Seon-Hong Kim, and Joseph K. Rho, with Mr. Lee serving as its Chairman. The NCGC Committee held fourteen (14) meetings from January to December 2009. See "*The NCGC Committee Report.*" For a discussion of the role of executive officers in determining compensation, see "*Executive Compensation — Methodology for Establishing Compensation.*"

Leadership Structure

Our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of our Board as our Board believes it is in our best interests to make that determination based on the position and direction of Hanmi Financial and the membership of our Board of Directors. Our Board of Directors has determined that having an independent director serve as Chairman of our Board is in the best interest of our stockholders at this time. This structure ensures a greater role for the independent Directors in the oversight of our company and active participation of the independent Directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the company's day-to-day operations.

Risk Oversight

We have a risk management program overseen by Jean Lim, the Chief Risk Officer of Hanmi Bank, who reports directly to Hanmi Bank's Chief Executive Officer. Material risks are identified and prioritized by management, and each prioritized task is referred to a Board committee or the full Board of Directors for oversight. For example, strategic risks are referred to the full Board of Directors while financial risks are referred to the Audit Committee. Our Board of Directors regularly reviews information regarding our credit, liquidity, and operations, as well as the risks associated with each, and annually reviews our risk management program as a whole. Also, the NCGC periodically reviews the most important risks to us to ensure that compensation programs do not encourage excessive risk-taking.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Exchange Act, our Directors, executive officers, and any persons holding ten percent (10%) or more of our common stock are required to report their ownership of common stock and any changes in that ownership to the SEC and to furnish Hanmi Financial with copies of such reports. Specific due dates for these reports have been established, and Hanmi Financial is required to report in this Annual Report of Form 10-K/A any failure to file on a timely basis by such persons. Based solely upon a review of copies of reports filed with the SEC during the fiscal year ended December 31, 2009, Hanmi Financial believes that all persons subject to the reporting requirements of Section 16(a) filed all required reports on a timely basis.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis (“CD&A”) describes our compensation philosophy, methodologies and our current practices with respect to the remuneration programs for the individuals listed in the Summary Compensation Table (the “Named Executive Officers”). The compensation programs of our Named Executive Officers are established, evaluated and maintained by the Nominating and Corporate Governance and Compensation Committee (“NCGC”) of our Board of Directors. The NCGC is comprised entirely of outside Directors that satisfy the Nasdaq listing requirements and relevant Internal Revenue Code and SEC regulations on independence.

Compensation Philosophy and Objectives

The objectives of our compensation programs, including those of its banking subsidiary, Hanmi Bank, is to attract and retain executive officers of high caliber and quality, and to appropriately reward them for achievements towards promoting and furthering the business objectives and performance, both for the short term and the long term. The compensation programs of our Named Executive Officers are designed to provide incentive for good performance without inducing them to take excessive risk. Another objective is to encourage on-going and continued performance by offering long-term incentives, such as stock options, that align executive and stockholders’ interest. In the end, the overriding goal is to maintain and promote stockholder value.

Methodology for Establishing Compensation

To assist the NCGC Committee in its development of the compensation programs for the Named Executive Officers, our Human Resources Department gathers data from competing financial institutions, through review of public information, such as proxy statements and salary surveys. In addition to the market data gathered by the Human Resources Department, the NCGC Committee also reviews and considers the Chief Executive Officer’s (the “CEO”) compensation recommendations.

The survey data provides a broader representation of the compensation practices in the banking industry. This data is used as reference point of the broader market. In establishing the target compensation levels for the Named Executive Officers, the NCGC Committee relied upon benchmark data from a peer group of three directly competing banks in the Los Angeles Korean American community and two other additional Los Angeles banks (the “Peer Group”), as well as the salary survey provided by the California Department of Financial Institutions. The banks included in the Peer Group consisted of the following:

- Cathay Bancorp, Los Angeles, California
- Center Bank, Los Angeles, California
- First Regional Bancorp, Los Angeles, California
- Nara Bank, Los Angeles, California
- Wilshire State Bank, Los Angeles, California

The Peer Group was selected to include banks comparable in size and the geography to that served by us. Due to the rapidly changing economic conditions and turbulence in the financial industry, few financial institutions fit this criteria. Therefore, NCGC Committee limited the Peer Group to the above five financial institutions.

Our NCGC Committee aims to target our Named Executive Officers’ compensation package to be between 50th and 75th percentile of the market and the Peer-Group data is used to provide an indication of market pay practices for this purpose and to effectively provide data for subjective review and confirmation of the reasonableness of the compensation paid to our Named Executive Officers. The Peer-Group data, in addition to the broader survey data, also provides the NCGC Committee with current information concerning market pay practices with respect to the pay composition among base salaries, annual bonuses and long-term incentives.

Although the decisions regarding the compensation levels are based on the information provided from review of the Peer-Group data, the NCGC Committee also takes into account the prevailing economic environment and the current financial condition of Hanmi Financial. The objective is to establish compensation programs that are motivating but affordable, with the purpose of aligning the interests of our Named Executive Officers with that of our stockholders.

Elements of the Compensation Program

The following describes the various components of the compensation mix that Hanmi Financial provides to the Named Executive Officers, the objectives of each pay component, and how each component is used to create a total competitive compensation package.

The NCGC Committee provides the Named Executive Officers with a compensation package that includes annual base salary, short-term cash incentive compensation, long-term incentive awards, deferred compensation, executive perquisites, and a broad-based benefits program.

Annual Base Salary

Annual base salaries are the fixed portion of the Named Executive Officers' cash compensation and are intended to reward the day-to-day aspects of their roles and responsibilities. The Named Executive Officers' annual salaries were set at the time they first joined Hanmi Bank. The initial salaries were established by taking into account several factors including, but not limited to, the executive's experience, responsibilities, management abilities, and job performance. Hanmi Financial targets base salaries for its Named Executive Officers at market median. The NCGC Committee believes that the fiscal year 2009 base salaries of our Named Executive Officers are competitive with companies of similar size. Pay adjustments are generally made annually, after reviewing overall company performance, individual performance and the affordability of the increase. In the past year, there were no salary adjustments. The CEO's annual adjustment to base salary is incorporated in the Employment Agreement. The CEO is the only Named Executive Officer who has an Employment Agreement with Hanmi. All other Named Executive Officers are employed at-will.

Short-Term Cash Incentive Compensation

In accordance with our compensation philosophy, a significant portion of the Named Executive Officers' compensation packages is based on individual performance and our performance. For each Named Executive Officer, target bonuses are stated as a percentage of base salary. The annual bonus payable to the CEO is capped at 75% of his base salary. The annual bonuses payable to the other Named Executive Officers are capped at 50% of base salary. In evaluating the short-term performance of Hanmi Financial, both financial and non-financial goals are utilized. The financial goals include return on average assets, pre-tax earnings, average deposit growth, and earning per share growth. The non-financial goals include leadership and management qualities, Board of Director relations, external relations, employee relations, and certain knowledge and skills specific to daily operations.

The NCGC Committee reviews performance against agreed upon financial goals on an annual basis to determine the short-term cash incentive compensation. In 2009, financial performance was measured against Asset Quality, Liquidity, Capital Adequacy, Earnings and Balance Sheet Deleveraging, weighted differently between the various components and also between executives. There is also a qualitative factor assessing Leadership and Capability for each of the Named Executive Officers. The NCGC Committee established no other performance goals for determining the short-term cash incentive compensation and no performance-based, short-term cash incentive compensation was paid for the Named Executive Officers in 2009. In 2009, Hanmi Bank continued to experience challenging economic conditions that adversely effected Hanmi Bank's performance; however, it is important and necessary to recognize the contribution and leadership of our Named Executive Officers in this turbulent economy. The individual performance of each Named Executive Officer is discussed below.

Long-Term Incentive Awards

Long-term incentive awards, such as stock options and restricted stock, are the third key component of the Named Executive Officers' total compensation package. The members of the NCGC Committee believe that

employee stock ownership is a significant incentive for the Named Executive Officers to build stockholder wealth, and thereby aligning the interests of employees and stockholders. The members of the NCGC Committee also believe that equity-based compensation complements the short-term cash incentive compensation by forcing executives to recognize the impact their short-term decisions might have on long-term outcomes. This compensation approach limits an executive's ability to reap short-term gains at the expense of our longevity. This is also an important tool in retaining Named Executive Officers, particularly through less rewarding years.

Long-term incentive awards are granted to the Named Executive Officers pursuant to the 2007 Equity Compensation Plan (the "2007 Plan"). The NCGC Committee has not established grant guidelines; rather, the size, timing, and other material terms of the long-term incentive awards for the Named Executive Officers are made at the discretion of our Board of Directors and the NCGC Committee. Factors considered by the NCGC Committee and our Board of Directors include awards to industry peers and each executive's previous grant history. In April 2009, in accordance with the Management Retention Program, developed partly in response to regulatory requirements, stock options and stock grants were awarded to the Named Executive Officers and other senior managers, as part of Hanmi's Management Retention Plan. Stock Options and restricted stock grants awarded are included in the Summary Compensation Table.

The NCGC Committee approves all awards under the 2007 Plan and acts as the administrator of the 2007 Plan. Stock options granted under the 2007 Plan generally vest over a five-year period, with 20 percent becoming exercisable (vesting) on each anniversary of the grant date. In connection with the negotiation of Mr. Yoo's original 2008 employment agreement, his stock options fully vest two years after initial grant. All stock options are granted with a ten-year exercise term and have an exercise price equal to the fair market value of our common stock on the grant date. Restricted stock granted under the 2007 Plan generally vests over a five-year period, with 20 percent becoming unrestricted on each anniversary of the grant date.

Deferred Compensation

Under our Deferred Compensation Plan ("DCP"), the Named Executive Officers may defer up to 100 percent (100%) of their base salary and up to 100 percent (100%) of their short-term cash incentive compensation. The amounts deferred under the DCP are payable upon termination or retirement under the distribution schedule elected by the participant. Taxes are due upon distribution. The DCP is not exclusive to only the Named Executive Officers; all senior management employees are eligible to participate in the DCP.

The DCP is intended to comply, both in form and operation, with the requirements of Internal Revenue Code Section 409A and shall be limited, construed, and interpreted in accordance with such intent. To the extent that any payment under the DCP is subject Section 409A, it is intended that it be paid in a manner that shall comply with Section 409A, including the final regulations or any other applicable guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. In 2009, no Named Executive Officers participated in the DCP.

Executive Perquisites

The Named Executive Officers and other senior management employees receive the following benefits in addition to their other compensation: gasoline card; cellular phone allowance; and automobile allowance. Chief Executive Officer, Jay S. Yoo, also received a membership in Mountain-Gate Country Club. These additional benefits and benefit levels of the Named Executive Officers are detailed in the Summary Compensation Table.

Broad-Based Benefits Programs

The Named Executive Officers participate in the benefit programs that are available to all full-time employees. These benefits include health, dental, vision, and life insurance, short-and long-term disability insurance, healthcare reimbursement accounts, paid vacation, and contributions to a 401(k) profit sharing retirement plan.

Change in Control Arrangements

The CEO's Employment Agreement contains a provision for severance pay of a period of six (6) months or the remainder of his employment contract, whichever is less, in case of his involuntary termination of employment without cause. This provision also would apply should there be termination following a change in control. The Chief Financial Officer and Chief Credit Officer's change-in-control arrangements are described under the heading "*Interests of Certain Persons in the Capital Raising Stockholder Proposals.*"

Compensation Policy Risk Assessment

The NCGC Committee reviews the compensation of the Named Executive Officers, as well as the overall compensation practices for the organization. Any performance incentive programs, awarding of bonus payments, and the budgeting for annual salary adjustments are reviewed and approved by the NCGC Committee before being presented to the full Board of Directors for ratification. An important aspect of the review is an assessment of whether the programs in any way encourage the Named Executive Officers or any other employee of Hanmi Financial to take unacceptable risk, in the short term and for the long term.

In 2009, the Officers' Incentive Compensation Program was suspended and bonuses, usually paid in July and December, were not paid.

Named Executive Officers' Compensation

The Chief Executive Officer meets with the NCGC Committee to review the Chief Executive Officer's compensation recommendation for the other Named Executive Officers. No adjustments were made in 2009 for any of the Named Executive Officers as a result of the unprecedented decline in the economy and concurrent deterioration in our performance.

Employment Agreement with Chief Executive Officer, Jay S. Yoo

Jay S. Yoo joined us and Hanmi Bank as President and Chief Executive Officer as of June 23, 2008. His employment agreement, effective June 23, 2008, has a two-year initial term, with an option to renew for an additional three years at the discretion of our Board of Directors, and provides for a yearly base salary of \$330,000, with a target bonus of up to seventy — five percent (75%) of his annual base salary. The Board of Directors has elected to renew Mr. Yoo's employment agreement in accordance with its terms. Per the Employment Agreement, Mr. Yoo's annual base salary was to be increased by \$10,000 in June 2009. Mr. Yoo voluntarily relinquished the increase in base salary and our Board of Directors accepted his request as a well intentioned gesture towards the staff who did not receive a base salary adjustment in 2009.

Mr. Yoo's bonus, which is to be paid in cash, is dependent on the attainment of certain financial goals set by our Board of Directors. The financial goals have been discussed and set in early 2009, and based on the defined goals, Hanmi Financial paid no bonus to Mr. Yoo.

In addition, Under Mr. Yoo's Employment Agreement, he is entitled to the use of a company car, a bank issued cellular telephone, membership in a business club and golf country club, and payment of reasonable business related expenses. His Employment Agreement also calls for the granting of the option to purchase 70,000 shares of our stock. The terms of the stock options are subject to the terms and conditions set forth in the 2007 Plan. The options vest in equal installments over two years starting one year after the date of the grant.

Compensation for Chief Financial Officer, Brian Cho

Brian E. Cho, Executive Vice President & Chief Financial Officer joined us in December 2007. He does not have an employment agreement and his employment is at-will. Per his employment letter executed November 1, 2007, his annual base salary is \$270,000 and he is eligible to receive incentive cash compensation of up to fifty percent of his annual base salary.

In 2009, he received an annual base salary of \$270,000, as well as an auto allowance of \$700 per month, a cell phone allowance of \$100 per month, a gas card, and other general benefits afforded to all employees.

Compensation for Chief Credit Officer, John Park

Mr. John Park joined us on September 2, 2008 as an Executive Vice President and the Chief Credit Officer. Per his employment offer letter, dated August 13, 2008, Mr. Park's annual base salary was \$210,000, plus an annual bonus of up to fifty percent (50%) of his base salary. Upon his hiring, Mr. Park was granted an option to purchase 30,000 shares of common stock. He also received 5,000 shares in restricted stock grants at that same time. Both the stock options and the restricted stock grants are subject to the terms and conditions set forth in the 2007 Plan and vest over five years, starting one year after the date of the grant.

Mr. Park also was entitled to an automobile allowance of \$700 per month, reimbursement of cell phone expenses of \$100 per month, and other general benefits afforded to all employees.

Mr. Park passed away in October 2009. Hanmi Financial paid his estate all accrued salary and pay for vacation accrued and not used. Mr. Park's estate also received \$50,000 from his life insurance company.

Compensation for Interim Chief Credit Officer, Jung Hak Son

Mr. Jung Hak Son served as Senior Vice President and District Leader for the past 4 years and was promoted to the position of Interim Chief Credit Officer on October 21, 2009. His employment is at-will and there is no employment agreement between Hanmi Bank and Mr. Son. His compensation package was not changed at the time of appointment to the Interim Chief Credit Officer position. His compensation at the time of his appointment included a base salary of \$180,000, plus a bonus of up to forty percent of his base salary. The bonus payable to Mr. Son is wholly dependent on Hanmi Bank's performance and his individual performance. He is also entitled to an auto allowance of \$700 per month, a \$100 per month cell phone allowance, and other general benefits afforded to all employees.

On December 23, 2009, he was appointed as the permanent Chief Credit Officer, pending regulatory approval. At that time, his compensation package was revised. His new annual base salary was increased to \$210,000. All other benefits remain the same.

Administrative Policies and Practices

To evaluate and administer the compensation programs of the Named Executive Officers, the NCGC Committee meets regularly, at least four times a year. In addition, the NCGC Committee also holds special meetings to discuss extraordinary items, such as the appointment of the Interim Chief Credit Officer in October 2009. At the end of a meeting, the NCGC Committee may choose to meet in executive session, when necessary. In 2009, the NCGC Committee met 16 times.

Stock Ownership Guidelines

The NCGC Committee has not implemented stock ownership guidelines for the Named Executive Officers; however, the NCGC Committee continues to periodically review best practices and re-evaluate whether stock ownership guidelines are consistent with our compensation philosophy and with stockholders' interests.

Tax Deductibility of Executive Officer Compensation

Internal Revenue Code Section 162(m) precludes a public corporation from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its three other highest paid executive officers (excluding the chief financial officer), unless certain specific and detailed criteria are satisfied. However, performance-based compensation that has been approved by stockholders is excluded from the \$1 million limit. Hanmi Financial complies with the requirements of Section 162(m). Accordingly, all grants made under the 2007 Plan in fiscal year 2009 comply with Section 162(m). The NCGC Committee will continue to carefully consider the impact of Section 162(m) in determining the appropriate pay mix and compensation levels for the Named Executive Officers.

The NCGC Committee Report

Outstanding Equity Awards at Fiscal Year-End

In 2000, our Board of Directors adopted the Hanmi Financial Year 2000 Stock Option Plan (“2000 Stock Option Plan”) which was approved by stockholders in May 2000. The purpose of the 2000 Stock Option Plan was to enable us to attract, retain and motivate officers, directors, and employees by providing for or increasing their proprietary interests in our company and, in the case of non-employee directors, to attract such directors and further align their interests with those of our stockholders by providing or increasing their proprietary interests in our company. The maximum number of shares of our common stock that may be issued pursuant to outstanding options granted under the 2000 Plan is 804,358. Options may no longer being issued under the 2000 Stock Option Plan.

In 2007, our Board of Directors adopted the Hanmi Financial Corporation 2007 Equity Compensation Plan (the “2007 Plan”). A key objective of the 2007 Plan is to provide more flexibility in the types of equity incentives that may be offered to employees, consultants and non-employee directors. The 2007 Plan provides for several different types of equity awards in addition to stock options and restricted stock awards. Stock options granted under the 2007 Plan generally vest over a five-year period, with 20 percent becoming exercisable 12 months following the grant date, and 20 percent thereafter on each anniversary of the grant date. All stock options are granted with a ten-year exercise term and have an exercise price equal to the fair market value of our common stock on the date of grant. Restricted stock granted under the 2007 Plan also generally vest over a five-year period, with 20 percent becoming unrestricted 12 months following the grant date, and 20 percent thereafter on each anniversary of the grant date.

The 2007 Plan provides us flexibility to (i) attract and retain qualified non-employee directors, executives and other key employees and consultants with appropriate equity-based awards, (ii) motivate high levels of performance, (iii) recognize employee contributions to our success, and (iv) align the interests of plan participants with

those of our stockholders. In addition, our Board believes a robust equity compensation program is necessary to provide Hanmi Financial with flexibility in negotiating strategic acquisitions and other business relationships to further expand and grow our business. The maximum number of shares of our common stock that may be issued pursuant to the 2007 Plan is 3,000,000. As of the record date, there were 1,121,115 shares of common stock issuable pursuant to outstanding options and an additional 1,661,018 shares of common stock available for grant under the 2007 Plan.

The following table shows information as of December 31, 2009, for our Named Executive Officers concerning unexercised options, stock that has not vested, and Equity Incentive Plan Awards.

Potential Payments Upon Termination or Change In Control

Hanmi Financial has entered into an employment agreement with its Chief Executive Officer that will require Hanmi Financial to provide compensation to him in the event of a termination of employment, including in the event of a change in control of Hanmi Financial.

The following table describes the potential payments upon termination, including in the event of a change in control of Hanmi Financial, for the Named Executives if such termination occurred on December 31, 2009. Pursuant to our 2007 Equity Compensation Plan, in the event of a change in control, unless an award is assumed or substituted by a successor corporation, such awards become fully exercisable as of the date of the change in control, whether or not then exercisable, and all restrictions and conditions on any award then outstanding shall lapse as of the date of the change in control.

- (2) Amount represents total base salary to be paid to the Chief Executive Officer, which is base pay equal to six months or the remaining term of the Chief Executive Officer's employment agreement, which ends on June 23, 2013, whichever is shorter. Amount is calculated as follows: \$330,000 (Annual Base Salary) x 0.48 year (which is the remaining term of the Chief Executive Officer's employment agreement)

Below is a description of the assumptions that were used in creating the table above. The descriptions of the payments below are applicable only to the Chief Executive Officer's potential payments upon termination or change in control. For the other Named Executive Officers, any potential payments upon termination or change in control would be the same as those generally available to all employees except with respect to accelerated vesting on restricted stock. Based on the intrinsic value of the restricted stock that accelerates upon a change in control which, in the case of restricted stock, is the closing price of our common stock on December 31, 2009 (\$1.20 per share), the value of Mr. Cho's restricted stock that would vest in the event of a change in control is \$21,600 and the value of Mr. Son's restricted stock that would vest in the event of a change in control is \$14,160. Mr. Park's employment terminated in October 2009 upon his death.

Voluntary Termination

At any time after the commencement of employment, Mr. Yoo, our Chief Executive Officer, may terminate his employment agreement. If he voluntarily resigns or otherwise terminates his employment, including as a result of a change in control, death or disability, then he is entitled to receive base salary equal to six months or the remaining term of his employment agreement, which ends on June 23, 2010, whichever is shorter. The unvested portion of any outstanding stock option shall terminate immediately.

Without Good Cause Termination

Hanmi Financial may terminate Mr. Yoo's employment agreement without a showing of "good cause". If Hanmi Financial terminates Mr. Yoo's employment agreement without "good cause," including upon a change in control, subject to Mr. Yoo's execution of an effective general release of claims and his continuing compliance with the covenants set forth in his employment agreement, Mr. Yoo shall receive an amount equal to his base salary for six months or the remaining term of his employment agreement, which ends on June 23, 2013, whichever is shorter. The unvested portion of any stock options and restrictive stock shall terminate immediately.

Good Cause Termination

We may terminate Mr. Yoo's Employment Agreement for "good cause," which shall mean: (1) Mr. Yoo is negligent in the performance of his material duties or engages in misconduct (i.e., the intentional or negligent violation of any state or federal banking law or regulation, or our employment policies, including but not limited to policies regarding honesty, conflict of interest, policies against discrimination, and/or employee leave policies); or (2) Mr. Yoo is convicted of or pleads guilty or nolo contendere to any felony, or is convicted of or pleads guilty or nolo contendere to any misdemeanor involving moral turpitude; or (3) Hanmi Financial is required to remove or replace Mr. Yoo by formal order or formal or informal instruction, including a requested consent order or agreement, from the Federal Deposit Insurance Corporation ("FDIC") or any other regulatory authority having jurisdiction; or (4) Mr. Yoo engages in any willful breach of duty during the course of his employment, or habitually neglects his duties or has a continued incapacity to perform; or (5) Mr. Yoo fails to follow any written policy of our Board of Directors or any resolutions of our Board of Directors adopted at a duly called meeting intentionally and in a material way; or (6) Mr. Yoo engages in any activity that materially adversely affects our reputation in the community, provided, at the time of engaging in such activity, Mr. Yoo knew or should have known that such activity would materially adversely affect our reputation in the community; or (7) Hanmi Bank receives a Section 8(a) Order from the FDIC or a Section 8(b) Order from the FDIC; or (8) Hanmi Bank receives a cease or desist order from the California Department of Financial Institutions that is attributable to the act or omission of Mr. Yoo in any material respect. In the event of a termination for good cause, as enumerated above, Mr. Yoo shall have no right to any compensation not otherwise expressly provided for in the employment agreement.

Review, Approval or Ratification of Transactions With Related Persons

We have adopted a Related Person Transaction Policy ("Policy"). The Policy provides that executive officers, Directors, five-percent (5%) stockholders, and their family members, and entities for which any of those persons serve as officers or partners or in which they have a ten percent (10%) or greater interest, must notify our Corporate Secretary before entering into transactions or other arrangements with Hanmi Financial or any of its affiliates (other than loans subject to Regulation O promulgated by our Board of Governors of the Federal Reserve System) if the amount exceeds \$25,000. Our Corporate Secretary will determine whether, under the guidelines in the Policy, the transaction or arrangement should be submitted to the Audit Committee for approval. In determining whether to submit proposed transactions to the Audit Committee for consideration, our Corporate Secretary will consider, among other things, the aggregate value of the proposed transaction, the benefits to Hanmi Financial of the proposed transaction, and whether the terms of the proposed transaction are comparable to the terms available to an unrelated third party and employees generally. The Policy also includes provisions for the review and possible ratification of transactions and arrangements that are entered into without prior review under the Policy. During 2008, neither Hanmi Financial nor any of its affiliates entered into any related party transactions that required review, approval, or ratification under the Policy.

Certain Relationships and Related Transactions

Some of our Directors and executive officers and their immediate families, as well as the companies with which they are associated, are customers of, or have had banking transactions with, us or Hanmi Bank in the ordinary course of our business, and we expect to have banking transactions with such persons in the future. In management’s opinion, all loans and commitments to lend included in such transactions were made in the ordinary course of business, in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness unrelated to us or Hanmi Bank and, in the opinion of management, did not involve more than a normal risk of repayment or present other unfavorable features. There are no amount of indebtedness owed to us or Hanmi Bank by our principal officers and current Directors (including associated companies) as of December 31, 2009.

In connection with the retirement of Mr. Won R. Yoon, Ki Tae Hong, and Chang Kyu Park in 2008 as Directors, we and Hanmi Bank entered into severance agreements with each of them. Pursuant to such severance agreements, each of the retiring Directors is entitled to receive \$3,000 per month for a period of five years from date of retirement. Each of the retiring Directors also receives health insurance coverage for five years from the date of retirement pursuant to which we continue to pay for medical, dental, and/or vision premiums. In connection with his retirement in 2009, Richard Lee entered into a severance agreement. Pursuant to the Severance Agreement, among other things, Mr. Lee received a lump-sum payment of \$180,000 upon his retirement. Mr. Lee also will also receive current health insurance coverage from the date of retirement in which Hanmi Bank will continue to pay for medical, dental, and/or vision premiums. See “Director Compensation” above.

We previously entered into a six-year employment agreement with Dr. Sung Won Sohn effective January 3, 2005. Under the terms of the agreement, Dr. Sohn served as President and Chief Executive Officer of both us and Hanmi Bank at a base annual salary of \$550,000 with annual CPI adjustments. In addition, Dr. Sohn was eligible to

receive an annual incentive bonus based on our pre-tax profitability in an amount not to exceed 125 percent (125%) of his base annual salary. The agreement also provided for a stock bonus grant of 100,000 shares with a vesting schedule under which 20,000 shares vest each year. Dr. Sohn also received two separate stock option grants to acquire 150,000 and 200,000 shares.

On December 31, 2007, Dr. Sohn retired from his position as President and Chief Executive Officer of us and Hanmi Bank. In a compromise of Dr. Sohn's employment agreement, Dr. Sohn received the following: a one-time, lump-sum cash payment of \$1.298 million; cash payment of \$39,346 as payment for accrued, but unused vacation pay; ownership of the Hanmi Bank-owned automobile that he was using; ownership of Hanmi Bank's equitable ownership interests in two club memberships that Hanmi Bank maintained for Dr. Sohn's benefit; vesting of 40,000 shares of restricted stock was accelerated; and a cash payment of \$70,000 for the purchase of his vested stock options. In addition, Dr. Sohn agreed to serve as a consultant to Hanmi Bank.

In return for his consulting services, Dr. Sohn will be paid \$6,000 per month during 2008 and 2009. Dr. Sohn received his final payment from Hanmi Bank in December 2009.

For information relating to the participation of certain of our directors and officers in the registered direct and best efforts offering and their interests in certain transactions arising out of the Capital Raising Stockholder Proposals discussed elsewhere in this proxy statement, see "*Interest of Certain Persons in the Capital Raising Stockholder Proposals.*"

Review, Approval or Ratification of Transactions With Related Persons

We have adopted a written Related Person Transaction Policy ("Policy"). The Policy provides that executive officers, Directors, five-percent (5%) stockholders, and their family members, and entities for which any of those persons serve as officers or partners or in which they have a ten percent (10%) or greater interest, must notify our Corporate Secretary before entering into transactions or other arrangements with us or any of our affiliates (other than loans subject to Regulation O promulgated by our Board of Governors of the Federal Reserve System) if the amount exceeds \$25,000. Our Corporate Secretary will determine whether, under the guidelines in the Policy, the transaction or arrangement should be submitted to the Audit Committee for approval. In determining whether to submit proposed transactions to the Audit Committee for consideration, our Corporate Secretary will consider, among other things, the aggregate value of the proposed transaction, the benefits to Hanmi Financial of the proposed transaction, and whether the terms of the proposed transaction are comparable to the terms available to an unrelated third party and employees generally. The Policy also includes provisions for the review and possible ratification of transactions and arrangements that are entered into without prior review under the Policy. During 2009, neither Hanmi Financial nor any of its affiliates entered into any related party transactions that required review, approval, or ratification under the Policy.

To be in proper form, the stockholder's notice must contain such information as is required by our Bylaws and applicable law.

For any stockholder proposal that is not submitted for inclusion in next year's Proxy Statement and is instead sought to be presented directly at next year's annual meeting, SEC rules permit management to vote proxies in its discretion if we (i) do not receive notice of the stockholder proposal prior to the close of business on May 4, 2011 or (ii) receive notice of the proposal before the close of business on May 4, 2011, and advises stockholders in the Proxy Statement about the nature of the matter and how management intends to vote, provided, however, if the date of the 2011 meeting is changed by more than 30 days from the anniversary of the 2010 annual meeting, then the deadline is a reasonable time before Hanmi Financial begins to print and send out its proxy materials.

(ii) The Company (i) is duly registered as a bank holding company under the BHC Act; (ii) has duly elected to be treated as a "financial holding company" thereunder; and (iii) is allowed to exercise all powers of a "financial holding company" thereunder. Furthermore, the Purchaser acknowledges and agrees that neither Cappello Capital Corp. nor IWL Partners has performed any due diligence review on behalf of the Purchaser. The Purchaser understands and agrees that any budgets, plans, forecasts and other forward-looking information with respect to the Company and the Company Significant Subsidiaries that it has reviewed are preliminary, may be incomplete and may prove to be inaccurate and the Purchaser should not base any investment decision with respect to the Shares on such information.

(i) Access to Information. The Purchaser acknowledges that it has had the opportunity to review information relating to the Company and the Company Significant Subsidiaries and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Shares and the merits and risks of investing in the Shares; (ii) access to information about the Company and the Company Significant Subsidiaries and their respective financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its decision to purchase the Shares and thereby invest in the Company; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary and appropriate to make a reasonably informed decision with respect to its acquisition of the Shares.

(j) No Concerted Action. The Purchaser is not acting in concert with, or deemed to be acting in concert (pursuant to Federal Reserve regulations) with any other person or entity in connection with the transactions contemplated by this Agreement and in furtherance thereof:

(1) The Purchaser is not a party to any agreement, contract, understanding, relationship or other arrangement, whether written or otherwise, regarding the acquisition, voting or transfer of control of the Common Stock.

(2) The Purchaser has not made, and does not propose to make a joint filing under Section 13 or 14 of the Exchange Act with respect to the Common Stock.

(k) Regulation S. The Purchaser (i) is not a "U.S. person" (as defined in Rule 902(k) of Regulation S ("Reg S") under the Securities Act) and is not acquiring the Shares for the account or benefit of any U.S. person, (ii) has its principal address outside the United States, (iii) was located outside the United States at the time any offer to buy the Shares was made to the Purchaser and at the time that the Purchaser executed and entered into this Agreement, (iv) is not acquiring, and has not entered into any discussions regarding the offer or the sale of the Shares while the Purchaser was in the United States or any of its territories or possessions, (v) has not and will not engage in any "directed selling efforts", as such term is defined in Reg S, with respect to the Shares, and (vi) will not offer or re-sell the Shares, except in compliance with Reg S.

(l) Offering of the Shares. To the Purchaser's actual knowledge, no controlling shareholder, partner or management official of the Purchaser or any Affiliate of the Purchaser is directly or indirectly acquiring Common Stock in connection with the transactions contemplated by this Agreement, the Rights Offering, the Subsequent Offering or otherwise.

(m) Sufficient Funds. The Purchaser currently has the ability to obtain and will have obtained prior to the Closing Date, sufficient cash, available lines of credit or other sources of immediately available funds to enable it to timely deliver to the Company the amount of the aggregate Purchase Price for the Shares to be purchased pursuant to this Agreement.

ARTICLE IV
COVENANTS

4.1. *Filings; Other Actions*

(a) Each of the Purchaser and the Company will cooperate and consult with the other and use its best efforts to prepare and file as soon as possible all necessary documentation, to effect all necessary applications, notices, petitions, filings and other documents, and to obtain all necessary permits, consents, orders, approvals and authorizations of, or any exemption by, all third parties and Governmental Entities, and expiration or termination of any applicable waiting periods, necessary or advisable to consummate the transactions contemplated by this Agreement and to perform covenants contemplated by this Agreement. As soon as practicable following the execution of this Agreement, but in no event later than thirty (30) calendar days from the date of this Agreement, the Purchaser shall seek all governmental and regulatory consents and approvals required for the consummation of the transaction contemplated by this Agreement (the "Regulatory Approvals"), including, without limitation, any approvals required by U.S. federal regulatory and government agencies, including the Korean Financial Services Commission and the Board of Governors of the Federal Reserve System (the "FRB") and all applicable state bank and other regulatory or government agencies, including the CDFI and CDI. The Purchaser shall provide the Company with the draft applications, other than materials filed in connection therewith under a claim of confidentiality, to the FRB, CDFI and for comment by the Company as soon as practicable (but in no event later than fifteen (15) Business Days from the date of this Agreement) and the Company shall provide its comments as promptly as possible after receiving the draft applications from the Purchaser (but in no event later than three (3) business days from the date of receipt of the draft applications). Each of the Company and the Purchaser shall keep the other party advised as to the status of the Regulatory Approvals. The Purchaser shall use its reasonable best efforts to obtain each such Regulatory Approval as promptly as practicable following the submission or filing thereof. The Company will provide reasonable cooperation and assistance in connection therewith (including the furnishing of any information and any reasonable undertaking or reasonable commitments which may be required to obtain the Regulatory Approvals).

(b) As soon as practicable after the execution of this Agreement, the Company shall call a meeting of its stockholders, to vote on proposals (collectively, the "Stockholder Proposals") to approve (i) the amendment to the Company's certificate of incorporation to increase the authorized number of common stock to 500 million shares and (ii) the transactions contemplated by this Agreement (including the issuance of the Shares). The Board of Directors shall unanimously recommend to the Company's stockholders that such stockholders approve the Stockholder Proposals (the "Board Recommendation"). In connection with such meeting, the Company shall promptly prepare (and the Purchaser will reasonably cooperate with the Company to prepare) and file (but in no event more than 30 days following the execution of this Agreement) with the SEC a preliminary proxy statement, shall use its best efforts to solicit proxies for such stockholder approval and shall use its best efforts to respond to any comments of the SEC or its staff and to cause a definitive proxy statement related to such stockholders' meeting to be mailed to the Company's stockholders as promptly as practicable after clearance by the SEC. The Company shall notify the Purchaser promptly of the receipt of any comments from the SEC or its staff with respect to the proxy statement and of any request by the SEC or its staff for amendments or supplements to such proxy statement or for additional information and will supply the Purchaser with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to such proxy statement. If at any time prior to such stockholders' meeting there shall occur any event that is required to be set forth in an amendment or supplement to the proxy statement, the Company shall as promptly as practicable prepare and mail to its stockholders such an amendment or supplement. Each of the Purchaser and the Company agrees promptly to correct any information provided by it or on its behalf for use in the proxy statement if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall as promptly as practicable prepare and mail to its stockholders an amendment or supplement to correct such information to the extent required by applicable laws and regulations. The Company shall consult with the Purchaser prior to mailing any proxy statement, or any amendment or supplement thereto, and provide the Purchaser with reasonable opportunity to comment thereon. The directors' recommendation described in this

Section 4.1(c) shall be included in the proxy statement filed in connection with obtaining such stockholder approval.

In the event the Company fails to obtain stockholder approval of the Stockholder Proposals at such stockholders' meeting, the Company shall include a proposal to approve (and, the Board of Directors shall unanimously recommend approval of) such Stockholder Proposal(s) at a subsequent meeting of its stockholders to be held no later than 90 calendar days therefrom. Immediately upon approval of the Stockholder Proposals, the Company shall amend its Certificate of Incorporation to effect the increase in the authorized shares of Common Stock.

(c) Subject to Section 4.2 hereof, each party agrees, upon request, to furnish the other party with all information concerning itself, its subsidiaries, Affiliates, directors, officers, partners and stockholders and such other matters as may be reasonably necessary or advisable in connection with the proxy statement relating to such stockholders' meeting.

4.2. Confidentiality.

(a) Each party to this Agreement will hold, and will cause its respective subsidiaries and their directors, officers, employees, agents, consultants and advisors to hold, in strict confidence, unless disclosure to a Governmental Entity is necessary in connection with any necessary regulatory approval or unless compelled to disclose by judicial or administrative process or, in the written opinion of its counsel, by other requirement of law or the applicable requirements of any Governmental Entity, all nonpublic records, books, contracts, instruments, computer data and other data and information (collectively, "Information") concerning the other party hereto furnished to it by such other party or its representatives pursuant to this Agreement (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished), and neither party hereto shall release or disclose such Information to any other Person, except its auditors, attorneys, financial advisors, other consultants and advisors and, to the extent permitted above, to bank regulatory authorities.

(b) In the event of the termination of this Agreement, each party agrees that it shall not use or disclose, and shall cause its Affiliates not to use or disclose the Information of the other party for any purpose, including the solicitation of customers or business of the other party, for a period of two (2) years.

(c) Notwithstanding the foregoing, nothing herein shall require the Company or any Company Subsidiary to disclose any information to the extent (i) prohibited by applicable law or regulation, or (ii) that such disclosure would reasonably be expected to cause a violation of any agreement to which the Company or any Company Subsidiary is a party or would cause a risk of a loss of privilege to the Company or any Company Subsidiary (provided that the Company shall use commercially reasonable efforts to make appropriate substitute disclosure arrangements under circumstances where the restrictions in this clause (i) apply).

4.3. Cash-Out Merger Limitation. The Purchaser agrees that for a period of three years from the Closing Date, that neither it nor any of its Affiliates will, directly or indirectly, effect a "cash-out merger" or other similar transaction, unless (i) (A) no less than a majority of the Disinterested Directors of the Company (as defined in the Company's Certificate of Incorporation or Bylaws) approve the terms of such "cash-out merger", and (B) approval of the "cash-out merger" or other similar transaction is expressly conditioned upon the affirmative vote in favor of such "cash-out merger" or other similar transaction by 66²/₃% of the stockholders entitled to vote thereon, and separately by a majority of the stockholders entitled to vote thereon excluding the vote of Purchaser; or (ii) at the time of such stockholder vote Purchaser owns at least 90% of the outstanding voting shares of the Company.

4.4. Access to Information. From the date hereof until the earlier of the Closing or termination of this Agreement pursuant to Article VII, the Company will ensure that upon reasonable notice, the Company and the Company Significant Subsidiaries will afford to the Purchaser and its representatives (including officers and employees of the Purchaser, and its counsel, accountants and other professionals retained by the Purchaser) such access during normal business hours to its books, records, properties and personnel and to such other information as the Purchaser may reasonably request without undue interference to the ordinary conduct of the Company's business and subject to applicable legal and regulatory restrictions. The Purchaser shall permit the Company and its

attorneys, consultants, accountants, lenders, financial advisors and other agents, between the date hereof and the Closing, without undue interference to the ordinary conduct of the Purchaser's business, to have reasonable access during normal business hours and upon reasonable notice and subject to applicable legal and regulatory restrictions to information relevant or related directly or indirectly to this Agreement and the transactions contemplated hereby, including the satisfaction of the closing conditions set forth in Article VI.

4.5. Hedging. The Purchaser agrees that, during the six-month period following the Closing, it shall not, directly or indirectly, enter into any hedging agreement, arrangement or transaction the value of which is based upon the value of any securities purchased pursuant to this Agreement, except for transactions involving an index-based portfolio of securities that includes Common Stock (provided that the value of such Common Stock in such portfolio is not more than 5% of the total value of the portfolio of securities).

ARTICLE V

OTHER AGREEMENTS OF THE PARTIES

5.1. Non-Solicitation.

(a) From the date hereof and until the earlier of the Closing Date or the termination of this Agreement, the Company shall not, and shall not authorize or permit any of its Subsidiaries and its officers, directors, employees, agents, advisors, consultants or other representatives (collectively, its "Representatives") to, directly or indirectly, (i) solicit, initiate, or encourage the submission of any Acquisition Proposal (as defined below); (ii) enter into any agreement or understanding with respect to an Acquisition Proposal; or (iii) participate in any discussions or negotiations regarding, or furnish to any Person or entity any information for the purpose of facilitating the making of, or take any other action to facilitate any inquiries or the making of, any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal; provided, however, that notwithstanding any other provision hereof, the Company may (A) comply with applicable securities laws and regulations, including, without limitation, the Exchange Act (and Rule 14e-2 promulgated under the Exchange Act with regard to a tender or exchange offer) and (B) prior to the time its stockholders approve the Stockholders Proposals, the Company may engage in discussions or negotiations with a third party who (without any solicitation, initiation or encouragement, directly or indirectly, of the Company or its Representatives after the date hereof) seeks to initiate such discussions or negotiations, and may furnish such third party information concerning the Company and its business if and only to the extent a third party has first made an Acquisition Proposal that is superior to the proposal made by the Purchaser and the Board has determined in good faith after consultation with its financial advisors and legal counsel that failure to take such action would be inconsistent with its fiduciary duties under applicable law. Notwithstanding the foregoing, the parties hereto acknowledge, and hereby agree that, (i) subject to the terms and conditions of this Agreement, the Rights Offering and Subsequent Offering and any and all action by the Company and its Representatives in connection therewith shall not be subject to this Section 5.1(a) and (ii) if the Purchaser breaches any term or condition of this Agreement in a manner that would reasonably be expected to materially impede or preclude the consummation of the transactions contemplated hereby, the Company shall no longer be bound by the terms and conditions of this Article V.

(b) The Company will, and will direct its Representatives to, immediately cease and cause to be terminated all discussions and negotiations that have taken place prior to the date hereof, if any, with any Persons (other than the Purchaser) with respect to any Acquisition Proposal. The Company shall promptly advise the Purchaser of any Acquisition Proposal and inquiries with respect to any Acquisition Proposal, and provide copies of the same.

(c) Neither the Board nor any committee thereof shall (i) fail to make, withdraw, amend or modify, or publicly propose to withhold, withdraw, amend or modify, in a manner adverse to the Purchaser, the Board Recommendation, (ii) approve, endorse, adopt or recommend, or publicly propose to approve, endorse, adopt or recommend, any Acquisition Proposal, (iii) make any public statement inconsistent with the Board Recommendation, or (iv) resolve or agree to take any of the foregoing actions (any of the foregoing, an "Adverse Recommendation Change"). The Company, following receipt of and on account of an Acquisition

Proposal that is superior to the proposal made by the Purchaser, may make an Adverse Recommendation Change, but only if the Company determines in good faith, after consultation with outside legal counsel to the Company, that the failure to take such action would be inconsistent with its fiduciary duties under applicable law. Nothing contained in this Section 5.01(c) shall prevent the Company from complying with Rule 14d-9 and Rule 14e-2(a) under the Exchange Act with regard to an Acquisition Proposal; provided, that any such disclosure (other than a “stop, look and listen” communication or similar communication of the type contemplated by Section 14d-9(f) under the Exchange Act) shall be deemed to be a Adverse Recommendation Change unless the Company expressly publicly reaffirms its Board Recommendation in such communication.

(d) “Acquisition Proposal” means any written offer, proposal, or indication of interest from any third party(ies) relating to any transaction or series of related transactions involving any (i) acquisition or purchase by any person, directly or indirectly, of 10% or more of any series of the Common Stock, or any tender offer (including a self-tender) or exchange offer that, if consummated, would result in any person beneficially owning 10% or more of any series of the Common Stock, (ii) any direct or indirect merger, acquisition, amalgamation, consolidation, share exchange, business combination, joint venture or other similar transaction involving the Company or any of its Subsidiaries, which results in the stockholders of the Company immediately preceding such transaction owning less than 51% of any series of the issued and outstanding voting or equity securities of the Company after the consummation of such transaction, (iii) any sale, lease, exchange, transfer, license (other than licenses in the ordinary course of business), acquisition or disposition of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole (measured by the lesser of book or fair market value thereof), (iv) any liquidation, dissolution, recapitalization, extraordinary dividend or other significant corporate reorganization of the Company or any of its Subsidiaries, or (v) any issuance by the Company, other than the sale of the Shares to the Purchaser, which involves the purchase and sale by any person, directly or indirectly, of 10% or more of any series of the Common Stock at any time. Subject to the terms and conditions of this Agreement, the Rights Offering and Subsequent Offering shall not be deemed to be an Acquisition Proposal.

5.2. Board of Directors. The Purchaser and the Company agree that upon the Closing (i) the initial Board of Directors upon the Closing shall be comprised of seven (7) directors and (ii) subject to discussions with the appropriate regulatory authorities and compliance with applicable law, the Purchaser shall have the right to nominate five (5) directors (the “Purchaser Nominees”), one of which Purchaser Nominees shall be the CEO/President of the Company. The Purchaser shall provide the Company with the identities of the Purchaser Nominees at least 20 calendar days before the Closing Date in order to provide the Company with sufficient time to provide its stockholders with the notice required by Exchange Act Rule 14f-1. On the Closing Date, the Company shall cause the resignation of the directors to be identified by the Company prior to the Closing Date (the “Resigning Directors”). Pursuant to Section 223 of the Delaware General Corporate Law and the Company’s bylaws, immediately upon the resignation of the Resigning Directors, the remaining directors shall appoint the Purchaser Nominees to the Board. Such Purchaser Nominees shall serve as directors of the Company until the next annual meeting of the stockholders. So long as the Purchaser holds more than 50% of the then issued and outstanding Common Stock on a fully diluted basis, it shall have the right to nominate two-thirds of the Board (rounded to the nearest whole number); provided, however, that nothing contained herein shall limit the rights of the Purchaser to nominate or vote on the Board of Directors pursuant to applicable law. Subject to legal and governance requirements regarding service as directors of the Company, the Board will recommend to its stockholders the election of the Purchaser Nominees. Upon the death, resignation, retirement, disqualification or removal from office of any Purchaser Nominee, the Purchaser shall have right to designate a replacement, which replacement shall satisfy all legal and governance requirements regarding service as a director of the Company. The Purchaser shall have the same proportional representation on any committee or subcommittee of the Board and board of directors of each of the Subsidiaries.

5.3. Rights Offering and Subsequent Offering. The Company shall, and the Purchaser hereby acknowledges and agrees that the Company intends to conduct the Rights Offering concurrently with or followed by the Subsequent Offering as soon as practical following execution and delivery of this Agreement. The Company and Purchaser hereby agree that, in the aggregate, no more than US \$120 million will be raised from investors other than the Purchaser (the “Other Investors”) pursuant to the Rights Offering and the Subsequent Offering. The Rights

Offering shall involve the offer of the right to acquire shares of Common Stock to Other Investors that are existing stockholders of the Company as of a record date set by the Board and the Subsequent Offering shall involve a registered public offer and sale of shares of Common Stock to the Other Investors. The price per share of Common Stock offered and sold to investors in the Rights Offering and the Subsequent Offering shall not be less than the Per Share Price. The Purchaser shall have the option, at its sole discretion, to purchase up to an additional US \$30 million of shares of Common Stock at the Per Share Price in accordance with the terms of this Agreement.

5.4. Restrictions on Sale and Purchase. In connection with the Subsequent Offering, the Company may offer and sell up to 4.9% of the shares of Common Stock (on a fully-diluted basis, taking into account the Rights Offering and the Subsequent Offering) to any single investor or group of investors acting together, other than the Purchaser. To the extent the Company desires to offer and sell more than 4.9% of the shares of Common Stock (on a fully-diluted basis, taking into account the Rights Offering and the Subsequent Offering) to any single investor or group of investors acting together (other than the Purchaser), it shall consult with the Purchaser. Notwithstanding the foregoing, in no event shall the Company be permitted to offer and sell more than 9.9% of the shares of Common Stock at any given time to any single investor or group of investor acting together (other than the Purchaser) without the prior written consent of the Purchaser.

5.5. Key Employees. The Company shall use its commercially reasonable efforts to, and shall cause its Subsidiaries to use their respective commercially reasonable efforts to, continue to employ the executive officers of the Company and its Subsidiaries after the Closing.

5.6. Transfer Restrictions and Legend.

(a) The Purchaser agrees that all certificates or other instruments representing the Shares subject to this Agreement will bear a legend substantially to the following effect:

"THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, OFFERED, SOLD OR OTHERWISE DISPOSED OF IN THE UNITED STATES OR TO U.S. PERSONS, EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY AND ITS TRANSFER AGENT AND HEDGING TRANSACTIONS INVOLVING THE SECURITIES REPRESENTED BY THIS INSTRUMENT MAY NOT BE CONDUCTED IN COMPLIANCE WITH THE SECURITIES ACT."

(b) The Purchaser acknowledges that the Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Shares have not been registered under the Securities Act or any other law of the United States and may not be sold except as follows. The Purchaser agrees that, if in the future it decides to offer, resell, pledge or otherwise transfer the Shares, prior to the date that is one year after the later of the Closing and the last date on which the Company or any Affiliate of the Company (or any predecessor thereto) was the owner of such Shares (the "Distribution Compliance Period"), such Shares may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of Reg S, pursuant to registration under the Securities Act, or pursuant to an available exemption from registration. The foregoing restrictions on resale will not apply following the expiration of the Distribution Compliance Period. The Purchaser understands that the Transfer Agent for the Shares will not accept for registration of transfer any Shares, except upon presentation of evidence reasonably satisfactory to the Company and the Transfer Agent that the foregoing restrictions on transfer have been complied with. The Purchaser acknowledges that the Company reserves the right, prior to any offer, sale or other transfer of the Shares prior to the Distribution Compliance Period, to require the delivery of an opinion of counsel, certifications and/or other information reasonably satisfactory to the Company in order to ensure compliance with the transfer restrictions imposed by Reg S during the Distribution Compliance Period. The Purchaser agrees not to engage in hedging transactions with regard to the Shares unless in compliance with the Securities Act. The Purchaser further understands that any certificates representing Shares acquired by the Purchaser will bear a legend reflecting the substance of this paragraph.

(c) Upon request of the Purchaser, upon receipt by the Company of an opinion of counsel reasonably satisfactory to the Company to the effect that such legend is no longer required under the Securities Act or applicable state laws, as the case may be, the Company shall promptly cause the legend to be removed from any certificate for any Shares to be so transferred.

5.7. SEC Filings. In connection with the offer and sale of the Shares, the Company agrees to make any filings or submit any documents as may be required under the Securities Act and the Exchange Act and the relevant “blue sky” laws.

5.8. No Integration. The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Shares in a manner that would require the registration under the Securities Act of the sale of the Shares to the Purchaser.

5.9. Conduct of Business. From the date hereof until the Closing Date, the Company shall conduct its business and shall cause its Subsidiaries to conduct their respective businesses in, and only in, the ordinary course of business and shall use, and shall cause its Subsidiaries to preserve their respective present business organizations, operations, goodwill and relationships with third parties. Without limiting the generality of the foregoing, from the date hereof until the Closing Date, without the prior written consent of the Purchaser (which consent shall not be unreasonably withheld or delayed), except as expressly permitted or required by this Agreement or as may be required by any Governmental Entity, the Company shall not or permit any of its Subsidiaries to do the following:

- (a) declare or pay any dividends on, or make other distributions in respect of, any of its capital stock;
- (b) (i) split, combine or reclassify any shares of its capital stock or issue or authorize or propose the issuance of any other securities in respect of, in lieu of or in substitution for shares of its capital stock; (ii) directly or indirectly repurchase, redeem or otherwise acquire any shares of the capital stock of the Company, or any securities convertible into or exercisable for any shares of the capital stock of the Company, or, except pursuant to the Rights Offering, grant any Person any right to acquire any shares of the capital stock of the Company; or (iii) issue, deliver, sell, pledge or otherwise encumber or subject to any Lien (other than Permitted Liens) or authorize or propose the issuance, delivery, sale, pledge or encumbrance of or the imposition of any Lien (other than Permitted Liens) on, any shares of its capital stock or any securities convertible into or exercisable for, or any rights, warrants or options to acquire, any such shares, or enter into any agreement with respect to any of the foregoing, except, in the case of clause (iii), for the issuance of the Common Stock in the Subsequent Offering upon the exercise or fulfillment of rights or options issued or existing pursuant to employee benefit plans, programs or arrangements, all to the extent outstanding and in existence on the date of this Agreement, and in accordance with their present terms;
- (c) amend its certificate of incorporation, by-laws or other similar governing documents, or, except as provided in this Agreement, enter into a plan of consolidation, merger, share exchange, reorganization or similar business combination with or involving any other Person, or a letter of intent or agreement in principle with respect thereto;
- (d) except for loans or commitments for loans that have previously been approved by the Company prior to the date of this Agreement, (i) make or acquire any loan or issue a commitment for any loan except for loans and commitments that are made in the ordinary course of business and with a principal balance of US \$2,000,000 or less, (ii) take any action that would result in any discretionary releases of collateral or guarantees or otherwise restructure any loan or commitment for any loan with a principal balance in excess of US \$1,000,000, (iii) incur any indebtedness for borrowed money other than deposit liabilities, Federal Home Loan Bank advances and the FRB federal discount window and reverse repurchase agreements, in each case, entered into in the ordinary course of business consistent with past practice and with a final maturity of one year or less, or (iv) guarantee or agree to guarantee, or endorse or assume responsibility for, the obligations of any Person (other than the endorsement of checks and other negotiable instruments in the normal process of collection, the issuance of standby letters of credit and trade letters of credit and reimbursement of any of its Subsidiaries’ operating expenses, including, but not limited to, tax payments and expenses related to the Transaction);

(e) change its methods of accounting in effect at December 31, 2009 except as required by changes in GAAP or regulatory accounting principles as concurred to by the Company's independent auditors;

(f) except for contractual obligations existing on the date hereof as set forth in [Schedule 3.3\(r\)](#), or in the case of non-executive officers and other employees, for increases in salary or wages in the ordinary course of business, or for payments pursuant to the Company's severance and retention plans as set forth in [Schedule 3.3\(r\)](#): (i) increase the compensation or benefits of any present or former director, officer or employee of the Company, (ii) establish, adopt, enter into, amend or terminate any company employment benefit plan, except as required by applicable law or as required to maintain qualification pursuant to the Code, or (iii) grant any equity or equity based awards;

5.10. *Indemnification.*

(a) *Indemnification of Purchaser.* The Company will indemnify and hold the Purchaser and its directors, officers, stockholders, members, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls the Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, stockholders, agents, members or employees (and any other

Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling person (each, a "Purchaser Party") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Purchaser Party may suffer or incur (collectively "Losses") as a result of any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement. The Company will not be liable to any Purchaser Party under this Agreement to the extent, but only to the extent that Losses are attributable to any Purchaser Party's breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement.

(b) Conduct of Indemnification Proceedings. Promptly after receipt by any Purchaser Party of notice of any demand, claim or circumstances which would or might give rise to a claim or the commencement of any action, proceeding or investigation in respect of which indemnity may be sought pursuant to Section 5.10(a), such Purchaser Party shall promptly notify the Company in writing and the Company shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses in connection therewith; provided, however, that the failure of any Purchaser Party so to notify the Company shall not relieve the Company of its obligations hereunder except to the extent that the Company is actually and materially and adversely prejudiced by such failure to notify. In any such proceeding, the Purchaser Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Purchaser Party unless: (i) the Company and the Purchaser Party shall have mutually agreed to the retention of such counsel; (ii) the Company shall have failed promptly to assume the defense of such proceeding and to employ counsel reasonably satisfactory to such Purchaser Party in such proceeding; or (iii) in the reasonable judgment of counsel to such Purchaser Party, representation of both parties by the same counsel would be inappropriate due to actual and material differing interests between them, in which case the Company shall only be liable for the legal fees and expenses of one law firm for all Indemnified Parties, taken together with regard to any single action or group of related actions. The Company shall not be liable for any settlement of any proceeding affected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. Without the prior written consent of the Purchaser Party, which consent shall not be unreasonably withheld, delayed or conditioned, the Company shall not effect any settlement of any pending or threatened proceeding in respect of which any Purchaser Party is or could have been a party and indemnity could have been sought hereunder by such Purchaser Party, unless such settlement includes an unconditional release of such Purchaser Party from all liability arising out of such proceeding. If the Company assumes the defense of any claim, all Purchaser Parties seeking indemnification hereunder shall use their reasonable commercial efforts to deliver to the Company copies of all notices and documents (including court papers) received by the Company relating to the claim, and any Indemnified Party shall reasonably cooperate in the defense or prosecution of such claim.

(c) The Company shall not be required to indemnify any Purchaser Party pursuant to Section 5.10(a) with respect to any claim for indemnification for breach of representations and warranties provided in Section 3.3 unless and until the aggregate amount of all Losses incurred with respect to all claims pursuant to Section 5.10(a) exceed \$1,000,000 (the "Threshold Amount"); provided, however, in the event such Losses exceed the Threshold Amount, the Company shall be responsible for the full amount of such Losses. Notwithstanding the foregoing, the cumulative indemnification obligation of the Company to the Purchaser and all of the Purchaser Parties for inaccuracies in or breaches of representations, warranties, covenants and agreements set forth in this Agreement, shall in no event exceed the Purchase Price.

(d) Any claim for indemnification brought pursuant to this Section 5.10 for breach of any representation or warranty can only be brought on or prior to the first anniversary of the Closing Date (except that (i) claims for any breach of Sections 3.3(l), (r) and (y) may be brought after the Closing Date and prior to the 60th day after the expiration of the applicable periods of statute of limitations) and (iii) claims for any breach of Sections 3.3(a)(i), (b)(i) and (g) may be brought at any time after the Closing; provided that, where applicable, if a notice of a claim for indemnification pursuant to this Section 5.10 for breach of any representation or warranty is brought prior to the end of such period, then the obligation to indemnify in respect of such breach shall survive as to such claim, until such claim shall have been finally resolved.

(e) In the event of any transfer of the Shares to a third party (which for the avoidance of doubt shall not include any Affiliate of the Purchaser), the Company shall have no obligations under this Section 5.10 to the transferee. The indemnity provided for in this Section 5.10 shall be the sole and exclusive monetary remedy of Purchaser Parties after the Closing for any inaccuracy of any of the representations and warranties contained in this Agreement or any other breach of any covenant or agreement contained in this Agreement; provided that nothing herein shall limit in any way any such parties' remedies in respect of fraud in connection with the transactions contemplated hereby.

(f) Any indemnification payments pursuant to this Section 5.10 shall be treated as an adjustment to the Purchase Price for the Shares for U.S. federal income and applicable state and local Tax purposes, unless a different treatment is required by applicable law.

(a) Representations and Warranties. The representations and warranties of the Purchaser set forth in this Agreement shall be true and correct (i) on and as of the date hereof and (ii) on and as of the Closing Date with the same effect as though such representations and warranties had been made on and as of the Closing Date (except for representations and warranties that expressly speak only as of a specific date or time which need only be true and correct as of such date or time) except in each of cases (i) and (ii) for such failures of representations and warranties to be true and correct (without giving effect to any materiality or Material Adverse Effect qualification or standard contained in any such warranties) which would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Purchaser.

(b) Performance. The Purchaser shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Purchaser at or prior to the Closing Date.

(e) Regulatory Approvals. The Regulatory Approvals shall have been obtained and shall remain in full force and effect, and all statutory waiting periods applicable to the transactions contemplated hereby shall have expired or terminated.

(g) By the Company or the Purchaser, if the Company stockholders' approval of the Stockholder Proposals has not been obtained on or prior to the Outside Date.

No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or

requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

8.6. Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and be binding upon the parties and their successors and permitted assigns. This Agreement, or any rights or obligations hereunder, may not be assigned by the Company or the Purchaser without the prior written consent of the other party.

8.8. Governing Law; Jurisdiction; and Venue. This Agreement will be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts made and to be performed entirely within such State. Each of the parties irrevocably agrees that any legal action or proceeding with respect to this Agreement or for recognition or enforcement of any judgment in respect of this Agreement shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware. Each of the parties hereto irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of such courts and agrees that it will not bring any action relating to this Agreement in any court other than the aforesaid courts. Each of the parties hereto irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement (a) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason, (b) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) to the fullest extent permitted by the applicable law, any claim that (i) the suit, action or proceeding in such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement or the subject matter hereof or thereof, may not be enforced in or by such courts. Each of the parties hereto irrevocably consents to the service of process out of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware in any such action or proceeding by the mailing of copies thereof by registered mail, postage prepaid, to its address set forth in Section 7.7 of this Agreement, such service of process to be effective upon acknowledgement of receipt of such registered mail. Nothing herein shall affect the right of any party to serve process in any other manner permitted by applicable law.

8.9. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY

8.10. Survival. Each of the representations and warranties set forth in this Agreement shall survive until the date that is the first anniversary of the Closing (or until final resolution of any claim or action arising from the breach of any such representation and warranty, if notice of such breach was provided prior to the end of such period) and thereafter shall expire and have no further force and effect; provided, that the representations and warranties set forth in Sections 3.3(l), (r) and (y) shall survive until the 60th day after the expiration of the applicable periods of statute of limitations and the representations and warranties set forth in Sections 3.3(a)(i), (b)(i) and (g) shall survive indefinitely. Except as otherwise provided herein, all covenants and agreements contained herein shall survive for the duration of any statutes of limitations applicable thereto or until, by their respective terms, they are no longer operative.

8.11. Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been

signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

8.12. Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

8.13. Specific Performance. The parties agree that irreparable damage would occur in the event that provisions contained in this Agreement are not performed in accordance with their specific terms or were otherwise breached and that the parties would not have any adequate remedy at law. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (including the parties’ obligation to consummate this Agreement subject to the terms of this Agreement) exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware. Any requirements for the securing or posting of any bond with respect to any such remedy is hereby waived. The foregoing is in addition to any other remedy to which any party is entitled to at law, in equity or otherwise. Each of the parties hereto hereby waives any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. If any party brings any action to enforce specifically the performance of the terms and provisions hereof by any other party, the Outside Date shall automatically be extended by (x) the amount of time during which such action is pending, plus twenty (20) business days or (y) such other time period established by the Delaware court presiding over such action.

8.14. Payment Set Aside. To the extent that the Company makes a payment or payments to the Purchaser pursuant to this Agreement or the Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

8.15. Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) this Agreement, whenever any Purchaser exercises a right, election, demand or option under this Agreement and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

8.16. Public Announcements. Subject to each party’s disclosure obligations imposed by law each of the parties hereto will cooperate with each other in the development and distribution of all news releases and other public information disclosures with respect to this Agreement and the transactions contemplated by this Agreement, and no party hereto will make any such new release or public disclosure without first consulting with the other party hereto.

ANNEX B
FAIRNESS OPINION OF CAPPELLO

May 19, 2010

Special Committee of the Board of Directors
Hanmi Financial Corporation
3660 Wilshire Boulevard, Penthouse A
Los Angeles, CA 90010

Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of the common stock, par value \$0.001 per share ("Common Stock"), of Hanmi Financial Corporation ("Hanmi"), other than the Investors (as defined below), of the Investment Price (as defined below) to be received by Hanmi in the Transaction (as defined below) contemplated by that certain Securities Purchase Agreement (the "SPA") to be entered into on or about the date hereof by Hanmi and Woori Finance Holdings Co., Ltd. ("Woori"). All capitalized terms used but not defined herein shall have the meanings assigned to them in the SPA.

As more specifically set forth in the SPA, and as further described to us by management of Hanmi, (i) Woori will purchase from Hanmi (the "Woori Purchase") 175 million shares of Common Stock at a price of \$1.20 per share (the "Investment Price"), for an aggregate purchase price of \$210 million, with an option to purchase up to an additional 25 million shares of Common Stock at the Investment Price, for an additional aggregate purchase price of up to \$30 million, and (ii) Hanmi may sell additional shares of Common Stock, at a price per share of Common Stock no less than the Investment Price, pursuant to a rights offering by Hanmi to holders of Common Stock and an additional offering (such offerings, together with the Woori Purchase, the "Transaction") by Hanmi to other investors (Woori and any other purchasers of Common Stock in the Transaction being referred to herein as the "Investors"). In the Transaction, the Investors will purchase Common Stock for an aggregate purchase price of up to \$330 million, of which no more than \$120 million would be from Investors other than Woori. Sales of shares of Common Stock in the Woori Purchase will be effected in a manner exempt from the registration requirements under U.S. federal securities rules.

In the course of performing our review and analyses for rendering this opinion, we have:

- reviewed a draft of the SPA dated May 19, 2010;
- reviewed Hanmi's Annual Reports to Stockholders and Annual Reports on Form 10-K for the fiscal years ended December 31, 2007, 2008 and 2009, its quarterly report on Form 10-Q for the period ended March 31, 2010, its Current Reports on Form 8-K filed since December 31, 2009, and certain other publicly available business and financial information relating to Hanmi;

FINRA — SIPC

- reviewed certain operating and financial information relating to Hanmi's business and prospects furnished by Hanmi's management, including financial estimates and projections furnished by Hanmi's management (the "Hanmi Projections");
- met with Hanmi's management to discuss Hanmi's business, operations, historical and projected financial results and future prospects;
- reviewed the historical prices, trading multiples and trading volume of the shares of Common Stock;
- reviewed publicly available financial data, stock market performance data and trading multiples of companies which we deemed similar to Hanmi in relevant aspects;
- reviewed, to the extent publicly available, the financial terms of certain private investments in public securities and other transactions which have recently been effected or announced which we deemed similar to the Transaction in relevant aspects;
- performed discounted cash flow analyses based on the Hanmi Projections;
- reviewed estimates of and adjustments to the book value of Hanmi's assets furnished by Hanmi's management (the "Book Value Estimates");
- reviewed the pro forma financial results, financial condition and capitalization of Hanmi, giving effect to the Transaction;
- participated in discussions and negotiations regarding the Transaction with Hanmi, Woori and other interested parties; and
- considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed appropriate.

In connection with our review, we have, with your consent, assumed and relied, without independent investigation or verification, on the accuracy and completeness of all the foregoing information and all other information provided to, discussed with or reviewed by us. With respect to the Hanmi Projections and Book Value Estimates, Hanmi's management has advised us, and we have assumed, with your consent, that such projections and estimates have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the senior management of Hanmi as to the expected future performance of Hanmi and the book value of Hanmi's assets. We have, with your consent, not assumed any responsibility for the independent verification of any such information and we have further, with your consent, relied upon the assurance of the senior management of Hanmi that they are unaware of any facts that would make the information, financial estimates and projections incomplete or misleading. Without limiting the foregoing, we express no view as to the Hanmi Projections or Book Value Estimates or the assumptions on which they were prepared.

We have assumed, with your consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Transaction, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on the contemplated benefits of the Transaction and that the Transaction will be consummated in accordance with the terms of the draft of the SPA we have reviewed, without waiver, modification or amendment of any material term, condition or agreement thereof. We have also assumed for purposes of this opinion that the Transaction, including all sales of Common Stock in connection therewith, will be consummated as of the date hereof.

Special Committee of the Board of Directors
Hanmi Financial Corporation

We have not been requested to make, and have not made, any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Hanmi, and we have not received any such evaluations or appraisals, other than certain reports provided to us by Hanmi's management with respect to the book value of certain assets of Hanmi. Without limiting the foregoing, we have not reviewed any of Hanmi's loan files or Hanmi's allowances for loan losses. In addition, we have not evaluated or obtained any evaluations of, and this opinion does not address, the solvency, fair value or viability of Hanmi or any other person under any state or federal laws relating to bankruptcy, insolvency or similar matters.

Hanmi's management has informed us that Hanmi's wholly-owned banking subsidiary, Hanmi Bank, has consented to a Final Order from the California Department of Financial Institutions, and that Hanmi and Hanmi Bank have entered into a Written Agreement with the Federal Reserve Bank of San Francisco, which require, among other things, that Hanmi Bank increase its capital and maintain certain regulatory capital ratios prior to certain specified dates, including an increase of contributed equity capital by not less than an additional \$100 million by July 31, 2010. We have assumed, with your consent, that failure to meet these requirements would lead to regulatory actions that could have a material adverse impact on the value of Common Stock and could lead to a regulatory liquidation or takeover that would render the Common Stock worthless.

Our opinion addresses only the fairness, from a financial point of view, as of the date hereof, to the holders of Common Stock, other than the Investors, of the Investment Price to be received in the Transaction, and does not address any other aspect or implication of the Transaction or any other agreement, arrangement or understanding entered into in connection with the Transaction or otherwise. Our opinion does not address any legal, tax, accounting or regulatory matters related to the SPA or the Transaction or otherwise to Hanmi, as to which we have assumed that Hanmi, the Special Committee and the Board of Directors of Hanmi have received such advice from relevant advisors as each has determined appropriate, and we express no view as to the federal, state or local tax consequences of the Transaction. Our opinion is subject to the assumptions and conditions contained herein and is necessarily based upon the financial, economic, market and other conditions as they exist and can be evaluated, and the information made available to us, as of the date hereof. We expressly disclaim any obligation to update or otherwise revise our opinion or in the event of, or to advise any person of, any change in any fact or matter affecting our opinion of which we become aware after the date hereof. Our opinion does not address Hanmi's underlying business decision to pursue or proceed with the Transaction, nor does it address the relative merits of the Transaction as compared to any alternative transactions or business strategies that might exist for Hanmi or the effects of any other transaction in which Hanmi might engage. We express no opinion as to the trading price or range of prices of Common Stock at any time, including upon the announcement or consummation of the Transaction.

We have acted as financial advisor to Hanmi in connection with the Transaction and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Transaction. We will also receive a fee for rendering this opinion. In addition, Hanmi has agreed to indemnify us against certain liabilities and other items arising out of our engagement, both in our capacity as financial advisor and in connection with the rendering of this opinion. From time to time, we and our affiliates may in the future provide investment banking and other financial services to Hanmi, Woori or the other Investors, for which we would expect to receive compensation. We are a registered broker-dealer with the U.S. Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority.

It is understood that this letter is for the benefit and use of the Special Committee of the Board of Directors of Hanmi in connection with its consideration of the Transaction, and that it may not be used for any other purpose, or be reproduced, disseminated, quoted from or referred to at any time, in whole or in part, without our prior written consent. This letter does not constitute a recommendation to the Special Committee, the Board of Directors, any holder of Common Stock or any other person as to how to vote or act on any matter relating to the proposed Transaction. In addition, we have not been requested to opine as to, and our opinion does not address, the fairness of the amount or nature of the compensation to any of Hanmi's officers, directors or employees, or class of such persons, relative to the compensation to be received by Hanmi or otherwise.

The Board of Directors

Hanmi Financial Corporation

3660 Wilshire Boulevard — Penthouse A

Los Angeles, California 90010

Members of the Board of Directors:

You have requested our opinion as investment bankers as to the fairness, from a financial point of view, to the shareholders of Hanmi Financial Corporation (“Hanmi” or the “Company”) of the price paid per share of Hanmi Common Stock in a proposed offering of the Company’s Common Stock at \$1.20 per share (the “Equity Offering”). As part of the Equity Offering, Woori Finance Holdings Co. Ltd. (“Woori”) will purchase through a private placement exempt from the registration requirements of the U.S. Securities Act of 1933, as amended, 175,000,000 shares of Hanmi Common Stock at \$1.20 per share pursuant to the terms of the Securities Purchase Agreement (the “Agreement”) dated May 19, 2010.

McGladrey Capital Markets LLC (“McGladrey”) is a global provider of investment banking services to owners, shareholders, boards of directors and managers of midsized private and public companies. As part of our investment banking business, we are continually involved in the valuation of companies in connection with mergers, acquisitions and private placements of equity and debt securities. We have acted exclusively for the Board of Directors (the “Board”) of Hanmi in rendering this fairness opinion and will receive a fee from Hanmi for our services. No portion of our fee is contingent upon the successful completion of the Equity Offering.

In connection with this opinion, we have reviewed, analyzed and relied upon material addressing the financial and operating condition of Hanmi, including among other things, the following: (i) the Agreement; (ii) Annual Report to Stockholders and Form 10-K for the year ended December 31, 2009; (iii) Quarterly Reports on Form 10-Q filed over the last twelve months; (iv), Reports on Form 8-K filed over the last twelve months; and (v) other financial information concerning the business, operations and financial condition of Hanmi furnished to us by the Company for purposes of our analysis. We have also held discussions with management of Hanmi regarding current business operations, regulatory relations, financial condition, future prospects and such other matters as we have deemed relevant to our inquiry. In addition, we have compared certain financial and stock market information for Hanmi with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of comparable transactions in the banking industry, and performed such other studies and analysis as we considered appropriate.

In conducting our review and arriving at our opinion, we have relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and we have not independently verified the accuracy or completeness of any such information or assumed any responsibility for such verification or accuracy. We have relied upon the management of Hanmi as to the reasonableness and achievability of the financial and operating forecasts and projections (and the related assumptions) provided to us, and we have assumed that such forecasts and projections reflect the best currently available estimates and judgments of management. We are not experts in the independent verification of the adequacy of allowances for loan losses and we have assumed the allowances for loan losses for Hanmi are adequate to cover such losses. In rendering our opinion, we have not obtained any evaluations or appraisals of the property or assets of Hanmi, nor have we examined any individual credit files.

We have assumed that, in all respects material to our analyses, the following: (i) Equity Offering will be completed substantially in accordance with the terms set forth in the Agreement; (ii) the representations and warranties of each party in the Agreement and in all related documents and instruments referred to in the Agreement are true and correct; (iii) each party to the Agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents; (iv) all conditions to the completion of the Equity Offering will be satisfied without any waivers; and (v) in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the Equity Offering, no restrictions will be imposed that will have a material adverse effect on the future operating results or financial condition of Hanmi.

We have considered such financial and other factors as we have deemed appropriate under the circumstances, including, among others, the following: (i) the historical and current financial position and operating results of Hanmi; (ii) the assets and liabilities of Hanmi; (iii) the Board's consent to a Final Order from the California Department of Financial Institutions and the Company's Written Agreement with the Federal Reserve Bank of California; and (iv) the terms of certain other transactions involving banks and bank holding companies. We have also taken into account our assessment of general economic, market and financial conditions and our overall experience in other transactions, as well as our expertise in valuations of companies and related securities. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof. Our opinion does not address the underlying business decision of Hanmi to proceed with the Equity Offering or the relative merits of the Equity Offering as compared to any strategic and financial alternatives that might be available to Hanmi.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the price paid per share of Hanmi Common Stock in the Equity Offering is fair, from a financial point of view, to the Company's shareholders.

Very Truly Yours,
