Notes to Consolidated Financial Statements

Note 1. Hanmi Financial Corporation

Hanmi Financial Corporation (“Hanmi Financial” or the “Company”) is a Delaware corporation that is the holding company for Hanmi Bank (the “Bank”) and is subject to the Bank Holding Company Act of 1956, as amended.

Hanmi Bank, the primary subsidiary of the Company, is a commercial bank licensed by the California Department of Financial Institutions. Hanmi Bank’s deposit accounts are insured under the Federal Deposit Insurance Act up to applicable limits thereof, and the Bank is a member of the Federal Reserve System.

Hanmi Bank is a community bank conducting general business banking with its primary market encompassing the multi-ethnic population of the Los Angeles, Orange, San Diego and Santa Clara counties. Hanmi Bank’s full-service offices are located in business areas where many of the businesses are run by immigrants and other minority groups, and its client base reflects the multi-ethnic composition of these communities. On April 30, 2004, the Company completed its acquisition of Pacific Union Bank (“PUB”), a \$1.2 billion (assets) commercial bank headquartered in Los Angeles that, like Hanmi, serves primarily the Korean-American community. Hanmi Bank currently has twenty-seven full-service branch offices located in Los Angeles, Orange, Santa Clara and San Diego counties. Of the twenty-seven offices, Hanmi Bank opened twelve as de novo branches and acquired fifteen through acquisition. On June 17, 2004, the Company announced it would close seven branches.

Note 2. Basis of Presentation

In the opinion of management, the consolidated financial statements of Hanmi Financial Corporation and its subsidiaries reflect all the material adjustments necessary for a fair presentation of the results for the interim period ended June 30, 2004, but are not necessarily indicative of the results which will be reported for the entire year. In the opinion of management, the aforementioned consolidated financial statements are in conformity with accounting principles generally accepted in the United States of America. The interim information should be read in conjunction with the Company’s 2003 Annual Report on Form 10-K.

Descriptions of the Company’s significant accounting policies are included in Note 1, Summary of Significant Accounting Policies, in the Company’s 2003 Form 10-K. Certain reclassifications were made to the prior period presentation to conform to the current period’s presentation.

Note 3. Investment Securities

The following table presents the fair value and the unrealized loss on securities that were temporarily impaired at June 30, 2004.

	Holding Period					
	Less than 12 Months		12 Months or More		Total

Total	\$344,577	\$ (7,163)	\$24,741	\$ (878)	\$369,318	\$ (8,041)

The temporary impairment is a result of the change in market interest rates and is not a result of the underlying issuer's ability to repay. Accordingly, we have not recognized the temporary impairment in our results of operations.

Note 4. Employee Stock-Based Compensation

The Company measures its employee stock-based compensation arrangements under the provisions of Accounting Principles Board Opinion No. 25, “Accounting for Stock Issued to Employees.” Accordingly, no compensation expense has been recognized for the stock option plan, as stock options were granted at fair value at the date of grant. Had compensation expense for the Company’s stock option plan been determined based on the fair values estimated using the Black-Scholes model at the grant dates for previous awards, the Company’s net income and income per share would have been reduced to the pro forma amounts indicated for the periods as follows:

	Quarter Ended June 30		Six Months Ended June 30	
	2004	2003	2004	2003

Diluted	\$ 0.24	\$ 0.33	\$ 0.64	\$ 0.62

Note 5. Earnings Per Share

Earnings per share ("EPS") is calculated on both a basic and diluted basis. Basic earnings per share excludes dilution and is computed by dividing income available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue common stock were exercised or converted into common stock or resulted from the issuance of common stock that then shared in earnings, excluding common shares in treasury.

The following table presents a reconciliation of the components used to derive basic and diluted earnings per share for the periods indicated.

Diluted EPS—Income available to common shareholders	\$ 9,192	14,259,383	\$ 0.64

Note 6. Derivative Financial Instruments

The Company has entered into interest rate swaps to hedge the interest rate risk associated with the cash flows of specifically identified variable-rate loans. As of June 30, 2004, the Company had five interest rate swap agreements with a total notional amount of \$70 million, wherein the Company receives a fixed rate of 5.77% and 6.37% at quarterly intervals for each \$20 million notional amount and a fixed rate of 6.51%, 6.76%, and 7.29% for each \$10 million notional amount, respectively. The swaps expire over the period March 14, 2008 through May 17, 2009. The Company pays a floating rate at quarterly intervals based on *The Wall Street Journal* published prime rate.

At June 30, 2004, the fair value of the interest rate swaps was in an unfavorable position of \$893,000. A total of \$544,000, net of tax, is included in other comprehensive loss. The fair value of the interest rate swaps is included in other liabilities in the accompanying consolidated statements of financial condition. Expenses of \$23,000 related to swap ineffectiveness were recorded in the Company's income statement for the quarter ended June 30, 2004.

Note 7. Current Accounting Matters

In accordance with Statement of Financial Accounting Standards No. 149, "Amendment of Statement No. 133 on Derivative Instruments and Hedging Activities" ("SFAS No. 149"), interest rate lock commitments on mortgage loans that will be held for sale must be accounted for as derivatives and marked to market in accordance with Statement of Financial Accounting Standards No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS No. 133"). All other interest rate lock commitments are excluded from SFAS No. 133, pursuant to SFAS No. 149.

The Securities and Exchange Commission ("SEC") issued guidance in Staff Accounting Bulletin No. 105 ("SAB No. 105") that requires that fair-value measurements include only differences between the guaranteed interest rates in loan commitments and a market interest rate, excluding any expected future cash flows related to the customer relationship or loan servicing. Servicing assets are to be recognized only after the servicing asset has been contractually separated from the underlying loan by sale or securitization of the loan with servicing retained. The guidance in SAB No. 105 must be applied to interest rate locks initiated after March 31, 2004 and is to be applied prospectively. The application of SAB No. 105 did not have a material effect on the Company.

Note 8. Business Combinations

On April 30, 2004, the Company completed its acquisition of Pacific Union Bank ("PUB") and merged PUB with Hanmi Bank. The Company paid \$164.5 million in cash to acquire 5,537,431 of the PUB shares owned by Korea Exchange Bank. All of the remaining PUB shares were converted in the acquisition into shares of the Company's common stock based on an exchange ratio of 1.156 Hanmi shares for each PUB share.

Immediately prior to the completion of the acquisition, the Company issued a total of 3,947,369 shares of its common stock pursuant to a private placement for total proceeds of \$75,000,000 before expenses and placement fees. As a result of the issuance of shares in the merger and the private placement, as well as normal stock option activity, the number of outstanding Company shares has increased to 24,438,017.

In addition, all outstanding PUB employee stock options were converted into 68,707 options to purchase Hanmi stock valued at \$1.1 million in total. Based on Hanmi's average price of \$25.06 for the five-day trading period from April 28 through May 4, 2004, the total consideration paid for PUB was \$324.7 million and resulted in the recognition of goodwill aggregating approximately \$207.2 million. This amount, as well as the fair values of assets and liabilities recorded, may change as certain estimates are finalized.

[Table of Contents](#)

As of April 30, 2004, the fair value of PUB net assets acquired was as follows:

	(dollars in thousands)
Assets:	
Cash and due from banks	\$ 27,527
Federal funds sold	76,900
Federal Home Loan Bank stock	6,256
Securities available for sale	157,905
Loans receivable, net of allowance for loan losses	865,743
Premises and equipment	11,668
Accrued interest receivable	3,786
Goodwill	207,216
Core deposit intangible	13,137
Other assets	13,198
Total assets	<u>1,383,336</u>
Liabilities:	
Deposits	936,643
Borrowings	105,789
Other liabilities	16,271
Total liabilities	<u>1,058,703</u>
Total consideration paid	<u>\$ 324,633</u>

The core deposit intangible is being amortized over its estimated useful life of five years. None of the goodwill balance is expected to be deductible for income tax purposes.

The Company incurred the following merger-related costs:

	Expensed	Included in Cost of Acquisition
	(dollars in thousands)	
Restructuring costs:		
Employee termination costs	\$ 1,039	\$ 1,425
Contract termination costs	—	1,827
Leasehold termination costs	348	1,260
Asset impairments	341	—
Total	<u>\$ 1,728</u>	<u>\$ 4,512</u>

Immediately following the acquisition of PUB, management initiated and approved plans to restructure the operations of the existing Hanmi and PUB branch networks and corporate headquarters to eliminate duplicative facilities, streamline operations, and reduce costs. Management anticipates that these actions, including the termination of approximately 100 management, headquarters, and branch employees, will be substantially complete by December 31, 2004. Through June 30, 2004, 13 employees had been terminated. On a pro forma basis, combined employee headcount of Hanmi and PUB decreased from 671 as of December 31, 2003 to 611 as of June 30, 2004, primarily as a result of attrition and the hiring freeze instituted January 2, 2004.

[Table of Contents](#)

Restructuring costs recognized as expenses during the second quarter of 2004 consisted primarily of employee severance and retention bonuses, data processing contract termination costs, the costs of vacating duplicative branches within Hanmi's existing network, and the impairment of fixed assets (primarily leasehold improvements) associated with such branches. Of the \$1,728,000 of total restructuring expenses provided, \$54,000 was utilized and charged against the related liability in the second quarter of 2004.

Certain restructuring costs (primarily PUB employee severance, data processing contract termination costs, and the costs of vacating duplicative branches within PUB's network) were recognized as liabilities assumed in the business combination or impairments of fixed assets associated with such branches. Accordingly, they have been considered part of the purchase price of PUB and recorded as an increase in the balance of goodwill. Of the \$4,512,000 of total restructuring costs that have been treated as part of the purchase price, \$1,112,000 was utilized and charged against the related liability in the second quarter of 2004.

Note 9. Junior Subordinated Debentures

On April 28, 2004, the Company formed Hanmi Capital Trust III (the “Trust”) to issue trust preferred securities. On April 28, 2004, the Trust issued \$20 million of trust preferred securities pursuant to a private placement underwritten by Trapeza Funding V, LLC and included in a pool of trust preferred securities assembled by Trapeza. In addition, it issued to the Company \$619,000 of trust common securities. The Trust used the proceeds to purchase \$20.6 million of the Company’s junior subordinated debt due April 30, 2009, bearing interest at the three-month LIBOR plus 2.63%. These notes are the sole assets of the Trust and are subordinate to all of the Company’s existing and future obligations.

The Company treats the trust preferred securities as Tier 1 capital. The debt, the common securities issued by the Trust, and the related income effects are eliminated within the Company’s consolidated financial statements.

The notes have a 30-year maturity, and they are callable after five years. Upon repayment of the debentures at their stated maturity or following their earlier redemption, the Trust will use the proceeds of such repayment to redeem an equivalent amount of outstanding trust preferred securities and trust common securities.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

The following is management's discussion and analysis of the major factors that influenced the Company's results of operations and financial condition for the three months and six months ended June 30, 2004. This analysis should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2003 and with the unaudited financial statements and notes thereto set forth in this report.

Critical Accounting Policies

We have established various accounting policies which govern the application of accounting principles generally accepted in the United States of America in the preparation of our financial statements. Our significant accounting policies are described in the Company's Annual Report on Form 10-K for the year ended December 31, 2003. Certain accounting policies require us to make significant estimates and assumptions which have a material impact on the carrying value of certain assets and liabilities, and we consider these to be critical accounting policies. The estimates and assumptions we use are based on historical experience and other factors, which we believe to be reasonable under the circumstances. Actual results could differ significantly from these estimates and assumptions which could have a material impact on the carrying value of assets and liabilities at the balance sheet dates and our results of operations for the reporting periods. Management has discussed the development and selection of these critical accounting policies with the Audit Committee of our Board of Directors.

We believe the allowance for loan losses is the critical accounting policy that requires the most significant estimates and assumptions, which are particularly susceptible to significant change in the preparation of our financial statements. See "Management's Discussion and Analysis of Financial Condition and Results of Operations – Financial Condition – Allowance and Provision for Loan Losses" for a description of the Company's methodology for determining the allowance for loan losses.

Forward-Looking Information

Certain matters discussed under this caption may constitute forward-looking statements under Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward looking statements relate to, among other things, expectations of the environment in which the Company operates and projection of future performance. There can be no assurance that the results described or implied in such forward-looking statements will, in fact, be achieved and actual results, performance, and achievements could differ materially because the business of the Company involves inherent risks and uncertainties. Risks and uncertainties include possible future deteriorating economic conditions in the Company's areas of operation; interest-rate risk associated with volatile interest rates and related asset-liability matching risk; liquidity risks; risk of significant non-earning assets, and net credit losses that could occur, particularly in times of weak economic conditions or times of rising interest rates; risks of available-for-sale securities declining significantly in value as interest rates rise; difficulties in integrating the operations of acquired companies; and regulatory risks associated with the variety of current and future regulations to which the Company is subject. For additional information concerning these factors, see the Company's filings with the Securities and Exchange Commission, and in particular, the Company's Form 10-K under the heading "Factors That May Affect Future Results of Operation," "Interest Rate Risk Management," and "Liquidity and Capital Resources."

Results of Operations

Overview

The Company's net income for the three months ended June 30, 2004 was \$7.5 million, or \$0.35 per diluted share, compared to \$5.0 million, or \$0.35 per diluted share, for the three months ended June 30, 2003. The 52.3% increase in net income for 2004 as compared to 2003 was primarily due to the acquisition of interest-earning assets totaling \$1.1 billion as part of the merger with PUB. Hanmi's results of operations include revenues and expenses derived from the assets acquired and liabilities assumed via the combination with PUB for the months of May and June 2004. Net interest income before provision for loan losses increased \$10.3 million, or 74.6%, due to ongoing growth in loan production as well as the newly acquired interest-earning assets. Non-interest income increased by \$1.2 million, or 20.6%, mainly due to an increase in service charges on deposit accounts. Non-interest expenses increased by \$7.5 million, or 72.7%, including \$1.7 million of non-recurring restructuring expenses. This increase was primarily attributable to the additional salaries and employee benefits, occupancy, professional fees, and data processing expenses incurred during the post-merger integration period. The annualized return on average assets was 1.13% for the three months ended June 30, 2004, compared to a return on average assets of 1.26% for the same period of 2003, a decrease of 13 basis points. The annualized return on average equity was 9.97%, and return on tangible equity was 19.72%, compared to 15.21% and 15.47%, respectively, in the three-month period a year ago.

The Company's net income for the six months ended June 30, 2004 was \$13.9 million, or \$0.78 per diluted share, compared to \$9.2 million, or \$0.64 per diluted share, for the six months ended June 30, 2003. Net interest income before provision for loan losses increased \$15.1 million, or 58.2%, to \$41.1 million, and non-interest income increased by \$1.5 million, or 14.7%, to \$11.6 million. Non-interest expenses increased by \$8.9 million, or 46.5%, including \$1.7 million of non-recurring restructuring expenses. The annualized return on average assets was 1.26% for the six months ended June 30, 2004, compared to a return on average assets of 1.21% for the same period of 2003, an increase of five basis points. The annualized return on average equity was 12.41%, and return on tangible equity was 18.75%, compared to 14.48% and 14.76%, respectively, in the six-month period a year ago.

Net Interest Income before Provision for Loan Losses

The principal component of the Company's earnings is net interest income, which is the difference between the interest and fees earned on loans and investments and the interest paid on deposits and other borrowed funds. When net interest income is expressed as a percentage of average interest-earning assets, the result is the net interest margin. The net interest spread is the yield on average interest-earning assets less the average cost of interest-bearing deposits and borrowed funds.

For the three months ended June 30, 2004, the Company's net interest income before provision for loan losses was \$24.2 million. This represented an increase of \$10.3 million, or 74.6%, over net interest income before provision for loan losses of \$13.9 million for the three months ended June 30, 2003. The net interest spread increased to 3.57% for the three months ended June 30, 2004, from 3.12% for the same period in 2003. The change was mainly due to an increase in rates received on loans and investments as the Company emphasized spread income and disposed of certain low-yielding investments in the first quarter of 2004. The net interest margin also increased 36 basis point to 4.10% for the three months ended June 30, 2004, from 3.74% for the same period in 2003, due to an increase in the volume of interest-earning assets with higher interest rates.

For the six months ended June 30, 2004, the Company's net interest income before provision for loan losses was \$41.1 million. This represented an increase of \$15.1 million, or 58.2%, over net interest income before provision for loan losses of \$26.0 million for the six months

ended June 30, 2003. The interest rate spread increased to 3.56% for the six months ended June 30, 2004, from 2.97% for the same period in 2003. The change was mainly due to an increase in rates received on loans and investments. The net interest margin also increased 46 basis point to 4.08% for the six months ended June 30, 2004, from 3.62% for the same period in 2003 due to an increase in the volume of interest earning assets with higher interest rates.

Total interest income increased \$12.6 million, or 65.8%, to \$31.7 million for the three months ended June 30, 2004, from \$19.1 million for the three months ended June 30, 2003. Total interest income increased \$17.2 million, or 47.1%, to \$53.8 million for the six months ended June 30, 2004, from \$36.6 million for the six months ended June 30, 2003. The increase was mainly the result of an increase in the volume of interest-earning assets attributable to the acquisition of PUB. For the second quarter of 2004, average interest-earning assets increased by \$882.1 million, or 59.6%, to \$1.89 billion, compared to \$1.06 billion a year ago. For the first half of 2004, average interest-earning assets increased by \$579 million, or 40.3%, to \$2.02 billion, compared to \$1.44 billion a year ago.

The Company's interest expense on deposits and other borrowed funds for the three months ended June 30, 2004 increased by \$2.2 million, or 42.5%, to \$7.5 million, from \$5.3 million for the three months ended June 30, 2003. The Company's interest expense on deposits and other borrowed funds for the six months ended June 30, 2004 increased by \$2.1 million, or 19.8%, to \$12.7 million, from \$10.6 million for the six months ended June 30, 2003. The increases reflected an increase in interest-bearing liabilities related to the acquisition of PUB; however, a decrease in interest rates paid to depositors offset the increase in the volume of interest-bearing deposits and borrowings.

Average interest-bearing liabilities were \$1.67 billion and \$1.42 billion for the three months and six months ended June 30, 2004, respectively, which represented increases of \$644.3 million, or 62.7%, and \$424 million, or 42.4%, respectively, from average interest-bearing liabilities of \$1.03 billion and \$1.0 billion for the same periods a year ago. The cost of average interest-bearing liabilities decreased to 1.79% and 1.78% for the three months and six months ended June 30, 2004, respectively, compared to costs of 2.04% and 2.11% for the same periods of 2003. Overall, interest on deposits decreased mainly due to repricing of interest rates on long-term certificates of deposit to lower interest rates as the deposits matured and the acquisition of PUB's deposits, which had a lower average interest rate compared to Hanmi's deposits portfolio.

Provision for Loan Losses

The provision for loan losses represents the charge against current earnings that is determined by management, through a disciplined credit review process, to be the amount needed to maintain an allowance that is sufficient to absorb loan losses inherent in the Company's loan portfolio. For the quarter ended June 30, 2004, the Company made a provision of \$850,000, compared to \$1.5 million in the same period in 2003. For the six months ended June 30, 2004, the Company's loan loss provision was \$1.8 million, and this represented a decrease of \$930,000, or 34.7%, from \$2.7 million in the same period in 2003. The Company's management believes that the allowance is sufficient for inherent losses in the portfolio at June 30, 2004 (see Allowance and Provision for Loan Losses).

Non-interest Income

Non-interest income includes revenues earned from sources other than interest income. It is mainly composed of service charges and fees on deposit accounts, fees charged on trade finance, and gain on sale of loans and investment securities. Non-interest income was \$6.8 million and \$11.6 million in the second quarter and first half of 2004, respectively, which represented increases of \$1.2 million, or 20.6%, and \$1.5 million, or 14.7%, compared to \$5.6 million and \$10.1 million recognized in the same periods in 2003.

The increase was mainly due to an increase of \$1.0 million, or 40.3%, and an increase of \$1.2 million, or 24.4%, in service charges on deposit accounts in the second quarter and first half of 2004, respectively. This increase was mainly due to an overall deposit increase, primarily as a result of the acquisition of PUB.

The Company earned trade finance fees, remittance fees, and other charges and fees aggregating \$1.7 million and \$3.0 million in the three months and six months ended June 30, 2004, respectively. This represented increases of 53.0% and 26.9% when compared to \$1.1 million and \$2.3 million earned in the second quarter and first half of 2003, respectively. These revenue increases were attributable to growth in the customer base, attributable primarily to the acquisition of PUB, and were offset by decreases in gain on sale of securities, which totaled \$6,000 and \$9,000 for the second quarter and first half of 2004, respectively, representing decreases of 99.2% and 99.0% from the same periods in 2003, when gain on sale of securities totaled \$707,000 and \$858,000, respectively.

The Company sells the guaranteed portion of the Small Business Administration (“SBA”) loans it originates in the secondary market, while the Company retains servicing rights. Second quarter 2004 gain on sale of loans decreased slightly to \$833,000, compared to \$878,000 in the second quarter of 2003. For the six months ended June 30, 2004, gain on sale of loans was \$1.3 million, which was same as a year ago.

Non-interest Expenses

Non-interest expenses increased from \$10.3 million to \$17.8 million, an increase of \$7.5 million or 72.7%, over the second quarter of 2003. Non-interest expenses increased \$8.9 million, or 46.5%, to \$28.2 million for the first half of 2004, from \$19.2 million in the first half of 2003. These increases were primarily attributable to increased expenses associated with the acquisition of PUB.

Salaries and employee benefits expenses for the second quarter and first half of 2004 increased \$2.4 million, or 42.9%, and \$3.4 million, or 33.1%, to \$8.0 million and \$13.6 million, from \$5.6 million and \$10.3 million for the same periods in 2003, due to a 66% increase in the number of employees following the acquisition of PUB.

Occupancy expenses for the second quarter and first half of 2004 increased \$849,000, or 66.2%, and \$1.0 million, or 42.6%, to \$2.1 million and \$3.5 million, compared to \$1.3 million and \$2.5 million in the same periods last year. This increase was mainly due to the acquisition of twelve former PUB branches.

Data processing expense for the second quarter of 2004 increased \$289,000, or 37.3%, to \$1.1 million, from \$775,000 during the second quarter of 2003. Data processing expense for the first half of 2004 increased by \$349,000, or 22.7%, to \$1.9 million, from \$1.5 million during the same period in 2003. Additional expense was incurred mainly due to an increase of loan and deposit volume related to the acquisition, offset by the Company's continuous effort to save data processing expense. Quarterly supplies and communication expenses also increased 69.2%, to \$621,000, in 2004, compared to \$367,000 in the second quarter of 2003.

Professional fees were \$613,000 and \$883,000 in the second quarter and first half of 2004, respectively, representing increases of \$187,000, or 43.9%, and \$160,000, or 22.1%, from \$426,000 and \$723,000 recognized in the same periods of 2003. The increase was caused primarily by increased legal fees associated with the merger with PUB and related securities offerings, as well as consulting fees related to the integration with PUB and data processing system conversions.

Advertising expenses increased from \$362,000 and \$773,000 in the second quarter and first half of 2003, respectively, to \$878,000 and \$1.4 million in the same periods of 2004, representing increases of \$516,000, or 142.5%, and \$650,000, or 84.1%, respectively. In 2004, Hanmi Bank conducted print, radio, and television campaigns and distributed various promotional items to publicize its merger with PUB and attract and retain customers.

In the second quarter of 2004, the Company recorded restructuring charges totaling \$1.7 million in connection with the acquisition of PUB, consisting of employee severance and retention bonuses, data processing contract and leasehold termination costs, and fixed asset impairment charges associated with planned branch closures. The Company expects to incur approximately \$325,000 additional retention bonus expenses under a retention plan adopted by PUB before the merger that calls for employees to receive bonuses for work performed through July 29, 2004. Such costs are treated as period costs and are recognized in the period services are rendered.

Core deposit premium amortization increased to \$469,000 for the second quarter and \$499,000 for the first half of 2004, compared \$31,000 and \$61,000 for the comparable prior year periods, an increase of \$438,000 for each period. The increases are attributable to the acquisition of PUB.

Other operating expenses were \$1.9 million and \$3.0 million in the second quarter and first half of 2004, compared to \$1.3 million and \$2.2 million in the prior year, representing increases of \$582,000, or 45.4%, and \$787,000, or 35.4%, respectively. The increases are attributable primarily to additional operating expenses associated with the acquisition of PUB.

Provision for Income Taxes

For the three months and six months ended June 30, 2004, the Company recognized provisions for income taxes of \$4.8 million and \$8.9 million on net income before tax of \$12.4 million and \$22.8 million, respectively, representing an effective tax rate of 39.0%. The tax rate for the six month period in 2003 was 35.4%, and this lower tax rate for the six-month period in 2003 was mainly due to the recognition of income tax benefits generated by a real estate investment trust ("REIT"), a special purpose subsidiary of the Company.

As previously reported, the California Franchise Tax Board announced its position that certain transactions related to REIT will be disallowed under California law adopted in the fourth quarter of 2003. While management continues to believe that the tax benefits realized in previous years were appropriate, the Company deemed it prudent to participate in the statutory Voluntary Compliance Initiative — Option 2, requiring payment of all California taxes and interest on these disputed tax benefits, and permitting the Company to claim a refund while avoiding certain potential penalties. During the second quarter of 2004, the Company paid a \$1.9 million state tax payment for the year 2002.

Financial Condition

Summary of Changes in Balance Sheets - June 30, 2004 Compared to December 31, 2003

At June 30, 2004, the Company's total assets were \$3.10 billion, an increase of \$1.31 billion, or 73.4%, from the December 31, 2003 balance of \$1.79 billion. The increase was mainly due to the acquisition of PUB, with assets of \$1.2 billion, and also attributable to the ongoing growth of loan production during the period. At June 30, 2004, loans, net of unearned fees, allowance for loan losses and loans held for sale, totaled \$2.17 billion, an increase of \$944 million, or 77.3%, from \$1.22 billion at December 31, 2003. Of this increase, net loans acquired in the merger with PUB accounted for \$865 million. Investment securities increased \$45 million, or 10.9%, to \$460 million from \$415 million at December 31, 2003. The increase in assets was mainly funded by deposits, which increased by \$899 million, or 62.2%, to \$2.35 billion at June 30, 2004, from \$1.45 billion at December 31, 2003. Deposits obtained as part of the merger with PUB were \$936 million.

Investment Security Portfolio

The Company classifies its securities as held to maturity or available for sale in accordance with Statement of Financial Accounting Standards No. 115. Those securities that the Company has the ability and intent to hold to maturity are classified as "held-to-maturity securities." All other securities are classified as "available-for-sale." The Company owned no trading securities at June 30, 2004. Securities classified as held-to-maturity are stated at cost, adjusted for amortization of premiums and accretion of discounts, and available-for-sale securities are stated at fair value. The securities currently held by the Company consist primarily of U.S. government agency securities, mortgage-backed securities, collateralized mortgage obligations and municipal bonds.

As of June 30, 2004, held-to-maturity securities totaled \$1.2 million, and available-for-sale securities totaled \$458.5 million, compared to \$1.3 million and \$413.3 million at December 31, 2003, respectively.

The unrealized losses are only temporary impairment due to the change in market interest rates.

Loan Portfolio

The Company carries all loans at face amount, less principal repayments collected, net of deferred loan origination fees and costs, and the allowance for loan losses. Interest on all loans is accrued daily. Once a loan is placed on non-accrual status, the accrual of interest is discontinued and previously accrued interest is reversed. Loans are placed on non-accrual status when principal and interest on a loan is past due 90 days or more, unless a loan is both well secured and in the process of collection.

The Company's net loans, including loans held for sale of \$31.6 million, were \$2.20 billion at June 30, 2004. This represented an increase of \$950 million, or 76.2%, over net loans of \$1.25 billion at December 31, 2003, including \$865 million of net loans acquired in the merger with PUB. In general, Hanmi's existing branch network continued to experience strong growth, consistent with prior years, while branches acquired from PUB experienced limited borrower attrition.

Real estate loans increased \$523.3 million, or 104.8%, to \$1.0 billion at June 30, 2004, from \$499.4 million at December 31, 2003, mainly due to the acquisition of PUB. Real estate loans held by existing Hanmi branches (i.e., branches other than the acquired PUB branches) increased \$24.5 million, or 4.9%, during the six-month period. The slow growth of the real estate loan portfolio relative to other portfolio segments reflects management's emphasis on controlling exposure to excessive concentration in commercial real estate.

Total commercial loans, composed of domestic commercial, trade-financing, and SBA commercial loans, were \$1.12 billion at June 30, 2004, which represented an increase of \$407 million, or 57.3%, from \$711 million at December 31, 2003. Commercial loans held by existing Hanmi branches increased \$87.8 million, an increase of 12.4%.

Consumer loans increased \$32.4 million, or 59.0%, to \$87.3 million at June 30, 2004. Of this increase, consumer loans held by existing Hanmi branches increased \$6.5 million, an increase of 11.9%.

The following table shows the Company's loan composition by type, including loans held for sale.

(1) Amount includes loans held for sale, at the lower of cost or market, of \$31.6 million and \$25.5 million at June 30, 2004 and December 31, 2003, respectively.

At June 30, 2004, accruing loans 90 days past due or more were \$325,000, a decrease of \$232,000 from \$557,000 at December 31, 2003. This was due in large part to the payoff of several trust receipt loans.

Non-accrual loans were \$8.1 million at June 30, 2004, including \$2.2 million acquired through the merger with PUB. Excluding non-accrual loans acquired via the merger, non-accrual loans decreased by \$2.2 million to \$5.9 million. The decrease was primarily due to the charge-off of a \$2.0 million commercial term loan during the first quarter of 2004.

The table below shows the composition of the Company's nonperforming assets as of the dates indicated.

Allowance and Provision for Loan Losses

The allowance for loan losses is maintained at a level that management believes is adequate to absorb estimated incurred loan losses inherent in various financial instruments. The adequacy of the allowance is determined through periodic evaluations of the Company's portfolio and other pertinent factors, which are inherently subjective, as the process calls for various significant estimates and assumptions. Among others, the estimates involve the amounts and timing of expected future cash flows and the fair value of collateral on impaired loans, estimated losses on loans based on historical loss experience, various qualitative factors, and uncertainties in estimating losses and inherent risks in the various credit portfolios, which may be subject to substantial change.

On a quarterly basis, the Company utilizes a classification migration model and individual loan review analysis tools, as starting points for determining the allowance for loan loss adequacy. The Company's loss migration analysis tracks twelve quarters of loan losses to determine historical loss experience in every classification category (i.e., pass, special mention, substandard, and doubtful) for each loan type, except consumer loans (automobile, mortgage, and credit card), which are analyzed as homogeneous loan pools. These calculated loss factors are then applied to outstanding loan balances, unused commitments, and off-balance sheet exposures, such as letters of credit. The individual loan review analysis is the other axis of the allowance allocation process, applying specific monitoring policies and procedures in analyzing the existing loan portfolios.

The results from the above two analyses are thereafter compared to independently generated information such as peer group comparisons and the federal regulatory interagency policy for loan and lease losses. Further assignments are made based on general and specific economic conditions, as well as performance trends within specific portfolio segments and individual concentrations of credit. Management utilized the same methodology to determine the allowance for loan loss adequacy for the loan portfolios acquired from PUB.

The allowance for loan losses was \$25.4 million at June 30, 2004, including \$10.6 million acquired through the acquisition of PUB. This is an increase of \$10.7 million, or 72.4%, compared to \$14.7 million

[Table of Contents](#)

at December 31, 2003. The increase in the allowance for loan losses at June 30, 2004 was due primarily to the acquisition of PUB, which had an allowance for loans losses of \$10.6 million at April 30, 2004, the charge-off of loans in the amount of \$1.6 million, for which a specific allocation had been provided, and the provision for the first half of 2004, which was \$1.8 million.

The loan loss estimation is based on historical losses and specific allocations of the allowance are performed on a quarterly basis. Adjustments to allowance allocations for specific segments of the loan portfolio may be made as a result thereof, based on the accuracy of forecasted loss amounts and other loan- or policy-related issues.

The Company determines the appropriate overall allowance for loan losses based on the foregoing analysis, taking into account management's judgment. The allowance methodology is reviewed on a periodic basis and modified as appropriate. Based on this analysis, including the aforementioned factors, the Company believes that the allowance for loan losses is adequate as of June 30, 2004.

The Company concentrates the majority of its earning assets in loans. In all forms of lending, there are inherent risks. The Company concentrates the preponderance of its loan portfolio in either commercial loans or real estate loans. A small part of the portfolio is represented by installment loans mainly for the purchase of automobiles.

While the Company believes that its underwriting criteria are prudent, outside factors can adversely impact credit quality. The Company has attempted to mitigate collection problems by supporting its loans with fungible collateral. Additionally, a portion of the portfolio is represented by loans guaranteed by the SBA, which further reduces the Company's potential for loss. The Company also utilizes credit review in an effort to maintain loan quality. Loans are reviewed throughout the year with new loans and those that are delinquent receiving special attention. In addition to the Company's internal grading system, loans criticized by this credit review are downgraded with appropriate allowances added if required.

Although management believes the allowance is adequate to absorb losses as they arise, no assurance can be given that the Company will not sustain losses in any given period, which could be substantial in relation to the size of the allowance.

Deposits

At June 30, 2004, the Company's total deposits increased \$899 million, or 62.2%, to \$2.35 billion from \$1.45 billion at December 31, 2003. Of this increase, deposits acquired in the merger with PUB accounted for \$936 million. Demand deposits increased to \$763 million at June 30, 2004 from \$475 million at December 31, 2003. Demand deposits held by existing Hanmi branches increased \$34 million, an increase of 7.2%, while there was limited attrition among former PUB depositors.

Money market accounts increased to \$506 million at June 30, 2004 from \$206 million at December 31, 2003, an increase of 145%. Growth in money market accounts at existing Hanmi branches totaled \$146 million, or 70.7%, from the December 31, 2003 balance of \$206 million. Time deposits increased to \$926 million at June 30, 2004, an increase of \$258 million, or 38.6%, from the December 31, 2003 balance of \$668 million.

During the quarter, the Company reevaluated the profitability of its relationships with certain large former PUB depositors, which caused targeted declines of \$50 million in brokered certificates of deposit and \$54 million in certain volatile money market accounts following the acquisition.

Core deposits (defined as demand, money market, and savings deposits) grew \$641 million, or 82.4%, to \$1,419 million from \$778 million during the six months ended June 30, 2004. The overall deposit increase and a change of deposit composition was mainly due to an expansion of the branch network through the merger with PUB and the results of a special deposit campaign for money market accounts during the first quarter of 2004.

Borrowings

The Company's borrowings mostly take the form of advances from the Federal Home Loan Bank of San Francisco ("FHLB"), overnight federal funds, and junior subordinated debt associated with trust preferred securities.

FHLB advances increased \$113 million, or 76.4%, during the first half of 2004, to \$261 million at June 30, 2004, from \$148 million at December 31, 2003. The increase includes PUB's outstanding borrowings from the FHLB of \$105 million at April 30, 2004. During the first half of 2004, three trusts established by the Company issued \$80 million of trust preferred securities to investors. The Company's

outstanding subordinated debt related to these offerings, used to finance the purchase of PUB, was \$82 million at June 30, 2004.

Liquidity and Capital Resources

Liquidity of the Company is defined as the ability to supply cash as quickly as needed without severely deteriorating its profitability. The Company's major liquidity on the asset side stems from available cash positions, Federal funds sold and short-term investments categorized as available-for-sale securities, which can be disposed of without significant capital losses in the ordinary course of business. Liquidity sources on the liability side include borrowing capacities, which include Federal funds lines, repurchase agreements, and Federal Home Loan Bank advances. Thus, maintenance of high quality securities that can be used for collateral in repurchase agreements is another important feature of liquidity management.

Liquidity risk may occur when the Bank has few short-duration securities available for sale and/or is not capable of raising funds as quickly as necessary at acceptable rates in the capital or money markets. Also, a heavy and sudden increase in cash demands for loans, deposits or other purposes such as corporate acquisitions can tighten the liquidity position. Several ratios are reviewed on a daily, monthly, and quarterly basis to manage the liquidity position and to preempt any liquidity crisis. Six specific statistics, which include the loans-to-assets ratio, off-balance sheet items, dependence on non-core deposits, foreign deposits, lines of credit, and liquid assets are reviewed regularly for liquidity management purposes.

The maintenance of a proper level of liquid assets is critical for both the liquidity and the profitability of the Company. Since the primary objective of the investment portfolio is to ensure proper liquidity of the Company, management maintains appropriate levels of liquid assets to avoid exposure to higher than necessary liquidity risk.

At June 30, 2004, short-term investments totaled 4% of assets, compared to 6% at December 31, 2003. Core deposits, expressed as a percentage of total assets, increased to 41% at June 30, 2004 from 40% at December 31, 2003, while short-term non-core funding decreased to 36% of assets from 45% of assets over the same period. The ratio of short-term investments to short-term non-core funding increased slightly, to 21% from 20%. Off-balance sheet items, primarily unused credit lines, were 15% of assets, at June 30, 2004.

[Table of Contents](#)

The Company saw a steady demand for loans during first half of 2004. Net loans as a percentage of total assets increased slightly, to 71% of assets at June 30, 2004 from 70% of assets at December 31, 2003.

In anticipation of the acquisition of PUB, the Bank reduced its investment portfolio in the first quarter of 2004 by \$52.1 million, primarily through sales of certain mortgage-backed securities and collateralized mortgage obligations, reducing its regulatory capital requirements. In addition, in the first half of 2004, the Company raised a total of \$80.0 million through the issuance of trust-preferred securities and \$75.0 million through a private placement of common stock. These funds increased the Bank's Tier 1 regulatory capital by \$155.5 million and were used to finance a portion of the \$164.5 million cash portion of the purchase price of PUB.

As part of the acquisition of PUB, the Bank acquired a portfolio of liquid assets, including \$27.5 million cash and balances due from banks and \$76.9 million overnight Federal funds sold. During the second quarter, management reevaluated the profitability of the Bank's relationships with certain former PUB customers. As a result, there was a \$54.0 million targeted decline in certain volatile money market deposit accounts and a \$50.0 million decline in brokered certificates of deposit following the acquisition, which reduced the need to maintain highly liquid assets.

In order to ensure adequate levels of capital, the Company conducts an ongoing assessment of projected sources and uses of capital in conjunction with projected increases in assets and levels of risk. Management considers, among other things, on an ongoing basis, cash generated from operations, access to capital from financial markets or the issuance of additional securities, including common stock or notes, to meet the Company's capital needs. Total shareholders' equity was \$373.8 million at June 30, 2004. This represented an increase of \$234.3 million, or 168.0%, over total shareholders' equity of \$139.5 million at December 31, 2003.

The regulatory agencies require a minimum ratio of qualifying total capital to risk-adjusted assets of 8% and a minimum ratio of Tier 1 capital to risk-adjusted assets of 4%. In addition to the risk-based guidelines, regulators require banking organizations to maintain a minimum amount of Tier 1 capital to total assets, referred to as the leverage ratio, of 4%. For a bank rated in the highest of the five categories used by regulators to rate banks, the minimum leverage ratio is 3%. In addition to these uniform risk-based capital guidelines that apply across the industry, the regulators have the discretion to set individual minimum capital requirements for specific institutions at rates significantly above the minimum guidelines and ratios.

At June 30, 2004, Tier 1 capital (shareholders' equity less intangible assets) was \$236.3 million. This represented an increase of \$99.7 million, or 73%, over total Tier 1 capital of \$136.6 million at December 31, 2003. At June 30, 2004, the Company had a ratio of total capital to total risk-weighted assets of 11.19% and a ratio of Tier 1 capital to total risk weighted assets of 10.11%. The Tier 1 leverage ratio was 9.66% at June 30, 2004.

The following table presents the amounts of regulatory capital and the capital ratios for the Company, compared to the regulatory capital requirements as of June 30, 2004.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

General

Interest rate risk indicates the Company's exposure to market interest rate fluctuations. The movement of interest rates directly and inversely affects the economic value of fixed-income assets, which is the present value of future cash flow discounted by the current interest rate. Under the same conditions, the higher the current interest rate, the higher the denominator of discounting. Interest rate risk management is intended to decrease or increase the level of the Company's exposure to fluctuations in market interest rates. The level of interest rate risk can be managed through the changing of gap positions, the volume of fixed-income assets, etc. For successful management of interest rate risk, the Company uses various methods with which to measure existing and future interest rate risk exposures. In addition to regular reports used in business operations, re-pricing gap analysis, stress testing, and simulation modeling are the main measurement techniques used to quantify interest rate risk exposure.

The following table shows the status of the Company's gap position at June 30, 2004.

Cumulative gap	\$1,043,589	\$ 400,093	\$ 1,136	\$ 56,983	\$ (0)	

The re-pricing gap analysis measures the static timing of re-pricing risk of assets and liabilities, i.e., a point-in-time analysis measuring the difference between assets maturing or re-pricing in a period and liabilities maturing or re-pricing within the same time period. Assets are assigned to maturity and re-pricing categories based on their expected repayment or re-pricing dates, and liabilities are assigned based on their maturity dates. Core deposits that have no maturity dates (demand deposits, savings, MMDA, and NOW accounts) are assigned to categories based on expected decay rates.

During the quarter ended June 30, 2004, the cumulative amount of re-pricing assets as a percentage of earning assets decreased in both the less-than-three-months and the three-to-twelve-months re-pricing periods. When compared to the previous quarter, the percentage of net earning assets in the less-than-three-months period declined slightly from 40.87% to 37.97%. The cumulative percentage in the three-to-twelve-months period was 14.56%, compared to 18.83% at March 31, 2004. The issuance of trust preferred securities in the amount of \$20 million contributed to these decreases in the gap position.

The following table summarizes the most recent status of the Company's gap position as of June 30, 2004.

	Less than 3 Months		3 to 12 Months	
	Current Quarter	Previous Quarter	Current Quarter	Previous Quarter
Cumulative repricing	\$ 1,043,589	\$ 683,894	\$ 400,093	\$ 315,144
As a percentage of total assets	33.70%	38.84%	12.92%	17.90%
As a percentage of earning assets	37.97%	40.87%	14.56%	18.83%

To supplement traditional gap analysis, the Company performs simulation modeling to estimate the potential effects of interest rate changes. The following table summarizes one of the stress simulations performed by the Company to forecast the impact of changing interest rates on net interest income and the market value of interest-earning assets and interest-bearing liabilities reflected on the Company's balance sheet. This sensitivity analysis is compared to policy limits, which specify the maximum tolerance level for net interest income exposure over a one-year horizon, given the basis point adjustments in interest rates presented below.

**Current Exposure of the Company to
Hypothetical Changes in Interest Rates**

(dollars in thousands)

Change in Interest Rates (bps)	Projected Changes (%)		Projected Change in Amount		Expected Amount	
	Projected Net Interest Income	Projected Economic Value of Shareholders' Equity	Projected Net Interest Income	Projected Economic Value of Shareholders' Equity	Net Interest Income	Economic Value of Shareholders' Equity
200	11.76%	(5.91)%	\$ 11,978	\$ (27,266)	\$113,803	\$ 434,301
100	5.87%	(3.14)%	5,980	(14,487)	107,805	447,080
0	0.0%	0.00%	0	0	101,826	461,567
(100)	(7.38)%	3.62%	(7,518)	16,717	94,308	478,284
(200)	(15.81)%	9.02%	(16,103)	41,620	85,723	503,187

In the above stress simulation, for a 100 basis point decline in interest rates, the Company may be exposed to a 7.38% decline in net interest income and a 3.62% increase in the economic value of shareholders' equity. For a 100 basis point increase in interest rates, net interest income may increase by 5.87%, but the economic value of shareholders' equity may decrease by 3.14%. For a 200 basis point increase in interest rates, net interest income may increase by 11.76%, but economic value of shareholders' equity may decrease by 5.91%. For a 200 basis point decrease in interest rates, net interest income may decrease by 15.81%, but economic value of shareholders' equity may increase by 9.02%. As shown in the above table, all figures remained well within internal policy guidelines.

The estimated sensitivity does not necessarily represent a Company forecast and the results may not be indicative of actual change to the Company's net interest income. These estimates are based upon a number of assumptions, including the nature and timing of interest rate levels including yield curve shape, prepayments on loans and securities, pricing strategies on loans and deposits, and replacement of asset and liability cash flows. While the assumptions used are based on current economic and local market conditions, there is no assurance as to the predictive nature of these conditions, including how customer preferences or competitor influences might change

Contractual Obligations

There were no material changes to the Company's long-term debt described in its Annual Report on Form 10-K for the year ended December 31, 2003, other than the issuance in the period ended June 30, 2004 of \$82.4 million junior subordinated debt discussed above.

Dividends

On June 16, 2004, the Company declared a quarterly cash dividend of \$0.10 per common share for the second quarter of 2004. The dividend was paid on July 15, 2004. Future dividend payments are subject to the Company's future earnings and legal requirements and the discretion of the Board of Directors.

(i) the negotiation of the terms of, and the execution and delivery of, the Placement Agreement providing for the sale of the Preferred Securities in one or more transactions exempt from registration under the Securities Act, and in compliance with applicable state securities or blue sky laws; and

(ii) the taking of any other actions necessary or desirable to carry out any of the foregoing activities.

(c) Notwithstanding anything herein to the contrary, the Administrative Trustees are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that the Trust will not be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes, so that the Notes will be treated as indebtedness of the Depositor for United States federal income tax purposes and so that the Trust will not be deemed to be an "investment company" required to be registered under the Investment Company Act. In this connection, each Administrative Trustee is authorized to take any action, not inconsistent with applicable law, the Certificate of Trust or this Trust Agreement, that such Administrative Trustee determines in his or her discretion to be necessary or desirable for such purposes, as long as such action does not adversely affect in any material respect the interests of the Holders of the Outstanding Preferred Securities. In no event shall the Administrative Trustees be liable to the Trust or the Holders for any failure to comply with this Section 2.5 to the extent that such failure results solely from a change in law or regulation or in the interpretation thereof.

(d) Any action taken by a Trustee in accordance with its powers shall constitute the act of and serve to bind the Trust. In dealing with any Trustee acting on behalf of the Trust, no Person shall be required to inquire into the authority of such Trustee to bind the Trust. Persons dealing with the Trust are entitled to rely conclusively on the power and authority of any Trustee as set forth in this Trust Agreement.

SECTION 2.6. Assets of Trust.

The assets of the Trust shall consist of the Trust Property.

SECTION 2.7. Title to Trust Property.

(a) Legal title to all Trust Property shall be vested at all times in the Property Trustee and shall be held and administered by the Property Trustee in trust for the benefit of the Trust and the Holders in accordance with this Trust Agreement.

(b) The Holders shall not have any right or title to the Trust Property other than the undivided beneficial interest in the assets of the Trust conferred by their Trust Securities and they shall have no right to call for any partition or division of property, profits or rights of the Trust except as described below. The Trust Securities shall be personal property giving only the rights specifically set forth therein and in this Trust Agreement.

ARTICLE III.

PAYMENT ACCOUNT; PAYING AGENTS

SECTION 3.1. Payment Account.

(a) On or prior to the Closing Date, the Property Trustee shall establish the Payment Account. The Property Trustee and the Paying Agent shall have exclusive control and sole right of withdrawal with respect to the Payment Account for the purpose of making deposits in and withdrawals from the Payment Account in accordance with this Trust Agreement. All monies and other property deposited or held from time to time in the Payment Account shall be held by the Property Trustee in the Payment Account for the exclusive benefit of the Holders and for Distribution as herein provided.

(b) The Property Trustee shall deposit in the Payment Account, promptly upon receipt, all payments of principal of or interest on, and any other payments with respect to, the Notes. Amounts held in the Payment Account shall not be invested by the Property Trustee pending distribution thereof.

SECTION 3.2. Appointment of Paying Agents.

The Paying Agent shall initially be the Property Trustee. The Paying Agent shall make Distributions to Holders from the Payment Account and shall report the amounts of such Distributions to the Property Trustee and the Administrative Trustees. Any Paying Agent shall have the revocable power to withdraw funds from the Payment Account solely for the purpose of making the Distributions referred to above. The Administrative Trustees may revoke such power and remove the Paying Agent in their sole discretion. Any Person acting as Paying Agent shall be permitted to resign as Paying Agent upon thirty (30) days' written notice to the Administrative Trustees and the Property Trustee. If the Property Trustee shall no longer be the Paying Agent or a successor Paying Agent shall resign or its authority to act be revoked, the Administrative Trustees shall appoint a successor (which shall be a bank or trust company) to act as Paying Agent. Such successor Paying Agent appointed by the Administrative Trustees shall execute and deliver to the Trustees an instrument in which such successor Paying Agent shall agree with the Trustees that as Paying Agent, such successor Paying Agent will hold all sums, if any, held by it for payment to the Holders in trust for the benefit of the Holders entitled thereto until such sums shall be paid to such Holders. The Paying Agent shall return all unclaimed funds to the Property Trustee and upon removal of a Paying Agent such Paying Agent shall also return all funds in its possession to the Property Trustee. The provisions of Article VIII shall apply to the Property Trustee also in its role as Paying Agent, for so long as the Property Trustee shall act as Paying Agent and, to the extent applicable, to any other Paying Agent appointed hereunder. Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

ARTICLE IV.

DISTRIBUTIONS; REDEMPTION

SECTION 4.1. Distributions.

(a) The Trust Securities represent undivided beneficial interests in the Trust Property, and Distributions (including any Additional Interest Amounts) will be made on the Trust Securities at the rate and on the dates that payments of interest (including any Additional Interest) are made on the Notes. Accordingly:

(i) Distributions on the Trust Securities shall be cumulative, and shall accumulate whether or not there are funds of the Trust available for the payment of Distributions. Distributions shall accumulate from January 8, 2004, and, except as provided in clause (ii) below, shall be payable quarterly in arrears on January 15th, April 15th, July 15th and October 15th of each year, commencing on April 15, 2004. If any date on which a Distribution is otherwise payable on the Trust Securities is not a

Business Day, then the payment of such Distribution shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date (each date on which Distributions are payable in accordance with this Section 4.1(a)(i), a "Distribution Date");

(ii) in the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Trust Securities shall be deferred. Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest on the Notes shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates, to Holders of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

16

(iii) Distributions shall accumulate in respect of the Trust Securities at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% of the Liquidation Amount of the Trust Securities, such rate being the rate of interest payable on the Notes. LIBOR shall be determined by the Calculation Agent in accordance with Schedule A. The amount of Distributions payable for any period less than a full Distribution period shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant Distribution period. The amount of Distributions payable for any period shall include any Additional Interest Amounts in respect of such period; and

(iv) Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

(b) Distributions on the Trust Securities with respect to a Distribution Date shall be payable to the Holders thereof as they appear on the Securities Register for the Trust Securities at the close of business on the relevant record date, which shall be at the close of business on the fifteenth day (whether or not a Business Day) preceding the relevant Distribution Date. Distributions payable on any Trust Securities that are not punctually paid on any Distribution Date as a result of the Depositor having failed to make an interest payment under the Notes will cease to be payable to the Person in whose name such Trust Securities are registered on the relevant record date, and such defaulted Distributions and any Additional Interest Amounts will instead be payable to the Person in whose name such Trust Securities are registered on the special record date, or other specified date for determining Holders entitled to such defaulted Distribution and Additional Interest Amount, established in the same manner, and on the same date, as such is established with respect to the Notes under the Indenture.

SECTION 4.2. Redemption.

(a) On each Note Redemption Date and on the stated maturity (or any date of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price.

(b) Notice of redemption shall be given by the Property Trustee by first-class mail, postage prepaid, mailed not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date to each Holder of Trust Securities to be redeemed, at such Holder's address appearing in the Securities Register. All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be

calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price provided pursuant to the Indenture, as calculated by the Depositor, together with a statement that it is an estimate and that the actual Redemption Price will be calculated by the Calculation Agent on the fifth Business Day prior to the Redemption Date (and if an

17

estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all the Outstanding Trust Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) and Liquidation Amounts of the particular Trust Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Trust Security, or portion thereof, to be redeemed and that Distributions thereon will cease to accumulate on such Trust Security or such portion, as the case may be, on and after said date, except as provided in Section 4.2(d);

(v) the place or places where the Trust Securities are to be surrendered for the payment of the Redemption Price; and

(vi) such other provisions as the Property Trustee deems relevant.

(c) The Trust Securities (or portion thereof) redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after January 15, 2009, in whole or in part, from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption (the "Indenture Redemption Price"); provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price (as set forth in the Indenture).

(d) If the Property Trustee gives a notice of redemption in respect of any Preferred Securities, then by 1:00 P.M., New York City time, on the Redemption Date, the Depositor shall deposit sufficient funds with the Property Trustee to pay the Redemption Price. If such deposit has been made by such time, then by 2:00 P.M., New York City time, on the Redemption Date, the Property Trustee will, with respect to Book-Entry Preferred Securities, irrevocably deposit with the Depository for such Book-Entry Preferred Securities, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give such Depository irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities. With respect to Preferred Securities that are not Book-Entry Preferred Securities, the Property Trustee will irrevocably deposit with the Paying Agent, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities upon surrender of their Preferred Securities Certificates. Notwithstanding the foregoing, Distributions payable on or prior to the Redemption Date for any

18

Trust Securities (or portion thereof) called for redemption shall be payable to the Holders of such Trust Securities as they appear on the Securities Register on the relevant record dates for the related Distribution Dates. If notice of redemption shall have been given and funds deposited as required, then upon the date of such deposit, all rights of Holders holding Trust Securities (or portion thereof) so called for redemption will cease, except the right of such Holders to receive the Redemption Price and any Distribution payable in respect of the Trust Securities on or prior to the Redemption Date, but without interest, and, in the case of a partial redemption, the right of such Holders to receive a new Trust Security or Securities of authorized denominations, in aggregate Liquidation Amount equal to the unredeemed portion of such Trust Security or Securities, and such Securities (or portion thereof) called for redemption will cease to be Outstanding. In the event that any date on which any Redemption Price is payable is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in

each case, with the same force and effect as if made on such date. In the event that payment of the Redemption Price in respect of any Trust Securities (or portion thereof) called for redemption is improperly withheld or refused and not paid either by the Trust or by the Depositor pursuant to the Guarantee Agreement, Distributions on such Trust Securities (or portion thereof) will continue to accumulate, as set forth in Section 4.1, from the Redemption Date originally established by the Trust for such Trust Securities (or portion thereof) to the date such Redemption Price is actually paid, in which case the actual payment date will be the date fixed for redemption for purposes of calculating the Redemption Price.

(e) Subject to Section 4.3(a), if less than all the Outstanding Trust Securities are to be redeemed on a Redemption Date, then the aggregate Liquidation Amount of Trust Securities to be redeemed shall be allocated pro rata to the Common Securities and the Preferred Securities based upon the relative aggregate Liquidation Amounts of the Common Securities and the Preferred Securities. The Preferred Securities to be redeemed shall be redeemed on a pro rata basis based upon their respective Liquidation Amounts not more than sixty (60) days prior to the Redemption Date by the Property Trustee from the Outstanding Preferred Securities not previously called for redemption; provided, however, that with respect to Holders that would be required to hold less than one hundred (100) but more than zero (0) Trust Securities as a result of such redemption, the Trust shall redeem Trust Securities of each such Holder so that after such redemption such Holder shall hold either one hundred (100) Trust Securities or such Holder no longer holds any Trust Securities, and shall use such method (including, without limitation, by lot) as the Trust shall deem fair and appropriate; and provided, further, that so long as the Preferred Securities are Book-Entry Preferred Securities, such selection shall be made in accordance with the Applicable Depositary Procedures for the Preferred Securities by such Depositary. The Property Trustee shall promptly notify the Securities Registrar in writing of the Preferred Securities (or portion thereof) selected for redemption and, in the case of any Preferred Securities selected for partial redemption, the Liquidation Amount thereof to be redeemed. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Preferred Securities shall relate, in the case of any Preferred Securities redeemed or to be redeemed only in part, to the portion of the aggregate Liquidation Amount of Preferred Securities that has been or is to be redeemed.

19

(f) The Trust in issuing the Trust Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Property Trustee shall indicate the "CUSIP" numbers of the Trust Securities in notices of redemption and related materials as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Trust Securities or as contained in any notice of redemption and related materials.

SECTION 4.3. Subordination of Common Securities.

(a) Payment of Distributions (including any Additional Interest Amounts) on, the Redemption Price of and the Liquidation Distribution in respect of, the Trust Securities, as applicable, shall be made, pro rata among the Common Securities and the Preferred Securities based on the Liquidation Amount of the respective Trust Securities; provided, that if on any Distribution Date, Redemption Date or Liquidation Date an Event of Default shall have occurred and be continuing, no payment of any Distribution (including any Additional Interest Amounts) on, Redemption Price of or Liquidation Distribution in respect of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions (including any Additional Interest Amounts) on all Outstanding Preferred Securities for all Distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price the full amount of such Redemption Price on all Outstanding Preferred Securities then called for redemption, or in the case of payment of the Liquidation Distribution the full amount of such Liquidation Distribution on all Outstanding Preferred Securities, shall have been made or provided for, and all funds immediately available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions (including any Additional Interest Amounts) on, or the Redemption Price of or the Liquidation Distribution in respect of, the Preferred Securities then due and payable.

(b) In the case of the occurrence of any Event of Default, the Holders of the Common Securities shall have no right to act with respect to any such Event of Default under this Trust Agreement until all such Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated. Until all such Events of Default under this Trust Agreement with respect to the Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the Holders of the Preferred Securities and not on behalf of the Holders of the Common Securities, and only the Holders of all the Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

SECTION 4.4. Payment Procedures.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Securities Register. If any Preferred Securities are held by a Depositary, such Distributions thereon shall be made to the

20

Depositary in immediately available funds. Payments in respect of the Common Securities shall be made in such manner as shall be mutually agreed between the Property Trustee and the Holder of all the Common Securities.

SECTION 4.5. Withholding Tax.

The Trust and the Administrative Trustees shall comply with all withholding and backup withholding tax requirements under United States federal, state and local law. The Administrative Trustees on behalf of the Trust shall request, and the Holders shall provide to the Trust, such forms or certificates as are necessary to establish an exemption from withholding and backup withholding tax with respect to each Holder and any representations and forms as shall reasonably be requested by the Administrative Trustees on behalf of the Trust to assist it in determining the extent of, and in fulfilling, its withholding and backup withholding tax obligations. The Administrative Trustees shall file required forms with applicable jurisdictions and, unless an exemption from withholding and backup withholding tax is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Trust is required to withhold and pay over any amounts to any jurisdiction with respect to Distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution in the amount of the withholding to the Holder. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Administrative Trustees on behalf of the Trust may reduce subsequent Distributions by the amount of such required withholding.

SECTION 4.6. Tax Returns and Other Reports.

(a) The Administrative Trustees shall prepare (or cause to be prepared) at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, at the Depositor's expense, and file, all United States federal, state and local tax and information returns and reports required to be filed by or in respect of the Trust. The Administrative Trustees shall prepare at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, and furnish (or cause to be prepared and furnished), by January 31 in each taxable year of the Trust to each Holder all Internal Revenue Service forms and returns required to be provided by the Trust. The Administrative Trustees shall provide the Depositor and the Property Trustee with a copy of all such returns and reports promptly after such filing or furnishing.

SECTION 4.7. Payment of Taxes, Duties, Etc. of the Trust.

Upon receipt under the Notes of Additional Tax Sums and upon the written direction of the Administrative Trustees, the Property Trustee shall promptly pay, solely out of monies on deposit pursuant to this Trust Agreement, any Additional Taxes imposed on the Trust by the United States or any other taxing authority.

SECTION 4.8. Payments under Indenture or Pursuant to Direct Actions.

Any amount payable hereunder to any Holder of Preferred Securities shall be reduced by the amount of any corresponding payment such Holder (or any Owner with respect thereto) has

21

directly received pursuant to Section 5.8 of the Indenture or Section 6.10(b) of this Trust Agreement.

SECTION 4.9. Exchanges.

(a) If at any time the Depositor or any of its Affiliates (in either case, a "Depositor Affiliate") is the Owner or Holder of any Preferred Securities, such Depositor Affiliate shall have the right to deliver to the Property Trustee all or such portion of its Preferred Securities as it elects and receive, in exchange therefor, a Like Amount of Notes. Such election (i) shall be exercisable effective on any Distribution Date by such Depositor Affiliate delivering to the Property Trustee a written notice of such election specifying the Liquidation Amount of Preferred Securities with respect to which such

election is being made and the Distribution Date on which such exchange shall occur, which Distribution Date shall be not less than ten (10) Business Days after the date of receipt by the Property Trustee of such election notice and (ii) shall be conditioned upon such Depositor Affiliate having delivered or caused to be delivered to the Property Trustee or its designee the Preferred Securities that are the subject of such election by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur. After the exchange, such Preferred Securities will be canceled and will no longer be deemed to be Outstanding and all rights of the Depositor Affiliate with respect to such Preferred Securities will cease.

(b) In the case of an exchange described in Section 4.9(a), the Property Trustee on behalf of the Trust will, on the date of such exchange, exchange Notes having a principal amount equal to a proportional amount of the aggregate Liquidation Amount of the Outstanding Common Securities, based on the ratio of the aggregate Liquidation Amount of the Preferred Securities exchanged pursuant to Section 4.9(a) divided by the aggregate Liquidation Amount of the Preferred Securities Outstanding immediately prior to such exchange, for such proportional amount of Common Securities held by the Depositor (which contemporaneously shall be canceled and no longer be deemed to be Outstanding); provided, that the Depositor delivers or causes to be delivered to the Property Trustee or its designee the required amount of Common Securities to be exchanged by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur.

SECTION 4.10. Calculation Agent.

(a) The Property Trustee shall initially, and for so long as it holds any of the Notes as Property Trustee, be the Calculation Agent for purposes of determining LIBOR for each Distribution Date. The Property Trustee hereby accepts its appointment as Calculation Agent in accordance with the terms of this Trust Agreement. The Calculation Agent may be removed by the Administrative Trustees at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Administrative Trustees, the Administrative Trustees will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in three-month Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Administrative Trustee or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

22

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date, but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Distribution Date, and will communicate such rate and amount to the Depositor, Trustee, each Paying Agent and the Depository. The Calculation Agent will also specify to the Administrative Trustee the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Administrative Trustee before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Distribution Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Trust Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

SECTION 4.11. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrative Trustees shall keep, or cause to be kept at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, full books of account, records and supporting documents, which shall reflect in reasonable detail each transaction of the Trust. The books of account shall be maintained on the accrual method of accounting, in accordance with generally accepted accounting principles, consistently applied.

(b) The Administrative Trustees shall cause the Depositor to deliver the documentation required by Section 8.16(b) hereof.

(c) The Trust shall maintain one or more bank accounts in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, in the name and for the sole benefit of the Trust; provided, however, that all payments of funds in respect of the Notes held by the Property Trustee shall be made directly to the Payment Account and no other funds of the Trust shall be deposited in the Payment Account. The sole signatories for such accounts (including the Payment Account) shall be designated by the Property Trustee.

ARTICLE V.

SECURITIES

SECTION 5.1. Initial Ownership.

Upon the creation of the Trust and the contribution by the Depositor referred to in Section 2.3 and until the issuance of the Trust Securities, and at any time during which no Trust Securities are Outstanding, the Depositor shall be the sole beneficial owner of the Trust.

23

SECTION 5.2. Authorized Trust Securities.

The Trust shall be authorized to issue one series of Preferred Securities having an aggregate Liquidation Amount of \$30,000,000 and one series of Common Securities having an aggregate Liquidation Amount of \$928,000.

SECTION 5.3. Issuance of the Common Securities; Subscription and Purchase of Notes.

On the Closing Date, an Administrative Trustee, on behalf of the Trust, shall execute and deliver to the Depositor Common Securities Certificates, registered in the name of the Depositor, evidencing an aggregate of 928 Common Securities having an aggregate Liquidation Amount of \$928,000, against receipt by the Trust of the aggregate purchase price for such Common Securities of \$928,000. Contemporaneously therewith and with the sale by the Trust to the Holders of an aggregate of 30,000 Preferred Securities having an aggregate Liquidation Amount of \$30,000,000, an Administrative Trustee, on behalf of the Trust, shall subscribe for and purchase from the Depositor Notes, to be registered in the name of the Property Trustee on behalf of the Trust and having an aggregate principal amount equal to \$30,928,000, and, in satisfaction of the purchase price for such Notes, the Property Trustee, on behalf of the Trust, shall deliver to the Depositor the sum of \$30,928,000 (being the aggregate amount paid by the Holders for the Preferred Securities and the amount paid by the Depositor for the Common Securities).

SECTION 5.4. The Securities Certificates.

(a) The Preferred Securities Certificates shall be issued in minimum denominations of \$100,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof, and the Common Securities Certificates shall be issued in minimum denominations of \$10,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof. The Securities Certificates shall be executed on behalf of the Trust by manual or facsimile signature of at least one Administrative Trustee. Securities Certificates bearing the signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign such Securities Certificates on behalf of the Trust shall be validly issued and entitled to the benefits of this Trust Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the delivery of such Securities Certificates or did not have such authority at the date of delivery of such Securities Certificates.

(b) On the Closing Date, upon the written order of an authorized officer of the Depositor, the Administrative Trustees shall cause Securities Certificates to be executed on behalf of the Trust and delivered, without further corporate action by the Depositor, in authorized denominations.

(c) The Preferred Securities issued to QIBs shall be, except as provided in Section 5.6, Book-Entry Preferred Securities issued in the form of one or more Global Preferred Securities registered in the name of the Depository, or its nominee and deposited with the Depository or a custodian for the Depository for credit by the Depository to the respective accounts of the Depository Participants thereof (or such other accounts as they may direct). The

24

Preferred Securities issued to a Person other than a QIB shall be issued in the form of Definitive Preferred Securities Certificate.

(d) A Preferred Security shall not be valid until authenticated by the manual signature of an Authorized Officer of the Property Trustee. Such signature shall be conclusive evidence that the Preferred Security has been authenticated under this Trust Agreement. Upon written order of the Trust signed by one Administrative Trustee, the Property Trustee shall authenticate the Preferred Securities for original issue. The Property Trustee may appoint an authenticating agent that is a U.S. Person acceptable to the Trust to authenticate the Preferred Securities. A Common Security need not be so authenticated and shall be valid upon execution by one or more Administrative Trustees. The form of this certificate of authentication can be found in Section 5.13.

SECTION 5.5. Rights of Holders.

The Trust Securities shall have no preemptive or similar rights and when issued and delivered to Holders against payment of the purchase price therefor

will be fully paid and nonassessable by the Trust. Except as provided in Section 5.11(b), the Holders of the Trust Securities, in their capacities as such, shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

SECTION 5.6. Book-Entry Preferred Securities.

(a) A Global Preferred Security may be exchanged, in whole or in part, for Definitive Preferred Securities Certificates registered in the names of the Owners only if such exchange complies with Section 5.7 and (i) the Depositary advises the Administrative Trustees and the Property Trustee in writing that the Depositary is no longer willing or able properly to discharge its responsibilities with respect to the Global Preferred Security, and no qualified successor is appointed by the Administrative Trustees within ninety (90) days of receipt of such notice, (ii) the Depositary ceases to be a clearing agency registered under the Exchange Act and the Administrative Trustees fail to appoint a qualified successor within ninety (90) days of obtaining knowledge of such event, (iii) the Administrative Trustees at their option advise the Property Trustee in writing that the Trust elects to terminate the book-entry system through the Depositary or (iv) a Note Event of Default has occurred and is continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Administrative Trustees shall notify the Depositary and instruct the Depositary to notify all Owners of Book-Entry Preferred Securities, the Delaware Trustee and the Property Trustee of the occurrence of such event and of the availability of the Definitive Preferred Securities Certificates to Owners of the Preferred Securities requesting the same. Upon the issuance of Definitive Preferred Securities Certificates, the Trustees shall recognize the Holders of the Definitive Preferred Securities Certificates as Holders. Notwithstanding the foregoing, if an Owner of a beneficial interest in a Global Preferred Security wishes at any time to transfer an interest in such Global Preferred Security to a Person other than a QIB, such transfer shall be effected, subject to the Applicable Depositary Procedures, in accordance with the provisions of this Section 5.6 and Section 5.7, and the transferee shall receive a Definitive Preferred Securities Certificate in connection with such transfer. A holder of a Definitive Preferred Securities Certificate that is a QIB may, upon

25

request, and in accordance with the provisions of this Section 5.6 and Section 5.7, exchange such Definitive Preferred Securities Certificate for a beneficial interest in a Global Preferred Security.

(b) If any Global Preferred Security is to be exchanged for Definitive Preferred Securities Certificates or canceled in part, or if any Definitive Preferred Securities Certificate is to be exchanged in whole or in part for any Global Preferred Security, then either (i) such Global Preferred Security shall be so surrendered for exchange or cancellation as provided in this Article V or (ii) the aggregate Liquidation Amount represented by such Global Preferred Security shall be reduced, subject to Section 5.4, or increased by an amount equal to the Liquidation Amount represented by that portion of the Global Preferred Security to be so exchanged or canceled, or equal to the Liquidation Amount represented by such Definitive Preferred Securities Certificates to be so exchanged for any Global Preferred Security, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Property Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender to the Administrative Trustees or the Securities Registrar of any Global Preferred Security or Securities by the Depositary, accompanied by registration instructions, the Administrative Trustees, or any one of them, shall execute the Definitive Preferred Securities Certificates in accordance with the instructions of the Depositary. None of the Securities Registrar or the Trustees shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(c) Every Securities Certificate executed and delivered upon registration or transfer of, or in exchange for or in lieu of, a Global Preferred Security or any portion thereof shall be executed and delivered in the form of, and shall be, a Global Preferred Security, unless such Securities Certificate is registered in the name of a Person other than the Depositary for such Global Preferred Security or a nominee thereof.

(d) The Depositary or its nominee, as registered owner of a Global Preferred Security, shall be the Holder of such Global Preferred Security for all purposes under this Trust Agreement and the Global Preferred Security, and Owners with respect to a Global Preferred Security shall hold such interests pursuant to the Applicable Depositary Procedures. The Securities Registrar and the Trustees shall be entitled to deal with the Depositary for all purposes of this Trust Agreement relating to the Global Preferred Securities (including the payment of the Liquidation Amount of and Distributions on the Book-Entry Preferred Securities represented thereby and the giving of instructions or directions by Owners of Book-Entry Preferred Securities represented thereby and the giving of notices) as the sole Holder of the Book-Entry Preferred Securities

represented thereby and shall have no obligations to the Owners thereof. None of the Trustees nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(e) The rights of the Owners of the Book-Entry Preferred Securities shall be exercised only through the Depositary and shall be limited to those established by law, the Applicable Depositary Procedures and agreements between such Owners and the Depositary and/or the Depositary Participants; provided, solely for the purpose of determining whether the Holders of the requisite amount of Preferred Securities have voted on any matter provided for in

26

this Trust Agreement, to the extent that Preferred Securities are represented by a Global Preferred Security, the Trustees may conclusively rely on, and shall be fully protected in relying on, any written instrument (including a proxy) delivered to the Property Trustee by the Depositary setting forth the Owners' votes or assigning the right to vote on any matter to any other Persons either in whole or in part. To the extent that Preferred Securities are represented by a Global Preferred Security, the initial Depositary will make book-entry transfers among the Depositary Participants and receive and transmit payments on the Preferred Securities that are represented by a Global Preferred Security to such Depositary Participants, and none of the Depositor or the Trustees shall have any responsibility or obligation with respect thereto.

(f) To the extent that a notice or other communication to the Holders is required under this Trust Agreement, for so long as Preferred Securities are represented by a Global Preferred Security, the Trustees shall give all such notices and communications to the Depositary, and shall have no obligations to the Owners.

SECTION 5.7. Registration of Transfer and Exchange of Preferred Securities Certificates.

(a) The Property Trustee shall keep or cause to be kept, at the Corporate Trust Office, a register or registers (the "Securities Register") in which the registrar and transfer agent with respect to the Trust Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Preferred Securities Certificates and Common Securities Certificates and registration of transfers and exchanges of Preferred Securities Certificates as herein provided. The Person acting as the Property Trustee shall at all times also be the Securities Registrar. The provisions of Article VIII shall apply to the Property Trustee in its role as Securities Registrar.

(b) Upon surrender for registration of transfer of any Preferred Securities Certificate at the office or agency maintained pursuant to Section 5.7(f), the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Preferred Securities Certificates in authorized denominations of a like aggregate Liquidation Amount as may be required by this Trust Agreement dated the date of execution by such Administrative Trustee or Trustees. At the option of a Holder, Preferred Securities Certificates may be exchanged for other Preferred Securities Certificates in authorized denominations and of a like aggregate Liquidation Amount upon surrender of the Preferred Securities Certificate to be exchanged at the office or agency maintained pursuant to Section 5.7(f). Whenever any Preferred Securities Certificates are so surrendered for exchange, the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, the Preferred Securities Certificates that the Holder making the exchange is entitled to receive.

(c) The Securities Registrar shall not be required, (i) to issue, register the transfer of or exchange any Preferred Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of such Preferred Securities pursuant to Article IV and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Preferred Security so selected for redemption in

27

whole or in part, except, in the case of any such Preferred Security to be redeemed in part, any portion thereof not to be redeemed.

(d) Every Preferred Securities Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Securities Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing and (i) if such Preferred Securities Certificate is being transferred otherwise than to a QIB, accompanied by a certificate of the transferee substantially in the form set forth as Exhibit E hereto or (ii) if such Preferred Securities Certificate is being transferred to a QIB, accompanied by a

certificate of the transferor substantially in the form set forth as Exhibit F hereto.

(e) No service charge shall be made for any registration of transfer or exchange of Preferred Securities Certificates, but the Property Trustee on behalf of the Trust may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Preferred Securities Certificates.

(f) The Administrative Trustees shall designate an office or offices or agency or agencies where Preferred Securities Certificates may be surrendered for registration of transfer or exchange. The Depositor initially designates the Corporate Trust Office as its office and agency for such purposes. The Administrative Trustees shall give prompt written notice to the Depositor, the Property Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 5.8. Mutilated, Destroyed, Lost or Stolen Securities Certificates.

(a) If any mutilated Securities Certificate shall be surrendered to the Securities Registrar together with such security or indemnity as may be required by the Securities Registrar and the Administrative Trustees to save each of them harmless, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery in exchange therefor a new Securities Certificate of like class, tenor and denomination.

(b) If the Securities Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Securities Certificate and there shall be delivered to the Securities Registrar and the Administrative Trustees such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Securities Certificate shall have been acquired by a protected purchaser, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery, and, with respect to Preferred Securities, the Property Trustee shall authenticate, in exchange for or in lieu of any such destroyed, lost or stolen Securities Certificate, a new Securities Certificate of like class, tenor and denomination.

(c) In connection with the issuance of any new Securities Certificate under this Section 5.8, the Administrative Trustees or the Securities Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

28

(d) Any duplicate Securities Certificate issued pursuant to this Section 5.8 shall constitute conclusive evidence of an undivided beneficial interest in the assets of the Trust corresponding to that evidenced by the mutilated, lost, stolen or destroyed Securities Certificate, as if originally issued, whether or not the lost, stolen or destroyed Securities Certificate shall be found at any time.

(e) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Depositor in its discretion may, instead of issuing a new Security, pay such Security.

(f) The provisions of this Section 5.8 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of mutilated, destroyed, lost or stolen Securities Certificates.

SECTION 5.9. Persons Deemed Holders.

The Trustees and the Securities Registrar shall each treat the Person in whose name any Securities Certificate shall be registered in the Securities Register as the owner of such Securities Certificate for the purpose of receiving Distributions and for all other purposes whatsoever, and none of the Trustees and the Securities Registrar shall be bound by any notice to the contrary.

SECTION 5.10. Cancellation.

All Preferred Securities Certificates surrendered for registration of transfer or exchange or for payment shall, if surrendered to any Person other than the Property Trustee, be delivered to the Property Trustee, and any such Preferred Securities Certificates and Preferred Securities Certificates surrendered directly to the Property Trustee for any such purpose shall be promptly canceled by it. The Administrative Trustees may at any time deliver to the Property Trustee for cancellation any Preferred Securities Certificates previously delivered hereunder that the Administrative Trustees may have acquired in any manner whatsoever, and all Preferred Securities Certificates so delivered shall be promptly canceled by the Property Trustee. No Preferred Securities Certificates shall be executed and delivered in lieu of or in exchange for any Preferred Securities Certificates canceled as provided in this Section 5.10, except as expressly permitted by this Trust Agreement. All canceled Preferred Securities Certificates shall be disposed of by the Property

Trustee in accordance with its customary practices and the Property Trustee shall deliver to the Administrative Trustees a certificate of such disposition.

SECTION 5.11. Ownership of Common Securities by Depositor.

(a) On the Closing Date, the Depositor shall acquire, and thereafter shall retain, beneficial and record ownership of the Common Securities. Neither the Depositor nor any successor Holder of the Common Securities may transfer less than all the Common Securities, and the Depositor or any such successor Holder may transfer the Common Securities only (i) in connection with a consolidation or merger of the Depositor into another Person, or any conveyance, transfer or lease by the Depositor of its properties and assets substantially as an entirety to any Person (in which event such Common Securities will be transferred to such surviving entity, transferee or lessee, as the case may be), pursuant to Section 8.1 of the Indenture or (ii) to the Depositor or an Affiliate of the Depositor, in each such case in

29

compliance with applicable law (including the Securities Act, and applicable state securities and blue sky laws). To the fullest extent permitted by law, any attempted transfer of the Common Securities other than as set forth in the immediately preceding sentence shall be void. The Administrative Trustees shall cause each Common Securities Certificate issued to the Depositor to contain a legend stating substantially "THIS CERTIFICATE IS NOT TRANSFERABLE EXCEPT IN COMPLIANCE WITH APPLICABLE LAW AND SECTION 5.11 OF THE TRUST AGREEMENT."

(b) Any Holder of the Common Securities shall be liable for the debts and obligations of the Trust in the manner and to the extent set forth with respect to the Depositor and agrees that it shall be subject to all liabilities to which the Depositor may be subject and, prior to becoming such a Holder, shall deliver to the Administrative Trustees an instrument of assumption satisfactory to such Trustees.

SECTION 5.12. Restricted Legends.

(a) Each Preferred Security Certificate shall bear a legend in substantially the following form:

THE PREFERRED SECURITIES WILL BE ISSUED AND MAY BE TRANSFERRED ONLY IN BLOCKS HAVING AN AGGREGATE LIQUIDATION AMOUNT OF NOT LESS THAN \$100,000. TO THE FULLEST EXTENT PERMITTED BY LAW, ANY SUCH PURPORTED TRANSFEREE SHALL BE DEEMED NOT TO BE THE HOLDER OF SUCH PREFERRED SECURITIES FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE RECEIPT OF LIQUIDATION AMOUNT OF OR DISTRIBUTIONS ON SUCH PREFERRED SECURITIES, OR ANY INTEREST THEREIN, AND SUCH PURPORTED TRANSFEREE SHALL BE DEEMED TO HAVE NO INTEREST WHATSOEVER IN SUCH PREFERRED SECURITIES.

(b) The above legend shall not be removed from any of the Preferred Securities Certificates unless there is delivered to the Property Trustee and the Depositor satisfactory evidence, which may include an opinion of counsel, as may be reasonably required to ensure that any future transfers thereof may be made without restriction under the provisions of the Securities Act and other applicable law. Upon provision of such satisfactory evidence, one or more of the Administrative Trustees on behalf of the Trust shall execute and deliver to the Property Trustee, and the Property Trustee shall deliver, at the written direction of the Administrative Trustees and the Depositor, Preferred Securities Certificates that do not bear the legend.

32

SECTION 5.13. Form of Certificate of Authentication.

The Property Trustee's certificate of authentication shall be in substantially the following form:

This is one of the Preferred Securities referred to in the within-mentioned Trust Agreement.

Dated: DEUTSCHE BANK TRUST COMPANY
AMERICAS, not in its individual capacity,
but solely as Property Trustee

By: _____
Authorized officer

SECTION 6.1. Notice of Meetings.

Notice of all meetings of the Holders of the Preferred Securities, stating the time, place and purpose of the meeting, shall be given by the Property Trustee pursuant to Section 10.8 to each Holder of Preferred Securities, at such Holder's registered address, at least fifteen (15) days and not more than ninety (90) days before the meeting. At any such meeting, any business properly before the meeting may be so considered whether or not stated in the notice of the meeting. Any adjourned meeting may be held as adjourned without further notice.

SECTION 6.2. Meetings of Holders of the Preferred Securities.

(a) No annual meeting of Holders is required to be held. The Property Trustee, however, shall call a meeting of the Holders of the Preferred Securities to vote on any matter upon the written request of the Holders of at least twenty five percent (25%) in aggregate Liquidation Amount of the Outstanding Preferred Securities and the Administrative Trustees or the Property Trustee may, at any time in their discretion, call a meeting of the Holders of the Preferred Securities to vote on any matters as to which such Holders are entitled to vote.

(b) The Holders of at least a Majority in Liquidation Amount of the Preferred Securities, present in person or by proxy, shall constitute a quorum at any meeting of the Holders of the Preferred Securities.

(c) If a quorum is present at a meeting, an affirmative vote by the Holders present, in person or by proxy, holding Preferred Securities representing at least a Majority in Liquidation Amount of the Preferred Securities held by the Holders present, either in person or by proxy, at such meeting shall constitute the action of the Holders of the Preferred Securities, unless this Trust Agreement requires a lesser or greater number of affirmative votes.

33

SECTION 6.3. Voting Rights.

Holders shall be entitled to one vote for each \$10,000 of Liquidation Amount represented by their Outstanding Trust Securities in respect of any matter as to which such Holders are entitled to vote.

SECTION 6.4. Proxies, Etc.

At any meeting of Holders, any Holder entitled to vote thereat may vote by proxy, provided, that no proxy shall be voted at any meeting unless it shall have been placed on file with the Administrative Trustees, or with such other officer or agent of the Trust as the Administrative Trustees may direct, for verification prior to the time at which such vote shall be taken. Pursuant to a resolution of the Property Trustee, proxies may be solicited in the name of the Property Trustee or one or more officers of the Property Trustee. Only Holders of record shall be entitled to vote. When Trust Securities are held jointly by several Persons, any one of them may vote at any meeting in person or by proxy in respect of such Trust Securities, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote shall not be received in respect of such Trust Securities. A proxy purporting to be executed by or on behalf of a Holder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger. No proxy shall be valid more than three years after its date of execution.

SECTION 6.5. Holder Action by Written Consent.

Any action that may be taken by Holders at a meeting may be taken without a meeting and without prior notice if Holders holding at least a Majority in Liquidation Amount of all Preferred Securities entitled to vote in respect of such action (or such lesser or greater proportion thereof as shall be required by any other provision of this Trust Agreement) shall consent to the action in writing; provided, that notice of such action is promptly provided to the Holders of Preferred Securities that did not consent to such action. Any action that may be taken by the Holders of all the Common Securities may be taken without a meeting and without prior notice if such Holders shall consent to the action in writing.

SECTION 6.6. Record Date for Voting and Other Purposes.

Except as provided in Section 6.10(a), for the purposes of determining the Holders who are entitled to notice of and to vote at any meeting or to act by written consent, or to participate in any distribution on the Trust Securities in respect of which a record date is not otherwise provided for in this Trust Agreement, or for the purpose of any other action, the Administrative Trustees may from time to time fix a date, not more than ninety (90) days prior to the date of any meeting of Holders or the payment of a Distribution or other action,

as the case may be, as a record date for the determination of the identity of the Holders of record for such purposes.

SECTION 6.7. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Trust Agreement to be given, made or taken by Holders may

34

be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such instrument or instruments are delivered to an Administrative Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustees, if made in the manner provided in this Section 6.7.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that any Trustee receiving the same deems sufficient.

(c) The ownership of Trust Securities shall be proved by the Securities Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Trust Security shall bind every future Holder of the same Trust Security and the Holder of every Trust Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustees, the Administrative Trustees or the Trust in reliance thereon, whether or not notation of such action is made upon such Trust Security.

(e) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Trust Security may do so with regard to all or any part of the Liquidation Amount of such Trust Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such Liquidation Amount.

(f) If any dispute shall arise among the Holders or the Trustees with respect to the authenticity, validity or binding nature of any request, demand, authorization, direction, notice, consent, waiver or other Act of such Holder or Trustee under this Article VI, then the determination of such matter by the Property Trustee shall be conclusive with respect to such matter.

SECTION 6.8. Inspection of Records.

Upon reasonable written notice to the Administrative Trustees and the Property Trustee, the records of the Trust shall be open to inspection by any Holder during normal business hours for any purpose reasonably related to such Holder's interest as a Holder.

35

SECTION 6.9. Limitations on Voting Rights.

(a) Except as expressly provided in this Trust Agreement and in the Indenture and as otherwise required by law, no Holder of Preferred Securities shall have any right to vote or in any manner otherwise control the administration, operation and management of the Trust or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities Certificates, be construed so as to constitute the Holders from time to time as partners or members of an association.

(b) So long as any Notes are held by the Property Trustee on behalf of the Trust, the Property Trustee shall not (i) direct the time, method and place of conducting any proceeding for any remedy available to the Note Trustee, or exercise any trust or power conferred on the Property Trustee with respect to the Notes, (ii) waive any past default that may be waived under Section 5.13 of the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Notes shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Notes, where such

consent shall be required, without, in each case, obtaining the prior approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities; provided, that where a consent under the Indenture would require the consent of each holder of Notes (or each Holder of Preferred Securities) affected thereby, no such consent shall be given by the Property Trustee without the prior written consent of each Holder of Preferred Securities. The Property Trustee shall not revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. In addition to obtaining the foregoing approvals of the Holders of the Preferred Securities, prior to taking any of the foregoing actions, the Property Trustee shall, at the expense of the Depositor, obtain an Opinion of Counsel experienced in such matters to the effect that such action shall not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

(c) If any proposed amendment to the Trust Agreement provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect in any material respect the powers, preferences or special rights of the Preferred Securities, whether by way of amendment to the Trust Agreement or otherwise or (ii) the dissolution, winding-up or termination of the Trust, other than pursuant to the terms of this Trust Agreement, then the Holders of Outstanding Preferred Securities as a class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities. Notwithstanding any other provision of this Trust Agreement, no amendment to this Trust Agreement may be made if, as a result of such amendment, it would cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

SECTION 6.10. Acceleration of Maturity; Rescission of Annulment; Waivers of Past Defaults.

(a) For so long as any Preferred Securities remain Outstanding, if, upon a Note Event of Default, the Note Trustee fails or the holders of not less than twenty five percent (25%) in principal amount of the outstanding Notes fail to declare the principal of all of the Notes to be

36

immediately due and payable, the Holders of at least twenty-five percent (25%) in Liquidation Amount of the Preferred Securities then Outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Depositor and the Note Trustee. At any time after a declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Note Trustee as provided in the Indenture, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, by written notice to the Property Trustee, the Depositor and the Note Trustee, may rescind and annul such declaration and its consequences if:

(i) the Depositor has paid or deposited with the Note Trustee a sum sufficient to pay:

(A) all overdue installments of interest on all of the Notes;

(B) any accrued Additional Interest on all of the Notes;

(C) the principal of and any premium on any Notes that have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate borne by the Notes; and

(D) all sums paid or advanced by the Note Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Note Trustee, the Property Trustee and their agents and counsel; and

(ii) all Note Events of Default, other than the non-payment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13 of the Indenture.

Upon receipt by the Property Trustee of written notice requesting such an acceleration, or rescission and annulment thereof, by Holders of any part of the Preferred Securities, a record date shall be established for determining Holders of Outstanding Preferred Securities entitled to join in such notice, which record date shall be at the close of business on the day the Property Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is ninety (90) days after such record date, such notice of declaration of acceleration, or

rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90)-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.10(a).

(b) For so long as any Preferred Securities remain Outstanding, to the fullest extent permitted by law and subject to the terms of this Trust Agreement and the Indenture, upon a Note Event of Default specified in paragraph (a) or (b) of Section 5.1 of the Indenture, any Holder of

37

Preferred Securities shall have the right to institute a proceeding directly against the Depositor, pursuant to Section 5.8 of the Indenture, for enforcement of payment to such Holder of any amounts payable in respect of Notes having an aggregate principal amount equal to the aggregate Liquidation Amount of the Preferred Securities of such Holder. Except as set forth in Section 6.10(a) and this Section 6.10(b), the Holders of Preferred Securities shall have no right to exercise directly any right or remedy available to the holders of, or in respect of, the Notes.

(c) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any Note Event of Default, except any Note Event of Default arising from the failure to pay any principal of or any premium or interest on (including any Additional Interest) the Notes (unless such Note Event of Default has been cured and a sum sufficient to pay all matured installments of interest and all principal and premium on all Notes due otherwise than by acceleration has been deposited with the Note Trustee) or a Note Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Note. Upon any such waiver, such Note Event of Default shall cease to exist and any Note Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall affect any subsequent Note Event of Default or impair any right consequent thereon.

(d) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Trust Agreement, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

(e) The Holders of a Majority in Liquidation Amount of the Preferred Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee in respect of this Trust Agreement or the Notes or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement; provided, that, subject to Sections 8.5 and 8.7, the Property Trustee shall have the right to decline to follow any such direction if the Property Trustee being advised by counsel determines that the action so directed may not lawfully be taken, or if the Property Trustee in good faith shall, by an officer or officers of the Property Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Holders not party to such direction, and provided, further, that nothing in this Trust Agreement shall impair the right of the Property Trustee to take any action deemed proper by the Property Trustee and which is not inconsistent with such direction.

ARTICLE VIII.

THE TRUSTEES

SECTION 8.1. Number of Trustees.

The number of Trustees shall be five (5), provided, that the Property Trustee and the Delaware Trustee may be the same Person, in which case the number of Trustees shall be four (4). The number of Trustees may be increased or decreased by Act of the Holder of the Common Securities subject to Sections 8.2, 8.3, and 8.4. The death, resignation, retirement, removal, bankruptcy, incompetence or incapacity to perform the duties of an Trustee shall not operate to annul, dissolve or terminate the Trust.

SECTION 8.2. Property Trustee Required.

There shall at all times be a Property Trustee hereunder with respect to the Trust Securities. The Property Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by federal or state authority and having an office within the United States. If any such Person publishes reports of condition at least annually pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 8.2, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Property Trustee shall cease to be eligible in accordance with the provisions of this Section 8.2, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

SECTION 8.3. Delaware Trustee Required.

(a) If required by the Delaware Statutory Trust Act, there shall at all times be a Delaware Trustee with respect to the Trust Securities. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible in accordance with the provisions of this Section 8.3, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Property Trustee or the Administrative Trustees set forth herein. The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Statutory Trust Act and for taking such actions as are required to be taken by a Delaware trustee under the Delaware Statutory Trust Act. The duties (including fiduciary

41

duties), liabilities and obligations of the Delaware Trustee shall be limited to (a) accepting legal process served on the Trust in the State of Delaware and (b) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Statutory Trust Act and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee.

SECTION 8.4. Appointment of Administrative Trustees.

(a) There shall at all times be one or more Administrative Trustees hereunder with respect to the Trust Securities. Each Administrative Trustee shall be either a natural person who is at least 21 years of age or a legal entity that shall act through one or more persons authorized to bind that entity. Each of the individuals identified as an "Administrative Trustee" in the preamble of this Trust Agreement hereby accepts his or her appointment as such.

(b) Except where a requirement for action by a specific number of Administrative Trustees is expressly set forth in this Trust Agreement, any act required or permitted to be taken by, and any power of the Administrative Trustees may be exercised by, or with the consent of, any one such Administrative Trustee. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 8.11, the Administrative Trustees in office, regardless of their number (and notwithstanding any other provision of this Trust Agreement), shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement. The Administrative Trustees shall not be liable for any default or misconduct of the Property Trustee or the Delaware Trustee.

SECTION 8.5. Duties and Responsibilities of the Trustees.

(a) The rights, immunities, duties and responsibilities of the Trustees shall be as provided by this Trust Agreement and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Trustees; provided, however, that if an Event of Default known to the Property Trustee has occurred and is continuing, the Property Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Notwithstanding the foregoing, no provision of this Trust Agreement shall require any of the Trustees to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its or their rights or powers, if it or they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustees shall be subject to the provisions of this Section 8.5. To the extent that, at law or in equity, a Trustee has duties and liabilities relating to the Trust or to the Holders, such Trustee shall not be liable to the Trust or to any Holder for such Trustee's good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict the duties and liabilities of the

42

Trustees otherwise existing at law or in equity, are agreed by the Depositor and the Holders to replace such other duties and liabilities of the Trustees.

(b) All payments made by the Property Trustee or a Paying Agent in respect of the Trust Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Property Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Trust Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees are not personally liable to it for any amount distributable in respect of any Trust Security or for any other liability in respect of any Trust Security. This Section 8.5(b) does not limit the liability of the Trustees expressly set forth elsewhere in this Trust Agreement.

(c) No provisions of this Trust Agreement shall be construed to relieve the Property Trustee from liability with respect to matters that are within the authority of the Property Trustee under this Trust Agreement for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Property Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(ii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee

hereunder or under the Indenture, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iii) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Notes and the Payment Account shall be to deal with such Property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement;

(iv) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Depositor; and money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Payment Account maintained by the Property Trustee pursuant to Section 3.1 and except to the extent otherwise required by law; and

(v) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Depositor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for the default or misconduct of any other Trustee or the Depositor.

43

SECTION 8.6. Notices of Defaults and Extensions.

(a) Within ninety (90) days after the occurrence of a default actually known to the Property Trustee, the Property Trustee shall transmit notice of such default to the Holders, the Administrative Trustees and the Depositor, unless such default shall have been cured or waived; provided, that, except in the case of a default in the payment of the principal of or any premium or interest (including any Additional Interest) on any Trust Security, the Property Trustee shall be fully protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Property Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Trust Securities. For the purpose of this Section 8.6, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) Within five (5) Business Days after the receipt of notice of the Depositor's exercise of its right to defer the payment of interest on the Notes pursuant to the Indenture, the Property Trustee shall transmit, in the manner and to the extent provided in Section 10.8, notice of such exercise to the Holders and the Administrative Trustees, unless such exercise shall have been revoked.

(c) The Property Trustee shall not be deemed to have knowledge of any Event of Default unless the Property Trustee shall have received written notice thereof from the Depositor, any Administrative Trustee or any Holder or unless an officer of the Property Trustee charged with the administration of this Trust Agreement shall have obtained actual knowledge of such Event of Default.

(d) The Property Trustee shall notify all Holders of the Preferred Securities of any notice of default received with respect to the Notes.

SECTION 8.7. Certain Rights of Property Trustee.

Subject to the provisions of Section 8.5:

(a) the Property Trustee may conclusively rely and shall be protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, Opinion of Counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Trust Agreement the Property Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Trust Agreement the Property Trustee finds a provision ambiguous or inconsistent with any other provisions contained herein or (iii) the Property Trustee is unsure of the application of any provision of this Trust Agreement, then, except as to any matter as to which the Holders of the Preferred Securities are entitled to vote under the terms of this Trust Agreement, the Property Trustee shall deliver a notice to the Depositor requesting the Depositor's written instruction as to the course of action to be taken and the Property Trustee shall take such action, or refrain from

44

taking such action, as the Property Trustee shall be instructed in writing to take, or to refrain from taking, by the Depositor; provided, that if the Property Trustee does not receive such instructions of the Depositor within ten (10) Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice, the Property Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Property Trustee shall deem advisable and in the best interests of the Holders, in which event the Property Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any direction or act of the Depositor contemplated by this Trust Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise expressly provided herein;

(d) any direction or act of an Administrative Trustee contemplated by this Trust Agreement shall be sufficiently evidenced by a certificate executed by such Administrative Trustee and setting forth such direction or act;

(e) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any re-recording, re-filing or re-registration thereof;

(f) the Property Trustee may consult with counsel (which counsel may be counsel to the Property Trustee, the Depositor or any of its Affiliates, and may include any of its employees) and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice; the Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(g) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Holders pursuant to this Trust Agreement, unless such Holders shall have offered to the Property Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Property Trustee;

(h) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Holders, but the Property Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Property Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Depositor, personally or by agent or attorney;

(i) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Property Trustee shall not be responsible for any negligence or misconduct on

45

the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(j) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Property Trustee (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same proportion in Liquidation Amount of the Trust Securities as would be entitled to direct the Property Trustee under this Trust Agreement in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement;

(l) without prejudice to any other rights available to the Property Trustee under applicable law, when the Property Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally; and

(m) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence be herein specifically prescribed) may, in the absence or bad faith on its part, request and rely on an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Depositor.

No provision of this Trust Agreement shall be deemed to impose any duty or obligation on any Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which such Person shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation.

SECTION 8.8. Delegation of Power.

Any Trustee may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 its, his or her power for the purpose of executing any documents contemplated in Section 2.5. The Trustees shall have power to delegate from time to time to such of their number or to the Depositor the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Trustees or otherwise as the Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of this Trust Agreement.

SECTION 8.9. May Hold Securities.

Any Trustee or any other agent of any Trustee or the Trust, in its individual or any other capacity, may become the owner or pledgee of Trust Securities and except as provided in the

46

definition of the term "Outstanding" in Article I, may otherwise deal with the Trust with the same rights it would have if it were not an Trustee or such other agent.

SECTION 8.10. Compensation; Reimbursement; Indemnity.

The Depositor agrees:

(a) to pay to the Trustees from time to time such reasonable compensation for all services rendered by them hereunder as may be agreed by the Depositor and the Trustees from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse the Trustees upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of their agents and counsel), except any such expense, disbursement or advance as may be attributable to their gross negligence, bad faith or willful misconduct; and

(c) to the fullest extent permitted by applicable law, to indemnify and hold harmless (i) each Trustee, (ii) any Affiliate of any Trustee, (iii) any officer, director, shareholder, employee, representative or agent of any Trustee or any Affiliate of any Trustee and (iv) any employee or agent of the Trust (referred to herein as an "Indemnified Person") from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 8.10(a) or (b) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the Trust hereunder, including the advancement of funds to cover the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trust shall have no payment, reimbursement or indemnity obligations to the Trustees under this Section 8.10. The provisions of this Section 8.10 shall survive the termination of this Trust Agreement and the earlier removal or resignation of any Trustee.

No Trustee may claim any Lien on any Trust Property whether before or after termination of the Trust as a result of any amount due pursuant to this Section 8.10.

To the fullest extent permitted by law, in no event shall the Property Trustee and the Delaware Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Property Trustee and the Delaware Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Trust Agreement.

47

SECTION 8.11. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of any Trustee and no appointment of a successor Trustee pursuant to this Article VIII shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.12.

(b) A Trustee may resign at any time by giving written notice thereof to the Depositor and, in the case of the Property Trustee and the Delaware Trustee, to the Holders.

(c) Unless an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at any time by Act of the Holder of Common Securities. If an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at such time by Act of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, delivered to the removed Trustee (in its individual capacity and on behalf of the Trust). An Administrative Trustee may be removed (with or without cause) only by Act of the Holder of the Common Securities at any time.

(d) If any Trustee shall resign, be removed or become incapable of acting as Trustee, or if a vacancy shall occur in the office of any Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Holder of the Common Securities, by Act of the Holder of the Common Securities, shall promptly appoint a successor Trustee or Trustees, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 8.12. If the Property Trustee or the Delaware Trustee shall resign, be removed or become incapable of continuing to act as the Property Trustee or the Delaware Trustee, as the case may be, at a time when an Event of Default shall have occurred and be continuing, the Holders of the Preferred Securities, by Act of the Holders of a Majority in Liquidation Amount of the Preferred Securities, shall promptly appoint a successor Property Trustee or Delaware Trustee, and such successor Property Trustee or Delaware Trustee and the retiring Property Trustee or Delaware Trustee shall comply with the applicable requirements of Section 8.12. If an Administrative Trustee shall resign, be removed or become incapable of acting as Administrative Trustee, at a time when an Event of Default shall have occurred and be continuing, the Holder of the Common Securities by Act of the Holder of Common Securities shall promptly appoint a successor Administrative Trustee and such successor Administrative Trustee and the retiring Administrative Trustee shall comply with the applicable requirements of Section 8.12. If no successor Trustee shall have been so appointed by the Holder of the Common Securities or Holders of the Preferred Securities, as the case may be, and accepted appointment in the manner required by Section 8.12 within thirty (30) days after the giving of a notice of resignation by a Trustee, the removal of a Trustee, or a Trustee becoming incapable of acting as such Trustee, any Holder who has been a Holder of Preferred Securities for at least six (6) months may, on behalf of himself and all others similarly situated, and any resigning Trustee may, in each case, at the expense of the Depositor, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Depositor shall give notice of each resignation and each removal of the Property Trustee or the Delaware Trustee and each appointment of a successor Property Trustee or Delaware Trustee to all Holders in the manner provided in Section 10.8. Each notice shall

48

include the name of the successor Property Trustee or Delaware Trustee and the address of its Corporate Trust Office if it is the Property Trustee.

(f) Notwithstanding the foregoing or any other provision of this Trust Agreement, in the event any Administrative Trustee or a Delaware Trustee who is a natural person dies or becomes, in the opinion of the Holder of Common Securities, incompetent or incapacitated, the vacancy created by such death, incompetence or incapacity may be filled by (i) the unanimous act of the remaining Administrative Trustees if there are at least two of them or (ii) otherwise by the Holder of the Common Securities (with the successor in each case being a Person who satisfies the eligibility requirement for Administrative Trustees or Delaware Trustee, as the case may be, set forth in Sections 8.3 and 8.4).

(g) Upon the appointment of a successor Delaware Trustee, such successor Delaware Trustee shall file a Certificate of Amendment to the Certificate of Trust in accordance with Section 3810 of the Delaware Statutory Trust Act.

SECTION 8.12. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee shall execute and deliver to the Depositor and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Trust or any successor Trustee such retiring Trustee shall, upon payment of its charges, duly assign, transfer and deliver to such successor Trustee all Trust Property, all proceeds thereof and money held by such retiring Trustee hereunder with respect to the Trust Securities and the Trust.

(b) Upon request of any such successor Trustee, the Trust (or the retiring Trustee if requested by the Depositor) shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VIII.

SECTION 8.13. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Property Trustee or the Delaware Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of such Trustee, shall be the successor of such Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VIII.

49

SECTION 8.14. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities Certificates shall be taken as the statements of the Trust and the Depositor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the title to, or value or condition of, the property of the Trust or any part thereof, nor as to the validity or sufficiency of this Trust Agreement, the Notes or the Trust Securities. The Trustees shall not be accountable for the use or application by the Depositor of the proceeds of the Notes.

SECTION 8.15. Property Trustee May File Proofs of Claim.

(a) In case of any Bankruptcy Event (or event that with the passage of time would become a Bankruptcy Event) relative to the Trust or any other obligor upon the Trust Securities or the property of the Trust or of such other obligor or their creditors, the Property Trustee (irrespective of whether any Distributions on the Trust Securities shall then be due and payable and irrespective of whether the Property Trustee shall have made any demand on the Trust for the payment of any past due Distributions) shall be entitled and empowered, to the fullest extent permitted by law, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of any Distributions owing and unpaid in respect of the Trust Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Property Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Holder to make such payments to the Property Trustee and, in the event the Property Trustee shall consent to the making of such payments directly to the Holders, to pay to the Property Trustee first any amount due it for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel, and any other amounts due the Property Trustee.

(b) Nothing herein contained shall be deemed to authorize the Property

Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or compensation affecting the Trust Securities or the rights of any Holder thereof or to authorize the Property Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 8.16. Reports to and from the Property Trustee.

(a) The Depositor and the Administrative Trustees shall deliver to the Property Trustee, not later than forty five (45) days after the end of each of the first three fiscal quarters of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor ending after the date of this Trust Agreement, an Officers' Certificate covering the preceding

50

fiscal period, stating whether or not to the knowledge of the signers thereof the Depositor and the Trust are in default in the performance or observance of any of the terms, provisions and conditions of this Trust Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Depositor or the Trust shall be in default, specifying all such defaults and the nature and status thereof of which they have knowledge.

(b) The Depositor shall furnish to (i) the Property Trustee, (ii) the Purchaser, so long as the Purchaser holds any interest in the Preferred Securities and (iii) a Subsequent Purchaser that is identified to the Depositor by either Credit Suisse First Boston LLC or the Purchaser, so long as the Subsequent Purchaser holds any interest in the Preferred Securities, a duly completed and executed certificate in the form attached hereto as Exhibit G, including the financial statements referenced in such Exhibit, which certificate and financial statements shall be so furnished by the Depositor not later than forty five (45) days after the end of each of the first three fiscal quarters of each fiscal year of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor.

(c) The Property Trustee shall obtain all reports, certificate and information, which it is entitled to obtain under each of the Operative Documents.

ARTICLE IX.

TERMINATION, LIQUIDATION AND MERGER

SECTION 9.1. Dissolution Upon Expiration Date.

Unless earlier dissolved, the Trust shall automatically dissolve on January 15, 2039 (the "Expiration Date"), and the Trust Property shall be liquidated in accordance with Section 9.4.

SECTION 9.2. Early Termination.

The first to occur of any of the following events is an "Early Termination Event", upon the occurrence of which the Trust shall be dissolved:

(a) the occurrence of a Bankruptcy Event in respect of, or the dissolution or liquidation of, the Depositor, in its capacity as the Holder of the Common Securities, unless the Depositor shall have transferred the Common Securities as provided by Section 5.11, in which case this provision shall refer instead to any such successor Holder of the Common Securities;

(b) the written direction to the Property Trustee from the Holder of the Common Securities at any time to dissolve the Trust and, after satisfaction of any liabilities of the Trust as required by applicable law, to distribute the Notes to Holders in exchange for the Preferred Securities (which direction is optional and wholly within the discretion of the Holder of the Common Securities), provided, that the Holder of the Common Securities shall have received the prior approval of the Federal Reserve if then required;

(c) the redemption of all of the Preferred Securities in connection with the payment at maturity or redemption of all the Notes; and

51

(d) the entry of an order for dissolution of the Trust by a court of competent jurisdiction.

SECTION 9.3. Termination.

The respective obligations and responsibilities of the Trustees and the Trust shall terminate upon the latest to occur of the following: (a) the distribution by the Property Trustee to Holders of all amounts required to be distributed hereunder upon the liquidation of the Trust pursuant to Section 9.4, or upon the redemption of all of the Trust Securities pursuant to Section 4.2;

(b) the satisfaction of any expenses owed by the Trust; and (c) the discharge of all administrative duties of the Administrative Trustees, including the performance of any tax reporting obligations with respect to the Trust or the Holders.

SECTION 9.4. Liquidation.

(a) If an Early Termination Event specified in Section 9.2(a), (b) or (d) occurs or upon the Expiration Date, the Trust shall be liquidated by the Property Trustee as expeditiously as the Property Trustee shall determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to each Holder a Like Amount of Notes, subject to Section 9.4(d). Notice of liquidation shall be given by the Property Trustee not less than thirty (30) nor more than sixty (60) days prior to the Liquidation Date to each Holder of Trust Securities at such Holder's address appearing in the Securities Register. All such notices of liquidation shall:

(i) state the Liquidation Date;

(ii) state that from and after the Liquidation Date, the Trust Securities will no longer be deemed to be Outstanding and (subject to Section 9.4(d)) any Securities Certificates not surrendered for exchange will be deemed to represent a Like Amount of Notes; and

(iii) provide such information with respect to the mechanics by which Holders may exchange Securities Certificates for Notes, or if Section 9.4(d) applies, receive a Liquidation Distribution, as the Property Trustee shall deem appropriate.

(b) Except where Section 9.2(c) or 9.4(d) applies, in order to effect the liquidation of the Trust and distribution of the Notes to Holders, the Property Trustee, either itself acting as exchange agent or through the appointment of a separate exchange agent, shall establish a record date for such distribution (which shall not be more than forty-five (45) days prior to the Liquidation Date nor prior to the date on which notice of such liquidation is given to the Holders) and establish such procedures as it shall deem appropriate to effect the distribution of Notes in exchange for the Outstanding Securities Certificates.

(c) Except where Section 9.2(c) or 9.4(d) applies, after the Liquidation Date, (i) the Trust Securities will no longer be deemed to be Outstanding, (ii) certificates representing a Like Amount of Notes will be issued to Holders of Securities Certificates, upon surrender of such Certificates to the exchange agent for exchange, (iii) the Depositor shall use its best efforts to have the Notes listed on the New York Stock Exchange or on such other exchange, interdealer

52

quotation system or self-regulatory organization on which the Preferred Securities are then listed, if any, (iv) Securities Certificates not so surrendered for exchange will be deemed to represent a Like Amount of Notes bearing accrued and unpaid interest in an amount equal to the accumulated and unpaid Distributions on such Securities Certificates until such certificates are so surrendered (and until such certificates are so surrendered, no payments of interest or principal will be made to Holders of Securities Certificates with respect to such Notes) and (v) all rights of Holders holding Trust Securities will cease, except the right of such Holders to receive Notes upon surrender of Securities Certificates.

(d) Notwithstanding the other provisions of this Section 9.4. if distribution of the Notes in the manner provided herein is determined by the Property Trustee not to be permitted or practical, the Trust Property shall be liquidated, and the Trust shall be wound up by the Property Trustee in such manner as the Property Trustee determines. In such event, Holders will be entitled to receive out of the assets of the Trust available for distribution to Holders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to the Liquidation Amount per Trust Security plus accumulated and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"). If, upon any such winding up the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then, subject to the next succeeding sentence, the amounts payable by the Trust on the Trust Securities shall be paid on a pro rata basis (based upon Liquidation Amounts). The Holder of the Common Securities will be entitled to receive Liquidation Distributions upon any such winding up pro rata (based upon Liquidation Amounts) with Holders of all Trust Securities, except that, if an Event of Default has occurred and is continuing, the Preferred Securities shall have a priority over the Common Securities as provided in Section 4.3.

SECTION 9.5. Mergers, Consolidations, Amalgamations or Replacements of Trust.

The Trust may not merge with or into, consolidate, amalgamate, or be

replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any Person except pursuant to this Article IX. At the request of the Holders of the Common Securities, without the consent of the Holders of the Preferred Securities, the Trust may merge with or into, consolidate, amalgamate, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to a trust organized as such under the laws of any State; provided, that:

(a) such successor entity either (i) expressly assumes all of the obligations of the Trust under this Trust Agreement with respect to the Preferred Securities or (ii) substitutes for the Preferred Securities other securities having substantially the same terms as the Preferred Securities (such other Securities, the "Successor Securities") so long as the Successor Securities have the same priority as the Preferred Securities with respect to distributions and payments upon liquidation, redemption and otherwise;

(b) a trustee of such successor entity possessing substantially the same powers and duties as the Property Trustee is appointed to hold the Notes;

53

(c) if the Preferred Securities or the Notes are rated, such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the Preferred Securities or the Notes (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization that then assigns a rating to the Preferred Securities or the Notes;

(d) the Preferred Securities are listed, or any Successor Securities will be listed upon notice of issuance, on any national securities exchange or interdealer quotation system on which the Preferred Securities are then listed, if any;

(e) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect;

(f) such successor entity has a purpose substantially identical to that of the Trust;

(g) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Depositor has received an Opinion of Counsel to the effect that (i) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect; (ii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, neither the Trust nor such successor entity will be required to register as an "investment company" under the Investment Company Act and (iii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust (or the successor entity) will continue to be classified as a grantor trust for U.S. federal income tax purposes; and

(h) the Depositor or its permitted transferee owns all of the common securities of such successor entity and guarantees the obligations of such successor entity under the Successor Securities at least to the extent provided by the Guarantee Agreement.

Notwithstanding the foregoing, the Trust shall not, except with the consent of Holders of all of the Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to any other Person or permit any other entity to consolidate, amalgamate, merge with or into, or replace, the Trust if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or the successor entity to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or cause the Notes to be treated as other than indebtedness of the Depositor for United States federal income tax purposes.

ARTICLE X.

MISCELLANEOUS PROVISIONS

SECTION 10.1. Limitation of Rights of Holders.

Except as set forth in Section 9.2, the death, bankruptcy, termination, dissolution or incapacity of any Person having an interest, beneficial or otherwise, in Trust Securities shall not operate to terminate this Trust Agreement, nor annul, dissolve or terminate the Trust nor entitle

54

the legal representatives or heirs of such Person or any Holder for such Person,

to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of the arrangements contemplated hereby, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

SECTION 10.2. Agreed Tax Treatment of Trust and Trust Securities.

The parties hereto and, by its acceptance or acquisition of a Trust Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, such Trust Security intend and agree to treat the Trust as a grantor trust for United States federal, state and local tax purposes, and to treat the Trust Securities (including all payments and proceeds with respect to such Trust Securities) as undivided beneficial ownership interests in the Trust Property (and payments and proceeds therefrom, respectively) for United States federal, state and local tax purposes. The provisions of this Trust Agreement shall be interpreted to further this intention and agreement of the parties.

SECTION 10.3. Amendment.

(a) This Trust Agreement may be amended from time to time by the Property Trustee, the Administrative Trustees and the Holder of all the Common Securities, without the consent of any Holder of the Preferred Securities, (i) to cure any ambiguity, correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Trust Agreement, which shall not be inconsistent with the other provisions of this Trust Agreement, (ii) to modify, eliminate or add to any provisions of this Trust Agreement to such extent as shall be necessary to ensure that the Trust will neither be taxable as a corporation nor be classified as other than a grantor trust for United States federal income tax purposes at all times that any Trust Securities are Outstanding or to ensure that the Notes are treated as indebtedness of the Depositor for United States federal income tax purposes, or to ensure that the Trust will not be required to register as an "investment company" under the Investment Company Act or (iii) to add to the covenants, restrictions or obligations of the Depositor; provided, that in the case of clauses (i), (ii) or (iii), such action shall not adversely affect in any material respect the interests of any Holder.

(b) Except as provided in Section 10.3(c), any provision of this Trust Agreement may be amended by the Property Trustee, the Administrative Trustees and the Holder of all of the Common Securities and with (i) the consent of Holders of at least a Majority in Liquidation Amount of the Preferred Securities and (ii) receipt by the Trustees of an Opinion of Counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or affect the treatment of the Notes as indebtedness of the Depositor for United States federal income tax purposes or affect the Trust's exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(c) Notwithstanding any other provision of this Trust Agreement, without the consent of each Holder, this Trust Agreement may not be amended to (i) change the accrual rate, amount,

55

currency or timing of any Distribution on or the redemption price of the Trust Securities or otherwise adversely affect the amount of any Distribution or other payment required to be made in respect of the Trust Securities as of a specified date, (ii) restrict or impair the right of a Holder to institute suit for the enforcement of any such payment on or after such date, (iii) reduce the percentage of aggregate Liquidation Amount of Outstanding Preferred Securities, the consent of whose Holders is required for any such amendment, or the consent of whose Holders is required for any waiver of compliance with any provision of this Trust Agreement or of defaults hereunder and their consequences provided for in this Trust Agreement; (iv) impair or adversely affect the rights and interests of the Holders in the Trust Property, or permit the creation of any Lien on any portion of the Trust Property; or (v) modify the definition of "Outstanding," this Section 10.3(c), Sections 4.1, 4.2, 4.3, 6.10(e) or Article IX.

(d) Notwithstanding any other provision of this Trust Agreement, no Trustee shall enter into or consent to any amendment to this Trust Agreement that would cause the Trust to be taxable as a corporation or to be classified as other than a grantor trust for United States federal income tax purposes or that would cause the Notes to fail or cease to be treated as indebtedness of the Depositor for United States federal income tax purposes or that would cause the Trust to fail or cease to qualify for the exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(e) If any amendment to this Trust Agreement is made, the Administrative Trustees or the Property Trustee shall promptly provide to the Depositor a copy of such amendment.

(f) No Trustee shall be required to enter into any amendment to this Trust Agreement that affects its own rights, duties or immunities under this Trust Agreement. The Trustees shall be entitled to receive an Opinion of Counsel and an Officers' Certificate stating that any amendment to this Trust Agreement is in compliance with this Trust Agreement and all conditions precedent herein provided for relating to such action have been met.

(g) No amendment or modification to this Trust Agreement that adversely affects in any material respect the rights, duties, liabilities, indemnities or immunities of the Delaware Trustee hereunder shall be permitted without the prior written consent of the Delaware Trustee.

SECTION 10.4. Separability.

If any provision in this Trust Agreement or in the Securities Certificates shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

SECTION 10.5. Governing Law.

THIS TRUST AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF EACH OF THE HOLDERS, THE TRUST, THE DEPOSITOR AND THE TRUSTEES WITH RESPECT TO THIS TRUST AGREEMENT AND THE TRUST SECURITIES SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE

56

STATE OF DELAWARE WITHOUT REFERENCE TO ITS CONFLICTS OF LAWS PROVISIONS.

SECTION 10.6. Successors.

This Trust Agreement shall be binding upon and shall inure to the benefit of any successor to the Depositor, the Trust and any Trustee, including any successor by operation of law. Except in connection with a transaction involving the Depositor that is permitted under Article VIII of the Indenture and pursuant to which the assignee agrees in writing to perform the Depositor's obligations hereunder, the Depositor shall not assign its obligations hereunder.

SECTION 10.7. Headings.

The Article and Section headings are for convenience only and shall not affect the construction of this Trust Agreement.

(b) Any notice, demand or other communication that by any provision of this Trust Agreement is required or permitted to be given or served to or upon the Property Trustee, the Delaware Trustee, the Administrative Trustees or the Trust shall be given in writing by deposit thereof, first-class postage prepaid, in the U.S. mail, personal delivery or facsimile transmission, addressed to such Person as follows: (a) with respect to the Property Trustee to Deutsche Bank Trust Company Americas, 60 Wall Street, New York, NY 10005, Attention: Corporate Trust and Agency Services, facsimile no. [FORM OF REVERSE OF SECURITY]

The Trust promises to pay Distributions from January 8, 2004, or from the most recent Distribution Date to which Distributions have been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on January 15th, April 15th, July 15th and October 15th of each year, commencing on April 15, 2004, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% of the Liquidation Amount of the Preferred Securities represented by this Preferred Securities Certificate, together with any Additional Interest Amounts, in respect to such period.

Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

In the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Preferred Securities shall be deferred.

Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If

Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates to Holders (as defined in the Trust Agreement) of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such Distributions in the Payment Account of the Trust. The Trust's funds available for Distribution to the Holders of the Preferred Securities will be limited to payments received from the Depositor. The payment of Distributions out of moneys held by the Trust is guaranteed by the Depositor pursuant to the Guarantee Agreement.

During any such Extension Period, the Depositor shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Depositor's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Depositor that

rank pari passu in all respects with or junior in interest to the Notes (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Depositor in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Depositor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Depositor's capital stock (or any capital stock of a Subsidiary (as defined in the Indenture) of the Depositor) for any class or series of the Depositor's capital stock or of any class or series of the Depositor's indebtedness for any class or series of the Depositor's capital stock, (c) the purchase of fractional interests in shares of the Depositor's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan (as defined in the Indenture), the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

On each Note Redemption Date, on the stated maturity (or any date of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after January 15, 2009 in whole or in part from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof or the redeemed portion thereof, as applicable, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, at any time, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price.

The Trust Securities redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. If any

C-7

Preferred Securities are held by a Depositary, such Distributions shall be made to the Depositary in immediately available funds.

The indebtedness evidenced by the Notes is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt (as defined in the Indenture), and this Security is issued subject to the provisions of the Indenture with respect thereto.

Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 1.6.

12

(h) With respect to any record date set pursuant to paragraph (f) or (g) of this Section 1.4, the party hereto that sets such record date may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided, that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 1.6, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.4, the party hereto that set such record date shall be deemed to have initially designated the ninetieth (90th) day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the one hundred and eightieth (180th) day after the applicable record date.

If, by reason of the suspension of or irregularities in regular mail service or for any other reason, it shall be impossible or impracticable to mail notice of any event to Holders when said notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

The Company further promises to pay interest on said principal sum from January 8, 2004, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on January 15th, April 15th, July 15th and October 15th of each year, commencing on April 15, 2004, or if any such day is not a Business Day, on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date until such next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on the Interest Payment Date, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, together with Additional Tax Sums, if any, as provided in Section 10.5 of the Indenture, until the principal hereof is paid or duly provided for or made available for payment; provided, that any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent that the payment of such interest shall be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates such amounts are due until they are paid or made available for payment, and such interest shall be payable on demand.

the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (c) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

Payment of principal of, premium, if any, and interest on this Security shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of this Security shall be made at the office or agency of the Company maintained for that purpose in the Place of Payment upon surrender of such Securities to the Paying Agent, and payments of interest shall be made, subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of this Security is the Property Trustee, the payment of the principal of (and premium, if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on this Security will be made at such place and to such account as may be designated by the Property Trustee.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt, and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his or her behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his or her attorney-in-fact for any and all such purposes. Each Holder hereof, by his or her acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and in the Indenture by each holder of Senior Debt, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

18

EXHIBIT D

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Security is one of a duly authorized issue of securities of the Company (the "Securities") issued under the Junior Subordinated Indenture, dated as of January 8, 2004 (the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (in such capacity, the "Trustee" which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

All terms used in this Security that are defined in the Indenture or in the Amended and Restated Trust Agreement, dated as of January 8, 2004 (as modified, amended or supplemented from time to time, the "Trust Agreement"), relating to Hanmi Capital Trust I (the "Trust"), among the Company, as Depositor, the Trustees named therein and the Holders from time to time of the Trust Securities issued pursuant thereto, shall have the meanings assigned to them in the Indenture or the Trust Agreement, as the case may be.

The Company may, on any Interest Payment Date, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee) on or after January 15, 2009 and subject to the terms and conditions of Article XI of the Indenture, redeem this Security in whole at any time or in part from time to time at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In addition, upon the occurrence and during the continuation of a Special Event, the Company may, at its option, upon not less than thirty (30) days' nor

more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee), redeem this Security, in whole but not in part, subject to the terms and conditions of Article XI of the Indenture at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In the event of redemption of this Security in part only, a new Security or Securities for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof. If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security.

19

EXHIBIT D

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities, on behalf of the Holders of all Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, including any Additional Interest, on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar and duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Securities, of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree that, for United States federal, state and local tax purposes, it is intended that this Security constitute indebtedness.

20

EXHIBIT D

This Security shall be construed and enforced in accordance with and governed by the laws of the State of New York, without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

IN WITNESS WHEREOF, the Company has caused this instrument to be duly

executed.

(a) Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

(b) If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for that purpose without charge to the Holder. SECTION 3.1. Payment of Principal and Interest.

(a) The unpaid principal amount of the Securities shall bear interest at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% until paid or duly provided for, such interest to accrue from the Original Issue Date or from the most recent Interest Payment Date to which interest has been paid or duly provided for, and any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to

EXHIBIT D

the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% from the dates such amounts are due until they are paid or funds for the payment thereof are made available for payment.

(b) Interest and Additional Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, except that interest and any Additional Interest payable on the Stated Maturity (or any date of principal repayment upon early maturity) of the principal of a Security or on a Redemption Date shall be paid to the Person to whom principal is paid. The initial payment of interest on any Security that is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security.

(c) Any interest on any Security that is due and payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in paragraph (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest (a "Special Record Date"), which shall be fixed in the following manner. At least thirty (30) days prior to the date of the proposed payment, the Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than fifteen (15) days and not less than ten (10) days prior to the date of the proposed payment and not less than ten (10) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security at the address of such Holder as it appears in the Securities Register not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered on such Special Record Date; or

(ii) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed and, upon such notice as may be required by such

exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such payment shall be deemed practicable by the Trustee.

(d) Payments of interest on the Securities shall include interest accrued to but excluding the respective Interest Payment Dates. Interest payments for the Securities shall be computed and paid on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four.

(e) Payment of principal of, premium, if any, and interest on the Securities shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of such Securities shall be made at the Place of Payment upon surrender of such Securities to the Paying Agent and payments of interest shall be made subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of the Security is the Property Trustee, the payment of the principal of (and premium if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on the Security will be made at such place and to such account as may be designated by the Property Trustee.

(f) Subject to the foregoing provisions of this Section 3.1. each Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

SECTION 3.2. Denominations.

The Securities shall be in registered form without coupons and shall be issuable in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof.

SECTION 3.3. Execution, Authentication, Delivery and Dating.

(a) At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities in an aggregate principal amount (including all then Outstanding Securities) not in excess of \$30,928,000 executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and shall be fully protected in relying upon:

- (i) a copy of any Board Resolution relating thereto; and

- (ii) an Opinion of Counsel stating that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its President or one of its Vice Presidents. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

(c) No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a

certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.8, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

(d) Each Security shall be dated the date of its authentication.

SECTION 3.4. Global Securities.

(a) Each Global Security issued under this Indenture shall be registered in the name of the Depository designated by the Company for such Global Security or a nominee thereof and delivered to such Depository or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depository for such Global Security or a nominee thereof unless (i) such Depository advises the Trustee and the Company in writing that such Depository is no longer willing or able to properly discharge its responsibilities as Depository with respect to such Global Security, and no qualified successor is appointed by the Company within ninety (90) days of receipt by the Company of such notice, (ii) such Depository ceases to be a clearing agency registered under the Exchange Act and no successor is appointed by the Company within ninety (90) days after obtaining knowledge of such event, (iii) the Company executes and delivers to the Trustee a Company Order stating that the Company elects to terminate the book-entry system through the Depository or (iv) an Event of Default shall have occurred and be continuing. Upon the occurrence of any event specified in

27

EXHIBIT D

clause (i), (ii), (iii) or (iv) above, the Trustee shall notify the Depository and instruct the Depository to notify all owners of beneficial interests in such Global Security of the occurrence of such event and of the availability of Securities to such owners of beneficial interests requesting the same. Upon the issuance of such Securities and the registration in the Securities Register of such Securities in the names of the Holders of the beneficial interests therein, the Trustees shall recognize such holders of beneficial interests as Holders.

(c) If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article III or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Trustee, in accordance with the Applicable Depository Procedures, shall instruct the Depository or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security by the Depository, accompanied by registration instructions, the Company shall execute and the Trustee shall authenticate and deliver any Securities issuable in exchange for such Global Security (or any portion thereof) in accordance with the instructions of the Depository. The Trustee shall not be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(d) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depository for such Global Security or a nominee thereof.

(e) Securities distributed to holders of Book-Entry Preferred Securities (as defined in the applicable Trust Agreement) upon the dissolution of the Trust shall be distributed in the form of one or more Global Securities registered in the name of a Depository or its nominee, and deposited with the Securities Registrar, as custodian for such Depository, or with such Depository, for credit by the Depository to the respective accounts of the beneficial owners of the Securities represented thereby (or such other accounts as they may direct). Securities distributed to holders of Preferred Securities other than Book-Entry Preferred Securities upon the dissolution of the Trust shall not be issued in the form of a Global Security or any other form intended to facilitate

book-entry trading in beneficial interests in such Securities, provided, that, any such holder may exchange such Securities for a beneficial interest in any Global Security if such holder is eligible under the terms of this Indenture to do so. All Securities must be transferred in accordance with the transfer restrictions set forth herein. Any owner of a beneficial interest in a Global Security must be a QIB. Any Securities issued to a Person other than a QIB shall not be issued in the form of a Global Security.

(f) The Depositary or its nominee, as the registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Depositary Procedures. Accordingly, any such owner's beneficial interest in a Global

28

EXHIBIT D

Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depositary or its nominee or its Depositary Participants. The Securities Registrar and the Trustee shall be entitled to deal with the Depositary for all purposes of this Indenture relating to a Global Security (including the payment of principal and interest thereon and the giving of instructions or directions by owners of beneficial interests therein and the giving of notices) as the sole Holder of the Security and shall have no obligations to the owners of beneficial interests therein. Neither the Trustee nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(g) The rights of owners of beneficial interests in a Global Security shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such owners and the Depositary and/or its Depositary Participants.

(h) No holder of any beneficial interest in any Global Security held on its behalf by a Depositary shall have any rights under this Indenture with respect to such Global Security, and such Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by a Depositary or impair, as between a Depositary and such holders of beneficial interests, the operation of customary practices governing the exercise of the rights of the Depositary (or its nominee) as Holder of any Security.

SECTION 3.5. Registration, Transfer and Exchange Generally.

(a) The Trustee shall cause to be kept at the Corporate Trust Office a register (the "Securities Register") in which the registrar and transfer agent with respect to the Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee shall at all times also be the Securities Registrar. The provisions of Article VI shall apply to the Trustee in its role as Securities Registrar. If any Securities presented for transfer or exchange are (i) being transferred otherwise than to a QIB, such Securities shall be accompanied by a certificate of the transferee substantially in the form set forth as Exhibit B hereto, or (ii) are being transferred to a QIB, such Securities shall be accompanied by a certificate of transfer substantially in the form set forth in Exhibit C hereto.

(b) Upon surrender for registration of transfer of any Security at the offices or agencies of the Company designated for that purpose the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations of like tenor and aggregate principal amount.

(c) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations, of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(d) All Securities issued upon any transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities

surrendered upon such transfer or exchange.

(e) Every Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

(f) No service charge shall be made to a Holder for any transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities.

(g) Neither the Company nor the Trustee shall be required pursuant to the provisions of this Section 3.5 to issue, register the transfer of or exchange any Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of Securities pursuant to Article XI and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any such Security to be redeemed in part, any portion thereof not to be redeemed.

(h) The Company shall designate an office or offices or agency or agencies where Securities may be surrendered for registration or transfer or exchange. The Company initially designates the Corporate Trust Office as its office and agency for such purposes. The Company shall give prompt written notice to the Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 3.6. Mutilated, Destroyed, Lost and Stolen Securities.

(a) If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and aggregate principal amount and bearing a number not contemporaneously outstanding.

(b) If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and aggregate

30

principal amount as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

(c) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

(d) Upon the issuance of any new Security under this Section 3.6. the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Security issued pursuant to this Section 3.6 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

(f) The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.7. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee shall treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any interest on such Security and for all other purposes whatsoever, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 3.8. Cancellation.

All Securities surrendered for payment, redemption, transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 3.8. except as expressly permitted by this Indenture. All canceled Securities shall be disposed of by the Trustee in accordance with its customary practices and the Trustee shall deliver to the Company a certificate of such disposition.

SECTION 3.9. Deferrals of Interest Payment Dates.

(a) So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of the Security, to defer the payment of interest on the Securities for a period of up to twenty (20) consecutive quarterly

31

EXHIBIT D

interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), the Company shall have the right to make no payments or partial payments of interest on any Interest Payment Date (except any Additional Tax Sums that otherwise may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date and no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. No interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on the Securities together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may extend such Extension Period and further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. The Company shall give the Holders of the Securities and the Trustee written notice of its election to begin any such Extension Period at least one Business Day prior to the next succeeding Interest Payment Date on which interest on the Securities would be payable but for such deferral or, so long as any Securities are held by the Trust, at least one Business Day prior to the earlier of (i) the next succeeding date on which Distributions on the Preferred Securities of such Trust would be payable but for such deferral and (ii) the date on which the Property Trustee of such Trust is required to give notice to any securities exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date for the payment of such Distributions.

(b) In connection with any such Extension Period, the Company shall be subject to the restrictions set forth in Section 10.6(a).

SECTION 3.10. Right of Set-Off.

Notwithstanding anything to the contrary herein, the Company shall have the right to set off any payment it is otherwise required to make in respect of any Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a payment under the Guarantee Agreement relating to such Security or to a holder of Preferred Securities pursuant to an action undertaken under Section 5.8 of this Indenture.

32

EXHIBIT D

SECTION 3.11. Agreed Tax Treatment.

Each Security issued hereunder shall provide that the Company and, by its acceptance or acquisition of a Security or a beneficial interest therein, the Holder of, and any Person that acquires a direct or indirect beneficial interest

in, such Security, intend and agree to treat such Security as indebtedness of the Company for United States Federal, state and local tax purposes and to treat the Preferred Securities (including but not limited to all payments and proceeds with respect to the Preferred Securities) as an undivided beneficial ownership interest in the Securities (and payments and proceeds therefrom, respectively) for United States Federal, state and local tax purposes. The provisions of this Indenture shall be interpreted to further this intention and agreement of the parties.

SECTION 3.12. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption and other similar or related materials as a convenience to Holders; provided, that any such notice or other materials may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption or other materials and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE IV

Satisfaction and Discharge

SECTION 4.1. Satisfaction and Discharge of Indenture.

This Indenture shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for and as otherwise provided in this Section 4.1) and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities that have been mutilated, destroyed, lost or stolen and that have been replaced or paid as provided in Section 3.6 and (B) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 10.2) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(A) have become due and payable, or

33

EXHIBIT D

(B) will become due and payable at their Stated Maturity within one year of the date of deposit, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of subclause (ii) (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose (x) an amount in the currency or currencies in which the Securities are payable, (y) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount or (z) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and any premium and interest (including any Additional Interest) to the date of such deposit (in the case of Securities that have become due and payable) or to the Stated Maturity (or any date of principal repayment upon early maturity) or Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.6, the obligations of the Company to any Authenticating Agent under Section 6.11 and, if money shall have been deposited with the Trustee pursuant to subclause (a)(ii) of this Section 4.1, the obligations of the Trustee under Section 4.2 and Section 10.2(e) shall survive.

SECTION 4.2. Application of Trust Money.

Subject to the provisions of Section 10.2(e), all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by the Trustee, in accordance with the provisions of the Securities and this Indenture, to the payment in accordance with Section 3.1, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest (including any Additional Interest) for the payment of which such money or obligations have been deposited with or received by the Trustee. Moneys held by the Trustee under this Section 4.2 shall not be subject to the claims of holders of Senior Debt under Article XII.

ARTICLE V

Remedies

SECTION 5.1. Events of Default.

"Event of Default" means, wherever used herein with respect to the Securities, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon any Security, including any Additional Interest in respect thereof, when it becomes due and payable, and continuance of such default for a period of thirty (30) days (subject to the deferral of any due date in the case of an Extension Period); or

(b) default in the payment of the principal of or any premium on any Security at its Maturity; or

(c) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or the breach of which is elsewhere in this section specifically dealt with) and continuance of such default or breach for a period of sixty (60) days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least twenty five percent (25%) in aggregate principal amount of the Outstanding Securities a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(d) the entry by a court having jurisdiction in the premises of a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

(e) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by the Company to the institution of bankruptcy or insolvency proceedings against it, or the filing by the Company of a petition or answer or consent seeking reorganization or relief under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a

bankrupt or insolvent, or the taking of corporate action by the Company in furtherance of any such action; or

(f) the Trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence, except in connection with (1) the distribution of the Securities to holders of the Preferred Securities in liquidation of their interests in the Trust, (2) the redemption of all of the outstanding Preferred Securities or (3) certain mergers, consolidations or amalgamations, each as and to the extent permitted by the Trust Agreement.

SECTION 5.2. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing, then and in every such case the Trustee or the Holders of not less than twenty five percent (25%) in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided, that if, upon an Event of Default, the Trustee or the Holders of not less than twenty five percent (25%) in principal amount of the Outstanding Securities fail to declare the principal of all the Outstanding Securities to be immediately due and payable, the holders of at least twenty five percent (25%) in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Company and the Trustee; and upon any such declaration the principal amount of and the accrued interest (including any Additional Interest) on all the Securities shall become immediately due and payable.

(b) At any time after such a declaration of acceleration with respect to Securities has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V. the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay:

- (A) all overdue installments of interest on all Securities,
- (B) any accrued Additional Interest on all Securities,
- (C) the principal of and any premium on any Securities that have become due otherwise than by such declaration of acceleration and interest (including any Additional Interest) thereon at the rate borne by the Securities, and
- (D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Property Trustee and their agents and counsel; and

36

EXHIBIT D

(ii) all Events of Default with respect to Securities, other than the nonpayment of the principal of Securities that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13;

provided, that if the Holders of such Securities fail to annul such declaration and waive such default, the holders of not less than a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall also have the right to rescind and annul such declaration and its consequences by written notice to the Property Trustee, the Company and the Trustee, subject to the satisfaction of the conditions set forth in paragraph (b) of this Section 5.2. No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that if:

(i) default is made in the payment of any installment of interest (including any Additional Interest) on any Security when such interest becomes due and payable and such default continues for a period of thirty (30) days, or

(ii) default is made in the payment of the principal of and any premium on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to the Trustee, for the

benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest (including any Additional Interest) and, in addition thereto, all amounts owing the Trustee under Section 6.6.

(b) If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

(c) If an Event of Default with respect to Securities occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.4. Trustee May File Proofs of Claim.

In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or similar judicial proceeding relative to the Company (or

37

EXHIBIT D

any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized hereunder in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to first pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6.

SECTION 5.5. Trustee May Enforce Claim Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, subject to Article XII and after provision for the payment of all the amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.6. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to the Securities pursuant to this Article V shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal or any premium or interest (including any Additional Interest), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee, any predecessor Trustee and other Persons under Section 6.6;

SECOND: To the payment of all Senior Debt of the Company if and to the extent required by Article XII.

THIRD: Subject to Article XII, to the payment of the amounts then due and unpaid upon the Securities for principal and any premium and interest (including any Additional Interest) in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and any premium and interest (including any Additional Interest), respectively; and

FOURTH: The balance, if any, to the Person or Persons entitled thereto.

SECTION 5.7. Limitation on Suits.

Subject to Section 5.8, no Holder of any Securities shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities;
- (b) the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding for sixty (60) days; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such sixty (60)-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 5.8. Unconditional Right of Holders to Receive Principal, Premium and Interest; Direct Action by Holders of Preferred Securities.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium on such Security at its Maturity and payment of interest (including any Additional Interest) on such Security when due and payable and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Any registered holder of the Preferred Securities shall have the right, upon the occurrence of an Event of Default described in Section 5.1(a) or Section 5.1(b), to institute a suit directly against the Company for enforcement of payment to such holder of principal of and any premium and interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities held by such holder.

SECTION 5.9. Restoration of Rights and Remedies.

If the Trustee, any Holder or any holder of Preferred Securities has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, such Holder or such holder of Preferred Securities, then and in every such case the Company, the Trustee, such Holders and such holder of Preferred Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, such Holder and such holder of Preferred Securities shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative.

Except as otherwise provided in Section 3.6(f), no right or remedy herein conferred upon or reserved to the Trustee or the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee, any Holder of any Securities or any holder of any Preferred Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders and the right and remedy given to the holders of Preferred Securities by Section 5.8 may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Holders or the holders of Preferred Securities, as the case may be.

SECTION 5.12. Control by Holders.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) subject to the provisions of Section 6.2, the Trustee shall have the right to decline to follow such direction if a Responsible Officer or Officers of the Trustee shall, in good faith, reasonably determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

40

EXHIBIT D

SECTION 5.13. Waiver of Past Defaults.

(a) The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities and the holders of a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities may waive any past Event of Default hereunder and its consequences except an Event of Default:

(i) in the payment of the principal of or any premium or interest (including any Additional Interest) on any Security (unless such Event of Default has been cured and the Company has paid to or deposited with the Trustee a sum sufficient to pay all installments of interest (including any Additional Interest) due and past due and all principal of and any premium on all Securities due otherwise than by acceleration), or

(ii) in respect of a covenant or provision hereof that under Article IX cannot be modified or amended without the consent of each Holder of any Outstanding Security.

(b) Any such waiver shall be deemed to be on behalf of the Holders of all the Securities or, in the case of a waiver by holders of Preferred Securities issued by such Trust, by all holders of Preferred Securities.

(c) Upon any such waiver, such Event of Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

SECTION 5.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent (10%) in aggregate principal amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or any premium on the Security after the Stated Maturity or any interest (including any Additional Interest) on any Security after it is due and payable.

SECTION 5.15. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it

will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and

41

EXHIBIT D

covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VI

The Trustee

SECTION 6.1. Corporate Trustee Required.

There shall at all times be a Trustee hereunder with respect to the Securities. The Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or state authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 6.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.1, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

SECTION 6.2. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture.

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a majority in aggregate principal amount of the Outstanding Securities, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it

shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.2. To the extent that, at law or in equity, the Trustee has duties and liabilities relating to the Holders, the Trustee shall not be liable to any Holder for the Trustee's good faith reliance on the provisions of this Indenture. The provisions of this Indenture, to the extent that they restrict the duties and liabilities of the Trustee otherwise existing at law or in equity, are agreed by the Company and the Holders to replace such other duties and liabilities of the Trustee.

(d) No provisions of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a majority in aggregate principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture; and

(iii) the Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company and money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law.

SECTION 6.3. Notice of Defaults.

Within ninety (90) days after the occurrence of any default actually known to the Trustee, the Trustee shall give the Holders notice of such default unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or any premium or interest on any Securities, the Trustee shall be fully protected in withholding the notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interest of holders of Securities; and provided, that in the case of any default of the character specified in Section 5.1(c), no such notice to Holders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 6.3, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 6.4. Certain Rights of Trustee.

Subject to the provisions of Section 6.2:

43

EXHIBIT D

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Indenture the Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Indenture the Trustee finds ambiguous or inconsistent with any other provisions contained herein or (iii) the Trustee is unsure of the application of any provision of this Indenture, then, except as to any matter as to which the Holders are entitled to decide under the terms of this Indenture, the Trustee shall deliver a notice to the Company requesting the Company's written instruction as to the course of action to be taken and the Trustee shall take such action, or refrain from taking such action, as the Trustee shall be instructed in writing to take, or to refrain from taking, by the Company; provided, that if the Trustee does not receive such instructions from the Company within ten Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice the Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Trustee shall deem advisable and in the best interests of the Holders, in which event the Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any request or direction of the Company shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(d) the Trustee may consult with counsel (which counsel may be counsel to the Trustee, the Company or any of its Affiliates, and may include any of its employees) and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or

direction, including reasonable advances as may be requested by the Trustee;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, indenture, note or other paper or document, but the Trustee in its discretion may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and

44

EXHIBIT D

the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(h) whenever in the administration of this Indenture the Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action with respect to enforcing any remedy or right hereunder, the Trustees (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same aggregate principal amount of Outstanding Securities as would be entitled to direct the Trustee under this Indenture in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(i) except as otherwise expressly provided by this Indenture, the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

(j) without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with any bankruptcy, insolvency or other proceeding referred to in clauses (d) or (e) of the definition of Event of Default, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy laws or law relating to creditors rights generally;

(k) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate addressing such matter, which, upon receipt of such request, shall be promptly delivered by the Company;

(l) the Trustee shall not be charged with knowledge of any Event of Default unless either (i) a Responsible Officer of the Trustee shall have actual knowledge or (ii) the Trustee shall have received notice thereof from the Company or a Holder; and

(m) in the event that the Trustee is also acting as Paying Agent, Authenticating Agent or Securities Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article VI shall also be afforded such Paying Agent, Authenticating Agent, or Securities Registrar.

SECTION 6.5. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Securities Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Securities Registrar or such other agent.

45

EXHIBIT D

SECTION 6.6. Compensation; Reimbursement; Indemnity.

(a) The Company agrees

(i) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amounts as the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(iii) to the fullest extent permitted by applicable law, to indemnify the Trustee and its Affiliates, and their officers, directors, shareholders, agents, representatives and employees for, and to hold them harmless against, any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to (i) or (ii) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part arising out of or in connection with the acceptance or administration of this trust or the performance of the Trustee's duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

(b) To secure the Company's payment obligations in this Section 6.6, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, other than money or property held in trust to pay principal and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.

(c) The obligations of the Company under this Section 6.6 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee.

(d) In no event shall the Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(e) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Indenture.

SECTION 6.7. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.8.

(b) The Trustee may resign at any time by giving written notice thereof to the Company.

(c) Unless an Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Company by a Board Resolution. If an Event of Default shall have occurred and be continuing, the Trustee may be removed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Company, by a Board Resolution, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when an Event of Default shall have occurred and be continuing, the Holders, by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment within sixty (60) days after the giving of a notice of resignation by the Trustee or the removal of the Trustee in the manner required by Section 6.8, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of such Holder and all others similarly situated, and any resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Company shall give notice to all Holders in the manner provided in Section 1.6 of each resignation and each removal of the Trustee and each appointment of a successor Trustee. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.8. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign,

47

EXHIBIT D

transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) of this Section 6.8.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VI.

SECTION 6.9. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VI. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation or as otherwise provided above in this Section 6.9 to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated, and in case any Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor Trustee or in the name of such successor Trustee, and in all cases the certificate of authentication shall have the full force which it is provided anywhere in the Securities or in this Indenture that the certificate of the Trustee shall have.

SECTION 6.10. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the Securities or the proceeds thereof.

SECTION 6.11. Appointment of Authenticating Agent.

(a) The Trustee may appoint an Authenticating Agent or Agents with respect to the Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.6, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall

at all times be a corporation organized and doing business under the laws of the

United States of America, or of any State or Territory thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 6.11 the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 6.11.

(b) Any Person into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of an Authenticating Agent shall be the successor Authenticating Agent hereunder, provided such Person shall be otherwise eligible under this Section 6.11, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

(c) An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, the Trustee may appoint a successor Authenticating Agent eligible under the provisions of this Section 6.11, which shall be acceptable to the Company, and shall give notice of such appointment to all Holders. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

(d) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.11 in such amounts as the Company and the Authenticating Agent shall agree from time to time.

(e) If an appointment of an Authenticating Agent is made pursuant to this Section 6.11, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

SECTION 7.3. Reports by Company.

(a) So long as the Securities are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, if the Company is neither subject to Section 13 or 15(d) of the Exchange Act nor exempt from reporting pursuant to Rule 12g2-2(b) under the Exchange Act, the Company shall furnish to the Holders and to prospective purchasers of Securities, upon their request, the information required to be furnished pursuant to Rule 144A(d)(4) under the Securities Act.

Consolidation, Merger, Conveyance, Transfer or Lease

SECTION 8.1. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and no Person shall consolidate with or merge into the Company or convey, transfer or lease its properties and assets substantially as an entirety to the Company, unless:

(a) if the Company shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the entity formed by such consolidation or into which the Company is merged or the Person that acquires by conveyance or transfer, or that leases, the properties and assets of the Company substantially as an entirety shall be an entity organized and existing under the laws of the United States of America or any State or Territory thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of and any premium and interest (including any Additional Interest) on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(b) immediately after giving effect to such transaction, no Event of Default, and no event that, after notice or lapse of time, or both, would constitute an Event of Default, shall have happened and be continuing; and

51

EXHIBIT D

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance,

transfer or lease and, if a supplemental indenture is required in connection with such transaction, any such supplemental indenture comply with this Article VIII and that all conditions precedent herein provided for relating to such transaction have been complied with; and the Trustee may rely upon such Officers' Certificate and Opinion of Counsel as conclusive evidence that such transaction complies with this Section 8.1.

SECTION 8.2. Successor Company Substituted.

(a) Upon any consolidation or merger by the Company with or into any other Person, or any conveyance, transfer or lease by the Company of its properties and assets substantially as an entirety to any Person in accordance with Section 8.1 and the execution and delivery to the Trustee of the supplemental indenture described in Section 8.1 (a), the successor entity formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and in the event of any such conveyance or transfer, following the execution and delivery of such supplemental indenture, the Company shall be discharged from all obligations and covenants under the Indenture and the Securities.

(b) Such successor Person may cause to be executed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities that previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities that such successor Person thereafter shall cause to be executed and delivered to the Trustee on its behalf. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture.

(c) In case of any such consolidation, merger, sale, conveyance or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate to reflect such occurrence.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee, for any of the following purposes:

52

EXHIBIT D

(a) to evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Securities; or

(b) to cure any ambiguity, to correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, which shall not be inconsistent with the other provisions of this Indenture, provided, that such action pursuant to this clause (b) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(c) to add to the covenants, restrictions or obligations of the Company or to add to the Events of Default, provided, that such action pursuant to this clause (c) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(d) to modify, eliminate or add to any provisions of the Indenture or the Securities to such extent as shall be necessary to ensure that the Securities are treated as indebtedness of the Company for United States Federal income tax purposes, provided, that such action pursuant to this clause (d) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(e) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee.

SECTION 9.2. Supplemental Indentures with Consent of Holders.

(a) With the consent of the Holders of not less than a majority in

aggregate principal amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities under this Indenture; provided, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security.

(i) change the Stated Maturity of the principal or any premium of any Security or change the date of payment of any installment of interest (including any Additional Interest) on any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof or change the place of payment where, or the coin or currency in which, any Security or interest thereon is payable, or restrict or impair the right to institute suit for the enforcement of any such payment on or after such date, or

(ii) reduce the percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with any provision of this Indenture or of defaults hereunder and their consequences provided for in this Indenture, or

53

EXHIBIT D

(iii) modify any of the provisions of this Section 9.2. Section 5.13 or Section 10.7. except to increase any percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any reason, or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security;

provided, further, that, so long as any Preferred Securities remain outstanding, no amendment under this Section 9.2 shall be effective until the holders of a majority in Liquidation Amount (as defined in the Trust Agreement) of the Trust Securities shall have consented to such amendment; provided, further, that if the consent of the holder of each Outstanding Security is required for any amendment under this Indenture, such amendment shall not be effective until the holder of each Outstanding Trust Security shall have consented to such amendment.

(b) It shall not be necessary for any Act of Holders under this Section 9.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 9.3. Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent herein provided for relating to such action have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties, indemnities or immunities under this Indenture or otherwise. Copies of the final form of each supplemental indenture shall be delivered by the Trustee at the expense of the Company to each Holder, and, if the Trustee is the Property Trustee, to each holder of Preferred Securities, promptly after the execution thereof.

SECTION 9.4. Effect of Supplemental Indentures

SECTION 9.5. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and shall if required by the Company, bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE X

SECTION 10.1. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of the Securities that it will duly and punctually pay the principal of and any premium and interest (including any Additional Interest) on the Securities in accordance with the terms of the Securities and this Indenture.

SECTION 10.2. Money for Security Payments to be Held in Trust.

(a) If the Company shall at any time act as its own Paying Agent with respect to the Securities, it will, on or before each due date of the principal of and any premium or interest (including any Additional Interest) on the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any premium or interest (including Additional Interest) so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee in writing of its failure so to act.

(b) Whenever the Company shall have one or more Paying Agents, it will, prior to 1:00 p.m., New York City time, on each due date of the principal of or any premium or interest (including any Additional Interest) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided in the Trust Indenture Act and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its failure so to act.

(c) The Company will cause each Paying Agent for the Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.2, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities.

(d) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(e) Any money deposited with the Trustee or any Paying Agent, or then held by the Company in trust for the payment of the principal of and any premium or interest (including any Additional Interest) on any Security and remaining unclaimed for two years after such principal and any premium or interest has become due and payable shall (unless otherwise required by

mandatory provision of applicable escheat or abandoned or unclaimed property law) be paid on Company Request to the Company, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 10.3. Statement as to Compliance.

The Company shall deliver to the Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Company is in

default in the performance or observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder), and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 10.4. Calculation Agent.

(a) The Company hereby agrees that for so long as any of the Securities remain Outstanding, there will at all times be an agent appointed to calculate LIBOR in respect of each Interest Payment Date in accordance with the terms of Schedule A (the "Calculation Agent"). The Company has initially appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Payment Date, and the Trustee hereby accepts such appointment in accordance with the terms of this Indenture. The Calculation Agent may be removed by the Company at any time. So long as the Property Trustee holds any of the Securities, the Calculation Agent shall be the Property Trustee. If the Calculation Agent is unable or unwilling to act as such or is removed by the Company, the Company will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Company or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule A), but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Interest Payment Date, and will communicate such rate and amount to the Company, the Trustee, each Paying Agent and the

56

EXHIBIT D

Depository. The Calculation Agent will also specify to the Company the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Company before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Payment Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

SECTION 10.5. Additional Tax Sums.

So long as no Event of Default has occurred and is continuing, if (a) the Trust is the Holder of all of the Outstanding Securities and (b) a Tax Event described in clause (i) or (iii) in the definition of Tax Event in Section 1.1 hereof has occurred and is continuing, the Company shall pay to the Trust (and its permitted successors or assigns under the related Trust Agreement) for so long as the Trust (or its permitted successor or assignee) is the registered holder of the Outstanding Securities, such amounts as may be necessary in order that the amount of Distributions (including any Additional Interest Amount (as defined in the Trust Agreement)) then due and payable by the Trust on the Preferred Securities and Common Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any Additional Taxes arising from such Tax Event (additional such amounts payable by the Company to the Trust, the "Additional Tax Sums"). Whenever in this Indenture or the Securities there is a reference in any context to the payment of principal of or interest on the Securities, such mention shall be deemed to include mention of the payments of the Additional Tax Sums provided for in this Section 10.5 to the extent that, in such context, Additional Tax Sums are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.5 and express mention of the payment of Additional Tax Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Tax Sums in those provisions hereof where such express mention is not made; provided, that the deferral of the payment of interest pursuant to Section 3.9 on the Securities shall not defer the payment of any Additional Tax Sums that may be due and payable.

SECTION 10.6. Additional Covenants.

(a) The Company covenants and agrees with each Holder of Securities that if an Event of Default shall have occurred and be continuing or the Company shall have given notice of its election to begin an Extension Period with respect to the Securities and shall not have rescinded such notice, or such Extension Period, or any extension thereof, shall be continuing, it shall not (i) declare or pay any dividends or distributions on, or redeem, purchase,

acquire or make a liquidation payment with respect to, any shares of the Company's capital stock, or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to the Securities (other than (A) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or

57

EXHIBIT D

consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period or Event of Default, (B) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (C) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (D) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan or the redemption or repurchase of rights pursuant thereto, or (E) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

(b) The Company also covenants with each Holder of Securities (i) to hold, directly or indirectly, one hundred percent (100%) of the Common Securities of the Trust, provided, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities, (ii) as holder of such Common Securities, not to voluntarily dissolve, wind-up or liquidate the Trust other than (A) in connection with a distribution of the Securities to the holders of the Preferred Securities in liquidation of the Trust or (B) in connection with certain mergers, consolidations or amalgamations permitted by the Trust Agreement and (iii) to use its reasonable commercial efforts, consistent with the terms and provisions of the Trust Agreement, to cause the Trust to continue to be taxable as a grantor trust and not as a corporation for United States Federal income tax purposes.

SECTION 10.7. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition contained in Section 10.6 if, before or after the time for such compliance, the Holders of at least a majority in aggregate principal amount of the Outstanding Securities shall, by Act of such Holders, and at least a majority of the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding, by consent of such holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

SECTION 10.8. Treatment of Securities.

The Company will treat the Securities as indebtedness, and the amounts payable in respect of the principal amount of such Securities as interest, for all U.S. federal income tax purposes. All payments in respect of the Securities will be made free and clear of U.S. withholding tax to any beneficial owner thereof that has provided an Internal Revenue Service Form W-8BEN (or any substitute or successor form) establishing its status as completely exempt from U.S. withholding tax.

EXHIBIT D

ARTICLE XI

Redemption of Securities

SECTION 11.1. Optional Redemption.

The Company may, at its option, on any Interest Payment Date, on or after January 15, 2009, redeem the Securities in whole at any time or in part from time to time, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof (or of the redeemed portion thereof, as applicable), together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption;

provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.2. Special Event Redemption.

Upon the occurrence and during the continuation of a Special Event, the Company may, at its option, redeem the Securities, in whole but not in part, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.3. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities, in whole or in part, shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company, the Company shall, not less than forty five (45) days and not more than seventy five (75) days prior to the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee and the Property Trustee under the Trust Agreement in writing of such date and of the principal amount of the Securities to be redeemed and provide the additional information required to be included in the notice or notices contemplated by Section 11.5. In the case of any redemption of Securities, in whole or in part, (a) prior to the expiration of any restriction on such redemption provided in this Indenture or the Securities or (b) pursuant to an election of the Company which is subject to a condition specified in this Indenture or the Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction or condition.

SECTION 11.4. Selection of Securities to be Redeemed.

(a) If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any or each Security, provided, that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

59

EXHIBIT D

(b) The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security that has been or is to be redeemed.

(c) The provisions of paragraphs (a) and (b) of this Section 11.4 shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

SECTION 11.5. Notice of Redemption.

(a) Notice of redemption shall be given not later than the thirtieth (30th) day, and not earlier than the sixtieth (60th) day, prior to the Redemption Date to each Holder of Securities to be redeemed, in whole or in part (unless a shorter notice shall be satisfactory to the Property Trustee under the related Trust Agreement).

(b) With respect to Securities to be redeemed, in whole or in part, each notice of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price, as calculated by the Company, together with a statement that it is an estimate and that the actual Redemption Price will be calculated on the fifth Business Day prior to the Redemption Date (and if an estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all Outstanding Securities are to be redeemed,

the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Security or portion thereof, and that any interest (including any Additional Interest) on such Security or such portion, as the case may be, shall cease to accrue on and after said date; and

(v) the place or places where such Securities are to be surrendered for payment of the Redemption Price.

(c) Notice of redemption of Securities to be redeemed, in whole or in part, at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner provided above shall be conclusively presumed to have been duly given,

60

EXHIBIT D

whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 11.6. Deposit of Redemption Price.

Prior to 1:00 p.m., New York City time, on the Redemption Date specified in the notice of redemption given as provided in Section 11.5, the Company will deposit with the Trustee or with one or more Paying Agents (or if the Company is acting as its own Paying Agent, the Company will segregate and hold in trust as provided in Section 10.2) an amount of money sufficient to pay the Redemption Price of, and any accrued interest (including any Additional Interest) on, all the Securities (or portions thereof) that are to be redeemed on that date.

SECTION 11.7. Payment of Securities Called for Redemption.

(a) If any notice of redemption has been given as provided in Section 11.5, the Securities or portion of Securities with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date. On presentation and surrender of such Securities at a Place of Payment specified in such notice, the Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date.

(b) Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented and having the same Original Issue Date, Stated Maturity and terms.

(c) If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal of and any premium on such Security shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

ARTICLE XII

Subordination of Securities

SECTION 12.1. Securities Subordinate to Senior Debt.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article XII, the payment of the principal of and any premium and interest (including any Additional Interest) on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all Senior Debt.

61

EXHIBIT D

SECTION 12.2. No Payment When Senior Debt in Default; Payment Over of Proceeds Upon Dissolution, Etc.

(a) In the event and during the continuation of any default by the Company in the payment of any principal of or any premium or interest on any Senior Debt (following any grace period, if applicable) when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration

of acceleration or otherwise, then, upon written notice of such default to the Company by the holders of such Senior Debt or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or any premium or interest (including any Additional Interest) on any of the Securities, or in respect of any redemption, repayment, retirement, purchase or other acquisition of any of the Securities.

(b) In the event of a bankruptcy, insolvency or other proceeding described in clause (d) or (e) of the definition of Event of Default (each such event, if any, herein sometimes referred to as a "Proceeding"), all Senior Debt (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of any of the Securities on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for these subordination provisions) be payable or deliverable in respect of the Securities shall be paid or delivered directly to the holders of Senior Debt in accordance with the priorities then existing among such holders until all Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) shall have been paid in full.

(c) In the event of any Proceeding, after payment in full of all sums owing with respect to Senior Debt, the Holders of the Securities, together with the holders of any obligations of the Company ranking on a parity with the Securities, shall be entitled to be paid from the remaining assets of the Company the amounts at the time due and owing on account of unpaid principal of and any premium and interest (including any Additional Interest) on the Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or any obligations of the Company ranking junior to the Securities and such other obligations. If, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment) shall be received by the Trustee or any Holder in contravention of any of the terms hereof and before all Senior Debt shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior

EXHIBIT D

Debt at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all such Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) in full. In the event of the failure of the Trustee or any Holder to endorse or assign any such payment, distribution or security, each holder of Senior Debt is hereby irrevocably authorized to endorse or assign the same.

(d) The Trustee and the Holders, at the expense of the Company, shall take such reasonable action (including the delivery of this Indenture to an agent for any holders of Senior Debt or consent to the filing of a financing statement with respect hereto) as may, in the opinion of counsel designated by the holders of a majority in principal amount of the Senior Debt at the time outstanding, be necessary or appropriate to assure the effectiveness of the subordination effected by these provisions.

(e) The provisions of this Section 12.2 shall not impair any rights, interests, remedies or powers of any secured creditor of the Company in respect of any security interest the creation of which is not prohibited by the provisions of this Indenture.

(f) The securing of any obligations of the Company, otherwise ranking on a parity with the Securities or ranking junior to the Securities, shall not be deemed to prevent such obligations from constituting, respectively, obligations ranking on a parity with the Securities or ranking junior to the Securities.

SECTION 12.3. Payment Permitted If No Default.

Nothing contained in this Article XII or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time, except during the pendency of the conditions described in paragraph (a) of Section 12.2 or of

any Proceeding referred to in Section 12.2(b). from making payments at any time of principal of and any premium or interest (including any Additional Interest) on the Securities or (b) the application by the Trustee of any moneys deposited with it hereunder to the payment of or on account of the principal of and any premium or interest (including any Additional Interest) on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge (in accordance with Section 12.8) that such payment would have been prohibited by the provisions of this Article XII. except as provided in Section 12.8.

SECTION 12.4. Subrogation to Rights of Holders of Senior Debt,

Subject to the payment in full of all amounts due or to become due on all Senior Debt, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article XII (equally and ratably with the holders of all indebtedness of the Company that by its express terms is subordinated to Senior Debt of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Debt) to the rights of the holders of such Senior Debt to receive payments and distributions of cash,

63

EXHIBIT D

property and securities applicable to the Senior Debt until the principal of and any premium and interest (including any Additional Interest) on the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article XII, and no payments made pursuant to the provisions of this Article XII to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

SECTION 12.5. Provisions Solely to Define Relative Rights.

The provisions of this Article XII are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article XII or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of and any premium and interest (including any Additional Interest) on the Securities as and when the same shall become due and payable in accordance with their terms, (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Debt or (c) prevent the Trustee or the Holder of any Security (or to the extent expressly provided herein, the holder of any Preferred Security) from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, including filing and voting claims in any Proceeding, subject to the rights, if any, under this Article XII of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 12.6. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article XII and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

SECTION 12.7. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

(b) Without in any way limiting the generality of paragraph (a) of this Section 12.7. the holders of Senior Debt may, at any time and from to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to such Holders of

64

the Securities and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of such Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding, (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt, (iii) release any Person liable in any manner for the payment of Senior Debt and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

SECTION 12.8. Notice to Trustee.

(a) The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company that would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article XII or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor; provided, that if the Trustee shall not have received the notice provided for in this Section 12.8 at least two Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, the payment of the principal of and any premium on or interest (including any Additional Interest) on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself or herself to be a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor) to establish that such notice has been given by a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article XII, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XII, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 12.9. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article XII, the Trustee and the Holders of the Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or

a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII.

SECTION 12.10. Trustee Not Fiduciary for Holders of Senior Debt.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.11. Rights of Trustee as Holder of Senior Debt; Preservation of Trustee's Rights.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XII with respect to any Senior Debt that may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

SECTION 12.12. Article Applicable to Paying Agents.

If at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article XII shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article XII in addition to or in place of the Trustee; provided, that Sections 12.8 and 12.11 shall not apply to the Company or any Affiliate of the Company if the Company or such Affiliate acts as Paying Agent.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

DETERMINATION OF LIBOR

With respect to the Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%);

(1) On the second LIBOR Business Day (as defined below) prior to an Interest Payment Date (except, with respect to the first interest payment period, on January 6, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following interest payment period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided that, if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as

determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

Ladies and Gentlemen:

In connection with our purchase of the Preferred Securities we confirm that:

1. We understand that the Floating Rate Preferred Securities (the "Preferred Securities") of Hanmi Capital Trust I (the "Trust") (including the guarantee (the "Guarantee") of Hanmi Financial Corporation (the "Company") executed in connection therewith) and the Floating Rate Junior Subordinated Notes due 2034 of the Company (the "Subordinated Notes") (the Preferred Securities, the Guarantee and the Subordinated Notes together being referred to herein as the "Offered Securities"), have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing the Offered Securities that, if we decide to offer, sell or otherwise transfer any such Offered Securities, (i) such offer, sale or transfer will be made only (a) to the Trust, (b) to a person we reasonably believe is a "qualified institutional buyer" (a "QIB") (as defined in Rule 144 under the Securities Act) in a transaction meeting the requirements of Rule 144A, (c) to an institutional "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring Offered Securities for its own account, or for the account of such an "accredited investor," for investment purposes and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, (d) pursuant to an effective registration statement under the Securities Act, or (e) pursuant to an exemption from the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction and, in the case of (c) or (e), subject to the right of the Trust and the depositor to require an opinion of counsel and other information satisfactory to each of them. The foregoing restrictions on resale will not apply subsequent to the date on which, in the written opinion of counsel, the Preferred Securities are not "restricted securities" within the meaning of Rule 144 under the Securities Act. If any resale or other transfer of the Offered Securities is proposed to be made pursuant to clause (c) or (e) above, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Property Trustee as Transfer Agent, which shall provide as applicable, among other things, that the transferee is an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring such Securities for investment purposes and not for distribution in violation of the Securities Act. We acknowledge

on our behalf and on behalf of any investor account for which we are purchasing Securities that the Trust and the Company reserve the right prior to any offer, sale or other transfer pursuant to clause (c) or (e) to require the delivery of

any opinion of counsel, certifications and/or other information satisfactory to the Trust and the Company. We understand that the certificates for any Offered Security that we receive will bear a legend substantially to the effect of the foregoing.

2. We are an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act purchasing for our own account or for the account of such an "accredited investor," and we are acquiring the Offered Securities for investment purposes and not with view to, or for offer or sale in connection with, any distribution in violation of the Securities Act, and we have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Offered Securities, and we and any account for which we are acting are each able to bear the economic risks of our or its investment.

3. We are acquiring the Offered Securities purchased by us for our own account (or for one or more accounts as to each of which we exercise sole investment discretion and have authority to make, and do make, the statements contained in this letter) and not with a view to any distribution of the Offered Securities, subject, nevertheless, to the understanding that the disposition of our property will at all times be and remain within our control.

5. We acknowledge that we either (A) are not a fiduciary of a employee benefit, individual retirement account or other plan or arrangement subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code") (each a "Plan"), or an entity whose underlying assets include "plan assets" by reason of any Plan's investment in the entity, and are not purchasing the Offered Securities on behalf of or with "plan assets" by reason of any Plan's investment in the entity, (B) are eligible for the exemptive relief available under one or more of the following prohibited transaction class exemptions ("PTCEs") issued by the U.S. Department of Labor: PTCE 96-23, 95-60, 91-38, 90-1 or 84-14 or another applicable exemption, or (C) our purchase and holding of this security, or any interest therein, is not prohibited by Section 406 of ERISA or Section 4975 of the Code with respect to such purchase or holding.

If we are acquiring any Offered Securities as a fiduciary or agent for one or more investor accounts, we represent that we have sole discretion with respect to each such investor account and that we have full power to make the foregoing acknowledgments, representations and agreement on behalf of each such investor account.

With respect to the Trust Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%);

(1) On the second LIBOR Business Day (as defined below) prior to a Distribution Date (except, with respect to the first distribution payment date, on January 6, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following distribution period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided, that if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

REPORTS

SECTION 2.1 List of Holders.

The Guarantor shall furnish or cause to be furnished to the Guarantee Trustee at such times as the Guarantee Trustee may request in writing, within thirty (30) days after the receipt by the Guarantor of any such request, a list, in such form as the Guarantee Trustee may reasonably require, of the names and addresses of the Holders (the "List of Holders") as of a date not more than fifteen (15) days prior to the time such list is furnished, in each case to the extent such information is in the possession or control of the Guarantor and is not identical to a previously supplied list of Holders or has not otherwise been received by the Guarantee Trustee in its capacity as such. The Guarantee Trustee may destroy any List of Holders previously given to it on receipt of a new List of Holders.

SECTION 2.2 Periodic Reports to the Guarantee Trustee.

The Guarantor shall deliver to the Guarantee Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Guarantor ending after the date of this Guarantee Agreement, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Guarantor is in default in the performance or observance of any of the terms or provisions or any of the conditions of this Guarantee Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Guarantor shall be in default thereof, specifying all such defaults and the nature and status thereof of which they have knowledge.

SECTION 2.3 Event of Default; Waiver.

The Holders of a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Guarantee Agreement, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent therefrom.

SECTION 2.4 Event of Default; Notice.

(a) The Guarantee Trustee shall, within ninety (90) days after the occurrence of a default, transmit to the Holders notices of all defaults actually known to the Guarantee Trustee, unless such defaults have been cured or waived before the giving of such notice, provided, that, except in the case of a default in

For the purpose of this Section 2.4, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) The Guarantee Trustee shall not be deemed to have knowledge of any Event of Default unless the Guarantee Trustee shall have received written notice, or a Responsible Officer charged with the administration of this Guarantee Agreement shall have obtained written notice, of such Event of Default from the Guarantor or a Holder.

ARTICLE III

POWERS, DUTIES AND RIGHTS OF THE GUARANTEE TRUSTEE

SECTION 3.1 Powers and Duties of the Guarantee Trustee.

(a) This Guarantee Agreement shall be held by the Guarantee Trustee for the benefit of the Holders, and the Guarantee Trustee shall not transfer this Guarantee Agreement to any Person except a Holder exercising its rights pursuant to Section 5.4(d) or to a Successor Guarantee Trustee upon acceptance by such Successor Guarantee Trustee of its appointment to act as Successor Guarantee Trustee. The right, title and interest of the Guarantee Trustee shall automatically vest in any Successor Guarantee Trustee, upon acceptance by such Successor Guarantee Trustee of its appointment hereunder, and such vesting and cessation of title shall be effective whether or not conveyancing documents have been executed and delivered pursuant to the appointment of such Successor Guarantee Trustee.

(b) The rights, immunities, duties and responsibilities of the

Guarantee Trustee shall be as provided by this Guarantee Agreement and there shall be no other duties or obligations, express or implied, of the Guarantee Trustee. Notwithstanding the foregoing, no provisions of this Guarantee Agreement shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Guarantee Agreement relating to the conduct or affecting the liability of or affording protection to the Guarantee Trustee shall be subject to the provisions of this Section 3.1. To the extent that, at law or in equity, the Guarantee Trustee has duties and liabilities relating to the Guarantor or the Holders, the Guarantee Trustee shall not be liable to any Holder for the Guarantee Trustee's good faith reliance on the provisions of this Guarantee

7

Agreement. The provisions of this Guarantee Agreement, to the extent that they restrict the duties and liabilities of the Guarantee Trustee otherwise existing at law or in equity, are agreed by the Guarantor and the Holders to replace such other duties and liabilities of the Guarantee Trustee.

(c) No provision of this Guarantee Agreement shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, negligent failure to act or own willful misconduct, except that:

(i) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made; and

(ii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement.

SECTION 3.2 Certain Rights of the Guarantee Trustee.

(a) Subject to the provisions of Section 3.1:

(i) the Guarantee Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document reasonably believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Guarantor contemplated by this Guarantee Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise prescribed herein;

(iii) the Guarantee Trustee may consult with counsel, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in reliance thereon and in accordance with such advice. Such counsel may be counsel to the Guarantee Trustee, the Guarantor or any of its Affiliates and may be one of its employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee Agreement from any court of competent jurisdiction;

8

(iv) the Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee Agreement at the request or direction of any Holder, unless such Holder shall have provided to the Guarantee Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Guarantee Trustee; provided, that, nothing contained in this Section 3.2(a) (iv) shall be taken to relieve the Guarantee Trustee, upon the occurrence of an Event of Default, of its obligation to exercise the rights and powers vested in it by this Guarantee Agreement;

(v) the Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and if the Guarantee Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Guarantor, personally or by agent or attorney;

(vi) the Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(vii) whenever in the administration of this Guarantee Agreement the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Guarantee Trustee (A) may request instructions from the Holders of a Majority in Liquidation Amount of the Preferred Securities, (B) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (C) shall be protected in acting in accordance with such instructions;

(viii) except as otherwise expressly provided by this Guarantee Agreement, the Guarantee Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Guarantee Agreement; and

(ix) whenever, in the administration of this Guarantee Agreement, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting to take any action hereunder, the Guarantee Trustee (unless other evidence is herein

9

specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request from the Guarantee Trustee, shall be promptly delivered by the Guarantor.

(b) No provision of this Guarantee Agreement shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty to act in accordance with such power and authority.

SECTION 3.3 Compensation.

The Guarantor agrees to pay to the Guarantee Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provisions of law in regard to the compensation of a trustee of an express trust) and to reimburse the Guarantee Trustee upon request for all reasonable expenses, disbursements and advances (including the reasonable fees and expenses of its attorneys and agents) incurred or made by the Guarantee Trustee in accordance with any provisions of this Guarantee Agreement.

SECTION 3.4 Indemnity.

The Guarantor agrees to indemnify and hold harmless the Guarantee Trustee and any of its Affiliates and any of their officers, directors, shareholders, employees, representatives or agents from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 3.3), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this Guarantee Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Guarantee Trustee will not claim or exact any lien or charge on any Guarantee Payments as a result of any amount due to it under this Guarantee Agreement. This indemnity shall survive the termination of this Agreement or the resignation or removal of the Guarantee Trustee.

In no event shall the Guarantee Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Guarantee Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

10

In no event shall the Guarantee Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (declared or undeclared), terrorism, fire, riot, embargo or government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Guarantee Agreement.

SECTION 3.5 Securities.

The Guarantee Trustee or any other agent of the Guarantee Trustee, in its individual or any other capacity, may become the owner or pledgee of Common or Preferred Securities.

ARTICLE IV

GUARANTEE TRUSTEE

SECTION 4.1 Guarantee Trustee; Eligibility.

(a) There shall at all times be a Guarantee Trustee which shall:

(i) not be an Affiliate of the Guarantor; and

(ii) be a corporation organized and doing business under the laws of the United States or of any State thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by Federal or State authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 4.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.1(a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.2(c).

(c) If the Guarantee Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Guarantee Trustee shall either eliminate such interest or resign in the manner and with the effect set out in Section 4.2(c).

11

SECTION 4.2 Appointment, Removal and Resignation of the Guarantee Trustee.

(a) Subject to Section 4.2(b), the Guarantee Trustee may be appointed or removed without cause at any time by the Guarantor, except during an Event of Default.

(b) The Guarantee Trustee shall not be removed until a Successor Guarantee Trustee has been appointed and has accepted such appointment by written instrument executed by such Successor Guarantee Trustee and delivered to the Guarantor.

(c) The Guarantee Trustee appointed hereunder shall hold office until a Successor Guarantee Trustee shall have been appointed or until its removal or resignation. The Guarantee Trustee may resign from office (without need for prior or subsequent accounting) by an instrument in writing executed by the Guarantee Trustee and delivered to the Guarantor, which resignation shall not take effect until a Successor Guarantee Trustee has been appointed and has accepted such appointment by instrument in writing executed by such Successor Guarantee Trustee and delivered to the Guarantor and the resigning Guarantee Trustee.

(d) If no Successor Guarantee Trustee shall have been appointed and accepted appointment as provided in this Section 4.2 within thirty (30) days after delivery to the Guarantor of an instrument of resignation, the resigning Guarantee Trustee may petition, at the expense of the Guarantor, any court of competent jurisdiction for appointment of a Successor Guarantee Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Guarantee Trustee.

ARTICLE V

GUARANTEE

SECTION 5.1 Guarantee.

(a) The Guarantor irrevocably and unconditionally agrees to pay in full to the Holders the Guarantee Payments (without duplication of amounts theretofore paid by or on behalf of the Issuer), as and when due, regardless of any defense (except for the defense of payment by the Issuer), right of set-off or counterclaim which the Issuer may have or assert. The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Issuer to pay such amounts to the Holders. The Guarantor shall give prompt written notice to the Guarantee Trustee in the event it makes any direct payment to the Holders hereunder.

12

(b) The Guarantor hereby also agrees to assume any and all Obligations of the Issuer, and, in the event any such Obligation is not so assumed, subject to the terms and conditions hereof, the Guarantor hereby irrevocably and unconditionally guarantees to each Beneficiary the full payment, when and as due, of any and all Obligations to such Beneficiaries. This Guarantee is intended to be for the Beneficiaries who have received notice hereof.

SECTION 5.2 Waiver of Notice and Demand.

SECTION 5.3 Obligations Not Affected.

The obligations, covenants, agreements and duties of the Guarantor under this Guarantee Agreement shall in no way be affected or impaired by reason of the happening from time to time of any of the following:

(a) the release or waiver, by operation of law or otherwise, of the performance or observance by the Issuer of any express or implied agreement, covenant, term or condition relating to the Preferred Securities to be performed or observed by the Issuer;

There shall be no obligation of the Holders to give notice to, or obtain the consent of, the Guarantor with respect to the happening of any of the

foregoing.

If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Holders.

14

SECTION 5.7 Independent Obligations.

The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Issuer with respect to the Preferred Securities and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee Agreement notwithstanding the occurrence of any event referred to in subsections (a) through (g), inclusive, of Section 5.3.

ARTICLE VI

COVENANTS AND SUBORDINATION

SECTION 6.1 Dividends, Distributions and Payments.

So long as any Preferred Securities remain outstanding, if there shall have occurred and be continuing an Event of Default or the Guarantor shall have entered into an Extension Period as provided for in the Indenture and such period, or any extension thereof, shall have commenced and be continuing, then the Guarantor may not (a) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make liquidation payment with respect to, any of the Guarantor's capital stock or (b) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Guarantor that rank *pari passu* in all respects with or junior in interest to the Preferred Securities (other than (i) repurchases, redemptions or other acquisitions of shares of capital stock of the Guarantor in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Guarantor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the occurrence of such Event of Default or the applicable Extension Period, (ii) as a result of an exchange or conversion of any class or series of the Guarantor's capital stock (or any capital stock of a subsidiary of the Guarantor) for any class or series of the Guarantor's capital stock or any class or series of the Guarantor's indebtedness for any class or series of the Guarantor's capital stock, (iii) the purchase of

same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

(b) The right of the Guarantor to participate in any distribution of assets of any of its subsidiaries upon any such subsidiary's liquidation or reorganization or otherwise is subject to the prior claims of creditors of that subsidiary, except to the extent the Guarantor may itself be recognized as a creditor of that subsidiary. Accordingly, the Guarantor's obligations under this Guarantee will be effectively subordinated to all existing and future liabilities of the Guarantor's subsidiaries, and claimants should look only to the assets of the Guarantor for payments thereunder. This Guarantee does not limit the incurrence or issuance of other secured or unsecured debt of the Guarantor, including Senior Debt of the Guarantor, under any indenture or agreement that the Guarantor may enter into in the future or otherwise.

Notwithstanding the foregoing, this Guarantee Agreement will continue to be effective or will be reinstated, as the case may be, if at any time any Holder must restore payment of any sums paid with respect to Preferred Securities or this Guarantee Agreement. In no event shall the Administrative Trustees be liable to the Trust or the Holders for any failure to comply with this Section 2.5 to the extent that such failure results solely from a change in law or regulation or in the interpretation thereof.

The Paying Agent shall return all unclaimed funds to the Property Trustee and upon removal of a Paying Agent such Paying Agent shall also return all funds in its possession to the Property Trustee. The provisions of Article VIII shall apply to the Property Trustee also in its role as Paying Agent, for so long as the Property Trustee shall act as Paying Agent and, to the extent applicable, to any other Paying Agent appointed hereunder. ARTICLE IV.

DISTRIBUTIONS; REDEMPTION

SECTION 4.1. Distributions.

(a) The Trust Securities represent undivided beneficial interests in the Trust Property, and Distributions (including any Additional Interest Amounts) will be made on the Trust Securities at the rate and on the dates that payments of interest (including any Additional Interest) are made on the Notes. Accordingly:

(i) Distributions on the Trust Securities shall be cumulative, and

shall accumulate whether or not there are funds of the Trust available for the payment of Distributions. Distributions shall accumulate from March 15, 2004, and, except as provided in clause (ii) below, shall be payable quarterly in arrears on March 15th, June 15th, September 15th and December 15th of each year, commencing on June 15, 2004. If any date on which a Distribution is otherwise payable on the Trust Securities is not a Business Day, then the payment of such Distribution shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date (each date on which Distributions are payable in accordance with this Section 4.1(a)(i), a "Distribution Date");

(ii) in the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Trust Securities shall be deferred. Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest on the Notes shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates, to Holders of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

16

(iii) Distributions shall accumulate in respect of the Trust Securities at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% of the Liquidation Amount of the Trust Securities, such rate being the rate of interest payable on the Notes. LIBOR shall be determined by the Calculation Agent in accordance with Schedule A. The amount of Distributions payable for any period less than a full Distribution period shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant Distribution period. The amount of Distributions payable for any period shall include any Additional Interest Amounts in respect of such period; and

(iv) Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

(b) Distributions on the Trust Securities with respect to a Distribution Date shall be payable to the Holders thereof as they appear on the Securities Register for the Trust Securities at the close of business on the relevant record date, which shall be at the close of business on the fifteenth day (whether or not a Business Day) preceding the relevant Distribution Date. Distributions payable on any Trust Securities that are not punctually paid on any Distribution Date as a result of the Depositor having failed to make an interest payment under the Notes will cease to be payable to the Person in whose name such Trust Securities are registered on the relevant record date, and such defaulted Distributions and any Additional Interest Amounts will instead be payable to the Person in whose name such Trust Securities are registered on the special record date, or other specified date for determining Holders entitled to such defaulted Distribution and Additional Interest Amount, established in the same manner, and on the same date, as such is established with respect to the Notes under the Indenture.

SECTION 4.2. Redemption.

(a) On each Note Redemption Date and on the stated maturity (or any date of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price.

(b) Notice of redemption shall be given by the Property Trustee by first-class mail, postage prepaid, mailed not less than thirty (30) nor more

than sixty (60) days prior to the Redemption Date to each Holder of Trust Securities to be redeemed, at such Holder's address appearing in the Securities Register. All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price provided pursuant to the Indenture, as calculated by the Depositor, together with a statement that it is an estimate and that the actual Redemption Price will be calculated by the Calculation Agent on the fifth Business Day prior to the Redemption Date (and if an

17

estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all the Outstanding Trust Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) and Liquidation Amounts of the particular Trust Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Trust Security, or portion thereof, to be redeemed and that Distributions thereon will cease to accumulate on such Trust Security or such portion, as the case may be, on and after said date, except as provided in Section 4.2(d);

(v) the place or places where the Trust Securities are to be surrendered for the payment of the Redemption Price; and

(vi) such other provisions as the Property Trustee deems relevant.

(c) The Trust Securities (or portion thereof) redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after March 15, 2009, in whole or in part, from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption (the "Indenture Redemption Price"); provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price (as set forth in the Indenture).

(d) If the Property Trustee gives a notice of redemption in respect of any Preferred Securities, then by 1:00 P.M., New York City time, on the Redemption Date, the Depositor shall deposit sufficient funds with the Property Trustee to pay the Redemption Price. If such deposit has been made by such time, then by 2:00 P.M., New York City time, on the Redemption Date, the Property Trustee will, with respect to Book-Entry Preferred Securities, irrevocably deposit with the Depository for such Book-Entry Preferred Securities, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give such Depository irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities. With respect to Preferred Securities that are not Book-Entry Preferred Securities, the Property Trustee will irrevocably deposit with the Paying Agent, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities upon surrender of their Preferred Securities Certificates. Notwithstanding the foregoing, Distributions payable on or prior to the Redemption Date for any

18

Trust Securities (or portion thereof) called for redemption shall be payable to the Holders of such Trust Securities as they appear on the Securities Register on the relevant record dates for the related Distribution Dates. If notice of redemption shall have been given and funds deposited as required, then upon the date of such deposit, all rights of Holders holding Trust Securities (or portion thereof) so called for redemption will cease, except the right of such Holders to receive the Redemption Price and any Distribution payable in respect of the Trust Securities on or prior to the Redemption Date, but without interest, and, in the case of a partial redemption, the right of such Holders to receive a new Trust Security or Securities of authorized denominations, in aggregate

Liquidation Amount equal to the unredeemed portion of such Trust Security or Securities, and such Securities (or portion thereof) called for redemption will cease to be Outstanding. In the event that any date on which any Redemption Price is payable is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date. In the event that payment of the Redemption Price in respect of any Trust Securities (or portion thereof) called for redemption is improperly withheld or refused and not paid either by the Trust or by the Depositor pursuant to the Guarantee Agreement, Distributions on such Trust Securities (or portion thereof) will continue to accumulate, as set forth in Section 4.1, from the Redemption Date originally established by the Trust for such Trust Securities (or portion thereof) to the date such Redemption Price is actually paid, in which case the actual payment date will be the date fixed for redemption for purposes of calculating the Redemption Price.

(e) Subject to Section 4.3(a), if less than all the Outstanding Trust Securities are to be redeemed on a Redemption Date, then the aggregate Liquidation Amount of Trust Securities to be redeemed shall be allocated pro rata to the Common Securities and the Preferred Securities based upon the relative aggregate Liquidation Amounts of the Common Securities and the Preferred Securities. The Preferred Securities to be redeemed shall be redeemed on a pro rata basis based upon their respective Liquidation Amounts not more than sixty (60) days prior to the Redemption Date by the Property Trustee from the Outstanding Preferred Securities not previously called for redemption; provided, however, that with respect to Holders that would be required to hold less than one hundred (100) but more than zero (0) Trust Securities as a result of such redemption, the Trust shall redeem Trust Securities of each such Holder so that after such redemption such Holder shall hold either one hundred (100) Trust Securities or such Holder no longer holds any Trust Securities, and shall use such method (including, without limitation, by lot) as the Trust shall deem fair and appropriate; and provided, further, that so long as the Preferred Securities are Book-Entry Preferred Securities, such selection shall be made in accordance with the Applicable Depositary Procedures for the Preferred Securities by such Depositary. The Property Trustee shall promptly notify the Securities Registrar in writing of the Preferred Securities (or portion thereof) selected for redemption and, in the case of any Preferred Securities selected for partial redemption, the Liquidation Amount thereof to be redeemed. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Preferred Securities shall relate, in the case of any Preferred Securities redeemed or to be redeemed only in part, to the portion of the aggregate Liquidation Amount of Preferred Securities that has been or is to be redeemed.

19

(f) The Trust in issuing the Trust Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Property Trustee shall indicate the "CUSIP" numbers of the Trust Securities in notices of redemption and related materials as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Trust Securities or as contained in any notice of redemption and related materials.

SECTION 4.3. Subordination of Common Securities.

(a) Payment of Distributions (including any Additional Interest Amounts) on, the Redemption Price of and the Liquidation Distribution in respect of, the Trust Securities, as applicable, shall be made, pro rata among the Common Securities and the Preferred Securities based on the Liquidation Amount of the respective Trust Securities; provided, that if on any Distribution Date, Redemption Date or Liquidation Date an Event of Default shall have occurred and be continuing, no payment of any Distribution (including any Additional Interest Amounts) on, Redemption Price of or Liquidation Distribution in respect of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions (including any Additional Interest Amounts) on all Outstanding Preferred Securities for all Distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price the full amount of such Redemption Price on all Outstanding Preferred Securities then called for redemption, or in the case of payment of the Liquidation Distribution the full amount of such Liquidation Distribution on all Outstanding Preferred Securities, shall have been made or provided for, and all funds immediately available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions (including any Additional Interest Amounts) on, or the Redemption Price of or the Liquidation Distribution in respect of, the Preferred Securities then due and payable.

(b) In the case of the occurrence of any Event of Default, the Holders of the Common Securities shall have no right to act with respect to any such Event

of Default under this Trust Agreement until all such Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated. Until all such Events of Default under this Trust Agreement with respect to the Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the Holders of the Preferred Securities and not on behalf of the Holders of the Common Securities, and only the Holders of all the Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

SECTION 4.4. Payment Procedures.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Securities Register. If any Preferred Securities are held by a Depositary, such Distributions thereon shall be made to the

20

Depositary in immediately available funds. Payments in respect of the Common Securities shall be made in such manner as shall be mutually agreed between the Property Trustee and the Holder of all the Common Securities.

SECTION 4.5. Withholding Tax.

The Trust and the Administrative Trustees shall comply with all withholding and backup withholding tax requirements under United States federal, state and local law. The Administrative Trustees on behalf of the Trust shall request, and the Holders shall provide to the Trust, such forms or certificates as are necessary to establish an exemption from withholding and backup withholding tax with respect to each Holder and any representations and forms as shall reasonably be requested by the Administrative Trustees on behalf of the Trust to assist it in determining the extent of, and in fulfilling, its withholding and backup withholding tax obligations. The Administrative Trustees shall file required forms with applicable jurisdictions and, unless an exemption from withholding and backup withholding tax is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Trust is required to withhold and pay over any amounts to any jurisdiction with respect to Distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution in the amount of the withholding to the Holder. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Administrative Trustees on behalf of the Trust may reduce subsequent Distributions by the amount of such required withholding.

SECTION 4.6. Tax Returns and Other Reports.

(a) The Administrative Trustees shall prepare (or cause to be prepared) at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, at the Depositor's expense, and file, all United States federal, state and local tax and information returns and reports required to be filed by or in respect of the Trust. The Administrative Trustees shall prepare at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, and furnish (or cause to be prepared and furnished), by January 31 in each taxable year of the Trust to each Holder all Internal Revenue Service forms and returns required to be provided by the Trust. The Administrative Trustees shall provide the Depositor and the Property Trustee with a copy of all such returns and reports promptly after such filing or furnishing.

SECTION 4.7. Payment of Taxes, Duties, Etc. of the Trust.

Upon receipt under the Notes of Additional Tax Sums and upon the written direction of the Administrative Trustees, the Property Trustee shall promptly pay, solely out of monies on deposit pursuant to this Trust Agreement, any Additional Taxes imposed on the Trust by the United States or any other taxing authority.

SECTION 4.8. Payments under Indenture or Pursuant to Direct Actions.

Any amount payable hereunder to any Holder of Preferred Securities shall be reduced by the amount of any corresponding payment such Holder (or any Owner with respect thereto) has

21

directly received pursuant to Section 5.8 of the Indenture or Section 6.10(b) of

this Trust Agreement.

SECTION 4.9. Exchanges.

(a) If at any time the Depositor or any of its Affiliates (in either case, a "Depositor Affiliate") is the Owner or Holder of any Preferred Securities, such Depositor Affiliate shall have the right to deliver to the Property Trustee all or such portion of its Preferred Securities as it elects and receive, in exchange therefor, a Like Amount of Notes. Such election (i) shall be exercisable effective on any Distribution Date by such Depositor Affiliate delivering to the Property Trustee a written notice of such election specifying the Liquidation Amount of Preferred Securities with respect to which such election is being made and the Distribution Date on which such exchange shall occur, which Distribution Date shall be not less than ten (10) Business Days after the date of receipt by the Property Trustee of such election notice and (ii) shall be conditioned upon such Depositor Affiliate having delivered or caused to be delivered to the Property Trustee or its designee the Preferred Securities that are the subject of such election by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur. After the exchange, such Preferred Securities will be canceled and will no longer be deemed to be Outstanding and all rights of the Depositor Affiliate with respect to such Preferred Securities will cease.

(b) In the case of an exchange described in Section 4.9(a), the Property Trustee on behalf of the Trust will, on the date of such exchange, exchange Notes having a principal amount equal to a proportional amount of the aggregate Liquidation Amount of the Outstanding Common Securities, based on the ratio of the aggregate Liquidation Amount of the Preferred Securities exchanged pursuant to Section 4.9(a) divided by the aggregate Liquidation Amount of the Preferred Securities Outstanding immediately prior to such exchange, for such proportional amount of Common Securities held by the Depositor (which contemporaneously shall be canceled and no longer be deemed to be Outstanding); provided, that the Depositor delivers or causes to be delivered to the Property Trustee or its designee the required amount of Common Securities to be exchanged by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur.

SECTION 4.10. Calculation Agent.

(a) The Property Trustee shall initially, and for so long as it holds any of the Notes as Property Trustee, be the Calculation Agent for purposes of determining LIBOR for each Distribution Date. The Property Trustee hereby accepts its appointment as Calculation Agent in accordance with the terms of this Trust Agreement. The Calculation Agent may be removed by the Administrative Trustees at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Administrative Trustees, the Administrative Trustees will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in three-month Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Administrative Trustee or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

22

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date, but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Distribution Date, and will communicate such rate and amount to the Depositor, Trustee, each Paying Agent and the Depositary. The Calculation Agent will also specify to the Administrative Trustee the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Administrative Trustee before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Distribution Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Trust Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

SECTION 4.11. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrative Trustees shall keep, or cause to be kept at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, full books of account, records and supporting documents, which shall reflect in reasonable detail each transaction of the Trust. The books of account shall be maintained on the accrual method of accounting, in accordance with generally accepted accounting principles, consistently applied.

(b) The Administrative Trustees shall cause the Depositor to deliver the documentation required by Section 8.16(b) hereof.

(c) The Trust shall maintain one or more bank accounts in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, in the name and for the sole benefit of the Trust; provided, however, that all payments of funds in respect of the Notes held by the Property Trustee shall be made directly to the Payment Account and no other funds of the Trust shall be deposited in the Payment Account. The sole signatories for such accounts (including the Payment Account) shall be designated by the Property Trustee.

ARTICLE V.

SECURITIES

SECTION 5.1. Initial Ownership.

Upon the creation of the Trust and the contribution by the Depositor referred to in Section 2.3 and until the issuance of the Trust Securities, and at any time during which no Trust Securities are Outstanding, the Depositor shall be the sole beneficial owner of the Trust.

23

SECTION 5.2. Authorized Trust Securities.

The Trust shall be authorized to issue one series of Preferred Securities having an aggregate Liquidation Amount of \$30,000,000 and one series of Common Securities having an aggregate Liquidation Amount of \$928,000.

SECTION 5.3. Issuance of the Common Securities; Subscription and Purchase of Notes.

On the Closing Date, an Administrative Trustee, on behalf of the Trust, shall execute and deliver to the Depositor Common Securities Certificates, registered in the name of the Depositor, evidencing an aggregate of 928 Common Securities having an aggregate Liquidation Amount of \$928,000, against receipt by the Trust of the aggregate purchase price for such Common Securities of \$928,000. Contemporaneously therewith and with the sale by the Trust to the Holders of an aggregate of 30,000 Preferred Securities having an aggregate Liquidation Amount of \$30,000,000, an Administrative Trustee, on behalf of the Trust, shall subscribe for and purchase from the Depositor Notes, to be registered in the name of the Property Trustee on behalf of the Trust and having an aggregate principal amount equal to \$30,928,000, and, in satisfaction of the purchase price for such Notes, the Property Trustee, on behalf of the Trust, shall deliver to the Depositor the sum of \$30,928,000 (being the aggregate amount paid by the Holders for the Preferred Securities and the amount paid by the Depositor for the Common Securities).

SECTION 5.4. The Securities Certificates.

(a) The Preferred Securities Certificates shall be issued in minimum denominations of \$100,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof, and the Common Securities Certificates shall be issued in minimum denominations of \$10,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof. The Securities Certificates shall be executed on behalf of the Trust by manual or facsimile signature of at least one Administrative Trustee. Securities Certificates bearing the signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign such Securities Certificates on behalf of the Trust shall be validly issued and entitled to the benefits of this Trust Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the delivery of such Securities Certificates or did not have such authority at the date of delivery of such Securities Certificates.

(b) On the Closing Date, upon the written order of an authorized officer of the Depositor, the Administrative Trustees shall cause Securities Certificates to be executed on behalf of the Trust and delivered, without further corporate action by the Depositor, in authorized denominations.

(c) The Preferred Securities issued to QIBs shall be, except as provided in Section 5.6, Book-Entry Preferred Securities issued in the form of one or more Global Preferred Securities registered in the name of the Depository, or its nominee and deposited with the Depository or a custodian for the Depository for credit by the Depository to the respective accounts of the Depository Participants thereof (or such other accounts as they may direct). The

24

Preferred Securities issued to a Person other than a QIB shall be issued in the form of Definitive Preferred Securities Certificate.

(d) A Preferred Security shall not be valid until authenticated by the

manual signature of an Authorized Officer of the Property Trustee. Such signature shall be conclusive evidence that the Preferred Security has been authenticated under this Trust Agreement. Upon written order of the Trust signed by one Administrative Trustee, the Property Trustee shall authenticate the Preferred Securities for original issue. The Property Trustee may appoint an authenticating agent that is a U.S. Person acceptable to the Trust to authenticate the Preferred Securities. A Common Security need not be so authenticated and shall be valid upon execution by one or more Administrative Trustees. The form of this certificate of authentication can be found in Section 5.13.

SECTION 5.5. Rights of Holders.

The Trust Securities shall have no preemptive or similar rights and when issued and delivered to Holders against payment of the purchase price therefor will be fully paid and nonassessable by the Trust. Except as provided in Section 5.11(b), the Holders of the Trust Securities, in their capacities as such, shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

SECTION 5.6. Book-Entry Preferred Securities.

(a) A Global Preferred Security may be exchanged, in whole or in part, for Definitive Preferred Securities Certificates registered in the names of the Owners only if such exchange complies with Section 5.7 and (i) the Depositary advises the Administrative Trustees and the Property Trustee in writing that the Depositary is no longer willing or able properly to discharge its responsibilities with respect to the Global Preferred Security, and no qualified successor is appointed by the Administrative Trustees within ninety (90) days of receipt of such notice, (ii) the Depositary ceases to be a clearing agency registered under the Exchange Act and the Administrative Trustees fail to appoint a qualified successor within ninety (90) days of obtaining knowledge of such event, (iii) the Administrative Trustees at their option advise the Property Trustee in writing that the Trust elects to terminate the book-entry system through the Depositary or (iv) a Note Event of Default has occurred and is continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Administrative Trustees shall notify the Depositary and instruct the Depositary to notify all Owners of Book-Entry Preferred Securities, the Delaware Trustee and the Property Trustee of the occurrence of such event and of the availability of the Definitive Preferred Securities Certificates to Owners of the Preferred Securities requesting the same. Upon the issuance of Definitive Preferred Securities Certificates, the Trustees shall recognize the Holders of the Definitive Preferred Securities Certificates as Holders. Notwithstanding the foregoing, if an Owner of a beneficial interest in a Global Preferred Security wishes at any time to transfer an interest in such Global Preferred Security to a Person other than a QIB, such transfer shall be effected, subject to the Applicable Depositary Procedures, in accordance with the provisions of this Section 5.6 and Section 5.7, and the transferee shall receive a Definitive Preferred Securities Certificate in connection with such transfer. A holder of a Definitive Preferred Securities Certificate that is a QIB may, upon

25

request, and in accordance with the provisions of this Section 5.6 and Section 5.7, exchange such Definitive Preferred Securities Certificate for a beneficial interest in a Global Preferred Security.

(b) If any Global Preferred Security is to be exchanged for Definitive Preferred Securities Certificates or canceled in part, or if any Definitive Preferred Securities Certificate is to be exchanged in whole or in part for any Global Preferred Security, then either (i) such Global Preferred Security shall be so surrendered for exchange or cancellation as provided in this Article V or (ii) the aggregate Liquidation Amount represented by such Global Preferred Security shall be reduced, subject to Section 5.4, or increased by an amount equal to the Liquidation Amount represented by that portion of the Global Preferred Security to be so exchanged or canceled, or equal to the Liquidation Amount represented by such Definitive Preferred Securities Certificates to be so exchanged for any Global Preferred Security, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Property Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender to the Administrative Trustees or the Securities Registrar of any Global Preferred Security or Securities by the Depositary, accompanied by registration instructions, the Administrative Trustees, or any one of them, shall execute the Definitive Preferred Securities Certificates in accordance with the instructions of the Depositary. None of the Securities Registrar or the Trustees shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(c) Every Securities Certificate executed and delivered upon registration or transfer of, or in exchange for or in lieu of, a Global Preferred Security or

any portion thereof shall be executed and delivered in the form of, and shall be, a Global Preferred Security, unless such Securities Certificate is registered in the name of a Person other than the Depositary for such Global Preferred Security or a nominee thereof.

(d) The Depositary or its nominee, as registered owner of a Global Preferred Security, shall be the Holder of such Global Preferred Security for all purposes under this Trust Agreement and the Global Preferred Security, and Owners with respect to a Global Preferred Security shall hold such interests pursuant to the Applicable Depositary Procedures. The Securities Registrar and the Trustees shall be entitled to deal with the Depositary for all purposes of this Trust Agreement relating to the Global Preferred Securities (including the payment of the Liquidation Amount of and Distributions on the Book-Entry Preferred Securities represented thereby and the giving of instructions or directions by Owners of Book-Entry Preferred Securities represented thereby and the giving of notices) as the sole Holder of the Book-Entry Preferred Securities represented thereby and shall have no obligations to the Owners thereof. None of the Trustees nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(e) The rights of the Owners of the Book-Entry Preferred Securities shall be exercised only through the Depositary and shall be limited to those established by law, the Applicable Depositary Procedures and agreements between such Owners and the Depositary and/or the Depositary Participants; provided, solely for the purpose of determining whether the Holders of the requisite amount of Preferred Securities have voted on any matter provided for in

26

this Trust Agreement, to the extent that Preferred Securities are represented by a Global Preferred Security, the Trustees may conclusively rely on, and shall be fully protected in relying on, any written instrument (including a proxy) delivered to the Property Trustee by the Depositary setting forth the Owners' votes or assigning the right to vote on any matter to any other Persons either in whole or in part. To the extent that Preferred Securities are represented by a Global Preferred Security, the initial Depositary will make book-entry transfers among the Depositary Participants and receive and transmit payments on the Preferred Securities that are represented by a Global Preferred Security to such Depositary Participants, and none of the Depositor or the Trustees shall have any responsibility or obligation with respect thereto.

(f) To the extent that a notice or other communication to the Holders is required under this Trust Agreement, for so long as Preferred Securities are represented by a Global Preferred Security, the Trustees shall give all such notices and communications to the Depositary, and shall have no obligations to the Owners.

SECTION 5.7. Registration of Transfer and Exchange of Preferred Securities Certificates.

(a) The Property Trustee shall keep or cause to be kept, at the Corporate Trust Office, a register or registers (the "Securities Register") in which the registrar and transfer agent with respect to the Trust Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Preferred Securities Certificates and Common Securities Certificates and registration of transfers and exchanges of Preferred Securities Certificates as herein provided. The Person acting as the Property Trustee shall at all times also be the Securities Registrar. The provisions of Article VIII shall apply to the Property Trustee in its role as Securities Registrar.

(b) Upon surrender for registration of transfer of any Preferred Securities Certificate at the office or agency maintained pursuant to Section 5.7 (f), the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Preferred Securities Certificates in authorized denominations of a like aggregate Liquidation Amount as may be required by this Trust Agreement dated the date of execution by such Administrative Trustee or Trustees. At the option of a Holder, Preferred Securities Certificates may be exchanged for other Preferred Securities Certificates in authorized denominations and of a like aggregate Liquidation Amount upon surrender of the Preferred Securities Certificate to be exchanged at the office or agency maintained pursuant to Section 5.7(f). Whenever any Preferred Securities Certificates are so surrendered for exchange, the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, the Preferred Securities Certificates that the Holder making the exchange is entitled to receive.

(c) The Securities Registrar shall not be required, (i) to issue, register the transfer of or exchange any Preferred Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of such Preferred Securities pursuant to Article IV and ending at the

close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Preferred Security so selected for redemption in

27

whole or in part, except, in the case of any such Preferred Security to be redeemed in part, any portion thereof not to be redeemed.

(d) Every Preferred Securities Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Securities Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing and (i) if such Preferred Securities Certificate is being transferred otherwise than to a QIB, accompanied by a certificate of the transferee substantially in the form set forth as Exhibit E hereto or (ii) if such Preferred Securities Certificate is being transferred to a QIB, accompanied by a certificate of the transferor substantially in the form set forth as Exhibit F hereto.

(e) No service charge shall be made for any registration of transfer or exchange of Preferred Securities Certificates, but the Property Trustee on behalf of the Trust may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Preferred Securities Certificates.

(f) The Administrative Trustees shall designate an office or offices or agency or agencies where Preferred Securities Certificates may be surrendered for registration of transfer or exchange. The Depositor initially designates the Corporate Trust Office as its office and agency for such purposes. The Administrative Trustees shall give prompt written notice to the Depositor, the Property Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 5.8. Mutilated, Destroyed, Lost or Stolen Securities Certificates.

(a) If any mutilated Securities Certificate shall be surrendered to the Securities Registrar together with such security or indemnity as may be required by the Securities Registrar and the Administrative Trustees to save each of them harmless, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery in exchange therefor a new Securities Certificate of like class, tenor and denomination.

(b) If the Securities Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Securities Certificate and there shall be delivered to the Securities Registrar and the Administrative Trustees such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Securities Certificate shall have been acquired by a protected purchaser, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery, and, with respect to Preferred Securities, the Property Trustee shall authenticate, in exchange for or in lieu of any such destroyed, lost or stolen Securities Certificate, a new Securities Certificate of like class, tenor and denomination.

(c) In connection with the issuance of any new Securities Certificate under this Section 5.8, the Administrative Trustees or the Securities Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

28

(d) Any duplicate Securities Certificate issued pursuant to this Section 5.8 shall constitute conclusive evidence of an undivided beneficial interest in the assets of the Trust corresponding to that evidenced by the mutilated, lost, stolen or destroyed Securities Certificate, as if originally issued, whether or not the lost, stolen or destroyed Securities Certificate shall be found at any time.

(e) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Depositor in its discretion may, instead of issuing a new Security, pay such Security.

(f) The provisions of this Section 5.8 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of mutilated, destroyed, lost or stolen Securities Certificates.

SECTION 5.9. Persons Deemed Holders.

The Trustees and the Securities Registrar shall each treat the Person in whose name any Securities Certificate shall be registered in the Securities Register as the owner of such Securities Certificate for the purpose of

receiving Distributions and for all other purposes whatsoever, and none of the Trustees and the Securities Registrar shall be bound by any notice to the contrary.

SECTION 5.10. Cancellation.

All Preferred Securities Certificates surrendered for registration of transfer or exchange or for payment shall, if surrendered to any Person other than the Property Trustee, be delivered to the Property Trustee, and any such Preferred Securities Certificates and Preferred Securities Certificates surrendered directly to the Property Trustee for any such purpose shall be promptly canceled by it. The Administrative Trustees may at any time deliver to the Property Trustee for cancellation any Preferred Securities Certificates previously delivered hereunder that the Administrative Trustees may have acquired in any manner whatsoever, and all Preferred Securities Certificates so delivered shall be promptly canceled by the Property Trustee. No Preferred Securities Certificates shall be executed and delivered in lieu of or in exchange for any Preferred Securities Certificates canceled as provided in this Section 5.10, except as expressly permitted by this Trust Agreement. All canceled Preferred Securities Certificates shall be disposed of by the Property Trustee in accordance with its customary practices and the Property Trustee shall deliver to the Administrative Trustees a certificate of such disposition.

SECTION 5.11. Ownership of Common Securities by Depositor.

(a) On the Closing Date, the Depositor shall acquire, and thereafter shall retain, beneficial and record ownership of the Common Securities. Neither the Depositor nor any successor Holder of the Common Securities may transfer less than all the Common Securities, and the Depositor or any such successor Holder may transfer the Common Securities only (i) in connection with a consolidation or merger of the Depositor into another Person, or any conveyance, transfer or lease by the Depositor of its properties and assets substantially as an entirety to any Person (in which event such Common Securities will be transferred to such surviving entity, transferee or lessee, as the case may be), pursuant to Section 8.1 of the Indenture or (ii) to the Depositor or an Affiliate of the Depositor, in each such case in

29

compliance with applicable law (including the Securities Act, and applicable state securities and blue sky laws). To the fullest extent permitted by law, any attempted transfer of the Common Securities other than as set forth in the immediately preceding sentence shall be void. The Administrative Trustees shall cause each Common Securities Certificate issued to the Depositor to contain a legend stating substantially "THIS CERTIFICATE IS NOT TRANSFERABLE EXCEPT IN COMPLIANCE WITH APPLICABLE LAW AND SECTION 5.11 OF THE TRUST AGREEMENT."

(b) Any Holder of the Common Securities shall be liable for the debts and obligations of the Trust in the manner and to the extent set forth with respect to the Depositor and agrees that it shall be subject to all liabilities to which the Depositor may be subject and, prior to becoming such a Holder, shall deliver to the Administrative Trustees an instrument of assumption satisfactory to such Trustees.

SECTION 5.12. Restricted Legends.

(a) Each Preferred Security Certificate shall bear a legend in substantially the following form:

THE HOLDER OF THE PREFERRED SECURITIES REPRESENTED BY THIS CERTIFICATE AGREES FOR THE BENEFIT OF THE TRUST AND THE DEPOSITOR THAT (A) SUCH PREFERRED SECURITIES MAY BE OFFERED, RESOLD OR OTHERWISE TRANSFERRED ONLY (I) TO THE TRUST, (II) TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A "QUALIFIED INSTITUTIONAL BUYER" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (III) TO AN INSTITUTIONAL "ACCREDITED INVESTOR" WITHIN THE MEANING OF SUBPARAGRAPH (a) (1), (2), (3) OR (7) OF RULE 501 UNDER THE SECURITIES ACT THAT IS ACQUIRING THE SECURITY FOR ITS OWN ACCOUNT, OR FOR THE ACCOUNT OF AN "ACCREDITED INVESTOR," FOR INVESTMENT PURPOSES AND NOT WITH A VIEW TO, OR FOR OFFER OR SALE IN CONNECTION WITH, ANY DISTRIBUTION IN VIOLATION OF THE SECURITIES ACT, (IV) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR (V) PURSUANT TO AN EXEMPTION FROM THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION AND, IN THE CASE OF (III) OR (V), SUBJECT TO THE RIGHT OF THE TRUST AND THE DEPOSITOR TO REQUIRE AN OPINION OF COUNSEL AND OTHER INFORMATION SATISFACTORY TO EACH OF THEM AND (B) THE HOLDER WILL NOTIFY ANY PURCHASER OF ANY PREFERRED SECURITIES FROM IT OF THE RESALE RESTRICTIONS REFERRED TO IN (A) ABOVE.

THE PREFERRED SECURITIES WILL BE ISSUED AND MAY BE TRANSFERRED ONLY IN BLOCKS HAVING AN AGGREGATE LIQUIDATION AMOUNT OF NOT LESS THAN \$100,000. TO THE FULLEST EXTENT PERMITTED BY LAW, ANY SUCH PURPORTED TRANSFEREE SHALL BE DEEMED NOT TO BE THE HOLDER OF SUCH PREFERRED SECURITIES FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE RECEIPT OF LIQUIDATION AMOUNT OF OR DISTRIBUTIONS ON SUCH PREFERRED SECURITIES, OR ANY INTEREST THEREIN, AND SUCH PURPORTED TRANSFEREE SHALL BE DEEMED TO HAVE NO INTEREST WHATSOEVER IN SUCH PREFERRED SECURITIES.

THE HOLDER OF THIS SECURITY, OR ANY INTEREST THEREIN, BY ITS ACCEPTANCE HEREOF OR THEREOF ALSO AGREES, REPRESENTS AND WARRANTS THAT IT IS NOT AN EMPLOYEE BENEFIT, INDIVIDUAL RETIREMENT ACCOUNT OR OTHER PLAN OR ARRANGEMENT SUBJECT TO TITLE I OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), OR SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "CODE") (EACH A "PLAN"), OR AN ENTITY WHOSE UNDERLYING ASSETS INCLUDE "PLAN ASSETS" BY REASON OF ANY PLAN'S INVESTMENT IN THE ENTITY, AND NO PERSON INVESTING "PLAN ASSETS" OF ANY PLAN MAY ACQUIRE OR HOLD THIS PREFERRED SECURITY OR ANY INTEREST THEREIN, UNLESS SUCH PURCHASER OR HOLDER IS ELIGIBLE FOR THE EXEMPTIVE RELIEF AVAILABLE UNDER U.S. DEPARTMENT OF LABOR PROHIBITED TRANSACTION CLASS EXEMPTION 96-23, 95-60, 91-38, 90-1 OR 84-14 OR ANOTHER APPLICABLE EXEMPTION OR ITS PURCHASE AND HOLDING OF THIS SECURITY, OR ANY INTEREST THEREIN, IS NOT PROHIBITED BY SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE (OR COMPARABLE PROVISIONS OF OTHER SIMILAR LAWS) WITH RESPECT TO SUCH PURCHASE OR HOLDING. ARTICLE VI.

MEETINGS; VOTING; ACTS OF HOLDERS

SECTION 6.1. Notice of Meetings.

Notice of all meetings of the Holders of the Preferred Securities, stating the time, place and purpose of the meeting, shall be given by the Property Trustee pursuant to Section 10.8 to each Holder of Preferred Securities, at such Holder's registered address, at least fifteen (15) days and not more than ninety (90) days before the meeting. At any such meeting, any business properly before the meeting may be so considered whether or not stated in the notice of the meeting. Any adjourned meeting may be held as adjourned without further notice.

SECTION 6.2. Meetings of Holders of the Preferred Securities.

(a) No annual meeting of Holders is required to be held. The Property Trustee, however, shall call a meeting of the Holders of the Preferred Securities to vote on any matter upon the written request of the Holders of at least twenty five percent (25%) in aggregate Liquidation Amount of the Outstanding Preferred Securities and the Administrative Trustees or the Property Trustee may, at any time in their discretion, call a meeting of the Holders of the Preferred Securities to vote on any matters as to which such Holders are entitled to vote.

(b) The Holders of at least a Majority in Liquidation Amount of the Preferred Securities, present in person or by proxy, shall constitute a quorum at any meeting of the Holders of the Preferred Securities.

(c) If a quorum is present at a meeting, an affirmative vote by the Holders present, in person or by proxy, holding Preferred Securities representing at least a Majority in Liquidation Amount of the Preferred Securities held by the Holders present, either in person or by proxy, at such meeting shall constitute the action of the Holders of the Preferred Securities, unless this Trust Agreement requires a lesser or greater number of affirmative votes.

33

SECTION 6.3. Voting Rights.

Holders shall be entitled to one vote for each \$10,000 of Liquidation Amount represented by their Outstanding Trust Securities in respect of any matter as to which such Holders are entitled to vote.

SECTION 6.4. Proxies, Etc.

At any meeting of Holders, any Holder entitled to vote thereat may vote by proxy, provided, that no proxy shall be voted at any meeting unless it shall have been placed on file with the Administrative Trustees, or with such other officer or agent of the Trust as the Administrative Trustees may direct, for verification prior to the time at which such vote shall be taken. Pursuant to a resolution of the Property Trustee, proxies may be solicited in the name of the Property Trustee or one or more officers of the Property Trustee. Only Holders of record shall be entitled to vote. When Trust Securities are held jointly by several Persons, any one of them may vote at any meeting in person or by proxy in respect of such Trust Securities, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote shall not be received in respect of such Trust Securities. A proxy purporting to be executed by or on behalf of a Holder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the

challenger. No proxy shall be valid more than three years after its date of execution.

SECTION 6.5. Holder Action by Written Consent.

Any action that may be taken by Holders at a meeting may be taken without a meeting and without prior notice if Holders holding at least a Majority in Liquidation Amount of all Preferred Securities entitled to vote in respect of such action (or such lesser or greater proportion thereof as shall be required by any other provision of this Trust Agreement) shall consent to the action in writing; provided, that notice of such action is promptly provided to the Holders of Preferred Securities that did not consent to such action. Any action that may be taken by the Holders of all the Common Securities may be taken without a meeting and without prior notice if such Holders shall consent to the action in writing.

SECTION 6.6. Record Date for Voting and Other Purposes.

Except as provided in Section 6.10(a), for the purposes of determining the Holders who are entitled to notice of and to vote at any meeting or to act by written consent, or to participate in any distribution on the Trust Securities in respect of which a record date is not otherwise provided for in this Trust Agreement, or for the purpose of any other action, the Administrative Trustees may from time to time fix a date, not more than ninety (90) days prior to the date of any meeting of Holders or the payment of a Distribution or other action, as the case may be, as a record date for the determination of the identity of the Holders of record for such purposes.

SECTION 6.7. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Trust Agreement to be given, made or taken by Holders may

34

be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such instrument or instruments are delivered to an Administrative Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustees, if made in the manner provided in this Section 6.7.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that any Trustee receiving the same deems sufficient.

(c) The ownership of Trust Securities shall be proved by the Securities Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Trust Security shall bind every future Holder of the same Trust Security and the Holder of every Trust Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustees, the Administrative Trustees or the Trust in reliance thereon, whether or not notation of such action is made upon such Trust Security.

(e) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Trust Security may do so with regard to all or any part of the Liquidation Amount of such Trust Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such Liquidation Amount.

(f) If any dispute shall arise among the Holders or the Trustees with respect to the authenticity, validity or binding nature of any request, demand, authorization, direction, notice, consent, waiver or other Act of such Holder or Trustee under this Article VI, then the determination of such matter by the Property Trustee shall be conclusive with respect to such matter.

SECTION 6.8. Inspection of Records.

Upon reasonable written notice to the Administrative Trustees and the Property Trustee, the records of the Trust shall be open to inspection by any Holder during normal business hours for any purpose reasonably related to such Holder's interest as a Holder.

35

SECTION 6.9. Limitations on Voting Rights.

(a) Except as expressly provided in this Trust Agreement and in the Indenture and as otherwise required by law, no Holder of Preferred Securities shall have any right to vote or in any manner otherwise control the administration, operation and management of the Trust or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities Certificates, be construed so as to constitute the Holders from time to time as partners or members of an association.

(b) So long as any Notes are held by the Property Trustee on behalf of the Trust, the Property Trustee shall not (i) direct the time, method and place of conducting any proceeding for any remedy available to the Note Trustee, or exercise any trust or power conferred on the Property Trustee with respect to the Notes, (ii) waive any past default that may be waived under Section 5.13 of the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Notes shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Notes, where such consent shall be required, without, in each case, obtaining the prior approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities; provided, that where a consent under the Indenture would require the consent of each holder of Notes (or each Holder of Preferred Securities) affected thereby, no such consent shall be given by the Property Trustee without the prior written consent of each Holder of Preferred Securities. The Property Trustee shall not revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. In addition to obtaining the foregoing approvals of the Holders of the Preferred Securities, prior to taking any of the foregoing actions, the Property Trustee shall, at the expense of the Depositor, obtain an Opinion of Counsel experienced in such matters to the effect that such action shall not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

(c) If any proposed amendment to the Trust Agreement provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect in any material respect the powers, preferences or special rights of the Preferred Securities, whether by way of amendment to the Trust Agreement or otherwise or (ii) the dissolution, winding-up or termination of the Trust, other than pursuant to the terms of this Trust Agreement, then the Holders of Outstanding Preferred Securities as a class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities. Notwithstanding any other provision of this Trust Agreement, no amendment to this Trust Agreement may be made if, as a result of such amendment, it would cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

SECTION 6.10. Acceleration of Maturity; Rescission of Annulment; Waivers of Past Defaults.

(a) For so long as any Preferred Securities remain Outstanding, if, upon a Note Event of Default, the Note Trustee fails or the holders of not less than twenty five percent (25%) in principal amount of the outstanding Notes fail to declare the principal of all of the Notes to be

36

immediately due and payable, the Holders of at least twenty-five percent (25%) in Liquidation Amount of the Preferred Securities then Outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Depositor and the Note Trustee. At any time after a declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Note Trustee as provided in the Indenture, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, by written notice to the Property Trustee, the Depositor and the Note Trustee, may rescind and annul such declaration and its consequences if:

(i) the Depositor has paid or deposited with the Note Trustee a sum sufficient to pay:

(A) all overdue installments of interest on all of the Notes;

(B) any accrued Additional Interest on all of the Notes;

(C) the principal of and any premium on any Notes that have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate borne by the Notes; and

(D) all sums paid or advanced by the Note Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Note Trustee, the Property Trustee and their agents and counsel; and

(ii) all Note Events of Default, other than the non-payment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13 of the Indenture.

Upon receipt by the Property Trustee of written notice requesting such an acceleration, or rescission and annulment thereof, by Holders of any part of the Preferred Securities, a record date shall be established for determining Holders of Outstanding Preferred Securities entitled to join in such notice, which record date shall be at the close of business on the day the Property Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is ninety (90) days after such record date, such notice of declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90)-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.10(a).

(b) For so long as any Preferred Securities remain Outstanding, to the fullest extent permitted by law and subject to the terms of this Trust Agreement and the Indenture, upon a Note Event of Default specified in paragraph (a) or (b) of Section 5.1 of the Indenture, any Holder of

37

Preferred Securities shall have the right to institute a proceeding directly against the Depositor, pursuant to Section 5.8 of the Indenture, for enforcement of payment to such Holder of any amounts payable in respect of Notes having an aggregate principal amount equal to the aggregate Liquidation Amount of the Preferred Securities of such Holder. Except as set forth in Section 6.10(a) and this Section 6.10(b), the Holders of Preferred Securities shall have no right to exercise directly any right or remedy available to the holders of, or in respect of, the Notes.

(c) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any Note Event of Default, except any Note Event of Default arising from the failure to pay any principal of or any premium or interest on (including any Additional Interest) the Notes (unless such Note Event of Default has been cured and a sum sufficient to pay all matured installments of interest and all principal and premium on all Notes due otherwise than by acceleration has been deposited with the Note Trustee) or a Note Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Note. Upon any such waiver, such Note Event of Default shall cease to exist and any Note Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall affect any subsequent Note Event of Default or impair any right consequent thereon.

(d) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Trust Agreement, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

(e) The Holders of a Majority in Liquidation Amount of the Preferred Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Property Trustee in respect of this Trust Agreement or the Notes or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement; provided, that, subject to Sections 8.5 and 8.7, the Property Trustee shall have the right to decline to follow any such direction if the Property Trustee being advised by counsel determines that the action so directed may not lawfully be taken, or if

the Property Trustee in good faith shall, by an officer or officers of the Property Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Holders not party to such direction, and provided, further, that nothing in this Trust Agreement shall impair the right of the Property Trustee to take any action deemed proper by the Property Trustee and which is not inconsistent with such direction.

40

power and authority of the Depositor, as the case may be, to enter into or perform its obligations under this Trust Agreement.

ARTICLE VIII.

THE TRUSTEES

SECTION 8.1. Number of Trustees.

The number of Trustees shall be five (5), provided, that the Property Trustee and the Delaware Trustee may be the same Person, in which case the number of Trustees shall be four (4). The number of Trustees may be increased or decreased by Act of the Holder of the Common Securities subject to Sections 8.2, 8.3, and 8.4. The death, resignation, retirement, removal, bankruptcy, incompetence or incapacity to perform the duties of an Trustee shall not operate to annul, dissolve or terminate the Trust.

SECTION 8.2. Property Trustee Required.

There shall at all times be a Property Trustee hereunder with respect to the Trust Securities. The Property Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by federal or state authority and having an office within the United States. If any such Person publishes reports of condition at least annually pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 8.2, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Property Trustee shall cease to be eligible in accordance with the provisions of this Section 8.2, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

SECTION 8.3. Delaware Trustee Required.

(a) If required by the Delaware Statutory Trust Act, there shall at all times be a Delaware Trustee with respect to the Trust Securities. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and

a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible in accordance with the provisions of this Section 8.3, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Property Trustee or the Administrative Trustees set forth herein. The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Statutory Trust Act and for taking such actions as are required to be taken by a Delaware trustee under the Delaware Statutory Trust Act. The duties (including fiduciary

41

duties), liabilities and obligations of the Delaware Trustee shall be limited to (a) accepting legal process served on the Trust in the State of Delaware and (b) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Statutory Trust Act and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee.

SECTION 8.4. Appointment of Administrative Trustees.

(a) There shall at all times be one or more Administrative Trustees hereunder with respect to the Trust Securities. Each Administrative Trustee shall be either a natural person who is at least 21 years of age or a legal entity that shall act through one or more persons authorized to bind that entity. Each of the individuals identified as an "Administrative Trustee" in the preamble of this Trust Agreement hereby accepts his or her appointment as such.

(b) Except where a requirement for action by a specific number of Administrative Trustees is expressly set forth in this Trust Agreement, any act required or permitted to be taken by, and any power of the Administrative Trustees may be exercised by, or with the consent of, any one such Administrative Trustee. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 8.11, the Administrative Trustees in office, regardless of their number (and notwithstanding any other provision of this Trust Agreement), shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement. The Administrative Trustees shall not be liable for any default or misconduct of the Property Trustee or the Delaware Trustee.

SECTION 8.5. Duties and Responsibilities of the Trustees.

(a) The rights, immunities, duties and responsibilities of the Trustees shall be as provided by this Trust Agreement and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Trustees; provided, however, that if an Event of Default known to the Property Trustee has occurred and is continuing, the Property Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Notwithstanding the foregoing, no provision of this Trust Agreement shall require any of the Trustees to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its or their rights or powers, if it or they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustees shall be subject to the provisions of this Section 8.5. To the extent that, at law or in equity, a Trustee has duties and liabilities relating to the Trust or to the Holders, such Trustee shall not be liable to the Trust or to any Holder for such Trustee's good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict the duties and liabilities of the

42

Trustees otherwise existing at law or in equity, are agreed by the Depositor and the Holders to replace such other duties and liabilities of the Trustees.

(b) All payments made by the Property Trustee or a Paying Agent in respect of the Trust Securities shall be made only from the revenue and proceeds from

the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Property Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Trust Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees are not personally liable to it for any amount distributable in respect of any Trust Security or for any other liability in respect of any Trust Security. This Section 8.5(b) does not limit the liability of the Trustees expressly set forth elsewhere in this Trust Agreement.

(c) No provisions of this Trust Agreement shall be construed to relieve the Property Trustee from liability with respect to matters that are within the authority of the Property Trustee under this Trust Agreement for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Property Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(ii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee hereunder or under the Indenture, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iii) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Notes and the Payment Account shall be to deal with such Property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement;

(iv) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Depositor; and money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Payment Account maintained by the Property Trustee pursuant to Section 3.1 and except to the extent otherwise required by law; and

(v) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Depositor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for the default or misconduct of any other Trustee or the Depositor.

43

SECTION 8.6. Notices of Defaults and Extensions.

(a) Within ninety (90) days after the occurrence of a default actually known to the Property Trustee, the Property Trustee shall transmit notice of such default to the Holders, the Administrative Trustees and the Depositor, unless such default shall have been cured or waived; provided, that, except in the case of a default in the payment of the principal of or any premium or interest (including any Additional Interest) on any Trust Security, the Property Trustee shall be fully protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Property Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Trust Securities. For the purpose of this Section 8.6. the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) Within five (5) Business Days after the receipt of notice of the Depositor's exercise of its right to defer the payment of interest on the Notes pursuant to the Indenture, the Property Trustee shall transmit, in the manner and to the extent provided in Section 10.8. notice of such exercise to the Holders and the Administrative Trustees, unless such exercise shall have been revoked.

(c) The Property Trustee shall not be deemed to have knowledge of any Event of Default unless the Property Trustee shall have received written notice thereof from the Depositor, any Administrative Trustee or any Holder or unless an officer of the Property Trustee charged with the administration of this Trust Agreement shall have obtained actual knowledge of such Event of Default.

(d) The Property Trustee shall notify all Holders of the Preferred Securities of any notice of default received with respect to the Notes.

SECTION 8.7. Certain Rights of Property Trustee.

Subject to the provisions of Section 8.5:

(a) the Property Trustee may conclusively rely and shall be protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, Opinion of Counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Trust Agreement the Property Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Trust Agreement the Property Trustee finds a provision ambiguous or inconsistent with any other provisions contained herein or (iii) the Property Trustee is unsure of the application of any provision of this Trust Agreement, then, except as to any matter as to which the Holders of the Preferred Securities are entitled to vote under the terms of this Trust Agreement, the Property Trustee shall deliver a notice to the Depositor requesting the Depositor's written instruction as to the course of action to be taken and the Property Trustee shall take such action, or refrain from

44

taking such action, as the Property Trustee shall be instructed in writing to take, or to refrain from taking, by the Depositor; provided, that if the Property Trustee does not receive such instructions of the Depositor within ten (10) Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice, the Property Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Property Trustee shall deem advisable and in the best interests of the Holders, in which event the Property Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any direction or act of the Depositor contemplated by this Trust Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise expressly provided herein;

(d) any direction or act of an Administrative Trustee contemplated by this Trust Agreement shall be sufficiently evidenced by a certificate executed by such Administrative Trustee and setting forth such direction or act;

(e) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any re-recording, re-filing or re-registration thereof;

(f) the Property Trustee may consult with counsel (which counsel may be counsel to the Property Trustee, the Depositor or any of its Affiliates, and may include any of its employees) and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice; the Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(g) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Holders pursuant to this Trust Agreement, unless such Holders shall have offered to the Property Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Property Trustee;

(h) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Holders, but the Property Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Property Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Depositor, personally or by agent or attorney;

(i) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Property Trustee shall not be responsible for any negligence or misconduct on

45

the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(j) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Property Trustee (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same proportion in Liquidation Amount of the Trust Securities as would be entitled to direct the Property Trustee under this Trust Agreement in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement;

(l) without prejudice to any other rights available to the Property Trustee under applicable law, when the Property Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally; and

(m) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence be herein specifically prescribed) may, in the absence or bad faith on its part, request and rely on an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Depositor.

No provision of this Trust Agreement shall be deemed to impose any duty or obligation on any Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which such Person shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation.

SECTION 8.8. Delegation of Power.

Any Trustee may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 its, his or her power for the purpose of executing any documents contemplated in Section 2.5. The Trustees shall have power to delegate from time to time to such of their number or to the Depositor the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Trustees or otherwise as the Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of this Trust Agreement.

SECTION 8.9. May Hold Securities.

Any Trustee or any other agent of any Trustee or the Trust, in its individual or any other capacity, may become the owner or pledgee of Trust Securities and except as provided in the

46

definition of the term "Outstanding" in Article I, may otherwise deal with the Trust with the same rights it would have if it were not an Trustee or such other agent.

SECTION 8.10. Compensation; Reimbursement; Indemnity.

The Depositor agrees:

(a) to pay to the Trustees from time to time such reasonable compensation for all services rendered by them hereunder as may be agreed by the Depositor and the Trustees from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse the Trustees upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of their agents and counsel), except any such expense, disbursement or advance as may be attributable to their gross negligence, bad faith or willful misconduct; and

(c) to the fullest extent permitted by applicable law, to indemnify and hold harmless (i) each Trustee, (ii) any Affiliate of any Trustee, (iii) any officer, director, shareholder, employee, representative or agent of any Trustee

or any Affiliate of any Trustee and (iv) any employee or agent of the Trust (referred to herein as an "Indemnified Person") from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 8.10(a) or (b) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the Trust hereunder, including the advancement of funds to cover the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trust shall have no payment, reimbursement or indemnity obligations to the Trustees under this Section 8.10. The provisions of this Section 8.10 shall survive the termination of this Trust Agreement and the earlier removal or resignation of any Trustee.

No Trustee may claim any Lien on any Trust Property whether before or after termination of the Trust as a result of any amount due pursuant to this Section 8.10.

To the fullest extent permitted by law, in no event shall the Property Trustee and the Delaware Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Property Trustee and the Delaware Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Trust Agreement.

47

SECTION 8.11. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of any Trustee and no appointment of a successor Trustee pursuant to this Article VIII shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.12.

(b) A Trustee may resign at any time by giving written notice thereof to the Depositor and, in the case of the Property Trustee and the Delaware Trustee, to the Holders.

(c) Unless an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at any time by Act of the Holder of Common Securities. If an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at such time by Act of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, delivered to the removed Trustee (in its individual capacity and on behalf of the Trust). An Administrative Trustee may be removed (with or without cause) only by Act of the Holder of the Common Securities at any time.

(d) If any Trustee shall resign, be removed or become incapable of acting as Trustee, or if a vacancy shall occur in the office of any Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Holder of the Common Securities, by Act of the Holder of the Common Securities, shall promptly appoint a successor Trustee or Trustees, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 8.12. If the Property Trustee or the Delaware Trustee shall resign, be removed or become incapable of continuing to act as the Property Trustee or the Delaware Trustee, as the case may be, at a time when an Event of Default shall have occurred and be continuing, the Holders of the Preferred Securities, by Act of the Holders of a Majority in Liquidation Amount of the Preferred Securities, shall promptly appoint a successor Property Trustee or Delaware Trustee, and such successor Property Trustee or Delaware Trustee and the retiring Property Trustee or Delaware Trustee shall comply with the applicable requirements of Section 8.12. If an Administrative Trustee shall resign, be removed or become incapable of acting as Administrative Trustee, at a time when an Event of Default shall have occurred and be continuing, the Holder of the Common Securities by Act of the Holder of Common Securities shall promptly appoint a successor Administrative Trustee and such successor Administrative Trustee and the retiring Administrative Trustee shall comply with the applicable requirements of Section 8.12. If no successor Trustee shall have been so appointed by the Holder of the Common Securities or Holders of the Preferred Securities, as the case may be, and accepted appointment in the manner required by Section 8.12 within thirty (30) days after the giving of a notice of resignation by a Trustee, the removal of a Trustee, or a Trustee becoming incapable of acting as such Trustee, any Holder who has been a Holder of

Preferred Securities for at least six (6) months may, on behalf of himself and all others similarly situated, and any resigning Trustee may, in each case, at the expense of the Depositor, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Depositor shall give notice of each resignation and each removal of the Property Trustee or the Delaware Trustee and each appointment of a successor Property Trustee or Delaware Trustee to all Holders in the manner provided in Section 10.8. Each notice shall

48

include the name of the successor Property Trustee or Delaware Trustee and the address of its Corporate Trust Office if it is the Property Trustee.

(f) Notwithstanding the foregoing or any other provision of this Trust Agreement, in the event any Administrative Trustee or a Delaware Trustee who is a natural person dies or becomes, in the opinion of the Holder of Common Securities, incompetent or incapacitated, the vacancy created by such death, incompetence or incapacity may be filled by (i) the unanimous act of the remaining Administrative Trustees if there are at least two of them or (ii) otherwise by the Holder of the Common Securities (with the successor in each case being a Person who satisfies the eligibility requirement for Administrative Trustees or Delaware Trustee, as the case may be, set forth in Sections 8.3 and 8.4).

(g) Upon the appointment of a successor Delaware Trustee, such successor Delaware Trustee shall file a Certificate of Amendment to the Certificate of Trust in accordance with Section 3810 of the Delaware Statutory Trust Act.

SECTION 8.12. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee shall execute and deliver to the Depositor and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Trust or any successor Trustee such retiring Trustee shall, upon payment of its charges, duly assign, transfer and deliver to such successor Trustee all Trust Property, all proceeds thereof and money held by such retiring Trustee hereunder with respect to the Trust Securities and the Trust.

(b) Upon request of any such successor Trustee, the Trust (or the retiring Trustee if requested by the Depositor) shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VIII.

SECTION 8.13. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Property Trustee or the Delaware Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of such Trustee, shall be the successor of such Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VIII.

49

SECTION 8.14. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities Certificates shall be taken as the statements of the Trust and the Depositor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the title to, or value or condition of, the property of the Trust or any part thereof, nor as to the validity or sufficiency of this Trust Agreement, the Notes or the Trust Securities. The Trustees shall not be accountable for the use or application by the Depositor of the proceeds of the Notes.

SECTION 8.15. Property Trustee May File Proofs of Claim.

(a) In case of any Bankruptcy Event (or event that with the passage of time would become a Bankruptcy Event) relative to the Trust or any other obligor upon the Trust Securities or the property of the Trust or of such other obligor or their creditors, the Property Trustee (irrespective of whether any

Distributions on the Trust Securities shall then be due and payable and irrespective of whether the Property Trustee shall have made any demand on the Trust for the payment of any past due Distributions) shall be entitled and empowered, to the fullest extent permitted by law, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of any Distributions owing and unpaid in respect of the Trust Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Property Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Holder to make such payments to the Property Trustee and, in the event the Property Trustee shall consent to the making of such payments directly to the Holders, to pay to the Property Trustee first any amount due it for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel, and any other amounts due the Property Trustee.

(b) Nothing herein contained shall be deemed to authorize the Property Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or compensation affecting the Trust Securities or the rights of any Holder thereof or to authorize the Property Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 8.16. Reports to and from the Property Trustee.

(a) The Depositor and the Administrative Trustees shall deliver to the Property Trustee, not later than forty five (45) days after the end of each of the first three fiscal quarters of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor ending after the date of this Trust Agreement, an Officers' Certificate covering the preceding

50

fiscal period, stating whether or not to the knowledge of the signers thereof the Depositor and the Trust are in default in the performance or observance of any of the terms, provisions and conditions of this Trust Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Depositor or the Trust shall be in default, specifying all such defaults and the nature and status thereof of which they have knowledge.

(b) The Depositor shall furnish to (i) the Property Trustee, (ii) the Purchaser, so long as the Purchaser holds any interest in the Preferred Securities and (iii) a Subsequent Purchaser that is identified to the Depositor by either Credit Suisse First Boston LLC or the Purchaser, so long as the Subsequent Purchaser holds any interest in the Preferred Securities, a duly completed and executed certificate in the form attached hereto as Exhibit G, including the financial statements referenced in such Exhibit, which certificate and financial statements shall be so furnished by the Depositor not later than forty five (45) days after the end of each of the first three fiscal quarters of each fiscal year of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor.

(c) The Property Trustee shall obtain all reports, certificate and information, which it is entitled to obtain under each of the Operative Documents.

ARTICLE IX.

TERMINATION, LIQUIDATION AND MERGER

SECTION 9.1. Dissolution Upon Expiration Date.

Unless earlier dissolved, the Trust shall automatically dissolve on March 15, 2039 (the "Expiration Date"), and the Trust Property shall be liquidated in accordance with Section 9.4.

SECTION 9.2. Early Termination.

The first to occur of any of the following events is an "Early Termination Event", upon the occurrence of which the Trust shall be dissolved:

(a) the occurrence of a Bankruptcy Event in respect of, or the dissolution or liquidation of, the Depositor, in its capacity as the Holder of the Common Securities, unless the Depositor shall have transferred the Common Securities as provided by Section 5.11, in which case this provision shall refer instead to

any such successor Holder of the Common Securities;

(b) the written direction to the Property Trustee from the Holder of the Common Securities at any time to dissolve the Trust and, after satisfaction of any liabilities of the Trust as required by applicable law, to distribute the Notes to Holders in exchange for the Preferred Securities (which direction is optional and wholly within the discretion of the Holder of the Common Securities), provided, that the Holder of the Common Securities shall have received the prior approval of the Federal Reserve if then required;

(c) the redemption of all of the Preferred Securities in connection with the payment at maturity or redemption of all the Notes; and

51

(d) the entry of an order for dissolution of the Trust by a court of competent jurisdiction.

SECTION 9.3. Termination.

The respective obligations and responsibilities of the Trustees and the Trust shall terminate upon the latest to occur of the following: (a) the distribution by the Property Trustee to Holders of all amounts required to be distributed hereunder upon the liquidation of the Trust pursuant to Section 9.4, or upon the redemption of all of the Trust Securities pursuant to Section 4.2; (b) the satisfaction of any expenses owed by the Trust; and (c) the discharge of all administrative duties of the Administrative Trustees, including the performance of any tax reporting obligations with respect to the Trust or the Holders.

SECTION 9.4. Liquidation.

(a) If an Early Termination Event specified in Section 9.2(a), (b) or (d) occurs or upon the Expiration Date, the Trust shall be liquidated by the Property Trustee as expeditiously as the Property Trustee shall determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to each Holder a Like Amount of Notes, subject to Section 9.4(d). Notice of liquidation shall be given by the Property Trustee not less than thirty (30) nor more than sixty (60) days prior to the Liquidation Date to each Holder of Trust Securities at such Holder's address appearing in the Securities Register. All such notices of liquidation shall:

(i) state the Liquidation Date;

(ii) state that from and after the Liquidation Date, the Trust Securities will no longer be deemed to be Outstanding and (subject to Section 9.4(d)) any Securities Certificates not surrendered for exchange will be deemed to represent a Like Amount of Notes; and

(iii) provide such information with respect to the mechanics by which Holders may exchange Securities Certificates for Notes, or if Section 9.4(d) applies, receive a Liquidation Distribution, as the Property Trustee shall deem appropriate.

(b) Except where Section 9.2(c) or 9.4(d) applies, in order to effect the liquidation of the Trust and distribution of the Notes to Holders, the Property Trustee, either itself acting as exchange agent or through the appointment of a separate exchange agent, shall establish a record date for such distribution (which shall not be more than forty-five (45) days prior to the Liquidation Date nor prior to the date on which notice of such liquidation is given to the Holders) and establish such procedures as it shall deem appropriate to effect the distribution of Notes in exchange for the Outstanding Securities Certificates.

(c) Except where Section 9.2(c) or 9.4(d) applies, after the Liquidation Date, (i) the Trust Securities will no longer be deemed to be Outstanding, (ii) certificates representing a Like Amount of Notes will be issued to Holders of Securities Certificates, upon surrender of such Certificates to the exchange agent for exchange, (iii) the Depositor shall use its best efforts to have the Notes listed on the New York Stock Exchange or on such other exchange, interdealer

52

quotation system or self-regulatory organization on which the Preferred Securities are then listed, if any, (iv) Securities Certificates not so surrendered for exchange will be deemed to represent a Like Amount of Notes bearing accrued and unpaid interest in an amount equal to the accumulated and unpaid Distributions on such Securities Certificates until such certificates are so surrendered (and until such certificates are so surrendered, no payments of interest or principal will be made to Holders of Securities Certificates with respect to such Notes) and (v) all rights of Holders holding Trust Securities will cease, except the right of such Holders to receive Notes upon surrender of

(d) Notwithstanding the other provisions of this Section 9.4, if distribution of the Notes in the manner provided herein is determined by the Property Trustee not to be permitted or practical, the Trust Property shall be liquidated, and the Trust shall be wound up by the Property Trustee in such manner as the Property Trustee determines. In such event, Holders will be entitled to receive out of the assets of the Trust available for distribution to Holders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to the Liquidation Amount per Trust Security plus accumulated and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"). If, upon any such winding up the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then, subject to the next succeeding sentence, the amounts payable by the Trust on the Trust Securities shall be paid on a pro rata basis (based upon Liquidation Amounts). The Holder of the Common Securities will be entitled to receive Liquidation Distributions upon any such winding up pro rata (based upon Liquidation Amounts) with Holders of all Trust Securities, except that, if an Event of Default has occurred and is continuing, the Preferred Securities shall have a priority over the Common Securities as provided in Section 4.3.

SECTION 9.5. Mergers, Consolidations, Amalgamations or Replacements of Trust.

The Trust may not merge with or into, consolidate, amalgamate, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any Person except pursuant to this Article IX. At the request of the Holders of the Common Securities, without the consent of the Holders of the Preferred Securities, the Trust may merge with or into, consolidate, amalgamate, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to a trust organized as such under the laws of any State; provided, that:

(a) such successor entity either (i) expressly assumes all of the obligations of the Trust under this Trust Agreement with respect to the Preferred Securities or (ii) substitutes for the Preferred Securities other securities having substantially the same terms as the Preferred Securities (such other Securities, the "Successor Securities") so long as the Successor Securities have the same priority as the Preferred Securities with respect to distributions and payments upon liquidation, redemption and otherwise;

(b) a trustee of such successor entity possessing substantially the same powers and duties as the Property Trustee is appointed to hold the Notes;

53

(c) if the Preferred Securities or the Notes are rated, such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the Preferred Securities or the Notes (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization that then assigns a rating to the Preferred Securities or the Notes;

(d) the Preferred Securities are listed, or any Successor Securities will be listed upon notice of issuance, on any national securities exchange or interdealer quotation system on which the Preferred Securities are then listed, if any;

(e) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect;

(f) such successor entity has a purpose substantially identical to that of the Trust;

(g) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Depositor has received an Opinion of Counsel to the effect that (i) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect; (ii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, neither the Trust nor such successor entity will be required to register as an "investment company" under the Investment Company Act and (iii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust (or the successor entity) will continue to be classified as a grantor trust for U.S. federal income tax purposes; and

(h) the Depositor or its permitted transferee owns all of the common securities of such successor entity and guarantees the obligations of such successor entity under the Successor Securities at least to the extent provided by the Guarantee Agreement.

Notwithstanding the foregoing, the Trust shall not, except with the consent of Holders of all of the Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to any other Person or permit any other entity to consolidate, amalgamate, merge with or into, or replace, the Trust if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or the successor entity to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or cause the Notes to be treated as other than indebtedness of the Depositor for United States federal income tax purposes.

ARTICLE X.

MISCELLANEOUS PROVISIONS

SECTION 10.1. Limitation of Rights of Holders.

Except as set forth in Section 9.2, the death, bankruptcy, termination, dissolution or incapacity of any Person having an interest, beneficial or otherwise, in Trust Securities shall not operate to terminate this Trust Agreement, nor annul, dissolve or terminate the Trust nor entitle

54

the legal representatives or heirs of such Person or any Holder for such Person, to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of the arrangements contemplated hereby, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

SECTION 10.2. Agreed Tax Treatment of Trust and Trust Securities.

The parties hereto and, by its acceptance or acquisition of a Trust Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, such Trust Security intend and agree to treat the Trust as a grantor trust for United States federal, state and local tax purposes, and to treat the Trust Securities (including all payments and proceeds with respect to such Trust Securities) as undivided beneficial ownership interests in the Trust Property (and payments and proceeds therefrom, respectively) for United States federal, state and local tax purposes. The provisions of this Trust Agreement shall be interpreted to further this intention and agreement of the parties.

SECTION 10.3. Amendment.

(a) This Trust Agreement may be amended from time to time by the Property Trustee, the Administrative Trustees and the Holder of all the Common Securities, without the consent of any Holder of the Preferred Securities, (i) to cure any ambiguity, correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Trust Agreement, which shall not be inconsistent with the other provisions of this Trust Agreement, (ii) to modify, eliminate or add to any provisions of this Trust Agreement to such extent as shall be necessary to ensure that the Trust will neither be taxable as a corporation nor be classified as other than a grantor trust for United States federal income tax purposes at all times that any Trust Securities are Outstanding or to ensure that the Notes are treated as indebtedness of the Depositor for United States federal income tax purposes, or to ensure that the Trust will not be required to register as an "investment company" under the Investment Company Act or (iii) to add to the covenants, restrictions or obligations of the Depositor; provided, that in the case of clauses (i), (ii) or (iii), such action shall not adversely affect in any material respect the interests of any Holder.

(b) Except as provided in Section 10.3(c), any provision of this Trust Agreement may be amended by the Property Trustee, the Administrative Trustees and the Holder of all of the Common Securities and with (i) the consent of Holders of at least a Majority in Liquidation Amount of the Preferred Securities and (ii) receipt by the Trustees of an Opinion of Counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or affect the treatment of the Notes as indebtedness of the Depositor for United States federal income tax purposes or affect the Trust's exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(c) Notwithstanding any other provision of this Trust Agreement, without the consent of each Holder, this Trust Agreement may not be amended to (i) change the accrual rate, amount,

currency or timing of any Distribution on or the redemption price of the Trust Securities or otherwise adversely affect the amount of any Distribution or other payment required to be made in respect of the Trust Securities as of a specified date, (ii) restrict or impair the right of a Holder to institute suit for the enforcement of any such payment on or after such date, (iii) reduce the percentage of aggregate Liquidation Amount of Outstanding Preferred Securities, the consent of whose Holders is required for any such amendment, or the consent of whose Holders is required for any waiver of compliance with any provision of this Trust Agreement or of defaults hereunder and their consequences provided for in this Trust Agreement; (iv) impair or adversely affect the rights and interests of the Holders in the Trust Property, or permit the creation of any Lien on any portion of the Trust Property; or (v) modify the definition of "Outstanding," this Section 10.3(c), Sections 4.1, 4.2, 4.3, 6.10(e) or Article IX.

(d) Notwithstanding any other provision of this Trust Agreement, no Trustee shall enter into or consent to any amendment to this Trust Agreement that would cause the Trust to be taxable as a corporation or to be classified as other than a grantor trust for United States federal income tax purposes or that would cause the Notes to fail or cease to be treated as indebtedness of the Depositor for United States federal income tax purposes or that would cause the Trust to fail or cease to qualify for the exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(e) If any amendment to this Trust Agreement is made, the Administrative Trustees or the Property Trustee shall promptly provide to the Depositor a copy of such amendment.

(f) No Trustee shall be required to enter into any amendment to this Trust Agreement that affects its own rights, duties or immunities under this Trust Agreement. The Trustees shall be entitled to receive an Opinion of Counsel and an Officers' Certificate stating that any amendment to this Trust Agreement is in compliance with this Trust Agreement and all conditions precedent herein provided for relating to such action have been met.

(g) No amendment or modification to this Trust Agreement that adversely affects in any material respect the rights, duties, liabilities, indemnities or immunities of the Delaware Trustee hereunder shall be permitted without the prior written consent of the Delaware Trustee.

SECTION 10.4. Separability.

If any provision in this Trust Agreement or in the Securities Certificates shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

SECTION 10.5. Governing Law.

THIS TRUST AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF EACH OF THE HOLDERS, THE TRUST, THE DEPOSITOR AND THE TRUSTEES WITH RESPECT TO THIS TRUST AGREEMENT AND THE TRUST SECURITIES SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE

[FORM OF REVERSE OF SECURITY]

The Trust promises to pay Distributions from March 15, 2004, or from the most recent Distribution Date to which Distributions have been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on March 15th, June 15th, September 15th and December 15th of each year, commencing on June 15, 2004, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% of the Liquidation Amount of the Preferred Securities represented by this Preferred Securities Certificate, together with any Additional Interest Amounts, in respect to such period.

Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

In the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Preferred Securities shall be deferred.

Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates to Holders (as defined in the Trust Agreement) of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such Distributions in the Payment Account of the Trust. The Trust's funds available for Distribution to the Holders of the Preferred Securities will be limited to payments received from the Depositor. The payment of Distributions out of moneys held by the Trust is guaranteed by the Depositor pursuant to the Guarantee Agreement.

During any such Extension Period, the Depositor shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Depositor's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Depositor that

C-6

rank pari passu in all respects with or junior in interest to the Notes (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Depositor in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Depositor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Depositor's capital stock (or any capital stock of a Subsidiary (as defined in the Indenture) of the Depositor) for any class or series of the Depositor's capital stock or of any class or series of the Depositor's indebtedness for any class or series of the Depositor's capital stock, (c) the purchase of fractional interests in shares of the Depositor's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan (as defined in the Indenture), the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

On each Note Redemption Date, on the stated maturity (or any date of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after March 15, 2009 in whole or in part from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof or the redeemed portion thereof, as applicable, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, at any time, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price.

The Trust Securities redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. If any

C-7

Preferred Securities are held by a Depositary, such Distributions shall be made to the Depositary in immediately available funds.

The indebtedness evidenced by the Notes is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt (as defined in the Indenture), and this Security is issued subject to the provisions of the Indenture with respect thereto.

Any such certificate or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or after reasonable inquiry should know, that the certificate or opinion or representations with respect to such matters are erroneous.

(c) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

(d) Whenever, subsequent to the receipt by the Trustee of any Board Resolution, Officers' Certificate, Opinion of Counsel or other document or instrument, a clerical, typographical or other inadvertent or unintentional error or omission shall be discovered therein, a new document or instrument may be substituted therefor in corrected form with the same force and effect as if originally received in the corrected form and, irrespective of the date or dates of the actual execution and/or delivery thereof, such substitute document or instrument shall be deemed to have been executed and/or delivered as of the date or dates required with respect to the document or instrument for which it is substituted. Without limiting the generality of the foregoing, any Securities issued under the authority of such defective document or instrument shall nevertheless be the valid obligations of the Company entitled to the benefits of this Indenture equally and ratably with all other Outstanding Securities.

EXHIBIT D

SECTION 1.4. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given to or taken by Holders may be embodied in and evidenced by one or more instruments of substantially

similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments (including any appointment of an agent) is or are delivered to the Trustee, and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section 1.4.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him or her the execution thereof. Where such execution is by a Person acting in other than his or her individual capacity, such certificate or affidavit shall also constitute sufficient proof of his or her authority. The fact and date of the execution by any Person of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient and in accordance with such reasonable rules as the Trustee may determine.

(c) The ownership of Securities shall be proved by the Securities Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(e) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

(f) Except as set forth in paragraph (g) of this Section 1.4, the Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date (as defined below) by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new

12

EXHIBIT D

record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect). Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 1.6.

(g) The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration or rescission or annulment thereof referred to in Section 5.2. (iii) any request to institute proceedings referred to in Section 5.7(b) or (iv) any direction referred to in Section 5.12. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect). Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each

Holder of Securities in the manner set forth in Section 1.6.

(h) With respect to any record date set pursuant to paragraph (f) or (g) of this Section 1.4, the party hereto that sets such record date may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided, that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 1.6. on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.4, the party hereto that set such record date shall be deemed to have initially designated the ninetieth (90th) day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the one hundred and eightieth (180th) day after the applicable record date.

SECTION 1.5. Notices, Etc. to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver, Act of Holders, or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

(a) the Trustee by any Holder, any holder of Preferred Securities or the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office, or

13

EXHIBIT D

(b) the Company by the Trustee, any Holder or any holder of Preferred Securities shall be sufficient for every purpose hereunder if in writing and mailed, first class, postage prepaid, to the Company addressed to it at 3660 Wilshire Blvd., Penthouse A, Los Angeles, California 90010, Attn: Chief Financial Officer, or at any other address previously furnished in writing to the Trustee by the Company.

SECTION 1.6. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class, postage prepaid, to each Holder affected by such event to the address of such Holder as it appears in the Securities Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. If, by reason of the suspension of or irregularities in regular mail service or for any other reason, it shall be impossible or impracticable to mail notice of any event to Holders when said notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 1.7. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction of this Indenture.

SECTION 1.8. Successors and Assigns.

This Indenture shall be binding upon and shall inure to the benefit of any successor to the Company and the Trustee, including any successor by operation of law. Except in connection with a transaction involving the Company that is permitted under Article VIII and pursuant to which the assignee agrees in writing to perform the Company's obligations hereunder, the Company shall not assign its obligations hereunder.

SECTION 1.9. Separability Clause.

If any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

SECTION 1.10. Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors and assigns, the holders of Senior Debt, the Holders of the Securities and, to the extent expressly provided in Sections 5.2, 5.8, 5.9, 5.11, 5.13, 9.2 and 10.7, the holders of Preferred Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.11. Governing Law.

This Indenture and the rights and obligations of each of the Holders, the Company and the Trustee shall be construed and enforced in accordance with and governed by the laws of the State of New York without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

SECTION 1.12. Submission to Jurisdiction.

ANY LEGAL ACTION OR PROCEEDING BY OR AGAINST ANY PARTY HERETO OR WITH RESPECT TO OR ARISING OUT OF THIS INDENTURE MAY BE BROUGHT IN OR REMOVED TO THE COURTS OF THE STATE OF NEW YORK, IN AND FOR THE COUNTY OF NEW YORK, OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK (IN EACH CASE SITTING IN THE BOROUGH OF MANHATTAN). BY EXECUTION AND DELIVERY OF THIS INDENTURE, EACH PARTY ACCEPTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS (AND COURTS OF APPEALS THEREFROM) FOR LEGAL PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS INDENTURE.

SECTION 1.13. Non-Business Days.

If any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or the Securities) payment of interest, premium or principal or other amounts in respect of such Security shall not be made on such date, but shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be, until such next succeeding Business Day) except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity.

SECTION 1.14. Trust Cost and Expenses..

The Company, as borrower, agrees to pay all debts and obligations (other than with respect to the Trust Securities) and all costs and expenses of the Trust (including, but not limited to, all costs and expenses relating to the organization of the Trust, the fees and expenses of the Trustees and all costs and expenses relating to the operation of the Trust (other than with respect to the Trust Securities)), so that the net amounts received and retained by the Trust after paying

15

such debts, obligations, costs and expenses will be equal to the amounts the Trust would have received had no such debts, obligations, costs and expenses been incurred by or imposed on the Trust. The Company shall, upon request of any Trustee, promptly reimburse such Trustee for any such fees, costs and expenses paid by such Trustee. The Company shall make no claim upon the Trust Property for the payment of such fees, costs or expenses.

ARTICLE II

Security Forms

SECTION 2.1. Form of Security.

Any Security issued hereunder shall be in substantially the following form:

HANMI FINANCIAL CORPORATION

Floating Rate Junior Subordinated Note due 2034

No. _____ \$ _____

Hanmi Financial Corporation, a corporation organized and existing under

the laws of March 15, 2004 (hereinafter called the "Company," which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to _____, or registered assigns, the principal sum of \$ _____ Dollars [if the Security is a Global Security, then insert -- or such other principal amount represented hereby as may be set forth in the records of the Securities Registrar hereinafter referred to in accordance with the Indenture] on March 15, 2034. The Company further promises to pay interest on said principal sum from March 15, 2004, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on March 15th, June 15th, September 15th and December 15th of each year, commencing on June 15, 2004, or if any such day is not a Business Day, on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date until such next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on the Interest Payment Date, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, together with Additional Tax Sums, if any, as provided in Section 10.5 of the Indenture, until the principal hereof is paid or duly provided for or made available for payment; provided, that any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent that the payment of such interest shall be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates such amounts are due until they are paid or made available for payment, and such interest shall be payable on demand.

The amount of interest payable shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall,

16

EXHIBIT D

as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest installment. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities not less than ten (10) days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture.

So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of this Security, to defer the payment of interest on this Security for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date, and no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. No interest shall be due and payable during an Extension Period (except any Additional Tax Sums that may be due and payable), except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on this Security, together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. The Company shall give the Holder of this Security and the Trustee written notice of its election to begin any such Extension Period at least one Business Day prior

to the next succeeding Interest Payment Date on which interest on this Security would be payable but for such deferral or, so long as this Security is held by the Trust, at least one Business Day prior to the earlier of (i) the next succeeding date on which Distributions on the Preferred Securities of Hanmi Capital Trust II would be payable but for such deferral and (ii) the date on which the Property Trustee of such Trust is required to give notice to any securities exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date for the payment of such Distributions.

17

EXHIBIT D

During any such Extension Period, the Company shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to this Security (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (c) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

Payment of principal of, premium, if any, and interest on this Security shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of this Security shall be made at the office or agency of the Company maintained for that purpose in the Place of Payment upon surrender of such Securities to the Paying Agent, and payments of interest shall be made, subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of this Security is the Property Trustee, the payment of the principal of (and premium, if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on this Security will be made at such place and to such account as may be designated by the Property Trustee.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt, and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his or her behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his or her attorney-in-fact for any and all such purposes. Each Holder hereof, by his or her acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and

18

EXHIBIT D

in the Indenture by each holder of Senior Debt, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Security is one of a duly authorized issue of securities of the Company (the "Securities") issued under the Junior Subordinated Indenture, dated as of March 15, 2004 (the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (in such capacity, the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

All terms used in this Security that are defined in the Indenture or in the Amended and Restated Trust Agreement, dated as of March 15, 2004 (as modified, amended or supplemented from time to time, the "Trust Agreement"), relating to Hanmi Capital Trust II (the "Trust"), among the Company, as Depositor, the Trustees named therein and the Holders from time to time of the Trust Securities issued pursuant thereto, shall have the meanings assigned to them in the Indenture or the Trust Agreement, as the case may be.

The Company may, on any Interest Payment Date, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee) on or after March 15, 2009 and subject to the terms and conditions of Article XI of the Indenture, redeem this Security in whole at any time or in part from time to time at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In addition, upon the occurrence and during the continuation of a Special Event, the Company may, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee), redeem this Security, in whole but not in part, subject to the terms and conditions of Article XI of the Indenture at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In the event of redemption of this Security in part only, a new Security or Securities for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof. If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as

19

EXHIBIT D

the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority of the principal amount of the Outstanding Securities. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities, on behalf of the Holders of all Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, including any Additional Interest, on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar and duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new

Securities, of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree that, for

20

EXHIBIT D

United States federal, state and local tax purposes, it is intended that this Security constitute indebtedness.

This Security shall be construed and enforced in accordance with and governed by the laws of the State of New York, without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

SECTION 2.4. Temporary Securities.

(a) Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

(b) If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for that purpose without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Securities of any authorized denominations having the same Original Issue Date and Stated Maturity and having the same terms as such temporary Securities. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

SECTION 2.5. Definitive Securities.

The Securities issued on the Original Issue Date shall be in definitive form. The definitive Securities shall be printed, lithographed or engraved, or produced by any combination of these methods, if required by any securities exchange on which the Securities may be listed, on a steel engraved border or steel engraved borders or may be produced in any other manner permitted by the rules of any securities exchange on which the Securities may be listed, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

ARTICLE III

The Securities

SECTION 3.1. Payment of Principal and Interest.

(a) The unpaid principal amount of the Securities shall bear interest at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% until paid or duly provided for, such interest to accrue from the Original Issue Date or from the most recent Interest Payment Date to

24

EXHIBIT D

which interest has been paid or duly provided for, and any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90% from the dates such amounts are due until they are paid or funds for the payment thereof are made available for payment.

(b) Interest and Additional Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, except that interest and any Additional Interest payable on the Stated Maturity (or any date of principal repayment upon early maturity) of the principal of a Security or on a Redemption Date shall be paid to the Person to whom principal is paid. The initial payment of interest on any Security that is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security.

(c) Any interest on any Security that is due and payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in paragraph (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest (a "Special Record Date"), which shall be fixed in the following manner. At least thirty (30) days prior to the date of the proposed payment, the Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than fifteen (15) days and not less than ten (10) days prior to the date of the proposed payment and not less than ten (10) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security at the address of such Holder as it appears in the Securities Register not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered on such Special Record Date; or

25

EXHIBIT D

(ii) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed and, upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such payment shall be deemed practicable by the Trustee.

(d) Payments of interest on the Securities shall include interest accrued to but excluding the respective Interest Payment Dates. Interest payments for the Securities shall be computed and paid on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four.

(e) Payment of principal of, premium, if any, and interest on the Securities shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of such Securities shall be made at the Place of Payment upon surrender of such Securities to the Paying Agent and payments of interest shall be made subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of the Security is the Property Trustee, the payment of the principal of (and premium if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on the Security will be made at such place and to such account as may be designated by the Property Trustee.

(f) Subject to the foregoing provisions of this Section 3.1, each Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

SECTION 3.2. Denominations.

The Securities shall be in registered form without coupons and shall be

issuable in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof.

SECTION 3.3. Execution, Authentication, Delivery and Dating.

(a) At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities in an aggregate principal amount (including all then Outstanding Securities) not in excess of \$30,928,000 executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional

26

EXHIBIT D

responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and shall be fully protected in relying upon:

(i) a copy of any Board Resolution relating thereto; and

(ii) an Opinion of Counsel stating that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its President or one of its Vice Presidents. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

(c) No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.8, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

(d) Each Security shall be dated the date of its authentication.

SECTION 3.4. Global Securities.

(a) Each Global Security issued under this Indenture shall be registered in the name of the Depositary designated by the Company for such Global Security or a nominee thereof and delivered to such Depositary or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (i) such Depositary advises the Trustee and the Company in writing that such Depositary is no longer willing or able to properly discharge its responsibilities as Depositary with respect to such Global Security, and no qualified successor is appointed by the Company within ninety (90) days of receipt by the Company of such notice, (ii) such Depositary ceases to be a clearing agency registered under the Exchange Act and no

27

EXHIBIT D

successor is appointed by the Company within ninety (90) days after obtaining knowledge of such event, (iii) the Company executes and delivers to the Trustee a Company Order stating that the Company elects to terminate the book-entry system through the Depositary or (iv) an Event of Default shall have occurred

and be continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Trustee shall notify the Depositary and instruct the Depositary to notify all owners of beneficial interests in such Global Security of the occurrence of such event and of the availability of Securities to such owners of beneficial interests requesting the same. Upon the issuance of such Securities and the registration in the Securities Register of such Securities in the names of the Holders of the beneficial interests therein, the Trustees shall recognize such holders of beneficial interests as Holders.

(c) If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article III or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security by the Depositary, accompanied by registration instructions, the Company shall execute and the Trustee shall authenticate and deliver any Securities issuable in exchange for such Global Security (or any portion thereof) in accordance with the instructions of the Depositary. The Trustee shall not be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(d) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depositary for such Global Security or a nominee thereof.

(e) Securities distributed to holders of Book-Entry Preferred Securities (as defined in the applicable Trust Agreement) upon the dissolution of the Trust shall be distributed in the form of one or more Global Securities registered in the name of a Depositary or its nominee, and deposited with the Securities Registrar, as custodian for such Depositary, or with such Depositary, for credit by the Depositary to the respective accounts of the beneficial owners of the Securities represented thereby (or such other accounts as they may direct). Securities distributed to holders of Preferred Securities other than Book-Entry Preferred Securities upon the dissolution of the Trust shall not be issued in the form of a Global Security or any other form intended to facilitate book-entry trading in beneficial interests in such Securities, provided, that, any such holder may exchange such Securities for a beneficial interest in any Global Security if such holder is eligible under the terms of this Indenture to do so. All Securities must be transferred in accordance with the transfer restrictions set forth herein. Any owner of a beneficial interest in a Global Security must be a QIB. Any Securities issued to a Person other than a QIB shall not be issued in the form of a Global Security.

28

EXHIBIT D

(f) The Depositary or its nominee, as the registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Depositary Procedures. Accordingly, any such owner's beneficial interest in a Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depositary or its nominee or its Depositary Participants. The Securities Registrar and the Trustee shall be entitled to deal with the Depositary for all purposes of this Indenture relating to a Global Security (including the payment of principal and interest thereon and the giving of instructions or directions by owners of beneficial interests therein and the giving of notices) as the sole Holder of the Security and shall have no obligations to the owners of beneficial interests therein. Neither the Trustee nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(g) The rights of owners of beneficial interests in a Global Security shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such owners and the Depositary and/or its Depositary Participants.

(h) No holder of any beneficial interest in any Global Security held on its behalf by a Depositary shall have any rights under this Indenture with respect to such Global Security, and such Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility

or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by a Depositary or impair, as between a Depositary and such holders of beneficial interests, the operation of customary practices governing the exercise of the rights of the Depositary (or its nominee) as Holder of any Security.

SECTION 3.5. Registration, Transfer and Exchange Generally.

(a) The Trustee shall cause to be kept at the Corporate Trust Office a register (the "Securities Register") in which the registrar and transfer agent with respect to the Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee shall at all times also be the Securities Registrar. The provisions of Article VI shall apply to the Trustee in its role as Securities Registrar. If any Securities presented for transfer or exchange are (i) being transferred otherwise than to a QIB, such Securities shall be accompanied by a certificate of the transferee substantially in the form set forth as Exhibit B hereto, or (ii) are being transferred to a QIB, such Securities shall be accompanied by a certificate of transfer substantially in the form set forth in Exhibit C hereto.

(b) Upon surrender for registration of transfer of any Security at the offices or agencies of the Company designated for that purpose the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or

29

EXHIBIT D

more new Securities of any authorized denominations of like tenor and aggregate principal amount.

(c) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations, of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(d) All Securities issued upon any transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such transfer or exchange.

(e) Every Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

(f) No service charge shall be made to a Holder for any transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities.

(g) Neither the Company nor the Trustee shall be required pursuant to the provisions of this Section 3.5 to issue, register the transfer of or exchange any Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of Securities pursuant to Article XI and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any such Security to be redeemed in part, any portion thereof not to be redeemed.

(h) The Company shall designate an office or offices or agency or agencies where Securities may be surrendered for registration or transfer or exchange. The Company initially designates the Corporate Trust Office as its office and agency for such purposes. The Company shall give prompt written notice to the Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 3.6. Mutilated, Destroyed, Lost and Stolen Securities.

(a) If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and aggregate principal amount and bearing a number not contemporaneously

outstanding.

(b) If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the

30

EXHIBIT D

Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and aggregate principal amount as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

(c) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

(d) Upon the issuance of any new Security under this Section 3.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Security issued pursuant to this Section 3.6 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

(f) The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.7. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee shall treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any interest on such Security and for all other purposes whatsoever, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 3.8. Cancellation.

All Securities surrendered for payment, redemption, transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 3.8, except as expressly permitted by this Indenture. All canceled Securities shall be disposed of by the Trustee in accordance with its customary practices and the Trustee shall deliver to the Company a certificate of such disposition.

31

EXHIBIT D

SECTION 3.9. Deferrals of Interest Payment Dates.

(a) So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of the Security, to defer the payment of interest on the Securities for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), the Company shall have the right to make no payments or partial payments of interest on any Interest Payment Date (except any Additional Tax Sums that otherwise may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date and no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. No interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.90%, compounded quarterly, from the dates on which amounts would

have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on the Securities together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may extend such Extension Period and further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. The Company shall give the Holders of the Securities and the Trustee written notice of its election to begin any such Extension Period at least one Business Day prior to the next succeeding Interest Payment Date on which interest on the Securities would be payable but for such deferral or, so long as any Securities are held by the Trust, at least one Business Day prior to the earlier of (i) the next succeeding date on which Distributions on the Preferred Securities of such Trust would be payable but for such deferral and (ii) the date on which the Property Trustee of such Trust is required to give notice to any securities exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date for the payment of such Distributions.

(b) In connection with any such Extension Period, the Company shall be subject to the restrictions set forth in Section 10.6(a).

SECTION 3.10. Right of Set-Off.

Notwithstanding anything to the contrary herein, the Company shall have the right to set off any payment it is otherwise required to make in respect of any Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a

32

EXHIBIT D

payment under the Guarantee Agreement relating to such Security or to a holder of Preferred Securities pursuant to an action undertaken under Section 5.8 of this Indenture.

SECTION 3.11. Agreed Tax Treatment.

Each Security issued hereunder shall provide that the Company and, by its acceptance or acquisition of a Security or a beneficial interest therein, the Holder of, and any Person that acquires a direct or indirect beneficial interest in, such Security, intend and agree to treat such Security as indebtedness of the Company for United States Federal, state and local tax purposes and to treat the Preferred Securities (including but not limited to all payments and proceeds with respect to the Preferred Securities) as an undivided beneficial ownership interest in the Securities (and payments and proceeds therefrom, respectively) for United States Federal, state and local tax purposes. The provisions of this Indenture shall be interpreted to further this intention and agreement of the parties.

SECTION 3.12. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption and other similar or related materials as a convenience to Holders; provided, that any such notice or other materials may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption or other materials and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE IV

Satisfaction and Discharge

SECTION 4.1. Satisfaction and Discharge of Indenture.

This Indenture shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for and as otherwise provided in this Section 4.1) and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities that have been mutilated, destroyed, lost or stolen and that have been replaced or paid as provided in Section 3.6 and (B) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 10.2) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

33

EXHIBIT D

- (A) have become due and payable, or
- (B) will become due and payable at their Stated Maturity within one year of the date of deposit, or
- (C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of subclause (ii) (A), (B) or (C) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose (x) an amount in the currency or currencies in which the Securities are payable, (y) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount or (z) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and any premium and interest (including any Additional Interest) to the date of such deposit (in the case of Securities that have become due and payable) or to the Stated Maturity (or any date of principal repayment upon early maturity) or Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.6, the obligations of the Company to any Authenticating Agent under Section 6.11 and, if money shall have been deposited with the Trustee pursuant to subclause (a)(ii) of this Section 4.1, the obligations of the Trustee under Section 4.2 and Section 10.2(e) shall survive.

SECTION 4.2. Application of Trust Money.

Subject to the provisions of Section 10.2(e), all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by the Trustee, in accordance with the provisions of the Securities and this Indenture, to the payment in accordance with Section 3.1, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest (including any Additional Interest) for the payment of which such money or obligations have been deposited with or received by the Trustee. Moneys held by the Trustee under this Section 4.2 shall not be subject to the claims of holders of Senior Debt under Article XII.

SECTION 5.1. Events of Default.

"Event of Default" means, wherever used herein with respect to the

Securities, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon any Security, including any Additional Interest in respect thereof, when it becomes due and payable, and continuance of such default for a period of thirty (30) days (subject to the deferral of any due date in the case of an Extension Period); or

(b) default in the payment of the principal of or any premium on any Security at its Maturity; or

(c) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or the breach of which is elsewhere in this section specifically dealt with) and continuance of such default or breach for a period of sixty (60) days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least twenty five percent (25%) in aggregate principal amount of the Outstanding Securities a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(d) the entry by a court having jurisdiction in the premises of a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

(e) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by the Company to the institution of bankruptcy or insolvency proceedings against it, or the filing by the Company of a petition or answer or consent seeking reorganization or relief under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a

bankrupt or insolvent, or the taking of corporate action by the Company in furtherance of any such action; or

(f) the Trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence, except in connection with (1) the distribution of the Securities to holders of the Preferred Securities in liquidation of their interests in the Trust, (2) the redemption of all of the outstanding Preferred Securities or (3) certain mergers, consolidations or amalgamations, each as and to the extent permitted by the Trust Agreement.

SECTION 5.2. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing, then and in every such case the Trustee or the Holders of not less than twenty five percent (25%) in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided, that if, upon an Event of Default, the Trustee or the Holders of not less than twenty five percent (25%) in principal amount of the Outstanding Securities fail to declare the principal of all the Outstanding Securities to be immediately due and payable, the holders of at least twenty five percent (25%) in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Company and the Trustee; and upon any such declaration the principal amount of and the accrued interest (including any Additional Interest) on all the Securities shall become immediately due and payable.

(b) At any time after such a declaration of acceleration with respect to Securities has been made and before a judgment or decree for payment of the

money due has been obtained by the Trustee as hereinafter provided in this Article V, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay:

- (A) all overdue installments of interest on all Securities,
- (B) any accrued Additional Interest on all Securities,
- (C) the principal of and any premium on any Securities that have become due otherwise than by such declaration of acceleration and interest (including any Additional Interest) thereon at the rate borne by the Securities, and
- (D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Property Trustee and their agents and counsel; and

36

EXHIBIT D

(ii) all Events of Default with respect to Securities, other than the nonpayment of the principal of Securities that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13;

provided, that if the Holders of such Securities fail to annul such declaration and waive such default, the holders of not less than a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall also have the right to rescind and annul such declaration and its consequences by written notice to the Property Trustee, the Company and the Trustee, subject to the satisfaction of the conditions set forth in paragraph (b) of this Section 5.2. No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that if:

(i) default is made in the payment of any installment of interest (including any Additional Interest) on any Security when such interest becomes due and payable and such default continues for a period of thirty (30) days, or

(ii) default is made in the payment of the principal of and any premium on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest (including any Additional Interest) and, in addition thereto, all amounts owing the Trustee under Section 6.6.

(b) If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

(c) If an Event of Default with respect to Securities occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.4. Trustee May File Proofs of Claim.

In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or similar judicial proceeding relative to the Company (or

any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized hereunder in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to first pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6.

SECTION 5.5. Trustee May Enforce Claim Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, subject to Article XII and after provision for the payment of all the amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.6. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to the Securities pursuant to this Article V shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal or any premium or interest (including any Additional Interest), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee, any predecessor Trustee and other Persons under Section 6.6;

SECOND: To the payment of all Senior Debt of the Company if and to the extent required by Article XII.

THIRD: Subject to Article XII, to the payment of the amounts then due and unpaid upon the Securities for principal and any premium and interest (including any Additional Interest) in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and any premium and interest (including any Additional Interest), respectively; and

FOURTH: The balance, if any, to the Person or Persons entitled thereto.

SECTION 5.7. Limitation on Suits.

Subject to Section 5.8, no Holder of any Securities shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities;

(b) the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding for sixty (60) days; and

(e) no direction inconsistent with such written request has been given to the Trustee during such sixty (60)-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 5.8. Unconditional Right of Holders to Receive Principal, Premium and Interest; Direct Action by Holders of Preferred Securities.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium on such Security at its Maturity and payment of interest (including any Additional Interest) on such Security when due and payable and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Any registered holder of the Preferred Securities shall have the right, upon the occurrence of an Event of Default described in Section 5.1 (a) or Section 5.1(b), to institute a suit directly against the Company for enforcement of payment to such holder of principal of and any premium and interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities held by such holder.

39

EXHIBIT D

SECTION 5.9. Restoration of Rights and Remedies.

If the Trustee, any Holder or any holder of Preferred Securities has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, such Holder or such holder of Preferred Securities, then and in every such case the Company, the Trustee, such Holders and such holder of Preferred Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, such Holder and such holder of Preferred Securities shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative.

Except as otherwise provided in Section 3.6(f), no right or remedy herein conferred upon or reserved to the Trustee or the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee, any Holder of any Securities or any holder of any Preferred Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders and the right and remedy given to the holders of Preferred Securities by Section 5.8 may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Holders or the holders of Preferred Securities, as the case may be.

SECTION 5.12. Control by Holders.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) subject to the provisions of Section 6.2, the Trustee shall have the

right to decline to follow such direction if a Responsible Officer or Officers of the Trustee shall, in good faith, reasonably determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

40

EXHIBIT D

SECTION 5.13. Waiver of Past Defaults.

(a) The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities and the holders of a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities may waive any past Event of Default hereunder and its consequences except an Event of Default:

(i) in the payment of the principal of or any premium or interest (including any Additional Interest) on any Security (unless such Event of Default has been cured and the Company has paid to or deposited with the Trustee a sum sufficient to pay all installments of interest (including any Additional Interest) due and past due and all principal of and any premium on all Securities due otherwise than by acceleration), or

(ii) in respect of a covenant or provision hereof that under Article IX cannot be modified or amended without the consent of each Holder of any Outstanding Security.

(b) Any such waiver shall be deemed to be on behalf of the Holders of all the Securities or, in the case of a waiver by holders of Preferred Securities issued by such Trust, by all holders of Preferred Securities.

(c) Upon any such waiver, such Event of Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

SECTION 5.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent (10%) in aggregate principal amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or any premium on the Security after the Stated Maturity or any interest (including any Additional Interest) on any Security after it is due and payable.

SECTION 5.15. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and

41

EXHIBIT D

covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VI

The Trustee

SECTION 6.1. Corporate Trustee Required.

There shall at all times be a Trustee hereunder with respect to the Securities. The Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to

exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or state authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 6.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.1, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

SECTION 6.2. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture.

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a majority in aggregate principal amount of the Outstanding Securities, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it

42

EXHIBIT D

shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.2. To the extent that, at law or in equity, the Trustee has duties and liabilities relating to the Holders, the Trustee shall not be liable to any Holder for the Trustee's good faith reliance on the provisions of this Indenture. The provisions of this Indenture, to the extent that they restrict the duties and liabilities of the Trustee otherwise existing at law or in equity, are agreed by the Company and the Holders to replace such other duties and liabilities of the Trustee.

(d) No provisions of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a majority in aggregate principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture; and

(iii) the Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company and money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law.

SECTION 6.3. Notice of Defaults.

Within ninety (90) days after the occurrence of any default actually known to the Trustee, the Trustee shall give the Holders notice of such default unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or any premium or interest on any Securities, the Trustee shall be fully protected in withholding the notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interest of holders of Securities; and provided, that in the case of any default of the character specified in Section 5.1(c) no such notice to Holders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 6.3, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 6.4. Certain Rights of Trustee.

Subject to the provisions of Section 6.2:

43

EXHIBIT D

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Indenture the Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Indenture the Trustee finds ambiguous or inconsistent with any other provisions contained herein or (iii) the Trustee is unsure of the application of any provision of this Indenture, then, except as to any matter as to which the Holders are entitled to decide under the terms of this Indenture, the Trustee shall deliver a notice to the Company requesting the Company's written instruction as to the course of action to be taken and the Trustee shall take such action, or refrain from taking such action, as the Trustee shall be instructed in writing to take, or to refrain from taking, by the Company; provided, that if the Trustee does not receive such instructions from the Company within ten Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice the Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Trustee shall deem advisable and in the best interests of the Holders, in which event the Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any request or direction of the Company shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(d) the Trustee may consult with counsel (which counsel may be counsel to the Trustee, the Company or any of its Affiliates, and may include any of its employees) and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Trustee;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, indenture, note or other paper or document, but the Trustee in its discretion may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and

44

EXHIBIT D

the Trustee shall not be responsible for any misconduct or negligence on the

part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(h) whenever in the administration of this Indenture the Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action with respect to enforcing any remedy or right hereunder, the Trustees (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same aggregate principal amount of Outstanding Securities as would be entitled to direct the Trustee under this Indenture in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(i) except as otherwise expressly provided by this Indenture, the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

(j) without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with any bankruptcy, insolvency or other proceeding referred to in clauses (d) or (e) of the definition of Event of Default, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy laws or law relating to creditors rights generally;

(k) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate addressing such matter, which, upon receipt of such request, shall be promptly delivered by the Company;

(l) the Trustee shall not be charged with knowledge of any Event of Default unless either (i) a Responsible Officer of the Trustee shall have actual knowledge or (ii) the Trustee shall have received notice thereof from the Company or a Holder; and

(m) in the event that the Trustee is also acting as Paying Agent, Authenticating Agent or Securities Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article VI shall also be afforded such Paying Agent, Authenticating Agent, or Securities Registrar.

SECTION 6.5. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Securities Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Securities Registrar or such other agent.

45

EXHIBIT D

SECTION 6.6. Compensation; Reimbursement; Indemnity.

(a) The Company agrees

(i) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amounts as the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(iii) to the fullest extent permitted by applicable law, to indemnify the Trustee and its Affiliates, and their officers, directors, shareholders, agents, representatives and employees for, and to hold them harmless against, any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to (i) or (ii) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part arising out of or in connection with the acceptance or administration of this trust or the performance of the Trustee's duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or

duties hereunder.

(b) To secure the Company's payment obligations in this Section 6.6, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, other than money or property held in trust to pay principal and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.

(c) The obligations of the Company under this Section 6.6 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee.

(d) In no event shall the Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(e) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Indenture.

46

EXHIBIT D

SECTION 6.7. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.8.

(b) The Trustee may resign at any time by giving written notice thereof to the Company.

(c) Unless an Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Company by a Board Resolution. If an Event of Default shall have occurred and be continuing, the Trustee may be removed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Company, by a Board Resolution, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when an Event of Default shall have occurred and be continuing, the Holders, by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment within sixty (60) days after the giving of a notice of resignation by the Trustee or the removal of the Trustee in the manner required by Section 6.8, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of such Holder and all others similarly situated, and any resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Company shall give notice to all Holders in the manner provided in Section 1.6 of each resignation and each removal of the Trustee and each appointment of a successor Trustee. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.8. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign,

47

transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) of this Section 6.8.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VI.

SECTION 6.9. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VI. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation or as otherwise provided above in this Section 6.9 to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated, and in case any Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor Trustee or in the name of such successor Trustee, and in all cases the certificate of authentication shall have the full force which it is provided anywhere in the Securities or in this Indenture that the certificate of the Trustee shall have.

SECTION 6.10. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the Securities or the proceeds thereof.

SECTION 6.11. Appointment of Authenticating Agent.

(a) The Trustee may appoint an Authenticating Agent or Agents with respect to the Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.6. and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall

at all times be a corporation organized and doing business under the laws of the United States of America, or of any State or Territory thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 6.11 the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 6.11.

(b) Any Person into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any Person succeeding to all or substantially all of the corporate

trust business of an Authenticating Agent shall be the successor Authenticating Agent hereunder, provided such Person shall be otherwise eligible under this Section 6.11, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

(c) An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, the Trustee may appoint a successor Authenticating Agent eligible under the provisions of this Section 6.11, which shall be acceptable to the Company, and shall give notice of such appointment to all Holders. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

(d) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.11 in such amounts as the Company and the Authenticating Agent shall agree from time to time.

(e) If an appointment of an Authenticating Agent is made pursuant to this Section 6.11, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities designated therein referred to in the within mentioned Indenture.

Consolidation, Merger, Conveyance, Transfer or Lease

SECTION 8.1. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and no Person shall consolidate with or merge into the Company or convey, transfer or lease its properties and assets substantially as an entirety to the Company, unless:

(a) if the Company shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the entity formed by such consolidation or into which the Company is merged or the Person that acquires by conveyance or transfer, or that leases, the properties and assets of the Company substantially as an entirety shall be an entity organized and existing under the laws of the United States of America or any State or Territory thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of and any premium and interest (including any Additional Interest) on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(b) immediately after giving effect to such transaction, no Event of Default, and no event that, after notice or lapse of time, or both, would constitute an Event of Default, shall have happened and be continuing; and

51

EXHIBIT D

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, any such supplemental indenture comply with this Article VIII and that all conditions precedent herein provided for relating to such transaction have been complied with; and the Trustee may rely upon such Officers' Certificate and Opinion of Counsel as conclusive evidence that such transaction complies with this Section 8.1.

SECTION 8.2. Successor Company Substituted.

(a) Upon any consolidation or merger by the Company with or into any other Person, or any conveyance, transfer or lease by the Company of its properties and assets substantially as an entirety to any Person in accordance with Section 8.1 and the execution and delivery to the Trustee of the supplemental indenture described in Section 8.1 (a), the successor entity formed by such consolidation

or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and in the event of any such conveyance or transfer, following the execution and delivery of such supplemental indenture, the Company shall be discharged from all obligations and covenants under the Indenture and the Securities.

(b) Such successor Person may cause to be executed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities that previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities that such successor Person thereafter shall cause to be executed and delivered to the Trustee on its behalf. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture.

(c) In case of any such consolidation, merger, sale, conveyance or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate to reflect such occurrence.

ARTICLE IX

Supplemental Indentures

SECTION 9.1. Supplemental Indentures without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee, for any of the following purposes:

52

EXHIBIT D

(a) to evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Securities; or

(b) to cure any ambiguity, to correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, which shall not be inconsistent with the other provisions of this Indenture, provided, that such action pursuant to this clause (b) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(c) to add to the covenants, restrictions or obligations of the Company or to add to the Events of Default, provided, that such action pursuant to this clause (c) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(d) to modify, eliminate or add to any provisions of the Indenture or the Securities to such extent as shall be necessary to ensure that the Securities are treated as indebtedness of the Company for United States Federal income tax purposes, provided, that such action pursuant to this clause (d) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(e) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee.

SECTION 9.2. Supplemental Indentures with Consent of Holders.

(a) With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities under this Indenture; provided, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security,

(i) change the Stated Maturity of the principal or any premium of any Security or change the date of payment of any installment of interest (including any Additional Interest) on any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium

payable upon the redemption thereof or change the place of payment where, or the coin or currency in which, any Security or interest thereon is payable, or restrict or impair the right to institute suit for the enforcement of any such payment on or after such date, or

(ii) reduce the percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with any provision of this Indenture or of defaults hereunder and their consequences provided for in this Indenture, or

53

EXHIBIT D

(iii) modify any of the provisions of this Section 9.2, Section 5.13 or Section 10.7, except to increase any percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any reason, or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security;

provided, further, that, so long as any Preferred Securities remain outstanding, no amendment under this Section 9.2 shall be effective until the holders of a majority in Liquidation Amount (as defined in the Trust Agreement) of the Trust Securities shall have consented to such amendment; provided, further, that if the consent of the holder of each Outstanding Security is required for any amendment under this Indenture, such amendment shall not be effective until the holder of each Outstanding Trust Security shall have consented to such amendment.

(b) It shall not be necessary for any Act of Holders under this Section 9.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 9.3. Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent herein provided for relating to such action have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties, indemnities or immunities under this Indenture or otherwise. Copies of the final form of each supplemental indenture shall be delivered by the Trustee at the expense of the Company to each Holder, and, if the Trustee is the Property Trustee, to each holder of Preferred Securities, promptly after the execution thereof.

SECTION 9.4. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article IX, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.5. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and shall if required by the Company, bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Covenants

SECTION 10.1. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of the Securities that it will duly and punctually pay the principal of and any premium and interest (including any Additional Interest) on the Securities in accordance with the terms of the Securities and this Indenture.

SECTION 10.2. Money for Security Payments to be Held in Trust.

(a) If the Company shall at any time act as its own Paying Agent with respect to the Securities, it will, on or before each due date of the principal of and any premium or interest (including any Additional Interest) on the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any premium or interest (including Additional Interest) so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee in writing of its failure so to act.

(b) Whenever the Company shall have one or more Paying Agents, it will, prior to 1:00 p.m., New York City time, on each due date of the principal of or any premium or interest (including any Additional Interest) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided in the Trust Indenture Act and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its failure so to act.

(c) The Company will cause each Paying Agent for the Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.2, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities.

(d) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(e) Any money deposited with the Trustee or any Paying Agent, or then held by the Company in trust for the payment of the principal of and any premium or interest (including any Additional Interest) on any Security and remaining unclaimed for two years after such principal and any premium or interest has become due and payable shall (unless otherwise required by

55

EXHIBIT D

mandatory provision of applicable escheat or abandoned or unclaimed property law) be paid on Company Request to the Company, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 10.3. Statement as to Compliance.

The Company shall deliver to the Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Company is in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder), and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 10.4. Calculation Agent.

(a) The Company hereby agrees that for so long as any of the Securities

remain Outstanding, there will at all times be an agent appointed to calculate LIBOR in respect of each Interest Payment Date in accordance with the terms of Schedule A (the "Calculation Agent"). The Company has initially appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Payment Date, and the Trustee hereby accepts such appointment in accordance with the terms of this Indenture. The Calculation Agent may be removed by the Company at any time. So long as the Property Trustee holds any of the Securities, the Calculation Agent shall be the Property Trustee. If the Calculation Agent is unable or unwilling to act as such or is removed by the Company, the Company will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Company or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule A), but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Interest Payment Date, and will communicate such rate and amount to the Company, the Trustee, each Paying Agent and the

56

EXHIBIT D

Depository. The Calculation Agent will also specify to the Company the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Company before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Payment Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

SECTION 10.5. Additional Tax Sums.

So long as no Event of Default has occurred and is continuing, if (a) the Trust is the Holder of all of the Outstanding Securities and (b) a Tax Event described in clause (i) or (iii) in the definition of Tax Event in Section 1.1 hereof has occurred and is continuing, the Company shall pay to the Trust (and its permitted successors or assigns under the related Trust Agreement) for so long as the Trust (or its permitted successor or assignee) is the registered holder of the Outstanding Securities, such amounts as may be necessary in order that the amount of Distributions (including any Additional Interest Amount (as defined in the Trust Agreement)) then due and payable by the Trust on the Preferred Securities and Common Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any Additional Taxes arising from such Tax Event (additional such amounts payable by the Company to the Trust, the "Additional Tax Sums"). Whenever in this Indenture or the Securities there is a reference in any context to the payment of principal of or interest on the Securities, such mention shall be deemed to include mention of the payments of the Additional Tax Sums provided for in this Section 10.5 to the extent that, in such context, Additional Tax Sums are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.5 and express mention of the payment of Additional Tax Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Tax Sums in those provisions hereof where such express mention is not made; provided, that the deferral of the payment of interest pursuant to Section 3.9 on the Securities shall not defer the payment of any Additional Tax Sums that may be due and payable.

SECTION 10.6. Additional Covenants.

(a) The Company covenants and agrees with each Holder of Securities that if an Event of Default shall have occurred and be continuing or the Company shall have given notice of its election to begin an Extension Period with respect to the Securities and shall not have rescinded such notice, or such Extension Period, or any extension thereof, shall be continuing, it shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any shares of the Company's capital stock, or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to the Securities (other than (A) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or

EXHIBIT D

consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period or Event of Default, (B) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (C) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (D) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan or the redemption or repurchase of rights pursuant thereto, or (E) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

(b) The Company also covenants with each Holder of Securities (i) to hold, directly or indirectly, one hundred percent (100%) of the Common Securities of the Trust, provided, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities, (ii) as holder of such Common Securities, not to voluntarily dissolve, wind-up or liquidate the Trust other than (A) in connection with a distribution of the Securities to the holders of the Preferred Securities in liquidation of the Trust or (B) in connection with certain mergers, consolidations or amalgamations permitted by the Trust Agreement and (iii) to use its reasonable commercial efforts, consistent with the terms and provisions of the Trust Agreement, to cause the Trust to continue to be taxable as a grantor trust and not as a corporation for United States Federal income tax purposes.

SECTION 10.7. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition contained in Section 10.6 if, before or after the time for such compliance, the Holders of at least a majority in aggregate principal amount of the Outstanding Securities shall, by Act of such Holders, and at least a majority of the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding, by consent of such holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

SECTION 10.8. Treatment of Securities.

The Company will treat the Securities as indebtedness, and the amounts payable in respect of the principal amount of such Securities as interest, for all U.S. federal income tax purposes. All payments in respect of the Securities will be made free and clear of U.S. withholding tax to any beneficial owner thereof that has provided an Internal Revenue Service Form W-8BEN (or any substitute or successor form) establishing its status as completely exempt from U.S. withholding tax.

EXHIBIT D

ARTICLE XI

Redemption of Securities

SECTION 11.1. Optional Redemption.

The Company may, at its option, on any Interest Payment Date, on or after March 15, 2009, redeem the Securities in whole at any time or in part from time to time, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof (or of the redeemed portion thereof, as applicable), together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.2. Special Event Redemption.

Upon the occurrence and during the continuation of a Special Event, the Company may, at its option, redeem the Securities, in whole but not in part, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.3. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities, in whole or in part, shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company, the Company shall, not less than forty five (45) days and not more than seventy five (75) days prior to the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee and the Property Trustee under the Trust Agreement in writing of such date and of the principal amount of the Securities to be redeemed and provide the additional information required to be included in the notice or notices contemplated by Section 11.5. In the case of any redemption of Securities, in whole or in part, (a) prior to the expiration of any restriction on such redemption provided in this Indenture or the Securities or (b) pursuant to an election of the Company which is subject to a condition specified in this Indenture or the Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction or condition.

SECTION 11.4. Selection of Securities to be Redeemed.

(a) If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any or each Security, provided, that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

59

EXHIBIT D

(b) The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security that has been or is to be redeemed.

(c) The provisions of paragraphs (a) and (b) of this Section 11.4 shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

SECTION 11.5. Notice of Redemption.

(a) Notice of redemption shall be given not later than the thirtieth (30th) day, and not earlier than the sixtieth (60th) day, prior to the Redemption Date to each Holder of Securities to be redeemed, in whole or in part (unless a shorter notice shall be satisfactory to the Property Trustee under the related Trust Agreement).

(b) With respect to Securities to be redeemed, in whole or in part, each notice of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price, as calculated by the Company, together with a statement that it is an estimate and that the actual Redemption Price will be calculated on the fifth Business Day prior to the Redemption Date (and if an estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become

due and payable upon each such Security or portion thereof, and that any interest (including any Additional Interest) on such Security or such portion, as the case may be, shall cease to accrue on and after said date; and

(v) the place or places where such Securities are to be surrendered for payment of the Redemption Price.

(c) Notice of redemption of Securities to be redeemed, in whole or in part, at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner provided above shall be conclusively presumed to have been duly given,

60

EXHIBIT D

whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 11.6. Deposit of Redemption Price.

Prior to 1:00 p.m., New York City time, on the Redemption Date specified in the notice of redemption given as provided in Section 11.5, the Company will deposit with the Trustee or with one or more Paying Agents (or if the Company is acting as its own Paying Agent, the Company will segregate and hold in trust as provided in Section 10.2) an amount of money sufficient to pay the Redemption Price of, and any accrued interest (including any Additional Interest) on, all the Securities (or portions thereof) that are to be redeemed on that date.

SECTION 11.7. Payment of Securities Called for Redemption.

(a) If any notice of redemption has been given as provided in Section 11.5, the Securities or portion of Securities with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date. On presentation and surrender of such Securities at a Place of Payment specified in such notice, the Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date.

(b) Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented and having the same Original Issue Date, Stated Maturity and terms.

(c) If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal of and any premium on such Security shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

ARTICLE XII

Subordination of Securities

SECTION 12.1. Securities Subordinate to Senior Debt.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article XII, the payment of the principal of and any premium and interest (including any Additional Interest) on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all Senior Debt.

61

EXHIBIT D

SECTION 12.2. No Payment When Senior Debt in Default; Payment Over of Proceeds Upon Dissolution, Etc.

(a) In the event and during the continuation of any default by the Company in the payment of any principal of or any premium or interest on any Senior Debt (following any grace period, if applicable) when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, then, upon written notice of such default to the

Company by the holders of such Senior Debt or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or any premium or interest (including any Additional Interest) on any of the Securities, or in respect of any redemption, repayment, retirement, purchase or other acquisition of any of the Securities.

(b) In the event of a bankruptcy, insolvency or other proceeding described in clause (d) or (e) of the definition of Event of Default (each such event, if any, herein sometimes referred to as a "Proceeding"), all Senior Debt (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of any of the Securities on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for these subordination provisions) be payable or deliverable in respect of the Securities shall be paid or delivered directly to the holders of Senior Debt in accordance with the priorities then existing among such holders until all Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) shall have been paid in full.

(c) In the event of any Proceeding, after payment in full of all sums owing with respect to Senior Debt, the Holders of the Securities, together with the holders of any obligations of the Company ranking on a parity with the Securities, shall be entitled to be paid from the remaining assets of the Company the amounts at the time due and owing on account of unpaid principal of and any premium and interest (including any Additional Interest) on the Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or any obligations of the Company ranking junior to the Securities and such other obligations. If, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment) shall be received by the Trustee or any Holder in contravention of any of the terms hereof and before all Senior Debt shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior

EXHIBIT D

Debt at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all such Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) in full. In the event of the failure of the Trustee or any Holder to endorse or assign any such payment, distribution or security, each holder of Senior Debt is hereby irrevocably authorized to endorse or assign the same.

(d) The Trustee and the Holders, at the expense of the Company, shall take such reasonable action (including the delivery of this Indenture to an agent for any holders of Senior Debt or consent to the filing of a financing statement with respect hereto) as may, in the opinion of counsel designated by the holders of a majority in principal amount of the Senior Debt at the time outstanding, be necessary or appropriate to assure the effectiveness of the subordination effected by these provisions.

(e) The provisions of this Section 12.2 shall not impair any rights, interests, remedies or powers of any secured creditor of the Company in respect of any security interest the creation of which is not prohibited by the provisions of this Indenture.

(f) The securing of any obligations of the Company, otherwise ranking on a parity with the Securities or ranking junior to the Securities, shall not be deemed to prevent such obligations from constituting, respectively, obligations ranking on a parity with the Securities or ranking junior to the Securities.

SECTION 12.3. Payment Permitted If No Default.

Nothing contained in this Article XII or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time, except during the pendency of the conditions described in paragraph (a) of Section 12.2 or of

any Proceeding referred to in Section 12.2(b), from making payments at any time of principal of and any premium or interest (including any Additional Interest) on the Securities or (b) the application by the Trustee of any moneys deposited with it hereunder to the payment of or on account of the principal of and any premium or interest (including any Additional Interest) on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge (in accordance with Section 12.8) that such payment would have been prohibited by the provisions of this Article XII, except as provided in Section 12.8.

SECTION 12.4. Subrogation to Rights of Holders of Senior Debt.

Subject to the payment in full of all amounts due or to become due on all Senior Debt, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article XII (equally and ratably with the holders of all indebtedness of the Company that by its express terms is subordinated to Senior Debt of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Debt) to the rights of the holders of such Senior Debt to receive payments and distributions of cash,

63

EXHIBIT D

property and securities applicable to the Senior Debt until the principal of and any premium and interest (including any Additional Interest) on the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article XII, and no payments made pursuant to the provisions of this Article XII to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

SECTION 12.5. Provisions Solely to Define Relative Rights.

The provisions of this Article XII are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article XII or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of and any premium and interest (including any Additional Interest) on the Securities as and when the same shall become due and payable in accordance with their terms, (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Debt or (c) prevent the Trustee or the Holder of any Security (or to the extent expressly provided herein, the holder of any Preferred Security) from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, including filing and voting claims in any Proceeding, subject to the rights, if any, under this Article XII of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 12.6. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article XII and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

SECTION 12.7. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

(b) Without in any way limiting the generality of paragraph (a) of this Section 12.7, the holders of Senior Debt may, at any time and from to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to such Holders of

EXHIBIT D

the Securities and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of such Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding, (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt, (iii) release any Person liable in any manner for the payment of Senior Debt and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

SECTION 12.8. Notice to Trustee.

(a) The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company that would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article XII or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor; provided, that if the Trustee shall not have received the notice provided for in this Section 12.8 at least two Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, the payment of the principal of and any premium on or interest (including any Additional Interest) on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself or herself to be a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor) to establish that such notice has been given by a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article XII, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XII, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 12.9. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article XII, the Trustee and the Holders of the Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or

EXHIBIT D

a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII.

SECTION 12.10. Trustee Not Fiduciary for Holders of Senior Debt.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.11. Rights of Trustee as Holder of Senior Debt;
Preservation of Trustee's Rights.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XII with respect to any Senior Debt that may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

SECTION 12.12. Article Applicable to Paying Agents.

If at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article XII shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article XII in addition to or in place of the Trustee; provided, that Sections 12.8 and 12.11 shall not apply to the Company or any Affiliate of the Company if the Company or such Affiliate acts as Paying Agent.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

DETERMINATION OF LIBOR

With respect to the Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to an Interest Payment Date (except, with respect to the first interest payment period, on March 11, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following interest payment period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR

shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided that, if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

Ladies and Gentlemen:

In connection with our purchase of the Preferred Securities we confirm that:

1. We understand that the Floating Rate Preferred Securities (the "Preferred Securities") of Hanmi Capital Trust II (the "Trust") (including the guarantee (the "Guarantee") of Hanmi Financial Corporation (the "Company") executed in connection therewith) and the Floating Rate Junior Subordinated Notes due 2034 of the Company (the "Subordinated Notes") (the Preferred Securities, the Guarantee and the Subordinated Notes together being referred to herein as the "Offered Securities"), have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing the Offered Securities that, if we decide to offer, sell or otherwise transfer any such Offered Securities, (i) such offer, sale or transfer will be made only (a) to the Trust, (b) to a person we reasonably believe is a "qualified institutional buyer" (a "QIB") (as defined in Rule 144 under the Securities Act) in a transaction meeting the requirements of Rule 144A, (c) to an institutional "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring Offered Securities for its own account, or for the account of such an "accredited investor," for investment purposes and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, (d) pursuant to an effective registration statement under the Securities Act, or (e) pursuant to an exemption from the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction and, in the case of (c) or (e), subject to the right of the Trust and the depositor to require an opinion of counsel and other information satisfactory to each of them. The foregoing restrictions on resale will not apply subsequent to the date on which, in the written opinion of counsel, the Preferred Securities are not "restricted securities" within the meaning of Rule 144 under the Securities Act. If any resale or other transfer of the Offered Securities is proposed to be made pursuant to clause (c) or (e) above, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Property Trustee as Transfer Agent, which shall provide as applicable, among other things, that the transferee is an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring such Securities for investment purposes and not for distribution in violation of the Securities Act. We acknowledge

EXHIBIT D

on our behalf and on behalf of any investor account for which we are purchasing Securities that the Trust and the Company reserve the right prior to any offer, sale or other transfer pursuant to clause (c) or (e) to require the delivery of any opinion of counsel, certifications and/or other information satisfactory to the Trust and the Company. In connection with our purchase of the Preferred Securities we
confirm that:

1. We understand that the Floating Rate Preferred Securities (the
"Preferred Securities") of Hanmi Capital Trust II (the "Trust") (including the
guarantee (the "Guarantee") of Hanmi Financial Corporation (the "Company")
executed in connection therewith) and the Floating Rate Junior Subordinated

Notes due 2034 of the Company (the "Subordinated Notes") (the Preferred Securities, the Guarantee and the Subordinated Notes together being referred to herein as the "Offered Securities"), have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing the Offered Securities that, if we decide to offer, sell or otherwise transfer any such Offered Securities, (i) such offer, sale or transfer will be made only (a) to the Trust, (b) to a person we reasonably believe is a "qualified institutional buyer" (a "QIB") (as defined in Rule 144 under the Securities Act) in a transaction meeting the requirements of Rule 144A, (c) to an institutional "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring Offered Securities for its own account, or for the account of such an "accredited investor," for investment purposes and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, (d) pursuant to an effective registration statement under the Securities Act, or (e) pursuant to an exemption from the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction and, in the case of (c) or (e), subject to the right of the Trust and the depositor to require an opinion of counsel and other information satisfactory to each of them. The foregoing restrictions on resale will not apply subsequent to the date on which, in the written opinion of counsel, the Preferred Securities are not "restricted securities" within the meaning of Rule 144 under the Securities Act. If any resale or other transfer of the Offered Securities is proposed to be made pursuant to clause (c) or (e) above, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Property Trustee as Transfer Agent, which shall provide as applicable, among other things, that the transferee is an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring such Securities for investment purposes and not for distribution in violation of the Securities Act. We acknowledge

With respect to the Trust Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to a Distribution Date (except, with respect to the first distribution payment date, on March 11, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following distribution period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page

as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided, that if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

Notwithstanding the foregoing, no provisions of this Guarantee Agreement shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so

7

provided, every provision of this Guarantee Agreement relating to the conduct or affecting the liability of or affording protection to the Guarantee Trustee shall be subject to the provisions of this Section 3.1. To the extent that, at law or in equity, the Guarantee Trustee has duties and liabilities relating to the Guarantor or the Holders, the Guarantee Trustee shall not be liable to any Holder for the Guarantee Trustee's good faith reliance on the provisions of this Guarantee Agreement. (c) No provision of this Guarantee Agreement shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, negligent failure to act or own willful misconduct, except that:

(i) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made; and

(ii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement.

(ii) any direction or act of the Guarantor contemplated by this Guarantee Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise prescribed herein;

(iii) the Guarantee Trustee may consult with counsel, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken

8

by it hereunder in good faith and in reliance thereon and in accordance with such advice. Such counsel may be counsel to the Guarantee Trustee, the Guarantor or any of its Affiliates and may be one of its employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee Agreement from any court of competent jurisdiction;

(iv) the Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee Agreement at the request or direction of any Holder, unless such Holder shall have provided to the Guarantee Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Guarantee Trustee; provided, that, nothing contained in this Section 3.2(a)(iv) shall be taken to relieve the Guarantee Trustee, upon the occurrence of an Event of Default, of its obligation to exercise the

rights and powers vested in it by this Guarantee Agreement;

(v) the Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and if the Guarantee Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Guarantor, personally or by agent or attorney;

(vi) the Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(vii) whenever in the administration of this Guarantee Agreement the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Guarantee Trustee (A) may request instructions from the Holders of a Majority in Liquidation Amount of the Preferred Securities, (B) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (C) shall be protected in acting in accordance with such instructions;

(viii) except as otherwise expressly provided by this Guarantee Agreement, the Guarantee Trustee shall not be under any obligation to

9

take any action that is discretionary under the provisions of this Guarantee Agreement; and

(ix) whenever, in the administration of this Guarantee Agreement, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting to take any action hereunder, the Guarantee Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request from the Guarantee Trustee, shall be promptly delivered by the Guarantor.

(b) No provision of this Guarantee Agreement shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty to act in accordance with such power and authority.

SECTION 3.3 Compensation.

The Guarantor agrees to pay to the Guarantee Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provisions of law in regard to the compensation of a trustee of an express trust) and to reimburse the Guarantee Trustee upon request for all reasonable expenses, disbursements and advances (including the reasonable fees and expenses of its attorneys and agents) incurred or made by the Guarantee Trustee in accordance with any provisions of this Guarantee Agreement.

SECTION 3.4 Indemnity.

The Guarantor agrees to indemnify and hold harmless the Guarantee Trustee and any of its affiliates and any of their officers, directors, shareholders, employees, representatives or agents from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 3.3). penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this Guarantee Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Guarantee Trustee will not claim or exact any lien or charge on any Guarantee Payments as a result of any amount due to it under this Guarantee Agreement. This indemnity shall survive the termination of this Agreement or the resignation or removal of the Guarantee Trustee.

In no event shall the Guarantee Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to,

10

lost profits, even if the Guarantee Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

11

In no event shall the Guarantee Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (declared or undeclared), terrorism, fire, riot, embargo or government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Guarantee Agreement.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.1 (a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.2(c).

(c) If the Guarantee Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Guarantee Trustee shall either eliminate such interest or resign in the manner and with the effect set out in Section 4.2(c).

The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Issuer to pay such amounts to the Holders. The Guarantor shall give prompt written notice to the Guarantee Trustee in the event it makes any direct payment to the Holders hereunder.

13

(b) The Guarantor hereby also agrees to assume any and all Obligations of the Issuer, and, in the event any such Obligation is not so assumed, subject to the terms and conditions hereof, the Guarantor hereby irrevocably and unconditionally guarantees to each Beneficiary the full payment, when and as due, of any and all Obligations to such Beneficiaries. This Guarantee is intended to be for the Beneficiaries who have received notice hereof.

SECTION 5.2 Waiver of Notice and Demand.

The Guarantor hereby waives notice of acceptance of the Guarantee Agreement and of any liability to which it applies or may apply, presentment, demand for payment, any right to require a proceeding first against the Guarantee Trustee, Issuer or any other Person before proceeding against the Guarantor, protest, notice of nonpayment, notice of dishonor, notice of redemption and all other notices and demands.

SECTION 5.3 Obligations Not Affected.

The obligations, covenants, agreements and duties of the Guarantor under this Guarantee Agreement shall in no way be affected or impaired by reason of the happening from time to time of any of the following:

(a) the release or waiver, by operation of law or otherwise, of the performance or observance by the Issuer of any express or implied agreement, covenant, term or condition relating to the Preferred Securities to be performed or observed by the Issuer;

(b) the extension of time for the payment by the Issuer of all or any portion of the Distributions (other than an extension of time for payment of Distributions that results from the extension of any interest payment period on the Notes as provided in the Indenture), Redemption Price, Liquidation Distribution or any other sums payable under the terms of the Preferred Securities or the extension of time for the performance of any other obligation under, arising out of, or in connection with, the Preferred Securities;

(d) the voluntary or involuntary liquidation, dissolution, sale of any collateral, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of debt of, or other similar proceedings affecting, the Issuer or any of the assets of the Issuer;

(e) any invalidity of, or defect or deficiency in, the Preferred Securities;

14

(f) the settlement or compromise of any obligation guaranteed hereby or hereby incurred; or

(g) any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a guarantor, it being the intent of this Section 5.3 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances.

There shall be no obligation of the Holders to give notice to, or obtain the consent of, the Guarantor with respect to the happening of any of the foregoing.

SECTION 5.4 Rights of Holders.

The Guarantor expressly acknowledges that: (a) this Guarantee Agreement will be deposited with the Guarantee Trustee to be held for the benefit of the Holders; (b) the Guarantee Trustee has the right to enforce this Guarantee Agreement on behalf of the Holders; (c) the Holders of a Majority in Liquidation Amount of the Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee in respect of this Guarantee Agreement or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement; and (d) any Holder may institute a legal proceeding directly against the Guarantor to enforce its rights under this Guarantee Agreement, without first instituting a legal proceeding against the Guarantee Trustee, the Issuer or any other Person.

SECTION 5.5 Guarantee of Payment.

This Guarantee Agreement creates a guarantee of payment and not of collection. This Guarantee Agreement will not be discharged except by payment of the Guarantee Payments in full (without duplication of amounts theretofore paid by the Issuer) or upon distribution of Notes to Holders as provided in the Trust Agreement.

SECTION 5.6 Subrogation.

The Guarantor shall be subrogated to all (if any) rights of the Holders against the Issuer in respect of any amounts paid to the Holders by the Guarantor under this Guarantee Agreement and shall have the right to waive payment by the Issuer pursuant to Section 5.1; provided, that, the Guarantor shall not (except to the extent required by mandatory provisions of law) be entitled to enforce or exercise any rights it may acquire by way of subrogation or any indemnity, reimbursement or other agreement, in all cases as a result of payment under this Guarantee Agreement, if, at the time of any such payment, any amounts are due and unpaid under this Guarantee Agreement. If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Holders.

15

SECTION 5.7 Independent Obligations.

The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Issuer with respect to the Preferred Securities and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee Agreement notwithstanding the occurrence of any event referred to in subsections (a) through (g), inclusive, of Section 5.3.

SECTION 5.8 Enforcement.

A Beneficiary may enforce the Obligations of the Guarantor contained in Section 5.1(b) directly against the Guarantor, and the Guarantor waives any right or remedy to require that any action be brought against the Issuer or any other person or entity before proceeding against the Guarantor.

ARTICLE VI

COVENANTS AND SUBORDINATION

SECTION 6.1 Dividends, Distributions and Payments.

So long as any Preferred Securities remain outstanding, if there shall have occurred and be continuing an Event of Default or the Guarantor shall have entered into an Extension Period as provided for in the Indenture and such period, or any extension thereof, shall have commenced and be continuing, then the Guarantor may not (a) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make liquidation payment with respect to, any of the Guarantor's capital stock or (b) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Guarantor that rank pari passu in all respects with or junior in interest to the Preferred Securities (other than (i) repurchases, redemptions or other acquisitions of shares of capital stock of the Guarantor in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Guarantor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the occurrence of such Event of Default or the applicable Extension Period, (ii) as a result of an exchange or conversion of any class or series of the Guarantor's capital stock (or any

capital stock of a subsidiary of the Guarantor) for any class or series of the Guarantor's capital stock or any class of series of the Guarantor's indebtedness for any class or series of the Guarantor's capital stock, (iii) the purchase of fractional interests in shares of the Guarantor's capital stock pursuant to the conversions or exchange provisions of such capital stock or the security being converted or exchanged, (iv) any declaration of a dividend in connection with any rights plan, the issuance of rights, stock or other property under any rights plan or the redemption or repurchase of rights pursuant thereto, or (v) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the

16

same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

SECTION 6.2 Subordination.

The obligations of the Guarantor under this Guarantee Agreement will constitute unsecured obligations of the Guarantor and will rank subordinate and junior in right of payment to all Senior Debt of the Guarantor.

SECTION 6.3 Pari Passu Guarantees.

(a) The obligations of the Guarantor under this Guarantee Agreement shall rank pari passu with the obligations of the Guarantor under any similar guarantee agreements issued by the Guarantor with respect to preferred securities (if any) similar to the Preferred Securities, issued by trusts other than the Issuer established or to be established by the Guarantor (if any), in each case similar to the Issuer, including, without limitation, the Guarantee Agreement, dated January 8, 2004, issued by the Guarantor with respect to the preferred securities issued by Hanmi Capital Trust I.

(b) The right of the Guarantor to participate in any distribution of assets of any of its subsidiaries upon any such subsidiary's liquidation or reorganization or otherwise is subject to the prior claims of creditors of that subsidiary, except to the extent the Guarantor may itself be recognized as a creditor of that subsidiary. Accordingly, the Guarantor's obligations under this Guarantee will be effectively subordinated to all existing and future liabilities of the Guarantor's subsidiaries, and claimants should look only to the assets of the Guarantor for payments thereunder. This Guarantee does not limit the incurrence or issuance of other secured or unsecured debt of the Guarantor, including Senior Debt of the Guarantor, under any indenture or agreement that the Guarantor may enter into in the future or otherwise.

ARTICLE VII

TERMINATION

SECTION 7.1 Termination.

This Guarantee Agreement shall terminate and be of no further force and effect upon (a) full payment of the Redemption Price of all Preferred Securities, (b) the distribution of Notes to the Holders in exchange for all of the Preferred Securities or (c) full payment of the amounts payable in accordance with the Trust Agreement upon liquidation of the Issuer. Notwithstanding the foregoing, this Guarantee Agreement will continue to be effective or will be reinstated, as the case may be, if at any time any Holder must restore payment of any sums paid with respect to Preferred Securities or this Guarantee Agreement. The obligations of the Guarantor under Sections 3.3 and 3.4 shall survive any such termination or the resignation and removal of the Guarantee Trustee.

THE TRUST

SECTION 2.1. Name.

The trust continued hereby shall be known as "Hanmi Capital Trust III," as such name may be modified from time to time by the Administrative Trustees following written notice to the Holders of Trust Securities and the other Trustees, in which name the Trustees may conduct the business of the Trust, make and execute contracts and other instruments on behalf of the Trust and sue and be sued.

SECTION 2.2. Office of the Delaware Trustee; Principal Place of Business.

The address of the Delaware Trustee in the State of Delaware is 1011 Centre Road, Second Floor, Wilmington, Delaware 19805, Attention: Corporate Trust and Agency Services, or

10

such other address in the State of Delaware as the Delaware Trustee may designate by written notice to the Holders, the Depositor, the Property Trustee and the Administrative Trustees. The principal executive office of the Trust is c/o Hanmi Financial Corporation, 3660 Wilshire Blvd., Penthouse A, Los Angeles, CA 90010, Attention: Chief Financial Officer, as such address may be changed from time to time by the Administrative Trustees following written notice to the Holders and the other Trustees.

SECTION 2.3. Initial Contribution of Trust Property; Fees, Costs and Expenses.

The Property Trustee acknowledges receipt from the Depositor in connection with the Original Trust Agreement of the sum of ten dollars (\$10), which constituted the initial Trust Property. The Depositor shall pay all debts and obligations of the Trust (other than with respect to the Trust Securities) and, as borrower under the Indenture, all costs and expenses of the Trust (including, but not limited to, all costs and expenses relating to the organization of the Trust, the fees and expenses of the Trustees and all costs and expenses relating to the operation of the Trust), so that the net amounts received and retained by the Trust after paying such debts, obligations, costs and expenses will be equal to the amounts the Trust would have received had no such debts, obligations, costs and expenses been incurred by or imposed on the Trust. The Depositor shall, upon request of any Trustee, promptly reimburse such Trustee for any such fees, costs and expenses paid by such Trustee. The Depositor shall make no claim upon the Trust Property for the payment of such fees, costs or expenses.

SECTION 2.4. Purposes of Trust.

(a) The exclusive purposes and functions of the Trust are to (i) issue and sell Trust Securities and use the proceeds from such sale to acquire the Notes

and (ii) engage in only those activities necessary or incidental thereto. The Trust intends to maintain its status as a grantor trust for U.S. federal income tax purposes. The Delaware Trustee, the Property Trustee and the Administrative Trustees are trustees of the Trust, and have all the rights, powers and duties to the extent set forth herein. The Trustees hereby acknowledge that they are trustees of the Trust.

(b) So long as this Trust Agreement remains in effect, the Trust (or the Trustees acting on behalf of the Trust) shall not undertake any business, activities or transaction except as expressly provided herein or contemplated hereby. In particular, the Trust (or the Trustees acting on behalf of the Trust) shall not (i) acquire any investments or engage in any activities not authorized by this Trust Agreement, (ii) sell, assign, transfer, exchange, mortgage, pledge, set-off or otherwise dispose of any of the Trust Property or interests therein, including to Holders, except as expressly provided herein, (iii) incur any indebtedness for borrowed money or issue any other debt, (iv) take or consent to any action that would result in the placement of a Lien on any of the Trust Property, (v) take or consent to any action that would reasonably be expected to cause the Trust to become taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes, (vi) take or consent to any action that would cause the Notes to be treated as other than indebtedness of the Depositor for United States federal income tax purposes or (vii) take or consent to any action that would cause the Trust to be deemed to be an "investment company" required to be registered under the Investment Company Act.

11

SECTION 2.5. Authorization to Enter into Certain Transactions.

(a) The Trustees shall conduct the affairs of the Trust in accordance with and subject to the terms of this Trust Agreement. In accordance with the following provisions (i) and (ii), the Trustees shall have the authority to enter into all transactions and agreements determined by the Trustees to be appropriate in exercising the authority, express or implied, otherwise granted to the Trustees, under this Trust Agreement, and to perform all acts in furtherance thereof, including the following:

(i) As among the Trustees, each Administrative Trustee shall severally have the power and authority to act on behalf of the Trust with respect to the following matters:

(A) the issuance and sale of the Trust Securities;

(B) to cause the Trust to enter into, and to execute, deliver and perform on behalf of the Trust, such agreements as may be necessary or desirable in connection with the purposes and function of the Trust, including, without limitation, a common securities subscription agreement and a junior subordinated note subscription agreement, and to cause the Trust to perform the Placement Agreement and the Subscription Agreement;

(C) assisting in the sale of the Preferred Securities in one or more transactions exempt from registration under the Securities Act, and in compliance with applicable state securities or blue sky laws;

(D) assisting in the sending of notices (other than notices of default) and other information regarding the Trust Securities and the Notes to the Holders in accordance with this Trust Agreement;

(E) the appointment of a Paying Agent and Securities Registrar in accordance with this Trust Agreement;

(F) execution of the Trust Securities on behalf of the Trust in accordance with this Trust Agreement;

(G) execution and delivery of closing certificates, if any, pursuant to the Placement Agreement and application for a taxpayer identification number for the Trust;

(H) preparation and filing of all applicable tax returns and tax information reports that are required to be filed on behalf of the Trust;

(I) establishing a record date with respect to all actions to be taken hereunder that require a record date to be established, except as provided in Section 6.10(a);

12

(J) unless otherwise required by the Delaware Statutory Trust Act to execute on behalf of the Trust (either acting alone or

together with the other Administrative Trustees) any documents that such Administrative Trustee has the power to execute pursuant to this Trust Agreement; and

(K) the taking of any action incidental to the foregoing as such Administrative Trustee may from time to time determine is necessary or advisable to give effect to the terms of this Trust Agreement.

(ii) As among the Trustees, the Property Trustee shall have the power, duty and authority to act on behalf of the Trust with respect to the following matters:

(A) the receipt and holding of legal title of the Notes;

(B) the establishment of the Payment Account;

(C) the collection of interest, principal and any other payments made in respect of the Notes and the holding of such amounts in the Payment Account;

(D) the distribution through the Paying Agent of amounts distributable to the Holders in respect of the Trust Securities;

(E) the exercise of all of the rights, powers and privileges of a holder of the Notes in accordance with the terms of this Trust Agreement;

(F) the sending of notices of default and other information regarding the Trust Securities and the Notes to the Holders in accordance with this Trust Agreement;

(G) the distribution of the Trust Property in accordance with the terms of this Trust Agreement;

(H) to the extent provided in this Trust Agreement, the winding up of the affairs of and liquidation of the Trust and the preparation, execution and filing of the certificate of cancellation of the Trust with the Secretary of State of the State of Delaware; and

(I) the taking of any action incidental to the foregoing as the Property Trustee may from time to time determine is necessary or advisable to give effect to the terms of this Trust Agreement and protect and conserve the Trust Property for the benefit of the Holders (without consideration of the effect of any such action on any particular Holder).

(b) In connection with the issue and sale of the Preferred Securities, the Depositor shall have the right and responsibility to assist the Trust with respect to, or effect on behalf of the Trust, the following (and any actions taken by the Depositor in furtherance of the following prior to the date of this Trust Agreement are hereby ratified and confirmed in all respects):

13

(i) the negotiation of the terms of, and the execution and delivery of, the Placement Agreement and the Subscription Agreement providing for the sale of the Preferred Securities in one or more transactions exempt from registration under the Securities Act, and in compliance with applicable state securities or blue sky laws; and

(ii) the taking of any other actions necessary or desirable to carry out any of the foregoing activities.

(c) Notwithstanding anything herein to the contrary, the Administrative Trustees are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that the Trust will not be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes, so that the Notes will be treated as indebtedness of the Depositor for United States federal income tax purposes and so that the Trust will not be deemed to be an "investment company" required to be registered under the Investment Company Act. In this connection, each Administrative Trustee is authorized to take any action, not inconsistent with applicable law, the Certificate of Trust or this Trust Agreement, that such Administrative Trustee determines in his or her discretion to be necessary or desirable for such purposes, as long as such action does not adversely affect in any material respect the interests of the Holders of the Outstanding Preferred Securities. In no event shall the Administrative Trustees be liable to the Trust or the Holders for any failure to comply with this Section 2.5 to the extent that such failure results solely from a change in law or regulation or in the interpretation thereof.

(d) Any action taken by a Trustee in accordance with its powers shall

constitute the act of and serve to bind the Trust. In dealing with any Trustee acting on behalf of the Trust, no Person shall be required to inquire into the authority of such Trustee to bind the Trust. Persons dealing with the Trust are entitled to rely conclusively on the power and authority of any Trustee as set forth in this Trust Agreement.

SECTION 2.6. Assets of Trust.

The assets of the Trust shall consist of the Trust Property.

SECTION 2.7. Title to Trust Property.

(a) Legal title to all Trust Property shall be vested at all times in the Property Trustee and shall be held and administered by the Property Trustee in trust for the benefit of the Trust and the Holders in accordance with this Trust Agreement.

(b) The Holders shall not have any right or title to the Trust Property other than the undivided beneficial interest in the assets of the Trust conferred by their Trust Securities and they shall have no right to call for any partition or division of property, profits or rights of the Trust except as described below. The Trust Securities shall be personal property giving only the rights specifically set forth therein and in this Trust Agreement.

14

ARTICLE III.

PAYMENT ACCOUNT; PAYING AGENTS

SECTION 3.1. Payment Account.

(a) On or prior to the Closing Date, the Property Trustee shall establish the Payment Account. The Property Trustee and the Paying Agent shall have exclusive control and sole right of withdrawal with respect to the Payment Account for the purpose of making deposits in and withdrawals from the Payment Account in accordance with this Trust Agreement. All monies and other property deposited or held from time to time in the Payment Account shall be held by the Property Trustee in the Payment Account for the exclusive benefit of the Holders and for Distribution as herein provided.

(b) The Property Trustee shall deposit in the Payment Account, promptly upon receipt, all payments of principal of or interest on, and any other payments with respect to, the Notes. Amounts held in the Payment Account shall not be invested by the Property Trustee pending distribution thereof.

SECTION 3.2. Appointment of Paying Agents.

The Paying Agent shall initially be the Property Trustee. The Paying Agent shall make Distributions to Holders from the Payment Account and shall report the amounts of such Distributions to the Property Trustee and the Administrative Trustees. Any Paying Agent shall have the revocable power to withdraw funds from the Payment Account solely for the purpose of making the Distributions referred to above. The Administrative Trustees may revoke such power and remove the Paying Agent in their sole discretion. Any Person acting as Paying Agent shall be permitted to resign as Paying Agent upon thirty (30) days' written notice to the Administrative Trustees and the Property Trustee. If the Property Trustee shall no longer be the Paying Agent or a successor Paying Agent shall resign or its authority to act be revoked, the Administrative Trustees shall appoint a successor (which shall be a bank or trust company) to act as Paying Agent. Such successor Paying Agent appointed by the Administrative Trustees shall execute and deliver to the Trustees an instrument in which such successor Paying Agent shall agree with the Trustees that as Paying Agent, such successor Paying Agent will hold all sums, if any, held by it for payment to the Holders in trust for the benefit of the Holders entitled thereto until such sums shall be paid to such Holders. The Paying Agent shall return all unclaimed funds to the Property Trustee and upon removal of a Paying Agent such Paying Agent shall also return all funds in its possession to the Property Trustee. The provisions of Article VIII shall apply to the Property Trustee also in its role as Paying Agent, for so long as the Property Trustee shall act as Paying Agent and, to the extent applicable, to any other Paying Agent appointed hereunder. Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

15

ARTICLE IV.

DISTRIBUTIONS; REDEMPTION

SECTION 4.1. Distributions.

(a) The Trust Securities represent undivided beneficial interests in the

Trust Property, and Distributions (including any Additional Interest Amounts) will be made on the Trust Securities at the rate and on the dates that payments of interest (including any Additional Interest) are made on the Notes. Accordingly:

(i) Distributions on the Trust Securities shall be cumulative, and shall accumulate whether or not there are funds of the Trust available for the payment of Distributions. Distributions shall accumulate from April 28, 2004, and, except as provided in clause (ii) below, shall be payable quarterly in arrears on January 30th, April 30th, July 30th and October 30th of each year, commencing on July 30, 2004. If any date on which a Distribution is otherwise payable on the Trust Securities is not a Business Day, then the payment of such Distribution shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date (each date on which Distributions are payable in accordance with this Section 4.1(a)(i), a "Distribution Date");

(ii) in the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Trust Securities shall be deferred. Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest on the Notes shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates, to Holders of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

16

(iii) Distributions shall accumulate in respect of the Trust Securities at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63% of the Liquidation Amount of the Trust Securities, such rate being the rate of interest payable on the Notes. LIBOR shall be determined by the Calculation Agent in accordance with Schedule A. The amount of Distributions payable for any period less than a full Distribution period shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant Distribution period. The amount of Distributions payable for any period shall include any Additional Interest Amounts in respect of such period; and

(iv) Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

(b) Distributions on the Trust Securities with respect to a Distribution Date shall be payable to the Holders thereof as they appear on the Securities Register for the Trust Securities at the close of business on the relevant record date, which shall be at the close of business on the fifteenth day (whether or not a Business Day) preceding the relevant Distribution Date. Distributions payable on any Trust Securities that are not punctually paid on any Distribution Date as a result of the Depositor having failed to make an interest payment under the Notes will cease to be payable to the Person in whose name such Trust Securities are registered on the relevant record date, and such defaulted Distributions and any Additional Interest Amounts will instead be payable to the Person in whose name such Trust Securities are registered on the special record date, or other specified date for determining Holders entitled to such defaulted Distribution and Additional Interest Amount, established in the same manner, and on the same date, as such is established with respect to the Notes under the Indenture.

SECTION 4.2. Redemption.

(a) On each Note Redemption Date and on the stated maturity (or any date

of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price.

(b) Notice of redemption shall be given by the Property Trustee by first-class mail, postage prepaid, mailed not less than thirty (30) nor more than sixty (60) days prior to the Redemption Date to each Holder of Trust Securities to be redeemed, at such Holder's address appearing in the Securities Register. All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price provided pursuant to the Indenture, as calculated by the Depositor, together with a statement that it is an estimate and that the actual Redemption Price will be calculated by the Calculation Agent on the fifth Business Day prior to the Redemption Date (and if an

17

estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all the Outstanding Trust Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) and Liquidation Amounts of the particular Trust Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Trust Security, or portion thereof, to be redeemed and that Distributions thereon will cease to accumulate on such Trust Security or such portion, as the case may be, on and after said date, except as provided in Section 4.2(d);

(v) the place or places where the Trust Securities are to be surrendered for the payment of the Redemption Price; and

(vi) such other provisions as the Property Trustee deems relevant.

(c) The Trust Securities (or portion thereof) redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after April 30, 2009, in whole or in part, from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption (the "Indenture Redemption Price"); provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price (as set forth in the Indenture).

(d) If the Property Trustee gives a notice of redemption in respect of any Preferred Securities, then by 1:00 P.M., New York City time, on the Redemption Date, the Depositor shall deposit sufficient funds with the Property Trustee to pay the Redemption Price. If such deposit has been made by such time, then by 2:00 P.M., New York City time, on the Redemption Date, the Property Trustee will, with respect to Book-Entry Preferred Securities, irrevocably deposit with the Depository for such Book-Entry Preferred Securities, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give such Depository irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities. With respect to Preferred Securities that are not Book-Entry Preferred Securities, the Property Trustee will irrevocably deposit with the Paying Agent, to the extent available therefor, funds sufficient to pay the applicable Redemption Price and will give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to the Holders of the Preferred Securities upon surrender of their Preferred Securities Certificates. Notwithstanding the foregoing, Distributions payable on or prior to the Redemption Date for any

18

Trust Securities (or portion thereof) called for redemption shall be payable to the Holders of such Trust Securities as they appear on the Securities Register on the relevant record dates for the related Distribution Dates. If notice of redemption shall have been given and funds deposited as required, then upon the

date of such deposit, all rights of Holders holding Trust Securities (or portion thereof) so called for redemption will cease, except the right of such Holders to receive the Redemption Price and any Distribution payable in respect of the Trust Securities on or prior to the Redemption Date, but without interest, and, in the case of a partial redemption, the right of such Holders to receive a new Trust Security or Securities of authorized denominations, in aggregate Liquidation Amount equal to the unredeemed portion of such Trust Security or Securities, and such Securities (or portion thereof) called for redemption will cease to be Outstanding. In the event that any date on which any Redemption Price is payable is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after each such date until the next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date. In the event that payment of the Redemption Price in respect of any Trust Securities (or portion thereof) called for redemption is improperly withheld or refused and not paid either by the Trust or by the Depositor pursuant to the Guarantee Agreement, Distributions on such Trust Securities (or portion thereof) will continue to accumulate, as set forth in Section 4.1, from the Redemption Date originally established by the Trust for such Trust Securities (or portion thereof) to the date such Redemption Price is actually paid, in which case the actual payment date will be the date fixed for redemption for purposes of calculating the Redemption Price.

(e) Subject to Section 4.3(a), if less than all the Outstanding Trust Securities are to be redeemed on a Redemption Date, then the aggregate Liquidation Amount of Trust Securities to be redeemed shall be allocated pro rata to the Common Securities and the Preferred Securities based upon the relative aggregate Liquidation Amounts of the Common Securities and the Preferred Securities. The Preferred Securities to be redeemed shall be redeemed on a pro rata basis based upon their respective Liquidation Amounts not more than sixty (60) days prior to the Redemption Date by the Property Trustee from the Outstanding Preferred Securities not previously called for redemption; provided, however, that with respect to Holders that would be required to hold less than one hundred (100) but more than zero (0) Trust Securities as a result of such redemption, the Trust shall redeem Trust Securities of each such Holder so that after such redemption such Holder shall hold either one hundred (100) Trust Securities or such Holder no longer holds any Trust Securities, and shall use such method (including, without limitation, by lot) as the Trust shall deem fair and appropriate; and provided, further, that so long as the Preferred Securities are Book-Entry Preferred Securities, such selection shall be made in accordance with the Applicable Depositary Procedures for the Preferred Securities by such Depositary. The Property Trustee shall promptly notify the Securities Registrar in writing of the Preferred Securities (or portion thereof) selected for redemption and, in the case of any Preferred Securities selected for partial redemption, the Liquidation Amount thereof to be redeemed. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Preferred Securities shall relate, in the case of any Preferred Securities redeemed or to be redeemed only in part, to the portion of the aggregate Liquidation Amount of Preferred Securities that has been or is to be redeemed.

19

(f) The Trust in issuing the Trust Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Property Trustee shall indicate the "CUSIP" numbers of the Trust Securities in notices of redemption and related materials as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Trust Securities or as contained in any notice of redemption and related materials.

SECTION 4.3. Subordination of Common Securities.

(a) Payment of Distributions (including any Additional Interest Amounts) on, the Redemption Price of and the Liquidation Distribution in respect of, the Trust Securities, as applicable, shall be made, pro rata among the Common Securities and the Preferred Securities based on the Liquidation Amount of the respective Trust Securities; provided, that if on any Distribution Date, Redemption Date or Liquidation Date an Event of Default shall have occurred and be continuing, no payment of any Distribution (including any Additional Interest Amounts) on, Redemption Price of or Liquidation Distribution in respect of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions (including any Additional Interest Amounts) on all Outstanding Preferred Securities for all Distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price the full amount of such Redemption Price on all Outstanding Preferred Securities then called for redemption, or in the case of payment of the Liquidation Distribution the full amount of such Liquidation Distribution on all Outstanding Preferred Securities, shall have been made or provided for, and all funds immediately available to the Property Trustee shall first be applied

to the payment in full in cash of all Distributions (including any Additional Interest Amounts) on, or the Redemption Price of or the Liquidation Distribution in respect of, the Preferred Securities then due and payable.

(b) In the case of the occurrence of any Event of Default, the Holders of the Common Securities shall have no right to act with respect to any such Event of Default under this Trust Agreement until all such Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated. Until all such Events of Default under this Trust Agreement with respect to the Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the Holders of the Preferred Securities and not on behalf of the Holders of the Common Securities, and only the Holders of all the Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

SECTION 4.4. Payment Procedures.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Securities Register. If any Preferred Securities are held by a Depository, such Distributions thereon shall be made to the

20

Depository in immediately available funds. Payments in respect of the Common Securities shall be made in such manner as shall be mutually agreed between the Property Trustee and the Holder of all the Common Securities.

SECTION 4.5. Withholding Tax.

The Trust and the Administrative Trustees shall comply with all withholding and backup withholding tax requirements under United States federal, state and local law. The Administrative Trustees on behalf of the Trust shall request, and the Holders shall provide to the Trust, such forms or certificates as are necessary to establish an exemption from withholding and backup withholding tax with respect to each Holder and any representations and forms as shall reasonably be requested by the Administrative Trustees on behalf of the Trust to assist it in determining the extent of, and in fulfilling, its withholding and backup withholding tax obligations. The Administrative Trustees shall file required forms with applicable jurisdictions and, unless an exemption from withholding and backup withholding tax is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Trust is required to withhold and pay over any amounts to any jurisdiction with respect to Distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution in the amount of the withholding to the Holder. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Administrative Trustees on behalf of the Trust may reduce subsequent Distributions by the amount of such required withholding.

SECTION 4.6. Tax Returns and Other Reports.

(a) The Administrative Trustees shall prepare (or cause to be prepared) at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, at the Depositor's expense, and file, all United States federal, state and local tax and information returns and reports required to be filed by or in respect of the Trust. The Administrative Trustees shall prepare at the principal office of the Trust in the United States, as defined for purposes of Treasury regulations section 301.7701-7, and furnish (or cause to be prepared and furnished), by January 31 in each taxable year of the Trust to each Holder all Internal Revenue Service forms and returns required to be provided by the Trust. The Administrative Trustees shall provide the Depositor and the Property Trustee with a copy of all such returns and reports promptly after such filing or furnishing.

SECTION 4.7. Payment of Taxes, Duties, Etc. of the Trust.

Upon receipt under the Notes of Additional Tax Sums and upon the written direction of the Administrative Trustees, the Property Trustee shall promptly pay, solely out of monies on deposit pursuant to this Trust Agreement, any Additional Taxes imposed on the Trust by the United States or any other taxing authority.

SECTION 4.8. Payments under Indenture or Pursuant to Direct Actions.

Any amount payable hereunder to any Holder of Preferred Securities shall be reduced by the amount of any corresponding payment such Holder (or any Owner

directly received pursuant to Section 5.8 of the Indenture or Section 6.10(b) of this Trust Agreement.

SECTION 4.9. Exchanges.

(a) If at any time the Depositor or any of its Affiliates (in either case, a "Depositor Affiliate") is the Owner or Holder of any Preferred Securities, such Depositor Affiliate shall have the right to deliver to the Property Trustee all or such portion of its Preferred Securities as it elects and receive, in exchange therefor, a Like Amount of Notes. Such election (i) shall be exercisable effective on any Distribution Date by such Depositor Affiliate delivering to the Property Trustee a written notice of such election specifying the Liquidation Amount of Preferred Securities with respect to which such election is being made and the Distribution Date on which such exchange shall occur, which Distribution Date shall be not less than ten (10) Business Days after the date of receipt by the Property Trustee of such election notice and (ii) shall be conditioned upon such Depositor Affiliate having delivered or caused to be delivered to the Property Trustee or its designee the Preferred Securities that are the subject of such election by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur. After the exchange, such Preferred Securities will be canceled and will no longer be deemed to be Outstanding and all rights of the Depositor Affiliate with respect to such Preferred Securities will cease.

(b) In the case of an exchange described in Section 4.9(a), the Property Trustee on behalf of the Trust will, on the date of such exchange, exchange Notes having a principal amount equal to a proportional amount of the aggregate Liquidation Amount of the Outstanding Common Securities, based on the ratio of the aggregate Liquidation Amount of the Preferred Securities exchanged pursuant to Section 4.9(a) divided by the aggregate Liquidation Amount of the Preferred Securities Outstanding immediately prior to such exchange, for such proportional amount of Common Securities held by the Depositor (which contemporaneously shall be canceled and no longer be deemed to be Outstanding); provided, that the Depositor delivers or causes to be delivered to the Property Trustee or its designee the required amount of Common Securities to be exchanged by 10:00 A.M. New York time, on the Distribution Date on which such exchange is to occur.

SECTION 4.10. Calculation Agent.

(a) The Property Trustee shall initially, and for so long as it holds any of the Notes as Property Trustee, be the Calculation Agent for purposes of determining LIBOR for each Distribution Date. The Property Trustee hereby accepts its appointment as Calculation Agent in accordance with the terms of this Trust Agreement. The Calculation Agent may be removed by the Administrative Trustees at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Administrative Trustees, the Administrative Trustees will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in three-month Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Administrative Trustee or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date, but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Distribution Date, and will communicate such rate and amount to the Depositor, Trustee, each Paying Agent and the Depositary. The Calculation Agent will also specify to the Administrative Trustee the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Administrative Trustee before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Distribution Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Trust Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

SECTION 4.11. Certain Accounting Matters.

The sole signatories for such accounts (including the Payment Account) shall be designated by the Property Trustee.

ARTICLE V.

SECURITIES

SECTION 5.1. Initial Ownership.

Upon the creation of the Trust and the contribution by the Depositor referred to in Section 2.3 and until the issuance of the Trust Securities, and at any time during which no Trust Securities are Outstanding, the Depositor shall be the sole beneficial owner of the Trust.

23

SECTION 5.2. Authorized Trust Securities.

The Trust shall be authorized to issue one series of Preferred Securities having an aggregate Liquidation Amount of \$20,000,000 and one series of Common Securities having an aggregate Liquidation Amount of \$619,000.

SECTION 5.3. Issuance of the Common Securities; Subscription and Purchase of Notes.

On the Closing Date, an Administrative Trustee, on behalf of the Trust, shall execute and deliver to the Depositor Common Securities Certificates, registered in the name of the Depositor, evidencing an aggregate of 619 Common Securities having an aggregate Liquidation Amount of \$619,000, against receipt by the Trust of the aggregate purchase price for such Common Securities of \$619,000. Contemporaneously therewith and with the sale by the Trust to the Holders of an aggregate of 20,000 Preferred Securities having an aggregate Liquidation Amount of \$20,000,000, an Administrative Trustee, on behalf of the Trust, shall subscribe for and purchase from the Depositor Notes, to be registered in the name of the Property Trustee on behalf of the Trust and having an aggregate principal amount equal to \$20,619,000, and, in satisfaction of the purchase price for such Notes, the Property Trustee, on behalf of the Trust, shall deliver to the Depositor the sum of \$20,619,000 (being the aggregate amount paid by the Holders for the Preferred Securities and the amount paid by the Depositor for the Common Securities).

SECTION 5.4. The Securities Certificates.

(a) The Preferred Securities Certificates shall be issued in minimum denominations of \$100,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof, and the Common Securities Certificates shall be issued in minimum denominations of \$10,000 Liquidation Amount and integral multiples of \$1,000 in excess thereof. The Securities Certificates shall be executed on behalf of the Trust by manual or facsimile signature of at least one Administrative Trustee. Securities Certificates bearing the signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign such Securities Certificates on behalf of the Trust shall be validly issued and entitled to the benefits of this Trust Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the delivery of such Securities Certificates or did not have such authority at the date of delivery of such Securities Certificates.

(b) On the Closing Date, upon the written order of an authorized officer of the Depositor, the Administrative Trustees shall cause Securities Certificates to be executed on behalf of the Trust and delivered, without further corporate action by the Depositor, in authorized denominations.

(c) The Preferred Securities issued to QIBs shall be, except as provided in Section 5.6, Book-Entry Preferred Securities issued in the form of one or more Global Preferred Securities registered in the name of the Depository, or its nominee and deposited with the Depository or a custodian for the Depository for credit by the Depository to the respective accounts of the Depository Participants thereof (or such other accounts as they may direct). The

Preferred Securities issued to a Person other than a QIB shall be issued in the form of Definitive Preferred Securities Certificate.

(d) A Preferred Security shall not be valid until authenticated by the manual signature of an Authorized Officer of the Property Trustee. Such signature shall be conclusive evidence that the Preferred Security has been authenticated under this Trust Agreement. Upon written order of the Trust signed by one Administrative Trustee, the Property Trustee shall authenticate the Preferred Securities for original issue. The Property Trustee may appoint an authenticating agent that is a U.S. Person acceptable to the Trust to authenticate the Preferred Securities. A Common Security need not be so authenticated and shall be valid upon execution by one or more Administrative Trustees. The form of this certificate of authentication can be found in Section 5.13.

SECTION 5.5. Rights of Holders.

The Trust Securities shall have no preemptive or similar rights and when issued and delivered to Holders against payment of the purchase price therefor will be fully paid and nonassessable by the Trust. Except as provided in Section 5.1(b), the Holders of the Trust Securities, in their capacities as such, shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

SECTION 5.6. Book-Entry Preferred Securities.

(a) A Global Preferred Security may be exchanged, in whole or in part, for Definitive Preferred Securities Certificates registered in the names of the Owners only if such exchange complies with Section 5.7 and (i) the Depositary advises the Administrative Trustees and the Property Trustee in writing that the Depositary is no longer willing or able properly to discharge its responsibilities with respect to the Global Preferred Security, and no qualified successor is appointed by the Administrative Trustees within ninety (90) days of receipt of such notice, (ii) the Depositary ceases to be a clearing agency registered under the Exchange Act and the Administrative Trustees fail to appoint a qualified successor within ninety (90) days of obtaining knowledge of such event, (iii) the Administrative Trustees at their option advise the Property Trustee in writing that the Trust elects to terminate the book-entry system through the Depositary or (iv) a Note Event of Default has occurred and is continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Administrative Trustees shall notify the Depositary and instruct the Depositary to notify all Owners of Book-Entry Preferred Securities, the Delaware Trustee and the Property Trustee of the occurrence of such event and of the availability of the Definitive Preferred Securities Certificates to Owners of the Preferred Securities requesting the same. Upon the issuance of Definitive Preferred Securities Certificates, the Trustees shall recognize the Holders of the Definitive Preferred Securities Certificates as Holders. Notwithstanding the foregoing, if an Owner of a beneficial interest in a Global Preferred Security wishes at any time to transfer an interest in such Global Preferred Security to a Person other than a QIB, such transfer shall be effected, subject to the Applicable Depositary Procedures, in accordance with the provisions of this Section 5.6 and Section 5.7, and the transferee shall receive a Definitive Preferred Securities Certificate in connection with such transfer. A holder of a Definitive Preferred Securities Certificate that is a QIB may, upon

25

request, and in accordance with the provisions of this Section 5.6 and Section 5.7, exchange such Definitive Preferred Securities Certificate for a beneficial interest in a Global Preferred Security.

(b) If any Global Preferred Security is to be exchanged for Definitive Preferred Securities Certificates or canceled in part, or if any Definitive Preferred Securities Certificate is to be exchanged in whole or in part for any Global Preferred Security, then either (i) such Global Preferred Security shall be so surrendered for exchange or cancellation as provided in this Article V or (ii) the aggregate Liquidation Amount represented by such Global Preferred Security shall be reduced, subject to Section 5.4, or increased by an amount equal to the Liquidation Amount represented by that portion of the Global Preferred Security to be so exchanged or canceled, or equal to the Liquidation Amount represented by such Definitive Preferred Securities Certificates to be so exchanged for any Global Preferred Security, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Property Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender to the Administrative Trustees or the Securities Registrar of any Global Preferred Security or Securities by the Depositary, accompanied by registration instructions, the Administrative Trustees, or any one of them, shall execute the Definitive Preferred Securities Certificates in accordance with the instructions

of the Depositary. None of the Securities Registrar or the Trustees shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(c) Every Securities Certificate executed and delivered upon registration or transfer of, or in exchange for or in lieu of, a Global Preferred Security or any portion thereof shall be executed and delivered in the form of, and shall be, a Global Preferred Security, unless such Securities Certificate is registered in the name of a Person other than the Depositary for such Global Preferred Security or a nominee thereof.

(d) The Depositary or its nominee, as registered owner of a Global Preferred Security, shall be the Holder of such Global Preferred Security for all purposes under this Trust Agreement and the Global Preferred Security, and Owners with respect to a Global Preferred Security shall hold such interests pursuant to the Applicable Depositary Procedures. The Securities Registrar and the Trustees shall be entitled to deal with the Depositary for all purposes of this Trust Agreement relating to the Global Preferred Securities (including the payment of the Liquidation Amount of and Distributions on the Book-Entry Preferred Securities represented thereby and the giving of instructions or directions by Owners of Book-Entry Preferred Securities represented thereby and the giving of notices) as the sole Holder of the Book-Entry Preferred Securities represented thereby and shall have no obligations to the Owners thereof. None of the Trustees nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(e) The rights of the Owners of the Book-Entry Preferred Securities shall be exercised only through the Depositary and shall be limited to those established by law, the Applicable Depositary Procedures and agreements between such Owners and the Depositary and/or the Depositary Participants; provided, solely for the purpose of determining whether the Holders of the requisite amount of Preferred Securities have voted on any matter provided for in

26

this Trust Agreement, to the extent that Preferred Securities are represented by a Global Preferred Security, the Trustees may conclusively rely on, and shall be fully protected in relying on, any written instrument (including a proxy) delivered to the Property Trustee by the Depositary setting forth the Owners' votes or assigning the right to vote on any matter to any other Persons either in whole or in part. To the extent that Preferred Securities are represented by a Global Preferred Security, the initial Depositary will make book-entry transfers among the Depositary Participants and receive and transmit payments on the Preferred Securities that are represented by a Global Preferred Security to such Depositary Participants, and none of the Depositor or the Trustees shall have any responsibility or obligation with respect thereto.

(f) To the extent that a notice or other communication to the Holders is required under this Trust Agreement, for so long as Preferred Securities are represented by a Global Preferred Security, the Trustees shall give all such notices and communications to the Depositary, and shall have no obligations to the Owners.

SECTION 5.7. Registration of Transfer and Exchange of Preferred Securities Certificates.

(a) The Property Trustee shall keep or cause to be kept, at the Corporate Trust Office, a register or registers (the "Securities Register") in which the registrar and transfer agent with respect to the Trust Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Preferred Securities Certificates and Common Securities Certificates and registration of transfers and exchanges of Preferred Securities Certificates as herein provided. The Person acting as the Property Trustee shall at all times also be the Securities Registrar. The provisions of Article VIII shall apply to the Property Trustee in its role as Securities Registrar.

(b) Upon surrender for registration of transfer of any Preferred Securities Certificate at the office or agency maintained pursuant to Section 5.7(f), the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Preferred Securities Certificates in authorized denominations of a like aggregate Liquidation Amount as may be required by this Trust Agreement dated the date of execution by such Administrative Trustee or Trustees. At the option of a Holder, Preferred Securities Certificates may be exchanged for other Preferred Securities Certificates in authorized denominations and of a like aggregate Liquidation Amount upon surrender of the Preferred Securities Certificate to be exchanged at the office or agency maintained pursuant to Section 5.7(f). Whenever any Preferred Securities Certificates are so surrendered for exchange, the Administrative Trustees or any one of them shall execute by manual or facsimile signature and deliver to the Property Trustee, and the Property Trustee shall authenticate and deliver, the Preferred Securities Certificates that the Holder making the exchange is

entitled to receive.

(c) The Securities Registrar shall not be required, (i) to issue, register the transfer of or exchange any Preferred Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of such Preferred Securities pursuant to Article IV and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Preferred Security so selected for redemption in

27

whole or in part, except, in the case of any such Preferred Security to be redeemed in part, any portion thereof not to be redeemed.

(d) Every Preferred Securities Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Securities Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing and (i) if such Preferred Securities Certificate is being transferred otherwise than to a QIB, accompanied by a certificate of the transferee substantially in the form set forth as Exhibit E hereto or (ii) if such Preferred Securities Certificate is being transferred to a QIB, accompanied by a certificate of the transferor substantially in the form set forth as Exhibit F hereto.

(e) No service charge shall be made for any registration of transfer or exchange of Preferred Securities Certificates, but the Property Trustee on behalf of the Trust may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Preferred Securities Certificates.

(f) The Administrative Trustees shall designate an office or offices or agency or agencies where Preferred Securities Certificates may be surrendered for registration of transfer or exchange and initially designate the Corporate Trust Office as its office and agency for such purposes. The Administrative Trustees shall give prompt written notice to the Depositor, the Property Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 5.8. Mutilated, Destroyed, Lost or Stolen Securities Certificates.

(a) If any mutilated Securities Certificate shall be surrendered to the Securities Registrar together with such security or indemnity as may be required by the Securities Registrar and the Administrative Trustees to save each of them harmless, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery in exchange therefor a new Securities Certificate of like class, tenor and denomination.

(b) If the Securities Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Securities Certificate and there shall be delivered to the Securities Registrar and the Administrative Trustees such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Securities Certificate shall have been acquired by a protected purchaser, the Administrative Trustees, or any one of them, on behalf of the Trust, shall execute and make available for delivery, and, with respect to Preferred Securities, the Property Trustee shall authenticate, in exchange for or in lieu of any such destroyed, lost or stolen Securities Certificate, a new Securities Certificate of like class, tenor and denomination.

(c) In connection with the issuance of any new Securities Certificate under this Section 5.8, the Administrative Trustees or the Securities Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

(d) Any duplicate Securities Certificate issued pursuant to this Section 5.8 shall constitute conclusive evidence of an undivided beneficial interest in the assets of the Trust

28

corresponding to that evidenced by the mutilated, lost, stolen or destroyed Securities Certificate, as if originally issued, whether or not the lost, stolen or destroyed Securities Certificate shall be found at any time.

(e) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Depositor in its discretion may, instead of issuing a new Security, pay such Security.

(f) The provisions of this Section 5.8 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of mutilated, destroyed, lost or stolen Securities Certificates.

SECTION 5.9. Persons Deemed Holders.

The Trustees and the Securities Registrar shall each treat the Person in whose name any Securities Certificate shall be registered in the Securities Register as the owner of such Securities Certificate for the purpose of receiving Distributions and for all other purposes whatsoever, and none of the Trustees and the Securities Registrar shall be bound by any notice to the contrary.

SECTION 5.10. Cancellation.

All Preferred Securities Certificates surrendered for registration of transfer or exchange or for payment shall, if surrendered to any Person other than the Property Trustee, be delivered to the Property Trustee, and any such Preferred Securities Certificates and Preferred Securities Certificates surrendered directly to the Property Trustee for any such purpose shall be promptly canceled by it. The Administrative Trustees may at any time deliver to the Property Trustee for cancellation any Preferred Securities Certificates previously delivered hereunder that the Administrative Trustees may have acquired in any manner whatsoever, and all Preferred Securities Certificates so delivered shall be promptly canceled by the Property Trustee. No Preferred Securities Certificates shall be executed and delivered in lieu of or in exchange for any Preferred Securities Certificates canceled as provided in this Section 5.10. except as expressly permitted by this Trust Agreement. All canceled Preferred Securities Certificates shall be disposed of by the Property Trustee in accordance with its customary practices and the Property Trustee shall deliver to the Administrative Trustees a certificate of such disposition.

SECTION 5.11. Ownership of Common Securities by Depositor.

(a) On the Closing Date, the Depositor shall acquire, and thereafter shall retain, beneficial and record ownership of the Common Securities. Neither the Depositor nor any successor Holder of the Common Securities may transfer less than all the Common Securities, and the Depositor or any such successor Holder may transfer the Common Securities only (i) in connection with a consolidation or merger of the Depositor into another Person, or any conveyance, transfer or lease by the Depositor of its properties and assets substantially as an entirety to any Person (in which event such Common Securities will be transferred to such surviving entity, transferee or lessee, as the case may be), pursuant to Section 8.1 of the Indenture or (ii) to the Depositor or an Affiliate of the Depositor, in each such case in compliance with applicable law (including the Securities Act, and applicable state securities and blue sky laws). To the fullest extent permitted by law, any attempted transfer of the Common

29

Securities other than as set forth in the immediately preceding sentence shall be void. The Administrative Trustees shall cause each Common Securities Certificate issued to the Depositor to contain a legend stating substantially "THIS CERTIFICATE IS NOT TRANSFERABLE EXCEPT IN COMPLIANCE WITH APPLICABLE LAW AND SECTION 5.11 OF THE TRUST AGREEMENT."

(b) Any Holder of the Common Securities shall be liable for the debts and obligations of the Trust in the manner and to the extent set forth with respect to the Depositor and agrees that it shall be subject to all liabilities to which the Depositor may be subject and, prior to becoming such a Holder, shall deliver to the Administrative Trustees an instrument of assumption satisfactory to such Trustees.

ARTICLE VI.

MEETINGS; VOTING; ACTS OF HOLDERS

SECTION 6.1. Notice of Meetings.

Notice of all meetings of the Holders of the Preferred Securities, stating the time, place and purpose of the meeting, shall be given by the Property Trustee pursuant to Section 10.8 to each Holder of Preferred Securities, at such Holder's registered address, at least fifteen (15) days and not more than ninety (90) days before the meeting. At any such meeting, any business properly before the meeting may be so considered whether or not stated in the notice of the meeting. Any adjourned meeting may be held as adjourned without further notice.

SECTION 6.2. Meetings of Holders of the Preferred Securities.

(a) No annual meeting of Holders is required to be held. The Property Trustee, however, shall call a meeting of the Holders of the Preferred Securities to vote on any matter upon the written request of the Holders of at least twenty five percent (25%) in aggregate Liquidation Amount of the Outstanding Preferred Securities and the Administrative Trustees or the Property Trustee may, at any time in their discretion, call a meeting of the Holders of the Preferred Securities to vote on any matters as to which such Holders are entitled to vote.

(b) The Holders of at least a Majority in Liquidation Amount of the Preferred Securities, present in person or by proxy, shall constitute a quorum at any meeting of the Holders of the Preferred Securities.

(c) If a quorum is present at a meeting, an affirmative vote by the Holders present, in person or by proxy, holding Preferred Securities representing at least a Majority in Liquidation Amount of the Preferred Securities held by the Holders present, either in person or by proxy, at such meeting shall constitute the action of the Holders of the Preferred Securities, unless this Trust Agreement requires a lesser or greater number of affirmative votes.

33

SECTION 6.3. Voting Rights.

Holders shall be entitled to one vote for each \$10,000 of Liquidation Amount represented by their Outstanding Trust Securities in respect of any matter as to which such Holders are entitled to vote.

SECTION 6.4. Proxies, Etc.

At any meeting of Holders, any Holder entitled to vote thereat may vote by proxy, provided, that no proxy shall be voted at any meeting unless it shall have been placed on file with the Administrative Trustees, or with such other officer or agent of the Trust as the Administrative Trustees may direct, for verification prior to the time at which such vote shall be taken. Pursuant to a resolution of the Property Trustee, proxies may be solicited in the name of the Property Trustee or one or more officers of the Property Trustee. Only Holders of record shall be entitled to vote. When Trust Securities are held jointly by several Persons, any one of them may vote at any meeting in person or by proxy

in respect of such Trust Securities, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote shall not be received in respect of such Trust Securities. A proxy purporting to be executed by or on behalf of a Holder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger. No proxy shall be valid more than three years after its date of execution.

SECTION 6.5. Holder Action by Written Consent.

Any action that may be taken by Holders at a meeting may be taken without a meeting and without prior notice if Holders holding at least a Majority in Liquidation Amount of all Preferred Securities entitled to vote in respect of such action (or such lesser or greater proportion thereof as shall be required by any other provision of this Trust Agreement) shall consent to the action in writing; provided, that notice of such action is promptly provided to the Holders of Preferred Securities that did not consent to such action. Any action that may be taken by the Holders of all the Common Securities may be taken without a meeting and without prior notice if such Holders shall consent to the action in writing.

SECTION 6.6. Record Date for Voting and Other Purposes.

Except as provided in Section 6.10(a), for the purposes of determining the Holders who are entitled to notice of and to vote at any meeting or to act by written consent, or to participate in any distribution on the Trust Securities in respect of which a record date is not otherwise provided for in this Trust Agreement, or for the purpose of any other action, the Administrative Trustees may from time to time fix a date, not more than ninety (90) days prior to the date of any meeting of Holders or the payment of a Distribution or other action, as the case may be, as a record date for the determination of the identity of the Holders of record for such purposes.

SECTION 6.7. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Trust Agreement to be given, made or taken by Holders may

34

be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent thereof duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such instrument or instruments are delivered to an Administrative Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and conclusive in favor of the Trustees, if made in the manner provided in this Section 6.7.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that any Trustee receiving the same deems sufficient.

(c) The ownership of Trust Securities shall be proved by the Securities Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Trust Security shall bind every future Holder of the same Trust Security and the Holder of every Trust Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustees, the Administrative Trustees or the Trust in reliance thereon, whether or not notation of such action is made upon such Trust Security.

(e) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Trust Security may do so with regard to all or any part of the Liquidation Amount of such Trust Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such Liquidation Amount.

(f) If any dispute shall arise among the Holders or the Trustees with respect to the authenticity, validity or binding nature of any request, demand,

authorization, direction, notice, consent, waiver or other Act of such Holder or Trustee under this Article VI, then the determination of such matter by the Property Trustee shall be conclusive with respect to such matter.

SECTION 6.8. Inspection of Records.

Upon reasonable written notice to the Administrative Trustees and the Property Trustee, the records of the Trust shall be open to inspection by any Holder during normal business hours for any purpose reasonably related to such Holder's interest as a Holder.

35

SECTION 6.9. Limitations on Voting Rights.

(a) Except as expressly provided in this Trust Agreement and in the Indenture and as otherwise required by law, no Holder of Preferred Securities shall have any right to vote or in any manner otherwise control the administration, operation and management of the Trust or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Securities Certificates, be construed so as to constitute the Holders from time to time as partners or members of an association.

(b) So long as any Notes are held by the Property Trustee on behalf of the Trust, the Property Trustee shall not (i) direct the time, method and place of conducting any proceeding for any remedy available to the Note Trustee, or exercise any trust or power conferred on the Property Trustee with respect to the Notes, (ii) waive any past default that may be waived under Section 5.13 of the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Notes shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Notes, where such consent shall be required, without, in each case, obtaining the prior approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities; provided, that where a consent under the Indenture would require the consent of each holder of Notes (or each Holder of Preferred Securities) affected thereby, no such consent shall be given by the Property Trustee without the prior written consent of each Holder of Preferred Securities. The Property Trustee shall not revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. In addition to obtaining the foregoing approvals of the Holders of the Preferred Securities, prior to taking any of the foregoing actions, the Property Trustee shall, at the expense of the Depositor, obtain an Opinion of Counsel experienced in such matters to the effect that such action shall not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

(c) If any proposed amendment to the Trust Agreement provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect in any material respect the powers, preferences or special rights of the Preferred Securities, whether by way of amendment to the Trust Agreement or otherwise or (ii) the dissolution, winding-up or termination of the Trust, other than pursuant to the terms of this Trust Agreement, then the Holders of Outstanding Preferred Securities as a class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities. Notwithstanding any other provision of this Trust Agreement, no amendment to this Trust Agreement may be made if, as a result of such amendment, it would cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes.

SECTION 6.10. Acceleration of Maturity; Rescission of Annulment; Waivers of Past Defaults.

(a) For so long as any Preferred Securities remain Outstanding, if, upon a Note Event of Default, the Note Trustee fails or the holders of not less than twenty five percent (25%) in principal amount of the outstanding Notes fail to declare the principal of all of the Notes to be

36

immediately due and payable, the Holders of at least twenty-five percent (25%) in Liquidation Amount of the Preferred Securities then Outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Depositor and the Note Trustee. At any time after a declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Note Trustee as provided in the Indenture, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, by written notice to the Property Trustee, the Depositor and the Note Trustee, may rescind and annul such declaration and its consequences if:

(i) the Depositor has paid or deposited with the Note Trustee a sum

sufficient to pay:

(A) all overdue installments of interest on all of the Notes;

(B) any accrued Additional Interest on all of the Notes;

(C) the principal of and any premium on any Notes that have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate borne by the Notes; and

(D) all sums paid or advanced by the Note Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Note Trustee, the Property Trustee and their agents and counsel; and

(ii) all Note Events of Default, other than the non-payment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13 of the Indenture.

Upon receipt by the Property Trustee of written notice requesting such an acceleration, or rescission and annulment thereof, by Holders of any part of the Preferred Securities, a record date shall be established for determining Holders of Outstanding Preferred Securities entitled to join in such notice, which record date shall be at the close of business on the day the Property Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is ninety (90) days after such record date, such notice of declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90)-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.10 (a).

(b) For so long as any Preferred Securities remain Outstanding, to the fullest extent permitted by law and subject to the terms of this Trust Agreement and the Indenture, upon a Note Event of Default specified in paragraph (a) or (b) of Section 5.1 of the Indenture, any Holder of

37

Preferred Securities shall have the right to institute a proceeding directly against the Depositor, pursuant to Section 5.8 of the Indenture, for enforcement of payment to such Holder of any amounts payable in respect of Notes having an aggregate principal amount equal to the aggregate Liquidation Amount of the Preferred Securities of such Holder. Except as set forth in Section 6.10(a) and this Section 6.10(b), the Holders of Preferred Securities shall have no right to exercise directly any right or remedy available to the holders of, or in respect of, the Notes.

(c) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any Note Event of Default, except any Note Event of Default arising from the failure to pay any principal of or any premium or interest on (including any Additional Interest) the Notes (unless such Note Event of Default has been cured and a sum sufficient to pay all matured installments of interest and all principal and premium on all Notes due otherwise than by acceleration has been deposited with the Note Trustee) or a Note Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Note. Upon any such waiver, such Note Event of Default shall cease to exist and any Note Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall affect any subsequent Note Event of Default or impair any right consequent thereon.

(d) Notwithstanding paragraphs (a) and (b) of this Section 6.10, the Holders of at least a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders of all the Preferred Securities, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Trust Agreement, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

(e) The Holders of a Majority in Liquidation Amount of the Preferred Securities shall have the right to direct the time, method and place of

conducting any proceeding for any remedy available to the Property Trustee in respect of this Trust Agreement or the Notes or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement; provided, that, subject to Sections 8.5 and 8.7, the Property Trustee shall have the right to decline to follow any such direction if the Property Trustee being advised by counsel determines that the action so directed may not lawfully be taken, or if the Property Trustee in good faith shall, by an officer or officers of the Property Trustee, determine that the proceedings so directed would be illegal or involve it in personal liability or be unduly prejudicial to the rights of Holders not party to such direction, and provided, further, that nothing in this Trust Agreement shall impair the right of the Property Trustee to take any action deemed proper by the Property Trustee and which is not inconsistent with such direction.

40

power and authority of the Depositor, as the case may be, to enter into or perform its obligations under this Trust Agreement.

ARTICLE VIII.

THE TRUSTEES

SECTION 8.1. Number of Trustees.

The number of Trustees shall be five (5), provided, that the Property Trustee and the Delaware Trustee may be the same Person, in which case the number of Trustees shall be four (4). The number of Trustees may be increased or decreased by Act of the Holder of the Common Securities subject to Sections 8.2, 8.3, and 8.4. The death, resignation, retirement, removal, bankruptcy, incompetence or incapacity to perform the duties of an Trustee shall not operate to annul, dissolve or terminate the Trust.

SECTION 8.2. Property Trustee Required.

There shall at all times be a Property Trustee hereunder with respect to the Trust Securities. The Property Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by federal or state authority and having an office within the United States. If any such Person publishes reports of condition at least annually pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section 8.2, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Property Trustee shall cease to be eligible in accordance with the provisions of this Section 8.2, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

SECTION 8.3. Delaware Trustee Required.

(a) If required by the Delaware Statutory Trust Act, there shall at all times be a Delaware Trustee with respect to the Trust Securities. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible in accordance with the provisions of this Section 8.3, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities, of the Property Trustee or the Administrative Trustees set forth herein. The Delaware Trustee shall be one of the trustees of the Trust for the sole and limited purpose of fulfilling the requirements of Section 3807 of the Delaware Statutory Trust Act and for taking such actions as are required to be taken by a Delaware trustee under the Delaware Statutory Trust Act. The duties (including fiduciary

41

duties), liabilities and obligations of the Delaware Trustee shall be limited to (a) accepting legal process served on the Trust in the State of Delaware and (b) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Delaware Statutory Trust Act and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee.

SECTION 8.4. Appointment of Administrative Trustees.

(a) There shall at all times be one or more Administrative Trustees hereunder with respect to the Trust Securities. Each Administrative Trustee shall be either a natural person who is at least 21 years of age or a legal entity that shall act through one or more persons authorized to bind that entity. Each of the individuals identified as an "Administrative Trustee" in the preamble of this Trust Agreement hereby accepts his or her appointment as such.

(b) Except where a requirement for action by a specific number of Administrative Trustees is expressly set forth in this Trust Agreement, any act required or permitted to be taken by, and any power of the Administrative Trustees may be exercised by, or with the consent of, any one such Administrative Trustee. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 8.11, the Administrative Trustees in office, regardless of their number (and notwithstanding any other provision of this Trust Agreement), shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement. The Administrative Trustees shall not be liable for any default or misconduct of the Property Trustee or the Delaware Trustee.

SECTION 8.5. Duties and Responsibilities of the Trustees.

(a) The rights, immunities, duties and responsibilities of the Trustees shall be as provided by this Trust Agreement and there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Trustees; provided, however, that if an Event of Default known to the Property Trustee has occurred and is continuing, the Property Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Notwithstanding the foregoing, no provision of this Trust Agreement shall require any of the Trustees to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its or their rights or powers, if it or they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustees shall be subject to the provisions of this Section 8.5. To the extent that, at law or in equity, a Trustee has duties and liabilities relating to the Trust or to the Holders, such Trustee shall not be liable to the Trust or to any Holder for such Trustee's good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict the duties and liabilities of the

42

Trustees otherwise existing at law or in equity, are agreed by the Depositor and the Holders to replace such other duties and liabilities of the Trustees.

(b) All payments made by the Property Trustee or a Paying Agent in respect of the Trust Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Property Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Trust Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees are not personally liable to it for any amount distributable in respect of any Trust Security or for any other liability in respect of any Trust Security. This Section 8.5(b) does not limit the liability of the Trustees expressly set forth elsewhere in this Trust Agreement.

(c) No provisions of this Trust Agreement shall be construed to relieve the Property Trustee from liability with respect to matters that are within the authority of the Property Trustee under this Trust Agreement for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Property Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(ii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee hereunder or under the Indenture, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iii) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Notes and the Payment Account shall be to deal with such Property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement;

(iv) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Depositor; and money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Payment Account maintained by the Property Trustee pursuant to Section 3.1 and except to the extent otherwise required by law; and

(v) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Depositor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for the default or misconduct of any other Trustee or the Depositor.

43

SECTION 8.6. Notices of Defaults and Extensions.

(a) Within ninety (90) days after the occurrence of a default actually known to the Property Trustee, the Property Trustee shall transmit notice of such default to the Holders, the Administrative Trustees and the Depositor, unless such default shall have been cured or waived; provided, that, except in the case of a default in the payment of the principal of or any premium or interest (including any Additional Interest) on any Trust Security, the Property Trustee shall be fully protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Property Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Trust Securities. For the purpose of this Section 8.6, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

(b) Within five (5) Business Days after the receipt of notice of the Depositor's exercise of its right to defer the payment of interest on the Notes pursuant to the Indenture, the Property Trustee shall transmit, in the manner and to the extent provided in Section 10.8, notice of such exercise to the Holders and the Administrative Trustees, unless such exercise shall have been revoked.

(c) The Property Trustee shall not be deemed to have knowledge of any Event of Default unless the Property Trustee shall have received written notice thereof from the Depositor, any Administrative Trustee or any Holder or unless an officer of the Property Trustee charged with the administration of this Trust

Agreement shall have obtained actual knowledge of such Event of Default.

(d) The Property Trustee shall notify all Holders of the Preferred Securities of any notice of default received with respect to the Notes.

SECTION 8.7. Certain Rights of Property Trustee.

Subject to the provisions of Section 8.5:

(a) the Property Trustee may conclusively rely and shall be protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, Opinion of Counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if (i) in performing its duties under this Trust Agreement the Property Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Trust Agreement the Property Trustee finds a provision ambiguous or inconsistent with any other provisions contained herein or (iii) the Property Trustee is unsure of the application of any provision of this Trust Agreement, then, except as to any matter as to which the Holders of the Preferred Securities are entitled to vote under the terms of this Trust Agreement, the Property Trustee shall deliver a notice to the Depositor requesting the Depositor's written instruction as to the course of action to be taken and the Property Trustee shall take such action, or refrain from

44

taking such action, as the Property Trustee shall be instructed in writing to take, or to refrain from taking, by the Depositor; provided, that if the Property Trustee does not receive such instructions of the Depositor within ten (10) Business Days after it has delivered such notice or such reasonably shorter period of time set forth in such notice, the Property Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Property Trustee shall deem advisable and in the best interests of the Holders, in which event the Property Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any direction or act of the Depositor contemplated by this Trust Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise expressly provided herein;

(d) any direction or act of an Administrative Trustee contemplated by this Trust Agreement shall be sufficiently evidenced by a certificate executed by such Administrative Trustee and setting forth such direction or act;

(e) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any re-recording, re-filing or re-registration thereof;

(f) the Property Trustee may consult with counsel (which counsel may be counsel to the Property Trustee, the Depositor or any of its Affiliates, and may include any of its employees) and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice; the Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(g) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Holders pursuant to this Trust Agreement, unless such Holders shall have offered to the Property Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Property Trustee;

(h) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Holders, but the Property Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Property Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Depositor, personally or by agent or attorney;

(i) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Property Trustee shall not be responsible for any negligence or misconduct on

45

the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(j) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Property Trustee (i) may request instructions from the Holders (which instructions may only be given by the Holders of the same proportion in Liquidation Amount of the Trust Securities as would be entitled to direct the Property Trustee under this Trust Agreement in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement;

(l) without prejudice to any other rights available to the Property Trustee under applicable law, when the Property Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally; and

(m) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence be herein specifically prescribed) may, in the absence or bad faith on its part, request and rely on an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Depositor.

No provision of this Trust Agreement shall be deemed to impose any duty or obligation on any Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which such Person shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation.

SECTION 8.8. Delegation of Power.

Any Trustee may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 its, his or her power for the purpose of executing any documents contemplated in Section 2.5. The Trustees shall have power to delegate from time to time to such of their number or to the Depositor the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Trustees or otherwise as the Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of this Trust Agreement.

SECTION 8.9. May Hold Securities.

Any Trustee or any other agent of any Trustee or the Trust, in its individual or any other capacity, may become the owner or pledgee of Trust Securities and except as provided in the

46

definition of the term "Outstanding" in Article I, may otherwise deal with the Trust with the same rights it would have if it were not an Trustee or such other agent.

SECTION 8.10. Compensation; Reimbursement; Indemnity.

The Depositor agrees:

(a) to pay to the Trustees from time to time such reasonable compensation for all services rendered by them hereunder as may be agreed by the Depositor and the Trustees from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse the Trustees upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of their agents and counsel), except any such

expense, disbursement or advance as may be attributable to their gross negligence, bad faith or willful misconduct; and

(c) to the fullest extent permitted by applicable law, to indemnify and hold harmless (i) each Trustee, (ii) any Affiliate of any Trustee, (iii) any officer, director, shareholder, employee, representative or agent of any Trustee or any Affiliate of any Trustee and (iv) any employee or agent of the Trust (referred to herein as an "Indemnified Person") from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 8.10(a) or (b) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the Trust hereunder, including the advancement of funds to cover the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Trust shall have no payment, reimbursement or indemnity obligations to the Trustees under this Section 8.10. The provisions of this Section 8.10 shall survive the termination of this Trust Agreement and the earlier removal or resignation of any Trustee.

No Trustee may claim any Lien on any Trust Property whether before or after termination of the Trust as a result of any amount due pursuant to this Section 8.10.

To the fullest extent permitted by law, in no event shall the Property Trustee and the Delaware Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Property Trustee and the Delaware Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Trust Agreement.

SECTION 8.11. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of any Trustee and no appointment of a successor Trustee pursuant to this Article VIII shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.12.

(b) A Trustee may resign at any time by giving written notice thereof to the Depositor and, in the case of the Property Trustee and the Delaware Trustee, to the Holders.

(c) Unless an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at any time by Act of the Holder of Common Securities. If an Event of Default shall have occurred and be continuing, the Property Trustee or the Delaware Trustee, or both of them, may be removed (with or without cause) at such time by Act of the Holders of at least a Majority in Liquidation Amount of the Preferred Securities, delivered to the removed Trustee (in its individual capacity and on behalf of the Trust). An Administrative Trustee may be removed (with or without cause) only by Act of the Holder of the Common Securities at any time.

(d) If any Trustee shall resign, be removed or become incapable of acting as Trustee, or if a vacancy shall occur in the office of any Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Holder of the Common Securities, by Act of the Holder of the Common Securities, shall promptly appoint a successor Trustee or Trustees, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 8.12. If the Property Trustee or the Delaware Trustee shall resign, be removed or become incapable of continuing to act as the Property Trustee or the Delaware Trustee, as the case may be, at a time when an Event of Default shall have occurred and be continuing, the Holders of the Preferred Securities, by Act of the Holders of a Majority in Liquidation Amount of the Preferred Securities, shall promptly appoint a successor Property Trustee or Delaware Trustee, and such successor Property Trustee or Delaware Trustee and the retiring Property Trustee or Delaware Trustee shall comply with the applicable requirements of Section 8.12. If an Administrative Trustee shall resign, be removed or become incapable of acting as Administrative Trustee, at a time when an Event of Default shall have occurred and be continuing, the Holder of the Common Securities by Act of the Holder of Common Securities shall promptly appoint a successor Administrative Trustee and such successor Administrative Trustee and the retiring Administrative Trustee shall comply with

the applicable requirements of Section 8.12. If no successor Trustee shall have been so appointed by the Holder of the Common Securities or Holders of the Preferred Securities, as the case may be, and accepted appointment in the manner required by Section 8.12 within thirty (30) days after the giving of a notice of resignation by a Trustee, the removal of a Trustee, or a Trustee becoming incapable of acting as such Trustee, any Holder who has been a Holder of Preferred Securities for at least six (6) months may, on behalf of himself and all others similarly situated, and any resigning Trustee may, in each case, at the expense of the Depositor, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Depositor shall give notice of each resignation and each removal of the Property Trustee or the Delaware Trustee and each appointment of a successor Property Trustee or Delaware Trustee to all Holders in the manner provided in Section 10.8. Each notice shall

48

include the name of the successor Property Trustee or Delaware Trustee and the address of its Corporate Trust Office if it is the Property Trustee.

(f) Notwithstanding the foregoing or any other provision of this Trust Agreement, in the event any Administrative Trustee or a Delaware Trustee who is a natural person dies or becomes, in the opinion of the Holder of Common Securities, incompetent or incapacitated, the vacancy created by such death, incompetence or incapacity may be filled by (i) the unanimous act of the remaining Administrative Trustees if there are at least two of them or (ii) otherwise by the Holder of the Common Securities (with the successor in each case being a Person who satisfies the eligibility requirement for Administrative Trustees or Delaware Trustee, as the case may be, set forth in Sections 8.3 and 8.4).

(g) Upon the appointment of a successor Delaware Trustee, such successor Delaware Trustee shall file a Certificate of Amendment to the Certificate of Trust in accordance with Section 3810 of the Delaware Statutory Trust Act.

SECTION 8.12. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee shall execute and deliver to the Depositor and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Trust or any successor Trustee such retiring Trustee shall, upon payment of its charges, duly assign, transfer and deliver to such successor Trustee all Trust Property, all proceeds thereof and money held by such retiring Trustee hereunder with respect to the Trust Securities and the Trust.

(b) Upon request of any such successor Trustee, the Trust (or the retiring Trustee if requested by the Depositor) shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the preceding paragraph.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VIII.

SECTION 8.13. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Property Trustee or the Delaware Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of such Trustee, shall be the successor of such Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VIII.

49

SECTION 8.14. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities Certificates shall be taken as the statements of the Trust and the Depositor, and the Trustees do not assume any responsibility for their correctness. The Trustees make no representations as to the title to, or value or condition of, the property of the Trust or any part thereof, nor as to the validity or sufficiency of this Trust Agreement, the Notes or the Trust Securities. The Trustees shall not be accountable for the use or application by the Depositor of the proceeds of the Notes.

SECTION 8.15. Property Trustee May File Proofs of Claim.

(a) In case of any Bankruptcy Event (or event that with the passage of time would become a Bankruptcy Event) relative to the Trust or any other obligor upon the Trust Securities or the property of the Trust or of such other obligor or their creditors, the Property Trustee (irrespective of whether any Distributions on the Trust Securities shall then be due and payable and irrespective of whether the Property Trustee shall have made any demand on the Trust for the payment of any past due Distributions) shall be entitled and empowered, to the fullest extent permitted by law, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of any Distributions owing and unpaid in respect of the Trust Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Property Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Holder to make such payments to the Property Trustee and, in the event the Property Trustee shall consent to the making of such payments directly to the Holders, to pay to the Property Trustee first any amount due it for the reasonable compensation, expenses, disbursements and advances of the Property Trustee, its agents and counsel, and any other amounts due the Property Trustee.

(b) Nothing herein contained shall be deemed to authorize the Property Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or compensation affecting the Trust Securities or the rights of any Holder thereof or to authorize the Property Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 8.16. Reports to and from the Property Trustee.

(a) The Depositor and the Administrative Trustees shall deliver to the Property Trustee, not later than forty five (45) days after the end of each of the first three fiscal quarters of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor ending after the date of this Trust Agreement, an Officers' Certificate covering the preceding

50

fiscal period, stating whether or not to the knowledge of the signers thereof the Depositor and the Trust are in default in the performance or observance of any of the terms, provisions and conditions of this Trust Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Depositor or the Trust shall be in default, specifying all such defaults and the nature and status thereof of which they have knowledge.

(b) The Depositor shall furnish to (i) the Property Trustee, (ii) the Purchaser, so long as the Purchaser holds any interest in the Preferred Securities and (iii) a Subsequent Purchaser that is identified to the Depositor by either SunTrust Capital Markets, Inc. or the Purchaser, so long as the Subsequent Purchaser holds any interest in the Preferred Securities, a duly completed and executed certificate in the form attached hereto as Exhibit G, including the financial statements referenced in such Exhibit, which certificate and financial statements shall be so furnished by the Depositor not later than forty five (45) days after the end of each of the first three fiscal quarters of each fiscal year of the Depositor and not later than ninety (90) days after the end of each fiscal year of the Depositor.

(c) The Property Trustee shall obtain all reports, certificate and information, which it is entitled to obtain under each of the Operative Documents.

ARTICLE IX.

TERMINATION, LIQUIDATION AND MERGER

SECTION 9.1. Dissolution Upon Expiration Date.

Unless earlier dissolved, the Trust shall automatically dissolve on April 30, 2039 (the "Expiration Date"), and the Trust Property shall be liquidated in accordance with Section 9.4.

SECTION 9.2. Early Termination.

The first to occur of any of the following events is an "Early Termination

Event", upon the occurrence of which the Trust shall be dissolved:

(a) the occurrence of a Bankruptcy Event in respect of, or the dissolution or liquidation of, the Depositor, in its capacity as the Holder of the Common Securities, unless the Depositor shall have transferred the Common Securities as provided by Section 5.11, in which case this provision shall refer instead to any such successor Holder of the Common Securities;

(b) the written direction to the Property Trustee from the Holder of the Common Securities at any time to dissolve the Trust and, after satisfaction of any liabilities of the Trust as required by applicable law, to distribute the Notes to Holders in exchange for the Preferred Securities (which direction is optional and wholly within the discretion of the Holder of the Common Securities), provided, that the Holder of the Common Securities shall have received the prior approval of the Federal Reserve if then required;

(c) the redemption of all of the Preferred Securities in connection with the payment at maturity or redemption of all the Notes; and

51

(d) the entry of an order for dissolution of the Trust by a court of competent jurisdiction.

SECTION 9.3. Termination.

The respective obligations and responsibilities of the Trustees and the Trust shall terminate upon the latest to occur of the following: (a) the distribution by the Property Trustee to Holders of all amounts required to be distributed hereunder upon the liquidation of the Trust pursuant to Section 9.4, or upon the redemption of all of the Trust Securities pursuant to Section 4.2; (b) the satisfaction of any expenses owed by the Trust; and (c) the discharge of all administrative duties of the Administrative Trustees, including the performance of any tax reporting obligations with respect to the Trust or the Holders.

SECTION 9.4. Liquidation.

(a) If an Early Termination Event specified in Section 9.2(a). (b) or (d) occurs or upon the Expiration Date, the Trust shall be liquidated by the Property Trustee as expeditiously as the Property Trustee shall determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to each Holder a Like Amount of Notes, subject to Section 9.4(d). Notice of liquidation shall be given by the Property Trustee not less than thirty (30) nor more than sixty (60) days prior to the Liquidation Date to each Holder of Trust Securities at such Holder's address appearing in the Securities Register. All such notices of liquidation shall:

(i) state the Liquidation Date;

(ii) state that from and after the Liquidation Date, the Trust Securities will no longer be deemed to be Outstanding and (subject to Section 9.4(d)) any Securities Certificates not surrendered for exchange will be deemed to represent a Like Amount of Notes; and

(iii) provide such information with respect to the mechanics by which Holders may exchange Securities Certificates for Notes, or if Section 9.4(d) applies, receive a Liquidation Distribution, as the Property Trustee shall deem appropriate.

(b) Except where Section 9.2(c) or 9.4(d) applies, in order to effect the liquidation of the Trust and distribution of the Notes to Holders, the Property Trustee, either itself acting as exchange agent or through the appointment of a separate exchange agent, shall establish a record date for such distribution (which shall not be more than forty-five (45) days prior to the Liquidation Date nor prior to the date on which notice of such liquidation is given to the Holders) and establish such procedures as it shall deem appropriate to effect the distribution of Notes in exchange for the Outstanding Securities Certificates.

(c) Except where Section 9.2(c) or 9.4(d) applies, after the Liquidation Date, (i) the Trust Securities will no longer be deemed to be Outstanding, (ii) certificates representing a Like Amount of Notes will be issued to Holders of Securities Certificates, upon surrender of such Certificates to the exchange agent for exchange, (iii) the Depositor shall use its best efforts to have the Notes listed on the New York Stock Exchange or on such other exchange, interdealer

52

quotation system or self-regulatory organization on which the Preferred Securities are then listed, if any, (iv) Securities Certificates not so surrendered for exchange will be deemed to represent a Like Amount of Notes

bearing accrued and unpaid interest in an amount equal to the accumulated and unpaid Distributions on such Securities Certificates until such certificates are so surrendered (and until such certificates are so surrendered, no payments of interest or principal will be made to Holders of Securities Certificates with respect to such Notes) and (v) all rights of Holders holding Trust Securities will cease, except the right of such Holders to receive Notes upon surrender of Securities Certificates.

(d) Notwithstanding the other provisions of this Section 9.4, if distribution of the Notes in the manner provided herein is determined by the Property Trustee not to be permitted or practical, the Trust Property shall be liquidated, and the Trust shall be wound up by the Property Trustee in such manner as the Property Trustee determines. In such event, Holders will be entitled to receive out of the assets of the Trust available for distribution to Holders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to the Liquidation Amount per Trust Security plus accumulated and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"). If, upon any such winding up the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then, subject to the next succeeding sentence, the amounts payable by the Trust on the Trust Securities shall be paid on a pro rata basis (based upon Liquidation Amounts). The Holder of the Common Securities will be entitled to receive Liquidation Distributions upon any such winding up pro rata (based upon Liquidation Amounts) with Holders of all Trust Securities, except that, if an Event of Default has occurred and is continuing, the Preferred Securities shall have a priority over the Common Securities as provided in Section 4.3.

SECTION 9.5. Mergers, Consolidations, Amalgamations or Replacements of Trust.

The Trust may not merge with or into, consolidate, amalgamate, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to, any Person except pursuant to this Article IX. At the request of the Holders of the Common Securities, without the consent of the Holders of the Preferred Securities, the Trust may merge with or into, consolidate, amalgamate, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to a trust organized as such under the laws of any State; provided, that:

(a) such successor entity either (i) expressly assumes all of the obligations of the Trust under this Trust Agreement with respect to the Preferred Securities or (ii) substitutes for the Preferred Securities other securities having substantially the same terms as the Preferred Securities (such other Securities, the "Successor Securities") so long as the Successor Securities have the same priority as the Preferred Securities with respect to distributions and payments upon liquidation, redemption and otherwise;

(b) a trustee of such successor entity possessing substantially the same powers and duties as the Property Trustee is appointed to hold the Notes;

53

(c) if the Preferred Securities or the Notes are rated, such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not cause the Preferred Securities or the Notes (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization that then assigns a rating to the Preferred Securities or the Notes;

(d) the Preferred Securities are listed, or any Successor Securities will be listed upon notice of issuance, on any national securities exchange or interdealer quotation system on which the Preferred Securities are then listed, if any;

(e) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect;

(f) such successor entity has a purpose substantially identical to that of the Trust;

(g) prior to such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Depositor has received an Opinion of Counsel to the effect that (i) such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease does not adversely affect the rights, preferences and privileges of the Holders of the Preferred Securities (including any Successor Securities) in any material respect; (ii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, neither the Trust nor such successor entity will be required to register as an "investment company" under the Investment Company Act and (iii) following such merger, consolidation, amalgamation, replacement, conveyance, transfer or lease, the Trust (or the successor entity) will continue to be classified as a grantor trust for U.S. federal income tax purposes; and

(h) the Depositor or its permitted transferee owns all of the common securities of such successor entity and guarantees the obligations of such successor entity under the Successor Securities at least to the extent provided by the Guarantee Agreement.

Notwithstanding the foregoing, the Trust shall not, except with the consent of Holders of all of the Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to any other Person or permit any other entity to consolidate, amalgamate, merge with or into, or replace, the Trust if such consolidation, amalgamation, merger, replacement, conveyance, transfer or lease would cause the Trust or the successor entity to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or cause the Notes to be treated as other than indebtedness of the Depositor for United States federal income tax purposes.

ARTICLE X.

MISCELLANEOUS PROVISIONS

SECTION 10.1. Limitation of Rights of Holders.

Except as set forth in Section 9.2, the death, bankruptcy, termination, dissolution or incapacity of any Person having an interest, beneficial or otherwise, in Trust Securities shall not operate to terminate this Trust Agreement, nor annul, dissolve or terminate the Trust nor entitle

54

the legal representatives or heirs of such Person or any Holder for such Person, to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of the arrangements contemplated hereby, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

SECTION 10.2. Agreed Tax Treatment of Trust and Trust Securities.

The parties hereto and, by its acceptance or acquisition of a Trust Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, such Trust Security intend and agree to treat the Trust as a grantor trust for United States federal, state and local tax purposes, and to treat the Trust Securities (including all payments and proceeds with respect to such Trust Securities) as undivided beneficial ownership interests in the Trust Property (and payments and proceeds therefrom, respectively) for United States federal, state and local tax purposes. The provisions of this Trust Agreement shall be interpreted to further this intention and agreement of the parties.

SECTION 10.3. Amendment.

(a) This Trust Agreement may be amended from time to time by the Property Trustee, the Administrative Trustees and the Holder of all the Common Securities, without the consent of any Holder of the Preferred Securities, (i) to cure any ambiguity, correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Trust Agreement, which shall not be inconsistent with the other provisions of this Trust Agreement, (ii) to modify, eliminate or add to any provisions of this Trust Agreement to such extent as shall be necessary to ensure that the Trust will neither be taxable as a corporation nor be classified as other than a grantor trust for United States federal income tax purposes at all times that any Trust Securities are Outstanding or to ensure that the Notes are treated as indebtedness of the Depositor for United States federal income tax purposes, or to ensure that the Trust will not be required to register as an "investment company" under the Investment Company Act or (iii) to add to the covenants, restrictions or obligations of the Depositor; provided, that in the case of clauses (i), (ii) or (iii), such action shall not adversely affect in any material respect the interests of any Holder.

(b) Except as provided in Section 10.3(c), any provision of this Trust Agreement may be amended by the Property Trustee, the Administrative Trustees and the Holder of all of the Common Securities and with (i) the consent of Holders of at least a Majority in Liquidation Amount of the Preferred Securities and (ii) receipt by the Trustees of an Opinion of Counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not cause the Trust to be taxable as a corporation or classified as other than a grantor trust for United States federal income tax purposes or affect the treatment of the Notes as indebtedness of the Depositor for United States federal income tax purposes or affect the Trust's exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(c) Notwithstanding any other provision of this Trust Agreement, without

the consent of each Holder, this Trust Agreement may not be amended to (i) change the accrual rate, amount,

55

currency or timing of any Distribution on or the redemption price of the Trust Securities or otherwise adversely affect the amount of any Distribution or other payment required to be made in respect of the Trust Securities as of a specified date, (ii) restrict or impair the right of a Holder to institute suit for the enforcement of any such payment on or after such date, (iii) reduce the percentage of aggregate Liquidation Amount of Outstanding Preferred Securities, the consent of whose Holders is required for any such amendment, or the consent of whose Holders is required for any waiver of compliance with any provision of this Trust Agreement or of defaults hereunder and their consequences provided for in this Trust Agreement; (iv) impair or adversely affect the rights and interests of the Holders in the Trust Property, or permit the creation of any Lien on any portion of the Trust Property; or (v) modify the definition of "Outstanding," this Section 10.3(c), Sections 4.1, 4.2, 4.3, 6.10(e) or Article IX.

(d) Notwithstanding any other provision of this Trust Agreement, no Trustee shall enter into or consent to any amendment to this Trust Agreement that would cause the Trust to be taxable as a corporation or to be classified as other than a grantor trust for United States federal income tax purposes or that would cause the Notes to fail or cease to be treated as indebtedness of the Depositor for United States federal income tax purposes or that would cause the Trust to fail or cease to qualify for the exemption from status (or from any requirement to register) as an "investment company" under the Investment Company Act.

(e) If any amendment to this Trust Agreement is made, the Administrative Trustees or the Property Trustee shall promptly provide to the Depositor a copy of such amendment.

(f) No Trustee shall be required to enter into any amendment to this Trust Agreement that affects its own rights, duties or immunities under this Trust Agreement. The Trustees shall be entitled to receive an Opinion of Counsel and an Officers' Certificate stating that any amendment to this Trust Agreement is in compliance with this Trust Agreement and all conditions precedent herein provided for relating to such action have been met.

(g) No amendment or modification to this Trust Agreement that adversely affects in any material respect the rights, duties, liabilities, indemnities or immunities of the Delaware Trustee hereunder shall be permitted without the prior written consent of the Delaware Trustee.

SECTION 10.4. Separability.

If any provision in this Trust Agreement or in the Securities Certificates shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

SECTION 10.5. Governing Law.

THIS TRUST AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF EACH OF THE HOLDERS, THE TRUST, THE DEPOSITOR AND THE TRUSTEES WITH RESPECT TO THIS TRUST AGREEMENT AND THE TRUST SECURITIES SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE

56

STATE OF DELAWARE WITHOUT REFERENCE TO ITS CONFLICTS OF LAWS PROVISIONS.

SECTION 10.6. Successors.

This Trust Agreement shall be binding upon and shall inure to the benefit of any successor to the Depositor, the Trust and any Trustee, including any successor by operation of law. Except in connection with a transaction involving the Depositor that is permitted under Article VIII of the Indenture and pursuant to which the assignee agrees in writing to perform the Depositor's obligations hereunder, the Depositor shall not assign its obligations hereunder.

SECTION 10.7. Headings.

The Article and Section headings are for convenience only and shall not affect the construction of this Trust Agreement.

SECTION 10.8. Reports, Notices and Demands.

(b) Any notice, demand or other communication that by any provision of this Trust Agreement is required or permitted to be given or served to or upon the Property Trustee, the Delaware Trustee, the Administrative Trustees or the Trust shall be given in writing by deposit thereof, first-class postage prepaid, in the U.S. mail, personal delivery or facsimile transmission, addressed to such Person as follows: (a) with respect to the Property Trustee to Deutsche Bank Trust Company Americas, 60 Wall Street, New York, NY 10005, Attention: Corporate Trust and Agency Services, facsimile no. [FORM OF REVERSE OF SECURITY]

The Trust promises to pay Distributions from April 28, 2004, or from the most recent Distribution Date to which Distributions have been paid or duly

provided for, quarterly (subject to deferral as set forth herein) in arrears on January 30th, April 30th, July 30th and October 30th of each year, commencing on July 30, 2004, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63% of the Liquidation Amount of the Preferred Securities represented by this Preferred Securities Certificate, together with any Additional Interest Amounts, in respect to such period.

Distributions on the Trust Securities shall be made by the Paying Agent from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

In the event (and to the extent) that the Depositor exercises its right under the Indenture to defer the payment of interest on the Notes, Distributions on the Preferred Securities shall be deferred.

Under the Indenture, so long as no Note Event of Default has occurred and is continuing, the Depositor shall have the right, at any time and from time to time during the term of the Notes, to defer the payment of interest on the Notes for a period of up to twenty (20) consecutive quarterly interest payment periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No interest on the Notes shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. If Distributions are deferred, the deferred Distributions (including Additional Interest Amounts) shall be paid on the date that the related Extension Period terminates to Holders (as defined in the Trust Agreement) of the Trust Securities as they appear on the books and records of the Trust on the record date immediately preceding such termination date.

Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such Distributions in the Payment Account of the Trust. The Trust's funds available for Distribution to the Holders of the Preferred Securities will be limited to payments received from the Depositor. The payment of Distributions out of moneys held by the Trust is guaranteed by the Depositor pursuant to the Guarantee Agreement.

During any such Extension Period, the Depositor shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Depositor's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Depositor that

C-6

rank pari passu in all respects with or junior in interest to the Notes (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Depositor in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Depositor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Depositor's capital stock (or any capital stock of a Subsidiary (as defined in the Indenture) of the Depositor) for any class or series of the Depositor's capital stock or of any class or series of the Depositor's indebtedness for any class or series of the Depositor's capital stock, (c) the purchase of fractional interests in shares of the Depositor's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan (as defined in the Indenture), the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

On each Note Redemption Date, on the stated maturity (or any date of principal repayment upon early maturity) of the Notes and on each other date on (or in respect of) which any principal on the Notes is repaid, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price. Under the Indenture, the Notes may be redeemed by the Depositor on any Interest Payment Date, at the Depositor's option, on or after April 30, 2009 in whole or in part from time to time at a redemption price equal to one hundred percent (100%) of the principal amount thereof or the redeemed portion thereof, as

applicable, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Depositor shall have received the prior approval of the Federal Reserve if then required. The Notes may also be redeemed by the Depositor, at its option, at any time, in whole but not in part, upon the occurrence of a Capital Disqualification Event, an Investment Company Event or a Tax Event at the Indenture Redemption Price.

The Trust Securities redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption or payment at maturity of Notes. Redemptions of the Trust Securities (or portion thereof) shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price.

Payments of Distributions (including any Additional Interest Amounts), the Redemption Price, Liquidation Amount or any other amounts in respect of the Preferred Securities shall be made by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. If any

C-7

Preferred Securities are held by a Depositary, such Distributions shall be made to the Depositary in immediately available funds.

The indebtedness evidenced by the Notes is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt (as defined in the Indenture), and this Security is issued subject to the provisions of the Indenture with respect thereto.

BY EXECUTION AND DELIVERY OF THIS INDENTURE, EACH PARTY ACCEPTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS (AND COURTS OF APPEALS THEREFROM) FOR LEGAL PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS INDENTURE.

SECTION 1.13. Non-Business Days.

If any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or the Securities) payment of interest, premium or principal or other amounts in respect of such Security shall not be made on such date, but shall be made on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be, until such next succeeding Business Day) except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity.

SECTION 1.14. Trust Cost and Expenses..

such debts, obligations, costs and expenses will be equal to the amounts the Trust would have received had no such debts, obligations, costs and expenses been incurred by or imposed on the Trust. The Company shall, upon request of any Trustee, promptly reimburse such Trustee for any such fees, costs and expenses paid by such Trustee. The Company shall make no claim upon the Trust Property for the payment of such fees, costs or expenses.

Security Forms

SECTION 2.1. Form of Security.

Any Security issued hereunder shall be in substantially the following form:

HANMI FINANCIAL CORPORATION

Floating Rate Junior Subordinated Note due 2034

No. _____ \$ _____

Hanmi Financial Corporation, a corporation organized and existing under the laws of April 28, 2004 (hereinafter called the "Company," which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to _____, or registered assigns, the principal sum of \$ _____ Dollars [if the Security is a Global Security, then insert -- or such other principal amount represented hereby as may be set forth in the records of the Securities Registrar hereinafter referred to in accordance with the Indenture] on April 30, 2034. The Company further promises to pay interest on said principal sum from April 28, 2004, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on

January 30th, April 30th, July 30th and October 30th of each year, commencing on July 30, 2004, or if any such day is not a Business Day, on the next succeeding Business Day (and no interest shall accrue in respect of the amounts whose payment is so delayed for the period from and after such Interest Payment Date until such next succeeding Business Day), except that, if such Business Day falls in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on the Interest Payment Date, at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, together with Additional Tax Sums, if any, as provided in Section 10.5 of the Indenture, until the principal hereof is paid or duly provided for or made available for payment; provided, that any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent that the payment of such interest shall be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, compounded quarterly, from the dates such amounts are due until they are paid or made available for payment, and such interest shall be payable on demand.

The amount of interest payable shall be computed on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall,

16

EXHIBIT D

as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest installment. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities not less than ten (10) days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture.

So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of this Security, to defer the payment of interest on this Security for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), no interest shall be due and payable (except any Additional Tax Sums that may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date, and no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. No interest shall be due and payable during an Extension Period (except any Additional Tax Sums that may be due and payable), except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on this Security, together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of this Security. The Company shall give the Holder of this Security and the Trustee written notice of its election to begin any such Extension Period at least one Business Day prior to the next succeeding Interest Payment Date on which interest on this Security would be payable but for such deferral or, so long as this Security is held by the Trust, at least one Business Day prior to the earlier of (i) the next succeeding date on which Distributions on the Preferred Securities of Hanmi Capital Trust III would be payable but for such deferral and (ii) the date on which the Property Trustee of such Trust is required to give notice to any securities exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date for the payment of such Distributions.

17

During any such Extension Period, the Company shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank pari passu in all respects with or junior in interest to this Security (other than (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, (2) a dividend reinvestment or stockholder stock purchase plan or (3) the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (c) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan, or the redemption or repurchase of rights pursuant thereto or (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

Payment of principal of, premium, if any, and interest on this Security shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of this Security shall be made at the office or agency of the Company maintained for that purpose in the Place of Payment upon surrender of such Securities to the Paying Agent, and payments of interest shall be made, subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of this Security is the Property Trustee, the payment of the principal of (and premium, if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on this Security will be made at such place and to such account as may be designated by the Property Trustee.

The indebtedness evidenced by this Security is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Debt, and this Security is issued subject to the provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his or her behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided and (c) appoints the Trustee his or her attorney-in-fact for any and all such purposes. Each Holder hereof, by his or her acceptance hereof, waives all notice of the acceptance of the subordination provisions contained herein and

in the Indenture by each holder of Senior Debt, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

Unless the certificate of authentication hereon has been executed by the Trustee by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Security is one of a duly authorized issue of securities of the Company (the "Securities") issued under the Junior Subordinated Indenture, dated as of April 28, 2004 (the "Indenture"), between the Company and Deutsche Bank Trust Company Americas, as Trustee (in such capacity, the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

the Amended and Restated Trust Agreement, dated as of April 28, 2004 (as modified, amended or supplemented from time to time, the "Trust Agreement"), relating to Hanmi Capital Trust III (the "Trust"), among the Company, as Depositor, the Trustees named therein and the Holders from time to time of the Trust Securities issued pursuant thereto, shall have the meanings assigned to them in the Indenture or the Trust Agreement, as the case may be.

The Company may, on any Interest Payment Date, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee) on or after April 30, 2009 and subject to the terms and conditions of Article XI of the Indenture, redeem this Security in whole at any time or in part from time to time at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In addition, upon the occurrence and during the continuation of a Special Event, the Company may, at its option, upon not less than thirty (30) days' nor more than sixty (60) days' written notice to the Holders of the Securities (unless a shorter notice period shall be satisfactory to the Trustee), redeem this Security, in whole but not in part, subject to the terms and conditions of Article XI of the Indenture at a Redemption Price equal to one hundred percent (100%) of the principal amount hereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve if then required.

In the event of redemption of this Security in part only, a new Security or Securities for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof. If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as

19

EXHIBIT D

the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee at any time to enter into a supplemental indenture or indentures for the purpose of modifying in any manner the rights and obligations of the Company and of the Holders of the Securities, with the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities. The Indenture also contains provisions permitting Holders of specified percentages in principal amount of the Securities, on behalf of the Holders of all Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest, including any Additional Interest, on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Securities Register, upon surrender of this Security for registration of transfer at the office or agency of the Company maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar and duly executed by, the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Securities, of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities are exchangeable for a like aggregate principal amount of Securities and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any

tax or other governmental charge payable in connection therewith.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company and, by its acceptance of this Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, this Security agree that, for

20

EXHIBIT D

United States federal, state and local tax purposes, it is intended that this Security constitute indebtedness.

This Security shall be construed and enforced in accordance with and governed by the laws of the State of New York, without reference to its conflict of laws provisions (other than Section 5-1401 of the General Obligations Law).

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

ARTICLE III

The Securities

SECTION 3.1. Payment of Principal and Interest.

(a) The unpaid principal amount of the Securities shall bear interest at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63% until paid or duly provided for, such interest to accrue from the Original Issue Date or from the most recent Interest Payment Date to

24

EXHIBIT D

which interest has been paid or duly provided for, and any overdue principal, premium or Additional Tax Sums and any overdue installment of interest shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63% from the dates such amounts are due until they are paid or funds for the payment thereof are made available for payment.

(b) Interest and Additional Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, except that interest and any Additional Interest payable on the Stated Maturity (or any date of principal repayment upon early maturity) of the principal of a Security or on a Redemption Date shall be paid to the Person to whom principal is paid. The initial payment of interest on any Security that is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security.

(c) Any interest on any Security that is due and payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in paragraph (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest (a "Special Record Date"), which shall be fixed in the following manner. At least thirty (30) days prior to the date of the proposed payment, the Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the

Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than fifteen (15) days and not less than ten (10) days prior to the date of the proposed payment and not less than ten (10) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security at the address of such Holder as it appears in the Securities Register not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered on such Special Record Date; or

25

EXHIBIT D

(ii) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed and, upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such payment shall be deemed practicable by the Trustee.

(d) Payments of interest on the Securities shall include interest accrued to but excluding the respective Interest Payment Dates. Interest payments for the Securities shall be computed and paid on the basis of a 360-day year and the actual number of days elapsed in the relevant interest period. The amount of interest payable for any full interest period shall be computed by dividing the applicable rate per annum by four.

(e) Payment of principal of, premium, if any, and interest on the Securities shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payments of principal, premium, if any, and interest due at the Maturity of such Securities shall be made at the Place of Payment upon surrender of such Securities to the Paying Agent and payments of interest shall be made subject to such surrender where applicable, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Paying Agent at least ten (10) Business Days prior to the date for payment by the Person entitled thereto unless proper written transfer instructions have not been received by the relevant record date, in which case such payments shall be made by check mailed to the address of such Person as such address shall appear in the Security Register. Notwithstanding the foregoing, so long as the holder of the Security is the Property Trustee, the payment of the principal of (and premium if any) and interest (including any overdue installment of interest and Additional Tax Sums, if any) on the Security will be made at such place and to such account as may be designated by the Property Trustee.

(f) Subject to the foregoing provisions of this Section 3.1, each Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

SECTION 3.2. Denominations.

The Securities shall be in registered form without coupons and shall be issuable in minimum denominations of \$100,000 and any integral multiple of \$1,000 in excess thereof.

SECTION 3.3. Execution, Authentication, Delivery and Dating.

(a) At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities in an aggregate principal amount (including all then Outstanding Securities) not in excess of \$20,619,000 executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional

responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and shall be fully protected in relying upon:

(i) a copy of any Board Resolution relating thereto; and

(ii) an Opinion of Counsel stating that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its President or one of its Vice Presidents. The signature of any of these officers on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

(c) No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.8, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

(d) Each Security shall be dated the date of its authentication.

SECTION 3.4. Global Securities.

(a) Each Global Security issued under this Indenture shall be registered in the name of the Depositary designated by the Company for such Global Security or a nominee thereof and delivered to such Depositary or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (i) such Depositary advises the Trustee and the Company in writing that such Depositary is no longer willing or able to properly discharge its responsibilities as Depositary with respect to such Global Security, and no qualified successor is appointed by the Company within ninety (90) days of receipt by the Company of such notice, (ii) such Depositary ceases to be a clearing agency registered under the Exchange Act and no

successor is appointed by the Company within ninety (90) days after obtaining knowledge of such event, (iii) the Company executes and delivers to the Trustee a Company Order stating that the Company elects to terminate the book-entry system through the Depositary or (iv) an Event of Default shall have occurred and be continuing. Upon the occurrence of any event specified in clause (i), (ii), (iii) or (iv) above, the Trustee shall notify the Depositary and instruct the Depositary to notify all owners of beneficial interests in such Global Security of the occurrence of such event and of the availability of Securities to such owners of beneficial interests requesting the same. Upon the issuance of such Securities and the registration in the Securities Register of such Securities in the names of the Holders of the beneficial interests therein, the Trustees shall recognize such holders of beneficial interests as Holders.

(c) If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article III or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Securities Registrar, whereupon the Trustee, in accordance with the Applicable Depositary Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security by the Depositary, accompanied by registration instructions, the Company shall execute and the Trustee shall authenticate and

deliver any Securities issuable in exchange for such Global Security (or any portion thereof) in accordance with the instructions of the Depositary. The Trustee shall not be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(d) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depositary for such Global Security or a nominee thereof.

(e) Securities distributed to holders of Book-Entry Preferred Securities (as defined in the applicable Trust Agreement) upon the dissolution of the Trust shall be distributed in the form of one or more Global Securities registered in the name of a Depositary or its nominee, and deposited with the Securities Registrar, as custodian for such Depositary, or with such Depositary, for credit by the Depositary to the respective accounts of the beneficial owners of the Securities represented thereby (or such other accounts as they may direct). Securities distributed to holders of Preferred Securities other than Book-Entry Preferred Securities upon the dissolution of the Trust shall not be issued in the form of a Global Security or any other form intended to facilitate book-entry trading in beneficial interests in such Securities, provided, that, any such holder may exchange such Securities for a beneficial interest in any Global Security if such holder is eligible under the terms of this Indenture to do so. All Securities must be transferred in accordance with the transfer restrictions set forth herein. Any owner of a beneficial interest in a Global Security must be a QIB. Any Securities issued to a Person other than a QIB shall not be issued in the form of a Global Security.

28

EXHIBIT D

(f) The Depositary or its nominee, as the registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Depositary Procedures. Accordingly, any such owner's beneficial interest in a Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depositary or its nominee or its Depositary Participants. The Securities Registrar and the Trustee shall be entitled to deal with the Depositary for all purposes of this Indenture relating to a Global Security (including the payment of principal and interest thereon and the giving of instructions or directions by owners of beneficial interests therein and the giving of notices) as the sole Holder of the Security and shall have no obligations to the owners of beneficial interests therein. Neither the Trustee nor the Securities Registrar shall have any liability in respect of any transfers effected by the Depositary.

(g) The rights of owners of beneficial interests in a Global Security shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such owners and the Depositary and/or its Depositary Participants.

(h) No holder of any beneficial interest in any Global Security held on its behalf by a Depositary shall have any rights under this Indenture with respect to such Global Security, and such Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by a Depositary or impair, as between a Depositary and such holders of beneficial interests, the operation of customary practices governing the exercise of the rights of the Depositary (or its nominee) as Holder of any Security.

SECTION 3.5. Registration, Transfer and Exchange Generally.

(a) The Trustee shall cause to be kept at the Corporate Trust Office a register (the "Securities Register") in which the registrar and transfer agent with respect to the Securities (the "Securities Registrar"), subject to such reasonable regulations as it may prescribe, shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee shall at all times also be the Securities Registrar. The provisions of Article VI shall apply to the Trustee in its role as Securities Registrar. If any Securities presented for transfer or exchange are (i) being transferred otherwise than to a QIB, such Securities shall be accompanied by a certificate of the transferee substantially in the form set forth as Exhibit B hereto, or (ii) are being transferred to a QIB, such Securities shall be accompanied by a certificate of transfer substantially in the form set forth in Exhibit C hereto.

(b) Upon surrender for registration of transfer of any Security at the offices or agencies of the Company designated for that purpose the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or

29

EXHIBIT D

more new Securities of any authorized denominations of like tenor and aggregate principal amount.

(c) At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations, of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

(d) All Securities issued upon any transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such transfer or exchange.

(e) Every Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

(f) No service charge shall be made to a Holder for any transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities.

(g) Neither the Company nor the Trustee shall be required pursuant to the provisions of this Section 3.5 to issue, register the transfer of or exchange any Security during a period beginning at the opening of business fifteen (15) days before the day of selection for redemption of Securities pursuant to Article XI and ending at the close of business on the day of mailing of the notice of redemption or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any such Security to be redeemed in part, any portion thereof not to be redeemed.

(h) The Company shall designate an office or offices or agency or agencies where Securities may be surrendered for registration or transfer or exchange. The Company initially designates the Corporate Trust Office as its office and agency for such purposes. The Company shall give prompt written notice to the Trustee and to the Holders of any change in the location of any such office or agency.

SECTION 3.6. Mutilated, Destroyed, Lost and Stolen Securities.

(a) If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of like tenor and aggregate principal amount and bearing a number not contemporaneously outstanding.

(b) If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the

30

EXHIBIT D

Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and aggregate principal amount as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

(c) If any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

(d) Upon the issuance of any new Security under this Section 3.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other

expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Security issued pursuant to this Section 3.6 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

(f) The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.7. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee shall treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any interest on such Security and for all other purposes whatsoever, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 3.8. Cancellation.

All Securities surrendered for payment, redemption, transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 3.8, except as expressly permitted by this Indenture. All canceled Securities shall be disposed of by the Trustee in accordance with its customary practices and the Trustee shall deliver to the Company a certificate of such disposition.

31

EXHIBIT D

SECTION 3.9. Deferrals of Interest Payment Dates.

(a) So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of the Security, to defer the payment of interest on the Securities for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), the Company shall have the right to make no payments or partial payments of interest on any Interest Payment Date (except any Additional Tax Sums that otherwise may be due and payable). No Extension Period shall end on a date other than an Interest Payment Date and no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. No interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest (to the extent payment of such interest would be legally enforceable) at a variable rate per annum, reset quarterly, equal to LIBOR plus 2.63%, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or until funds for the payment thereof have been made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on the Securities together with such Additional Interest. Prior to the termination of any such Extension Period, the Company may extend such Extension Period and further defer the payment of interest; provided, that (i) all such previous and further extensions comprising such Extension Period do not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. Upon the termination of any such Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due on any Interest Payment Date, the Company may elect to begin a new Extension Period; provided, that (i) such Extension Period does not exceed twenty (20) quarterly interest payment periods, (ii) no Extension Period shall end on a date other than an Interest Payment Date and (iii) no Extension Period shall extend beyond the Stated Maturity of the principal of the Securities. The Company shall give the Holders of the Securities and the Trustee written notice of its election to begin any such Extension Period at least one Business Day prior to the next succeeding Interest Payment Date on which interest on the Securities would be payable but for such deferral or, so long as any Securities are held by the Trust, at least one Business Day prior to the earlier of (i) the next succeeding date on which Distributions on the Preferred Securities of such Trust would be payable but for such deferral and (ii) the date on which the Property Trustee of such Trust is required to give notice to any securities exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date for the payment of such Distributions.

(b) In connection with any such Extension Period, the Company shall be subject to the restrictions set forth in Section 10.6(a).

SECTION 3.10. Right of Set-Off.

Notwithstanding anything to the contrary herein, the Company shall have the right to set off any payment it is otherwise required to make in respect of any Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a

32

EXHIBIT D

payment under the Guarantee Agreement relating to such Security or to a holder of Preferred Securities pursuant to an action undertaken under Section 5.8 of this Indenture.

SECTION 3.11. Agreed Tax Treatment.

Each Security issued hereunder shall provide that the Company and, by its acceptance or acquisition of a Security or a beneficial interest therein, the Holder of, and any Person that acquires a direct or indirect beneficial interest in, such Security, intend and agree to treat such Security as indebtedness of the Company for United States Federal, state and local tax purposes and to treat the Preferred Securities (including but not limited to all payments and proceeds with respect to the Preferred Securities) as an undivided beneficial ownership interest in the Securities (and payments and proceeds therefrom, respectively) for United States Federal, state and local tax purposes. The provisions of this Indenture shall be interpreted to further this intention and agreement of the parties.

SECTION 3.12. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption and other similar or related materials as a convenience to Holders; provided, that any such notice or other materials may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption or other materials and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE IV

Satisfaction and Discharge

SECTION 4.1. Satisfaction and Discharge of Indenture.

This Indenture shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for and as otherwise provided in this Section 4.1) and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities that have been mutilated, destroyed, lost or stolen and that have been replaced or paid as provided in Section 3.6 and (B) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 10.2) have been delivered to the Trustee for cancellation; or

(ii) all such Securities not theretofore delivered to the Trustee for cancellation

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.6, the obligations of the Company to any Authenticating Agent under Section 6.11 and, if money shall have been deposited with the Trustee pursuant to subclause (a)(ii) of this Section 4.1, the obligations of the Trustee under Section 4.2 and Section 10.2(e) shall survive.

SECTION 4.2. Application of Trust Money.

Subject to the provisions of Section 10.2(e), all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by the Trustee, in accordance with the provisions of the Securities and this Indenture, to the payment in accordance with Section 3.1, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest (including any Additional Interest) for the payment of which such money or obligations have been deposited with or received by the Trustee. Moneys held by the Trustee under this Section 4.2 shall not be subject to the claims of holders of Senior Debt under Article XII.

"Event of Default" means, wherever used herein with respect to the Securities, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon any Security, including any Additional Interest in respect thereof, when it becomes due and payable, and continuance of such default for a period of thirty (30) days (subject to the deferral of any due date in the case of an Extension Period); or

(b) default in the payment of the principal of or any premium on any Security at its Maturity; or

(c) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or the breach of which is elsewhere in this section specifically dealt with) and continuance of such default or breach for a period of sixty (60) days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least twenty five percent (25%) in aggregate principal amount of the Outstanding Securities a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(d) the entry by a court having jurisdiction in the premises of a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other

similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

bankrupt or insolvent, or the taking of corporate action by the Company in furtherance of any such action; or

(f) the Trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence, except in connection with (1) the distribution of the Securities to holders of the Preferred Securities in liquidation of their interests in the Trust, (2) the redemption of all of the outstanding Preferred Securities or (3) certain mergers, consolidations or amalgamations, each as and to the extent permitted by the Trust Agreement.

SECTION 5.2. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing, then and in every such case the Trustee or the Holders of not less than twenty five percent (25%) in aggregate principal amount of the Outstanding Securities may declare the principal amount of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided, that if, upon an Event of Default, the Trustee or the Holders of not less than twenty five percent (25%) in principal amount of the Outstanding Securities fail to declare the principal of all the Outstanding Securities to be immediately due and payable, the holders of at least twenty five percent (25%) in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall have the right to make such declaration by a notice in writing to the Property Trustee, the Company and the Trustee; and upon any such declaration the principal amount of and the accrued interest (including any Additional Interest) on all the Securities shall become immediately due and payable.

(b) At any time after such a declaration of acceleration with respect to Securities has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay:

- (A) all overdue installments of interest on all Securities,
- (B) any accrued Additional Interest on all Securities,
- (C) the principal of and any premium on any Securities that have become due otherwise than by such declaration of acceleration and interest (including any Additional Interest) thereon at the rate borne by the Securities, and
- (D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Property Trustee and their agents and counsel; and

36

EXHIBIT D

(ii) all Events of Default with respect to Securities, other than the nonpayment of the principal of Securities that has become due solely by such acceleration, have been cured or waived as provided in Section 5.13;

provided, that if the Holders of such Securities fail to annul such declaration

and waive such default, the holders of not less than a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding shall also have the right to rescind and annul such declaration and its consequences by written notice to the Property Trustee, the Company and the Trustee, subject to the satisfaction of the conditions set forth in paragraph (b) of this Section 5.2. No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that if:

(i) default is made in the payment of any installment of interest (including any Additional Interest) on any Security when such interest becomes due and payable and such default continues for a period of thirty (30) days, or

(ii) default is made in the payment of the principal of and any premium on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest (including any Additional Interest) and, in addition thereto, all amounts owing the Trustee under Section 6.6.

(b) If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

(c) If an Event of Default with respect to Securities occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.4. Trustee May File Proofs of Claim.

In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or similar judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled

37

EXHIBIT D

and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized hereunder in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to first pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6.

SECTION 5.5. Trustee May Enforce Claim Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, subject to Article XII and after provision for the payment of all the amounts owing the Trustee, any predecessor Trustee and other Persons under Section 6.6, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.6. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to the Securities pursuant to this Article V shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the

distribution of such money or property on account of principal or any premium or interest (including any Additional Interest), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee, any predecessor Trustee and other Persons under Section 6.6;

SECOND: To the payment of all Senior Debt of the Company if and to the extent required by Article XII.

THIRD: Subject to Article XII, to the payment of the amounts then due and unpaid upon the Securities for principal and any premium and interest (including any Additional Interest) in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and any premium and interest (including any Additional Interest), respectively; and

FOURTH: The balance, if any, to the Person or Persons entitled thereto.

SECTION 5.7. Limitation on Suits.

Subject to Section 5.8, no Holder of any Securities shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a

38

EXHIBIT D

custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities;

(b) the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding for sixty (60) days; and

(e) no direction inconsistent with such written request has been given to the Trustee during such sixty (60)-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 5.8. Unconditional Right of Holders to Receive Principal, Premium and Interest; Direct Action by Holders of Preferred Securities.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium on such Security at its Maturity and payment of interest (including any Additional Interest) on such Security when due and payable and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Any registered holder of the Preferred Securities shall have the right, upon the occurrence of an Event of Default described in Section 5.1(a) or Section 5.1(b), to institute a suit directly against the Company for enforcement of payment to such holder of principal of and any premium and interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities held by such holder.

SECTION 5.9. Restoration of Rights and Remedies.

If the Trustee, any Holder or any holder of Preferred Securities has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, such Holder or such holder of Preferred Securities, then and in every such case the Company, the Trustee, such Holders and such holder of Preferred Securities shall, subject to any

in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, such Holder and such holder of Preferred Securities shall continue as though no such proceeding had been instituted.

SECTION 5.10. Rights and Remedies Cumulative.

Except as otherwise provided in Section 3.6(f), no right or remedy herein conferred upon or reserved to the Trustee or the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. Delay or Omission Not Waiver.

No delay or omission of the Trustee, any Holder of any Securities or any holder of any Preferred Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders and the right and remedy given to the holders of Preferred Securities by Section 5.8 may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Holders or the holders of Preferred Securities, as the case may be.

SECTION 5.12. Control by Holders.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; provided, that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture,

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, and

(c) subject to the provisions of Section 6.2, the Trustee shall have the right to decline to follow such direction if a Responsible Officer or Officers of the Trustee shall, in good faith, reasonably determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

SECTION 5.13. Waiver of Past Defaults.

(a) The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities and the holders of a majority in aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities may waive any past Event of Default hereunder and its consequences except an Event of Default:

(i) in the payment of the principal of or any premium or interest (including any Additional Interest) on any Security (unless such Event of Default has been cured and the Company has paid to or deposited with the Trustee a sum sufficient to pay all installments of interest (including any Additional Interest) due and past due and all principal of and any premium on all Securities due otherwise than by acceleration), or

(ii) in respect of a covenant or provision hereof that under Article IX cannot be modified or amended without the consent of each Holder of any Outstanding Security.

(b) Any such waiver shall be deemed to be on behalf of the Holders of all the Securities or, in the case of a waiver by holders of Preferred Securities issued by such Trust, by all holders of Preferred Securities.

(c) Upon any such waiver, such Event of Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

SECTION 5.14. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his or her acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent (10%) in aggregate principal amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or any premium on the Security after the Stated Maturity or any interest (including any Additional Interest) on any Security after it is due and payable.

SECTION 5.15. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VI

The Trustee

SECTION 6.1. Corporate Trustee Required.

There shall at all times be a Trustee hereunder with respect to the Securities. The Trustee shall be a corporation organized and doing business under the laws of the United States or of any state thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or state authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 6.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.1, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

SECTION 6.2. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture.

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from the Holders of at least a majority in aggregate principal amount of the Outstanding Securities, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any

financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.2. To the

42

EXHIBIT D

extent that, at law or in equity, the Trustee has duties and liabilities relating to the Holders, the Trustee shall not be liable to any Holder for the Trustee's good faith reliance on the provisions of this Indenture. The provisions of this Indenture, to the extent that they restrict the duties and liabilities of the Trustee otherwise existing at law or in equity, are agreed by the Company and the Holders to replace such other duties and liabilities of the Trustee.

(d) No provisions of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:

(i) the Trustee shall not be liable for any error or judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a majority in aggregate principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture; and

(iii) the Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company and money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law.

SECTION 6.3. Notice of Defaults.

Within ninety (90) days after the occurrence of any default actually known to the Trustee, the Trustee shall give the Holders notice of such default unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or any premium or interest on any Securities, the Trustee shall be fully protected in withholding the notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interest of holders of Securities; and provided, that in the case of any default of the character specified in Section 5.1(c), no such notice to Holders shall be given until at least thirty (30) days after the occurrence thereof. For the purpose of this Section 6.3, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 6.4. Certain Rights of Trustee.

Subject to the provisions of Section 6.2:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

43

EXHIBIT D

(b) if (i) in performing its duties under this Indenture the Trustee is required to decide between alternative courses of action, (ii) in construing any of the provisions of this Indenture the Trustee finds ambiguous or inconsistent with any other provisions contained herein or (iii) the Trustee is unsure of the application of any provision of this Indenture, then, except as to any matter as to which the Holders are entitled to decide under the terms of this Indenture, the Trustee shall deliver a notice to the Company requesting the Company's written instruction as to the course of action to be taken and the Trustee shall take such action, or refrain from taking such action, as the Trustee shall be instructed in writing to take, or to refrain from taking, by the Company; provided, that if the Trustee does not receive such instructions from the Company within ten Business Days after it has delivered such notice or such

reasonably shorter period of time set forth in such notice the Trustee may, but shall be under no duty to, take such action, or refrain from taking such action, as the Trustee shall deem advisable and in the best interests of the Holders, in which event the Trustee shall have no liability except for its own negligence, bad faith or willful misconduct;

(c) any request or direction of the Company shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(d) the Trustee may consult with counsel (which counsel may be counsel to the Trustee, the Company or any of its Affiliates, and may include any of its employees) and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction, including reasonable advances as may be requested by the Trustee;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, indenture, note or other paper or document, but the Trustee in its discretion may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees and the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(h) whenever in the administration of this Indenture the Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action with respect to enforcing any remedy or right hereunder, the Trustees (i) may request

44

EXHIBIT D

instructions from the Holders (which instructions may only be given by the Holders of the same aggregate principal amount of Outstanding Securities as would be entitled to direct the Trustee under this Indenture in respect of such remedy, right or action), (ii) may refrain from enforcing such remedy or right or taking such action until such instructions are received and (iii) shall be protected in acting in accordance with such instructions;

(i) except as otherwise expressly provided by this Indenture, the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

(j) without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with any bankruptcy, insolvency or other proceeding referred to in clauses (d) or (e) of the definition of Event of Default, such expenses (including legal fees and expenses of its agents and counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy laws or law relating to creditors rights generally;

(k) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate addressing such matter, which, upon receipt of such request, shall be promptly delivered by the Company;

(l) the Trustee shall not be charged with knowledge of any Event of Default unless either (i) a Responsible Officer of the Trustee shall have actual knowledge or (ii) the Trustee shall have received notice thereof from the Company or a Holder; and

(m) in the event that the Trustee is also acting as Paying Agent, Authenticating Agent or Securities Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article VI shall also be afforded such Paying Agent, Authenticating Agent, or Securities Registrar.

SECTION 6.5. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Securities Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Securities Registrar or such other agent.

SECTION 6.6. Compensation; Reimbursement; Indemnity.

(a) The Company agrees

(i) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amounts as the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

45

EXHIBIT D

(ii) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct; and

(iii) to the fullest extent permitted by applicable law, to indemnify the Trustee and its Affiliates, and their officers, directors, shareholders, agents, representatives and employees for, and to hold them harmless against, any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to (i) or (ii) hereof), penalty, expense or claim of any kind or nature whatsoever incurred without negligence, bad faith or willful misconduct on its part arising out of or in connection with the acceptance or administration of this trust or the performance of the Trustee's duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

(b) To secure the Company's payment obligations in this Section 6.6, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, other than money or property held in trust to pay principal and interest on particular Securities. Such lien shall survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.

(c) The obligations of the Company under this Section 6.6 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee.

(d) In no event shall the Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(e) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Indenture.

SECTION 6.7. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.8.

(b) The Trustee may resign at any time by giving written notice thereof to the Company.

46

EXHIBIT D

(c) Unless an Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Company by a Board Resolution. If an Event of Default shall have occurred and be continuing, the Trustee may be removed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when no Event of Default shall have occurred and be continuing, the Company, by a Board Resolution, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any reason, at a time when an Event of Default shall have occurred and be continuing, the Holders, by Act of the Holders of a majority in aggregate principal amount of the Outstanding Securities, shall promptly appoint a successor Trustee, and such successor Trustee and the retiring Trustee shall comply with the applicable requirements of Section 6.8. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment within sixty (60) days after the giving of a notice of resignation by the Trustee or the removal of the Trustee in the manner required by Section 6.8, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of such Holder and all others similarly situated, and any resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Company shall give notice to all Holders in the manner provided in Section 1.6 of each resignation and each removal of the Trustee and each appointment of a successor Trustee. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.8. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee, each successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) of this Section 6.8.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article VI.

47

EXHIBIT D

SECTION 6.9. Merger, Conversion, Consolidation or Succession to Business.

Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided, that such Person shall be otherwise qualified and eligible under this Article VI. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation or as otherwise provided above in this Section 6.9 to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated, and in case any Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor Trustee or in the name of such successor Trustee, and in all cases the certificate of authentication shall have the full force which it is provided anywhere in the Securities or in this Indenture that the certificate of the Trustee shall have.

SECTION 6.10. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the Securities or the proceeds thereof.

SECTION 6.11. Appointment of Authenticating Agent.

(a) The Trustee may appoint an Authenticating Agent or Agents with respect to the Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.6, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, or of any State or Territory thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authority. If such Authenticating Agent publishes reports of condition at least annually pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 6.11 the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of

48

EXHIBIT D

this Section 6.11, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 6.11.

(b) Any Person into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of an Authenticating Agent shall be the successor Authenticating Agent hereunder, provided such Person shall be otherwise eligible under this Section 6.11, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

(c) An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.11, the Trustee may appoint a successor Authenticating Agent eligible under the provisions of this Section 6.11, which shall be acceptable to the Company, and shall give notice of such appointment to all Holders. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

(d) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.11 in such amounts as the Company and the Authenticating Agent shall agree from time to time.

(e) If an appointment of an Authenticating Agent is made pursuant to this Section 6.11, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

The Trustee may destroy any list furnished to it as provided in Section 7.1 upon receipt of a new list so furnished.

The Company shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and no Person shall consolidate with or merge into the Company or convey, transfer or lease its properties and assets substantially as an entirety to the Company, unless:

(a) if the Company shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the entity formed by such consolidation or into which the Company is merged or the Person that acquires by conveyance or transfer, or that leases, the properties and assets of the Company substantially as an entirety shall be an entity organized and existing under the laws of the United States of America or any State or Territory thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of and any premium and interest (including any

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, any such supplemental indenture comply with this Article VIII and that all conditions precedent herein provided for relating to such transaction have been complied with; and the Trustee may rely upon such Officers' Certificate and Opinion of Counsel as conclusive evidence that such transaction complies with this Section 8.1.

SECTION 8.2. Successor Company Substituted

(a) Upon any consolidation or merger by the Company with or into any other Person, or any conveyance, transfer or lease by the Company of its properties and assets substantially as an entirety to any Person in accordance with Section 8.1 and the execution and delivery to the Trustee of the supplemental indenture described in Section 8.1 (a), the successor entity formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power

51

EXHIBIT D

of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; and in the event of any such conveyance or transfer, following the execution and delivery of such supplemental indenture, the Company shall be discharged from all obligations and covenants under the Indenture and the Securities.

(b) Such successor Person may cause to be executed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder that theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities that previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities that such successor Person thereafter shall cause to be executed and delivered to the Trustee on its behalf. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture.

(c) In case of any such consolidation, merger, sale, conveyance or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate to reflect such occurrence.

ARTICLE IX

Supplemental Indentures

SECTION 9.1. Supplemental Indentures without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee, for any of the following purposes:

(a) to evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Securities; or

(b) to cure any ambiguity, to correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, which shall not be inconsistent with the other provisions of this Indenture, provided, that such action pursuant to this clause (b) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(c) to add to the covenants, restrictions or obligations of the Company or to add to the Events of Default, provided, that such action pursuant to this clause (c) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(d) to modify, eliminate or add to any provisions of the Indenture or the Securities to such extent as shall be necessary to ensure that the Securities

are treated as indebtedness of the Company for United States Federal income tax purposes, provided, that such action pursuant to

52

EXHIBIT D

this clause (d) shall not adversely affect in any material respect the interests of any Holders or the holders of the Preferred Securities; or

(e) to evidence and provide for the acceptance of appointment hereunder of a successor Trustee.

SECTION 9.2. Supplemental Indentures with Consent of Holders.

(a) With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities under this Indenture; provided, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security,

(i) change the Stated Maturity of the principal or any premium of any Security or change the date of payment of any installment of interest (including any Additional Interest) on any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof or change the place of payment where, or the coin or currency in which, any Security or interest thereon is payable, or restrict or impair the right to institute suit for the enforcement of any such payment on or after such date, or

(ii) reduce the percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with any provision of this Indenture or of defaults hereunder and their consequences provided for in this Indenture, or

(iii) modify any of the provisions of this Section 9.2. Section 5.13 or Section 10.7, except to increase any percentage in aggregate principal amount of the Outstanding Securities, the consent of whose Holders is required for any reason, or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security;

provided, further, that, so long as any Preferred Securities remain outstanding, no amendment under this Section 9.2 shall be effective until the holders of a majority in Liquidation Amount (as defined in the Trust Agreement) of the Trust Securities shall have consented to such amendment; provided, further, that if the consent of the holder of each Outstanding Security is required for any amendment under this Indenture, such amendment shall not be effective until the holder of each Outstanding Trust Security shall have consented to such amendment.

(b) It shall not be necessary for any Act of Holders under this Section 9.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

53

EXHIBIT D

SECTION 9.3. Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent herein provided for relating to such action have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties, indemnities or immunities under this Indenture or otherwise. Copies of the final form of each supplemental indenture shall be delivered by the Trustee at the expense of the Company to each Holder, and, if the Trustee is the Property Trustee, to each holder of Preferred Securities, promptly after the execution thereof.

SECTION 9.4. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article IX, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.5. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and shall if required by the Company, bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE X

Covenants

SECTION 10.1. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of the Securities that it will duly and punctually pay the principal of and any premium and interest (including any Additional Interest) on the Securities in accordance with the terms of the Securities and this Indenture.

SECTION 10.2. Money for Security Payments to be Held in Trust.

(a) If the Company shall at any time act as its own Paying Agent with respect to the Securities, it will, on or before each due date of the principal of and any premium or interest (including any Additional Interest) on the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any premium or interest (including Additional Interest) so becoming due until such sums shall be paid to such Persons or

54

EXHIBIT D

otherwise disposed of as herein provided, and will promptly notify the Trustee in writing of its failure so to act.

(b) Whenever the Company shall have one or more Paying Agents, it will, prior to 1:00 p.m., New York City time, on each due date of the principal of or any premium or interest (including any Additional Interest) on any Securities, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided in the Trust Indenture Act and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its failure so to act.

(c) The Company will cause each Paying Agent for the Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.2, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities.

(d) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(e) Any money deposited with the Trustee or any Paying Agent, or then held by the Company in trust for the payment of the principal of and any premium or interest (including any Additional Interest) on any Security and remaining unclaimed for two years after such principal and any premium or interest has become due and payable shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be paid on Company Request to the Company, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee

thereof, shall thereupon cease; provided, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

55

EXHIBIT D

SECTION 10.3. Statement as to Compliance.

The Company shall deliver to the Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Company is in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder), and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 10.4. Calculation Agent.

(a) The Company hereby agrees that for so long as any of the Securities remain Outstanding, there will at all times be an agent appointed to calculate LIBOR in respect of each Interest Payment Date in accordance with the terms of Schedule A (the "Calculation Agent"). The Company has initially appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Payment Date, and the Trustee hereby accepts such appointment in accordance with the terms of this Indenture. The Calculation Agent may be removed by the Company at any time. So long as the Property Trustee holds any of the Securities, the Calculation Agent shall be the Property Trustee. If the Calculation Agent is unable or unwilling to act as such or is removed by the Company, the Company will promptly appoint as a replacement Calculation Agent the London office of a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Company or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule A), but in no event later than 11:00 a.m. (London time) on the Business Day immediately following each LIBOR Determination Date, the Calculation Agent will calculate the interest rate (rounded to the nearest cent, with half a cent being rounded upwards) for the related Interest Payment Date, and will communicate such rate and amount to the Company, the Trustee, each Paying Agent and the Depositary. The Calculation Agent will also specify to the Company the quotations upon which the foregoing rates and amounts are based and, in any event, the Calculation Agent shall notify the Company before 5:00 p.m. (London time) on each LIBOR Determination Date that either: (i) it has determined or is in the process of determining the foregoing rates and amounts or (ii) it has not determined and is not in the process of determining the foregoing rates and amounts, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Payment Date will (in the absence of manifest error) be final and binding upon all parties. For the sole purpose of calculating the interest rate for the Securities, "Business Day" shall be defined as any day on which dealings in deposits in Dollars are transacted in the London interbank market.

56

EXHIBIT D

SECTION 10.5. Additional Tax Sums.

So long as no Event of Default has occurred and is continuing, if (a) the Trust is the Holder of all of the Outstanding Securities and (b) a Tax Event described in clause (i) or (iii) in the definition of Tax Event in Section 1.1 hereof has occurred and is continuing, the Company shall pay to the Trust (and its permitted successors or assigns under the related Trust Agreement) for so long as the Trust (or its permitted successor or assignee) is the registered holder of the Outstanding Securities, such amounts as may be necessary in order that the amount of Distributions (including any Additional Interest Amount (as defined in the Trust Agreement)) then due and payable by the Trust on the Preferred Securities and Common Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any Additional Taxes arising from such Tax Event (additional such amounts payable by the Company to the Trust, the "Additional Tax Sums"). Whenever in this Indenture or the Securities there is a reference in any context to the payment of

principal of or interest on the Securities, such mention shall be deemed to include mention of the payments of the Additional Tax Sums provided for in this Section 10.5 to the extent that, in such context, Additional Tax Sums are, were or would be payable in respect thereof pursuant to the provisions of this Section 10.5 and express mention of the payment of Additional Tax Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Tax Sums in those provisions hereof where such express mention is not made; provided, that the deferral of the payment of interest pursuant to Section 3.9 on the Securities shall not defer the payment of any Additional Tax Sums that may be due and payable.

SECTION 10.6. Additional Covenants.

(a) The Company covenants and agrees with each Holder of Securities that if an Event of Default shall have occurred and be continuing or the Company shall have given notice of its election to begin an Extension Period with respect to the Securities and shall not have rescinded such notice, or such Extension Period, or any extension thereof, shall be continuing, it shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any shares of the Company's capital stock, or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank part passu in all respects with or junior in interest to the Securities (other than (A) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period or Event of Default, (B) as a result of an exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a Subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (C) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (D) any declaration of a dividend in connection with any Rights Plan, the issuance of rights, stock or other property under any Rights Plan or the redemption or repurchase of rights

57

EXHIBIT D

pursuant thereto, or (E) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

(b) The Company also covenants with each Holder of Securities (i) to hold, directly or indirectly, one hundred percent (100%) of the Common Securities of the Trust, provided, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities, (ii) as holder of such Common Securities, not to voluntarily dissolve, wind-up or liquidate the Trust other than (A) in connection with a distribution of the Securities to the holders of the Preferred Securities in liquidation of the Trust or (B) in connection with certain mergers, consolidations or amalgamations permitted by the Trust Agreement and (iii) to use its reasonable commercial efforts, consistent with the terms and provisions of the Trust Agreement, to cause the Trust to continue to be taxable as a grantor trust and not as a corporation for United States Federal income tax purposes.

SECTION 10.7. Waiver of Covenants.

The Company may omit in any particular instance to comply with any covenant or condition contained in Section 10.6 if, before or after the time for such compliance, the Holders of at least a majority in aggregate principal amount of the Outstanding Securities shall, by Act of such Holders, and at least a majority of the aggregate Liquidation Amount (as defined in the Trust Agreement) of the Preferred Securities then outstanding, by consent of such holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

SECTION 10.8. Treatment of Securities.

The Company will treat the Securities as indebtedness, and the amounts payable in respect of the principal amount of such Securities as interest, for all U.S. federal income tax purposes. All payments in respect of the Securities will be made free and clear of U.S. withholding tax to any beneficial owner

thereof that has provided an Internal Revenue Service Form W-8BEN (or any substitute or successor form) establishing its status as completely exempt from U.S. withholding tax.

ARTICLE XI

Redemption of Securities

SECTION 11.1. Optional Redemption.

The Company may, at its option, on any Interest Payment Date, on or after April 30, 2009, redeem the Securities in whole at any time or in part from time to time, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof (or of the redeemed portion thereof, as applicable), together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption;

58

EXHIBIT D

provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.2. Special Event Redemption.

Upon the occurrence and during the continuation of a Special Event, the Company may, at its option, redeem the Securities, in whole but not in part, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, together, in the case of any such redemption, with accrued interest, including any Additional Interest, to but excluding the date fixed for redemption; provided, that the Company shall have received the prior approval of the Federal Reserve with respect to such redemption if then required.

SECTION 11.3. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities, in whole or in part, shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company, the Company shall, not less than forty five (45) days and not more than seventy five (75) days prior to the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee and the Property Trustee under the Trust Agreement in writing of such date and of the principal amount of the Securities to be redeemed and provide the additional information required to be included in the notice or notices contemplated by Section 11.5. In the case of any redemption of Securities, in whole or in part, (a) prior to the expiration of any restriction on such redemption provided in this Indenture or the Securities or (b) pursuant to an election of the Company which is subject to a condition specified in this Indenture or the Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction or condition.

SECTION 11.4. Selection of Securities to be Redeemed.

(a) If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than sixty (60) days prior to the Redemption Date by the Trustee from the Outstanding Securities not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any or each Security, provided, that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

(b) The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security that has been or is to be redeemed.

(c) The provisions of paragraphs (a) and (b) of this Section 11.4 shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion

59

EXHIBIT D

of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such

Security.

SECTION 11.5. Notice of Redemption.

(a) Notice of redemption shall be given not later than the thirtieth (30th) day, and not earlier than the sixtieth (60th) day, prior to the Redemption Date to each Holder of Securities to be redeemed, in whole or in part (unless a shorter notice shall be satisfactory to the Property Trustee under the related Trust Agreement).

(b) With respect to Securities to be redeemed, in whole or in part, each notice of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price or, if the Redemption Price cannot be calculated prior to the time the notice is required to be sent, the estimate of the Redemption Price, as calculated by the Company, together with a statement that it is an estimate and that the actual Redemption Price will be calculated on the fifth Business Day prior to the Redemption Date (and if an estimate is provided, a further notice shall be sent of the actual Redemption Price on the date that such Redemption Price is calculated);

(iii) if less than all Outstanding Securities are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed;

(iv) that on the Redemption Date, the Redemption Price will become due and payable upon each such Security or portion thereof, and that any interest (including any Additional Interest) on such Security or such portion, as the case may be, shall cease to accrue on and after said date; and

(v) the place or places where such Securities are to be surrendered for payment of the Redemption Price.

(c) Notice of redemption of Securities to be redeemed, in whole or in part, at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner provided above shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 11.6. Deposit of Redemption Price.

Prior to 1:00 p.m., New York City time, on the Redemption Date specified in the notice of redemption given as provided in Section 11.5, the Company will deposit with the Trustee or with one or more Paying Agents (or if the Company is acting as its own Paying Agent, the Company will segregate and hold in trust as provided in Section 10.2) an amount of money

60

EXHIBIT D

sufficient to pay the Redemption Price of, and any accrued interest (including any Additional Interest) on, all the Securities (or portions thereof) that are to be redeemed on that date.

SECTION 11.7. Payment of Securities Called for Redemption.

(a) If any notice of redemption has been given as provided in Section 11.5, the Securities or portion of Securities with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date. On presentation and surrender of such Securities at a Place of Payment specified in such notice, the Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable Redemption Price, together with accrued interest (including any Additional Interest) to the Redemption Date.

(b) Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented and having the same Original Issue Date, Stated Maturity and terms.

(c) If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal of and any premium on such

Security shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

ARTICLE XII

Subordination of Securities

SECTION 12.1. Securities Subordinate to Senior Debt.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article XII, the payment of the principal of and any premium and interest (including any Additional Interest) on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all Senior Debt.

SECTION 12.2. No Payment When Senior Debt in Default; Payment Over of Proceeds Upon Dissolution, Etc.

(a) In the event and during the continuation of any default by the Company in the payment of any principal of or any premium or interest on any Senior Debt (following any grace period, if applicable) when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, then, upon written notice of such default to the Company by the holders of such Senior Debt or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or any premium or interest (including any Additional

61

EXHIBIT D

Interest) on any of the Securities, or in respect of any redemption, repayment, retirement, purchase or other acquisition of any of the Securities.

(b) In the event of a bankruptcy, insolvency or other proceeding described in clause (d) or (e) of the definition of Event of Default (each such event, if any, herein sometimes referred to as a "Proceeding"), all Senior Debt (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any Holder of any of the Securities on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for these subordination provisions) be payable or deliverable in respect of the Securities shall be paid or delivered directly to the holders of Senior Debt in accordance with the priorities then existing among such holders until all Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) shall have been paid in full.

(c) In the event of any Proceeding, after payment in full of all sums owing with respect to Senior Debt, the Holders of the Securities, together with the holders of any obligations of the Company ranking on a parity with the Securities, shall be entitled to be paid from the remaining assets of the Company the amounts at the time due and owing on account of unpaid principal of and any premium and interest (including any Additional Interest) on the Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or any obligations of the Company ranking junior to the Securities and such other obligations. If, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the Securities, to the payment of all Senior Debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment) shall be received by the Trustee or any Holder in contravention of any of the terms hereof and before all Senior Debt shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the Senior Debt at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all such Senior Debt (including any interest thereon accruing after the commencement of any Proceeding) in full. In the event of the failure of the Trustee or any Holder to endorse or assign any such payment, distribution or security, each holder of Senior Debt is hereby irrevocably authorized to endorse or assign the same.

(d) The Trustee and the Holders, at the expense of the Company, shall take such reasonable action (including the delivery of this Indenture to an agent for any holders of Senior Debt or consent to the filing of a financing statement with respect hereto) as may, in the opinion of counsel designated by the holders of a majority in principal amount of the Senior Debt at the

62

EXHIBIT D

time outstanding, be necessary or appropriate to assure the effectiveness of the subordination effected by these provisions.

(e) The provisions of this Section 12.2 shall not impair any rights, interests, remedies or powers of any secured creditor of the Company in respect of any security interest the creation of which is not prohibited by the provisions of this Indenture.

(f) The securing of any obligations of the Company, otherwise ranking on a parity with the Securities or ranking junior to the Securities, shall not be deemed to prevent such obligations from constituting, respectively, obligations ranking on a parity with the Securities or ranking junior to the Securities.

SECTION 12.3. Payment Permitted If No Default.

Nothing contained in this Article XII or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time, except during the pendency of the conditions described in paragraph (a) of Section 12.2 or of any Proceeding referred to in Section 12.2(b), from making payments at any time of principal of and any premium or interest (including any Additional Interest) on the Securities or (b) the application by the Trustee of any moneys deposited with it hereunder to the payment of or on account of the principal of and any premium or interest (including any Additional Interest) on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge (in accordance with Section 12.8) that such payment would have been prohibited by the provisions of this Article XII, except as provided in Section 12.8.

SECTION 12.4. Subrogation to Rights of Holders of Senior Debt.

Subject to the payment in full of all amounts due or to become due on all Senior Debt, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article XII (equally and ratably with the holders of all indebtedness of the Company that by its express terms is subordinated to Senior Debt of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Debt) to the rights of the holders of such Senior Debt to receive payments and distributions of cash, property and securities applicable to the Senior Debt until the principal of and any premium and interest (including any Additional Interest) on the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article XII, and no payments made pursuant to the provisions of this Article XII to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

63

EXHIBIT D

SECTION 12.5 Provisions Solely to Define Relative Rights.

The provisions of this Article XII are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article XII or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of and any premium and interest (including any Additional Interest) on the Securities as and when the same shall become due and payable in accordance with their terms, (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Debt or (c) prevent the Trustee or the Holder of any Security (or to the extent expressly provided herein, the holder of any Preferred Security) from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, including filing and voting

claims in any Proceeding, subject to the rights, if any, under this Article XII of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 12.6. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article XII and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

SECTION 12.7. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

(b) Without in any way limiting the generality of paragraph (a) of this Section 12.7, the holders of Senior Debt may, at any time and from to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to such Holders of the Securities and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of such Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt, or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding, (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt, (iii) release any Person liable in any manner for the payment of Senior Debt and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

64

EXHIBIT D

SECTION 12.8. Notice to Trustee.

(a) The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company that would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article XII or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor; provided, that if the Trustee shall not have received the notice provided for in this Section 12.8 at least two Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, the payment of the principal of and any premium on or interest (including any Additional Interest) on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself or herself to be a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor) to establish that such notice has been given by a holder of Senior Debt (or a trustee, agent, representative or attorney-in-fact therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article XII, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XII. and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 12.9. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article XII, the Trustee and the Holders of the Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or a certificate of

the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII.

SECTION 12.10. Trustee Not Fiduciary for Holders of Senior Debt.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it

65

EXHIBIT D

shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.11. Rights of Trustee as Holder of Senior Debt; Preservation of Trustee's Rights.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XII with respect to any Senior Debt that may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

SECTION 12.12. Article Applicable to Paying Agents.

If at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article XII shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article XII in addition to or in place of the Trustee; provided, that Sections 12.8 and 12.11 shall not apply to the Company or any Affiliate of the Company if the Company or such Affiliate acts as Paying Agent.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

DETERMINATION OF LIBOR

With respect to the Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to an Interest Payment Date (except, with respect to the first interest payment period, on April 26, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any

given security shall, for the following interest payment period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided that, if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

Ladies and Gentlemen:

In connection with our purchase of the Preferred Securities we confirm that:

1. We understand that the Floating Rate Preferred Securities (the

"Preferred Securities") of Hanmi Capital Trust III (the "Trust") (including the guarantee (the "Guarantee") of Hanmi Financial Corporation (the "Company") executed in connection therewith) and the Floating Rate Junior Subordinated Notes due 2034 of the Company (the "Subordinated Notes") (the Preferred Securities, the Guarantee and the Subordinated Notes together being referred to herein as the "Offered Securities"), have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing the Offered Securities that, if we decide to offer, sell or otherwise transfer any such Offered Securities, (i) such offer, sale or transfer will be made only (a) to the Trust, (b) to a person we reasonably believe is a "qualified institutional buyer" (a "QIB") (as defined in Rule 144 under the Securities Act) in a transaction meeting the requirements of Rule 144A, (c) to an institutional "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring Offered Securities for its own account, or for the account of such an "accredited investor," for investment purposes and not with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act, (d) pursuant to an effective registration statement under the Securities Act, or (e) pursuant to an exemption from the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other applicable jurisdiction and, in the case of (c) or (e), subject to the right of the Trust and the depositor to require an opinion of counsel and other information satisfactory to each of them. The foregoing restrictions on resale will not apply subsequent to the date on which, in the written opinion of counsel, the Preferred Securities are not "restricted securities" within the meaning of Rule 144 under the Securities Act. If any resale or other transfer of the Offered Securities is proposed to be made pursuant to clause (c) or (e) above, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Property Trustee as Transfer Agent, which shall provide as applicable, among other things, that the transferee is an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act that is acquiring such Securities for investment purposes and not for distribution in violation of the Securities Act. We understand that the certificates for any Offered Security that we receive will bear a legend substantially to the effect of the foregoing.

2. We are an "accredited investor" within the meaning of subparagraph (a) (1), (2), (3) or (7) of Rule 501 under the Securities Act purchasing for our own account or for the account of such an "accredited investor," and we are acquiring the Offered Securities for investment purposes and not with view to, or for offer or sale in connection with, any distribution in violation of the Securities Act, and we have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Offered Securities, and we and any account for which we are acting are each able to bear the economic risks of our or its investment.

3. Schedule A

With respect to the Trust Securities, the London interbank offered rate ("LIBOR") shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest .000001%):

(1) On the second LIBOR Business Day (as defined below) prior to a Distribution Date (except, with respect to the first distribution payment date, on April 26, 2004) (each such day, a "LIBOR Determination Date"), LIBOR for any given security shall, for the following distribution period, equal the rate, as obtained by the Calculation Agent from Bloomberg Financial Markets Commodities News, for three-month Eurodollar deposits that appears on Dow Jones Telerate Page 3750 (as defined in the International Swaps and Derivatives Association, Inc. 1991 Interest Rate and Currency Exchange Definitions), or such other page as may replace such Page 3750, as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(2) If, on any LIBOR Determination Date, such rate does not appear on Dow Jones Telerate Page 3750 or such other page as may replace such Page 3750, the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks (as defined below) to leading banks in the London interbank market for three-month Eurodollar deposits in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent are quoting on the relevant LIBOR Determination Date for three-month Eurodollar deposits in an

amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided, that if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

(3) As used herein: "Reference Banks" means four major banks in the London interbank market selected by the Calculation Agent; and "LIBOR Business Day" means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

REPORTS

SECTION 2.1 List of Holders.

The Guarantor shall furnish or cause to be furnished to the Guarantee Trustee at such times as the Guarantee Trustee may request in writing, within thirty (30) days after the receipt by the Guarantor of any such request, a list, in such form as the Guarantee Trustee may reasonably require, of the names and addresses of the Holders (the "List of Holders") as of a date not more than fifteen (15) days prior to the time such list is furnished, in each case to the extent such information is in the possession or control of the Guarantor and is not identical to a previously supplied list of Holders or has not otherwise been received by the Guarantee Trustee in its capacity as such. The Guarantee Trustee may destroy any List of Holders previously given to it on receipt of a new List of Holders.

SECTION 2.2 Periodic Reports to the Guarantee Trustee.

The Guarantor shall deliver to the Guarantee Trustee, within one hundred and twenty (120) days after the end of each fiscal year of the Guarantor ending after the date of this Guarantee Agreement, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the knowledge of the signers thereof the Guarantor is in default in the performance or observance of any of the terms or provisions or any of the conditions of this Guarantee Agreement (without regard to any period of grace or requirement of notice provided hereunder) and, if the Guarantor shall be in default thereof, specifying all such defaults and the nature and status thereof of which they have knowledge.

SECTION 2.3 Event of Default; Waiver.

The Holders of a Majority in Liquidation Amount of the Preferred Securities may, on behalf of the Holders, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Guarantee Agreement, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent therefrom.

6

(b) The Guarantee Trustee shall not be deemed to have knowledge of any Event of Default unless the Guarantee Trustee shall have received written notice, or a Responsible Officer charged with the administration of this Guarantee Agreement shall have obtained written notice, of such Event of Default from the Guarantor or a Holder.

ARTICLE III

POWERS, DUTIES AND RIGHTS OF THE GUARANTEE TRUSTEE

SECTION 3.1 Powers and Duties of the Guarantee Trustee.

(a) This Guarantee Agreement shall be held by the Guarantee Trustee for the benefit of the Holders, and the Guarantee Trustee shall not transfer this Guarantee Agreement to any Person except a Holder exercising its rights pursuant to Section 5.4(d) or to a Successor Guarantee Trustee upon acceptance by such Successor Guarantee Trustee of its appointment to act as Successor Guarantee Trustee. The right, title and interest of the Guarantee Trustee shall automatically vest in any Successor Guarantee Trustee, upon acceptance by such Successor Guarantee Trustee of its appointment hereunder, and such vesting and cessation of

title shall be effective whether or not conveyancing documents have been executed and delivered pursuant to the appointment of such Successor Guarantee Trustee.

(b) The rights, immunities, duties and responsibilities of the Guarantee Trustee shall be as provided by this Guarantee Agreement and there shall be no other duties or obligations, express or implied, of the Guarantee Trustee. Notwithstanding the foregoing, no provisions of this Guarantee Agreement shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not herein expressly so

7

provided, every provision of this Guarantee Agreement relating to the conduct or affecting the liability of or affording protection to the Guarantee Trustee shall be subject to the provisions of this Section 3.1. To the extent that, at law or in equity, the Guarantee Trustee has duties and liabilities relating to the Guarantor or the Holders, the Guarantee Trustee shall not be liable to any Holder for the Guarantee Trustee's good faith reliance on the provisions of this Guarantee Agreement. The provisions of this Guarantee Agreement, to the extent that they restrict the duties and liabilities of the Guarantee Trustee otherwise existing at law or in equity, are agreed by the Guarantor and the Holders to replace such other duties and liabilities of the Guarantee Trustee.

(c) No provision of this Guarantee Agreement shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, negligent failure to act or own willful misconduct, except that:

(i) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made; and

(ii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in Liquidation Amount of the Preferred Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement.

SECTION 3.2 Certain Rights of the Guarantee Trustee.

(a) Subject to the provisions of Section 3.1:

(i) the Guarantee Trustee may conclusively rely and shall be fully protected in acting or refraining from acting in good faith and in accordance with the terms hereof upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document reasonably believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Guarantor contemplated by this Guarantee Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise prescribed herein;

(iii) the Guarantee Trustee may consult with counsel, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken

8

by it hereunder in good faith and in reliance thereon and in accordance with such advice. Such counsel may be counsel to the Guarantee Trustee, the Guarantor or any of its Affiliates and may be one of its employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee Agreement from any court of competent jurisdiction;

(iv) the Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee Agreement at the request or direction of any Holder, unless such

Holder shall have provided to the Guarantee Trustee reasonable security or indemnity against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Guarantee Trustee; provided, that, nothing contained in this Section 3.2(a) (iv) shall be taken to relieve the Guarantee Trustee, upon the occurrence of an Event of Default, of its obligation to exercise the rights and powers vested in it by this Guarantee Agreement;

(v) the Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and if the Guarantee Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Guarantor, personally or by agent or attorney;

(vi) the Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents, attorneys, custodians or nominees and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care by it hereunder;

(vii) whenever in the administration of this Guarantee Agreement the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right hereunder, the Guarantee Trustee (A) may request instructions from the Holders of a Majority in Liquidation Amount of the Preferred Securities, (B) may refrain from enforcing such remedy or right or taking such other action until such instructions are received and (C) shall be protected in acting in accordance with such instructions;

(viii) except as otherwise expressly provided by this Guarantee Agreement, the Guarantee Trustee shall not be under any obligation to

9

take any action that is discretionary under the provisions of this Guarantee Agreement; and

(ix) whenever, in the administration of this Guarantee Agreement, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting to take any action hereunder, the Guarantee Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request from the Guarantee Trustee, shall be promptly delivered by the Guarantor.

(b) No provision of this Guarantee Agreement shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty to act in accordance with such power and authority.

SECTION 3.3 Compensation.

The Guarantor agrees to pay to the Guarantee Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provisions of law in regard to the compensation of a trustee of an express trust) and to reimburse the Guarantee Trustee upon request for all reasonable expenses, disbursements and advances (including the reasonable fees and expenses of its attorneys and agents) incurred or made by the Guarantee Trustee in accordance with any provisions of this Guarantee Agreement.

SECTION 3.4 Indemnity.

The Guarantor agrees to indemnify and hold harmless the Guarantee Trustee and any of its Affiliates and any of their officers, directors, shareholders, employees, representatives or agents from and against any loss, damage, liability, tax (other than income, franchise or other taxes imposed on amounts paid pursuant to Section 3.3), penalty, expense or claim of any kind or nature

whatsoever incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this Guarantee Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Guarantee Trustee will not claim or exact any lien or charge on any Guarantee Payments as a result of any amount due to it under this Guarantee Agreement. This indemnity shall survive the termination of this Agreement or the resignation or removal of the Guarantee Trustee.

In no event shall the Guarantee Trustee be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to,

10

lost profits, even if the Guarantee Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

11

In no event shall the Guarantee Trustee be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (declared or undeclared), terrorism, fire, riot, embargo or government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Guarantee Agreement.

SECTION 3.5 Securities.

The Guarantee Trustee or any other agent of the Guarantee Trustee, in its individual or any other capacity, may become the owner or pledgee of Common or Preferred Securities.

ARTICLE IV

GUARANTEE TRUSTEE

SECTION 4.1 Guarantee Trustee; Eligibility.

(a) There shall at all times be a Guarantee Trustee which shall:

(i) not be an Affiliate of the Guarantor; and

(ii) be a corporation organized and doing business under the laws of the United States or of any State thereof, authorized to exercise corporate trust powers, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by Federal or State authority and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then, for the purposes of this Section 4.1, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.1 (a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.2(c).

(c) If the Guarantee Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Guarantee Trustee shall either eliminate such interest or resign in the manner and with the effect set out in Section 4.2(c).

12

SECTION 4.2 Appointment, Removal and Resignation of the Guarantee Trustee.

(a) Subject to Section 4.2(b), the Guarantee Trustee may be appointed or removed without cause at any time by the Guarantor, except during an Event of Default.

(b) The Guarantee Trustee shall not be removed until a Successor Guarantee Trustee has been appointed and has accepted such appointment by written instrument executed by such Successor Guarantee Trustee and delivered to the Guarantor.

(c) The Guarantee Trustee appointed hereunder shall hold office

until a Successor Guarantee Trustee shall have been appointed or until its removal or resignation. The Guarantee Trustee may resign from office (without need for prior or subsequent accounting) by an instrument in writing executed by the Guarantee Trustee and delivered to the Guarantor, which resignation shall not take effect until a Successor Guarantee Trustee has been appointed and has accepted such appointment by instrument in writing executed by such Successor Guarantee Trustee and delivered to the Guarantor and the resigning Guarantee Trustee.

(d) If no Successor Guarantee Trustee shall have been appointed and accepted appointment as provided in this Section 4.2 within thirty (30) days after delivery to the Guarantor of an instrument of resignation, the resigning Guarantee Trustee may petition, at the expense of the Guarantor, any court of competent jurisdiction for appointment of a Successor Guarantee Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Guarantee Trustee.

ARTICLE V

GUARANTEE

SECTIONS. 5.1 Guarantee.

(a) The Guarantor irrevocably and unconditionally agrees to pay in full to the Holders the Guarantee Payments (without duplication of amounts theretofore paid by or on behalf of the Issuer), as and when due, regardless of any defense (except for the defense of payment by the Issuer), right of set-off or counterclaim which the Issuer may have or assert. The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Issuer to pay such amounts to the Holders. The Guarantor shall give prompt written notice to the Guarantee Trustee in the event it makes any direct payment to the Holders hereunder.

13

(b) The Guarantor hereby also agrees to assume any and all Obligations of the Issuer, and, in the event any such Obligation is not so assumed, subject to the terms and conditions hereof, the Guarantor hereby irrevocably and unconditionally guarantees to each Beneficiary the full payment, when and as due, of any and all Obligations to such Beneficiaries. This Guarantee is intended to be for the Beneficiaries who have received notice hereof.

SECTION 5.2 Waiver of Notice and Demand.

The Guarantor hereby waives notice of acceptance of the Guarantee Agreement and of any liability to which it applies or may apply, presentment, demand for payment, any right to require a proceeding first against the Guarantee Trustee, Issuer or any other Person before proceeding against the Guarantor, protest, notice of nonpayment, notice of dishonor, notice of redemption and all other notices and demands.

SECTION 5.3 Obligations Not Affected.

The obligations, covenants, agreements and duties of the Guarantor under this Guarantee Agreement shall in no way be affected or impaired by reason of the happening from time to time of any of the following:

(a) the release or waiver, by operation of law or otherwise, of the performance or observance by the Issuer of any express or implied agreement, covenant, term or condition relating to the Preferred Securities to be performed or observed by the Issuer;

(b) the extension of time for the payment by the Issuer of all or any portion of the Distributions (other than an extension of time for payment of Distributions that results from the extension of any interest payment period on the Notes as provided in the Indenture), Redemption Price, Liquidation Distribution or any other sums payable under the terms of the Preferred Securities or the extension of time for the performance of any other obligation under, arising out of, or in connection with, the Preferred Securities;

(c) any failure, omission, delay or lack of diligence on the part of the Holders to enforce, assert or exercise any right, privilege, power or remedy conferred on the Holders pursuant to the terms of the Preferred Securities, or any action on the part of the Issuer granting indulgence or extension of any kind;

(d) the voluntary or involuntary liquidation, dissolution, sale of any collateral, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of debt of, or other similar proceedings affecting, the

Issuer or any of the assets of the Issuer;

(e) any invalidity of, or defect or deficiency in, the Preferred Securities;

14

(f) the settlement or compromise of any obligation guaranteed hereby or hereby incurred; or

(g) any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a guarantor, it being the intent of this Section 5.3 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances.

There shall be no obligation of the Holders to give notice to, or obtain the consent of, the Guarantor with respect to the happening of any of the foregoing.

SECTION 5.4 Rights of Holders.

The Guarantor expressly acknowledges that: (a) this Guarantee Agreement will be deposited with the Guarantee Trustee to be held for the benefit of the Holders; (b) the Guarantee Trustee has the right to enforce this Guarantee Agreement on behalf of the Holders; (c) the Holders of a Majority in Liquidation Amount of the Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee in respect of this Guarantee Agreement or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee Agreement; and (d) any Holder may institute a legal proceeding directly against the Guarantor to enforce its rights under this Guarantee Agreement, without first instituting a legal proceeding against the Guarantee Trustee, the Issuer or any other Person.

SECTION 5.5 Guarantee of Payment.

This Guarantee Agreement creates a guarantee of payment and not of collection. This Guarantee Agreement will not be discharged except by payment of the Guarantee Payments in full (without duplication of amounts theretofore paid by the Issuer) or upon distribution of Notes to Holders as provided in the Trust Agreement.

SECTION 5.6 Subrogation.

The Guarantor shall be subrogated to all (if any) rights of the Holders against the Issuer in respect of any amounts paid to the Holders by the Guarantor under this Guarantee Agreement and shall have the right to waive payment by the Issuer pursuant to Section 5.1; provided, that, the Guarantor shall not (except to the extent required by mandatory provisions of law) be entitled to enforce or exercise any rights it may acquire by way of subrogation or any indemnity, reimbursement or other agreement, in all cases as a result of payment under this Guarantee Agreement, if, at the time of any such payment, any amounts are due and unpaid under this Guarantee Agreement. If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Holders.

15

SECTION 5.7 Independent Obligations.

The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Issuer with respect to the Preferred Securities and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee Agreement notwithstanding the occurrence of any event referred to in subsections (a) through (g), inclusive, of Section 5.3.

SECTION 5.8 Enforcement.

A Beneficiary may enforce the Obligations of the Guarantor contained in Section 5.1(b) directly against the Guarantor, and the Guarantor waives any right or remedy to require that any action be brought against the Issuer or any other person or entity before proceeding against the Guarantor.

ARTICLE VI

COVENANTS AND SUBORDINATION

SECTION 6.1 Dividends, Distributions and Payments.

So long as any Preferred Securities remain outstanding, if there shall have occurred and be continuing an Event of Default or the Guarantor shall have

entered into an Extension Period as provided for in the Indenture and such period, or any extension thereof, shall have commenced and be continuing, then the Guarantor may not (a) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make liquidation payment with respect to, any of the Guarantor's capital stock or (b) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Guarantor that rank pari passu in all respects with or junior in interest to the Preferred Securities (other than (i) repurchases, redemptions or other acquisitions of shares of capital stock of the Guarantor in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Guarantor (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the occurrence of such Event of Default or the applicable Extension Period, (ii) as a result of an exchange or conversion of any class or series of the Guarantor's capital stock (or any capital stock of a subsidiary of the Guarantor) for any class or series of the Guarantor's capital stock or any class or series of the Guarantor's indebtedness for any class or series of the Guarantor's capital stock, (iii) the purchase of fractional interests in shares of the Guarantor's capital stock pursuant to the conversions or exchange provisions of such capital stock or the security being converted or exchanged, (iv) any declaration of a dividend in connection with any rights plan, the issuance of rights, stock or other property under any rights plan or the redemption or repurchase of rights pursuant thereto, or (v) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the

16

same stock as that on which the dividend is being paid or ranks pari passu with or junior to such stock).

SECTION 6.2 Subordination.

The obligations of the Guarantor under this Guarantee Agreement will constitute unsecured obligations of the Guarantor and will rank subordinate and junior in right of payment to all Senior Debt of the Guarantor.

SECTION 6.3 Pari Passu Guarantees.

(a) The obligations of the Guarantor under this Guarantee Agreement shall rank pari passu with the obligations of the Guarantor under any similar guarantee agreements issued by the Guarantor with respect to preferred securities (if any) similar to the Preferred Securities, issued by trusts other than the Issuer established or to be established by the Guarantor (if any), in each case similar to the Issuer, including, without limitation, the Guarantee Agreement, dated January 8, 2004, issued by the Guarantor with respect to the preferred securities issued by Hanmi Capital Trust I, and the Guarantee Agreement, dated March 15, 2004, issued by the Guarantor with respect to the preferred securities issued by Hanmi Capital Trust II.

(b) The right of the Guarantor to participate in any distribution of assets of any of its subsidiaries upon any such subsidiary's liquidation or reorganization or otherwise is subject to the prior claims of creditors of that subsidiary, except to the extent the Guarantor may itself be recognized as a creditor of that subsidiary. Accordingly, the Guarantor's obligations under this Guarantee will be effectively subordinated to all existing and future liabilities of the Guarantor's subsidiaries, and claimants should look only to the assets of the Guarantor for payments thereunder. This Guarantee does not limit the incurrence or issuance of other secured or unsecured debt of the Guarantor, including Senior Debt of the Guarantor, under any indenture or agreement that the Guarantor may enter into in the future or otherwise.

ARTICLE VII

TERMINATION

SECTION 7.1 Termination.

This Guarantee Agreement shall terminate and be of no further force and effect upon (a) full payment of the Redemption Price of all Preferred Securities, (b) the distribution of Notes to the Holders in exchange for all of the Preferred Securities or (c) full payment of the amounts payable in accordance with the Trust Agreement upon liquidation of the Issuer. Notwithstanding the foregoing, this Guarantee Agreement will continue to be effective or will be reinstated, as the case may be, if at any time any Holder must restore payment of any sums paid with respect to Preferred Securities or this

17

Guarantee Agreement. The obligations of the Guarantor under Sections 3.3 and 3.4 shall survive any such termination or the resignation and removal of the Guarantee Trustee.

ARTICLE VIII
