Certain statements contained in this presentation, including, without limitation, statements containing the words "believes," "plans," "expects," "anticipates," and words of similar import, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forwardlooking statements. Such factors include, among others, the following: general economic and business conditions in those areas in which the Company operates; demographic changes; competition; fluctuations in market interest rates; changes in credit quality; and other risks detailed in the most recent quarterly and annual reports filed with the Securities Exchange Commission, including the Company's Form 10-K for the year ended December 31, 2004, Form 10-Q for the quarter ended September 30, 2005 and other filings. Given these uncertainties, undue reliance should not be placed on such forwardlooking statements. The Company disclaims any obligation to update any such factors or to publicly announce the results of any revisions to any of the forward-looking statements contained herein to reflect future events or developments.
