Forward-Looking Statements

Some of the statements contained in this Report are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). All statements in this Report other than statements of historical fact are “forward-looking statements” for purposes of federal and state securities laws, including, but not limited to, statements about anticipated future operating and financial performance, financial condition and liquidity, business strategies, regulatory and competitive outlook, investment and expenditure plans, capital and financing needs and availability, plans and objectives of management for future operations, developments regarding our capital and strategic plans and other similar forecasts and statements of expectation and statements of assumptions underlying any of the foregoing. In some cases, you can identify forward-looking statements by terminology such as “may,” “will,” “should,” “could,” “expects,” “plans,” “intends,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” or “continue,” or the negative of such terms and other comparable terminology. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements.

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to differ from those expressed or implied by the forward-looking statements. These factors include the following:

- a failure to maintain adequate levels of capital and liquidity to support our operations;
 - general economic and business conditions internationally, nationally and in those areas in which we operate, including any potential recessionary conditions;
 - volatility and deterioration in the credit and equity markets;
 - changes in investor sentiment or consumer spending, borrowing and savings habits;
 - availability of capital from private and government sources;
 - demographic changes;
 - competition for loans and deposits and failure to attract or retain loans and deposits;
 - inflation and fluctuations in interest rates that reduce our margins and yields, the fair value of financial instruments, the level of loan originations or prepayments on loans we have made and make, the level of loan sales and the cost we pay to retain and attract deposits and secure other types of funding;
 - our ability to enter new markets successfully and capitalize on growth opportunities;
 - the current or anticipated impact of military conflict, terrorism or other geopolitical events;
 - the effect of potential future supervisory action against us or Hanmi Bank and our ability to address any issues raised in our regulatory exams;
-

- risks of natural disasters;
- legal proceedings and litigation brought against us;
- risks associated with cybersecurity threats, data breaches, ransomware attacks, or other failures in our operational or security systems and infrastructure, including the risks arising from our dependence on third-party service providers and vendors;
- the failure to maintain current technologies;
- risks associated with Small Business Administration loans;
- failure to attract, develop, or retain key employees;
- our ability to access cost-effective funding;
- the imposition of tariffs or other domestic or international governmental policies, trade restrictions, and any retaliatory measures impacting our borrowers and the broader economy;
- the impact of a potential federal government shutdown, which may impact on our ability to effect sales of Small Business Administration loans or debt ceiling impasses or fiscal uncertainty;
- changes in liquidity, including the size and composition of our deposit portfolio and the percentage of uninsured deposits in the portfolio;
- fluctuations in real estate values;
- changes in accounting policies and practices;
- changes in governmental regulation, including, but not limited to, any increase in FDIC insurance premiums and changes in the monetary policies of the U.S. Treasury and the Board of Governors of the Federal Reserve System;
- the ability of Hanmi Bank to make distributions to Hanmi Financial Corporation, which is restricted by certain factors, including Hanmi Bank's retained earnings, net income, prior distributions made, and certain other financial tests;
- strategic transactions we may enter into, including the costs associated with the evaluation of any strategic opportunities and the overall effects of any acquisitions or dispositions we may make;
- the adequacy of and changes in the economic assumptions and methodology for computing our allowance for credit losses;
- our credit quality and the effect of credit quality on our credit losses expense and allowance for credit losses;
- changes in the financial performance and/or condition of our borrowers and the ability of our borrowers to perform under the terms of their loans and other terms of credit agreements;
- our ability to control expenses;
- the inability of third-party service providers to perform their obligations to us; and
- the ability of the Company to withstand disruptions that may be caused by any failure of the operational systems of third parties.

In addition, we set forth certain risks in our reports filed with the U.S. Securities and Exchange Commission, including, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2025, our Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K that we will file hereafter, which could cause actual results to differ from those projected. We undertake no obligation to update such forward-looking statements except as required by law.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

FORWARD-LOOKING STATEMENTS

Hanmi Financial Corporation (the "Company") cautions investors that any statements contained herein that are not historical facts are forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including, but not limited to, those statements regarding operating performance, financial position, financial results and liquidity, business strategies, regulatory, economic and competitive outlook, investment and expenditure plans, capital and financing needs and availability, litigation, plans and objectives, merger or sale activity, and all other forecasts and statements of expectation or assumption underlying any of the foregoing. These statements involve known and unknown risks and uncertainties that are difficult to predict. Investors should not rely on any forward-looking statement and should consider risks, such as a failure to maintain adequate levels of capital and liquidity to support our operations, general economic and business conditions internationally, nationally and in those areas in which we operate, including any potential recessionary conditions, volatility and deterioration in the credit and equity markets, changes in investor sentiment or consumer spending, borrowing and savings habits, availability of capital from private and government sources, demographic changes, competition for loans and deposits and failure to attract or retain loans and deposits, inflation and fluctuations in interest rates that reduce our margins and yields, the fair value of financial instruments, the level of loan originations or prepayments on loans we have made and make, the level of loan sales and the cost we pay to retain and attract deposits and secure other types of funding, our ability to enter new markets successfully and capitalize on growth opportunities, the current or anticipated impact of military conflict, terrorism, or other geopolitical events, the effect of potential future supervisory action against us or Hanmi Bank and our ability to address any issues raised in our regulatory exams, risks of natural disasters, legal proceedings and litigation brought against us, risks associated with cybersecurity threats, data breaches, ransomware attacks, or other failures in our operational or security systems and infrastructure, including the risks arising from our dependence on third-party service providers and vendors, the failure to maintain current technologies, risks associated with Small Business Administration loans, failure to attract, develop, or retain key employees, our ability to access cost-effective funding, the imposition of tariffs or other domestic or international governmental policies, trade restrictions, and any retaliatory measures impacting our borrowers and the broader economy, the impact of a potential federal government shutdown, which may impact on our ability to effect sales of Small Business Administration loans or debt ceiling impasses or fiscal uncertainty, changes in liquidity, including the size and composition of our deposit portfolio and the percentage of uninsured deposits in the portfolio, fluctuations in real estate values, changes in accounting policies and practices, changes in governmental regulation, including, but not limited to, any increase in FDIC insurance premiums and changes in the monetary policies of the U.S. Treasury and the Board of Governors of the Federal Reserve System, the ability of Hanmi Bank to make distributions to Hanmi Financial Corporation, which is restricted by certain factors, including Hanmi Bank's retained earnings, net income, prior distributions made, and certain other financial tests, strategic transactions we may enter into, including the costs associated with the evaluation of any strategic opportunities and the overall effects of any acquisitions or dispositions we may make, the adequacy of and changes in the economic assumptions and methodology for computing our allowance for credit losses, our credit quality and the effect of credit quality on our credit losses expense and allowance for credit losses, changes in the financial performance and/or condition of our borrowers and the ability of our borrowers to perform under the terms of their loans and other terms of credit agreements, our ability to control expenses, the inability of third-party service providers to perform their obligations to us, and the ability of the Company to withstand disruptions that may be caused by any failure of the operational systems of third parties.

Forward-looking statements are based upon the good faith beliefs and expectations of management as of this date only and are further subject to additional risks and uncertainties, including, but not limited to, the risk factors set forth in our earnings release dated July 21, 2026, including the section titled "Forward Looking Statements" and the Company's most recent Form 10-K, 10-Q and other filings with the Securities and Exchange Commission. The Company disclaims any obligation to update or revise the forward-looking statements herein.

NON-GAAP FINANCIAL INFORMATION

This presentation contains financial information determined by methods other than in accordance with accounting principles generally accepted in the United States of America ("GAAP"). These non-GAAP measures include tangible common equity to tangible assets, tangible common equity per share (including without the impact of available for sale securities on the accumulated other comprehensive income) and pro forma regulatory capital. Management uses these "non-GAAP" measures in its analysis of the Company's performance. Management believes these non-GAAP financial measures allow for better comparability of period to period operating performance. Additionally, the Company believes this information is utilized by regulators and market analysts to evaluate a company's financial condition and therefore, such information is useful to investors. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. A reconciliation of the non-GAAP measures used in this presentation to the most directly comparable GAAP measures is provided in the Appendix to this presentation.

RISK MANAGEMENT

CRE Concentration

Hanmi has not exceeded the supervisory criteria to be considered to have CRE concentration risk under regulatory guidance⁽¹⁾; however, Hanmi's risk management practices address the six elements of regulatory guidance⁽²⁾

Liquidity Stress Test

Hanmi's risk management practices include comprehensive contingency funding plans intended to plan for funding needs in scenarios of liquidity shortfall. Management performs the test quarterly. The recent stress test indicates that the Bank could withstand a severe stress⁽³⁾ scenario and remain above policy minimums

Capital Stress Test

Hanmi is not required to perform a capital stress test; however, Hanmi's risk management practices include an annual capital stress test for the Company and the Bank using applicable CCAR assumptions⁽⁴⁾

- (1) Source: FDIC Financial Institution Letters (FIL-64-2023), as of December 18, 2023; also total ADC (Acquisition, Development, and Construction) loans are well below 100% of Bank's total capital for all periods presented
- (2) Six elements of regulatory guidance – (1) maintain strong capital levels, (2) ensure that credit loss allowances are appropriate, (3) manage construction and development (C&D) and CRE loan portfolios closely, (4) maintain updated financial and analytical information, (5) bolster the loan workout infrastructure, (6) maintain adequate liquidity and diverse funding sources
- (3) Liquidity stress test based on deposits at March 31, 2026. Severe stress scenario makes the following stress assumptions: (a) 22% deposit outflow in month one of the 12-month forecast, (b) Bank unable to replace wholesale deposits, (c) federal fund lines cut off, and (d) reduced loan and securities collateral-based FHLB and FRB borrowing capacity; and the relief scenario constitutes drawing down borrowings from the FHLB.
- (4) Capital ratios at December 31, 2025 for the Company. 2026 CCAR makes the following assumptions: (a) trough real GDP growth declining by 5.4%, (b) peak unemployment rate reaching 10.0%, (c) housing prices declining by 30.0%, and (d) CRE valuations declining by 39.0%

CORPORATE GOVERNANCE

Governance and management of environmental and social impact create long-term value for our stakeholders.

Oversight

Hanmi is committed to sound corporate governance principles and maintains formal Corporate Governance Guidelines and a Code of Business Conduct and Ethics for employees, executive officers, and directors.

Nominating and Corporate Governance (NCG) Committee

NCG Committee identifies individuals qualified to become directors, and has oversight over corporate governance principles applicable to Hanmi. ESG sub-committee, within NCG Committee, has the primary oversight of corporate citizenship and ESG-related matters.

Risk, Compliance and Planning (RCP) Committee

The RCP Committee provides oversight of the enterprise risk management framework, and also oversees the strategic planning and the budgetary function.

Audit Committee

The Audit Committee is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management, and our audit process and policies.

Compensation and Human Resources (CHR) Committee

The CHR Committee oversees the compensation of Hanmi's executive officers and administers Hanmi's compensation plans.

Our Board

The NCG Committee believes the Board should encompass a broad range of talent, skill, knowledge, experience, diversity, and expertise.

Our board is currently comprised of eleven directors, four of whom are female and seven of whom are of Asian descent.

We believe the diverse composition of our board is a competitive advantage. The knowledge, experience and viewpoints espoused by our directors lead to more meaningful, strategic decisions and leads to meaningful and innovative discussions to better serve our stakeholders.

Shareholder Engagement

- Annual shareholder engagement program to discuss executive compensation and governance practices
- Ethics Hotline that allows for confidential reporting of any suspected concerns or improper conduct

SUBSEQUENT EVENTS: SUBORDINATED NOTES

Issuance of Subordinated Notes

On July 30, 2026, the Company issued \$55.0 million of Fixed-to-Floating Subordinated Notes that have a maturity date of July 31, 2036 and carry a fixed rate of interest of 6.50% for the first five years. Thereafter, the notes will pay interest at a floating rate, reset quarterly, equal to the then-current three-month Secured Overnight Financing Rate plus 234 basis points. The notes may be redeemed at the option of the Company, without penalty, on or after July 31, 2031, or earlier upon certain specified events. The notes have been structured to qualify as Tier 2 capital for regulatory purposes. On a pro forma basis, the issuance of the notes would have increased the Company's total risk-based capital ratio at June 30, 2026 by 81 basis points, from 15.29% to 16.10%.

Redemption of Subordinated Notes

On July 30, 2026, the Company provided notice to the trustee to redeem all \$110.0 million of its Fixed-to-Floating Subordinated Notes ("2031 Notes") with a maturity date of September 1, 2031. The 2031 Notes have an initial fixed interest rate of 3.75% per annum, payable semiannually in arrears on March 1 and September 1 of each year, up to, but excluding, September 1, 2026. From and including September 1, 2026 and thereafter, the 2031 Notes will bear interest at a floating rate per annum equal to Three-Month Term SOFR plus 310 basis points, payable quarterly in arrears on March 1, June 1, September 1, and December 1 of each year. The redemption price for the 2031 Notes will equal 100% of the aggregate principal amount of the 2031 Notes, plus accrued and unpaid interest up to, but excluding, the redemption date. The redemption is expected to occur on or about September 1, 2026. On a pro forma basis, the redemption of the 2031 Notes would have decreased the Company's total risk-based capital ratio at June 30, 2026 by 161 basis points, from 15.29% to 13.68%, and would result in the recognition of the unamortized debt issuance costs associated with the 2031 Notes, which had a balance of \$1.2 million at June 30, 2026.

On a pro forma basis, the combined impact of the issuance of the \$55.0 million Fixed-to-Floating Subordinated Notes and the redemption of all \$110.0 million of the 2031 Notes would have decreased the Company's total risk-based capital ratio at June 30, 2026 by 80 basis points, from 15.29% to 14.49%.

2Q26 HIGHLIGHTS

Earnings Performance

- Net income was \$23.5 million, or \$0.79 per diluted share, up 4.2% from the first quarter, driven by continued growth in net interest income and lower credit loss expense. Return on average assets and return on average equity during the quarter were healthy at 1.20% and 11.09%, respectively.
- Net interest income increased 1.0% from the prior quarter, driven by higher earning asset yields from the growth in commercial real estate and commercial and industrial lending. The increase was further supported by an improved funding mix, including lower-cost interest-bearing deposits and reduced borrowings.

Deposits and Loans

- Deposits increased 2.3% to \$7.0 billion from the prior quarter and noninterest-bearing demand deposits increased to 31% of total deposits, from 30% for the prior quarter.
- New loan production was \$371.9 million for the second quarter of 2026 at an average rate of 6.59%, while payoffs were \$156.4 million at an average rate of 6.39%.

Asset Quality and Capital

- Asset quality remained strong as nonperforming assets to total assets was 0.12%, an improvement of four basis points from the prior quarter, and nonperforming loans to total loans was 0.15%, also an improvement of four basis points from the prior quarter.
- Hanmi returned 58% of second-quarter net earnings to shareholders in the form of \$8.3 million in dividends and \$5.2 million in share repurchases; capital ratios remained healthy with tangible common equity to tangible assets⁽¹⁾ at 10.03%.

\$6.54 Billion Loan Portfolio

(as of June 30, 2026)

Note: Numbers may not add due to rounding.

- (1) Includes syndicated loans of \$572.1 million in total commitments (\$474.6 million disbursed) across C&I (\$471.3 million committed and \$389.0 million disbursed) and CRE (\$100.8 million committed and \$85.6 million disbursed)
- (2) CRE is a combination of Investor (non-owner), Owner Occupied, Multifamily, and Construction. Investor (or non-owner occupied) property is where the investor (borrower) does not occupy the property. The primary source of repayment stems from the rental income associated with the respective properties. Owner Occupied property is where the borrower owns and occupies the property. The primary source of repayment is the cash flows from the ongoing operations and activities conducted by the borrower/owner. Multifamily real estate is a residential property that has 5 or more housing units.
- (3) Residential real estate is a loan (mortgage) secured by a single-family residence, including one to four units (duplexes, triplexes, and fourplexes). RRE also includes \$0.8 million of HELOCs and \$5.0 million in consumer loans.
- (4) Weighted average LTV and weighted average DCR calculated when the loan was first underwritten or renewed subsequently.
- (5) \$84.0 million, or 18.3%, of the CRE multifamily loans are rent-controlled in New York City.
- (6) Includes \$234.2 million of loans to nondepository financial institutions (NDFIs), principally mortgage credit intermediaries.
