PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 28, 2014

The Board of Directors (our “Board”) of HANMI FINANCIAL CORPORATION is soliciting your proxy for use at the 2014 Annual Meeting of Stockholders to be held at the Oxford Palace Hotel, located at 745 South Oxford Ave, Los Angeles, California, on Wednesday, May 28, 2014, beginning at 10:00 a.m., Pacific Time, and at any adjournments or postponements thereof.

Questions and Answers about these Proxy Materials and the Annual Meeting

Question: Why did you send me this Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because we are soliciting your vote at the Annual Meeting. Our Board is providing these proxy materials to you in connection with the Annual Meeting. As a stockholder of record of our common stock, you are invited to attend the Annual Meeting, and are entitled and requested to vote on the proposals described in this Proxy Statement. This Proxy Statement summarizes the information you need to know to cast an informed vote at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card by mail. You may also vote by internet or telephone.

We will begin sending this Proxy Statement, notice of the Annual Meeting, and the enclosed proxy card on or about April 28, 2014 to all stockholders entitled to vote. The record date for those entitled to vote is April 2, 2014.

Question: Who is entitled to vote and how many votes do I have?

All stockholders who were stockholders of record of our common stock as of the close of business on April 2, 2014, and only those stockholders, will be entitled to vote at the Annual Meeting. You have one vote for each share of our common stock you owned as of the close of business on the record date.

Question: How many shares are eligible to be voted?

As of April 2, 2014, 31,791,108 shares of our common stock were outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each matter to be voted on at the Annual Meeting.

Question: What is the difference between holding shares as a “record” holder and in “street name”?

- Record Holders If your shares of common stock are registered directly in your name on our stock records, you are considered the stockholder of record, or the “record” holder of those shares. As the record holder you have the right to vote your shares in person or by proxy at the Annual Meeting.
- Street Name Holders If your shares of common stock are held in an account at a brokerage firm, bank, or other similar entity, then you are the beneficial owner of shares held in “street name.” The entity holding your account is considered the record holder for purposes of voting at the Annual Meeting. As the beneficial owner you have the right to direct this entity on how to vote the shares held in your account. However, as described below, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the entity that holds your shares giving you the right to vote the shares at the Annual Meeting.

Question: What am I being asked to vote on at the Annual Meeting?

You are being asked to vote on the following matters:

- Election of Directors. Under majority voting, the votes cast “for” the nominee must exceed the number of votes cast “against” the nominee. Pursuant to our bylaws, we will not count abstentions or broker non-votes as either for or against a director, therefore abstentions and broker non-votes will have no effect on the election of a director.
- Non-Binding Advisory Vote to Approve the Compensation of our Named Executive Officers This proposal gives you the opportunity to vote (on an advisory non-binding basis) for or against the compensation of the executive officers identified in the Summary Compensation Table in this Proxy Statement (the “NEOs”). The compensation programs for our NEOs are described in the “Executive Compensation—Compensation Discussion and Analysis” section, the executive compensation tables and the related narrative discussion contained in this Proxy Statement. Because your vote is advisory, it will not be binding upon our Board and may not be construed as overruling any decision by our Board. However, the Nominating and Corporate Governance and Compensation Committee may, in its sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements.
- Ratification of Selection of Independent Registered Public Accounting Firm This proposal gives you the opportunity to ratify our Board’s selection of KPMG LLP (“KPMG”) as our independent registered public accounting firm for the fiscal year ending December 31, 2014. We are submitting the selection of KPMG to you for ratification to obtain our stockholders’ views. If the stockholders do not ratify the selection by a majority vote of the present and voting shares, we will reconsider whether or not to retain KPMG. Even if the selection is ratified, we may, in our discretion, appoint a different independent registered public accounting firm at any time during the year if we determine that such a change would be in our and our stockholders’ best interests.

Question: How does the Board of Directors recommend that I vote on the proposals?

For the reasons set forth in more detail later in this Proxy Statement, our Board unanimously recommends that you vote:

- **FOR** each of the nine (9) Director nominees named in this Proxy Statement (Proposal No. 1);
- **FOR** the approval, on an advisory basis, of the compensation of our NEOs (Proposal No. 2);
- **FOR** the ratification of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal No. 3).

Question: What is the required quorum at the Annual Meeting?

The required quorum for the transaction of business at the Annual Meeting is a majority of the outstanding shares of our common stock. Shares voted on a matter are treated as being present for purposes of establishing a quorum.

Question: What vote is required to approve each proposal at the Annual Meeting?

- Election of Directors. Directors are elected by a majority of votes cast, in uncontested elections. The Director nominees receiving a majority of the votes cast will be elected to our Board.
- Advisory Vote on the Compensation of our Named Executive Officers Approval, on an advisory basis, of the compensation of our NEOs requires the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and voting on this item.
- Ratification of Selection of Independent Registered Public Accounting Firm Ratification of the selection of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2014 requires the affirmative vote of a majority of the shares represented and voting.

Question: What is the effect of broker non-votes and abstentions?

Abstentions and broker non-votes will be counted for purposes of determining a quorum. Your broker, however, will not be entitled to vote on the election of Directors, and the advisory (non-binding) proposal to approve the compensation of our NEOs, without your instruction.

Your broker will be authorized to vote your shares on the ratification of our independent registered public accounting firm even if it does not receive instructions from you, and accordingly, broker non-votes will have no effect on this proposal.

Abstentions will have no effect on the election of Directors, and the advisory (non-binding) vote to approve the compensation of NEOs, but will have the effect of a vote AGAINST the ratification of our independent registered public accounting firm and the proposal to adjourn or postpone the Annual Meeting to solicit additional proxies.

Question: How can I vote my shares?

If you hold your shares of common stock in your own name and not through a broker or another nominee, you may vote your shares of common stock as follows, subject to compliance with the applicable cutoff times and deadlines described below in the “—Vote by Telephone,” “—Vote by Internet,” and “—Vote by Proxy” paragraphs:

- by using the toll-free telephone number listed on the proxy card;
- by using the Internet website listed on the proxy card;
- by signing, dating and mailing the proxy card in the enclosed postage-paid envelope, or
- by attending the Annual Meeting and voting in person.

Whichever of these methods you select to transmit your instructions, the proxy holders will vote your shares of common stock in accordance with your instructions. If you give a proxy without specific voting instructions, your proxy will be voted by the proxy holders “FOR” each of the Director nominees named in this Proxy Statement, “FOR” the approval, on an advisory basis, of the compensation of our NEOs, and “FOR” the ratification of our independent registered public accounting firm, and, at the proxy holders’ discretion on such other matters, if any, as may properly come before the Annual Meeting (including any proposal to adjourn the Annual Meeting).

Vote by Telephone. If you hold your shares of common stock in your own name and not through a broker or another nominee, you can choose to vote your shares of common stock by telephone by dialing the toll-free telephone number printed on your proxy card. Telephone voting is available 24 hours a day until 11:59 p.m., Pacific Time, on May 27, 2014. Easy-to-follow voice prompts allow you to vote your shares of common stock and confirm that your instructions have been properly recorded. If you vote by telephone, you do not need to return your proxy card.

Vote by Internet. If you hold your shares of common stock in your own name and not through a broker or another nominee, you can choose to vote your shares of common stock via the Internet. The website for Internet voting is printed on your proxy card. Internet voting is available 24 hours a day until 11:59 p.m., Pacific Time, on May 27, 2014. As with telephone voting, you will be given the opportunity to confirm that your instructions have been properly recorded. If you vote via the Internet, you do not need to return your proxy card.

Vote by Mail. You can vote by mail by signing, dating and returning the enclosed proxy card in the enclosed postage-paid envelope. Proxy cards sent by mail must be received by May 27, 2014.

The telephone and Internet voting procedures are designed to authenticate stockholders’ identities, to allow stockholders to give their voting instructions, and to confirm that stockholders’ instructions have been properly recorded. Stockholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder.

Question: Can I change or revoke my vote after I return my proxy card?

You may revoke a proxy at any time before the vote is taken at the Annual Meeting by filing with our Corporate Secretary a properly executed proxy of a later date by mail, telephone or Internet, or by attending the Annual Meeting and voting in person. Any such filing should be made to the attention of Jean Lim, Corporate Secretary, Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010. Attendance at the Annual Meeting will not by itself constitute revocation of a proxy.

Question: How do I vote in person?

If you plan to attend the Annual Meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares of common stock are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote your shares of common stock at the Annual Meeting.

Question: How will proxies be solicited?

In addition to soliciting proxies by mail, our officers, directors, and employees, without receiving any additional compensation, may solicit proxies by telephone, fax, in person, or by other means. Arrangements may also be made with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation materials to the beneficial owners of our common stock held of record by such persons, and we will reimburse such brokerage firms, custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

Question: Will any other matters be considered at the Annual Meeting?

We are not aware of any matter to be presented at the Annual Meeting other than the proposals discussed in this Proxy Statement. If other matters are properly presented at the Annual Meeting, then the persons named as proxies will have the authority to vote all properly executed proxies in accordance with the direction of our Board, or, if no such direction is given, in accordance with the judgment of the persons holding such proxies on any such matter, including any proposal to adjourn or postpone the Annual Meeting.

Question: Are there any rules regarding admission to the Annual Meeting?

Yes. You are entitled to attend the Annual Meeting only if you were a stockholder as of the record date, or you hold a valid legal proxy naming you to act for one of our stockholders on the record date. Before we admit you to the Annual Meeting, we must be able to confirm:

- Your identity by reviewing a valid form of photo identification, such as a driver's license or passport; and
- You were, or are validly acting for, a stockholder of record on the record date by:
 - verifying your name and stock ownership against our list of registered stockholders, if you are the record holder of your shares;
 - reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or
 - reviewing a written proxy that shows your name and is signed by the stockholder you are representing, in which case either the stockholder must be a registered stockholder of record or you must have a brokerage or bank statement for that stockholder as described above.

If you do not have a valid form of photo identification and proof that you owned, or are legally authorized to act as proxy for someone who owned, shares of our common stock on April 2, 2014, you will not be admitted to the Annual Meeting.

At the entrance to the Annual Meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement, as your proof of ownership, and any written proxy you present as the representative of a stockholder. We will decide *in our sole discretion* whether the documentation you present for admission to the Annual Meeting meets the requirements described above.

Question: Is my vote confidential?

Yes. It is our policy that documents identifying your vote are confidential. The vote of any stockholder will not be disclosed to any third party before the final vote count at the Annual Meeting except:

- To meet legal requirements;
- To assert claims for or defend claims against the Company;
- To allow authorized individuals to count and certify the results of the stockholder vote;
- If a proxy solicitation in opposition to our Board takes place; or
- To respond to stockholders who have written comments on proxy cards or who have requested disclosure.

Our Board has three standing committees: the Audit Committee; the Nominating and Corporate Governance and Compensation Committee; and the Planning Committee. Each committee is governed by a charter, each of which is available through Hanmi Financial's website at www.hanmi.com on the "Investor Relations" page.

G. Kum, with Mr. Stolte serving as its Chairman. Except for Mr. Kum, each member is an outside (or non-employee) Director and meets the independence requirements of the U.S. Securities and Exchange Commission (the "SEC") and The NASDAQ Stock Market, LLC ("NASDAQ"). The Planning Committee held twelve (12) meetings during the fiscal year ended December 31, 2013.

THE AUDIT COMMITTEE REPORT

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filings by the Company under the Securities Act of 1933, as amended or under the Securities Act of 1934, as amended, except to the extent we specifically incorporate this Report by reference.

The current members of Hanmi Financial's Audit Committee are John A. Hall, Paul Seon-Hong Kim, Joon Hyung Lee, Joseph K. Rho and William J. Stolte, with Mr. Hall serving as its Chairman. Each member is an outside (or non-employee) Director and meets the independence requirements of the SEC and NASDAQ. Messrs. The charter sets forth the responsibilities and authorities of the Audit Committee and is available on our website at www.hanmi.com.

The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and our audit process.

Pursuant to its charter, the Audit Committee has the following responsibilities:

- Review the quarterly and audited annual financial statements;
- Review the adequacy of internal control systems and financial reporting procedures with management and the independent auditor; and
- Review and approve the general scope of the annual audit and the fees charged by the independent auditor.

In performing its functions, in 2013 the Audit Committee met and held discussions with management and with KPMG, the independent auditors for the Company, and the Bank. Management represented to the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has:

NCGC COMMITTEE REPORT

The following NCGC Committee Report should not be deemed filed or incorporated by reference into any other document, including Hanmi Financial's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent the Company specifically incorporates this Report into any such filing by reference.

The Nominating and Corporate Governance and Compensation ("NCGC") Committee assists our Board as follows: identifies individuals qualified to become Directors; recommends to our Board the Director nominees for our Board and its committees for the next Annual Meeting of Stockholders; develops, recommends, and implements a set of corporate governance principles applicable to Hanmi Financial; and monitors the process to determine the effectiveness of our Board and its committees.

The members of the NCGC Committee are Paul Seon-Hong Kim, I Joon Ahn, John A. Hall, Joon Hyung Lee, and Joseph K. Rho, with Mr. Kim serving as its Chairman. Each member is an outside (or non-employee) Director and meets the independence requirements of the SEC and NASDAQ. The NCGC Committee held sixteen (16) meetings during the fiscal year ended December 31, 2013. See “*NCGC Committee Report*” in this Proxy Statement.

The NCGC Committee believes that our Board as a whole should encompass a range of talent, skill, diversity, and expertise enabling it to provide sound guidance with respect to Hanmi Financial’s operations and interests. In addition to considering a candidate’s background and accomplishments, candidates are reviewed in the context of the current composition of our Board and the evolving needs of Hanmi Financial’s business.

The NCGC Committee seeks directors with strong reputations and experience in areas relevant to the strategy and operations of Hanmi Financial’s business, particularly industries and growth segments that Hanmi Financial serves, such as the banking and financial services industry, as well as key geographic markets where Hanmi Financial operates. Each of Hanmi Financial’s current Directors holds or has held senior executive positions in large, complex organizations and has operating experience that meets this objective. In those positions, they have also gained experience in core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management and leadership development.

The NCGC Committee also believes that each of the current Directors has other key attributes that are important to an effective board: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of origin, background, experience, and thought; and the commitment to devote significant time and energy to service on our Board.

The NCGC Committee annually reviews the individual skills and characteristics of the Directors, as well as the composition of our Board as a whole. This assessment includes a consideration of independence, diversity, age, skills, expertise, time availability, and industry background in the context of the needs of our Board and Hanmi Financial.

Board Diversity

The Board of Directors does not have a formal written policy with regard to the consideration of diversity in identifying director nominees. Our NCGC Charter, however, requires the Board’s NCGC Committee to review the qualifications of candidates to the Board, of which diversity is one of the criteria. This assessment includes the consideration of: personal characteristics (gender, ethnicity, age), and personal and professional ethics and integrity, including prominence and reputation, and ability to enhance the reputation of the Company; diversity among the existing board members, specific business experience and competence, including an assessment of whether the candidate has experience in, and possesses an understanding of, business issues applicable to the success of the banking industry; financial acumen, including whether the candidate, through education or experience, has an understanding of financial matters and the preparation and analysis of financial statements; professional and personal accomplishments, including involvement in civic and charitable activities; educational background; and whether the candidate has expressed a willingness to devote sufficient time to carrying out his or her duties and responsibilities effectively.

Stockholder Recommendations

Recommendations by any stockholder for Director nominees must be submitted in writing to the Chairman of the NCGC Committee at Hanmi Financial’s principal executive offices, as described in the Company’s bylaws, to be considered at such Annual Meeting of Stockholders. Stockholders shall include in such recommendation:

- The name, age, and address of each proposed nominee;
- The principal occupation of each proposed nominee;
- The number of shares of voting stock of Hanmi Financial owned by each proposed nominee;
- The name and address of the nominating stockholder;

-
- The number of shares of voting stock of Hanmi Financial owned by the nominating stockholder; and
 - A letter from the proposed nominee indicating that such proposed nominee wishes to be considered as a nominee for our Board and will serve as a Director if elected.

In addition, each recommendation must set forth, in detail, the reasons why the nominating stockholder believes the proposed nominee meets the following general qualifications, which are the same qualifications used by the NCGC Committee in evaluating nominees:

- Nominees must possess high personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of Hanmi Financial's stockholders;
- Nominees must have an inquisitive and objective perspective, practical wisdom, and mature judgment;
- Nominees must possess a broad range of skills, expertise, industry knowledge, and contacts useful to Hanmi Financial's business;
- Nominees must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on our Board for an extended period of time;
- Pursuant to the Corporate Governance Guidelines, nominees, once elected, should not serve on the boards of directors of more than two other public companies and, unless granted an exception by our Board, nominees cannot serve simultaneously as a Director of Hanmi Financial and as a director or officer of any other depository organization other than a subsidiary bank of Hanmi Financial; and
- Pursuant to the Corporate Governance Guidelines, nominees are encouraged to own shares of common stock of Hanmi Financial at a level that demonstrates a meaningful commitment to Hanmi Financial and Hanmi Bank, and to better align the nominee's interests with the stockholders of Hanmi Financial.

In identifying and evaluating Director candidates, the NCGC Committee will solicit and receive recommendations, and review qualifications of potential Director candidates. The NCGC Committee also may use search firms to identify Director candidates when necessary. To enable the NCGC Committee to effectively evaluate Director candidates, the NCGC Committee also may conduct appropriate inquiries into the backgrounds and qualifications of Director candidates, including reference checks. As stated above, the NCGC Committee will consider Director candidates recommended by stockholders utilizing the same criteria as candidates identified by the NCGC Committee.

Additionally, the NCGC Committee is responsible for overseeing the compensation of all of Hanmi Financial's executive officers, including Hanmi Financial's Chief Executive Officer, as well as administering Hanmi Financial's compensation plans. The NCGC Committee has the authority to delegate such decisions to subcommittees of the NCGC Committee. The NCGC Committee is also authorized to retain outside consultants to assist it in determining executive officer compensation.

The NCGC Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 401(b) of Regulation S-K with management and, based on such review and discussions, the NCGC Committee recommended to the Board of Hanmi Financial that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted by the NCGC Committee of the Board,

Paul Seon-Hong Kim (Chairman)
I Joon Ahn
John A. Hall
Joon Hyung Lee
Joseph K. Rho

Board Leadership Structure

Our Board of Directors is committed to having a sound governance structure that promotes the best interest of all Hanmi Financial stockholders. Our leadership structure includes the following principles:

- We believe that yearly elections hold the Directors of the Board accountable to our stockholders, as each director is subject to re-nomination and re-election each year.
- All of the Directors are independent, except for C. G. Kum, President and Chief Executive Officer. The Board has affirmatively determined that the other eight Directors are independent under the SEC and NASDAQ corporate governance rules, as applicable.
- We have separated the positions of the Chairman of the Board and Chief Executive Officer, to ensure the independence of the Chairman. Our Chairman focuses on board oversight responsibilities, strategic planning and mentoring Company officers. Our Chairman also periodically represents Hanmi Bank at public functions and actively engages with senior management members. Our Chief Executive Officer focuses on the development and execution of Company strategies.

We believe our Board structure serves the interests of the stockholders by balancing the practicalities of running the Company with the need for director accountability.

Board's Role in Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organization objectives in the areas of strategy, operations, reporting, and compliance. The Board recognizes that these objectives are important to improve and sustain long-term organizational performance and stockholder value. A fundamental part of risk management is not only identifying the risks our Company faces and the steps management is taking to manage those risks, but also determining what constitutes the appropriate level of risk based upon our Company's activities.

The full Board of Directors participates in the Company's annual enterprise risk management assessment, which is led by the Company's Chief Risk Officer, Jean Lim. In this process, risk is assessed throughout the Company by focusing on six areas of risk, including risks relating to: credit, liquidity, market, operations, compliance / legal and reputational. Risks that simultaneously affect different parts of the Company are identified, and an interrelated response is made. The Board provides ongoing oversight of enterprise-wide risks through a periodic enterprise risk assessment update.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Compliance Committee assists the Board of Directors in fulfilling its oversight responsibility with respect to regulatory, compliance, operational risk and enterprise risk management issues that affect the Company and works closely with the Company's legal and risk departments. The Audit Committee helps the Board monitor financial risk and internal controls from a risk-based perspective and oversees the annual audit plan. Reports from the Company's internal audit department are reviewed. The Loan and Credit Management Committee oversees credit risk by identifying, monitoring, and controlling repayment risk associated with the Bank's lending activities. The Planning Committee of the Board oversees risks associated with the planned short- and long-term direction of the Company and ensures ongoing board involvement and oversight of the Company's three-year strategic plan.

The Asset Liability Committee oversees the implementation of an effective process for managing the Bank's interest rate, liquidity, and similar market risks relating to the Bank's balance sheet and associated activities. In overseeing compensation, the NCGC Committee strives to advocate incentives that encourage a conservative level of risk-taking behavior consistent with the Company's business strategy and in compliance with all laws and the Interagency Guidance on Incentive Compensation, and also approves the Code of Conduct and Business Ethics policies relating to employees and directors. In addition, it conducts an annual assessment of corporate governance policies and any potential risk associated with governance and related party matters.

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis describes our compensation philosophy, methodologies and our current practices with respect to the remuneration programs for our NEOs. The compensation programs of our NEOs are established, evaluated and maintained by the NCGC Committee of Hanmi Financial's Board of Directors. The NCGC Committee is comprised entirely of outside Directors that satisfy the NASDAQ listing requirements and relevant Internal Revenue Code of 1986, as amended (the "Code") and SEC regulations on independence.

Compensation Philosophy and Objectives

The NCGC Committee, composed entirely of independent directors, establishes and oversees the policies that create the foundation from which compensation practices are derived, including base salary, annual and long term incentives (equity plans), benefit packages and perquisites. The NCGC Committee evaluates compensation levels of the executive management team, appraises relative performance, and considers executive management succession and related matters. The NCGC Committee discloses all decisions involving the compensation of the NEOs to the full Board of Directors.

The policies and underlying philosophy governing the Bank's executive compensation program, as endorsed by the NCGC Committee and the Board of Directors, are designed to accomplish the following:

- Maintain a compensation program that is equitable in a competitive marketplace.
- Provide opportunities that integrate pay with the Company's annual and long-term performance goals.
- Manage the risk profile of the Company by aligning risk mitigation within the performance of individual and Bank-wide goals.
- Encourage achievement of strategic objectives and creation of shareholder value.
- Recognize and reward individual initiative and achievements while managing risk.

- Maintain an appropriate balance between base salary and short- and long-term incentive opportunity.
- Allow the Company to compete for, retain, and motivate talented executives critical to its success consistent with its compensation philosophy.
- Establish bonus structures subject to ‘Clawback’ in the event of material misstatement on the part of the participating executives.

The NCGC Committee seeks to target executive compensation at levels that the NCGC Committee believes to be consistent with others in the banking industry. The executive officers’ compensation is weighted toward programs contingent upon the Company’s level of annual and long-term performance. In general, for senior management positions of the Company (including Company’s NEOs), the Company will pay base salaries that are competitive within our market and peer banks (those with asset size, complexity, products and markets are similar to Company). Goals for specific components include:

- Base salaries for executives generally are competitive within our market.
- Provide executive incentive compensation opportunities contingent upon the company’s annual and long-term performance.
 - We believe in providing the executive the opportunity to earn total compensation which is competitive within our market and peer group. However, if pre-determined individual and/or Company goals are not met then no incentive payment will be made. A mathematical equation will be used to determine each NEOs annual cash incentive payment (as described below).
 - The performance criteria for the Chief Executive Officer’s annual incentive bonus will be 100% tied to the attainment of the Company’s pre-determined annual goal (as described below). Each NEOs annual incentive bonus will be tied to the attainment of both the Company’s pre-determined annual goals and pre-determined individual annual goals (as described below)

The Company retained the services of Meyer-Chatfield Compensation Advisors to assist the NCGC Committee in performing its various duties within industry practice. Meyer-Chatfield advises the NCGC Committee on compensation programs for the NEOs and senior management of the Bank, including how the incentive should be crafted and the bonus pool developed.

Methodology for Establishing Compensation

To assist the NCGC Committee in its administration of the compensation programs for our NEOs, the Human Resources Department of Hanmi Financial gathers data from competing financial institutions. The compensation data is obtained from both proxy statements of publicly traded banks and from salary survey data provided by the California Department of Business Oversight. In addition to the market data, the NCGC Committee also reviews and considers the recommendations from our Chief Executive Officer with respect to our NEOs other than our Chief Executive Officer.

In establishing the target compensation levels and pay mix for our NEOs, the NCGC Committee periodically reviews publicly disclosed compensation data of California banks with total assets ranging between \$1.0 and \$8.0 billion (the “Peer Group”), including: Central Pacific Financial Corp, Wilshire Bancorp, Inc., CVB Financial Corp., BBCN Bancorp, Inc., Westamerica Bancorporation, Farmers & Merchants Bancorp, Banner Corporation, TriCo Bancshares, Independent Bank Group, Inc., Bridge Capital Holdings, Bank of Marin Bancorp, Columbia Banking System, Inc., Washington Banking Company, HomeStreet, Inc. Heritage Commerce Corp, PacWest Bancorp, Heritage Financial Corporation, and Preferred Bank.

The Peer Group was selected to include banks comparable in size and those that the Hanmi Financial competes with in the market for executive talent, including two banks that are direct competitors in the Los Angeles Korean-American community. The survey data was used by the NCGC Committee as a second point of reference in determining the appropriate levels of compensation and pay mix for our NEOs.

Although the decisions regarding the compensation levels are guided by the information provided from the Peer Group and survey data, the NCGC Committee also takes into account the prevailing economic environment and the current financial condition of Hanmi Financial. The objective of the NCGC Committee is to establish compensation programs that are motivating but affordable, with the purpose of aligning the interests of our NEOs with those of our stockholders.

Elements of the Compensation Program

The following describes the various components of the compensation mix that Hanmi Financial provides to our NEOs, the objectives of each pay component and how each component is used to create a total competitive compensation package.

The NCGC Committee provides our NEOs with a compensation package that includes annual base salary, short-term cash incentive compensation, long-term incentive awards, executive perquisites and a broad-based benefits program. Our Chief Executive Officer meets with the NCGC Committee to review the Chief Executive Officer's compensation recommendation for the other NEOs.

Annual Base Salary

Annual base salaries are the fixed portion of our NEOs' cash compensation and are intended to reward the day-to-day aspects of their roles and responsibilities. Our NEOs' annual salaries were set at the time they first joined the bank. The initial salaries were established by taking into account several factors including, but not limited to, the executive's experience, responsibilities, management abilities and past job performance. Hanmi Financial targets base salaries for its NEOs at market median. The NCGC Committee believes that the fiscal year 2013 base salaries of Hanmi Financial's NEOs are competitive with companies of similar size. Pay adjustments, if any, are generally made annually, after reviewing overall company performance, individual performance and the affordability of the increase. For fiscal year 2013, there was a salary adjustment for Shick (Mark) Yoon to account for his promotion to Executive Vice President. The other currently serving NEOs were hired during 2013 and thus are not eligible for a salary adjustment. Our President and Chief Executive Officer is the only Named Executive Officer who has an Employment Agreement with Hanmi Financial. All other NEOs are employed at-will.

Short-Term Incentive Compensation

In accordance with Hanmi Financial's compensation philosophy, a significant portion of the compensation of our NEOs is performance-based. For each Named Executive Officer, target bonuses are stated as a percentage of annual base salary. The annual bonus payable to our President and Chief Executive Officer is capped at 100% of his annual base salary. The annual bonuses payable to the other NEOs are capped at 50% of their respective annual base salary. According to Mr. Kum's CEO Employment Agreement, he was not eligible for a short-term cash incentive for his work in 2013.

Generally, the NCGC Committee reviews performance against pre-established financial and non-financial goals on an annual basis to determine the short-term cash incentive compensation of our NEOs. In 2013, there were no formal financial performance measures set to calculate short-term bonuses. Payment of short-term cash incentives are solely at the discretion of the NCGC Committee based on the overall financial performance of the organization.

However, in 2014 the NCGC Committee put in place an Annual Incentive Plan (the "AIP"). The AIP includes the concept of a minimal acceptable return (MAR), in other words if the requirements of the MAR are not met then no cash bonuses will be paid to the NEOs including the CEO. In 2014, MAR will consist of two requirements: (i) the Company must meet 95% of the 2014 budget net income and (ii) satisfactory regulatory ratings in 2014.

Once MAR is met, each NEO will have objective requirements that must be met in order to obtain part or all of their potential cash incentive.

The CEO must meet six requirements: (i) Net income of at least 95% of 2014 budget (12.5% weighting); (ii) Top 25% ROA ranking among peer banks in 2014, as described above (12.5% weighting); (iii) Efficiency Ratio in line with 2014 budget (25% weighting); (iv) Total delinquent loans of Hanmi Bank, less than or equal to the 2014 budget (12.5% weighting); (v) Top 25% ranking within peer banks in 2014, in total delinquent loan (12.5% weighting), and (vi) approval to close the CBI deal (25% weighting). If the CEO meets 100% of each goal required he will be paid 100% of his annual base salary as a cash bonus.

The COO must meet five requirements: (i) Net income of at least 95% of 2014 budget (25% weighting), (ii) Loan and deposit goals in line with the 2014 budget (12.5% weighting), (iii) Asset quality as measured by classified asset and net charge-offs in line with 2014 budget (12.5% weighting), (iv) Overall satisfactory audit ratings of all departments responsible for (25% weighting) and (v) Successful conversion of treasury management platform (25% weighting). If the COO meets 100% of each goal required she will be paid up to 50% of her annual base salary as a cash bonus.

The CFO must meet four requirements: (i) Net income of at least 95% of 2014 budget (25% weighting), (ii) Satisfactory accounting / finance restructuring of department(25% weighting), (iii) Satisfactory regulatory and internal audit (25% weighting) and (iv) Achieve budgeted efficiency ratio (25% weighting). If the CFO meets 100% of each goal required he will be paid up to 50% of his annual base salary as a cash bonus.

Long-Term Incentive Awards

Long-term incentive awards, such as stock options and restricted stock, are the third key component of our NEOs' total compensation. The members of the NCGC Committee believe that employee stock ownership is a significant incentive for our NEOs to build stockholder wealth, and thereby aligning the interests of employees and stockholders. The members of the NCGC Committee also believe that equity-based compensation complements the short-term cash incentive compensation by forcing executives to recognize the impact their short-term decisions might have on long-term outcomes. This compensation approach limits an executive's ability to reap short-term gains at the expense of Hanmi Financial's long-term success. This is also an important tool in retaining NEOs, particularly through less rewarding years.

On August 23, 2013 the stockholders approved the Hanmi Financial Corporation 2013 Equity Compensation Plan, as may be amended from time to time (the **2013 Plan**). Long-term incentive awards were granted, in 2013, to our NEOs pursuant to the 2013 Plan. The NCGC Committee approves all stock option and restricted stock award grants and acts as an administrator of the 2013 Plan. The NCGC Committee has not established grant guidelines; rather, the size, timing, and other material terms of the long-term incentive awards for our NEOs are made at the discretion of the NCGC Committee. Factors considered by the NCGC Committee include comparison to our peer group as described above and each executive's previous grant history. Stock options and restricted stock grants awarded are included in the Summary Compensation Table.

Executive Perquisites

Our NEOs and other senior management employees receive the following benefits in addition to their other compensation: gasoline card; cellular phone allowance; and automobile allowance. Our President and Chief Executive Officer, C. G. Kum, also receives a membership in a golf country club and the use of a company car, in lieu of an auto allowance. These additional benefits of our NEOs are detailed under the "*All Other Compensation*" section and in the Summary Compensation Table below.

Broad-Based Benefits Programs

Our NEOs participate in the benefit programs that are available to all full-time employees. These benefits include health, dental, vision, and life insurance, short-term and long-term disability insurance, healthcare reimbursement accounts, paid vacation, and contributions to a 401(k) profit sharing retirement plan.

Severance Arrangements

The Employment Agreement of our President and Chief Executive Officer, C. G. Kum, contains provisions for severance arrangements in case of the involuntary termination of his employment by Hanmi Financial and Hanmi Bank without cause. See *Employment Agreements*, for a further description. The other NEOs do not have any such severance arrangements.

Compensation Policy Risk Assessment

The NCGC Committee reviews the compensation of our NEOs, as well as the overall compensation practices for the organization. Any performance incentive programs, awarding of bonus payments, and the budgeting for annual salary adjustments are reviewed and approved by the NCGC Committee before being presented to our full Board for ratification. An important aspect of the review is an assessment of whether the programs in any way encourage our NEOs or any other employee of Hanmi Financial to take unacceptable risk, in the short or long term.

Employment Agreements

C. G. Kum joined Hanmi Financial and Hanmi Bank as our President and Chief Executive Officer effective June 12, 2013.

- TERM: dated as of May 24, 2013, has a four-year term, which expires on the earlier of (i) June 12, 2017 or (ii) the effective date of termination of his employment pursuant to the terms of his Employment Agreement.

- **COMPENSATION:** annual base salary of \$450,000, which may be increased, but not decreased, in the sole discretion of the NCGC Committee, and under the terms of his Employment Agreement, Mr. Kum is eligible to receive an annual bonus capped at 100% of his annual base salary. Mr. Kum's annual bonus, which is to be paid in cash, is generally dependent on the attainment of certain financial goals set by the NCGC Committee. *See Short-Term Incentive Compensation*, above for a description of the 2014 goals. In addition, under Mr. Kum's Employment Agreement, he is entitled to the use of a company car, a bank issued cellular telephone, membership in a golf country club, and payment of reasonable business related expenses.
- **EQUITY AWARDS:** (i) grant of stock options to purchase 180,000 shares of Hanmi Financial common stock under the 2013 Plan, vesting ratably in equal installments over three years and (ii) grant of 30,000 restricted shares of Hanmi Financial common stock under the 2013 Plan, vesting ratably in equal installments over three years, subject to stockholder approval of the 2013 Plan at the Annual Meeting. Each award is subject to Mr. Kum continuing employment with the Company.
- **TERMINATION WITHOUT CAUSE :** if Mr. Kum's employment is terminated by Hanmi Financial and Hanmi Bank without cause (as defined in the Employment Agreement), then, subject to his execution of an effective general release of claims, Mr. Kum is entitled to receive (i) continuation of his then annual base salary for one year, (ii) the pro-rated portion of his bonus for the prior year based on the number of days worked during the year of termination, (iii) any accrued and/or unpaid salary, unused vacation, expense reimbursements, and other benefits to which he is entitled, and (iv) reimbursement of health insurance premiums, subject to certain limitations. In addition, all outstanding and then unvested stock options, restricted stock and other equity awards granted to Mr. Kum under any of the Company's equity incentive plans will be deemed to have vested as if Mr. Kum's employment has continued for one year following his actual termination date.
- **TERMINATION FOLLOWING A CHANGE IN CONTROL:** if within 18 months following a change in control (as defined in Mr. Kum's Employment Agreement) of the Company, if Hanmi Financial and Hanmi Bank terminates Mr. Kum's employment without cause or he terminates his employment for good reason (as defined in the Employment Agreement), then, subject to his execution of an effective general release of claims and certain limitations, Mr. Kum is entitled to receive (i) any accrued and/or unpaid salary, unused vacation, expense reimbursements, and other benefits to which he is entitled, and (ii) two times the sum of (a) his then current annual base salary and (b) the then maximum annual bonus amount. In addition, in the event of any change in control of the Company, all of Mr. Kum's equity awards will fully and automatically vest.

Other Executives

Hanmi Financial does not have an employment agreement with any other executives. All other executives are employed "at-will." Hanmi Financial does not owe any cash compensation to other executives in the event of a termination of employment or a change in control of Hanmi Financial other than accrued salary and accrued vacation not used. However, the RSAs held by executives will automatically vest upon a change in control and thus have value.

Administrative Policies and Practices

To evaluate and administer the compensation programs of our NEOs, the NCGC Committee meets at least four times a year. In addition, the NCGC Committee also holds special meetings to discuss extraordinary items. At the end of a meeting, the NCGC Committee may choose to meet in executive session, when necessary. During the fiscal year 2013, the NCGC Committee met sixteen (16) times.

Stock Ownership Guidelines

The NCGC Committee has not implemented stock ownership guidelines for our NEOs; however, the NCGC Committee continues to periodically review best practices and re-evaluate whether stock ownership guidelines are consistent with our compensation philosophy and stockholders' interests.

Tax Deductibility of Executive Officer Compensation

Section 162(m) of the Code, precludes a public corporation from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its four highest paid executive officers other than the Chief Executive Officer, unless certain criteria are satisfied. However, performance-based compensation that has been approved by stockholders is excluded from the \$1 million limit. The NCGC Committee will continue to carefully consider the impact of Section 162(m) in determining the appropriate pay mix and compensation levels for our NEOs and will comply with the deduction requirements of Section 162(m).

(1) Mr. Kum's Employment Agreement provides for payment of certain benefits in the event of various termination scenarios. If Mr. Kum is terminated within 18 months of a change in control event, he is entitled to receive two times the sum of (a) his then current base salary and (b) the then-maximum annual bonus amount as well as any other accrued and/or unpaid salary and other benefits to which he is entitled. On August 28, 2013, Mr. Kum was granted 41,831 restricted stock units, Ms. Lee 15,000 restricted stock units and Mr. Yoon 12,500 restricted stock units, respectively.

Assumptions used in the calculation of these amounts for the fiscal year ended December 31, 2013 are included in Note 12 to Hanmi Financial's audited financial statements for the fiscal year ended December 31, 2013, included in Hanmi Financial's Annual Report on Form 10-K filed with the SEC on March 17, 2014.

Outstanding Equity Awards at Fiscal Year-End

The Company previously maintained the 2000 Stock Option Plan (the “**2000 Plan**”) and the 2007 Plan. The Company currently maintains the 2013 Plan which was approved by the stockholders on August 23, 2013.

2000 and 2007 Plan

The 2007 Plan provides for grants of non-qualified and incentive stock options, restricted stock, stock appreciation rights and performance shares to non-employee directors, officers, employees and consultants of Hanmi Financial and its subsidiaries. The 2000 Plan provided for the grant of non-qualified and incentive stock options. Although no future stock options may be granted under the 2000 Plan or 2007 Plan, certain employees, directors and officers of Hanmi Financial and its subsidiaries still hold options to purchase Hanmi Financial common stock under the 2000 Plan and 2007 Plan, respectively.

The 2007 Plan provides for several different types of equity awards in addition to stock options and restricted stock awards. Stock options granted under the 2007 Plan generally vest over a five-year period, with 20 percent becoming exercisable 1 year following the grant date, and 20 percent thereafter on each anniversary of the grant date. All stock options are granted with a ten-year term and have an exercise price equal to the fair market value of Hanmi Financial’s common stock on the date of grant. Restricted stock granted under the 2007 Plan also generally vest over a five-year period, with 20 percent becoming vested 1 year following the grant date, and 20 percent thereafter on each anniversary of the grant date.

2013 Plan

A key objective of the 2013 Plan is to provide more flexibility in the types of equity incentives that may be offered to employees, non-employee directors and consultants. The 2013 Plan provides for discretionary grants of the following types of awards: Incentive Stock Options; Non-Qualified Stock Options; Restricted Stock Awards; Restricted Stock Unit Awards; Stock Appreciation Rights; Bonus Stock Awards; Dividend Equivalents; Stock Bonuses; Performance Awards; and Other Stock-Based Awards. Stock options granted under the 2013 Plan generally vest over a three-year period, with one-third becoming exercisable one (1) year following the grant date, and one-third thereafter on each anniversary of the grant date. All stock options are granted with a ten-year term and have an exercise price equal to the fair market value of Hanmi Financial’s common stock on the date of grant. Restricted stock granted under the 2013 Plan also generally vest over a three-year period, with one-third becoming vested one (1) year following the grant date, and one-third ($\frac{1}{3}$) thereafter on each anniversary of the grant date.

The 2013 Plan provides Hanmi Financial flexibility to (i) attract and retain qualified non-employee directors, executives and other key employees and consultants with appropriate equity-based awards, (ii) motivate high levels of performance, (iii) recognize employee contributions to Hanmi Financial’s success, (iv) enabling such persons to acquire or increase a proprietary interest in Hanmi Financial in order to strengthen the mutuality of interests between such persons and stockholders, and (v) providing such persons with performance incentives to expend their maximum efforts in the creation of stockholder value. The maximum number of shares of Hanmi Financial common stock that may be issued pursuant to equity incentive awards granted under the 2013 Plan is 1,500,000. Equity incentive awards for 113,332 shares of common stock were previously granted under the 2013 Plan and there are options to purchase 305,000 shares of common stock outstanding under the 2013 Plan as of December 31, 2013.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS; DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

Some of Hanmi Financial's Directors and executive officers and their immediate families, as well as the companies with which they are associated, are customers of, or have had banking transactions with, Hanmi Financial or Hanmi Bank in the ordinary course of Hanmi Financial's business, and Hanmi Financial expects to have banking transactions with such persons in the future. There is no amount of indebtedness owed to Hanmi Financial or Hanmi Bank by the principal officers (considered Regulation O Officers) and current Directors of Hanmi Financial (including associated companies) as of December 31, 2013. If credit was to be extended to a Regulation O Officer or a Director, in management's opinion, all loans and commitments to lend included in such transactions would be made in the ordinary course of business, in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and would not involve more than a normal risk of repayment or present other unfavorable features.

In connection with the retirement of Won R. Yoon, Ki Tae Hong, Stuart S. Ahn, and Chang Kyu Park as Directors in 2008, Hanmi Financial and Hanmi Bank entered into severance agreements with each of them. Pursuant to such severance agreements, each of the retiring Directors received \$3,000 per month until October 2013. Each of the retiring Directors also received health insurance coverage until October 2013 with Hanmi Financial paying for medical, dental, and/or vision premiums. The cost of the medical insurance or in lieu of payments are: Won R. Yoon (\$9,350), Ki Tae Hong (\$17,255), Stuart S. Ahn (\$18,183), and Chang Kyu Park (\$8,510)

In connection with the retirement of Richard Lee as a Director in 2009, Mr. Lee entered into a severance agreement with Hanmi Bank. Pursuant to the severance agreement, among other things, Mr. Lee received a lump-sum payment of \$180,000 upon his retirement. Mr. Lee received health insurance coverage in 2013 in the amount of \$30,563, and Hanmi Bank will continue to pay for medical, dental, and vision premiums until March 2014.

Review, Approval or Ratification of Transactions with Related Persons

Hanmi Financial has adopted Corporate Governance Guidelines and the Code of Business Conduct and Ethics for Directors, both of which regulate and monitor related person transactions. These policies and federal law require that executive officers, Directors, five-percent (5%) stockholders, and their family members, and entities for which any of those persons serve as officers or partners or in which they have a ten percent (10%) or greater interest, must notify Hanmi Financial's Corporate Secretary before entering into transactions or other arrangements with Hanmi Financial or any of its affiliates (other than loans subject to Regulation O promulgated by the Board of Governors of the Federal Reserve System) if the amount exceeds \$25,000. Hanmi Financial's Corporate Secretary will determine whether, under these guidelines, the transaction or arrangement should be submitted to the Audit Committee for approval. In determining whether to submit proposed transactions to the Audit Committee for consideration, Hanmi Financial's Corporate Secretary will consider, among other things, the aggregate value of the proposed transaction, the benefits to Hanmi Financial of the proposed transaction, and whether the terms of the proposed transaction are comparable to the terms available to an unrelated third party and employees generally. These policies also includes provisions for the review and possible ratification of transactions and arrangements that are entered into without prior review. During 2013, neither Hanmi Financial nor any of its affiliates entered into any related-party transactions that required review, approval, or ratification under these policies.

Director Independence

Our Board has determined that all of its Directors are independent under the applicable listing standards of NASDAQ, except for C. G. Kum, who also serves as the President and Chief Executive Officer of Hanmi Financial.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Board of Directors and Nominees

Hanmi Financial's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide for a Board of Directors consisting of no less than five (5) and no more than eleven (11) Directors, the exact number within this range to be determined by our Board. Currently, our Board consists of nine (9) Directors. Subject to their earlier resignation or retirement, Directors elected at the Annual Meeting will serve until the 2015 Annual Meeting of Stockholders, or until their successors are elected and qualified. Our Board has identified certain core competencies that its Directors should possess, including broad experience in business, finance, accounting, marketing or administration, familiarity with national and international business matters, familiarity with the Company's industry and ability to understand the Company's business. In addition to possessing one or more of these core competencies, the members of our Board should have and demonstrate personal qualities such as integrity, leadership, community prominence and reputation. The experience, skills and qualifications contributed by each of our Directors should diversify and complement the core competencies of our collective Board. Our Board believes that each Director nominee satisfies our director qualification standards and accordingly nominates: I Joon Ahn, John A. Hall, Paul Seon-Hong Kim, C. G. Kum, Joon Hyung Lee, Chulse (William) Park, Joseph K. Rho, David L. Rosenblum and William J. Stolte.

In addition to each Director nominee's professional experience outlined in the table below, our Board believes that each Director nominee has other key attributes that are important to an effective Board of Directors, such as, integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of origin, background, experience, and thought; and the commitment to devote significant time and energy to service on our Board and its committees.

The Director nominees receiving a majority of the votes cast, in uncontested elections, will be elected. In contested elections, the Company will use plurality voting with a resignation requirement. Each Director nominee has indicated his willingness to serve on our Board. Each proxy will be voted "for" the election of such Director nominees unless instructions are given on the proxy to vote "against" such Director nominees. In the event a Director nominee is unable to serve, your proxy will be voted for an alternative Director nominee as determined by our Board.

None of the Director nominees was nominated pursuant to any arrangement or understanding. There are no family relationships among the Director nominees or the executive officers of Hanmi Financial. As of the date hereof, no Director nominee holds a directorship with another company that has a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, or the Exchange Act, or subject to the requirements of Section 15(d) of the Exchange Act, or any company registered as an investment company under the Investment Company Act of 1940, as amended.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” EACH OF
THE NINE DIRECTOR NOMINEES**

PROPOSAL NO. 2

NONBINDING ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Company believes that our overall executive compensation program, as described in this proxy statement, is designed to pay for performance and directly aligns the interest of our executive officers with the long-term interests of our stockholders.

The Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”) enables our stockholders to vote to approve, on a nonbinding basis, the compensation of our NEO’s as disclosed in this Proxy Statement in accordance with the SEC’s rules. Accordingly, the Company gives you the stockholder the opportunity to vote for or against the following resolution:

“Resolved, that the stockholders of Hanmi Financial Corporation (“Hanmi”) hereby approve the compensation of our Named Executive Officers as reflected in the Summary Compensation Table, pursuant to Item 402 of Regulation S-K, of the Hanmi Proxy Statement for the 2014 Annual Meeting of Stockholders, including the Compensation Discussion and Analysis, the executive compensation tables and narrative discussion contained in the Proxy Statement.”

Because your vote is advisory, it will not be binding upon the Board of Directors. In the event this nonbinding proposal is not approved by our stockholders, then such a vote shall neither be construed as overruling a decision by our Board of Directors or our NCGC Committee, nor create or imply any additional fiduciary duty by our Board of Directors or our NCGC Committee, nor further shall such a vote be construed to restrict or limit the ability of our stockholders to make proposals for inclusion in proxy materials related to executive compensation. Notwithstanding the foregoing, the Board of Directors and the NCGC Committee will consider the nonbinding vote of our stockholders on this proposal when reviewing compensation policies and practices in the future.

Our overall executive compensation policies and procedures are described in the Compensation Discussion and Analysis and the tabular disclosure regarding Named Executive Officer compensation (together with the accompanying narrative disclosure) in this document. We believe that our compensation policies and procedures, going forward will be centered on a pay-for-performance culture and are aligned with the long-term interests of our stockholders, as described in the Compensation Discussion and Analysis. The NCGC Committee, which is comprised entirely of independent directors oversees our executive compensation program and continually monitors our policies to ensure they continue to emphasize programs that reward executives for results that are consistent with stockholder interests.

Stockholders are encouraged to carefully review the “Compensation Discussion and Analysis” section of this Proxy Statement for a detailed discussion of the Company’s executive compensation program. Our Board and our NCGC Committee believe that our commitment to these responsible compensation practices justifies a vote by stockholders FOR the resolution approving the compensation of our executives as disclosed in this document.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NONBINDING RESOLUTION APPROVING THE COMPENSATION OF EXECUTIVES.

PROPOSAL NO. 3

RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment by the Audit Committee of KPMG LLP (“KPMG”) as our independent registered public accounting firm for the fiscal year ending December 31, 2014. KPMG served as our independent registered public accounting firm for the fiscal year ended December 31, 2013 and has served as our independent registered public accounting firm since 2001. KPMG has advised us that it has no direct or indirect financial interest in us. Representatives of KPMG are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions. If this proposal is not approved at the Annual Meeting, the Audit Committee will reconsider this appointment. Under applicable SEC regulations, the selection of our independent registered public accounting firm is solely the responsibility of the Audit Committee.

The following table sets forth information regarding the aggregate fees billed for professional services rendered by KPMG for the fiscal years ended December 31, 2013 and 2012:

	2013	2012
Audit Fees (1)	\$ 680,085	\$ 590,000
Audit-Related Fees (2)	15,000	97,000
Tax Fees (3)	161,137	170,000
All Other Fees (4)	80,000	-
	<u>\$ 936,222</u>	<u>\$ 857,000</u>

(1) Includes fees billed for the integrated audit of our annual financial statements and internal control over financial reporting, for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q, and for compliance with the Federal Deposit Insurance Corporation Improvement Act.

(2) Includes fees billed for professional services rendered in connection with the issuance of a consent letter related to review of registration statements.

(3) Includes fees billed for professional services rendered in connection with tax compliance, tax advice, and tax planning.

(4) All other fees in fiscal year 2013 were for professional services relating to tax-related M&A due diligence review.

There were no other fees billed by KPMG for advice or services rendered to Hanmi Financial other than as described above.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established “Pre-Approval Policies and Procedures” for independent auditor services. Any proposed services not pre-approved or exceeding pre-approved cost levels require specific pre-approval by the Audit Committee. The Audit Committee may not delegate to management its responsibilities to pre-approve services performed by the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. In 2013 and 2012, the Audit Committee Chairman was permitted to approve fees up to \$25,000 with the requirement that any pre-approved decisions be reported to the Audit Committee at its next scheduled meeting. All services provided by KPMG in 2013 were pre-approved in accordance with the Audit Committee’s pre-approval requirements.

Ratification

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of KPMG as the Company’s independent registered public accounting firm. However, we are submitting the selection of KPMG to our stockholders for ratification to obtain our stockholders’ views. If our stockholders fail to ratify the selection of KPMG, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection of KPMG is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in our and our stockholders’ best interests.

The affirmative vote of the holders of a majority of shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of KPMG. Abstentions will be counted toward the tabulation of votes cast on proposals presented to stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for determining whether this matter has been approved.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

OTHER MATTERS

Other than the business and proposals described in this Proxy Statement, our Board knows of no other business that will be presented for consideration at the Annual Meeting. If, however, other business shall properly come before the Annual Meeting, the persons named in the proxies intend to vote the shares represented by the proxies on such matters in accordance with the recommendation of our Board, or in the absence of a recommendation, in accordance with their judgment.
