PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 10, 2020

The Board of Directors (our “Board”) of Hanmi Financial Corporation is soliciting your proxy for use at the 2020 annual meeting of stockholders (the “Annual Meeting”) to be held at the Oxford Palace Hotel, located at 745 S. Oxford Ave., Los Angeles, California, on Wednesday, June 10, 2020 at 10:30 a.m., Pacific Time, and at any adjournments or postponements thereof.

PROXY STATEMENT SUMMARY

MATTERS TO BE CONSIDERED AND VOTE RECOMMENDATION

We are asking stockholders to vote on the following matters at the Annual Meeting of Stockholders:

Proposal	Our Board’s Recommendation
Item 1. Election of Directors (page 14) The Board believes that the nine (9) director nominees possess the necessary qualifications to provide effective oversight of the Company’s business and quality advice and counsel to our management.	“FOR” each Director Nominee
Item 2. Advisory Vote to Approve Executive Compensation (“Say-on-Pay” Vote) (page 44) The Company seeks a non-binding advisory vote from its stockholders to approve the compensation of its Named Executive Officers (“NEOs”) as described in the <i>Compensation Discussion and Analysis</i> and <i>Executive Compensation</i> sections beginning on page 19. Your vote is advisory. Thus it will not be binding upon our Board and may not be construed as overruling any decision by our Board. However, the Compensation and Human Resources Committee will take into account the outcome of the vote when considering future executive compensation arrangements.	“FOR”
Item 3. Ratification of Auditors (page 45) The Audit Committee and the Board believe that the continued retention of Crowe LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2020 is in the best interests of the Company and its stockholders. As a matter of good corporate governance, stockholders are being asked to ratify the Audit Committee’s selection of the independent registered public accounting firm. If the stockholders do not ratify the selection by a majority vote of the shares present and voting, the Audit Committee will reconsider whether or not to retain Crowe LLP. Even if the selection is ratified, the Audit Committee may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our and our stockholders’ best interests.	“FOR”

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why did I receive this Proxy Statement?

A: You received this Proxy Statement and the enclosed proxy card because we are soliciting your vote at the Annual Meeting. As a stockholder of record of our common stock, you are invited to attend the Annual Meeting, and are entitled and requested to vote on the proposals described in this Proxy Statement. This Proxy Statement summarizes the information you need to know to cast an informed vote at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card by mail. You may also vote by telephone or via the Internet.

We will begin posting this Proxy Statement, notice of the Annual Meeting, and the enclosed proxy card on or about April 28, 2020 to all stockholders entitled to vote.

Q: Who is entitled to vote and how many votes do I have?

A: All stockholders of our common stock as of the close of business on April 17, 2020, and only those stockholders, will be entitled to vote at the Annual Meeting. You have one vote for each share of our common stock you owned as of the close of business on the record date.

Q: How many shares are eligible to be voted?

A: As of April 17, 2020, 30,619,349 shares of our common stock were outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each matter to be voted on at the Annual Meeting.

Q: What is the difference between holding shares as a “record” holder and in “street name”?

- A:
- Record Holders: If your shares of common stock are registered directly in your name on our stock records, you are considered the stockholder of record, or the “record holder” of those shares. As the record holder, you have the right to vote your shares in person or by proxy at the Annual Meeting.
 - Street Name Holders: If your shares of common stock are held in an account at a brokerage firm, bank, or other similar entity, then you are the beneficial owner of shares held in “street name.” The entity holding your account is considered the record holder for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct this entity on how to vote the shares held in your account. However, as described below, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the entity that holds your shares giving you the right to vote the shares at the Annual Meeting.

Q: What is a broker non-vote?

A: Current regulations restrict the ability of your brokerage firm, bank or similar entity to vote your shares in the election of directors and other matters on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors or for the advisory vote regarding the compensation of our NEOs, no votes will be cast on your behalf. These are referred to as broker non-votes. Your bank or broker does, however, continue to have discretion to vote any shares for which you do not provide instructions on how to vote on the ratification of the appointment of our independent registered public accounting firm (Proposal 3 of this Proxy Statement).

Q: What is the required quorum at the Annual Meeting?

A: A quorum for the transaction of business at the Annual Meeting requires the presence, in person or by proxy, of the holders of a majority of all shares entitled to vote at a meeting of stockholders. Abstentions and broker non-votes are treated as being present for purposes of establishing a quorum.

Q: What vote is required to approve each proposal at the Annual Meeting?

- A:
1. **Election of Directors.** Directors are elected by a majority of votes cast in uncontested elections. In order to be elected to the Board, the votes cast "for" the nominee must exceed the number of votes cast "against" the nominee.
 2. **Advisory Vote on the Compensation of our NEOs.** Approval, on an advisory basis, of the compensation of our NEOs requires the affirmative vote of a majority of the shares present in person or represented by proxy.
 3. **Ratification of Selection of Auditors.** Ratification of the selection of Crowe LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 requires the affirmative vote of a majority of the shares present in person or represented by proxy.

Q: What is the effect of broker non-votes and abstentions?

A: Abstentions and broker non-votes will be counted for determining a quorum. Your broker, however, will not be entitled to vote without your instruction on Proposals 1 and 2 on the election of directors and the advisory (non-binding) proposal to approve the compensation of our NEOs, respectively.

Your broker will be authorized to vote your shares on the ratification of our independent registered public accounting firm even if it does not receive instructions from you, and accordingly, broker non-votes will have no effect on this proposal.

Abstentions will have no effect on the election of directors in Proposal 1, but will have the effect of a vote "AGAINST" Proposals 2 and 3 for the advisory (non-binding) vote to approve the compensation of NEOs and the ratification of our independent registered public accounting firm, respectively.

Q: How can I vote my shares?

A: If you hold your shares of common stock in your own name and not through a broker or another nominee, you may vote your shares of common stock by the following methods, subject to compliance with the applicable cutoff times and deadlines described below:

By Internet

You can vote on the website using the internet address printed on your proxy card. Internet voting is available 24 hours a day until 11:59 p.m., Pacific Time, on June 9, 2020. If you vote via the Internet, you do not need to return your proxy card.

By Telephone

You can vote by dialing the toll-free number printed on your proxy card. Telephone voting is available 24 hours a day until 11:59 p.m., Pacific Time, on June 9, 2020. If you vote by telephone, you do not need to return your proxy card.

By Mail

You can vote by mail by signing, dating and returning the proxy card in the postage-paid envelope provided to you. Proxy cards sent by mail must be received by June 9, 2020.

In Person

By attending the Annual Meeting and voting in person.

Whichever of these methods you select to transmit your instructions, the proxy holders will vote your shares of common stock in accordance with your instructions. If you give a proxy without specific voting instructions, your proxy will be voted by the proxy holders "FOR" each of the director nominees named in this Proxy Statement, "FOR" the approval, on an advisory basis, of the compensation of our NEOs, "FOR" the ratification of our independent registered public accounting firm, and at the proxy holders' discretion on such other matters, if any, as may properly come before the Annual Meeting (including any proposal to adjourn the Annual Meeting).

PROXY STATEMENT SUMMARY

Q: Can I change or revoke my vote after I return my proxy card?

A: You may revoke a proxy at any time before the vote is taken at the Annual Meeting by advising our Corporate Secretary in writing before the vote at the Annual Meeting is taken, by submitting a properly executed proxy of a later date by mail, telephone or via the Internet, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not by itself constitute revocation of a proxy. Any filing with the Corporate Secretary should be addressed to Hanmi Financial Corporation, 3660 Wilshire Boulevard, Penthouse Suite A, Los Angeles, California 90010.

Q: How do I vote in person?

A: If you plan to attend the Annual Meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares of common stock are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote your shares of common stock at the Annual Meeting.

Q: What if you are unable to hold the Annual Meeting at the designated location due to the pandemic?

A: As part of our precautions regarding the novel coronavirus [COVID-19], we are planning for the possibility that the annual meeting may be held solely by means of remote communication. If we take this step, we will announce the decision to do so in advance, and details of how to participate will be available at www.hanmi.com on the "Investor Relations" page.

Q: How will proxies be solicited?

A: In addition to soliciting proxies by mail, our officers, directors, and employees, without receiving any additional compensation, may solicit proxies by telephone, fax, in person, or by other means. Arrangements may also be made with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation materials to the beneficial owners of our common stock held of record by such persons, and we will reimburse such brokerage firms, custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

Q: Will any other matters be considered at the Annual Meeting?

A: We are not aware of any matter to be presented at the Annual Meeting other than the proposals discussed in this Proxy Statement. If other matters are properly presented at the Annual Meeting, then the persons named as proxies will have the authority to vote all properly executed proxies in accordance with the direction of our Board, or, if no such direction is given, in accordance with the judgment of the persons holding such proxies on any such matter, including any proposal to adjourn or postpone the Annual Meeting.

Q: Are there any rules regarding admission to the Annual Meeting?

A: Yes. You are entitled to attend the Annual Meeting only if you were a stockholder as of the record date, or you hold a valid legal proxy naming you to act for one of our stockholders on the record date. Before we admit you to the Annual Meeting, we must be able to confirm:

- Your identity by reviewing a valid form of photo identification, such as a driver's license or passport; and
- You were, or are validly acting for, a stockholder of record on the record date by:
 - Verifying your name and stock ownership against our list of registered stockholders, if you are the record holder of your shares;
 - Reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or
 - Reviewing a written proxy that shows your name and is signed by the stockholder you are representing, in which case either the stockholder must be a registered stockholder of record or you must have a brokerage or bank statement for that stockholder as described above.

If you do not have a valid form of photo identification and proof that you owned or are legally authorized to act as proxy for someone who owned, shares of our common stock on April 17, 2020, you will not be admitted into the Annual Meeting.

Q: Is my vote confidential?

A: Your vote will not be disclosed either within the Company or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation and certification of the vote, or to facilitate a successful proxy solicitation.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to disclose voting results on a Current Report on Form 8-K to be filed with the U.S. Securities and Exchange Commission (the "SEC") within four business days after the Annual Meeting.

CORPORATE GOVERNANCE

Hanmi is committed to sound corporate governance principles and maintains formal Corporate Governance Guidelines. Hanmi has also adopted a Code of Business Conduct and Ethics for employees, executive officers and directors. These Corporate Governance Guidelines, as well as Hanmi's Code of Business Conduct and Ethics and other governance matters of interest to investors, are available through Hanmi's website at www.hanmi.com on the "Investor Relations" page. Any amendments or waivers applicable to an executive officer or director to the Code of Business Conduct and Ethics will also be posted on Hanmi's website.

The NCG Committee has primary oversight of our efforts to be a responsible corporate citizen in our communities. In order to address opportunities and challenges arising from Environmental, Social and Governance ("ESG") matters, the NCG Committee has designated a subcommittee to thoughtfully discuss how Hanmi directly impacts our stakeholders – our valued employees, customers, and communities.

DIRECTOR INDEPENDENCE

Our common stock is listed on the Nasdaq Global Select Market ("Nasdaq"). Under Nasdaq rules, independent directors must comprise a majority of a listed company's board of directors. In addition, Nasdaq requires that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees must be independent. Under these rules, a director is independent only if the board of directors of a company makes an affirmative determination that the director has no material relationship with the company that would impair his or her independence.

Our Board has undertaken a review of the independence of each director in accordance with Nasdaq rules and the requirements of the SEC. Based on this review, our Board has determined that all of its directors are independent under the applicable listing standards of Nasdaq, except for Bonita I. Lee, our President and Chief Executive Officer. In making this determination, our Board considered the relationships that each non-employee director has with us and all other facts and circumstances that the Board deemed relevant in determining their independence.

BOARD MEETINGS AND COMMITTEES

During the fiscal year ended December 31, 2019, our Board held ten (10) joint board meetings with the Board of Hanmi Bank (the “Bank”), the wholly-owned subsidiary of Hanmi, and one (1) special board meeting, for a total of eleven (11) board meetings. All Board members were present for more than 75% of the aggregate number of meetings of our Board and the committees on which he or she served. Hanmi’s policy is to encourage all directors to attend all Annual and Special Meetings of Stockholders. Hanmi’s 2019 Annual Meeting of Stockholders was attended by all directors.

Our Board has four (4) standing committees: the Audit Committee, the Compensation and Human Resources Committee (the “CHR Committee”), the Nominating and Corporate Governance Committee (the “NCG Committee”), and the Risk, Compliance and Planning Committee (the “RCP Committee”). Each committee is governed by a charter, each of which is available through Hanmi’s website at www.hanmi.com on the “Investor Relations” page.

Audit Committee

The Audit Committee reports to the Board and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management, and our audit process and policies. Through its oversight of the audit function, the Audit Committee ensures compliance with laws and regulations.

As outlined in its charter, the Audit Committee has the following responsibilities, among others:

- Assist the Board in fulfilling its oversight responsibilities for the financial reporting process, the system of internal controls, the audit process, and Hanmi’s process for monitoring compliance with laws and regulations and the code of conduct;
- Review the unaudited quarterly and audited annual financial statements;
- Review the adequacy of internal control systems and financial reporting procedures with management and the independent auditor;
- Review and approve the general scope of the annual audit and the fees charged by the independent registered public accounting firm;
- Appoint the independent registered public accounting firm and meet with them to discuss the results of the annual audit and the independence of the independent registered public accounting firm; and
- Review and approve the general scope of the annual internal audit plan and associated fees.

The Audit Committee held ten (10) meetings during the fiscal year ended December 31, 2019.

Compensation and Human Resources Committee

The CHR Committee assists the Board by overseeing the compensation of Hanmi’s executive officers, including Hanmi’s Chief Executive Officer, as well as administering Hanmi’s compensation plans. As outlined in its charter, the CHR Committee has the following responsibilities, among others:

- Review and approve the Company’s overall compensation theory, plans, policies and programs as it relates to directors, the Chief Executive Officer and executive officers;
- Approve directors overall compensation, policies and programs;
- Oversee management development and management succession planning;
- Review and approve executive officers’ separation plan and employment and severance agreements; and
- Lead the Board in its annual review of executive management’s performance as it relates to metrics for bonus payouts.

CORPORATE GOVERNANCE AND BOARD MATTERS

The CHR Committee also sets the compensation policy of the Company as more fully described below under *Executive Compensation – Compensation Discussion and Analysis*. To evaluate and administer the compensation programs of our NEOs, the CHR Committee meets at least four times a year or more frequently as necessary. The CHR Committee is also authorized to retain outside consultants to assist it in determining executive officer compensation.

Each member of the CHR Committee is an “outside director” (as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”)) and a “non-employee director” (as defined in Section 16 of the Securities Exchange Act of 1934 (the “Exchange Act”)). The CHR Committee held eight (8) meetings during the fiscal year ended December 31, 2019.

Nominating and Corporate Governance Committee

As described in its charter, the NCG Committee assists the Board as follows:

- Identify individuals qualified to become directors;
- Recommend to the Board nominees for the Board and its committees;
- Develop, recommend, implement and monitor adherence to a set of corporate governance principles applicable to Hanmi; and
- Monitor the process to determine the effectiveness of the Board and its committees.

See *Consideration of Director Nominees* below for additional information regarding the director nomination process. The NCG Committee is authorized to retain outside consultants to assist it in fulfilling any of its duties, including Board and director assessment and Board evaluation.

The NCG Committee held four (4) meetings during the fiscal year ended December 31, 2019.

Risk, Compliance and Planning Committee

As outlined in its charter, the RCP Committee provides oversight of the enterprise risk management framework, including the strategies, policies, procedures and systems established by management to identify, assess, measure and manage the significant risks facing the Company. It also oversees strategic planning generally and recommends new lines of business and the budget to our Board.

The RCP Committee held five (5) meetings during the fiscal year ended December 31, 2019.

BOARD LEADERSHIP STRUCTURE

The Board is committed to having a sound governance structure that promotes the best interest of all Hanmi stockholders. Our leadership structure includes the following principles:

- We believe that yearly elections hold the directors of the Board more accountable to our stockholders.
- All of the directors are independent, except for Bonita I. Lee, our President and Chief Executive Officer. The Board has affirmatively determined that the other eight (8) directors nominated for re-election are independent under applicable SEC and Nasdaq corporate governance rules.
- We have separated the positions of the Chairman of the Board and Chief Executive Officer in the Company’s Bylaws to ensure the independence of the Chairman. The Chairman focuses on board oversight responsibilities, strategic planning and mentoring company officers. The Chairman also periodically represents the Bank at public functions. The Chief Executive Officer focuses on the development and execution of Company strategies.
- We also maintain a Vice Chairman of the Board, who is an independent director exercising all the powers and discharging all the duties of the Chairman of the Board in such circumstances before a Chairman is appointed or a sitting Chairman becomes absent or disabled. Director David L. Rosenblum serves as Vice Chairman.

- We believe the Board structure serves the interests of the stockholders by balancing the practicalities of running the Company with the need for director accountability.

BOARD'S ROLE IN RISK OVERSIGHT

The Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organization objectives in the areas of strategy, operations, reporting and compliance. The Board recognizes that these objectives are important to improve and sustain long-term performance and stockholder value. A fundamental part of risk management is not only identifying the risks the Company faces and the steps management is taking to manage those risks, but also determining what constitutes the appropriate level of risk based upon the Company's activities and risk appetite.

The RCP Committee goes through an extensive review of the enterprise risk assessment on a quarterly basis with the guidance of the RCP Committee Chairperson and the Bank's Chief Risk Officer. The risk assessment is also reviewed by the Board quarterly. In this process, risk is assessed throughout the Company by focusing on the following six (6) areas: credit, liquidity, market, operations, compliance / legal and reputational. Risks that simultaneously affect different parts of the Company are identified, and an interrelated assessment is made.

While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the RCP Committee assists the Board in fulfilling its oversight responsibility with respect to regulatory, compliance, operational risk and enterprise risk management issues that affect the Company and works closely with the Company's legal and risk departments. The RCP Committee also oversees risks associated with the short- and long-term direction of the Company and ensures ongoing Board involvement and oversight of the Company's strategic plan. The Audit Committee helps the Board monitor financial risk and internal controls from a risk-based perspective, and oversees compliance and the annual audit plan. Reports from the Company's internal audit department are also reviewed by the Audit Committee.

In overseeing compensation, the CHR Committee ensures that incentives that encourage a conservative level of risk-taking behavior consistent with the Company's business strategy and in compliance with all laws and the Interagency Guidance on Incentive Compensation. The NCG Committee oversees the Code of Business Conduct and Ethics and conducts an annual assessment of corporate governance policies and any potential risk associated with governance and related party matters.

The Bank also has two board committees that oversee risk. The Loan and Credit Policy Committee (the "LCP Committee") oversees credit risk by identifying, monitoring, and controlling repayment risk associated with the Bank's lending activities. The Asset Liability Management Committee oversees the implementation of an effective process for managing the Bank's interest rate, liquidity, and similar market risks relating to the Bank's balance sheet and associated activities.

The Board is committed to protecting personal and financial information, and devotes a significant amount of time to information security and cybersecurity risks. Members of the RCP Committee receive regular reports from the Chief Risk Officer related to information technology and information security to fulfill its role of assisting management in identifying, assessing, measuring and managing certain risks facing the Company.

The Bank's Information Security Officer meets at least quarterly with the RCP Committee to provide updates on cybersecurity and information security risk, and the Board annually reviews and approves our Information Security Program and Information Security Policy. The RCP Committee engages in key decisions to help set the direction for information security strategy, as well as to understand and prioritize information security capabilities and associated risk remediation. The Executive IT Steering Committee is an internal Bank committee created to ensure that members of executive management overseeing multiple business units actively understand information security protections and associated risks. The Information Security Officer presents quarterly cybersecurity reports to the Executive IT Steering Committee. In addition, the Bank purchases cyber liability and other insurance to protect against cyber security risks.

CONSIDERATION OF DIRECTOR NOMINEES

The NCG Committee believes that the Board should encompass a broad range of talent, skill, knowledge, experience, diversity and expertise enabling it to provide sound guidance with respect to Hanmi's operations and interests. In addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of Hanmi's business. Our Board has identified certain core competencies that its directors should possess, including: broad experience in business, finance, accounting, risk management, strategic planning, marketing or administration; familiarity with national and international business matters; familiarity with the Company's industry; and the ability to understand the Company's business. In addition to possessing one or more of these core competencies, the members of our Board should have and demonstrate personal qualities such as integrity, leadership, community prominence and a strong reputation. The experience, skills and qualifications contributed by each of our directors should diversify and complement the core competencies of our collective Board.

The NCG Committee seeks directors with a strong reputation and experience in areas relevant to the strategy and operation of Hanmi's business, particularly industries and growth segments that Hanmi operates in, such as the banking and financial services industry, as well as key geographic markets and customer segments. The NCG Committee annually reviews the individual skills and characteristics of the directors, as well as the composition of the Board as a whole. This assessment includes a consideration of independence, diversity, age, skills, expertise and industry background in the context of the needs of the Board and Hanmi.

The Board conducts an annual evaluation to determine whether the Board and its committees are functioning effectively. The NCG Committee oversees the evaluation method and criteria for the Board's annual evaluation of the composition, competence and performance of the Board and its committees. The NCG Committee may retain consultants or advisors to assess the performance and effectiveness of the Board, its committees and each individual director.

The results of any self-evaluations, peer evaluations or evaluations by any consultant or advisor are submitted to the Board. The Board then takes appropriate action based on the Board's assessment and performance evaluations. The Board and director evaluation process considers the best interests of Hanmi, its Board, employees, customers and stockholders. The assessment includes director succession planning and expected future needs of the Board and the Company, so as to ensure that Board effectiveness is not diminished during periods of transition.

Board Diversity

The Corporate Governance Guidelines require the NCG Committee to consider diversity when reviewing the qualifications of candidates to the Board. The NCG Committee seeks to nominate members with diverse backgrounds, skills, professional and industry experience, and other personal qualities, attributes and perspectives that will help ensure a strong and effective governing body that, as a whole, reflects the current and anticipated needs of our Board and Company and can provide oversight responsibility to our stockholders.

In identifying and evaluating director candidates, the NCG Committee will solicit and receive recommendations, and review qualifications of potential director candidates. The NCG Committee may also use search firms to identify director candidates when necessary. To enable the NCG Committee to

effectively evaluate director candidates, the NCG Committee may also conduct appropriate inquiries into the backgrounds and qualifications of director candidates, including reference checks. DIRECTOR EMERITUS PLAN

The Company recognizes that retiring directors who have provided significant service to the Company over a long period of time have a great deal of institutional knowledge and that it is in the best interests of the Company to have continuing access to such knowledge after the retirement of a director. Through May 22, 2019, the Company maintained a Director Emeritus Plan (the “Plan”) for retiring directors. Pursuant to the Plan, the Board’s CHR Committee had the authority, at its sole discretion, to nominate a retiring director for Emeritus status shortly following a director’s decision to retire. Such recommendation would then be considered by the Board. The Plan was discontinued with the retirement of Joseph Rho, the last founding director on the Board.

In order to qualify for the Plan, a director must have served at least five years on the Board of Directors. Each director emeritus is entitled to one hundred percent (100%) of the then current Board’s base cash retainer fee for Board membership. A director emeritus could choose to receive either a non-discounted, lump sum payment of the then current base cash compensation or monthly payments according to the schedule below. In addition, a director emeritus could choose to receive their lump sum payment in Company stock in lieu of a cash payment. If a director emeritus passes away during their term, any compensation rights accrued shall pass to the director’s estate.

Years of Service	Director Emeritus Term (months)	Percentage of Cash Compensation
5 years	6	100%
6-10 years	12	100%
11-20 years	24	100%
21-30 years	36	100%
31+ years	48	100%

In connection with Mr. Rho’s retirement, the CHR Committee nominated and the Board approved his appointment to Director Emeritus status in recognition of his distinguished 35 years of service on the Board, including his two terms as Chairman (from 1999-2002 and from 2008 until his retirement). Mr. Rho assumed the position of Chairman Emeritus, serving as a resource to the Board for business development and strategic matters, for two years after his retirement.

DIRECTOR STOCK OWNERSHIP GUIDELINES

Each director is encouraged to own shares of common stock of the Company at a level that demonstrates a meaningful commitment to the Company and the Bank, and to better align the director’s interests with the Company’s stockholders. A director’s stock ownership will be one of the factors considered in deciding whether to nominate or appoint a director to the Board of Directors of the Company.

All directors should acquire shares of the Company’s common stock valued at three times (3x) the yearly retainer. Directors are expected to meet the ownership standards set forth herein within five years from April 25, 2018, the date the guidelines were approved by the CHR Committee, or from their first day as a director, whichever is later. Once the guidelines are met, if the stock price decreases, the director will not be required to acquire additional shares. In addition to the stock ownership guidelines described above, each director who acquires shares of Company common stock through the exercise or vesting of a stock option, stock appreciation right or restricted stock will be required to retain fifty percent (50%) of the “net” shares acquired (net of tax impact that the exercise or vesting has on the individual) for at least twelve (12) months following the date of exercise or vesting, or such earlier time if the individual ceases to be a member of the Board as a result of death, disability, illness, resignation, termination or other reason.

As of December 31, 2019, all directors have met the stock ownership guidelines with the exception of Director Thomas J. Williams, who joined our Board in 2016 and has until April 25, 2023 to meet this requirement.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

2019 Financial and Strategic Highlights

2019 was a challenging year for the Company with the general level of interest rates rising and then falling, creating an uncertain business climate. Despite these headwinds the management team was still able to achieve key operational metrics and performance achievements highlighted below.

<p>Operating Results, Profitability and Value Creation</p>	<ul style="list-style-type: none">• Net income was \$32.8 million, which included a \$22.6 million specific provision for loan and lease losses related to a previously identified \$39.7 million troubled loan relationship• Loans and leases receivable were \$4.55 billion, reflecting a 0.4% increase from 2018• Deposits were \$4.70 billion, which is down 1.0% from 2018. However, noninterest-bearing demand deposits increased 8.3%• Efficiency ratio of 61.9% (1)• Strong asset quality; nonperforming assets at 1.15% of total assets and net charge-offs of 0.02% for the year; allowance to loans and leases at 1.33%• Annual 2019 dividend of \$0.96 per share• Repurchased approximately 375,000 shares of common stock in the fourth quarter under the previously announced share repurchase program; tangible common equity ratio remains strong at 9.98%

(1) The efficiency ratio is as non-interest expense, including merger and integration expenses, if any, divided by the sum of net interest income and non-interest income, including any securities transactions.

Reinforcing our commitment to a pay-for-performance philosophy and recognizing that certain operational and financial targets failed to meet our targeted goals, the short-term incentive plan and outstanding performance-based equity awards paid out at below target opportunity levels.

Pay Program and 2019 Compensation Overview

The CHR Committee establishes and oversees the compensation practices, including the determination of base salary and annual and long-term incentives. Compensation plans are designed to encourage the achievement of strategic objectives, creation of shareholder value, recognition of individual performance, and to allow the Company to effectively compete for, retain and motivate talented executives critical to its success.

Ms. Lee received a grant of 21,967 restricted shares upon assuming the role of President and CEO in May 2019. In 2019, Mr. Fuhr and Mr. Park received grants of 3,035 and 1,868 restricted shares, respectively. Shares vest in equal installments over two years. These awards were granted for retention purposes due to the strategic nature of their work throughout the CEO transition process and the need to maintain continuity in the management team during the transition period. Mr. Park also received a year of service award of 17 shares, which is offered to all full-time employees upon completion of certain years of service with the Company.

Good Governance

The Company is committed to pay for performance and sound compensation and governance practices, including the following:

- A clawback policy applicable to all executive officers which was adopted in 2018.
- Stock ownership guidelines established for the CEO and CFO.
- No excise tax gross-up payments.
- No dividends are accrued or paid on unvested shares of performance-based restricted stock.
- No hedging or pledging transactions.
- A focus on variable compensation, evidenced by the fact that variable, performance-based compensation comprises a majority of our CEO's pay. The target pay mix for our CEO and other NEOs, on average, is shown in the charts below. Target pay mix includes 2019 salary, 2019 Annual Incentive Plan target, and the grant date fair value of equity awards granted in 2019. The average pay mix chart for other NEOs excludes Mr. Kum and Ms. Lim, who retired from the Company during 2019.

Compensation Objective and Philosophy

The CHR Committee uses competitive compensation data from the annual total compensation study of peer companies to inform its decisions about overall compensation opportunities and specific compensation elements. Additionally, the Committee uses multiple reference points when establishing targeted compensation levels. The Committee does not benchmark specific compensation elements or total compensation to any specific percentile relative to the peer companies or the broader market. Instead, the Committee applies judgment and discretion in establishing targeted pay levels, taking into account not only competitive market data, but also factors such as Company, business and individual performance, scope of responsibility, critical needs and skill sets, leadership potential and succession planning. All decisions are made in consideration of the key goal of aligning executive pay and performance.

The policies and underlying philosophy governing the Company's executive compensation program, as endorsed by the CHR Committee and the Board of Directors, are designed to accomplish the following:

- Maintain a compensation program that is equitable in a competitive marketplace.
- Provide opportunities that integrate pay with the Company's annual and long-term performance goals.
- Manage the risk profile of the Company by aligning risk mitigation within the performance of individual and Company-wide goals.
- Encourage achievement of strategic objectives and the creation of shareholder value.
- Recognize and reward individual initiative and achievements while managing risk.
- Maintain an appropriate balance between base salary and short- and long-term incentive opportunities.
- Allow the Company to compete for, retain and motivate talented executives critical to its success, consistent with its compensation philosophy.
- Allow the Company to effectively engage institutional shareholders. Hanmi values our shareholders and works to have open two-way communication on all matters of importance. We proactively seek out our shareholders' opinions, as appropriate.
- Establish bonus and equity plans subject to "clawback" in the event of material inaccurate financial statements or materially inaccurate performance metric criteria resulting in the payment of excess incentive compensation.
- Foster an ownership culture among executive officers and the directors through minimum stock ownership guidelines.

Management Say-On-Pay Results

The CHR Committee evaluates the Company's executive compensation programs in light of market conditions, shareholder views, and governance considerations, and makes changes as appropriate. As required by the Dodd-Frank Act, the Company seeks a separate non-binding advisory shareholder vote to approve the compensation of its NEOs. At the 2019 annual meeting, shareholders approved the compensation of NEOs, with 96.9% of the shareholder vote cast in favor of the advisory say-on-pay proposal. The CHR Committee considered this result to be a positive endorsement of the Company's pay programs and practices. The Company will continue to monitor the level of support for each say-on-pay proposal.

EXECUTIVE COMPENSATION

Compensation Determination Process

Role of CHR Committee

The CHR Committee is responsible for the creation, implementation, and administration of the overall compensation program for the CEO and other senior executive officers. The CHR Committee takes into consideration the recommendations of the CEO for executive officers other than the CEO, as well as considering and making recommendations concerning compensation, benefit plans, and implementation of sound personnel policies and practices Company wide. The CHR Committee has the following responsibilities:

- Review the overall human resource development and compensation strategy for the CEO, executive officers, and directors.
- Lead the Board in its annual review of executive management's performance.
- Evaluate CEO performance, set annual goals and evaluate total compensation.
- Evaluate compensation recommendations from the CEO for other NEOs.
- Evaluate the annual executive incentive compensation plan in light of participation, goals and budgetary considerations.
- Review broad-based incentive compensation plans to ensure compliance with regulations and laws.
- Administer the Company's long-term incentive program.

The CHR Committee approves compensation for all NEOs other than the CEO. The CHR Committee discloses all compensation decisions related to the CEO to the full Board of Directors. The full Board has ultimate responsibility for determining the compensation of our CEO, after considering the recommendation from the CHR Committee.

Role of Compensation Consultant

In 2019, the CHR Committee retained the services of McLagan, which is part of the Rewards Solutions practice at Aon plc, to provide executive compensation consulting services. McLagan helped facilitate the executive officer compensation process, including the creation of a compensation peer group for comparing our NEOs' compensation to the market. McLagan reported directly to the CHR Committee, who has the authority, in its sole discretion, to retain and terminate any adviser to assist in the performance of its duties. The CHR Committee determined that McLagan is independent and that there is no conflict of interest resulting from retaining McLagan during 2019 after taking into account the factors set forth in the SEC rules.

Role of Management

Management assists the CHR Committee in recommending agenda items for its meetings and by gathering and producing information for these meetings. The CEO and other executive officers may participate in CHR Committee meetings to provide background information and other requested items, but are not present during the voting or discussions of their own compensation. The CEO provides recommendations to the CHR Committee for the other NEOs regarding compensation, performance goals, and other employment-related matters, such as hiring, promotions, terminations or severance payments. The CHR Committee considers the CEO's recommendations, but retains authority to approve or recommend to the Board of Directors compensation decisions to be approved.

Peer Group

In May 2019, the CHR Committee worked with McLagan to construct a peer group of banking companies with assets at the time of selection generally between \$2.5 and \$11.0 billion that have similar business models and that are likely to compete with Hanmi for executive talent. The peer group was modified from

2018 to reflect peer asset size changes and acquisitions. Although the decisions regarding the compensation levels are guided by the information provided from the peer group and market survey data, the CHR Committee does not commit to setting our executive pay levels at any particular percentile of the peer group. The CHR Committee also takes into account the prevailing economic environment, individual performance, experience and the current financial condition of Hanmi. The 2019 peer group was as follows:

Allegiance Bancshares Inc.	LegacyTexas Financial Group Inc.
Axos Financial Inc.	Meridian Bancorp Inc.
Banc of California Inc.	National Bank Holdings Corp.
Bank of Marin Bancorp	Opus Bank
Central Pacific Financial Corp	Pacific Premier Bancorp
Century Bancorp Inc.	Preferred Bank
CVB Financial Corp.	RBB Bancorp
First Financial Bankshares	Sierra Bancorp
First Foundation Inc.	Southside Bancshares Inc.
Heritage Commerce Corp	TriCo Bancshares
Heritage Financial Corp.	Triumph Bancorp Inc.
Lakeland Bancorp	Westamerica Bancorp.

2019 Pay Components and Compensation Decisions

Base Salary

Annual base salaries are the fixed portion of our NEOs' cash compensation and are intended to reward the day-to-day aspects of their roles and responsibilities and to reflect the value that they bring to the Company. Our NEOs' annual salaries are established after taking into account several factors including the executive's experience, responsibilities, management abilities, job performance and market compensation information. The CHR Committee believes that the 2019 base salaries of Hanmi's NEOs are competitive with companies of similar size, including those in the peer group.

Pay adjustments, if any, are generally made annually, after reviewing overall Company performance, individual performance and the affordability of the increases.

Mr. Kum did not receive a salary increase in 2019, and his salary of \$675,000 was maintained until his retirement in May 2019. As set forth in his amended and restated employment agreement entered into in June 2018, upon Mr. Kum's retirement, he became a consultant to the Company for a twelve-month period and continues to receive the same base salary in exchange for these consulting services.

Ms. Lee was promoted to President and Chief Executive Officer in May 2019. The CHR Committee reviewed her 2019 salary in the context of total compensation and compensation information from the peer group and increased her base salary to \$525,000 effective upon her promotion to CEO.

Mr. Santarosa received a salary increase in July 2019 from \$330,000 to \$400,000 to reflect his expanded responsibilities as part of the changes to the management team following Mr. Kum's retirement.

EXECUTIVE COMPENSATION

For 2019, Ms. Lee presented her recommendations to the CHR Committee for annual merit increases for the remaining NEOs, which ranged from 1.8% to 2.8% effective as of March 2019. The recommended increases for Mr. Fuhr, Ms. Lim and Mr. Park were each in line with the merit increases generally given to other employees at the Company and were developed in light of individual performance and responsibilities.

(1) Mr. Park was not a Named Executive Officer in 2018.

Short-Term Cash Incentives

In accordance with Hanmi's compensation philosophy, a significant portion of the compensation of our NEOs is performance-based and payable only if pre-established Company and individual performance objectives are achieved. For each NEO, target bonuses are stated as a percentage of annual base salary and are capped at the target level. The target annual bonus payable to Ms. Lee, our CEO, is capped at 100% of her annual base salary. The annual bonuses payable to the other NEOs for 2019 performance were capped at the following levels, as a percentage of their respective annual base salary: Mr. Santarosa – 50%, Mr. Fuhr – 30%, and Mr. Park – 25%.

As provided for in his employment agreement, in 2019, Mr. Kum was eligible to receive a pro-rated portion of his prior year's short-term incentive payout based on the number of days worked prior to his retirement from the Company. Because Mr. Kum did not receive a short-term incentive award for 2018, he did not receive any short-term incentive payout in 2019.

Ms. Lim was not eligible to receive a short-term cash incentive payout for 2019 based on her date of retirement from the Company.

The 2019 Annual Incentive Plan ("AIP") includes the concept of a minimal acceptable return ("MAR"). If the requirements of the MAR are not met then no cash bonuses will be paid to the NEOs. In 2019, the MAR required that the Company must have positive net income for 2019, which was attained.

The CHR Committee reviews performance against pre-established financial and non-financial goals on an annual basis to determine the short-term cash incentive compensation of our NEOs. Awards under the AIP are substantially based on formulaic scorecard results across weighted performance measure categories. The CHR Committee reviewed and approved scorecards for each NEO to be used for 2019 performance, which are summarized in the tables below.

The measurements in the AIP for Ms. Lee and Mr. Santarosa are based on the approved 2019 budget in the strategic plan. The measurements for other NEOs were customized to reflect each individual's specific area of control and responsibility, while retaining accountability for overall Company profitability, risk management and regulatory compliance. The AIP was designed to allow for objective goal measurement while also allowing for the exercise of judgment by the CHR Committee and the Board of Directors. If an NEO has met or exceeded the requirements for a specific goal, the NEO is given 100% credit for the weighting of a particular category. However, if a category is not met or partially met, a lesser percentage of the weighted credit, if any, is given based on the degree to which goals were achieved. This is most prevalent where there were multiple objectives within a particular category (i.e., one objective was met, but another objective was not met or only partially met).

Under the AIP, there is no payout potential for performance above the target goal. In addition, the AIP does not define explicit threshold levels of performance below target for each measure. Performance measures,

weightings, target award opportunities, and results for each NEO are summarized in the tables below. Performance results reflect the impact of a specific \$22.6 million loan loss allowance for 2019 relating to a previously identified \$39.7 million troubled loan relationship. No special adjustments were made to incentive payouts to offset for this impact.

Long-Term Incentives

Long-term incentive awards, such as stock options and restricted stock, are the third key component of our NEOs' total compensation. The CHR Committee believes employee stock ownership is significant for our NEOs, thereby aligning the interests of employees and shareholders. The CHR Committee also believes equity-based compensation complements the short-term cash incentive compensation and helps balance short-term decisions with long-term outcomes. This compensation approach limits an executive's ability to reap short-term gains at the expense of Hanmi's long-term success. This is also an important tool in retaining NEOs.

In 2013, the shareholders approved the Hanmi Financial Corporation 2013 Equity Compensation Plan (the "2013 Plan"). The CHR Committee approves all equity award grants and acts as an administrator of the 2013 Plan. The Company does not have a policy or an exact formula regarding the allocation of compensation between cash and equity compensation; rather, the size, timing and other material terms of the long-term incentive awards for our NEOs are made at the discretion of the CHR Committee. Factors considered by the CHR Committee include each executive's performance, previous grant history and ownership level, comparison to our peer group, and retention needs. All full-time employees of Hanmi are eligible to receive year of service awards in the form of restricted stock once they achieve certain years of service milestones. In 2019, Mr. Park had served the Company for five years and was granted fully vested shares with a targeted value of \$300. The NEOs received the following equity grants in 2019, as described below.

2019 Restricted Stock Grants

- On May 3, 2019, the CHR Committee granted 21,967 restricted shares to Ms. Lee, at which time our closing price was \$23.90 per share. The shares vest in equal annual installments over three years. The CHR Committee approved the award in conjunction with Ms. Lee's promotion to President & CEO.
- On May 23, 2019, the CHR Committee granted 3,035 and 1,868 restricted shares to Mr. Fuhr and Mr. Park, respectively, at which time our closing price was \$21.42 per share. The shares vest in equal annual installments over two years. The CHR Committee approved the awards to promote retention given the strategic nature of their roles and the importance of maintaining continuity in the management team throughout the CEO transition period.
- On July 8, 2019, the CHR Committee granted 17,914 restricted shares to Mr. Santarosa, at which time our closing price was \$22.33. The shares vest in equal annual installments over three years. The CHR Committee approved the award on the date he entered into a new employment agreement to reflect his expanded responsibilities and to promote his retention during the CEO transition.
- The award size for these NEOs was determined based in part on existing equity ownership levels, a review of past grant sizes, competitive market practices, contributions to Hanmi's performance results, retention considerations and ownership levels of similarly situated executives at the Company.

Neither Mr. Kum nor Ms. Lim were granted equity awards in 2019.

2016 Performance Restricted Stock Grant to Mr. Kum and Ms. Lee

- On February 17, 2016, the CHR Committee granted each of Mr. Kum and Ms. Lee a performance-based restricted stock grant of 99,010 and 49,505 shares, respectively, which were intended to cover a four-year period.
- The grant provided for annual vesting of a maximum of 25% of the shares in each of 2016, 2017, 2018 and 2019, provided the Company's TSR performance relative to companies in the KBW Index for each respective year was at or above the 50th percentile. To the extent that the performance requirements are not met for any given year, the percentage of unearned shares applicable to that year are forfeited.
- At 50th percentile TSR achievement (threshold) for any given year, 50% of the shares eligible for vesting for such year will be earned. At the 75th percentile TSR achievement (target) for any given year, 100% of the shares eligible for vesting for such year will be earned. Shares earned for performance between the 50th and 75th percentile for any given year will be determined by linear interpolation.
- As described in more detail below, only 25% of the award vested in 2017 based on 2016 performance.

EXECUTIVE COMPENSATION

- There is no retesting of the performance-based restricted shares. Any portion of the shares that do not vest as a result of actual TSR performance for any given year shall be forfeited for such year.
- The following chart outlines the Company's level of achievement and associated vesting of shares for each year of the four-year period.

2018 Performance Restricted Stock Grant to Mr. Santarosa

- On February 28, 2018, the CHR Committee granted Mr. Santarosa a performance-based restricted stock grant consisting of 32,680 shares intended to cover a four-year period with the same terms as the 2016 performance restricted stock grants described above for Mr. Kum and Ms. Lee, except that the performance period runs from fiscal year 2018 through fiscal year 2021.

Additional Compensation Elements**Employment Agreements**

In 2019, the Company entered into new employment agreements with Ms. Lee and Mr. Santarosa reflecting their new positions at the Company. These agreements set forth each individual's base salary, bonus compensation and equity compensation granted in connection with their promotions and employee benefits, as well as providing them with the opportunity to receive certain post-employment payments and benefits in the case of certain involuntary terminations of employment without cause or resignations for good reason. The agreements also reconfirm the Confidentiality Agreements previously entered into prohibiting them from recruiting or soliciting our employees or disclosing our confidential information or business practices.

Post-Employment Compensation

Our post-employment compensation arrangements are designed to provide reasonable compensation to Ms. Lee and Mr. Santarosa if they are terminated by us without cause or in connection with a change in control. Further, we seek to mitigate any potential employer liability and avoid future disputes or litigation by requiring a departing executive officer to sign a separation and release agreement acceptable to us as a condition to receiving post-employment compensation payments or benefits.

Our CHR Committee and the Board of Directors do not consider specific amounts payable under these post-employment compensation arrangements when establishing annual compensation. It does believe, however, that these arrangements are necessary to offer compensation packages that are competitive.

Pursuant to the terms of the 2013 Plan, all time-based equity awards granted to any participant automatically vest upon the occurrence of a change in control.

All other executives are employed “at-will,” and Hanmi does not provide any right to additional payments or benefits in the event of a termination of employment or a change in control of Hanmi, except that the stock awards, other than those held by Ms. Lee and Mr. Santarosa granted in February 2016 and 2018, held by executives will automatically vest upon a change in control as defined in the grant agreement.

Executive Perquisites

Our NEOs receive the following benefits in addition to their other compensation: cellular phone allowance, automobile allowance, gas allowance, wellness benefit, bank-owned life insurance (“BOLI”) and gift cards for the holidays or graduation of a dependent. Mr. Santarosa receives a membership to an athletic club. Mr. Kum also received a membership to a country club, company-provided welfare benefits, the use of a company car and cell phone, in lieu of an automobile and cell phone allowance, and additional term life insurance. Ms. Lee also receives or is entitled to receive a membership to a country club, company-provided welfare benefits, a car allowance, a cell phone allowance, additional term life insurance and an allowance for continuing professional education. These benefits are detailed in the *Summary Compensation Table*.

Broad-Based Benefits Programs

Our NEOs participate in the benefit programs that are available to all full-time employees. These benefits include health, dental, vision, life insurance, short-term and long-term disability insurance, healthcare reimbursement accounts, paid vacation, 401(k) matching contributions, and a year of service award consisting of a grant of fully-vested shares of Company stock upon achieving certain years of service milestones with the Company.

Other Compensation Considerations

Pledging and Hedging Policies

None of the executive officers, directors, employees, consultants and contractors of the Company who receive or have access to material nonpublic information may directly or indirectly engage in short sales, hedging, share lending, or the purchase or sale of any type of derivatives including but not limited to options, warrants, puts, calls, cash settled or other swaps or synthetic securities or any other similar instruments involving Company securities. Directors and Senior Vice Presidents and above are also prohibited from holding Company securities in a margin account or pledging Company securities as security for a loan.

Clawback Policy

The Company has implemented a clawback policy consistent with the requirements of Section 304 of the Sarbanes-Oxley Act which mandates the recovery of incentive awards that would not have otherwise been paid in the event we are required to restate our financial statements due to non-compliance with any financial reporting requirements as a result of misconduct. In that case, the CEO and CFO must reimburse the Company for: (1) any bonus or other incentive, or equity-based compensation received during the 12 months following the first public issuance or filing with the SEC (whichever first occurs) of the non-complying document; and (2) any profits realized from the sale of our securities during those 12 months.

In addition, on March 28, 2018, the CHR Committee adopted a more broad-based clawback policy that applies to all executive officers. The policy survives and remains in force following an executive officer’s termination of employment. Under the Company’s clawback policy, the Company will clawback any cash or equity incentive compensation payments or awards to the extent such payments or awards were made or determined during the one-year period preceding the date on which the Company determines it has materially inaccurate financial statements or any other materially inaccurate performance metric criteria and the amount of incentive compensation, as calculated under the restated financial results, is less than the amount actually paid or awarded under the original financial results (i.e., the “excess incentive compensation”). The policy provides that the clawback could be effected through any of the following methods: reimbursement of the pre-tax amount of the excess incentive compensation, cancellation of outstanding equity awards that constitute excess incentive compensation or reimbursement of any gains

EXECUTIVE COMPENSATION

realized in the exercise of stock options, vesting of or open market sales of restricted stock, restricted stock units or other equity awards granted that are attributable to the excess incentive compensation.

Stock Ownership Guidelines

The CHR Committee adopted the following stock ownership guidelines for the CEO and CFO. The CEO is required to hold shares of the Company's common stock valued at five times (5x) her base salary and the CFO is required to hold shares of the Company's common stock valued at one and one-half times (1.5x) his base salary. This goal must be obtained within five years from April 25, 2018, the date the guidelines were approved by the CHR Committee, or from their first day in their respective role, whichever is later. Once the guidelines are met, if the stock price decreases, the executive will not be required to acquire additional shares. Until the stock ownership guidelines are met, an executive will be required to retain at least fifty percent (50%) of the shares granted to him or her by the Company (50% of the shares granted may be used to satisfy tax withholding requirements). All NEOs are already in compliance with their respective stock ownership guidelines, except for Ms. Lee, who based on her promotion to the position of CEO during 2019, has five years from the time of her promotion to acquire an amount of Company common stock equal to five times (5x) her base salary.

Compensation Policy Risk Assessment

The CHR Committee reviews the compensation of our NEOs, as well as the overall compensation practices for the organization. Performance incentive programs and the budgeting for annual salary adjustments are reviewed and approved by the CHR Committee for all NEOs, with the exception of the CEO, whose compensation is reviewed and approved by the CHR Committee and subsequently presented to our full Board for ratification. An important aspect of the review is an assessment of whether the programs in any way encourage our NEOs or any other employee of Hanmi to take unacceptable risk, in the short or long term.

Upon due consideration of these items, the CHR Committee believes that the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on its business or operations.

TAX DEDUCTIBILITY OF EXECUTIVE OFFICER COMPENSATION

Under Section 162(m) of the Code, as amended by the Tax Cuts and Jobs Act enacted on December 22, 2017 (the "Tax Act"), publicly traded companies are subject to limits on the deductibility of executive compensation. Deductible compensation is limited to \$1 million per year for each "covered employee," defined as the public company's principal executive officer, principal financial officer and three additional highest compensated officers during any taxable year of the company beginning after December 31, 2017. For tax years prior to January 1, 2018, compensation that was considered "qualified performance-based compensation" was exempt from this limit. The Tax Act provides "grandfathered" treatment for certain compensation in excess of the \$1 million deductibility limitation, including compensation that is "qualified performance-based compensation" within the meaning of Section 162(m) prior to the Tax Act, if payable pursuant to a written binding contract in effect as of November 2, 2017 that is not modified in any material respect thereafter. Our stock option grants (and other performance-vesting equity grants) made prior to November 2, 2017 are intended to qualify as qualified performance-based compensation that is exempt from the deductibility limitation under Section 162(m).

Prior to January 1, 2018, the CHR Committee considered the impact of Section 162(m) in determining the appropriate pay mix and compensation levels for our NEOs. Now that the qualified performance-based compensation exception is generally no longer available, the CHR Committee may determine to award compensation that exceeds the deductibility limit under 162(m) or otherwise pay non-deductible compensation when it believes that other considerations outweigh the tax deductibility of compensation.

EXECUTIVE COMPENSATION

Employment Agreements

Mr. Kum June 15, 2018 Amended and Restated Employment Agreement

On June 15, 2018, Hanmi Financial Corporation and its wholly owned subsidiary, Hanmi Bank (collectively, the “Company”), entered into an amended and restated employment agreement with Mr. Kum (the “Employment Agreement”). The Employment Agreement superseded and replaced the employment agreement between the Company and Mr. Kum, dated as of April 27, 2017.

- **TERM:** The Employment Agreement provided for a term that commenced on June 15, 2018 and ended May 3, 2019, which is the date on which Mr. Kum retired.
- **COMPENSATION:** The Employment Agreement provided for an annual base salary of \$675,000 and eligibility to receive an annual bonus pursuant to the annual bonus plan. Under the Employment Agreement, Mr. Kum was entitled to participate in employee benefit plans for which he was eligible for certain perquisites, including the use of a company car, payment of country club dues, Company-provided health and welfare benefits and personal life insurance, and 20 days of paid vacation annually. In addition, during the term of the Employment Agreement, the Company paid the premiums on a term life insurance policy owned by Mr. Kum with death benefit of \$1,000,000.
- **TERMINATION:** In consideration of Mr. Kum’s willingness to serve as CEO until May 3, 2019, and his agreement to provide consulting services to the Company for one year thereafter, which included advice and assistance to the Company during Ms. Lee’s transition to President & Chief Executive Officer, the Employment Agreement provided payments to Mr. Kum equal to one year of his then-current annual salary to be paid monthly over a twelve month period commencing on May 3, 2019.

Ms. Lee April 2019 Amended and Restated Employment Agreement

On April 2, 2019, the Company entered into an amended and restated employment agreement with Ms. Lee (the “Lee Employment Agreement”), which became effective as of the close of business May 3, 2020, the date Ms. Lee became the President and Chief Executive Officer. The Lee Employment Agreement supersedes and replaces the employment agreement between the Company and Ms. Lee, dated as of February 12, 2018. The terms of her employment agreement are described below.

- **TERM:** The Lee Employment Agreement provides for a term that commences on May 3, 2019 and ends on May 6, 2022 (unless earlier terminated by either party), subject to automatic renewal for successive one-year periods unless either party provides notice of non-renewal prior to the expiration of the then-current term.
- **COMPENSATION:** The annual base salary for Ms. Lee is \$525,000, which may be increased, but not decreased, in the sole discretion of the Board. Under the terms of her employment agreement, Ms. Lee is eligible to receive an annual bonus (cash plus equity awards) capped at 100% of her annual base salary. Ms. Lee’s annual bonus is generally dependent on the attainment of certain financial goals set by the CHR Committee. Under the Lee Employment Agreement, Ms. Lee is entitled to participate in employee benefit plans for which she may be eligible and will receive certain perquisites, including a monthly automobile allowance of \$3,000, payment of country club dues, Company-provided welfare benefits, including but not limited to medical, dental, vision and life insurance coverage, \$25,000 per year for continuing professional education and 20 days of paid vacation annually. In addition, the Lee Employment Agreement provides Ms. Lee with term life insurance coverage of up to \$1,000,000, or such lesser amount as can be purchased for an annual premium of \$25,000, during the term of the Lee Employment Agreement. In addition, as the new Chief Executive Officer, Ms. Lee received, on the effective date of the employment agreement, a time-based restricted stock grant equal to approximately \$525,000 (to the nearest whole share) that will vest in approximately three equal annual installments beginning on the first anniversary date of the grant, provided Ms. Lee remains employed by the Company in such position on each anniversary date.

- **TERMINATION WITHOUT CAUSE OR FOR GOOD REASON:** The Lee Employment Agreement provides that if Ms. Lee's employment is terminated either by the Company without "cause" or by her for "good reason," in either case, other than within 18 months following a "change in control," and subject to Ms. Lee's execution of a general release of claims, Ms. Lee will be entitled to receive the following severance payments and benefits: (i) continued payment of her then-current annual base salary for 12 months following the date of termination, (ii) a lump-sum payment equal to the pro-rated portion of her prior year's annual bonus based on the number of days worked during the year of termination, (iii) accelerated vesting of that portion of any unvested time-based equity awards held by Ms. Lee that would have vested if Ms. Lee's employment had continued for one year following the date of termination, and (iv) continued health insurance benefits at the Company's expense under COBRA for up to 18 months.
- **TERMINATION IN CONNECTION WITH A CHANGE IN CONTROL:** If, within 18 months following a change in control, Ms. Lee's employment with the Company is terminated either by the Company without cause or by her for good reason, and subject to Ms. Lee's execution of a general release of claims, Ms. Lee will be entitled to receive the following severance payments and benefits: (i) a lump sum payment equal to two and one-half times the sum of her then-current annual base salary and then maximum annual bonus (which is at "target" under the AIP), and (ii) continued health insurance benefits at the Company's expense under COBRA for up to 18 months.
- **TERMINATION DUE TO DEATH OR DISABILITY:** If Ms. Lee's employment terminates due to her death or disability, then she or her estate, as applicable, will be entitled to receive a lump-sum payment equal to the pro-rated portion of her prior year's annual bonus based on the number of days worked during the year of termination.
- **CHANGE IN CONTROL:** In the event of a change in control of the Company, the executive's time-vested equity awards will fully vest and performance-vesting equity awards will be treated in accordance with the terms of the plan document and award agreements.
- In the event of Ms. Lee's termination for any of the reasons set forth above, Ms. Lee's performance-vesting equity awards will be treated in accordance with the terms of the applicable plan document and applicable award agreements.
- **RESTRICTIVE COVENANTS:** Ms. Lee remains subject to the confidentiality, non-solicitation and other covenants included in her restrictive covenant agreements with the Company and the non-disparagement covenant set forth in the Lee Employment Agreement. If any payments or benefits provided to Ms. Lee in connection with a change in control are subject to excise taxes as a result of the application of Sections 280G and 4999 of the Internal Revenue Code, such payments and benefits will be reduced so that no excise tax is payable, but only if this reduction results in a more favorable after-tax position for her.
- **2020 CHANGES TO AGREEMENT:** In February 2020, the Lee Employment Agreement was amended and restated to clarify that her annual bonus potential, equal to 100% of her base salary, reflects only her cash incentive bonus potential (and not her cash and stock bonus potential). In addition, the 2020 amendment and restatement of the Lee Employment Agreement modified the formula for her severance benefit payable on termination in connection with a change in control to provide a lump sum payment equal to two and one-half times the sum of her then-current annual base salary and the greater of her then-average annual bonus earned over the prior three consecutive calendar years or her then-target annual bonus.

EXECUTIVE COMPENSATION

Mr. Santarosa July 2019 Amended and Restated Employment Agreement

In July 2019, the Company entered into an employment agreement with Senior Executive Vice President and CFO, Romolo C. Santarosa (the "2019 agreement"). The agreement, which superseded and replaced his employment agreement entered into in February 2018, was entered into following the appointment of Ms. Lee as President and CEO, in consideration of additional responsibilities that Mr. Santarosa assumed at such time. Under the 2019 agreement, Mr. Santarosa reports directly to Ms. Lee.

- **TERM:** The agreement provides for a term commencing on July 1, 2019 and ending on May 6, 2022 (unless earlier terminated by either party), subject to automatic renewal.
- **COMPENSATION:** The annual base salary of Mr. Santarosa is \$400,000, and may be increased, but not decreased (except in limited circumstances set forth in the employment agreement) by the Board, based on the recommendation of the CHR Committee. Mr. Santarosa is also entitled to participate in employee benefit plans for which he may be eligible and fringe benefits to which the Company's senior executives are entitled. In addition, Mr. Santarosa received, on the effective date of the employment agreement, a time-based restricted stock grant equal to approximately \$400,000 (to the nearest whole share) that will vest in approximately three equal annual installments beginning on the first anniversary of the date of grant, provided Mr. Santarosa remains employed by the Company in such position on each anniversary date.
- **TERMINATION WITHOUT CAUSE OR FOR GOOD REASON:** The employment agreement provides that if Mr. Santarosa's employment is terminated either by the Company without "cause" or by him for "good reason," in either case, other than within 18 months following a "change in control," and subject to Mr. Santarosa's execution of a general release of claims, Mr. Santarosa will be entitled to receive the following severance payments and benefits: (i) continued payment of his then-current annual base salary for 12 months following the date of termination, (ii) a lump-sum payment equal to the pro-rated portion of his prior year's annual bonus based on the number of days worked during the year of termination, (iii) accelerated vesting of unvested time-based equity awards held by Mr. Santarosa that would have vested if Mr. Santarosa's employment had continued for one year following the date of termination, and (iv) continued health insurance benefits at the Company's expense under COBRA for up to 18 months.
- **TERMINATION IN CONNECTION WITH A CHANGE IN CONTROL:** If, within 18 months following a change in control, Mr. Santarosa's employment with the Company is terminated either by the Company without cause or by Mr. Santarosa for good reason, and subject to Mr. Santarosa execution of a general release of claims, he will be entitled to receive the following severance payments and benefits: (i) a lump sum payment equal to two times the sum of his then-current annual base salary or his then maximum annual bonus (which is at "target under the AIP"), and (ii) continued health insurance benefits at the Company's expense under COBRA for up to 18 months.
- **TERMINATION DUE TO DEATH OR DISABILITY:** If Mr. Santarosa's employment terminates due to his death or disability, then he or his estate, as applicable, will be entitled to receive a lump-sum payment equal to the pro-rated portion of his prior year's annual bonus based on the number of days worked during the year of termination.
- **CHANGE IN CONTROL:** In the event of a change in control of the Company, the executive's time-vested equity awards will fully vest and performance-vesting equity awards will be treated in accordance with the terms of the plan document and award agreements.
- **RESTRICTIVE COVENANTS:** Mr. Santarosa also remains subject to the confidentiality, non-solicitation and other covenants included in his restrictive covenant agreement with the Company and the non-disparagement covenant set forth in his employment agreement. In addition, if any payments or benefits provided to Mr. Santarosa in connection with a change in control are subject to excise taxes as a result of the application of Sections 280G and 4999 of the Internal Revenue Code, such payments and benefits will be reduced so that no excise tax is payable, but only if this reduction results in a more favorable after-tax position for the executive.

- 2020 CHANGES TO AGREEMENT: In February 2020, Mr. Santarosa's 2019 agreement was amended and restated to revise the formula for his severance benefit payable on termination in connection with a change in control to provide for a lump sum payment equal to two times the sum of his then-current annual base salary and the greater of his then-average annual bonus earned over the prior two consecutive calendar years or his then-target annual bonus.

Under the plan design, no shares can be earned beyond the target level for each year. POTENTIAL PAYMENTS UPON TERMINATION OF EMPLOYMENT OR CHANGE IN CONTROL

Our NEOs may be entitled to certain payments and benefits in the event of a qualifying termination of employment and/or change in control.

Mr. Kum's, Ms. Lee's and Mr. Santarosa's employment agreements provide for certain severance pay and benefits upon a qualifying termination of employment, including in connection with a change in control, in addition to accelerated vesting of certain equity awards for each NEO upon a change in control. During the 2019 calendar year, we had not entered into employment agreements or severance arrangements with any of the NEOs other than Mr. Kum, Ms. Lee and Mr. Santarosa. Payments Made to Mr. Kum Upon His Retirement on May 3, 2019. Upon Mr. Kum's retirement from the Company on May 3, 2019, he became a consultant to the Company and is entitled to receive payments for consulting equal to one year of his then-current annual salary (\$675,000), which is being paid monthly over a 12-month period commencing on the date of his retirement, provided that he continues to provide service. Additionally, the Company continues to reimburse Mr. Kum for the cost of his benefit premiums through the end of the consulting term. From the time of his retirement to December 31, 2019, the value of these benefits totaled \$7,613.

Payments Made to Ms. Lim Upon Her Retirement on December 31, 2019. Upon Ms. Lim's retirement from the Company on December 31, 2019, all unvested shares were forfeited. The unvested, forfeited shares included 500 restricted shares granted on March 22, 2017 and 2,000 restricted shares granted on March 29, 2018. Ms. Lim received no cash payments upon her retirement.

2018 Performance Restricted Stock Grant. In the event that a change in control of the Company occurs during Mr. Santarosa's service, up to 25% of the shares of restricted stock eligible to vest in that year will vest on the date of the change in control based on actual achievement of the performance measures measured through the date of the change in control, and any shares applicable to future periods not yet commenced will be forfeited. If Mr. Santarosa's employment is terminated by the Company without cause or by the executive for good reason (as those terms are defined under the terms of the awards), up to 25% of the shares of restricted stock eligible to vest in that year will vest on the date of termination based on actual achievement of the performance measures measured through the date of termination, and any shares applicable to future periods not yet commenced will be forfeited.

Other Equity Awards. All equity awards, other than the Performance Restricted Stock Grants (as described above) will automatically vest upon the occurrence of a change in control pursuant to the terms of the 2013 Plan and the Company's 2007 Equity Compensation Plan.

Voluntary Termination and Termination for Cause. Upon voluntary termination or termination by the Company for cause NEOs would forfeit all unvested equity and are not eligible to receive any termination-related compensation, except payments for services performed or benefits already accrued.

The tables below set forth for each of the NEOs the amount of the severance payments and benefits and the accelerated vesting of equity awards that the NEOs would have been entitled to upon various change in control and termination of employment events as described above, assuming that a change in control and/or termination of employment occurred on December 31, 2019. Mr. Kum and Ms. Lim are excluded from the table below, as their actual payments upon termination are explained above.

(1) The amount shown is equal to the number of shares of time-vested restricted stock that would accelerate vesting upon a change in control or termination of employment (as applicable), multiplied by \$20.00, the closing price of our common stock on December 31, 2019.

EXECUTIVE COMPENSATION

- (2) For the Performance Restricted Stock awards held by Mr. Santarosa, the maximum number of shares of restricted stock eligible to vest as a result of a termination without cause or resignation for good reason or upon a change in control is 25% of the award. The actual number of shares that will vest will be based on actual achievement of performance measures measured through the employment termination date or change in control, and any shares applicable to future periods not yet commenced will be forfeited
- (3) Ms. Lee's April 2019 employment agreement provides for payment of certain benefits in the event of various termination scenarios.
- Termination Without Cause or For Good Reason: Ms. Lee is entitled to payment of her then current base salary for one year (which is \$525,000), the pro-rated portion of her prior year's bonus (which is \$0) based on the number of days worked during the year of termination, vesting of her time-based equity awards as if her employment had continued for one year following the actual termination date, and reimbursement for COBRA payments for a period of 18 months.
 - Termination in Connection with a Change in Control: If Ms. Lee's employment is terminated by us without cause or by her for good reason, in either case, within 18 months of a change in control, she is entitled to receive a lump-sum payment in an amount equal to two and one half times the sum of (a) her then current base salary and (b) the then-maximum annual bonus amount (which is "target" under the AIP), and reimbursement for COBRA payments for a period of 18 months and accelerated vesting of all time vested shares. If any payments or benefits provided to Ms. Lee in connection with a change in control are subject to excise taxes as a result of the application of Sections 280G and 4999 of the Internal Revenue Code, such payments and benefits will be reduced so that no excise tax is payable, but only if this reduction results in a more favorable after-tax position for her.
- (4) Mr. Santarosa's employment agreement provides for payment of certain benefits in the event of various termination scenarios.
- Termination Without Cause or For Good Reason: Mr. Santarosa is entitled to payment of his then current base salary for one year (which is \$400,000), the pro-rated portion of his prior year's bonus based on the number of days worked during the year of termination (which is \$0), vesting of his time based equity awards as if his employment had continued for one year following the actual termination date, with performance awards vesting subject to their award agreement terms, and reimbursement for COBRA payments for a period of 18 months.
 - Termination in Connection with a Change in Control: If Mr. Santarosa's employment is terminated by us without cause or by him for good reason, in either case, within 18 months of a change in control, he is entitled to receive a lump-sum payment in an amount equal to two times the sum of (a) his then current base salary and (b) the then-maximum annual bonus amount (which is "target" under the AIP), and reimbursement for COBRA payments for a period of 18 months and accelerated vesting of all time vested shares. If any payments or benefits provided to Mr. Santarosa in connection with a change in control are subject to excise taxes as a result of the application of Sections 280G and 4999 of the Internal Revenue Code, such payments and benefits will be reduced so that no excise tax is payable, but only if this reduction results in a more favorable after-tax position for him.
- (5) Employment agreements for Ms. Lee and Mr. Santarosa provide that, upon death or disability, the Company will pay an amount equal to apro-rated portion of the prior year's bonus based on the number days worked during the year of termination. Because Ms. Lee and Mr. Santarosa did not receive a bonus for 2018, they would not receive a payment under this provision of their agreements for death or disability in 2019.

CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Act, and Item 402(u) of Regulation S-K, we are providing the following information:

For 2019:

- The median of the annual total compensation of all employees of our company (other than our CEO), was \$61,813 and
- The annual total compensation of Ms. Lee, our CEO was \$1,419,624.

Based on this information, the ratio for 2019 of the annual total compensation of our CEO to the median of the annual total compensation of all employees is 23 to 1.

SEC rules allow us to identify our median employee once every three years unless there has been a change in our employee population or employee compensation arrangements that we reasonably believe would result in a significant change in our pay ratio disclosure. We believe there have been no changes in our employee population or employee compensation arrangements that would result in a significant change to this pay ratio disclosure. Therefore, we are using the same median employee identified for 2017 for this year's disclosure.

We completed the following steps to identify the median of the annual total compensation of all our employees and to determine the annual total compensation of our median employee and CEO:

- The median employee was identified for 2017 based on the employee population on December 31, 2017, which consisted of all full-time, part-time, temporary, and seasonal employees employed on that date.
- To find the median of the annual total compensation of our employees (other than our CEO), we used wages from our payroll records as reported to the Internal Revenue Service on Form W-2 for fiscal 2017. In making this determination, we annualized compensation for full-time and part-time permanent employees who were employed on December 31, 2017, but did not work for us the entire year. No full-time equivalent adjustments were made for part-time employees.
- We identified our median employee using this compensation measure and methodology, which was consistently applied to all our employees included in the calculation.
- After identifying the median employee, we added together all of the elements of such employee's compensation for 2019 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$61,813.

With respect to the annual total compensation of our CEO, we used the amount reported in the "Total" column of our 2019 Summary Compensation Table, which is also in accordance with the requirements of Item 402(c)(2)(x).

PROPOSAL NO. 2 NON-BINDING ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION (“SAY-ON-PAY” VOTE)

The Company believes that our overall executive compensation program, as described in this Proxy Statement, is designed to pay for performance and directly aligns the interest of our executive officers with the long-term interests of our stockholders. Our stockholders have the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our NEOs as disclosed in this Proxy Statement in accordance with the SEC’s rules.

VOTING AND EFFECT OF VOTE

Because your vote is advisory, it will not be binding upon the Board. In the event this non-binding proposal is not approved by our stockholders, then such a vote will neither be construed as overruling a decision by our Board or our CHR Committee, nor create or imply any additional fiduciary duty by our Board or our CHR Committee, nor will such a vote be construed to restrict or limit the ability of our stockholders to make proposals for inclusion in proxy materials related to executive compensation. Notwithstanding the foregoing, the Board of Directors and the CHR Committee will consider the non-binding vote of our stockholders on this proposal when reviewing compensation policies and practices in the future.

BOARD RECOMMENDATION

Our overall executive compensation policies and procedures are described in the *Compensation Discussion and Analysis* and the tabular disclosure regarding NEO compensation (together with the accompanying narrative disclosure) in this Proxy Statement. We believe that going forward, our compensation policies and procedures will continue to be centered on a pay-for-performance culture and are aligned with the long-term interests of our stockholders, as described in the *Compensation Discussion and Analysis*. The CHR Committee, which is comprised entirely of independent directors, oversees our executive compensation program and continually monitors our policies to ensure that they continue to emphasize programs that reward executives for results that are consistent with stockholder interests.

Stockholders are encouraged to carefully review the *Compensation Discussion and Analysis* section of this Proxy Statement for a detailed discussion of the Company’s executive compensation program. Our Board and our CHR Committee believe that our commitment to these responsible compensation practices justifies a vote by stockholders “FOR” the following resolution approving the compensation of our executives:

Resolved, that the stockholders of Hanmi Financial Corporation hereby approve the compensation of our Named Executive Officers pursuant to Item 402 of Regulation S-K, as described in the Compensation Discussion and Analysis, the executive compensation tables and narrative discussion contained in the Proxy Statement.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE
NON-BINDING RESOLUTION APPROVING THE COMPENSATION OF THE NAMED EXECUTIVE
OFFICERS**

PROPOSAL NO. 3 RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment by the Audit Committee of Crowe LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020. Crowe LLP was selected in May 2019 to serve as our independent registered public accounting firm for the fiscal year ended December 31, 2019. Crowe LLP has advised us that it has no direct or indirect financial interest in us. Representatives of Crowe LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

VOTING AND EFFECT OF VOTE

Under applicable SEC regulations, the selection of our independent registered public accounting firm is solely the responsibility of the Audit Committee. Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of Crowe LLP as the Company's independent registered public accounting firm. However, we are submitting the selection of Crowe LLP to our stockholders for ratification to obtain our stockholders' views. If our stockholders fail to ratify the selection of Crowe LLP, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection of Crowe LLP is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in our and our stockholders' best interests.

BOARD RECOMMENDATION

The Board considers the selection of Crowe LLP as our independent registered public accounting firm to be in the best interests of Hanmi and our stockholders.

OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF CROWE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDED DECEMBER 31, 2020

AUDIT AND NON-AUDIT FEES

All Other Fees(3)	\$ —	\$ 30,000
TOTAL	\$ 1,814,000	\$ 1,685,000

- (1) Includes fees billed for the integrated audit of our annual consolidated financial statements and internal control over financial reporting, for the reviews of the consolidated financial statements included in our Quarterly Reports on Form 10-Q, and for compliance with the Federal Deposit Insurance Corporation Improvement Act.
- (2) Fees in 2018 relate to review of and consent issued for the FormS-4 registration statement.
- (3) All other fees for 2018 are related to the use of an effective yield model for tax compliance reporting on acquired loans.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has established "Pre-Approval Policies and Procedures" for independent auditor services. Any proposed services not pre-approved or exceeding pre-approved cost levels require specific pre-approval by the Audit Committee. The Audit Committee may not delegate to management its responsibilities to pre-approve services performed by the independent auditor; however, the Audit Committee may delegate pre-approval authority to one or more of its members.

In 2019 and 2018, the Audit Committee Chairperson was permitted to approve fees up to \$25,000 with the requirement that any pre-approved decisions be reported to the Audit Committee at its next scheduled meeting. All services provided by the independent auditors in 2019 and 2018 were pre-approved in accordance with the Audit Committee's pre-approval requirements.

AUDIT COMMITTEE REPORT

The following Audit Committee Report is not deemed to be “soliciting material” or to be “filed” with the SEC or subject to the SEC’s proxy rules or the liabilities of Section 18 of the Exchange Act and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates this Audit Committee Report therein.

In performing its functions, the Audit Committee met and held discussions with management and with Crowe LLP, the independent registered public accounting firm for the Company and its wholly-owned subsidiary, Hanmi Bank. Management represented to the Audit Committee that all consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has:

- Reviewed and discussed the audited financial statements with management;
- Discussed with the independent registered public accounting firm the matters required to be discussed under the Public Company Accounting Oversight Board (the “PCAOB”); and
- Received the written disclosures and the letter from the registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the Audit Committee regarding independence. The Audit Committee discussed any relationships that may impact the objectivity and independence of Crowe LLP, and satisfied itself as to their independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company’s management, which has the primary responsibility for the consolidated financial statements and reports, and of the independent registered public accounting firm that, in its report, expresses an opinion on the conformity of the Company’s consolidated financial statements with U.S. generally accepted accounting principles. The Audit Committee’s oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal control over financial reporting designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions with management and the independent registered public accounting firm do not assure that the Company’s consolidated financial statements are presented in accordance with U.S. generally accepted accounting principles, that the audit of the Company’s consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company’s independent registered public accounting firm is “independent.”

Based on these discussions and reviews, the Company’s Audit Committee recommended to the Board of Directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019 for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

Hanmi has adopted a Code of Business Conduct and Ethics, which governs the review and approval of transactions with related persons. This policy requires that executive officers, directors, five percent (5%) stockholders, and their family members and entities for which any of those persons serve as officers or partners or in which they have a ten percent (10%) or greater interest, notify Hanmi's Corporate Secretary before entering into transactions or other arrangements with Hanmi or any of its affiliates (other than loans subject to Regulation O promulgated by the Board of Governors of the Federal Reserve System such as loans exceeding \$25,000). Hanmi's Corporate Secretary will determine whether, under these guidelines, the transaction or arrangement should be submitted to the Audit Committee for review and approval. In determining whether to submit proposed transactions to the Audit Committee for consideration, Hanmi's Corporate Secretary will consider, among other things, the aggregate value of the proposed transaction and whether the related person has an indirect or direct material interest in the transaction. The Audit Committee will review all relevant material information and consider, among other things, the benefits to Hanmi of the proposed transaction, and whether the terms of the proposed transaction are comparable to the terms available to an unrelated third party and employees generally. These policies also include provisions for the review and possible ratification of transactions and arrangements that are entered into without prior review.

The Bank did not enter into any related-party transactions that required review, approval, or ratification under these policies in 2019.

TRANSACTIONS WITH RELATED PERSONS

Some of Hanmi's directors and executive officers, and their immediate families, as well as the companies with which they are associated, are customers of, or have had banking transactions with, Hanmi or Hanmi Bank in the ordinary course of Hanmi's business, and Hanmi expects to have banking transactions with such persons in the future. There is no amount of indebtedness owed to Hanmi or Hanmi Bank by the principal officers (considered "Regulation O Officers") and current directors of Hanmi (including associated companies) as of December 31, 2019, other than an SBA loan made to Christie K. Chu and a family member in 2008 which was a term loan to a business before her 2015 appointment to our Boards, which was made in the ordinary course of business, in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and does not involve more than a normal risk of repayment or present other unfavorable features.

BENEFICIAL OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT
