Pursuant to the previously announced offering of \$110.0 million aggregate principal amount of 3.750% Fixed-to-Floating Rate Subordinated Notes due 2031 (the “Notes”) to be issued by Hanmi Financial Corporation (the “Company”), the Company and Wilmington Trust, National Association, as trustee entered into an Indenture dated as of August 20, 2021 (the “Base Indenture”) and a First Supplemental Indenture dated as of August 20, 2021 to the Base Indenture (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), providing for the issuance of the Notes.

The Notes initially shall bear interest at an initial rate of 3.750% per annum, payable semi-annually in arrears on March 1 and September 1 of each year, commencing on March 1, 2022. The last interest payment date for the fixed rate period will be September 1, 2026. #### **SECTION 2.04. Securities in Global Form.**

If Securities of a series are issuable in global form, as specified as contemplated by Section 2.03(b), then, notwithstanding clause (10) of Section 2.03(b) and the provisions of Section 2.05, any such Security in global form shall represent such of the Securities of such series Outstanding as shall be specified therein, and any such Security in global form may provide that it shall represent the aggregate amount of Securities Outstanding from time to time endorsed thereon and that the aggregate amount of Securities Outstanding represented thereby may from time to time be reduced to reflect any exchanges of beneficial interests in such Security in global form for Securities of such series as contemplated herein. Any endorsement of a Security in global form to reflect the amount, or any decrease in the amount, of Securities Outstanding represented thereby shall be made by the Trustee or the Security Registrar in such manner and upon instructions given by such person or persons as shall be specified in such Security in global form or in the Company Order to be delivered to the Trustee pursuant to Section 2.06 or Section 2.08. Subject to the provisions of Section 2.06 and, if applicable, Section 2.08, the Trustee or the Security Registrar shall deliver and redeliver any Security in permanent global form in the manner and upon instructions given by the person or persons specified in such Security in global form or in the applicable Company Order. If a Company Order pursuant to Section 2.06 or Section 2.08 has been, or simultaneously is, delivered, any instructions by the Company with respect to endorsement or delivery or redelivery of a Security in global form shall be in writing but need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel.

The provisions of the last sentence of Section 2.06 shall apply to any Security represented by a Security in global form if such Security was never issued and sold by the Company and the Company delivers to the Trustee or the Security Registrar the Security in global form together with written instructions (which need not be represented by a Company Order and need not be accompanied by an Opinion of Counsel) with regard to the reduction in the principal amount of Securities represented thereby, together with the written statement contemplated by the last sentence of Section 2.06.

Notwithstanding the provisions of Section 2.05, unless otherwise specified as contemplated by Section 2.03(b), payment of principal of and any premium and interest on any Security in permanent global form shall be made to the persons or persons specified therein.

#### **SECTION 2.05. Denominations; Record Date; Payment of Interest.**

(a) Unless otherwise provided as contemplated by Section 2.03(b) with respect to any series of Securities, any Registered Securities of a series shall be issuable in minimum denominations of \$1,000.

(b) The term "record date" as used with respect to an interest payment date for any series of a Registered Security shall mean such day or days as shall be specified as contemplated by Section 2.03(b); provided, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such interest payment date if such interest payment date is the 15th day of a calendar month; or (2) the 15th day of a calendar month next preceding such interest payment date if such interest payment date is the first day of the calendar month.

Unless otherwise provided as contemplated by Section 2.03 with respect to any series of Securities, the person in whose name any Registered Security is registered at the close of business on the record date with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date

notwithstanding the cancellation of such Security upon any registration of transfer or exchange thereof subsequent to such record date prior to such interest payment date; provided, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Securities are registered on a subsequent record date established by notice given to the extent and in the manner set forth in Section 15.04 by or on behalf of the Company to the holders of Securities of the series in default not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest, or in any other lawful manner acceptable to the Trustee.

(c) Unless otherwise specified by Board Resolution or Company Order for a particular series of Securities, the principal of, redemption premium, if any, on and interest, if any, on the Securities of any series shall be payable at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series, in Dollars; provided, that, at the option of the Company, payment of interest with respect to a Registered Security may be paid by check mailed to the holders of the Registered Securities entitled thereto at their last addresses as they appear on the Security Register or wired if held in book-entry form at the Depository.

#### **SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.**

The Securities shall be signed on behalf of the Company by its Chief Executive Officer, its President or one of its Vice Presidents. Such signatures may be the manual, electronic or facsimile signatures of such then current officers.

Any Security may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities bearing the manual, electronic or facsimile signatures of individuals who were, at the actual date of the execution of such Security, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officer's Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, such incumbency certificate shall be amended and replaced whenever an officer is to be added or deleted from the listing. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing.

Prior to the issuance of a Security of any new series, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

(a) The Board Resolution or Officer's Certificate or indenture supplemental hereto establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;

(b) An Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to the issuance, authentication and delivery of Securities in such form have been complied with;

(c) An Opinion of Counsel stating that the form and terms of such Securities have been established in conformity with the provisions of this Indenture; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officer's Certificate or indenture supplemental hereto.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officer's Certificate or indenture supplemental hereto delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

#### **SECTION 2.07. Exchange and Registration of Transfer of Securities.**

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, or (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent global Security executed by the Company. On or after the earliest date on which such interests may be so exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the Depository (which instructions shall be in writing), such permanent global Security shall be surrendered from time to time by the Depository or such other depository as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent global Security to be exchanged which shall be in the form of Registered Securities; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption. Promptly following any such exchange in part, such permanent global Security should be returned by the Trustee or the Security Registrar to the Depository or such other depository referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent global Security is payable in accordance with the provisions of this Indenture.

(e) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Security Registrar shall be responsible for ascertaining whether any transfer complies with the restrictions set forth in this Indenture, the registration provisions of or exemptions from the Securities Act or applicable state securities laws.

#### **SECTION 2.08. Temporary Securities.**

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series

(typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date such temporary global Security shall be presented and surrendered by the Depositary to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged.

Every temporary Security shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

#### **SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities.**

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the destruction, loss or theft of any Security and (b) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph, execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and any such new Security, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

**SECTION 2.10. Cancellation.**

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities so delivered shall be promptly cancelled by the Trustee, upon written request of the Company. The Company may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities held by the Trustee shall be disposed in accordance with its then customary procedures and, upon written request of the Company, the Trustee shall deliver to the Company a certificate of such disposal. The acquisition of any Securities by the Company shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation.

**SECTION 2.11. Book-Entry Only System.**

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the Depository or other depository designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the Depository or such other depository will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the Depository, or such other depository, as the case may be.

Members of, or participants in, the Depository shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever.

**ARTICLE 3  
REDEMPTION OF SECURITIES**

**SECTION 3.01. Redemption of Securities, Applicability of Section.**

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

**SECTION 3.02. Notice of Redemption, Selection of Securities.**

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to

be redeemed at the election of the Company shall be given by the Company, or, at the Company's written request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in Board Resolutions, as described in Section 2.03, or (b) as determined by the Chief Executive Officer, the Chief Financial Officer, the President, the Treasurer, any Executive Vice President, the Secretary and each officer of the Company designated by any of the foregoing officers (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officer's Certificate specifying the period of notice of such redemption. If the Board Resolutions or an Authorized Officer do not specify a longer period of notice of such redemption, the Company or, at the written request of the Company, the Trustee, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least ten Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to give any notice of redemption, it shall make such request in writing in an Officer's Certificate delivered to the Trustee at least ten days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

### **SECTION 3.03. Payment of Securities Called for Redemption.**

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue. On presentation and surrender of such Securities subject to redemption at the Place

of Payment and in the manner specified in such notice, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

Any Security that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary global Security or permanent global Security is so surrendered, such new Security so issued shall be a new temporary global Security or permanent global Security, respectively.

#### **SECTION 3.04. Redemption Suspended During Event of Default.**

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or has received written notice thereof, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

### **ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY**

#### **SECTION 4.01. Payment of Principal, Premium and Interest.**

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities and this Indenture.

#### **SECTION 4.02. Offices for Notices and Payments.**

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the same as its agent to receive such respective presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the principal Corporate Trust Office of the Trustee as the office of the Company where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served; provided, however, that the Trustee shall not be deemed an agent of the Company for service of legal process.

**SECTION 4.03. Provisions as to Paying Agent.**

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

**SECTION 4.04. Statement as to Compliance.**

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), an Officer's Certificate signed by the Chief Executive Officer, President or other principal executive officer or by the Chief Financial Officer or other principal financial officer or principal accounting officer, Assistant Secretary, Treasurer or Controller of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision; and

(b) to the best of his knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him and the nature and status thereof.

**SECTION 4.05. Corporate Existence.**

Subject to the provisions of Article 11, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises and the corporate existence and rights (charter and statutory) and franchises of its Subsidiaries; provided, that the Company shall not be required to, or to cause any Subsidiary to, preserve any right or franchise or to keep in full force and effect the corporate existence of any Subsidiary if the Company shall determine that the keeping in existence or preservation thereof is no longer desirable in or consistent with the conduct of the business of the Company.

**SECTION 4.06. Reserved.**

**SECTION 4.07. Waiver of Covenants.**

The Company may omit in any particular instance to comply with any covenant or condition set forth herein if before or after the time for such compliance the holders of a majority in principal amount of the Securities of all series affected thereby then Outstanding shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

**ARTICLE 5  
SECURITYHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE**

**SECTION 5.01. Securityholder Lists.**

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee (1) semiannually, within 15 days before each record date when any Securities of a series are Outstanding, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of such Registered Securities as of such date, and (2) at such other times as the Trustee may request in writing, within 10 days after receipt by the Company of any such request, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee as of a date not more than 15 days prior to the time such information is furnished; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

**SECTION 5.02. Preservation and Disclosure of Lists.**

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Company, the Trustee, the Security Registrar and anyone else shall have the protection of Section 312(c) of the Trust Indenture Act with respect to the sending of any material pursuant to a request made pursuant to Section 312(b) of the Trust Indenture Act.

**SECTION 5.03. Reports by the Company.**

(a) The Company covenants so long as Securities are Outstanding, the Company shall file with the Trustee and the Commission, and transmit to holders, copies of such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act; provided, that with respect to any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, the Company intends to file such information, documents or reports with the Commission in electronic form in accordance with Regulation S-T of the Commission using the Commission's Electronic Data Gathering, Analysis and Retrieval system. Compliance with the foregoing, or any successor electronic system approved by the Commission, will constitute delivery by the Company of such reports to the Trustee and holders in compliance with the Trust Indenture Act.

(b) Notwithstanding anything to the contrary herein, the Trustee will have no duty to search for or obtain any electronic or other filings that the Company makes with the Commission, regardless of whether such filings are periodic, supplemental or otherwise. Delivery of the reports, information and documents to the Trustee in accordance with this Section 5.03 will be solely for the purposes of compliance with Section 314(a) of the Trust Indenture Act. The Trustee's receipt of such reports, information and documents (whether or not filed in electronic form) is for informational purposes only and the Trustee's receipt of such will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee shall have no liability or responsibility for the filing, content or timelines of any report hereunder aside from any report transmitted under this Indenture.

**SECTION 5.04. Reports by the Trustee.**

(a) Within 60 days after March 15 of each year commencing with the first March 15 following the first issuance of Securities pursuant to Section 2.01, so long as any Securities are outstanding hereunder and if there has been any change in the following, the Trustee shall transmit by mail, first-class postage prepaid, to the securityholders, as their names appear upon the Security Register, a brief report dated as of such March 15 with respect to any of the events specified in Section 313(a) and Section 313(b)(2) of the Trust Indenture Act that may have occurred since the later of the immediately preceding March 15 and the date of this Indenture.

(b) The Trustee shall transmit the reports required by Section 313(a) of the Trust Indenture Act at the times specified therein.

(c) The Trustee shall comply with Sections 313(b) and 313(c) of the Trust Indenture Act.

(d) Reports under this Section will be transmitted in the manner and to the Persons required by Section 313(c) and Section 313(d) of the Trust Indenture Act. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange.

**ARTICLE 6**  
**REMEDIES**

**SECTION 6.01. Events of Default; Acceleration of Maturity.**

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

- (a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;
- (b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;
- (c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;
- (d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or the Material Subsidiary in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Material Subsidiary or for any substantial part of their respective property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;
- (e) the Company or the Material Subsidiary shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or the Material Subsidiary or for any substantial part of their respective property, or shall make any general assignment for the benefit of creditors; or
- (f) any other Event of Default provided with respect to Securities of that series; then, if an Event of Default described in clause (a), (b), (c), or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of all the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders), may declare the principal of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities contained to the contrary notwithstanding.

## **SECTION 6.02. Rescission and Annulment**

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

## **SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Company covenants that if

(a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days, or

(b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities, the whole amount that shall have become due and payable on such Securities for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

---

**SECTION 6.04. Trustee May File Proofs of Claim.**

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security in any such proceeding.

**SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities.**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities in respect of which such judgment has been recovered.

**SECTION 6.06. Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06 or 14.05;

SECOND: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article 16;

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

**SECTION 6.07. Limitation on Suits.**

No holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (1) such holder has previously given written notice to the Trustee of a continuing Event of Default;
- (2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such holder or holders have offered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in principal amount of the Outstanding Securities; it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities.

**SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.**

Notwithstanding any other provision in this Indenture, the holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security on the respective stated maturities expressed in such Security (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

**SECTION 6.09. Restoration of Rights and Remedies.**

If the Trustee or any holder of a Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

**SECTION 6.10. Rights and Remedies Cumulative.**

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities is intended to be exclusive of any other right or remedy, and every right and remedy

shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**SECTION 6.11. Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any holder of any Security to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities, as the case may be.

**SECTION 6.12. Control by Securityholders.**

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and

(3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting (provided, however, that the Trustee shall not have an affirmative obligation to determine whether such action is unduly prejudicial to the securityholders not consenting).

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary global Security or a permanent global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date, provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

**SECTION 6.13. Waiver of Past Defaults.**

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series, waive any past default hereunder and its consequences, except a default:

- (a) in the payment of the principal of, premium, if any, or any interest on any Security; or
- (b) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

---

**SECTION 6.14. Undertaking for Costs.**

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security on or after the respective stated maturities expressed in such Security (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

**SECTION 6.15. Waiver of Stay or Extension Laws.**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE 7  
CONCERNING THE TRUSTEE****SECTION 7.01. Duties and Responsibilities of Trustee.**

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### **SECTION 7.02. Reliance on Documents, Opinions, etc.**

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, judgement, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties not only as the due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained herein. The Trustee need not investigate any fact or matter stated in the document;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate and/or Opinion of Counsel;

(c) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event will the Trustee be responsible or liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(i) in no event will the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, epidemics, riots, nuclear or natural catastrophes, earthquakes, fires, floods, or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, labor disputes, acts of civil or military authorities and governmental actions, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee will use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(j) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers hereunder;

(k) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(l) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable other than for its negligence or willful misconduct.

#### **SECTION 7.03. No Responsibility for Recitals, etc.**

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

#### **SECTION 7.04. Ownership of Securities.**

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

#### **SECTION 7.05. Moneys to be Held in Trust.**

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held un-invested in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

#### **SECTION 7.06. Compensation and Expenses of Trustee.**

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as agreed in writing between the Company and the Trustee (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent

authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, damage, claims, suit, liability or expense, (including attorney's fees and expenses, and taxes (other than taxes based upon, measured or determined by, the income of the Trustee)) incurred without negligence or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability, whether asserted by the Company, a Holder or any other person. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

#### **SECTION 7.07. Officer's Certificate or Opinion of Counsel as Evidence.**

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate or Opinion of Counsel delivered to the Trustee, and such certificate or opinion, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

#### **SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.**

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

#### **SECTION 7.09. Eligibility of Trustee.**

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by, or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

---

**SECTION 7.10. Resignation or Removal of Trustee.**

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Company. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months, or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder, or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) Upon 30 days' prior written notice, the holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

**SECTION 7.11. Acceptance by Successor Trustee.**

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within ten days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

#### **SECTION 7.12. Successor by Merger, etc.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

#### **SECTION 7.13. Limitations on Rights of Trustee as Creditor.**

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

#### **SECTION 7.14. Notice of Default.**

Within 90 days after the occurrence of any default on a series of Securities hereunder of which a Responsible Officer of the Trustee has received notice or is deemed to have notice in accordance with this Section 7.14, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder actually known to a Responsible Officer of the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as a Responsible Officer of the Trustee in good faith determine that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. The Trustee will not be required to take notice or be deemed to have notice of any default or Event of Default, except failure by the Company to pay or cause to be made any of the payments required to be made to the Trustee, unless a Responsible Officer shall receive written notice of such default or Event of Default from the Company or by the holders of at least 25% in aggregate principal amount of the

then Outstanding Securities delivered to the Corporate Trust Office of the Trustee and such notice states that it is a notice of a default or Event of Default with respect to the Securities and this Indenture, and in the absence of such notice so delivered the Trustee may conclusively assume no default or Event of Default exists. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

#### **SECTION 7.15. Appointment of Authenticating Agent.**

The Trustee may appoint an authenticating agent or agents (which may be an affiliate or affiliates of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue or upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 2.09, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers or to otherwise act as authenticating agent, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, and (c) shall have at all times a combined capital and surplus of not less than \$50,000,000. If such authenticating agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such authenticating agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an authenticating agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such authenticating agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such authenticating agent, shall continue to be an authenticating agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

An authenticating agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an authenticating agent by giving written notice thereof to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such authenticating agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor authenticating agent which shall be acceptable to the Company and shall promptly give notice of such appointment to all holders of Securities in the manner and to the extent provided in Section 15.04. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each authenticating agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

If all of the Securities of a series may not be originally issued at one time, and the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Company wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing, shall appoint in accordance with this Section an authenticating agent (which, if so requested by the Company, shall be such affiliate of the Company) having an office in a Place of Payment designated by the Company with respect to such series of Securities, provided that the terms and conditions of such appointment are acceptable to the Trustee.

## ARTICLE 8 CONCERNING THE SECURITYHOLDERS

### SECTION 8.01. Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any authorization, notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by securityholders in person or by agent or proxy appointed in writing, or (b) by a combination of such instrument or instruments and any such record of such a meeting of securityholders.

In determining whether the holders of a specified percentage in aggregate principal amount of the Securities of any or all series have taken any action (including the making of any demand or request, the giving of any authorization, direction, notice, consent or waiver or the taking of any other action), (i) the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such of such action is evidenced to the Trustee, and (ii) the principal amount of a Security denominated in a foreign currency or currency unit shall be the Dollar equivalent, determined as of the date of original issuance of such Security in accordance with Section 2.03(b) hereof, of the principal amount of such Security.

### SECTION 8.02. Proof of Execution by Securityholders.

Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a securityholder or its agent or proxy, or of the holding by any person of a Security, shall be sufficient and conclusive in favor of the Trustee and the Company if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The principal amount and serial numbers of Registered Securities held by any person, and the date of holding the same, shall be proved by the Security Register.

The record of any securityholders' meeting shall be proved in the manner provided in Section 9.06.

---

**SECTION 8.03. Who Are Deemed Absolute Owners.**

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05 and Section 2.07, any interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Notwithstanding the foregoing, with respect to any temporary or permanent global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a Depository, or impair, as between a Depository and holders of beneficial interests in any temporary or permanent global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the Depository as holder of such temporary or permanent global Security.

**SECTION 8.04. Company-Owned Securities Disregarded.**

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

**SECTION 8.05. Revocation of Consents; Future Securityholders Bound.**

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

**SECTION 8.06. Record Date.**

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the principal

corporate trust office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

## **ARTICLE 9 SECURITYHOLDERS' MEETINGS**

### **SECTION 9.01. Purposes of Meeting.**

A meeting of holders of any or all series of Securities may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by securityholders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

### **SECTION 9.02. Call of Meetings by Trustee.**

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York or as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

### **SECTION 9.03. Call of Meetings by Company or Securityholders.**

In case at any time the Company, pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Securities of any or all series, as the case may be, then Outstanding, shall have requested the Trustee to call a meeting of securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have provided notice of such meeting in the manner provided in Section 15.04 within 30 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in New York, New York or Los Angeles, California for such meeting and may call such meeting by giving notice thereof as provided in Section 9.02.

### **SECTION 9.04. Qualifications for Voting.**

To be entitled to vote at any meeting of securityholders a person shall be a holder of one or more Securities of such series Outstanding with respect to which a meeting is being held or a person appointed by an instrument in writing as proxy by such a holder or holders. The only persons who shall be entitled to be present or to speak at any meeting of the securityholders of any series shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

#### **SECTION 9.05. Regulations.**

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

#### **SECTION 9.06. Voting.**

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

### **ARTICLE 10 SUPPLEMENTAL INDENTURES**

#### **SECTION 10.01. Supplemental Indentures without Consent of Securityholders.**

(c) to establish any series of Securities and the form or terms of securities of any series as permitted by Section 2.01 and Section 2.03, including, without limitation, any subordination provisions and any conversion or exchange provisions applicable to Securities that are convertible into or exchangeable for other securities or property, and any deletions from or additions or changes to this Indenture in connection therewith (provided that any such deletions, additions and changes shall not be applicable to any other series of Securities then Outstanding);

(d) to add any additional Events of Default with respect to all or any series of Securities (as shall be specified in such supplemental indenture);

(e) to supplement any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the defeasance, covenant defeasance and/or satisfaction and discharge of any series of Securities pursuant to Article 14, provided that any such action shall not adversely affect the interests of any holder of a Security of such series or any other Security in any material respect;

(f) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities, registrable or not registrable as to principal;

(h) in the case of any series of Securities which are convertible into or exchangeable for commodities or for the securities of the Company to safeguard or provide for the conversion or exchange rights, as the case may be, of such Securities in the event of any reclassification or change of outstanding securities or any merger, consolidation, statutory share exchange or combination of the Company with or into another Person or any sale, lease, assignment, transfer, disposition or other conveyance of all or substantially all of the properties and assets of the Company to any other Person or other similar transactions, if expressly required by the terms of such series of Securities established pursuant to Section 2.03;

(i) to add to, delete from or revise the conditions, limitations or restrictions on issue, authentication and delivery of Securities of any series;

(j) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act or any corresponding provision in any similar federal statute hereafter enacted;

(k) to modify, eliminate or add to any of the provisions of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security of any series Outstanding and created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security Outstanding;

(l) to conform the Indenture or the Securities to the description thereof in the related prospectus, offering memorandum or disclosure document (as provided in an Officer's Certificate delivered to the Trustee);

(m) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture;

(n) to add guarantees with respect to, or to secure, any series of Security;

(o) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11; and

(p) to make any change to the Securities of any series or to make any other provisions in regard to matters or questions arising under this Indenture that do not adversely affect the legal rights under this Indenture of any holder of Securities of any series issued under this Indenture, including provisions necessary or desirable to provide for or facilitate the administration of the trusts hereunder.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

#### **SECTION 10.02. Supplemental Indentures with Consent of Holders.**

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series under this Indenture; provided, that no such supplemental indenture shall (a) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (b) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental indenture, without the consent of the holders of all Securities then Outstanding, (c) modify the subordination provisions in a manner adverse to the holders of such Securities, or (d) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

---

**SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.**

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officer's Certificate and Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10 and that all conditions precedent thereto have been satisfied.

**SECTION 10.04. Notation on Securities.**

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Company and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

**ARTICLE 11  
CONSOLIDATION, MERGER, SALE OR CONVEYANCE****SECTION 11.01. Company May Consolidate, etc., on Certain Terms.**

The Company covenants that it will not merge into or consolidate with any other corporation or sell or convey all or substantially all of its assets to any person, firm or corporation, unless (a) either the Company shall be the continuing corporation, or the successor corporation (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a state thereof or the District of Columbia and such corporation shall expressly assume the due and punctual payment of the principal of (and premium, if any, on) and any interest on all the Securities, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by supplemental indenture in form satisfactory to the Trustee, executed and delivered to the Trustee by such corporation, and (b) the Company or such successor corporation, as the case may be, shall not, immediately after such merger or consolidation, or such sale or conveyance, be in default in the performance of any such covenant or condition.

**SECTION 11.02. Successor Corporation Substituted.**

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

In case of any such consolidation, merger, sale or conveyance such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

**SECTION 11.03. Opinion of Counsel and Officer's Certificate to be Given Trustee.**

The Trustee shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, complies with the provisions of this Article 11 and that all conditions precedent herein provided for relating to such transaction have been complied with.

**ARTICLE 12**  
**SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS**

**SECTION 12.01. Discharge of Indenture.**

If at any time:

(a) the Company shall have delivered to the Trustee for cancellation all Securities of any series theretofore authenticated (other than (i) Securities that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.09, and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.03), or

(b) all such Securities of such series not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, or (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (b)(i), (b)(ii) or (b)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series not theretofore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at the cost and expense of the Company and subject to Section 15.05, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officer's Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

**SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.**

Subject to the provisions of clause (e) of Section 4.03, all moneys deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company acting as its own paying agent), to the persons entitled thereto, of all sums due and to become due thereon for principal and interest (and premium, if any) for which payment of such money has been deposited with the Trustee.

---

**SECTION 12.03. Paying Agent to Repay Moneys Held.**

In connection with the satisfaction and discharge of this Indenture with respect to Securities of any series and the payment of all amounts due to the Trustee under Section 7.06, all moneys with respect to such Securities then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be repaid to it or paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such moneys.

**SECTION 12.04. Return of Unclaimed Moneys.**

Subject to applicable law, any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent upon written request from the Company, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13  
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

**SECTION 13.01. Indenture and Securities Solely Corporate Obligations.**

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14  
DEFEASANCE AND COVENANT DEFEASANCE**

**SECTION 14.01. Applicability of Article.**

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section 14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

**SECTION 14.02. Defeasance and Discharge.**

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities

and other provisions in respect of the Trustee hereunder, and (D) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

**SECTION 14.03. Covenant Defeasance.**

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "covenant defeasance"). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

**SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.**

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, or (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No default, or event that after notice or lapse of time, or both, would become a default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(a) and Section 6.01(b) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a conflicting interest as defined in Section 7.08 or for purposes of the Trust Indenture Act with respect to any securities of the Company or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

**SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.**

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to holders of Registered Securities by mail, then such notification as shall be made with the approval of the Trustee shall constitute sufficient notice to such holders for every purpose hereunder. In any case where notice to holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder of a Registered Security shall affect the sufficiency of such notice with respect to other holders of Registered Securities.

Notwithstanding any other provision of this Indenture or any Security, where this Indenture or any Security provides for notice of any event (including any notice of redemption) to a Holder of a Global Security (whether by mail or otherwise), such notice shall be sufficiently given when delivered to the Depository for such Security (or its designee) pursuant to the customary procedures of such Depository.

The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

**ARTICLE 16

**WHEREAS**, pursuant to Section 2.01 of the Base Indenture, the Company desires to establish a new Series of Securities under the Indenture to be known as its "3.750% Fixed-to-Floating Rate Subordinated Notes Due 2031" (the "2031 Series") and to establish and set the form and terms, provisions and conditions of the notes of the 2031 Series (the "Notes"), as provided in this First Supplemental Indenture and to provide for the initial issuance of Notes of the 2031 Series in the aggregate principal amount of \$110,000,000; and

**WHEREAS**, the Company has requested that the Trustee execute and deliver this First Supplemental Indenture; and the Company confirms all requirements necessary to make this First Supplemental Indenture a valid, binding and enforceable instrument in accordance with its terms, and to make the Notes, when executed by the Company and authenticated and delivered by the Trustee in accordance with this Indenture, the valid, binding and enforceable obligations of the Company, have been satisfied; and the execution and delivery of this First Supplemental Indenture has been duly authorized in all respects.

**NOW, THEREFORE**, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

## ARTICLE 1 DEFINITIONS

Section 1.01. *Relation to Base Indenture.* This First Supplemental Indenture constitutes an integral part of, and amends and supplements, the Base Indenture as set forth herein.

Section 1.02. *Definition of Terms.* For all purposes of this First Supplemental Indenture:

(a) Capitalized terms used herein without definition shall have the meanings set forth in the Base Indenture, provided that if the definition of a capitalized term defined in this First Supplemental Indenture conflicts with the definition of that capitalized term in the Base Indenture, the definition of that capitalized term in this First Supplemental Indenture shall control for purposes of this First Supplemental Indenture and the Notes;

(b) a term defined anywhere in this First Supplemental Indenture has the same meaning throughout this First Supplemental Indenture;

(c) the singular includes the plural and vice versa;

(d) headings are for convenience of reference only and do not affect interpretation;

(e) unless otherwise specified or unless the context requires otherwise, (i) all references in this First Supplemental Indenture to Sections refer to the corresponding Sections of this First Supplemental Indenture and (ii) the terms “herein,” “hereof,” “hereunder” and any other word of similar import refer to this First Supplemental Indenture; and

(f) for purposes of this First Supplemental Indenture and the Notes, the following terms have the meanings given to them in this Section 1.02(f):

“2031 Series” shall have the meaning set forth in the Recitals.

“Authenticating Agent” means any Person authorized by the Trustee pursuant to Section 7.15 of the Base Indenture to act on behalf of the Trustee to authenticate the Notes.

“Base Indenture” shall have the meaning set forth in the Recitals.

“Benchmark” means, initially, Three-Month Term SOFR; provided that, if the Calculation Agent determines on or prior to the Reference Time for any Floating Rate Interest Period that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement for such Floating Rate Interest Period and any subsequent Floating Rate Interest Periods.

“Benchmark Replacement” means the Interpolated Benchmark with respect to the then-current Benchmark, plus the Benchmark Replacement Adjustment for such Benchmark; provided that if (a) the Calculation Agent cannot determine the Interpolated Benchmark as of the Benchmark Replacement Date or (b) the then-current Benchmark is Three-Month Term SOFR and a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR (in which event no Interpolated Benchmark with respect to Three-Month Term SOFR shall be determined), then “Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Calculation Agent as of the Benchmark Replacement Date:

(1) Compounded SOFR;

(2) the sum of: (a) the alternate rate that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;

(3) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment;

(4) the sum of: (a) the alternate rate that has been selected by the Calculation Agent as the replacement for the then-current Benchmark for the applicable Corresponding Tenor, giving due consideration to any industry-accepted rate as a replacement for the then-current Benchmark for Dollar-denominated floating rate securities at such time, and (b) the Benchmark Replacement Adjustment.

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Calculation Agent as of the Benchmark Replacement Date:

(1) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero), that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

(2) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; and

(3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Calculation Agent giving due consideration to any industry-accepted spread adjustment or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for Dollar-denominated floating rate securities at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative, or operational changes (including, without limitation, changes to the definition of “Floating Rate Interest Period,” timing and frequency of determining rates with respect to each Floating Rate Interest Period and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Calculation Agent determines may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Calculation Agent determines that adoption of any portion of such market practice is not administratively feasible or if the Calculation Agent determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Calculation Agent determines is reasonably necessary).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark:

- (1) in the case of clause (1) of the definition of “Benchmark Transition Event,” the relevant Reference Time in respect of any determination;
- (2) in the case of clause (2) or (3) of the definition of “Benchmark Transition Event,” the later of the date of the public statement or publication of information referenced therein and the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or
- (3) in the case of clause (4) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (1) if the Benchmark is Three-Month Term SOFR, (a) the Relevant Governmental Body has not selected or recommended a forward-looking term rate for a tenor of three months based on SOFR, (b) the development of a forward-looking term rate for a tenor of three months based on SOFR that has been recommended or selected by the Relevant Governmental Body is not complete or (c) the Company determines that the use of a forward-looking rate for a tenor of three months based on SOFR is not administratively feasible;
- (2) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that such administrator has ceased or will cease to provide the Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or
- (4) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“Business Day” means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions or trust companies in the City of New York, New York or any Place of Payment are authorized or obligated by law, regulation, or executive order to close or remain closed.

“Calculation Agent” means the Person appointed by the Company prior to the commencement of the Floating Rate Period (which may include the Company or any of its affiliates) to act in accordance with Section 2.05. The Company shall initially act as the Calculation Agent.

“Company” shall have the meaning set forth in the Preamble.

“Compounded SOFR” means the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate being established by the Calculation Agent in accordance with:

(1) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; provided that:

(a) There is hereby authorized and established a Series of Securities designated as the “3.750% Fixed-to-Floating Rate Subordinated Notes Due 2031,” which Series of Securities is unsecured, subordinated to the Senior Indebtedness of the Company as provided herein and unlimited in the aggregate principal amount that may be issued. The Notes initially issued pursuant to the terms of the Indenture shall be in an aggregate principal amount of \$110,000,000 which amount shall be set forth in a Company Order pursuant to Article 2 of the Base Indenture, and the Trustee shall thereupon authenticate and deliver said Notes in accordance with such Company Order and the Indenture, including Section 2.06 of the Base Indenture. The Securities that are a part of such Series of Securities shall be in the form and have the terms, provisions and conditions as set forth in the Base Indenture, this First Supplemental Indenture and the Notes in the form attached hereto as Exhibit A.

(b) The Company may, from time to time, without notice to, or the consent of, the holders of the Notes, issue additional Securities ranking equally with the Notes and identical to the Notes issued on the date hereof in all respects (except for the issue date, the offering price, the payment of interest accruing prior to the issue date of such additional Securities and the first payment of interest following the issue date of such additional Securities) in order that such additional Securities may be consolidated and form a single series with the Notes and have the same terms as to status, redemption or otherwise as the Notes. However, any additional Securities of the series of which the Notes are a part that are issued and are not fungible with the outstanding Notes of such series for United States federal income tax purposes will be issued under one or more separate CUSIP numbers and ISIN numbers. No limit exists on the aggregate principal amount of the additional Securities of this series that the Company may issue in the future.

Section 2.02. *Maturity.* The date upon which the Notes shall become due and payable at final maturity, together with any accrued and unpaid interest then owing, is September 1, 2031 (the “Maturity Date”).

Section 2.03. *Form, Payment and Appointment.* Except as provided in Section 2.07(d) of the Base Indenture, the Notes will be issued only in book-entry form, will be represented by one or more Global Notes (as defined below) registered in the name of or held by The Depository Trust Company (and any successor organization thereto) (“DTC”) or its nominee. Principal or the redemption price, if any, of a Note shall be payable to the Person in whose name that Note is registered on the Maturity Date or Redemption Date, as the case may be, provided that the redemption price, if any, principal of and interest on the Notes represented by one or more Global Notes (as hereinafter defined) registered in the name of or held by DTC or its nominee will be payable in immediately available funds to DTC or its nominee, as the case may be, as the registered holder of such Global Notes. The principal of any certificated Notes will be payable at the Place of Payment set forth below.

The Notes shall have such other terms as are set forth in the form thereof attached hereto as Exhibit A, which is incorporated herein and made a part hereof.

The Security Registrar, Authenticating Agent, and Paying Agent for the Notes shall initially be the Trustee. The Company will appoint a Person to act as the Calculation Agent as provided under the definition of Calculation Agent and Section 2.05.

The Place of Payment for the Notes shall be an office or agency of the Company maintained for such purpose, which shall initially be the Corporate Trust Office of the Trustee.

The Notes will be issued and may be transferred only in minimum denominations of \$1,000 or any amount in excess thereof that is an integral multiple of \$1,000. The Company will pay principal of and interest on the Notes in U.S. Dollars.

Section 2.04. *Global Note.* The Notes shall be issued initially in the form of one or more fully registered global notes (each such global note, a “Global Note”) registered in the name of DTC or its nominee and deposited with DTC or its designated custodian or such other Depository as any Authorized Officer of the Company may from time to time designate. Unless and until a Global Note is exchanged for definitive certificated Notes, such Global Note may be transferred, in whole but not in part, and any payments on the Notes shall be made, only to DTC or a nominee of DTC, or to a successor Depository selected or approved by the Company or to a nominee of such successor Depository as provided in the Indenture.

Section 2.05. *Interest.*

a) From and including August 20, 2021, to, but excluding, September 1, 2026 (unless redeemed prior to such date pursuant to Section 3.02 hereof) (the “Fixed Rate Period”), the Notes will bear interest at a rate of 3.750% per year. During the Fixed Rate Period, interest on the Notes will accrue from and including August 20, 2021, and will be payable semiannually in arrears on March 1 and September 1 of each year during the Fixed Rate Period, commencing on March 1, 2022 (each such date, a “Fixed Period Interest Payment Date”). The interest payable on the Notes on any Fixed Period Interest Payment Date will be paid to the holder at the close of business on the 15th calendar day (whether or not a Business Day) immediately preceding the Fixed Period Interest Payment Date.

(b) From and including September 1, 2026, to, but excluding, the Maturity Date (unless redeemed prior to such date pursuant to Section 3.01 or Section 3.02 hereof) (the “Floating Rate Period”), the Notes will bear interest at a floating rate per year equal to the Benchmark, plus 310 basis points. During the Floating Rate Period, interest on the Notes will accrue from and including September 1, 2026 and will be payable quarterly in arrears on March 1, June 1, September 1 and December 1 of each year, commencing on December 1, 2026 (each such date, a “Floating Period Interest Payment Date” and, together with a Fixed Period Interest Payment Date, an “Interest Payment Date”). The interest payable on the Notes on any Floating Period Interest Payment Date will, except as noted in the immediately succeeding sentence, be paid to the holder at the close of business on the 15th calendar day (whether or not a Business Day) immediately preceding the Floating Period Interest Payment Date. However, interest that the Company pays on the Maturity Date will be paid to the Person to whom the principal will be payable. Notwithstanding the foregoing, if the Benchmark is less than zero, then the Benchmark shall be deemed to be zero. The Calculation Agent will provide the Company and the Trustee with written notice of the interest rate in effect on the Notes promptly after the Reference Time (or such other date of determination for the applicable Benchmark) for each Floating Rate Interest Period.

(c) During the Fixed Rate Period, interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. During the Floating Rate Period, interest will be computed on the basis of a 360-day year and the actual number of days elapsed. Dollar amounts resulting from those calculations will be rounded to the nearest cent, with one-half cent being rounded upward.

(d) The Company or the Calculation Agent, as applicable, shall calculate the amount of interest payable on any Interest Payment Date and the Trustee shall have no duty to confirm or verify any such calculation. If any Fixed Period Interest Payment Date for the Notes or the date for the payment of principal for the Notes occurring during the Fixed Rate Period falls on a day that is not a Business Day, the Company will postpone the interest or principal payment to the next succeeding Business Day, but the payments made on such dates will be treated as being made on the date that the payment was first due and the holders of the Notes will not be entitled to any further interest, principal or other payments with respect to such postponements. If any Floating Period Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the Company will postpone the interest payment or the payment of principal and interest at the Maturity Date to the next succeeding Business Day (and, with respect to the Maturity Date, no additional interest will accrue on the amount payable for the period from and after the Maturity Date) unless, with respect to a Floating Period Interest Payment Date only, such day falls in the next calendar month, in which case the Floating Period Interest Payment Date will instead be the immediately preceding day that is a Business Day, and interest will accrue to, but excluding, such Floating Period Interest Payment Date as so adjusted.

(e) The Company shall appoint a Calculation Agent prior to the commencement of the Floating Rate Period. The Company will act as the initial Calculation Agent. The calculation of the interest rate for any Floating Rate Interest Period by the Calculation Agent will (in the absence of manifest error) be conclusive and binding upon the beneficial owners and holders of the Notes, the Company (if the Company is not also the Calculation Agent) and the Trustee. The Calculation Agent's determination of any interest rate, and its calculation of interest payments, for any Floating Rate Interest Period, will be maintained on file at the Calculation Agent's principal offices, and will be made available to any holder of the Notes upon request. The Calculation Agent shall have all the rights, protections and indemnities afforded to the Trustee under the Indenture. The Company may remove the Calculation Agent at any time. If the Calculation Agent is unable or unwilling to act as Calculation Agent or is removed by the Company, the Company will promptly appoint a replacement Calculation Agent. The Trustee shall not be under any duty to succeed to, assume or otherwise perform, any duties of the Calculation Agent, or to appoint a successor or replacement in the event of the Calculation Agent's resignation or removal or to replace the Calculation Agent in the event of a default, breach or failure of performance on the part of the Calculation Agent with respect to the Calculation Agent's duties and obligations under the Indenture. For the avoidance of doubt, if at any time there is no Calculation Agent appointed by the Company, then the Company shall be the Calculation Agent. By its acquisition of the Notes, each holder (including, for the avoidance of doubt, each beneficial owner) acknowledges, accepts, consents to and agrees to be bound by the Company's and the Calculation Agent's determination of the interest rate for each Floating Rate Interest Period, including the Company's and its determination of any Benchmark Replacement Conforming Changes, Benchmark Replacement Date, Benchmark Replacement, Benchmark Replacement Adjustment, and Benchmark Transition Event, including as may occur without any prior notice from the Company or the Calculation Agent and without the need for the Company or it to obtain any further consent from any holder of the Notes.

(f) Effect of Benchmark Transition Event

(1) If the Calculation Agent determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred on or prior to the Reference Time in respect of any Floating Rate Interest Period during the Floating Rate Period, then the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes during such Floating Rate Interest Period and all remaining Floating Rate Interest Periods. In connection with the implementation of a Benchmark Replacement, the Calculation Agent will have the right to make Benchmark Replacement Conforming Changes from time to time.

(2) Notwithstanding anything set forth in Section 2.05(b) above, if the Calculation Agent determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR, then the provisions set forth in this Section 2.05(f) will thereafter apply to all determinations of the Benchmark used to calculate the interest rate on the Notes for each Floating Rate Interest Period.

(3) The Calculation Agent is expressly authorized to make certain determinations, decisions, and elections under the terms of the Notes, including with respect to the use of Three-Month Term SOFR as the Benchmark for the Floating Rate Period and under this [Section 2.05\(f\)](#). Any determination, decision, or election that may be made by the Company or by the Calculation Agent under the terms of the Notes, including any determination with respect to a tenor, rate, or adjustment or of the occurrence or non-occurrence of an event, circumstance, or date and any decision to take or refrain from taking any action or any selection (A) will be conclusive and binding on the holders of the Notes, the Company (if the Company is not also the Calculation Agent) and the Trustee absent manifest error, (B) if made by the Company as Calculation Agent, will be made in the Company's sole discretion, (C) if made by a Calculation Agent other than the Company, will be made after consultation with the Company, and the Calculation Agent will not make any such determination, decision, or election to which the Company reasonably objects and (D) notwithstanding anything to the contrary in the Indenture, shall become effective without consent from the holders of the Notes or the Trustee or any other party. If the Calculation Agent fails to make any determination, decision, or election that it is required to make under the terms of the Notes, then the Company will make such determination, decision, or election on the same basis as described above.

(4) The Company (or the Calculation Agent) shall notify the Trustee in writing (i) upon the occurrence of the Benchmark Transition Event or the Benchmark Replacement Date, and (ii) of any Benchmark Replacements, Benchmark Replacement Conforming Changes after a Benchmark Transition Event.

(5) The Trustee (including in its capacity as Paying Agent) shall have no (i) responsibility or liability for the (A) Three-Month Term SOFR Conventions, (B) selection of an alternative reference rate to Three-Month Term SOFR (including, without limitation, whether the conditions for the designation of such rate have been satisfied or whether such rate is a Benchmark Replacement or an Unadjusted Benchmark Replacement), (C) determination or calculation of a Benchmark Replacement, or (D) determination of whether a Benchmark Transition Event or Benchmark Replacement Date has occurred, and in each such case under clauses (A) through (D) above shall be entitled to conclusively rely upon the selection, determination, and/or calculation thereof as provided by the Company or its Calculation Agent, as applicable, and (ii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a Benchmark rate as described in the definition thereof, including, without limitation, as a result of the Company's or the Calculation Agent's failure to select a Benchmark Replacement or the Calculation Agent's failure to calculate a Benchmark. The Trustee shall be entitled to rely conclusively on all notices from the Company or the Calculation Agent regarding any Benchmark or Benchmark Replacement, including, without limitation, in regards to Three-Month Term SOFR Conventions, a Benchmark Transition Event, Benchmark Replacement Date, and Benchmark Replacement Conforming Changes. The Trustee shall not be responsible or liable for the actions or omissions of the Calculation Agent, or any failure or delay in the performance of the Calculation Agent's duties or obligations, nor shall it be under any obligation to monitor or oversee the performance of the Calculation Agent. The Trustee shall be entitled to rely conclusively on any determination made, and any instruction, notice, Officer's Certificate or other instruction or information provided by the Calculation Agent without independent verification, investigation or inquiry of any kind.

(6) If the then-current Benchmark is Three-Month Term SOFR, the Calculation Agent will have the right to establish the Three-Month Term SOFR Conventions, and if any of the foregoing provisions concerning the calculation of the interest rate and interest payments during the Floating Rate Period are inconsistent with any of the Three-Month Term SOFR Conventions determined by the Calculation Agent, then the relevant Three-Month Term SOFR Conventions will apply. Furthermore, if the Calculation Agent determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the Three-Month Term SOFR at any time when any of the Notes are outstanding, then the foregoing provisions concerning the calculation of the interest rate and interest payments during the Floating Rate Period will be modified in accordance with this [Section 2.05\(f\)](#).

#### Section 2.06. *Subordination.*

(a) The Company, for itself, its successors and assigns, covenants and agrees, and each holder of Notes by the holder's acceptance thereof, likewise covenants and agrees, that the payment of the principal of and interest on

each and all of the Notes is and will be expressly subordinated in right of payment to the prior payment in full of all Senior Indebtedness, subject to clause (j) of this Section 2.06, to the extent and in the manner described in this Section 2.06 and Section 16.01 of the Base Indenture.

(b) In the event of the insolvency, bankruptcy, receivership, liquidation or other marshalling of the assets and liabilities of the Company (subject to the power of a court of competent jurisdiction to make other equitable provision reflecting the rights conferred upon the Senior Indebtedness and the holders thereof with respect to the Notes and the holders thereof by a lawful plan of reorganization under applicable bankruptcy law):

(i) the holders of all Senior Indebtedness shall first be entitled to receive payment in full in accordance with the terms of such Senior Indebtedness of the principal thereof, premium, if any, and the interest due thereon (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency or similar law now or hereafter in effect) before the holders of the Notes are entitled to receive any payment upon the principal of or interest on indebtedness evidenced by the Notes;

(ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the holders of the Notes would be entitled except for the provisions of Section 16.01 of the Base Indenture and this Section 2.06, including any such payment or distribution that may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Notes, shall be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a bankruptcy trustee, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, in accordance with the priorities then existing among holders of Senior Indebtedness for payment of the aggregate amounts remaining unpaid on account of the principal, premium, if any, and interest (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency or similar law now or hereafter in effect) on the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid, after giving effect to any other concurrent payment or distribution to the holders of such Senior Indebtedness; it being understood that if the holders of the Notes shall fail to file a proper claim in the form required by any proceeding referred to in this subparagraph (ii) prior to 30 days before the expiration of the time to file such claim or claims, then the holders of Senior Indebtedness are hereby authorized to file an appropriate claim or claims for and on behalf of the holders of the Notes, in the form required in any such proceeding; and

(iii) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including any such payment or distribution that may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinate to the payment of the Notes shall be received by the Trustee or holders of the Notes before all Senior Indebtedness is paid in full, such payment or distribution shall be paid over to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment of assets of the Company for all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

Subject to the payment in full of all Senior Indebtedness, the holders of the Notes shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness until the principal of and interest on the Notes shall be paid in full and no such payments or distributions to holders of such Senior Indebtedness to which the holders of the Notes would be entitled except for the provisions of Section 16.01 of the Base Indenture and this Section 2.06, of cash, property or securities otherwise distributable to the holders of Senior Indebtedness shall, as between the Company, its creditors, other than the holders of Senior Indebtedness, and the holders of the Notes, be deemed to be a payment by the Company to or on account of the Senior Indebtedness. It is understood that the provisions of this Section 2.06 are intended solely for the purpose of defining the relative rights of the holders of the Notes, on the one hand, and the holders of Senior Indebtedness, on the other hand. Upon any payment or distribution of assets of the Company referred to in this Section 2.06, the Trustee and the holders of the Notes shall be entitled to rely upon any order or decree of a court of competent jurisdiction in which such proceeding for the insolvency, bankruptcy,

receivership, liquidation or other marshalling of the assets and liabilities of the Company is pending or upon a certificate of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the holders of the Notes for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount hereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 2.06. In the absence of any such liquidating trustee, agent or other Person, the Trustee shall be entitled to rely upon a written notice by a Person representing itself to be a holder of Senior Indebtedness (or a trustee or representative on behalf of such holder) as evidence that such Person is a holder of Senior Indebtedness (or is such a trustee or representative). With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Section 2.06, and no implied covenants or obligations with respect to the holders of Senior Indebtedness shall be read into this Section 2.06 against the Trustee. The Trustee, however, shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness by reason of the execution of the Base Indenture, this First Supplemental Indenture, or any other supplemental indenture entered into pursuant to Section 2.01 or Article 10 of the Base Indenture, and shall not be liable to any such holders if it shall mistakenly pay over or distribute to or on behalf of holders of the Notes or the Company moneys or assets to which any holders of Senior Indebtedness shall be entitled by virtue of this Section 2.06.

(c) In the event and during the continuation of any default in the payment of principal of, or premium, if any, or interest on, any Senior Indebtedness, beyond any applicable grace period, or if any event of default with respect to any Senior Indebtedness shall have occurred and be continuing, or would occur as a result of the payment referred to hereinafter, permitting the holders of such Senior Indebtedness (or a trustee on behalf of the holders thereof) to accelerate the maturity thereof, then, unless and until such default or event of default shall have been cured or waived or shall have ceased to exist, no payment or principal of or interest on the Notes, shall be made by the Company.

(d) Nothing contained in the Base Indenture, this First Supplemental Indenture, any other supplemental indenture entered into pursuant to Section 2.01 or Article 10 of the Base Indenture, or in any of the Notes shall: (i) impair, as between the Company, its creditors, other than the holders of Senior Indebtedness, and holders of the Notes, the obligations of the Company, which are unconditional and absolute, to make, or prevent the Company from making, at any time except as provided in clauses (b), (c), or (j) of this Section 2.06, payments of principal of, or interest (including interest accruing subsequent to the commencement of any proceeding for the bankruptcy or reorganization of the Company under any applicable bankruptcy, insolvency, or similar law now or hereafter in effect) on, the Notes, as and when the same shall become due and payable in accordance with the terms of the Notes; (ii) affect the relative rights of the Holders of the Notes and creditors of the Company other than the holders of the Senior Indebtedness; (iii) except as otherwise expressly provided in the Base Indenture, this First Supplemental Indenture and the Notes with respect to the limitation on the rights of the Trustee and the holders of Notes, to accelerate the maturity of the Notes and pursue remedies upon such an acceleration, prevent the holder of any Notes or the Trustee from exercising all remedies otherwise permitted by applicable law upon default thereunder, subject to the rights, if any, under this Section 2.06 of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of such remedy; or (iv) prevent the application by the Trustee or any Paying Agent of any moneys deposited with it hereunder to the payment of or on account of the principal of, or interest on, the Notes or prevent the receipt by the Trustee or any Paying Agent of such moneys, if, prior to the third Business Day prior to such deposit, the Trustee or such Paying Agent did not have written notice of any event prohibiting the making of such deposit by the Company.

(e) Each holder by his acceptance of any Notes authorizes and expressly directs the Trustee on such holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in the Indenture, and appoints the Trustee such holder's attorney-in-fact for such purposes, including, in the event of any termination, winding up, liquidation or reorganization of the Company (whether in bankruptcy, insolvency, receivership, reorganization or similar proceedings or upon an assignment for the benefit of creditors by the Company, a marshalling of the assets and liabilities of the Company) tending toward the liquidation of the property and assets of the Company, the filing of a claim for the unpaid balance of the Notes in the form required in those proceedings.

The Company shall give prompt written notice to the Trustee of any fact known to the Company that would prohibit the Company from making any payment to or by the Trustee in respect of the Notes pursuant to the

provisions of this Section 2.06 or Article 16 of the Base Indenture. The Trustee shall not be charged with the knowledge of the existence of any default or event of default with respect to any Senior Indebtedness or of any other facts that would prohibit the making of any payment to or by the Trustee unless and until the Trustee shall have received notice in writing at its Corporate Trust Office to that effect signed by an Officer of the Company, or by a holder of Senior Indebtedness or a trustee or agent thereof; and prior to the receipt of any such written notice, the Trustee shall, subject to Article 7 of the Base Indenture, be entitled to assume that no such facts exist; provided that, if the Trustee shall not have received the notice provided for in this Section 2.06 at least two Business Days prior to the date upon which, by the terms of the Indenture, any monies shall become payable for any purpose (including, without limitation, the payment of the principal of or interest on any Note), then, notwithstanding anything herein to the contrary, the Trustee shall have full power and authority to receive any monies from the Company and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary that may be received by it on or after such prior date except for an acceleration of the Notes prior to such application. The foregoing shall not apply if the Paying Agent is the Company. The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself or itself to be a holder of any Senior Indebtedness (or a trustee on behalf of, or agent of, such holder) to establish that such notice has been given by a holder of such Senior Indebtedness or a trustee or agent on behalf of any such holder. In the event that the Trustee determines in good faith that any evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Section 2.06 or Article 16 of the Base Indenture, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Section 2.06 or Article 16 of the Base Indenture and, if such evidence is not furnished to the Trustee, the Trustee may defer any payment to such Person pending such evidence being furnished to the Trustee or a judicial determination that such Person has the right to receive such payment.

(f) Notwithstanding the provisions of this Section 2.06 or any other provisions of the Indenture, neither the Trustee nor any Paying Agent shall be charged with knowledge of the existence of any Senior Indebtedness or of any event that would prohibit the making of any payment or moneys to or by the Trustee or such Paying Agent, unless and until a Responsible Officer of the Trustee or such Paying Agent shall have received written notice thereof from the Company or from the holder of any Senior Indebtedness or from the representative of any such holder.

(g) The Trustee shall be entitled to all of the rights set forth in this Section 2.06 in respect of any Senior Indebtedness at any time held by it in its individual capacity to the extent set forth in Section 7.04 of the Base Indenture.

(h) The failure to make a payment pursuant to the Notes by reason of any provision in this Section 2.06 shall not be construed as preventing the occurrence of a default or any Event of Default.

(i) Nothing contained in this Section 2.06 shall apply to the claims of, or payments to, the Trustee under or pursuant to Section 7.06 of the Base Indenture.

(j) The subordination provisions in this Section 2.06 or Article 16 of the Base Indenture do not apply to amounts due to the Trustee pursuant to other sections of the Indenture, including Section 7.06 of the Base Indenture.

*Section 2.07. Events of Default; Acceleration.* All of the Events of Default set forth in clauses (a), (b), (c), (d) and (e) of Section 6.01 of the Base Indenture will apply with respect to the Notes. Notwithstanding the foregoing, because the Company will treat the Notes as Tier 2 capital (or its then equivalent if the Company were subject to such capital requirement) for purposes of capital adequacy guidelines of the Federal Reserve Board as then in effect and applicable to the Company, upon the occurrence of an Event of Default other than an Event of Default set forth in clause (d) or (e) of Section 6.01 of the Base Indenture, neither the Trustee nor the holders of the Notes may accelerate the maturity of the Notes and make the principal of, and any accrued and unpaid interest on, the Notes, immediately due and payable. Solely with respect to the Notes, and not for the purposes of any other Securities, clause (d) and (e) of Section 6.01 of the Base Indenture shall be replaced in their entirety with the following:

“(d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter

in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of the property of the Company, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(e) the Company shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or for any substantial part of the property of the Company, or shall make any general assignment for the benefit of creditors; or”.

Section 2.08. *No Sinking Fund.* The Notes are not entitled to the benefit of any sinking fund.

Section 2.09. *No Conversion or Exchange Rights.* The Notes shall not be convertible into or exchangeable for any equity securities, other securities or other assets of the Company or any Subsidiary of the Company.

Section 2.10. *No Defeasance or Covenant Defeasance.* Sections 14.02, 14.03, 14.04 and 14.05 of the Base Indenture shall not be applicable to the Notes.

### ARTICLE 3 REDEMPTION OF THE NOTES

Section 3.01. *Optional Redemption.* The Notes shall not be redeemable prior to September 1, 2026, except as provided in Section 3.02. The Company may redeem the Notes, at its sole option, beginning with the Interest Payment Date of September 1, 2026 and on any Interest Payment Date thereafter, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the Redemption Date, and any such redemption may be subject to the satisfaction of one or more conditions precedent set forth in the applicable notice of redemption (an “Optional Redemption”). No such Optional Redemption of the Notes by the Company prior to the Maturity Date shall be made without the prior approval of the Federal Reserve Board, to the extent that such approval is then required under the rules of the Federal Reserve Board. The Notes are not subject to repayment at the option of the holders of Notes.

Section 3.02. *Redemption of Special Events.* Other than in the case of an Optional Redemption, the Notes may not be redeemed by the Company prior to the Maturity Date, except the Company may, at its sole option, redeem the Notes at any time before the Maturity Date in whole, but not in part, upon or after the occurrence of a Tax Event, a Tier 2 Capital Event or if the Company is required to register as an investment company pursuant to the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.), as amended. Any such redemption of the Notes will be at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the Redemption Date, and any such redemption may be subject to the satisfaction of one or more conditions precedent set forth in the applicable notice of redemption. Notwithstanding the foregoing, installments of interest on any Notes that are due and payable on Interest Payment Dates falling on or prior to the applicable Redemption Date will be payable on such Interest Payment Dates to the holders of the Notes at the close of business on the relevant record dates specified in Sections 2.05(a) and (b) above in accordance with the Notes and this Indenture. No such redemption of the Notes by the Company prior to the Maturity Date shall be made without the prior approval of the Federal Reserve Board, to the extent that such approval is then required under the rules of the Federal Reserve Board.

Section 3.03. *Notice to Trustee.* If the Company elects to redeem the Notes pursuant to the redemption provisions of Section 3.01 or Section 3.02 of this First Supplemental Indenture, at least 15 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee) but not more than 60 days before the Redemption Date, the Company shall furnish to the Trustee an Officer’s Certificate setting forth (i) the applicable section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of Notes to be redeemed, (iv) the redemption price and (v) a Board Resolution.

Section 3.04. *Partial Redemption.* In the case of a redemption pursuant to Section 3.01, if less than all of the Notes are to be redeemed, the Notes to be redeemed will be selected in accordance with the rules of DTC (or, in the

case of any certificated Notes, by lot, on a pro rata basis or in such other manner the Trustee deems fair and appropriate unless otherwise required by law). The Trustee shall promptly notify in writing the Company of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in minimum amounts of \$1,000 or integral multiples of \$1,000 in excess thereof; no Notes of a principal amount of \$1,000 or less shall be redeemed in part, except that if all of the Notes of a holder are to be redeemed, the entire outstanding amount of Notes held by such holder, even if not equal to \$1,000 or an integral multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.05. *Notice to Holders.* In the case of any redemption, at least 15 days but no more than 60 days before the Redemption Date, the Company shall send in accordance with the applicable procedures of the Depository, or if the Notes are not then global Securities the Company shall mail, or cause to be mailed, a notice of redemption by first-class mail to each holder of Notes to be redeemed at such holder's registered address appearing on the register (with a copy to the Trustee). The notice shall identify the Notes to be redeemed (including the CUSIP and/or ISIN numbers thereof, if any) and shall state:

- (a) the Redemption Date;
- (b) the principal amount of the Notes that are being redeemed;
- (c) each Place of Payment;
- (d) the redemption price and accrued interest to the Redemption Date that is payable pursuant to Section 3.02 of the Base Indenture;
- (e) if fewer than all outstanding Notes are to be redeemed, the portion of the principal amount of such Notes to be redeemed and that, after the Redemption Date and upon surrender of such Notes, if applicable, a new Note or Notes in principal amount equal to the unredeemed portion will be issued;
- (f) the name and address of the Paying Agent;
- (g) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (h) that unless the Company defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (i) if such notice is conditioned upon the satisfaction of one or more conditions precedent, such conditions precedent;
- (j) the applicable section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (k) that no representation is made as to the correctness or accuracy of the CUSIP and/or ISIN numbers, if any, listed in such notice or printed on the Notes.

The Company may state in the notice of redemption that another Person may make payment of the redemption price and perform its obligations with respect to redemption or purchase.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; provided, that the Company shall have delivered to the Trustee, at least three Business Days prior to the requested date of delivery (or such shorter period as is satisfactory to the Trustee), a Company Request requesting that the Trustee give such notice and attaching a copy of such notice, which shall set forth the information to be stated in such notice as provided in this [Article 3](#). If any condition precedent to a redemption has not been satisfied, the Company will provide written notice to the Trustee not less than two Business Days prior to the Redemption

Date that such condition precedent has not been satisfied, that the notice of redemption is rescinded or delayed and that the redemption subject to the satisfaction of such condition precedent shall not occur or shall be delayed (or that such condition precedent is waived and such redemption shall occur or shall be delayed). The Trustee shall promptly send a copy of such notice to the holders of the Notes.

All capitalized terms used in this Note and not defined herein that are defined in the Base Indenture or the First Supplemental Indenture shall have the meanings assigned to them in the Base Indenture or the First Supplemental Indenture. If any capitalized term used in this Note and defined herein is also defined in the Base Indenture or the First Supplemental Indenture, in the event of any conflict in the meanings ascribed to such capitalized term, the definition of the capitalized term in this Note shall control. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The indebtedness of the Company evidenced by the Notes, including the principal thereof and interest thereon, is, to the extent and in the manner set forth in the First Supplemental Indenture, subordinate and junior in right of payment to obligations of the Company constituting the Senior Indebtedness (as defined in the First Supplemental Indenture) on the terms and subject to the terms and conditions as provided and set forth in Section 2.06 of the First Supplemental Indenture and shall rank *pari passu* in right of payment with all other Notes and with all other unsecured subordinated indebtedness of the Company issued under the Indenture and not by its terms subordinate and junior in right of payment to the promissory notes, bonds, debentures or other evidences of indebtedness of a type that includes the Notes. Each holder by his acceptance of this Note, agrees to and shall be bound by such provisions of the Indenture and authorizes and expressly directs the Trustee on such holder’s behalf to take such actions as may be necessary or appropriate to effectuate the subordination provided in the Indenture.

During the Fixed Rate Period, interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. During the Floating Rate Period, interest will be computed on the basis of a 360-day year and the actual number of days elapsed. Dollar amounts resulting from those calculations will be rounded to the nearest cent, with one-half cent being rounded upward.

If any Fixed Period Interest Payment Date for the Note or the date for the payment of principal for the Note occurring during the Fixed Rate Period falls on a day that is not a Business Day, the Company will postpone the interest or principal payment to the next succeeding Business Day, but the payments made on such dates will be treated as being made on the date that the payment was first due and the holder of the Note will not be entitled to any further interest, principal or other payments with respect to such postponements. If any Floating Period Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the Company will postpone the interest payment or the payment of principal and interest at the Maturity Date to the next succeeding Business Day (and,

with respect to the Maturity Date, no additional interest will accrue on the amount payable for the period from and after the Maturity Date), unless, with respect to a Floating Period Interest Payment Date only, such day falls in the next calendar month, in which case the Floating Period Interest Payment Date will instead be the immediately preceding day that is a Business Day, and interest will accrue to, but excluding, such Floating Period Interest Payment Date as so adjusted.

The Notes are intended to be treated as Tier 2 capital (or its then equivalent if the Company were subject to such capital requirement) for purposes of capital adequacy guidelines of the Federal Reserve Board as then in effect and applicable to the Company. If an Event of Default with respect to Notes shall occur and be continuing, the principal and any accrued and unpaid interest on the Notes shall only become due and payable in accordance with the terms and conditions set forth in Article 6 of the Base Indenture and Section 2.07 of the First Supplemental Indenture. **Accordingly, the holder of this Note has no right to accelerate the maturity of this Note in the event the Company fails to pay interest on any of the Notes or fails to perform any other obligations under the Notes or in the Indenture that are applicable to the Notes.**

The Notes may be redeemed by the Company as set forth in the Indenture.

The Notes are not entitled to the benefit of any sinking fund. The Notes shall not be convertible into or exchangeable for any equity securities, other securities or other assets of the Company or any Subsidiary.

Sections 14.02, 14.03, 14.04 and 14.05 of the Base Indenture shall not be applicable to the Notes.

The Notes are issuable and may be transferred only in fully registered form without coupons, in minimum denominations of \$1,000 or any amount in excess thereof that is an integral multiple of \$1,000.

The Company and the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest (if any) on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

**This Security is a global note, represented by one or more permanent global certificates registered in the name of the nominee of The Depository Trust Company (each a “Global Note” and collectively, the “Global Notes”). Accordingly, unless and until it is exchanged in whole or in part for individual certificates evidencing the Notes represented hereby, this Security may not be transferred except as a whole by The Depository Trust Company (the “Depository”) to a nominee of such Depository or by a nominee of such Depository or by the Depository or any nominee to a successor Depository or any nominee of such successor. Ownership of beneficial interests in this Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable Depository or its nominee (with respect to interest of Persons that have accounts with the Depository (“Participants”) and the records of Participants (with respect to interests of Persons other than Participants)). Beneficial interests in Notes owned by Persons that hold through Participants will be evidenced only by, and transfers of such beneficial interests with such Participants will be effected only through, records maintained by such Participants. Except as provided below, owners of beneficial interests in this Security will not be entitled to have any individual certificates and will not be considered the owners or holders thereof under the Indenture.**

**Except in the limited circumstances set forth in Section 2.07 of the Base Indenture, Participants and owners of beneficial interests in the Global Notes will not be entitled to receive Securities in definitive form and will not be considered holders of Notes. None of the Company, the Trustee or the Paying Agent will be liable for any delay by the Depository, its nominee or any direct or indirect participant in identifying the beneficial owners of the related Notes. The Company and the Paying Agent may conclusively rely on, and will be protected in relying on, instructions from the Depository or its nominee for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the Notes to be issued.**

---

Except as provided in Section 2.07 of the Base Indenture, beneficial owners of Global Notes will not be entitled to receive physical delivery of Notes in definitive form and no Global Note will be exchangeable except for another Global Note of like denomination and tenor to be registered in the name of the Depository or its nominee. Accordingly, each Person owning a beneficial interest in a Global Note must rely on the procedures of the Depository and, if such Person is not a Participant, on the procedures of the Participant through which such Person owns its interest, to exercise any rights of a holder under the Notes.

The laws of some jurisdictions may require that purchasers of securities take physical delivery of those securities in definitive form. Accordingly, the ability to transfer interests in the Notes represented by a Global Note to those Persons may be limited. In addition, because the Depository can act only on behalf of its Participants, who in turn act on behalf of Persons who hold interests through Participants, the ability of a Person having an interest in Notes represented by a Global Note to pledge or transfer such interest to Persons that do not participate in the Depository's system, or otherwise to take actions in respect of such interest, may be affected by the lack of a physical definitive security in respect of such interest. None of the Company, the Trustee, the Paying Agent and the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of Notes by the Depository, or for maintaining, supervising or reviewing any records of the Depository relating to the Notes.

Wilmington Trust, National Association will act as the Company's Paying Agent with respect to the Notes through its offices presently located at Wilmington Trust, National Association, Rodney Square North, 1100 North Market Street, Wilmington, Delaware 19890, Attention: Hanmi Financial Corporation Administrator, Telephone: (302) 636-6398. The Company may at any time rescind the designation of a Paying Agent, appoint a successor Paying Agent, or approve a change in the office through which any Paying Agent acts.

Customary abbreviations may be used in the name of a holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused the CUSIP number for the Series of Securities of which the Notes are a part to be printed on the Notes as a convenience to the holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

**THIS NOTE SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK, AND FOR ALL PURPOSES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.**

We have reviewed (i) the Registration Statement on Form S-3 (File No. 333-251393) (the "Registration Statement") filed by the Company with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Securities Act"), (ii) the Registration Statement on Form S-3 (File No. 333-258894) (the "Registration Statement") filed by the Company under Rule 462(b) under the Securities Act; (iii) the prospectus of the Company, dated December 30, 2020, as supplemented by the prospectus supplement, dated August 18, 2021, relating to the Notes, as filed with the SEC pursuant to Rule 424(b) under the Securities Act, (iv) the Indenture, as supplemented by the First Supplemental Indenture, (v) the Underwriting Agreement, dated August 18, 2021, by and among the Company, Piper Sandler & Co. and Keefe, Bruyette & Woods, Inc., as representatives of the underwriters named therein, (vi) corporate proceedings of the Company relating to the issuance of the Notes, and (vii) such other documents and records and such matters of law and fact as we have deemed necessary or advisable to enable us to render this opinion. In connection with the issuance and sale of the Notes, the Company has also filed with the SEC two free writing prospectuses, dated August 17, 2021 and August 18, 2021, respectively, pursuant to Rule 433 under the Securities Act.

#### Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). All statements in this release other than statements of historical fact are “forward-looking statements” for purposes of federal and state securities laws, including, but not limited to, statements about anticipated future operating and financial performance, financial position and liquidity, business strategies, regulatory and competitive outlook, investment and expenditure plans, capital and financing needs, plans and objectives of management for future operations, and other similar forecasts and statements of expectation and statements of assumptions underlying any of the foregoing. In some cases, you can identify forward-looking statements by terminology such as “may,” “will,” “should,” “could,” “expects,” “plans,” “intends,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” or “continue,” or the negative of such terms and other comparable terminology. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance, strategies, outlook, needs, plans, objectives or achievements to differ from those expressed or implied by the forward-looking statement. These factors include the following: failure to maintain adequate levels of capital and liquidity to support our operations; the effect of potential future supervisory action against us or Hanmi Bank; the effect of our rating under the Community Reinvestment Act and our ability to address any issues raised in our regulatory exams; general economic and business conditions internationally, nationally and in those areas in which we operate; volatility and deterioration in the credit and equity markets; changes in consumer spending, borrowing and savings habits; availability of capital from private and government sources; demographic changes; competition for loans and deposits and failure to attract or retain loans and deposits; fluctuations in interest rates and a decline in the level of our interest rate spread; risks of natural disasters; a failure in or breach of our operational or security systems or infrastructure, including cyber-attacks; the failure to

maintain current technologies; inability to successfully implement future information technology enhancements; difficult business and economic conditions that can adversely affect our industry and business, including competition, fraudulent activity and negative publicity; risks associated with Small Business Administration loans; failure to attract or retain key employees; our ability to access cost-effective funding; fluctuations in real estate values; changes in accounting policies and practices; the imposition of tariffs or other domestic or international governmental policies impacting the value of the products of our borrowers; changes in governmental regulation, including, but not limited to, any increase in Federal Deposit Insurance Corporation insurance premiums; the ability of Hanmi Bank to make distributions to Hanmi Financial Corporation, which is restricted by certain factors, including Hanmi Bank's retained earnings, net income, prior distributions made, and certain other financial tests; ability to identify a suitable strategic partner or to consummate a strategic transaction; adequacy of our allowance for credit losses; credit quality and the effect of credit quality on our credit losses expense and allowance for credit losses; changes in the financial performance and/or condition of our borrowers and the ability of our borrowers to perform under the terms of their loans and other terms of credit agreements; our ability to control expenses; changes in securities markets; and risks as it relates to cyber security against our information technology infrastructure and those of our third party providers and vendors.

Given the ongoing and dynamic nature of the circumstances, it is difficult to predict the full impact of the COVID-19 outbreak on our business. The extent of such impact will depend on future developments, which are highly uncertain, including when the coronavirus can be controlled and abated and whether the gradual reopening of businesses will result in a meaningful increase in economic activity. As the result of the COVID-19 pandemic and the related adverse local and national economic consequences, we could be subject to any of the following risks, any of which could have a material, adverse effect on our business, financial condition, liquidity, and results of operations: demand for our products and services may decline, making it difficult to grow assets and income; if the economy is unable to substantially reopen, and high levels of unemployment continue for an extended period of time, loan delinquencies, problem assets, and foreclosures may increase, resulting in increased charges and reduced income; collateral for loans, especially real estate, may decline in value, which could cause credit loss expense to increase; our allowance for credit losses may have to be increased if borrowers experience financial difficulties beyond forbearance periods, which will adversely affect our net income; the net worth and liquidity of loan guarantors may decline, impairing their ability to honor commitments to us; as the result of the decline in the Federal Reserve Board's target federal funds rate, the yield on our assets may decline to a greater extent than the decline in our cost of interest-bearing liabilities, reducing our net interest margin and spread and reducing net income; a material decrease in net income or a net loss over several quarters could result in a decrease in the rate of our quarterly cash dividend; our cyber security risks are increased as the result of an increase in the number of employees working remotely; we rely on third party vendors for certain services and the unavailability of a critical service due to the COVID-19 outbreak could have an adverse effect on us; Federal Deposit Insurance Corporation premiums may increase if the agency experiences additional resolution costs; potential goodwill impairment charges could result if acquired assets and operations are adversely affected and remain at reduced levels; due to recent legislation and government action limiting foreclosure of real property and reduced governmental capacity to effect business transactions and property transfers, we may have more difficulty taking possession of collateral supporting our loans, which may negatively impact our ability to minimize our losses, which could adversely impact our financial results; and we face litigation, regulatory enforcement and reputation risk as a result of our participation in the Paycheck Protection Program ("PPP") and the risk that the Small Business Administration may not fund some or all PPP loan guaranties. Moreover, our future success and profitability substantially depends on the management skills of our executive officers and directors, many of whom have held officer and director positions with us for many years. The unanticipated loss or unavailability of key employees due to the outbreak could harm our ability to operate our business or execute our business strategy. We may not be successful in finding and integrating suitable successors in the event of key employee loss or unavailability.

---

In addition, we set forth certain risks in our reports filed with the U.S. Securities and Exchange Commission, including, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2020, our Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K that we will file hereafter, which could cause actual results to differ from those projected. We undertake no obligation to update such forward-looking statements except as required by law.
